HOUSE JOURNAL No. 1

Wednesday, December 4, 2002

On the first Wednesday in December in the year of our Lord, two thousand two, it being the day designated by the Constitution for assembling, the one hundred and fifty-eighth General Court of the State of New Hampshire convened at the Capitol in the City of Concord. The representatives-elect were called to order by Karen O. Wadsworth, Clerk of the House for the preceding session.

Prayer was offered by The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Compassionate Creator, in You we live and move and have our being. We ask Your blessing today upon our beloved New Hampshire and upon those who serve in public office. We especially remember this honorable House, our Governor and Governor-elect, our Senators and the Supreme Court. The recent election is now concluded and the ballots have been counted. May history record that the voice of a free people has been heard and that democracy is declared the winner.

As each representative here renews their pledge to promote and defend the well-being of all our citizens, give them courage, wisdom and compassion as they work through the difficult issues they will face. We also ask Your blessing to be upon their loved ones. As always we ask that Your protective hand be upon those members of our armed forces, police and fire service who are in harm's way today. May our gratitude for their sacrifice never cease and may all that is done in this House be worthy of their service. Amen.

Rep.-elect James E. Wheeler led the Pledge of Allegiance.

The National Anthem was sung by Lisa Itse, wife of Rep.-elect Itse.

LEAVES OF ABSENCE

Reps.-elect Allison and Joseph Manning, the day, illness.

Reps.-elect Balcom, Julie Brown, Cail, Desmarais, Hollinger and Soltani, the day, important business.

Rep.-elect McHugh, the day, illness in the family.

CALL OF THE ROLL

OATH OF OFFICE

Governor Jeanne Shaheen, having been informed that a quorum of the House was assembled, appeared, accompanied by the Honorable Councilors Raymond S. Burton, Peter J. Spaulding, Ruth L. Griffin, Raymond J. Wiczorek and David K. Wheeler. The members-elect, having presented their credentials, were duly qualified by the Governor as members of the House of Representatives by taking and subscribing the oath of office agreeable to the provisions of the Constitution of the State of New Hampshire.

The Governor and Executive Councilors retired.

ELECTION OF HOUSE SPEAKER

The Chair declared that nominations for Speaker were in order.

Rep. Mock placed the name of Rep. Gene G. Chandler in nomination for Speaker. Rep. Connie Jones seconded the nomination.

Rep. Burling moved that nominations for Speaker be closed and that Gene G. Chandler be unanimously elected as Speaker of the House.

Adopted.

The Sergeant-at-Arms escorted Speaker Chandler to the rostrum. The Speaker addressed the House.

(Speaker Chandler in the Chair)

ELECTION OF HOUSE OFFICERS

The Speaker declared nominations were in order for Clerk.

Rep. Kurk placed in nomination the name of Karen O. Wadsworth for Clerk.

Rep. Leach seconded the nomination.

There being no further nominations, the Speaker declared nominations closed and cast one ballot for Karen O. Wadsworth and declared Karen O. Wadsworth the duly-elected Clerk of the House for the 2003-2004 biennium.

The Speaker declared nominations were in order for Sergeant-at-Arms.

Rep. Thomas placed in nomination the name of Deborah Nielsen for Sergeant-at-Arms.

Rep. Francoeur seconded the nomination.

There being no further nominations, the Speaker declared nominations closed and instructed the Clerk to cast one ballot for Deborah Nielsen and declared Deborah Nielsen the duly-elected Sergeant-at-Arms for the 2003-2004 biennium.

The Speaker administered the oath of office to Karen O. Wadsworth and Deborah Nielsen.

RESOLUTION

Reps. Hess and Burling offered the following:

RESOLVED, that the House inform the Honorable Senate it has organized and is ready to meet with the Senate in Joint Convention for the purpose of electing a Secretary of State and a State Treasurer.

Adopted.

SENATE MESSAGES

The Senate has met and organized and has elected as its officers: Sen. Thomas R. Eaton., President; Steven J. Winter, Clerk; Tammy Wright, Assistant Clerk; and Henry W. Wilson, Sergeant-at-Arms. The Senate is ready to meet in joint convention for the purpose of electing the Secretary of State and the State Treasurer.

JOINT CONVENTION

(Speaker Chandler presiding)

The Speaker called the joint convention to order.

The Chair declared nominations were in order for Secretary of State.

Sen. D'Allesandro placed the name of William M. Gardner in nomination for Secretary of State.

Sen. Barnes and Reps. Lionel Johnson and Stritch seconded the nomination.

There being no further nominations, the Chair declared nominations closed and instructed the Clerk to cast one ballot for Mr. Gardner.

The Chair declared Mr. Gardner duly-elected Secretary of State for the 2003-2004 biennium.

The Chair administered the oath of office to William M. Gardner. Mr. Gardner addressed the Joint Convention.

The Chair declared nominations were in order for the State Treasurer.

Rep. Weyler placed the name of Michael A. Ablowich in nomination for State Treasurer. Sen. Petersen seconded the nomination.

Rep. Hunt placed the name of David J. Alukonis in nomination for State Treasurer. Sen. Clegg seconded the nomination.

There being no further nominations, the Chair declared nominations closed.

The Chair, at the request of the candidates, named Rep. Weyler and Sen. Petersen as tellers for Michael A. Ablowich and Rep. Hunt and Sen. Clegg as tellers for David J. Alukonis.

With 407 votes being cast, 204 votes were needed for election.

Michael A. Ablowich received 241 votes.

David J. Alukonis received 163 votes.

Two ballots were blank and one ballot was cast for a non-candidate.

The Chair declared Michael A. Ablowich the duly-elected State Treasurer for the 2003-2004 biennium.

Mr. Ablowich addressed the Joint Convention.

Sen. Clegg and Rep. Hess moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

HOUSE SESSION

(Speaker Chandler in the Chair)

The Speaker reconvened the House session.

Reps. Hess and Burling offered the following:

HOUSE RESOLUTION NO. 1

RESOLVED, that the House adopt the rules of the 2002 session for the 2003-2004 biennium.

Rep. Hess spoke in favor.

Adopted.

Reps. Hess and Nordgren offer the following:

HOUSE RESOLUTION NO. 2

RESOLVED, That all action taken at all sessions of the House of Representatives be recorded on tapes through the public address system, and that the tapes be used by the Clerk to confirm and correct the permanent journal. The permanent journal as prepared by the Clerk and as may be corrected by the House shall be the official record of the House.

Adopted.

Reps. Francoeur and Nordgren offered the following:

HOUSE RESOLUTION NO. 3

RESOLVED, That the following policy be established for the distribution of House calendars and journals, bills and resolutions to members of the General Court and state departments:

1. Every citizen is entitled, free of charge, to one copy of any publication at the legislative counter or to have the publication mailed to that person upon individual request for one such copy.

2. Persons requesting copies for the entire session will be charged a fee sufficient to cover postage, envelopes and handling. Such fees may be prorated when service is received for portions of the session only. All fees are payable in advance. The subscriber list may be submitted for legislative accounting and auditing purposes, but is not for publication or sale.

All fees charged for publications in accordance with this resolution shall be fixed with the approval of the Speaker, paid into the state treasury and credited to the legislative appropriation.

Adopted.

Reps. Hess and Nordgren offer the following:

HOUSE RESOLUTION NO. 4

RESOLVED, That the Speaker may employ such personnel as he may deem necessary and, with the approval of the House subcommittee of the Committee on Legislative Facilities, may fix their compensation in accordance with RSA 17-E:5.

Adopted.

Reps. Whalley and Nordgren offer the following:

HOUSE RESOLUTION NO. 5

RESOLVED, That members will be paid their legislative salary, as provided in the Constitution, in the month of January 2003, and

That mileage of members of the House of Representatives be paid every two weeks during the session.

Adopted.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, January 8, 2003 at 10:00 a.m.

Adopted.

LATE SESSION**Third reading and final passage**

HR 1, relative to adopting the rules of the 2002 session.

HR 2, relative to recording House sessions and the permanent journal.

HR 3, relative to the distribution of House publications.

HR 4, relative to the Speaker employing personnel per RSA 17-E:5.

HR 5, relative to legislative salary and mileage payments.

RECESS MOTION

Rep. Francoeur moved that the House stand in recess.

Adopted.

The House recessed at 1:25 p.m.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.
 Adopted.

HOUSE JOURNAL No. 2

Wednesday, January 8, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Her Excellency, Governor Jeanne Shaheen, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Eternal and ever-compassionate God, we give thanks for Governor Shaheen and for her service to our State and ask God's blessing upon her and her family as she begins a new journey. Eternal and ever-compassionate God, we ask Your blessing to be upon this honorable House, its membership and support staff at the beginning of this new legislative term. In these dangerous and uncertain times, both internationally and locally, we seek Your guidance and wisdom so that the decisions rendered here may benefit all the citizens of our beloved New Hampshire and uphold the highest ideals of American democracy and the building up of caring communities.

We especially ask Your blessing to be with those who serve in the armed services, police and fire service and their loved ones, who stand in harm's way today in the defense of our country and our communities. Amen.

Rep. Russell F. Ingram led the Pledge of Allegiance.

The National Anthem was sung by Allison Messier, a student at the New England Conservatory of Music and granddaughter of Rep. Irene Messier.

LEAVES OF ABSENCE

Reps. Stephanie Eaton, Hallyburton, Hollinger, Kerns, Lessard, Priestley, Reardon and Rollo, the day, important business.

Rep. Ford, the day, illness.

Reps. Casey, Lefebvre and Souza, the day, illness in the family.

Strafford County, District 71, Jeff Hollinger, r, Dover (346 Back Road) 03820

Karen H. Ladd, Assistant Secretary of State

December 31, 2002

Dear Speaker Chandler,

One of the great honors in life is to serve the interests of others. As a state representative, I have done my best to serve the people of Manchester and the state of New Hampshire during the last two years.

It is after long consideration that I offer my resignation as a member of our honorable institution. While I end my service to the state of New Hampshire as a state representative, I am happy to announce my service and commitment to the people of New Hampshire will continue as I have accepted a position with Congressman-elect Jeb Bradley.

It has been my distinct pleasure and honor to serve the city of Manchester and the state of New Hampshire. Good luck to you and all members of the House during the next legislative session. I trust the future of New Hampshire remains in the capable hands of the new legislative body and I look forward to experiencing a productive session as a resident of the Granite State.

Respectfully, Frank C. Guinta, District 50.

The Speaker accepted the resignation with regret.

INTRODUCTION OF GUESTS

Tom Gillick, son of Rep. Gillick. Aaron Weinstein, guest of Reps. Artz and Furman. Joseph Pantelakos, son of Rep. Pantelakos. Christopher and Bruce Messier, sons of Rep. Messier. Special guest Carlyn Coy, the NH Superstock Soap Box Derby Champion, guest of Reps. Phinizy, Parkhurst and Barbara Hull Richardson.

RESOLUTION

Reps. Hess and Burling offered the following:

RESOLVED, that the House inform the Honorable Senate it is ready to meet in Joint Convention for the purpose of canvassing the votes for Governor and Executive Council, and for the taking of the oath by the State Treasurer.

Adopted.

SENATE MESSAGE

The Senate is now ready to meet with the honorable House of Representatives in Joint Convention for the purpose of canvassing the votes for Governor and Executive Council and for the swearing in of the State Treasurer.

JOINT CONVENTION

(Speaker Chandler presiding)

OATH OF OFFICE

The Sergeant-at-Arms escorted State Treasurer-elect Mr. Michael A. Ablowich to the rostrum. The Speaker administered the oath of office to Mr. Ablowich who thereafter addressed the Joint Convention with his wife, Katherine McCormick, son, Connor, and parents, Ronald and Ann Ablowich in attendance.

RESOLUTION

Rep. Hess and Sen. Clegg offered the following:

RESOLVED, that the Honorable Deputy Secretary of State be requested to lay before the Joint Convention the return votes for Governor and Executive Council.

Adopted.

In accordance with Article 42, Part 2 of the New Hampshire Constitution, The Honorable David M. Scanlan, Deputy Secretary of State, appeared before the Joint Convention and laid before the Joint Convention the return of votes for Governor and Executive Council cast in the General Election held November 5, 2002 as follows:

FOR GOVERNOR

	Craig Benson, r	Mark Fernald, d	John J. Babiarez, l

	Plurality for Wheeler	5,524

RESOLUTION

Rep. Hess and Sen. Clegg offered the following:

RESOLVED, that the vote for Governor and Council be referred to a committee consisting of two on the part of the Senate and three on the part of the House to compare and count the same and report thereon.

The Chair appointed Sens. Clegg and Larsen and Reps. Dickinson, Flanagan, and Robert A. Johnson. Adopted.

Rep. Hess and Sen. Roberge moved that the Joint Convention arise. Adopted.

The Joint Convention adjourned.

HOUSE SESSION**(Speaker Chandler in the Chair)**

The Speaker reconvened the House session.

AMENDMENT TO HOUSE RULES

The Rules Committee offered amendments to the following House Rules:

Amend the introductory paragraph of House Rule 30 to read as follows:

30. The following standing policy committees shall be appointed at the commencement of any session and will consist of not more than [23] **24** members: Children and Family Law; Commerce; Criminal Justice and Public Safety; Education; Election Law; Environment and Agriculture; Executive Departments and Administration; Finance; Fish and Game; Health, Human Services and Elderly Affairs; Judiciary; Labor, Industrial and Rehabilitative Services; Legislative Administration; Municipal and County Government; Public Works and Highways; Resources, Recreation and Development; Rules; Science, Technology and Energy; State-Federal Relations and Veterans Affairs; Transportation; and Ways and Means.

Amend House Rule 63 to read as follows:

63. No person, including members of the House, except law enforcement officers while actively engaged in carrying out their duties as such, shall carry or have in possession any deadly weapon as defined in RSA 625:11, V while in the House Chamber, anterooms, cloakrooms, or any portion of the State House adjacent to any of the above. Any person in violation of this rule shall be subject to ejection from any such premises on the order of the Speaker and disciplinary action or arrest or both by action of the House. Nothing in this rule shall indicate that the security officer

appointed by the House under Rule 61 has the right to stop and search a member of the House on the premises of the House. (Dickinson, Carr 4; Major, Rock 79; Stone, Rock 73; Thomas, Belk 31; Weyler, Rock 79; Kenney, Dist 3; Clegg, Dist 14: State-Federal Relations and Veterans Affairs)
- HCR 3**, calling on the President and the Congress to fully fund the federal government's share of special education services in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act. (Dionne, Hills 42; P. Sullivan, Hills 50; O'Brien, Hills 43; Elliott, Hills 42; Coughlin, Hills 45; Naro, Graf 15; Sapareto, Dist 19; Odell, Dist 8: State-Federal Relations and Veterans Affairs)

HR 6, relative to criteria for establishing house representative districts. (Leach, Hills 42; Gile, Merr 38; R. Cooney, Rock 76; Leber, Merr 35; Scott, Straf 71: Election Law)

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only, and when the House adjourns today it be to meet Thursday, January 9, 2003 at 11:00 a.m.

Adopted.

UNANIMOUS CONSENT

Reps. Albert, McElroy and Soltani addressed the House.

Rep Hess moved the House adjourn.

Adopted.

HOUSE JOURNAL No. 3

Thursday, January 9, 2003

The House assembled at 11:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Blessed Creator and lover of liberty and justice, we ask Your blessing upon this honorable House on this historic day. May all who enter this chamber find it to be a place of hospitality and welcome as a new beginning is inaugurated on behalf of all the free citizens of our beloved New Hampshire. May all that is done here today be in accord with Your will, and may we never cease to give You thanks for the innumerable benefits and blessings that You have so generously bestowed upon us all.

We especially ask Your blessing to be with those who serve in the armed services, police and fire service and their loved ones, who stand in harm's way today in the defense of our country and our communities. Amen.

Reps. Hess and Burling led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Bickford, Bruno, Derby, Stephanie Eaton, Gile, Hallyburton, Hollinger, Hutchinson, Kerns, Pantelakos, Pitts, Priestley, Rollo, Stevens, Tate and Tilton, the day, important business.

Reps. Casey and Souza, the day, illness in the family.

The Speaker granted leaves of absence for any members who were displaced because of today's ceremonies.

REPORT

Sens. Clegg and Larsen and Reps. Dickinson, Flanagan and Robert Johnson offered the following report:

The Joint Committee appointed to compare and count the votes for Governor and Executive Council reports that it has attended to its duties and the vote is correct.

INVOCATION

The Invocation was offered by Father Maurice D. Lavigne of St. Theresa's Church in Rye. Loving God, look down with kindness and mercy upon Your servant and son, Craig Benson, as he begins the first step of his journey as Governor of the State of New Hampshire. Surround him with people who will help him with goodwill and truthful and wise advice. Give him the humility to both listen and discern. Give him good health to do his job for the people of New Hampshire and the patience to do that job one day at a time. Bless him with a heart big enough to hold all the people of our state and to see and care about the needs of both the great and the small. Endow him with wisdom to always know the right course of action and the courage to follow through. Most of all Lord, keep him a good man who will always have the wisdom to ask for Your help and guidance. Bless him Lord and keep him safe always. Amen.

POSTING OF COLORS

A Multi-unit Color Guard comprised of Lieutenant John Duval, Concord Police Department; Lieutenant Robert Krieger, Merrimack County Sheriff's Office; Sergeant John Lelacheur, New Hampshire State Police and Lieutenant John Whittmore, Fish and Game Department posted the Colors.

PLEDGE OF ALLEGIANCE

Master Sergeant Shane Burnham and Technical Sergeant Joseph Doherty, members of the Armed Forces serving in Operation Enduring Freedom, led the Pledge of Allegiance.

NATIONAL ANTHEM

The National Anthem was sung by Meredith Lustig, a student from Nashua High School.

PRAYER

A prayer for peace and thanksgiving was offered by The Reverend Angelo Pappas of St. Nicholas Greek Orthodox Church in Portsmouth.

We thank You, O Mighty Father, for the opportunity to witness today for peace and thanksgiving on this inaugural day of Governor-elect Craig Benson. We gather with Mr. Benson and his lovely family, our state legislators and friends as an ecumenical family and to lift up our hearts in fervent prayer that the prophecy of peace may be fulfilled. Lord, we live in troubled times. Out of darkness we draw near to You for light. Out of sorrows we come to You seeking lasting joy. Out of our doubts we come to You in search of certainty. Out of our deep anxiety we come to You for inner peace. Forgive our complacency before a troubled world. Help us to realize that none of us can know peace, joy, safety and comfort if others do not know hope. Hasten the day when all people will live in peace and be governed by evangelical love. Make strong in us the ideal of brother and sisterhood of all Your children. Lord of Peace, captivate our hearts, inflame our spirits, mold our ethos, inspire our minds, guide our actions, enable us to be more true to ourselves and to You, more honest with one another and with our beliefs and more determined to express our responsibilities. We pray for Mr. Benson and all the faithful and dedicated men and women of the New Hampshire state government to bless them. Grant Mr. Benson wisdom to think with clarity and act with courage. Strengthen him with good health as he carries the weight of the state upon his shoulders. Protect his family and grant them understanding in times of concern. We also ask Lord, that You grant that the light of freedom in our land may never grown dim. Help us to comprehend that freedom's light is holy and through Your sovereignty, love and compassion it will never flicker and fade. Bless and inspire all of us to promote justice, amity, understanding and love among all peoples until the day that the ideals of brotherhood and justice become the universal standards of human relationships and help us dedicate ourselves to the task of bridging the gap which keeps us apart from one another and from You. We ask this in Your name. Amen.

OATHS OF OFFICE

Chief Justice David A. Brock administered the oath of office to Governor-elect Craig Benson. Governor Benson administered the oath of office to the Honorable Executive Councilors Raymond S. Burton, Peter J. Spaulding, Ruth L. Griffin, Raymond J. Wieczorek and David K. Wheeler.

PRAYER

A Prayer for a successful administration was offered by Rabbi Mark David Finkel from Temple Beth Abraham, Nashua.

Dear God, a source of bountiful blessings on this day as we celebrate achievement and ponder our future, we invoke Your blessings upon our country and our state, on the government of our state, New Hampshire, Governor Craig Benson, our elected and appointed leaders, Councilors, Senators, Representatives, all who exercise just and rightful authority and their families. Guide them and us with Your wisdom which You planted within us. Let us be mindful that You have created us in Your image. We pray that our leaders may administer all affairs of government in justice and equity so that peace and security, happiness and prosperity, right and freedom may forever abide among us. Guide our leaders and us to understand that we are wise when we learn from one another, that we are strong when we control our impulses and that we are honored when we honor others. Unite all these citizens and residents of our state, all races and creeds. Let us forge a common bond of true people-hood to banish all hatred and bigotry and to safeguard the ideals and free institutions which are our nation's glory. May this state under Your providence be an influence for good throughout the nation and the world uniting humankind in peace and freedom and helping to fulfill the vision of Isaiah, the work of righteousness shall be peace and the effect of righteousness, quietness and confidence forever and people shall abide in peaceful homes and in secure dwellings and in quiet places of rest. In keeping with this day, let us also remember the words of Proverbs, "Like the coldness of snow is a trusty messenger to those who send him." On this day as we work to bring growth, happiness and learning to all New Hampshire, let us also remember the words of the psalmist, "May God show us favor, let the works of our hands prosper. May the works of our hands be firmly established and let us say 'Amen'."

POEM

New Hampshire Poet Laureate Marie Harris read her inaugural poem "New Year, New Hampshire."

New Year, New Hampshire

The Hunger Moon draws icy tides upriver
 heaving gray-green slabs of seawater
 onto the salt marshes. Inland, a house
 rides snow swells into evening
 while inside the householder, satisfied
 in the knowledge of a well-provisioned root cellar,
 a woodshed stacked with even cords,
 pulls the shutters to, turns from the darkening window.

And still, quarrelsome winds bay down the chimney.

The urge to retreat to hearth
 and leatherbound studies of certainty
 is as strong as the pull of the moon;
 but there are times
 when what we may need most
 are the rude and raucous disputations
 that sputter and spark
 like bonfires on frozen ponds,
 attracting a quorum of neighbors.

MUSICAL SALUTE TO GOVERNOR CRAIG BENSON

The St. Thomas Aquinas High School Band and Select Choir performed "United We Stand," an American medley including "Simple Gifts," "America the Beautiful," "America," and "The Battle Hymn of the Republic."

INAUGURAL ADDRESS

The Governor delivered his Inaugural Address:

Mr. Speaker, Mr. Senate President, Mr. Chief Justice, former Governors, members of the Executive Council, members of the House and Senate, other distinguished guests, my fellow citizens, I stand before you today ready to serve as your next Governor of New Hampshire. As someone who will forever be more comfortable being called "Craig" than "Governor," I would rather have a conversation about New Hampshire's future with you than a formal address. Today, I'm the first Governor whose entire term will be served in this new century. It will be our century to define and we will be held accountable for the decisions that we make. The choice is clear. We can either make tough decisions about New Hampshire's future or we can duck, dodge and defer those decisions and pass them off to our children. If we pass on those problems, we'll be the first generation to deny the younger generation the same opportunities that we have had. I believe it's time we stand up for the sake of our children. I plan to live up to that promise and to the promise this country was built on. One that leaves this country better than when we got it. Posterity will ask us, "Will we be the first generation in American history to fail?"

How did we get here? Government doesn't have a vision or a plan. It's become stagnant and outdated. There's no more evidence of that than our state budget where we spend almost 13,000 dollars for every family of four in state services and, yet, are looking at a budget deficit in the next two years of more than 250 million dollars. Our education system has been debated now for much more than a decade, yet 60% of our children do not read at grade level. Our healthcare system is seeing a record outflow of talented doctors and nurses and the costs are going through the ceiling as we speak. More than 50% of the children that we educate in this state leave this state to pursue their dreams someplace besides New Hampshire. That's three times the national average. Moreover, the problems exist in government as well. We were just ranked 51 out of 100% in our use of technology in the state of New Hampshire. That, ladies and gentlemen, is an "F" in every school in this state and it shouldn't be accepted by any tax-paying New Hampshire household. We can solve our problems if we upgrade our thinking, however. Today roughly marks the 20th anniversary of my founding of my own business in a garage. Cabletron, Hewlett-Packard and Apple

Computer were all founded in a garage. The Wright brothers founded their business in a small, little bike shop. Garages are New Hampshire hallmarks. They have passion, innovation and determination to solve their customers' problems. We had the audacity as a garage startup to believe that we could beat IBM and Digital Equipment Corporation at their own game, and we did. American entrepreneurial spirit is what we need in government. It means that we will change the way we do and think of things. Today, I am calling for new public entrepreneurship that will embody leadership, innovation and a bringing together of our core values to serve the people of this state in new ways. About two hundred years ago, this country rose up because it was sick of the tyranny of government and higher and higher taxes and together we fought for our independence. The first action of the American Revolution was right here in New Hampshire. We were the first state to declare our independence from England. I say let's do it again. Let's lead the nation. It's time we became independent from the status quo and it's time we revolutionize government in a whole new way. This revolution can be led by a new generation of what I'll call "community entrepreneurs" who experiment and innovate and find new ways of doing things. The entrepreneurial spirit is embodied on every license plate in the state of New Hampshire. "Live Free or Die" means something to entrepreneurs; it means something very, very clear and they understand it very well. It's more relevant today than it was even two hundred years ago, not only because we are fighting terrorism but we are fighting for our very economic independence. Entrepreneurs have to be free to dream and embrace new ideas or our economy will die. Education has to be a lifetime experience or our spirit will die. Our New Hampshire healthcare system must be free to pursue new ways of doing things to improve our quality of life. Government will no more treat us the way they want but in a way we want.

In the 1970's, many of you may remember that American car companies faced dire consequences. They had forgotten the values that the American car buyers wanted in their products. And the Japanese came into the United States like a tidal wave, bringing vehicles that more suited consumer needs in the United States. Car companies had a dire choice. Change radically or die. That crisis really forced them to think of new ways of doing things and today in the state of New Hampshire we, too, face a crisis of monumental proportions.

We can use that crisis to change government so that it becomes value-based for our citizens each and every day. Where I come from, the customer is always right. And the customers have spoken in record breaking numbers and for those of you who are unclear as to what they said, let me repeat it. No sales tax, no income tax, no way.

Those record number of voters have invested in the elected officials they have appointed to positions of responsibility and they expect a return on that investment. They expect us to sit at the government's kitchen table and make tough choices just like they have to do. They expect us to determine our wants versus our needs and they won't accept us throwing money at problems anymore without the benefit of a return on that investment. In the words of Winton Churchill, "We've run out of money — now it's time to think."

Change isn't like a lightning bolt that strikes and makes our problems magically disappear. Good change, long-lasting change, change that can be felt for many generations takes a long time to build right. Community entrepreneurs know that. They know just like great artworks it takes time to do it right. Entrepreneurs know that, too. Building a business does not happen overnight. It's done brick by brick, one at a time. We need to push forward every day. We need stick-to-itiveness to go forward with our values and we need to ensure that we do what is right for the citizens of this state. It includes listening to new ideas, embracing those new ideas, but it doesn't include being deterred by the criticism that is often attended with change. We won't be listening to that criticism because we will overcome those obstacles like we'll overcome all the other obstacles in this state and make the people in this state so proud that we are doing the right thing for their children's future. In short, don't bring problems, bring solutions.

It's time to get to work and today I will sign a number of executive orders to deal with the record-breaking budget deficit that we face. I want to hear what people have to say, so right here is the suggestion box that's going to go outside of my office as governor. There's an electronic one that's already been posted on the state web site. We need to encourage the free flow of information in this state and we need to challenge people with new ideas. I will do that with what I call the Governor's Initiative Award. I won't take a salary as your governor and I will use that money instead to reward great state employees who come up with creative ways to work in this state to make change and to make things happen. The backbone of any great organization is great people and we need to recognize those great efforts.

It's time we finally solve the education crisis once and for all. But we are not going to just focus on the costs of the equation, we are going to focus on quality. Sixty percent of our children don't read at grade level. One of the biggest beneficiaries of an educated, motivated workforce are businesses. So, today I'm kicking off a program called "Adopt-A-School" whereby businesses are allowed to come into our school system and help with the technology needs in that school, with understanding and rewarding teachers that go beyond the call of duty with merit pay and with showing students why they are learning what they are learning by walking through the hallways once in a while and communicating with those students. We're going to use technology in our classroom like never before not just to teach typing but we're also going to embrace distance learning. We are going to be able to bring art appreciation and thermophysics into every school in the state of New Hampshire and by doing that allow children to pursue their own passions. We're going to bring competition and choice to schools because those are principles that America was built on. But the most important thing we are going to do is that we are not going to give up on our kids anymore.

I have firsthand experience with that. In high school, I was told by the head guidance counselor, who happened to have a Ph.D, that I wasn't capable of going to college. I know what it feels like to be given up on and I know if I had listened to that advice, as many of our children do, that I would not have pursued my MBA, I would not have had the life I've had in private business and I wouldn't be standing before you here today. We cannot allow our children's dreams to die anymore by giving up on our children. It's wrong, it's not what America was built on and let's vow to stop doing it today.

New Hampshire's quality of life is second to none. A huge component of that is our healthcare system. Today new techniques and new technologies should be embraced by every healthcare provider in this state. However, due to the encumbrances on many of our healthcare providers, they cannot embrace those new technologies and techniques. I am pleased that I'm going to work with Sen. O'Hearn and Rep. Francoeur to introduce new legislation that's going to take the shackles off our talented healthcare providers and again allow them to innovate in the places where they deliver healthcare. We're going to open markets to competition both in insurance and in the general healthcare market because if we have competition, we will have the best quality and the best cost throughout the entire world. We will lead the way for the rest of the nation to look at as the envy of what healthcare systems should be.

All around New Hampshire, I've met so many people who make their community a very special place. They're community entrepreneurs, they experiment, they innovate, they find new ways of doing things. With us today are four community entrepreneurs who have made a real difference in their own community and I wish they would stand as I say their name and if we could recognize them. Mayor Bob Danderson of Berlin. Michelle Kramer. Donna Lencki. Julian Lange. Bob Danderson, "Mayor Bob" as he's known in Berlin, has faced some tough challenges and some tough times. But that does not get Mayor Bob down. He perseveres through anything. Take it from me, I worked with him. The fact of the matter is we have a real challenge in the northern portion of this state. So, today I am creating a Benson Action Team that will be headed by Mayor Bob whose goal is to ensure that the northern portion of the state is put on equal footing with the rest of the state of New Hampshire. Michelle Kramer came to the Franklin school system three years ago. Back then, in grades K through 8, 60% could not read at the grade level. Michelle Kramer has come in and three years later that rate has been cut in half. The reason is Michelle believes that every child can learn and she doesn't give up on anyone. She's a real, true community entrepreneur. Thank you for your efforts. Donna Lencki, she's founder of Choicelinx and CEO of Choicelinx and pioneering a whole new way to develop high quality information in healthcare that will revolutionize the way we deliver healthcare throughout the world. That business is based right here in New Hampshire. I couldn't be any prouder to have such a great person who represents entrepreneurship in this very Hall today. Thank you for what you are doing. Julian Lange is a distinguished professor of entrepreneurship at Babson College. Babson is now the number one school of entrepreneurship in the whole world. Clearly wasn't when I went to school there, but that's a different story. The fact is that Julian, for the last year, has put together a team of people to go out to teach people in New Hampshire, whether they are small business people or entrepreneurs, how to pursue their dreams. It has been a very effective program. Today Julian is taking a new task on for me. He's going to bring entrepreneurship into the state of New Hampshire, into government, specifically, because we want to make New Hampshire the first state to embrace public entrepreneurship as a new skill for the new century. Thank you Julian. Last, I know and you know, government cannot be all things to

all people. That's why New Hampshire is such a special place. We have so many people who volunteer to make it better. Someone who could not join us today is Pastor Paul Berube of Nashua. In 1985, he started the Grace Fellowship Church in an abandoned mill. Today, that abandoned mill houses a school with 400 students, incubator space for numerous start-up companies and numerous social service organizations that are now headquartered in that very mill space. Pastor Paul is a true community entrepreneur. He doesn't accept the status quo. He pursues innovation and with God's help he has pursued his vision.

Finally, I am the product of two loving parents, both of whom were teachers. This is what they taught me. My Mom taught me to never give up. If she didn't like the answer to a question, she'd ask, and ask, and ask, and ask until she got the answer she wanted. There is no clearer example of that then when she was diagnosed with cancer, terminal cancer, twelve years ago. She didn't like that answer and she went and found a different one. Today, twelve years later, she lives a vibrant lifestyle, including swimming many miles a week, and she's here with us today. My Dad, he has a Ph.D, he's an author of many best selling books, a World War II veteran who served us well in Okinawa and he had many career options in his life. He could have gone out and done whatever he wanted and made a lot more money. But he wanted to teach, he knew about the value of giving back. At 84 he still teaches me new lessons every single day. Thank you.

Life lessons have led me to the decisions I've made and God's faith has given me a great family, Denise, Lauren and Kristen.

As your Governor, I will use these lessons to fulfill the office of Governor but I need your help. The job of being Governor is all of our jobs and we need to work together to put New Hampshire back on the path for success.

In the audience today is Mrs. Meldrim Thomson, widow of former Governor Meldrim Thomson. Please, if you don't mind. (*stands to be recognized*) One of Governor Thomson's favorite expressions was "New Hampshire is what America used to be." If we do things right, if we make the right decisions and if we all work together, I want to build on that expression and make it, "Together we can make New Hampshire what America *ought* to be."

God bless You all and God bless the great state of New Hampshire.

BENEDICTION

Pastor Thomas Peetz from the Word of Life Christian Fellowship in Concord offered the Benediction. Our Heavenly Father, we thank You for this day. We thank You for Your goodness and Your mercies. We look to You as the Creator of all things, to look down from Your holy habitation and extend Your blessing on this day, the day of new beginnings for this great state. We thank You for all that You have done and what You are doing right now in this place. We ask that You would cover this administration, every member of this administration, every legislator, every senator with Your favor. Guiding and directing them, along with this great governor, with this new leadership in their decisions and protecting them from all harm and peril in these days in which we live. Imparting into them wisdom, under them governing this great state of ours. We thank You, we ask this in the precious name of Our Lord and Savior, Jesus Christ of Nazareth. Amen.

Rep. Hess and Sen. Roberge moved that the Joint Convention arise.

Adopted.

Guests and participants of the inauguration were ushered from the Hall.

RECESS

HOUSE SESSION

(Speaker Chandler in the Chair)

The Speaker reconvened the House session.

RESOLUTION

Rep. Hess offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bills numbered 133 through 149, 151 through 197 and House Concurrent Resolution numbered 4 shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF HOUSE BILLS and HCR

First, second reading and referral

HB 133-L, relative to amending certain articles of agreement in the Fall Mountain regional cooperative school district. (Phinizy, Sull 23: Education)

HB 134-FN, relative to recommendations, appointments, and qualifications of marital masters and procedures for cases heard by marital masters. (Elliott, Hills 42; Dionne, Hills 42; Wall Straf 72; Rowe, Hills 47; Boyce, Belk 31; Boyce, Dist 4; Roberge, Dist 9; Sapareto, Dist 19: Judiciary)

HB 135-FN-L, relative to charter schools. (Hunt, Ches 28; O'Hearn, Dist 12: Education)

HB 136-FN, relative to regional electronic toll collection. (R. L'Heureux, Hills 58; Hinkle, Hills 58; Brundige, Hills 58; Batula, Hills 58; Phinizy, Sull 23; Roberge, Dist 9; Martel, Dist 18; Clegg, Dist 14; O'Hearn, Dist 12: Public Works and Highways)

HB 137-FN, relative to discounted tolls under the regional electronic toll collection system. (R. L'Heureux, Hills 58; Mooney, Hills 58; Milligan, Hills 58; Hall, Hills 58; Phinizy, Sull 23; Roberge, Dist 9; Martel, Dist 18; Clegg, Dist 14; O'Hearn, Dist 12: Public Works and Highways)

HB 138-FN, relative to interpreters for the deaf in certain governmental or public proceedings. (Bergin, Hills 47; Wall, Straf 72; O'Hearn, Dist 12: Health, Human Services & Elderly Affairs)

HB 139, establishing a committee to study the collection and reporting of school drop-out, suspension, and expulsion data. (Naro, Graf 15; Carson, Rock 75; Bleyler, Graf 17; Cohen, Dist 24; Estabrook, Dist 21: Education)

HB 140-FN-L, relative to voter checklist verification. (M. Cooney, Graf 15; Lockwood, Merr 35; Naro, Graf 15: Election Law)

HB 141, prohibiting the use of automatic dialing systems for telephone solicitation. (Langley, Rock 88; Dickinson, Carr 4; Lockwood, Merr 35; Kurk, Hills 48; Crane, Hills 59; Kenney, Dist 3; Estabrook, Dist 21: Commerce)

HB 142, relative to motor vehicle registration expiration dates. (Artz, Hills 64; Furman, Hills 64: Transportation)

HB 143-FN, relative to the registration fees and requirements for snow traveling vehicles. (R. Cooney, Rock 76; C. Christensen, Hills 58; Stohl, Coos 1: Resources, Recreation and Development)

HB 144, establishing a procedure for the adoption of contracts in certain schools. (Dickinson, Carr 4: Municipal and County Government)

HB 145, relative to the Claremont and Newport district courts. (Cloutier, Sull 22; S. Harris, Sull 22; Franklin, Sull 20; Rodeschin, Sull 20; Burling, Sull 19; Odell, Dist 8; Below, Dist 5: Judiciary)

HB 146-FN, relative to criminal penalties for child pornography offenses. (Holland, Rock 76; Weyler, Rock 79; Morse, Dist 22: Criminal Justice and Public Safety)

HB 147, establishing a committee to study the expungement of records. (L. Christiansen, Hills 66; Marple, Merr 37: Executive Departments and Administration)

HB 148-FN, requiring the notification of renewal prior to expiration to holders of professional licenses issued by state agencies. (Gilman, Graf 9; Giuda, Graf 13; Sorg, Graf 11; Ingbreton, Graf 13; Adams, Hills 43; Gallus, Dist 1; Johnson, Dist 2; Kenney, Dist 3; Clegg, Dist 14; Sapareto, Dist 19: Executive Departments and Administration)

HB 149, relative to patient rights and disclosures in quality assurance programs. (Craig, Hills 50: Judiciary)

HB 151, authorizing the county convention to contract and fund performance audits of county departments. (Weyler, Rock 79; G. Katsakiores, Rock 77; Welch, Rock 79; Francoeur, Rock 85; Mercer, Hills 59; Clegg, Dist 14; Sapareto, Dist 19; Barnes, Dist 17: Municipal and County Government)

HB 152, relative to regulation by political subdivisions of OHRV trails and exempting certain rail trails use from the state trail evaluation process. (Royce, Ches 28; Alger, Graf 14; Stohl, Coos 1; Liebl, Ches 27; Russell, Belk 31; Odell, Dist 8; Flanders, Dist 7; Gallus, Dist 1: Resources, Recreation and Development)

HB 153-FN, relative to grounds for termination of parental rights. (Rogers Johnson, Rock 83: Children and Family Law)

HB 154-FN, establishing a department of financial services. (Elliott, Hills 42; Dionne, Hills 42: Executive Departments and Administration)

HB 155, relative to responses by law enforcement officers when traveling outside their jurisdictions. (Tholl, Coos 2: Criminal Justice and Public Safety)

- HB 156**, relative to weights and measures. (L. Pratt, Coos 2: Environment and Agriculture)
- HB 157**, relative to presentence investigations. (Tholl, Coos 2: Criminal Justice and Public Safety)
- HB 158**, allowing the voter to deposit the ballot into the ballot box. (Dickinson, Carr 4: Election Law)
- HB 159**, relative to meetings of the directors of nondepository trust companies. (Hunt, Ches 28; Kenney, Dist 3: Commerce)
- HB 160**, relative to removal or replacement of trustees. (Hunt, Ches 28; Kenney, Dist 3: Commerce)
- HB 161-FN-L**, relative to residency in determining entitlement to local welfare assistance. (Dickinson, Carr 4; Babson, Carr 6; Vallone, Rock 80; Kenney, Dist 3; Prescott, Dist 23; Gallus, Dist 1; Johnson, Dist 2; Sapareto, Dist 19: Municipal and County Government)
- HB 162**, relative to remedies and penalties for injuries to domestic animals caused by dogs. (Batchelder, Ches 24: Environment and Agriculture)
- HB 163-FN-A-L**, relative to allowing cities and towns to permit slot machines and other games of chance. (DiFruscia, Rock 76; Weyler, Rock 79; Bishop, Rock 74; Corbin, Rock 79; Belanger, Rock 76; Gallus, Dist 1: Ways and Means)
- HB 164-FN-A**, increasing the gross premiums tax on insurance provided by certain unlicensed companies. (Major, Rock 79: Ways and Means)
- HB 165**, relative to the text of constitutional amendment questions. (Sorg, Graf 11: Election Law)
- HB 166**, relative to employees of the New Hampshire retirement system. (O'Neil, Rock 85; Hamel, Rock 79: Executive Departments and Administration)
- complaints against judges. (Rowe, Hills 47: Judiciary)
- HB 167**, relative to complaints against judges. (Rowe, Hills 47: Judiciary)
- HB 168**, relative to access to public schools. (Dewhirst, Belk 30: Education)
- HB 169**, establishing a committee to study the feasibility of imposing a luxury sales tax and an amusements tax. (Weed, Ches 25: Ways and Means)
- HB 170**, relative to the notice of proposed rulemaking under the administrative procedure act. (Camm, Rock 79: Executive Departments and Administration)
- HB 171**, establishing a commission to assess the operating efficiency of state government. (Moran, Hills 57; Kurk, Hills 48; Weyler, Rock 79; Leber, Merr 35; Alger, Graf 14; Peterson, Dist 11; Sapareto, Dist 19; Roberge, Dist 9; Clegg, Dist 14: Executive Departments and Administration)
- HB 172**, extending the committee to study the exemption from property taxes for not-for-profit hospitals, and including a study of the community benefit law. (Weyler, Rock 79; Quandt, Rock 83; Giuda, Graf 13; N. Johnson, Straf 68; Barnes, Dist 17; Roberge, Dist 9; Gatsas, Dist 16: Ways and Means)
- HB 173**, making technical corrections relative to the exception from the meals and rooms tax for gratuities. (Major, Rock 79: Ways and Means)
- HB 174**, relative to homeowner's insurance and the ownership of certain breeds of dogs. (J. Carter, Hills 53; Gonzalez, Hills 49; Pepino, Hills 51: Commerce)
- HB 175**, relative to the admission to practice law and to bar association membership for attorneys. (Rowe, Hills 47: Judiciary)
- HB 176**, relative to listing candidates on ballots. (Stritch, Rock 75: Election Law)
- HB 177**, excluding stepchildren from the definition of "child" in the context of support orders. (Bickford, Straf 68: Children and Family Law)
- HB 178**, relative to detention for violations of protective orders. (Bickford, Straf 68: Criminal Justice and Public Safety)
- HB 179**, establishing a committee to study enhancement of laws relating to vehicle pursuits. (Major, Rock 79: Criminal Justice and Public Safety)
- HB 180**, relative to proceedings for termination of parental rights. (Hallyburton, Hills 45: Children and Family Law)
- HB 181**, relative to horseback riding as a recreational use of land in current use taxation. (J. Pratt, Ches 24: Environment and Agriculture)
- HB 182**, relative to unclaimed shares and advancements to heirs. (J. Pratt, Ches 24; Craig, Hills 50; Rowe, Hills 47; Foster, Dist 13; Peterson, Dist 11: Judiciary)
- HB 183**, relative to a distribution from a decedent's estate to a minor. (J. Pratt, Ches 24; Craig, Hills 50; Rowe, Hills 47; Foster, Dist 13; Peterson, Dist 11: Judiciary)
- HB 184**, relative to distribution upon intestacy. (J. Pratt, Ches 24; Craig, Hills 50; Rowe, Hills 47; Foster, Dist 13; Peterson, Dist 11: Judiciary)

HB 185, relative to pretermitted heirs. (J. Pratt, Ches 24; Craig, Hills 50; Rowe, Hills 47; Foster, Dist 13; Peterson, Dist 11: Judiciary)

HB 186, relative to the effect of divorce or annulment upon trusts. (J. Pratt, Ches 24; Craig, Hills 50; Rowe, Hills 47; Foster, Dist 13; Peterson, Dist 11: Judiciary)

HB 187-FN-A, establishing a credit for employer-paid insurance premiums against the business enterprise tax. (Corbin, Rock 79; DiFruscia, Rock 76; Giuda, Graf 13; Gilman, Graf 9; Weyler, Rock 79: Ways and Means)

HB 188, relative to listing names on state election ballots. (Davidson, Rock 82: Election Law)

HB 189, making daylight savings time permanent. (Rodeschin, Sull 20: Science, Technology and Energy)

HB 190, relative to legislative standing committee review of rules adopted after final objection by the joint legislative committee on administrative rules. (Gilman, Graf 9: Legislative Administration)

HB 191, establishing a commission to study the school administrative unit system. (Hunter, Hills 48; Alger, Graf 14; Pepino, Hills 51; Emerton, Hills 48: Education)

HB 192, relative to disposal of controlled drugs in possession of law enforcement officers. (Hunter, Hills 48: Criminal Justice and Public Safety)

HB 193, relative to the right to life. (Hagan, Hills 50; Pepino, Hills 51; Souza, Hills 51: Judiciary)

HB 194, relative to appeals in landlord/tenant actions. (Craig, Hills 50: Judiciary)

HB 195, prohibiting all part-time district court judges from practicing law in the district courts. (Rowe, Hills 47: Judiciary)

HB 196, establishing a commission to study means to integrate services for people with co-occurring disorders. (MacKay, Merr 39; Emerton, Hills 48; Batula, Hills 58: Health, Human Services and Elderly Affairs)

HB 197-FN-A, making an appropriation to the harbor dredging and pier maintenance fund. (Weare, Rock 84; Dodge, Rock 80; O'Neil, Rock 85; McCann, Rock 84: Public Works and Highways)

Rogers Johnson offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bill numbered 836 shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee. Adopted.

INTRODUCTION OF HOUSE BILL

First, second reading and referral

HB 836, certifying that John Coughlin was elected as county attorney for Hillsborough county at the 2002 general election. (Soltani, Merr 37; Clegg, Dist 14: Election Law)

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.
Adopted.

HOUSE JOURNAL No. 4

Wednesday, January 30, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

His Excellency, Governor Craig Benson, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Blessed Creator, You see us living in dangerous and uncertain times; guide the leaders of our nation and our allies as they seek justice and peace. Save us from hardness of heart, yet strengthen our resolve to protect the freedom of our citizens. Be present in this honorable House to bless the work that is done here today on behalf of all the people of our beloved New Hampshire.

We especially ask Your blessing to be with those who serve in the armed forces, police and fire service, and their loved ones, who stand in harm's way today in defense of our country and our communities. Amen.

Rep. Franklin C. Bishop led the Pledge of Allegiance.

The National Anthem was sung by Katie O'Connor, a junior from Plymouth Regional High School.

LEAVES OF ABSENCE

Reps. Dudley, Goyette and Kelley, the day, illness.

Reps. Richard Cooney, William Field, Flanagan, Donald Flanders, Hopper, Hutchinson, Lawrence, Morris, Perkins, Priestley, Rollo, Rowe, the day, important business.

Reps. MaryAnn Blanchard, Fraser, Guay and Hagan, the day, illness in the family.

HR 9, urging the federal government to extend the Internet Tax Freedom Act moratorium. (Thomas, Belk 31; Eaton, Dist 10: State-Federal Relations and Veterans Affairs)

HR 10, urging the department of defense to establish a military presence in the state of New Hampshire for purposes of domestic security. (Morris, Rock 84; Haytayan, Hills 46: State-Federal Relations and Veterans Affairs)

CACR 11, relating to legislative acts as expressions of the sovereign will of the people. Providing that every act of the legislature enacted in accordance with the procedures of the constitution shall be conclusively presumed to be constitutional as the expressed will of the people. (Sorg, Graf 11; Gilman, Graf 9: Judiciary)

CACR 12, relating to citizen review retention elections for judges. Providing that a judge shall be subject to a citizen review retention election at the biennial election next occurring after he or she has served for 2 years and subsequently at regular intervals which depend on the court in which the judge serves. (Crane, Hills 59; Sorg, Graf 11; Gibson, Hills 58; Boyce, Belk 31; V. Clark, Rock 79; Boyce, Dist 4: Judiciary)

CACR 13, relating to defining the extent of state responsibility to provide aid for public elementary and secondary education. Providing that the state shall provide aid to school districts with a fiscal capacity that is less than their education need and the aid shall be a minimum of 31 percent of the state average expenditure per public elementary and secondary pupil, calculated at least once in every 5 years. (Gionet, Graf 11; Ham, Graf 12: Education)

HA 1, for the removal of Wayne Vetter, executive director of the fish and game department, from his said office. (Rep. Hopper, Hills 48; Rep. Albert, Straf 67: Joint Committee on Address)

AMENDMENT TO HOUSE RULES

The Rules Committee offered the following:

Amendment

Amend House Rule 17 to read as follows:

17.(a) The following persons shall be admitted within the door of the Representatives' chamber *or anteroom* while the House is in session: House members and officers, the Governor, Council members, ~~Senate members,~~ the Secretary of State, the Treasurer, *the President of the Senate*, and the Senate Clerks.

(b) No other person shall be admitted within the door of the Representatives' chamber or anteroom while the House is in session, except with the permission of the Speaker.

Rep. Whalley moved adoption of the amendment and spoke in favor.

Adopted.

REMOVED FROM THE TABLE

Rep. Hess moved that the amendment to House Rule 63 be removed from the table.

Amendment

Proposed amendment to House Rule 63.

(Last sentence) With the exception of devices for the hearing impaired, no member shall operate audible electronic transmitting ~~devices~~ and/or receiving devices *nor shall any member operate a video camera or a camera utilizing flash bulbs* on the floor of the House, *while the House is in session.*

Rep. Hess moved adoption of the amendment to House Rule 63.

Reps. Weyler and DiFruscia spoke against.

Rep. Newton spoke in favor.

Rep. Soltani spoke against and yielded to questions.

Rep. Hess spoke in favor and yielded to questions.

Rep. Bergin requested a roll call; sufficiently seconded.

The question being adoption of the amendment to House Rule 63.

and the amendment to House Rule 63 was adopted.

VACATE

Rep. Packard moved that the House vacate the reference of **HB 335**, relative to the regulation of the operation of OHRVs, to the Committee on Transportation.

Adopted.

Referred to the Committee on Municipal & County Government.

MOTION TO PRINT DEBATE

Rep. Lars T. Christiansen moved that the debate on amendment to House Rule 63 be printed in the Permanent Journal.

Motion failed.

COMMITTEE REPORTS**CONSENT CALENDAR**

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 89, establishing a committee to study airport security staffing, removed by Rep. Pepino.

HB 57, relative to the use of inhalers by pupils and campers with asthma, removed by Rep. Batula.

HB 92, relative to the use of epinephrine auto-injectors by pupils and campers with severe allergies, removed by Rep. Batula.

HB 59, relative to court reporting, removed by Rep. Soltani.

HB 182, relative to unclaimed shares and advancements to heirs, removed by Rep. John Pratt.

Consent Calendar adopted.

HB 102, relative to disclosures required in retail installment sales of motor vehicles. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser Jr. for Commerce: The sponsor requested that this proposed legislation be withdrawn. The committee voted to report the bill as ITL. Vote 16-0.

HB 160, relative to removal or replacement of trustees. **OUGHT TO PASS**

Rep. Leo W. Fraser Jr. for Commerce: In 1998 lawmakers passed a bill to expand the circumstances under which beneficiaries or co-trustees could petition the probate court for the replacement or removal of an existing trustee. The bill was intended to apply to all trusts as defined in the Uniform Trustees' Powers Act (RSA 564-A), which is the chapter in state law that describes the powers conferred and exercised by trustees. The law that passed in 1998 amended an existing provision in RSA 564, which was the original New Hampshire statute governing the jurisdiction of the pro-

bate court as it applies to trusts and which contained a provision pertaining to the removal of a trustee. The intent of the bill passed in 1998 was that the removal and replacement provisions did apply to all trusts. This bill clarifies that the provision in state law allowing beneficiaries of a trust to petition the court for removal or replacement of an existing trustee applies to trustees of all trusts, as defined in the Uniform Trustees Powers Act, and not just trustees appointed by the probate court. Vote 16-0.

HB 64, establishing a commission to study the creation of an integrated criminal justice information system and any issues related to the privacy, security, and dissemination of such criminal justice information. **OUGHT TO PASS WITH AMENDMENT**

Rep. Douglas K. Fish for Criminal Justice and Public Safety: This bill, as amended, creates a commission with the participation of all the departments and groups related to the information generated by the respective criminal justice agencies with the intention of sharing the information. The commission will determine whether the creation of such an integrated criminal justice information system would promote efficiency at a reduced cost while preserving privacy rights of individuals. The amendment adds a representative of the county corrections system and the Director of Police Standards and Training to the commission and sets forth the intention to protect the rights of individuals. Vote 19-0.

Amendment (0020h)

Amend section 1 of the bill by inserting after paragraph III the following new paragraph:

IV. Particular care and attention shall be afforded to the effect of any such integrated criminal justice system on the rights of individuals guaranteed under the New Hampshire constitution and the Bill of Rights of the United States Constitution.

Amend section 2 of the bill by inserting after subparagraph I (l) the following new subparagraphs:

(m) The president of the New Hampshire Association of Counties – County Corrections Superintendents Affiliate, or designee.

(n) The director of the New Hampshire police standards and training council, or designee.

Amend section 2 of the bill by replacing subparagraph II (b) with the following:

(b) Study whether the creation of an integrated criminal justice information system would improve public safety and domestic security by allowing criminal justice agencies and authorized individuals to record, share, retrieve, and analyze important information collected about criminal charges and their disposition, and by improving dissemination of information pertaining to bail conditions.

HB 71, establishing a committee to study regulations on the use and misuse of non-lethal weapons. **INEXPEDIENT TO LEGISLATE**

Rep. Stephen H. Nedeau for Criminal Justice and Public Safety: This would establish a committee to study regulations on the use and misuse of non-lethal weapons. The committee felt that this was an issue dealing with a single complaint and that a list of non-lethal weapons would be far too great to be workable, and would create a great deal of confusion trying to sort out what would be non-lethal. The committee also believes this is already covered by RSA 625:11. It was the committee feeling that we should not be dealing with “non-lethal weapons that haven’t been developed” at this time. Vote 19-0.

HB 86, relative to the membership of the permissible fireworks review committee. **OUGHT TO PASS**

Rep. E. Albert Weare for Criminal Justice and Public Safety: The permissible fireworks review committee is presently an established committee of which the Senate has one (1) member plus an alternate. This bill makes the alternate a full member and able to vote on all matters before the committee. In addition, it also creates a committee with an odd number of members eliminating the potential for tie votes. Vote 19-0.

HB 105, relative to sexual assaults committed by corrections officers, probation and parole officers and juvenile services officers against individuals under their supervision. **OUGHT TO PASS WITH AMENDMENT**

Rep. John E. Tholl, Jr. for Criminal Justice and Public Safety: This bill is the result of a Supreme Court decision, *State v Foss*, that indicated that consent could be considered a defense in sexual assault of inmates by corrections officers. The court indicated in that decision that if the legislature

wanted to eliminate that defense it should so indicate it in the law. The bill makes it clear that it is the intent of the legislature that no person should suffer a sexual assault by a Corrections Officer, a Probation and Parole Officer, or Juvenile Probation and Parole Officer who has supervision or custody of that person. The amendment simply makes two technical corrections, changing Juvenile Services Officers to Juvenile Probation and Parole Officers and removing two erroneous words. The committee felt that this is a necessary change to current law. Vote 19-0.

Amendment (0012h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to sexual assaults committed by corrections officers, probation and parole officers, and juvenile probation and parole officers against individuals under their supervision.

Amend the bill by replacing sections 2-4 with the following:

2 Aggravated Felonious Sexual Assault; Section Amended. Amend RSA 632-A:2, I(n) to read as follows:

(n) When the actor is in a position of authority over the victim [~~and uses this authority to coerce the victim to submit~~] under any of the following circumstances:

(1) When the actor has supervisory *or disciplinary* authority over the victim by virtue of the victim being incarcerated in a correctional institution, *the secure psychiatric unit*, or juvenile detention facility; or

(2) When *the actor* is a probation or parole officer *or a juvenile probation and parole officer who* has supervisory *or disciplinary* authority over the victim while the victim is on parole or probation or under juvenile probation.

Consent of the victim under any of the [~~above~~] circumstances *set forth* in subparagraph (n) shall not be considered a defense.

3 Felonious Sexual Assault; Gender Neutral. Amend the introductory paragraph of RSA 632-A:3 to read as follows:

A person is guilty of a class B felony if [~~he~~] *such person*:

4 Felonious Sexual Assault; Disciplinary Authority. Amend RSA 632-A:3, IV to read as follows:

IV. Engages in sexual contact with the person when the actor is in a position of authority over the person [~~and uses that authority to coerce the victim to submit~~] under any of the following circumstances:

(a) When the actor has supervisory *or disciplinary* authority over the victim by virtue of the victim being incarcerated in a correctional institution, *the secure psychiatric unit*, or juvenile detention facility; or

(b) When *the actor* is a probation or parole officer *or a juvenile probation and parole officer who* has supervisory *or disciplinary* authority over the victim while the victim is on parole or probation or under juvenile probation.

Consent of the victim under any of the circumstances set forth in paragraph IV shall not be considered a defense.

AMENDED ANALYSIS

This bill:

I. Prohibits sexual conduct between any person, including juvenile probation and parole officers, in a supervisory or disciplinary capacity and any person being held at the Secure Psychiatric Unit at the state prison in Concord.

II. Eliminates consent as a defense to aggravated felonious sexual assault and felonious sexual assault.

HB 157, relative to pre-sentence investigations. **INEXPEDIENT TO LEGISLATE**

Rep. Timothy N. Robertson for Criminal Justice and Public Safety: After consideration of additional information, the sponsor and the constituents who asked for this bill requested that it be voted Inexpedient to Legislate. Vote 20-0.

HB 231, requiring the department of education to develop a plan to address and reduce the number of persons awaiting vocational rehabilitation transition services. **OUGHT TO PASS WITH AMENDMENT**

Rep. Clair D. Clarke for Education: This bill was requested by the Department of Education to help them bring together the necessary resources to plan and address the issue of the large number of

students who are close to high school graduation and for whom the Federal Education Law requires that vocational services for finding career opportunities be provided. Presently, only about 20% of high school students are served. Vote 20-0.

Amendment (0036h)

Amend paragraph III of section 1 of the bill by replacing it with the following:

III. The absence of transition assistance is an important reason why special education pupils are not better prepared upon leaving high school.

HB 80, relative to violation of the oath of office in certain cases. **INEXPEDIENT TO LEGISLATE**
Rep. Richard B. Drisko for Election Law: This bill would require that any elected or appointed official take an oath of office as required by the constitution. It would also require any elected or appointed official who violates his/her oath of office be liable for all costs incurred as a result of his/her violation. The committee felt a certain redundancy or duplication of constitutional and statutory laws now in force would be created by this bill. Vote 12-0.

HB 69, relative to the reinstatement of expired licenses for architects. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul G. LaFlamme for Executive Departments and Administration: This bill is a needed measure to allow architects whose licenses have expired to be reinstated by the joint board. Reinstatement will only be allowed if the licensee completes the requirements for continuing education and pays the appropriate late fee. Vote 18-0.

Amendment (0028h)

Amend RSA 310-A:46 as inserted by section 4 of the bill by replacing it with the following:

310-A:46 Expiration and Renewals. All licenses issued by the board shall expire on the last day of the month of the licensee's birth in the year 2 years following the year of issuance. The board shall cause notification of the impending license expiration to be sent to each licensee at least one month prior to the expiration date of the license. If the renewal fee is not submitted within 12 months after the expiration date of the license, the licensee's name shall be removed from the mailing list and roster. *An application for reinstatement shall be required to return to active status. The board, pursuant to rules adopted under RSA 310-A:32, shall charge up to a 20 percent late fee for each month or fraction of a month the renewal is late, up to 12 months, in addition to the renewal fee.*

HB 196, establishing a commission to study means to integrate services for people with co-occurring disorders. **OUGHT TO PASS**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: In recent years, there has been an increasing concern about persons who are struggling with more than one combination of addiction and mental illness. This bill forms a commission to study what is now known as co-occurring illnesses. The more serious of these individuals constitute a difficult treatment challenge. The study should review current research about the importance of integrated and collaborative treatment approaches particularly for those who are struggling at the highest level of severity. The study will review the way the various divisions within the Department of Health and Human Services are functioning as to the promotion of integrated services for those with co-occurring illnesses. Vote 15-0.

HB 225, extending the task force on deafness and hearing loss and changing the task force's membership and duties. **OUGHT TO PASS**

Rep. Phyllis M. Katsakiores for Health, Human Services and Elderly Affairs: This bill extends the task force on deafness and hearing loss to November 1, 2005. The work of the task force strongly felt that their work is not finished and more education is needed for the deaf and the hard of hearing, so they have a clear understanding of the services that are available for them. The committee felt that this task force was important and must continue. Vote 15-0.

HB 237, relative to health care in certain health care facilities. **INEXPEDIENT TO LEGISLATE**
Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: The committee was prepared to act on the bill, however, at the last minute the sponsor and co-sponsor asked the committee to I.T.L. the bill. The committee voted unanimously to honor that request. Vote 16-0.

HB 263, establishing an oversight committee to review the allocation of funds disbursed for the developmental disabilities waitlist. **OUGHT TO PASS**

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: This bill simply extends the life of the oversight committee for the allocation of funds disbursed for the developmental disabilities waitlist. The recent waitlist bill met with a sunset clause and the work of this very important committee is yet to be completed. The developmental disabilities waitlist in this state continues to grow and the wait time for services now exceeds the 200 day mark, in spite of recent legislation which calls for an end to the waitlist (beyond 90 days) in the year 2006. The oversight committee needs to complete its work on this urgent situation. Vote 16-0.

HB 68, establishing a committee to study judicial review and judicial recall procedures. INEXPEDIENT TO LEGISLATE

Rep. Phyllis L. Woods for Judiciary: This bill would establish a committee to study judicial review and judicial recall procedures. Per the sponsor, review would also include looking at and viewing judicial decisions of the courts to see if there is a "pattern." While the Judiciary Committee is fully supportive of the concept of judicial review, there is a consensus that this bill creates an unnecessary infringement on the separation of powers. Its not in the purview of the legislature to have oversight over the courts in their decision making function. Decisions of the court are made public for anyone to review. The Judiciary Committee has already passed a bill requiring judicial review that has been signed into law. There are other bills to come before the committee later this session that will address the specific topics of review and removal. Vote 14-0.

HB 93, relative to the notice to quit and notice of intent to appeal in landlord tenant actions. INEXPEDIENT TO LEGISLATE

Rep. James W. Craig for Judiciary: This bill sought to reduce the amount of time that a tenant has to pay rent owed at the time of the issuance of a notice to quit from seven days to three days for both residential and non-residential tenancies. It also sought to reduce the time to appeal a district court decision in a landlord/tenant case from seven to three days. Most witnesses testified that the system works well as is and that the full seven days is needed for many tenants to procure the rent due from city, town or other sources. The committee felt that this measure may well increase landlord/tenant litigation and homelessness. Vote 17-1.

HB 114, establishing a committee to study the constitutionality of current New Hampshire statutory enactments. INEXPEDIENT TO LEGISLATE

Rep. Gregory M. Sorg for Judiciary: The study committee to be appointed under the bill would review the New Hampshire Revised Statutes Annotated in their entirety in order to identify- and presumably to recommend repeal of- all laws that are not considered to be in compliance with "constitutional constraints against interference with personal liberties." In unanimously voting this bill inexpedient to legislate, the committee concluded, first, that the task of reviewing the RSAs in sufficient detail in their entirety would be prohibitively time consuming and would require the participation of contributors having a range of expertise at least as wide as the many specialized subjects the RSAs cover; and second, that by reason that even recognized experts on constitutional law can reasonably disagree in their interpretation of the Constitution as it applies to a given statute, the study committee's determinations would only reflect the point of view of its members, providing no assurance that the results of its long labors would satisfy the objectives of the bill's sponsor. The committee concluded that the better, more efficient way to deal with statutes regarded as unconstitutional or otherwise objectionable, is to follow the normal procedure of framing individual bills specifically identifying each such statute and proposing specific remedial action. Vote 14-0.

HB 183, relative to a distribution from a decedent's estate to a minor. OUGHT TO PASS WITH AMENDMENT

Rep. John M. Pratt for Judiciary: HB 183 requires that any distribution from an estate to a minor who is not under legal guardianship must be made in accordance with the Uniform Transfer to Minors Act. Vote 16-0.

Amendment (0049h)

Amend the bill by replacing all after the enacting clause with the following:

1 Minors Not Under Guardianship. Amend RSA 561:20 to read as follows:

561:20 Minors Not Under Guardianship. Whenever any minor *whose estate is* not [being] under legal guardianship shall be entitled to receive from any administrator [or], executor, *trustee, or third party payor/custodian*, any distributive share as heir or next of kin, [or] any legacy, [~~the full amount of which~~]

share or legacy is not more than \$5,000, said administrator or executor, upon petition to and approval of the probate court, shall pay said sum to the parents of the minor, if both are living, or to the surviving parent if one parent is deceased, or to the parent or other person having custody of the minor, if the parents are divorced, or to a person standing in loco parentis to the minor, if both parents are deceased. The receipt of the parents or parent or other person shall be filed and accepted by the probate court in discharge of the administrator's or executor's liability therefor in the same manner and effect as though the parents or parent or other person had been legally appointed guardian by the probate court. Publication of notice upon the petition to the probate court shall not be required unless ordered by the court. When considering such a petition the probate court shall determine the best interests of the minor. If such a petition is approved by the probate court, the court may make all necessary orders for protecting the interests of the minor and may require the parents or parent or other person to give bond or to account for all money received on behalf of the minor, or both] *bequest or devise, any monetary distribution, or any ownership interest, said administrator, executor, trustee, or third party payor/custodian shall make such distribution to the person designated as such minor's custodian for the benefit of such minor under either RSA 463-A, the Uniform Transfers to Minors Act, or under another state's Uniform Transfers to Minors Act or similar statute, or absent a designated custodian, to a custodian for the benefit of such minor under RSA 463-A, the Uniform Transfers to Minors Act.*

2 Effective Date. This act shall take effect January 1, 2004.

HB 186, relative to the effect of divorce or annulment upon trusts. OUGHT TO PASS

Rep. John M. Pratt for Judiciary: This bill amends the section of law on the revocation of wills by inserting a new section which makes it plain that a divorce or annulment terminates any inheritance claim made by the former spouse made under the provisions of a trust established before the divorce unless the trust expressly provides otherwise. Vote 18-0.

HB 195, prohibiting all part-time district court judges from practicing law in the district courts. OUGHT TO PASS WITH AMENDMENT

Rep. Robert H. Rowe for Judiciary: Currently there are 20 full time and 53 part time judges in the district court. These judges are either justices, associate justices or special justices. The associate justices sit in the larger city district courts. The smaller courts have part time justices and part time special justices. Many part time justices, associate justices and special justices conduct a law practice in addition to being a local judge. In order to avoid any real or appearances of impropriety, the law states that part time justices, associate justices and clerks cannot practice law in other district courts. This bill adds special justices to this prohibition. The committee feels that this is an excellent policy. Vote 17-0.

Amendment (0044h)

Amend the title of the bill by replacing it with the following:

AN ACT prohibiting all part-time district court judges and district court clerks from practicing law in the district courts.

Amend the bill by replacing section 1 with the following:

1 Disqualification of Justices; Special Justices; Clerks. Amend RSA 502-A:21 to read as follows: 502-A:21 Disqualifications of Justices[~~-etc~~]. No justice, associate justice, special justice or clerk of any district [~~or municipal~~] court shall be retained or employed as attorney in any action, complaint, or proceeding pending in his court or which has been examined or tried therein. No such justice [~~or~~], associate justice, *special justice, or clerk* shall be retained or employed as an attorney in any matter pending before any other district [~~or municipal~~] court. [~~No special justice of any municipal or district court shall appear in any municipal or district court representing a client in a criminal case.~~] No attorney shall be permitted to practice before any district [~~or municipal~~] court where any justice, associate justice, or special justice thereof is associated with said attorney in the practice of law.

AMENDED ANALYSIS

This bill prohibits all part-time district court judges and district court clerks from practicing law in the district courts. Currently, special justices can represent clients in civil cases.

HB 94, relative to warrant articles. INEXPEDIENT TO LEGISLATE

Rep. Robert W. Brundige for Municipal and County Government: The subject matter of this bill dealing with the default budget is similar to the subject matter contained in HB 85. The entire content of this bill will be discussed with HB 85-FN-L. Vote 15-0.

HB 238, relative to the constitutionality of the presumption of procedural validity of municipal legislation. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas J. Gillick for Municipal and County Government: Currently if a municipal ordinance or legislative action has been in effect for five years that ordinance or action is considered to be procedurally valid. The change requested would require that the municipal ordinance or action not limit a United States constitutional challenge. After reviewing RSA 31:129 which states that a municipal ordinance or action does not eliminate any "claim of invalidity which is founded upon the substance of the municipal legislation" under "the federal and state constitutions and laws." The committee understood that the procedure could not be challenged after five years but the subject matter could be challenged at any time. Since the RSA 31:129 already states what the proposed change would require, the committee felt that this bill was unnecessary. Vote 18-0.

HB 62-FN-A, relative to the repair or replacement of a certain bridge over the Merrimack River between Canterbury and Boscawen and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Sandra B. Keans for Public Works and Highways: The bridge between Canterbury and Boscawen was closed in 1965. Since that time, the populations have increased three-fold, placing a transportation burden on folks from Canterbury when they need to go to the county facilities, as well as the rescue squad from Boscawen that serves both communities. The committee sympathizes with the situation, but in this time of dwindling resources, we make the following suggestions: 1) work to get on the list for bridge aid; 2) work with the regional planning commission; 3) work with the various recreational users and office of OHRV; 4) think about getting a place on the 10-year plan. Vote 15-0.

HB 118, prohibiting the commemoration of groups who take up arms against United States policies. **INEXPEDIENT TO LEGISLATE**

Rep. Kevin K. Waterhouse for Public Works and Highways: The committee realizes that in the recent past, a difference of opinion occurred concerning the placement of a plaque. The current system brought this placement out to public debate. The committee felt that this bill would duplicate the efforts of the Governor and Council and other groups who already have the responsibility of determining what commemoration may be suitable on state property. There are existing processes that deal with commemoration on state properties. Vote 18-0.

HB 75, relative to timber harvesting. **OUGHT TO PASS WITH AMENDMENT**

Rep. D. L. Chris Christensen for Resources, Recreation and Development: Testimony indicated that costly delays in timber harvests were the result of a logger being unable to obtain a copy of the "Intent to Cut" form after it had been signed by the assessing officials. This was especially true in small towns with little staffing and part time office hours. The main thrust of HB 75 is to allow posting of a copy of the submitted intent, with notification information clearly printed thereon. This is a modification to section 79:10 which would allow operations to proceed without diminishing oversight by state and local officials. It also provides better notice to the public. A cross-reference in RSA section 227:J-5 (logging procedures) was added to notify loggers of the pertinent sections of 79:10. Other minor changes were made to clarify language in related parts of 79:10. Vote 19-0.

Amendment (0039h)

Amend the bill by replacing all after the enacting clause with the following:

1 Timber Cutting; Land Ownership. Amend the section heading of RSA 79:3-a to read as follows:

79:3-a [~~Permit to Cut~~] *Land Ownership*.

2 Timber Cutting; Taxation. RSA 79:10, I is repealed and reenacted to read as follows:

I.(a) Every owner, as defined in RSA 79:1, II, shall, prior to commencing each cutting operation and at the beginning of each new tax year into which the cutting operation shall continue, file with the proper assessing officials in the city, town or unincorporated place where such cutting is to take place a notice of intent to cut provided by the commissioner of revenue administration, stating the owner's name, residence, an estimate of the volume of each species to be cut, and such other information as may be required. A supplemental notice of intent shall be filed in the same manner for any additional volume of wood or timber to be cut in excess of the original estimate and within the tax year.

(b) Any intent received by a city, town or unincorporated place shall, within 30 days, be assigned a number in accordance with the guidelines provided by the commissioner of revenue administration, and be signed by the assessing officials. If the conditions for approval have not been met, the assessing officials shall send a letter to the owner or the person responsible for cutting, explaining the reason for the intent not being signed. The assessing officials shall immediately forward any signed intent to the commissioner of revenue administration and shall also supply a copy to the owner upon request. Failure of the assessing officials to forward signed intent to cut forms to the department of revenue administration shall constitute a violation.

(c) The assessing officials shall, within 30 days of signing a notice of intent, notify the tax collector that an intent has been filed. The notice of intent shall serve as notice that the land is holden to taxes pursuant to RSA 79:6.

(d) Upon receipt of an intent, the commissioner of revenue administration shall furnish, without cost to the owner, a certificate and a report of wood cut form. Such certificate shall be posted by the owner filing such intent in a conspicuous place within the area of cutting for each operation conducted within a city, town, or unincorporated place. An owner may start an operation upon posting the certificate or upon posting, in a water proof covering in the same place and manner that the certificate will be posted upon receipt, a copy of the intent to cut form that was signed by the assessing officials. In lieu of a signed intent to cut form, a copy of the form as submitted by the owner to the assessing officials may be substituted for posting purposes when the owner, or the person responsible for the cut, has been notified that the intent to cut form has been signed. The owner, or the person responsible for the cut, shall clearly print on the form the number assigned to it pursuant to subparagraph (b), and the date, time, and name of the municipal official or employee who provided the notification.

(e) Starting or continuing an operation while the required certificate or intent to cut form is not posted in accordance with this section shall constitute a violation by the owner or any other person doing the cutting, or both.

(f) A copy of all intents received by the commissioner of revenue administration shall be forwarded to the division of forests and lands of the department of resources and economic development.

3 Timber Cutting; Bond Required. Amend RSA 79:10-a, I and II to read as follows:

I. The assessing officials shall, within 30 days of the receipt of the notice of intent to cut pursuant to RSA 79:10, or within 15 days of written notification of a change in ownership from the owner pursuant to RSA 79:3-a, II, ~~[shall]~~ notify in writing the owner filing such notice of the amount and conditions of any bond or other security which they deem necessary to secure the payment of the yield tax due from the operation described in the notice of intent to cut.

II. No owner required to furnish bond or other security in accordance with RSA 79:3-a shall commence to cut or continue to cut until such owner has posted the bond or other security. No owner who owns land in the town where the owner intends to cut shall be required to post a bond or other security as a condition ~~[for filing an intent to cut or receiving a permit]~~ to cut, unless the owner is delinquent on town timber taxes or property taxes.

4 Timber Cutting; Enforcement. Amend RSA 79:28 to read as follows: 79:28 Enforcement.

I. The department of revenue administration shall administer and enforce this chapter. The director of the division of forests and lands and his agents shall also have enforcement authority in regard to the proper filing and reporting of intents to cut, posting of ~~[the certificate on the operation]~~ *certificates and intents to cut*, and proper filing and reporting of the timber cut and shall otherwise assist in enforcement of this chapter as agreed upon by the commissioner of the department of revenue administration and the director, division of forests and lands. It is the intent of this section to authorize the commissioner of the department of revenue administration and the director, division of forests and lands, and their agents, to have enforcement authority and the right to stop any operation in violation of RSA 79 and report same to local authorities.

II. Officials responsible for the enforcement of this chapter may enter upon any lands for which ~~[a permit to cut]~~ *an intent to cut has been signed* or a certificate ~~[to operate]~~ has been issued pursuant to RSA 79 or may enter upon any lands that they believe may have an operation in violation of RSA 79. They also may review any records in conjunction with any timber operation in the state.

5 Timber Cutting; Notice of Intent to Cut. RSA 227-J:5 is repealed and reenacted to read as follows:

227-J:5 Notice of Intent to Cut and Report of Wood Cut. Pursuant to RSA 79:10 and 11, any owner, as defined in RSA 79:1, II, conducting a cutting operation shall file an intent to cut and a report of wood cut. Pursuant to RSA 79:10, I(d), the intent to cut form as signed or properly noted as being signed by the assessing officials or the certificate issued by the department of revenue administration shall be posted prior to starting a cutting operation. Failure to comply with these requirements and those contained in RSA 79 may result in penalties to the owner or any other person doing the cutting, or both, under RSA 79.

6 Repeal. RSA 79:3-a, III, relative to notice of intent to cut timber, is repealed.

7 Effective Date. This act shall take effect January 1, 2004.

HB 91, extending the telecommunications planning and development initiative and advisory committee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas I. Arnold for Science, Technology and Energy: This bill, as amended, extends the life of the Telecommunications Planning and Development Initiative and Advisory Committee to 2008, and requires biennial reporting of accomplishments and expenditures. Vote 11-1.

Amendment (0053h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the telecommunications planning and development initiative and advisory committee.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Telecommunications Planning and Development Initiative; Reporting Requirement. Amend RSA 12-A by inserting after section 49 the following new section:

12-A:50 Reporting Requirement. The director of economic development shall report on the accomplishments, efforts, and costs of the telecommunications planning and development initiative, including the work of the advisory committee. The reports shall be made available to the public and shall be submitted to the governor, the speaker of the house of representatives, the senate president, and the state library, on or before September 1 in the years 2004, 2006, and 2008.

2 Telecommunications Planning and Development Initiative and Advisory Committee; Prospective Repeal Date Amended. Amend 2000, 298:7, I to read as follows:

I. Section 6 of this act shall take effect ~~[July 1, 2004]~~ **July 1, 2008**.

3 Repeal. RSA 12-A:50, relative to the reporting requirement for the telecommunications planning development initiative, is repealed.

4 Effective Date.

I. Section 3 of this act shall take effect September 1, 2008.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill extends the telecommunications planning and development initiative and advisory committee to July 1, 2008. The bill also requires the director of economic development to file periodic reports on the telecommunications planning and development initiative.

HB 189, making daylight savings time permanent. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas I. Arnold for Science, Technology and Energy: Due to technical difficulties involved in instituting a different time schedule for daylight savings time, the sponsor asked, and the committee voted unanimously that the bill be inexpedient to legislate. Vote 17-0.

HCR 3, calling on the President and the Congress to fully fund the federal government's share of special education services in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act. **OUGHT TO PASS**

Rep. Richard F. Heon for State-Federal Relations and Veterans Affairs: The committee, once again, unanimously voted to call upon the President and Congress to fully fund the federal government's share of special education services in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act. Vote 13-0.

HB 76, relative to neighborhood electric vehicles. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Letourneau for Transportation: This bill establishes equipment and operation requirements for neighborhood electric vehicles. This bill allows these vehicles to be operated on a way where the posted speed limit is 35 miles per hour or less. These vehicles meet or exceed state and federal safety requirements in accordance with 49 C.F.R. Section 571.500. Vote 15-0.

Amendment (0040h)

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect 60 days after its passage.

HB 216, relative to motorcycle inspection stickers. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would create confusion for owner, inspection station operator and inspectors, and police officers. The committee felt that the current law is working well, and there was no need to create confusion. Vote 15-0.

HB 163-FN-A-L, relative to allowing cities and towns to permit slot machines and other games of chance. **INEXPEDIENT TO LEGISLATE**

Rep. Susan W. Almy for Ways and Means: The committee agreed that there were a variety of problems with this concept, especially the negative impacts on neighboring towns, lack of oversight, and informed voter consent. Revenue estimates vary widely, and past and present Attorneys General have opposed legalization of machine gambling for law enforcement reasons. Vote 18-0.

HB 187-FN-A, establishing a credit for employer-paid insurance premiums against the business enterprise tax. **INEXPEDIENT TO LEGISLATE**

Rep. Frank W. Davis for Ways and Means: The sponsor wrote to the committee chairman indicating that HB 187 was not what he intended despite three drafting attempts and that the fiscal note was "way, way off". The letter also stated that the co-sponsors agreed that the bill should be voted Inexpedient to Legislate. No one appeared to testify at the hearing. While the Ways & Means Committee felt that this was an important issue, they voted to support the sponsor's request to ITL HB 187. Vote 15-1.

REGULAR CALENDAR**HB 171**, establishing a commission to assess the operating efficiency of state government. **OUGHT TO PASS WITH AMENDMENT**

Rep. Michael O'Neil for Executive Departments and Administration: This bill creates a 15-member commission to study the restructuring of New Hampshire government and develop recommendations to improve operating efficiencies. The commission will be made up of public and private sector individuals who will examine each executive agency, board and commission to access administrative efficiencies. The amendment to the bill changes the reporting dates to get the commission working immediately. Under the amendment, the commission will issue a preliminary report by July 1, 2003 and a final report by December 1, 2003. This represents a great opportunity for the legislative branch and executive branch to work together to identify areas of government improvement which will result in greater customer satisfaction at a potentially lower cost to taxpayers. Vote 19-0.

Amendment (0031h)

Amend subparagraph I(d) of section 2 of the bill by replacing it with the following:

(d) Fifteen representatives of the private or public sector community, 5 of whom shall be appointed by the governor, 5 of whom shall be appointed by the speaker of the house of representatives, and 5 of whom shall be appointed by the senate president.

Amend subparagraph II(d) of section 3 of the bill by replacing it with the following:

(d) Fourth, the commission shall present a preliminary list of issues and opportunities for restructuring state government organization in New Hampshire at a public hearing to be held no later than July 1, 2003, and to allow the commission to receive public comment regarding the purpose, objectives, scope, and conduct of this study.

Amend the bill by replacing section 4 with the following:

4 Chairperson. The first meeting of the commission shall be held within 30 days of the effective date of this act. The members of the commission shall elect a chairperson from among its members. Amend paragraph II of section 5 of the bill by replacing it with the following:

II. The commission shall report the final results of its study, including its findings, recommendations, and any proposed legislation, to the speaker of the house of representatives, the senate president, the governor, the house clerk, the senate clerk, and the state library no later than December 1, 2003. Adopted.

Rep. Splaine offered a floor amendment (0084h).

Floor Amendment (0084h)

Amend paragraph 1 of section 2 of the bill by replacing it with the following:

1. The commission shall consist of:

(a) One member of the governor's office, appointed by the governor.

(b) One member of the house of representatives, appointed by the speaker of the house of representatives.

(c) One member of the senate, appointed by the senate president.

(d) Five members appointed by the governor, at least 2 of whom shall be non-management, non-supervisory, state employees.

(e) Five non-legislative members, appointed by the speaker of the house of representatives, at least 2 of whom shall be non-management, non-supervisory, state employees.

(f) Five non-legislative members, appointed by the senate president, at least 2 of whom shall be non-management, non-supervisory, state employees.

(g) One academic in public administration from the state university system, appointed by the chancellor of the university system of New Hampshire.

(h) One representative of a non-governmental organization that is dedicated to effective energy-conservation measures, appointed by the governor.

(i) One representative of the State Employees' Association of New Hampshire, appointed by that organization.

Rep. Splaine spoke in favor and yielded to questions.

Reps. Peter Sullivan and Davidson spoke in favor.

Rep. O'Neil spoke against.

The floor amendment failed.

Report adopted and ordered to third reading.

HB 138-FN, relative to interpreters for the deaf in certain governmental or public proceedings. OUGHT TO PASS WITH AMENDMENT

Rep. Sandra C. Harris for Health, Human Services and Elderly Affairs: This amended bill deals with the special needs of the hearing impaired who require translators or sign interpreters. The qualified interpreter in a legal setting will be able to interpret effectively, accurately, and impartially both receptively, and expressively, using any necessary specialized vocabulary including legal constructs. Qualified legal interpreters shall hold a specialized legal certificate awarded by the Registry of Interpreters for the Deaf or a level 5 Certification from the National Association of the Deaf, or shall hold certification from the Registry and successfully complete legal interpreter training. These interpreters will be included in proceedings involving criminal sanctions, forfeitures of property, interrogation, administration of the Miranda warnings, grand jury proceedings, arbitration or mediation services, depositions, probation or parole meetings or hearings, psychological evaluations, interests including communications related to medical attention during apprehension. This bill meets the requirements of the American with Disabilities Act and gives to law enforcement the resources it needs to protect the rights of the hearing impaired. Vote 12-3.

Amendment (0026h)

Amend the bill by replacing all after the enacting clause with the following:

1 Interpreters for the Deaf and Hard of Hearing. RSA 521-A is repealed and reenacted to read as follows:

CHAPTER 521-A**INTERPRETERS FOR THE DEAF AND HARD OF HEARING**

521-A:1 Purpose. The purpose of this chapter is to ensure that deaf and hard of hearing persons who are parties in interest and otherwise affected by proceedings or actions of entities covered under Title II for public entities and Title III for public accommodations of the Americans with Disabilities Act shall have available to them a qualified interpreter or auxiliary aids in accordance with the requirements of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and RSA 354-A.

521-A:2 Definitions. In this chapter:

1. "Appointing authority" means:

(a) A public entity as defined by Title II of the Americans with Disabilities Act which includes any state or local government, any department, agency, special purpose district, or instrumentality of a state or local government.

(b) A private entity defined by Title III of the Americans with Disabilities Act which includes places of public accommodation, commercial facilities and examinations and courses related to applications, licensing, certification, or credentialing for secondary or post secondary education, professional or trade purposes.

II. "Auxiliary Aid" means "auxiliary aid" as defined by the Americans with Disabilities Act, which includes: note takers, transcription services, written materials, telephone handset amplifiers, assistive listening devices, telephones compatible with hearing aids, closed caption decoders, telecommunication devices (TTY's), video text displays, or other effective methods of making aurally delivered materials available to individuals with hearing impairments.

III. "Board" means the board of licensure of interpreters for the deaf and hard of hearing established in RSA 326-I.

IV. "Deaf person" means a person whose sense of hearing is nonfunctional for the purpose of communication and whose primary communication is visual.

V. "Hard-of-hearing person" means a person who has a hearing loss, who may or may not primarily use visual communication, and who may or may not use assistive devices.

VI. "Intermediary interpreter" means an interpreter who holds a certificate of Certified Deaf Interpreter or Reverse Skills from the Registry of Interpreters for the Deaf, or a person who has intimate acquaintance with a deaf person who mainly uses uncommon gestures for communicating and may be able to act as an interpreter between the deaf person and the qualified interpreter.

VII. "Principal party in interest" means all deaf or hard-of-hearing persons who under titles II and III of the Americans with Disabilities Act have a right to a qualified interpreter or auxiliary aids. "Principal party in interest" shall include the named party, a person in whom the decision or action directly affects, victims, jurors, parents, guardians, foster parents, or the individual who the principal party relies on for advice or decisions.

VIII. "Qualified interpreter" means a person licensed pursuant to RSA 326-I.

IX. "Qualified legal interpreter" means a qualified interpreter under the Americans with Disabilities Act who in a legal setting is able to interpret effectively, accurately, and impartially both receptively and expressively, using any necessary specialized vocabulary including legal constructs. Qualified legal interpreters shall hold a specialized legal certificate awarded by the Registry of Interpreters for the Deaf or a level 5 certificate from the National Association of the Deaf, or shall hold certification from the Registry of Interpreters for the Deaf and successfully complete legal interpreter training. "Qualified legal interpreter" also includes a person granted an exemption under RSA 326-I:7, provided that the person discloses his or her lack of certification or legal training to the Title II or Title III entity.

521-A:3 Preliminary Determination. No qualified interpreter or qualified legal interpreter shall be appointed in any case until the appointing authority and the deaf person make a preliminary determination that the interpreter is able to accurately communicate both receptively and expressively for the parties involved. In the event that the interpreter is found unable to communicate effectively, another qualified interpreter or intermediary interpreter, or a non-licensed interpreter may be obtained, if the board grants a waiver under RSA 326-I:7.

521-A:4 Standards for Selecting Type of Interpreter or Auxiliary Aid. The appointing authority, when required under the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, or RSA 354-A, shall appoint:

I. A qualified interpreter for any situation which is not a legal or quasi-legal matter;

II. A qualified legal interpreter for all stages of all criminal, civil, and other adjudicatory proceedings, including criminal investigations which may lead to such proceedings;

III. An intermediary interpreter for situations cited in RSA 521-A:4, I or II in which these specialized services are required to effectuate communication with the deaf person; or

IV. Auxiliary aids.

521-A:5 Notice; Need for Interpreter or Auxiliary Aid. In situations which under the Americans with Disabilities Act require interpreters or auxiliary aids, the appointing authority shall provide such services upon request by the principal party in interest. This request does not have to be in writing.

521-A:6 Coordination of Interpreter and Auxiliary Aid Requests.

I. Whenever an appointing authority receives a request for the services of an interpreter or auxiliary aid, the authority can request the board to furnish the authority with a list of qualified interpreters. If the choice of a qualified interpreter does not meet the needs of the principal party in interest, the appointing authority shall appoint another licensed interpreter.

11. The New Hampshire Association of the Deaf and the New Hampshire Registry of Interpreters are authorized to assist the board to prepare and continually update, a listing of services.

521-A:7 Compensation. An interpreter or qualified legal interpreter appointed by an appointing authority who is a public entity as defined in RSA 521-A:2, 1(a) shall be reimbursed at a fixed rate reflecting the current approved fee schedule as established by the department of education, division of career technology and adult learning. Nothing in this section shall be construed to prevent any such appointing authority from employing an interpreter on a full-time basis or at a mutually agreed upon compensation rate. Compensation paid by such appointing authorities shall be negotiated by the entity and the interpreter.

521-A:8 Privileged Communications. An interpreter who is employed to interpret or transliterate between a person who can hear and a principal party in interest may not be compelled to disclose, through reporting, testimony or by subpoena, the contents of the communication, unless consent was granted by the principal party in interest.

521-A:9 Penalties. A person who violates any provisions of this chapter or who knowingly discloses a privileged communication in violation of RSA 521-A:8, shall be guilty of a violation. Upon conviction of a second or subsequent violation under this chapter a person shall be guilty of a class A misdemeanor and may, in addition, be subject to a civil penalty of up to \$2000 per offense or, in the case of a continuing offense, \$250 for each day the violation continues.

521-A:10 Interpreter or Auxiliary Aid to be Provided. Whenever a principal party in interest is receiving services from an appointing authority that is required under the Americans with Disabilities Act to provide interpreters or auxiliary aids, and the principal party in interest requests an interpreter or auxiliary aid, one shall be provided. Cost for the provision of services shall not be assessed to the deaf or hard-of-hearing person.

521-A:11 Interpreter Required in Civil or Criminal Matters.

I. Any appointing authority involved in the provision of legal services or court-related services shall comply with the Americans with Disabilities Act. A qualified legal interpreter or auxiliary aid shall be provided when requested by the principal party in interest. This includes proceedings of preliminary proceedings involving criminal sanctions or confinements, forfeiture of property, interrogation, administration of the Miranda warnings, grand jury proceedings, arbitration or mediation services, depositions, probation or parole meetings or hearings, psychological evaluation, interests including communication related to needed medical attention during apprehension. Whenever a deaf person is arrested for any reason when the penalty may include imprisonment or a fine in excess of \$100 no attempt to interrogate shall be permitted until a qualified interpreter is appointed for said person and then only through the use of such interpreter.

II. No statement, written or oral, made by a deaf or hard of hearing person, in reply to a question by a police officer, sheriff, or other law enforcement personnel having prosecutorial function in any criminal or quasi-criminal proceeding may be used against that person unless the statement was made or elicited through a qualified legal interpreter and was made knowingly, voluntarily, and intelligently, or unless the court finds that effective communication otherwise occurred between the deaf person and law enforcement personnel, the statement was made knowingly, voluntarily, and intelligently. In no event shall the failure of a deaf or hard of hearing person to request an interpreter be deemed a waiver of the appointment of an interpreter. A deaf or hard of hearing person may knowingly, voluntarily, and intelligently waive, in writing, the appointment of a qualified legal interpreter. Such waiver is subject to the written approval of counsel where the deaf or hard of hearing person is being represented by counsel.

521-A:12 Oath of Interpreter. Every interpreter appointed pursuant to the provisions of this chapter, before entering upon his or her duties in any legal or quasi-legal setting, shall take oath that he or she will to his or her best skill and judgment make a true interpretation to the deaf person in a language that the deaf person understands, all spoken language and, if necessary, any written material presented during each stage of the proceeding and of the deaf person's communication to others during each stage of the proceeding, whether or not the deaf person is the principal party in interest, provided that in case for an interpreter appointed for a juror, the interpreter shall also take an oath that he or she will not:

I. Participate in any manner in the deliberations of the jury;

II. Communicate with any member of the jury regarding the deliberation of the jury, except a literal translation of a juror's remarks made during deliberations; or

III. Disclose any of the deliberations with any person.

521-A:13 Visual Recordings; Court Proceedings. On the court's motion, or the motion of a party, the court may order testimony of a party and the interpretation of that testimony by the interpreter be visually and electronically recorded for use in verification of the transcription of the reporter's notes or accuracy of the interpretation. The clerk of the court shall include that recording in the appellate record if requested by a party.

521-A:14 Interpreter Positioning. No court proceedings or testimony shall commence until the qualified legal interpreter is in full view and specially situated to assure proper communication with the participating individual who is deaf or hard of hearing.

2 Effective Date. This act shall take effect January 1, 2004.

Adopted.

Report adopted and referred to Criminal Justice and Public Safety.

HB 240, establishing a committee to study ways to prevent suicide among young people in New Hampshire. **OUGHT TO PASS**

Rep. James P. Pilliod for Health, Human Services and Elderly Affairs: The committee heard much supportive testimony on the need to continue work in the field of prevention of youth suicide. Very profound testimony was given by a youth deeply involved with the problem. The committee would be charged collecting and reviewing pertinent information; develop and enhance state programs, and research federal and private grants to augment the programs. After discussion, which included the possible best structure to address the issue, the committee voted – OTP. Vote 13-2.

Adopted and ordered to third reading.

HB 125, relative to customer information of municipal utilities. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS**

Rep. Robert H. Rowe for the Majority of Judiciary: Many municipalities have municipal water and sewer systems. A few municipalities have a municipal electric system. These municipal utilities are covered under the Right-to-Know Law (RSA 91A). To date there have been no complaints that the committee has heard as to abuses to the Right-to-Know Law as to municipal water, sewer and electric systems. The committee felt that the public's right to know is such an important element in free government that changes in the law were unwarranted. Vote 10-3.

Rep. Gregory M. Sorg for the Minority of Judiciary: We believe that this bill, with certain modifications as to form, should be recommended "ought to pass." Information of municipally owned utilities concerning use by ultimate consumers, whose protection from disclosure under RSA 91-A is sought by this bill, is not relevant to the management, conduct or regulation of the utility. The features that the exemptions from the Right-to-Know Law found in 91-A: 5 have in common are that the disclosures concerned reach individual activity and invade individual privacy on matters for which there is no countervailing or offsetting public benefit to be derived from having the information available to other individuals. The subject matter of this bill differs materially from that of the real estate tax assessment, levy and collection process where the constitutional requirement of proportionality creates a direct connection among, and consequently a public interest in disclosure of, the figures for every individual specifically identifiable to each.

Reps. Hatch and Rice spoke against.

Rep. Mock spoke in favor and yielded to questions.

The question now being adoption of the majority committee report.

On a division vote, 305 members having voted in the affirmative and 61 in the negative, the majority report was adopted.

HB 63-FN, exempting OHRVs used solely for ice fishing on public bodies of water from registration requirements. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill would exempt ice fishermen's Off Highway Recreational Vehicles from registration requirements if their machines are used exclusively for ice fishing. Testimony showed that more than 80% of snowmobile registration fees go to fund trail grooming and maintenance. Since these ice fishermen do not use groomed trails, the sponsor felt they deserve a break on the fees. The committee sympathizes with this concern and plans to use HB 143 to address these and other concerns regarding snowmobile registration fees. Therefore, this bill is not necessary. Vote 19-0.

Adopted.

BILLS REMOVED FROM CONSENT CALENDAR

HB 89, establishing a committee to study airport security staffing. **INEXPEDIENT TO LEGISLATE**
 Rep. George Winchell for Criminal Justice and Public Safety: The intent of this bill is to establish a committee to study security staffing at all airports in New Hampshire. The committee received no testimony indicating that a problem currently exists with the present system statewide. Testimony was received suggesting a new multi-jurisdictional police agency, with overlapping and competing jurisdictions, would create unintended consequences. Vote 18-0.
 Adopted.

HB 57, relative to the use of inhalers by pupils and campers with asthma. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: It is estimated that 5.3 million children in America have asthma. In NH 76,000 people are at risk and the numbers have been growing at an alarming rate. Asthma is the most common cause of missed schools days. Although there is no known cause, there is a treatment that works and most often that treatment is the use of an inhaler prescribed by the patient's physician. What we have learned is that if an asthma sufferer has an asthmatic episode, many need the use of their prescribed inhaler as quickly as possible to enable them to breath properly. Any major delay in the use of the inhaler could put the child at mortal risk. Current administrative rules in NH require medications be dropped off at the nurses office in schools and camp offices. Dropping off this medication can put every asthmatic child at risk. This bill, with the signed approval of a physician and parent; allows the student or camper to possess and self administer their medication as instructed and trained by the physician and parent. Support for this bill comes from Dartmouth's primary pediatrician, Center for Disease Control in Atlanta, N.H. Medical Society, National Allergy and Asthma Network, N. H. Lung Assn., etc. The amendment simply eliminates several minor unnecessary steps in the bill that does not change the intent or the character of the original bill. Vote 18 - 0 .

Amendment (0025h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Education; Health and Sanitation; Use of Asthma Medications by Pupils.
 Amend RSA 200 by inserting after section 41 the following new subdivision:
 Use of Asthma Medications by Pupils.

200:42 Possession and Self-Administration of Asthma Inhalers Permitted. A pupil may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms, or before exercise to prevent the onset of asthmatic symptoms, if the following conditions are satisfied:

I. The pupil has the written approval of the pupil's physician and, if the pupil is a minor, the written approval of the parent or guardian. The school shall obtain the following information from the pupil's physician:

- (a) The pupil's name.
- (b) The name and signature of the licensed prescriber and business and emergency numbers.
- (c) The name, route and dosage of medication.
- (d) The frequency and time of medication administration or assistance.
- (e) The date of the order.
- (f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent, guardian to keep confidential.
- (g) Specific recommendations for administration.
- (h) Any special side effects, contraindications and adverse reactions to be observed.
- (i) At least one emergency telephone number for contacting the parent or guardian.
- (j) The name of each required medication.

II. The school principal or, if a school nurse is assigned to the pupil's school building, the school nurse shall receive copies of the written approvals required by paragraph I.

III. The pupil's parent or guardian shall submit written verification from the physician confirming that the pupil has the knowledge and skills to safely possess and use an asthma inhaler in a school setting.

IV. If the conditions provided in this section are satisfied, the pupil may possess and use the inhaler at school or at any school sponsored activity, event, or program.

V. In this section, "physician" includes any physician or health practitioner with the authority to write prescriptions.

200:43 Immunity. A school district, member of a school district board of education, or school district employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a district employee prohibiting a pupil from using an inhaler because of the employee's good faith belief that the conditions of RSA 200:42 had not been satisfied. A school district, member of a school district board of education, or school district employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a district employee permitting a pupil to use an inhaler because of the employee's good faith belief that the conditions of RSA 200:42 had been satisfied. Furthermore, if a school district permits a pupil to possess and use an inhaler pursuant to this subdivision, the school district, any member of the school district board of education, or any school district employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from the use of the inhaler by a pupil for whom it was not prescribed.

2 New Sections; Water Management and Protection; Safety Regulations; Possession and Use of Asthma Medication at Recreation Camps. Amend RSA 485-A by inserting after section 25-a the following new sections:

485-A:25-b Possession and Use of Asthma Inhalers at Recreation Camps. A recreation camp shall permit a child to possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms, or before exercise to prevent the onset of asthmatic symptoms, if the following conditions are satisfied:

I. The child has the written approval of the child's physician and the written approval of the parent or guardian. The camp shall obtain the following information from the child's physician:

- (a) The child's name.
- (b) The name and signature of the licensed prescriber and business and emergency numbers.
- (c) The name, route and dosage of medication.
- (d) The frequency and time of medication administration or assistance.
- (e) The date of the order.
- (f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent, guardian to keep confidential.
- (g) Specific recommendations for administration.
- (h) Any special side effects, contraindications and adverse reactions to be observed.
- (i) The name of each required medication.
- (j) At least one emergency telephone number for contacting the parent or guardian.

II. The recreational camp administrator or, if a nurse is assigned to the camp, the nurse shall receive copies of the written approvals required by paragraph I.

III. The child's parent or guardian shall submit written verification from the physician confirming that the child has the knowledge and skills to safely possess and use an asthma inhaler in a camp setting.

IV. If the conditions provided in this section are satisfied, the child may possess and use the inhaler at the camp or at any camp sponsored activity, event, or program.

V. In this section, physician includes any physician or health practitioner with the authority to write prescriptions.

485-A:25-c Immunity. A recreational camp or camp employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a camp employee prohibiting a child from using an inhaler because of the employee's good faith belief that the conditions of RSA 485-A:25-b had not been satisfied. A recreational camp or camp employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a camp employee permitting a child to use an inhaler because of the employee's good faith belief that the conditions of RSA 485-A:25-b had been satisfied. Furthermore, if a recreational camp permits a child to possess and use an inhaler pursuant to this subdivision, the recreational camp or any camp employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from the use of the inhaler by a child for whom it was not prescribed.

3 Effective Date. This act shall take effect August 15, 2003.

Adopted.

Rep. Mock offered a floor amendment (0087h).

Floor Amendment (0087h)

Amend RSA 200:43 as inserted by section 1 of the bill by replacing it with the following:

200:43 Immunity. No school district, member of a school board, or school district employee shall be liable in a suit for damages as a result of any act or omission related to a pupil's use of an inhaler if the provisions of RSA 200:42 have been met, unless the damages were caused by willful or wanton conduct or disregard of the criteria established in that section for the possession and self-administration of an asthma inhaler by a pupil.

Amend RSA 485-A:25-c as inserted by section 2 of the bill by replacing it with the following:

485-A:25-c Immunity. No recreational camp or camp employee shall be liable in a suit for damages as a result of any act or omission related to a child's use of an inhaler if the provisions of RSA 485-A:25-b have been met, unless the damages were caused by willful or wanton conduct or disregard of the criteria established in that section for the possession and self-administration of an asthma inhaler by a child.

Reps. Mock, Soltani and Batula spoke in favor.

Floor amendment adopted.

Report adopted and ordered to third reading.

HB 92, relative to the use of epinephrine auto-injectors by pupils and campers with severe allergies. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: People with life threatening allergies are aware that the consequences of anaphylaxis have been heightened by increasing reports of death in the U.S. Symptoms usually are difficulty breathing; a sudden drop of blood pressure or shock etc., all of which are potentially fatal if not immediately treated through the use of an auto-injector. Allergies can be triggered by food, insect stings, etc. and come on suddenly. Time of treatment is key. Any delay puts the person at risk. Under current administrative rules the auto-injector must be dropped off by students or campers at the designated schools or camp nurses office (or designed place), leaving the student at considerable risk at getting the treatment on time during an attack. This bill allows the student or camper to possess and self-administer the needed medication as instructed by a physician and parent. Instructions and approval to possess and self-administer are verified by the signatures of the physician and parent. This bill is supported by the pediatric unit at Dartmouth, NH Medical Society, Center for Disease Control in Atlanta. There was no negative testimony but lots of professional support. The bill simply puts the physician and parent back in charge. The amendment simply eliminates several minor unnecessary steps in the bill that does not change the intent or the character of the original bill. Vote 18 - 0 .

Amendment (0022h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Education; Health and Sanitation; Pupil Use of Epinephrine Auto-Injectors.

Amend RSA 200 by inserting after section 41 the following new subdivision:

Pupil Use of Epinephrine Auto-Injectors.

200:42 Possession and Use of Epinephrine Auto-Injectors Permitted. A pupil with severe, potentially life-threatening allergies may possess and self-administer an epinephrine auto-injector if the following conditions are satisfied:

1. The pupil has the written approval of the pupil's physician and, if the pupil is a minor, the written approval of the parent or guardian. The school shall obtain the following information from the pupil's physician:

- (a) The pupil's name.
- (b) The name and signature of the licensed prescriber and business and emergency numbers.
- (c) The name, route, and dosage of medication.
- (d) The frequency and time of medication administration or assistance.
- (e) The date of the order.
- (f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent or guardian to keep confidential.
- (g) Specific recommendations for administration.
- (h) Any special side effects, contraindications, and adverse reactions to be observed.
- (i) The name of each required medication.
- (j) Any severe adverse reactions that may occur to another pupil, for whom the epinephrine auto-injector is not prescribed, should such a pupil receive a dose of the medication.

II. The school principal or, if a school nurse is assigned to the pupil's school building, the school nurse shall receive copies of the written approvals required by paragraph I.

III. The pupil's parent or guardian shall submit written verification from the physician confirming that the pupil has the knowledge and skills to safely possess and use an epinephrine auto-injector in a school setting.

IV. If the conditions provided in this section are satisfied, the pupil may possess and use the epinephrine auto-injector at school or at any school-sponsored activity, event, or program.

V. In this section, "physician" includes any physician or health practitioner with the authority to write prescriptions.

200:43 Use of Epinephrine Auto-Injector. Immediately after using the epinephrine auto-injector during the school day, the pupil shall report to the nurse's office or principal's office to enable the nurse or another school employee to provide appropriate follow-up care.

200:44 Availability of Epinephrine Auto-Injector. The school nurse or, if a school nurse is not assigned to the school building, the school principal shall maintain for pupil use at least one epinephrine auto-injector, provided by the pupil, in the nurse's office or in a similarly accessible location.

200:45 Immunity. A school district, member of a school district board of education, or school district employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a district employee prohibiting a pupil from using an epinephrine auto-injector because of the employee's good faith belief that the conditions of RSA 200:42 had not been satisfied. A school district, member of a school district board of education, or school district employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a district employee permitting a pupil to use an epinephrine auto-injector because of the employee's good faith belief that the conditions of RSA 200:42 had been satisfied. Furthermore, if a school district permits a pupil to possess and use an epinephrine auto-injector pursuant to this subdivision, the school district, any member of the school district board of education, or any school district employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from the use of the epinephrine auto-injector by a pupil for whom it was not prescribed.

2 New Sections; Water Management and Protection; Safety Regulations; Possession and Use of Asthma Medication at Recreation Camps. Amend RSA 485-A by inserting after section 25-a the following new sections:

485-A:25-b Possession and Use of Epinephrine Auto-Injectors at Recreation Camps. A recreation camp shall permit a child with severe, potentially life-threatening allergies to possess and use an epinephrine auto-injector, if the following conditions are satisfied:

I. The child has the written approval of the child's physician and the written approval of the parent or guardian. The camp shall obtain the following information from the child's physician:

(a) The child's name.

(b) The name and signature of the licensed prescriber and business and emergency numbers.

(c) The name, route, and dosage of medication.

(d) The frequency and time of medication administration or assistance.

(e) The date of the order.

(f) A diagnosis and any other medical conditions requiring medications, if not a violation of confidentiality or if not contrary to the request of the parent or guardian to keep confidential.

(g) Specific recommendations for administration.

(h) Any special side effects, contraindications, and adverse reactions to be observed.

(i) The name of each required medication.

(j) Any severe adverse reactions that may occur to another child, for whom the epinephrine auto-injector is not prescribed, should such a pupil receive a dose of the medication.

II. The recreational camp administrator or, if a nurse is assigned to the camp, the nurse shall receive copies of the written approvals required by paragraph I.

III. The child's parent or guardian shall submit written verification from the physician confirming that the child has the knowledge and skills to safely possess and use an epinephrine auto-injector in a camp setting.

IV. If the conditions provided in this section are satisfied, the child may possess and use the epinephrine auto-injector at the camp or at any camp-sponsored activity, event, or program.

V. In this section, "physician" means any physician or health practitioner with the authority to write prescriptions.

485-A:25-c Use of Epinephrine Auto-Injector. Immediately after using the epinephrine auto-injector, the child shall report such use to the nurse or another camp employee to enable the nurse or camp employee to provide appropriate follow-up care.

485-A:25-d Availability of Epinephrine Auto-Injector. The recreational camp nurse or, if a nurse is not assigned to the camp, the recreational camp administrator shall maintain for the use of children with severe allergies at least one epinephrine auto-injector, provided by the child, in the nurse's office or in a similarly accessible location.

485-A:25-e Immunity. A recreational camp or camp employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a camp employee prohibiting a child from using an epinephrine auto-injector because of the employee's good faith belief that the conditions of RSA 485-A:25-b had not been satisfied. A recreational camp or camp employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from a camp employee permitting a child to use an epinephrine auto-injector because of the employee's good faith belief that the conditions of RSA 485-A:25-b had been satisfied. Furthermore, if a recreational camp permits a child to possess and use an epinephrine auto-injector pursuant to this subdivision, the recreational camp or any camp employee shall not be liable for damages in a civil action for injury, death, or loss to person or property allegedly arising from the use of the epinephrine auto-injector by a child for whom it was not prescribed.

3 Effective Date. This act shall take effect August 15, 2003.

Adopted.

Rep. Mock offered a floor amendment (0086h).

Floor Amendment (0086h)

Amend RSA 200:45 as inserted by section 1 of the bill by replacing it with the following:

200:45 Immunity. No school district, member of a school board, or school district employee shall be liable in a suit for damages as a result of any act or omission related to a pupil's use of an epinephrine auto-injector if the provisions of RSA 200:42 have been met, unless the damages were caused by willful or wanton conduct or disregard of the criteria established in that section for the possession and self-administration of an epinephrine auto-injector by a pupil.

Amend RSA 485-A:25-e as inserted by section 2 of the bill by replacing it with the following:

485-A:25-e Immunity. No recreational camp or camp employee shall be liable in a suit for damages as a result of any act or omission related to a child's use of an epinephrine auto-injector if the provisions of RSA 485-A:25-b have been met, unless the damages were caused by willful or wanton conduct or disregard of the criteria established in that section for the possession and self-administration of an epinephrine auto-injector by a child.

Reps. Mock and Batula spoke in favor.

Floor amendment adopted.

Report adopted and ordered to third reading.

HB 59, relative to court reporting. OUGHT TO PASS WITH AMENDMENT

Rep. John M. Pratt for Judiciary: This bill is the result of a joint house and senate study established in HB 447 from last year's session- the intent being to investigate certifying both methods of court transcriptions, machine writing and voice writing, as certified court reporters. The committee met in several long sessions and worked out several compromises. Consequently, both voice and machine writers are certifiable under this bill. Every certified court reporter under this chapter shall have a seal containing the name of the certified court reporter, his or her place of business, and the words "Certified Court Reporter, State of New Hampshire" with which he or she shall stamp all transcripts prepared by him or her or under his or her supervision for use in this state. Certified court reporter's seals shall indicate the reporting method utilized as defined in this bill. The amendment grandfathered all reporters provided that "he or she has been actively and continuously engaged in the practice of verbatim reporting in the state at least two years prior to July 1, 2003". Vote 16-0.

Amendment (0030h)

Amend RSA 331-B:10 as inserted by section 1 of the bill by replacing it with the following:

331-B:10 Savings Clause. Any United States citizen 18 years of age and older, who is of good moral character and who submits to the board an affidavit, under oath, on or before September 1, 2003 that he or she has been actively and continuously engaged in the practice of voice reporting in the state at least 2 years prior to July 1, 2003 shall, upon payment of the fee required, be exempt

from taking any examination prescribed in this chapter and shall be granted a certificate; provided he or she demonstrates certification by the National Verbatim Reporters Association or a state with similar minimum requirements. Any person holding a valid certificate issued under this chapter as of July 1, 2003 shall be exempt from taking any examination prescribed in this chapter and shall continue to hold his or her certificate as a court reporter.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect July 1, 2003 at 12:01 a.m.

Adopted.

Rep. Soltani spoke against and yielded to questions.

Rep. Mock spoke in favor.

Report adopted and ordered to third reading.

HB 182, relative to unclaimed shares and advancements to heirs. OUGHT TO PASS WITH AMENDMENT

Rep. John M. Pratt for Judiciary: This bill changes the requirement now in the probate law by raising the threshold amount of unclaimed shares in an estate from \$50 to \$5,000 which must be turned over to the state rather than being distributed to the other beneficiaries of the will. The bill also clarifies those conditions under which a gift to an heir should be considered an advance against the bequest. Vote 16-0.

Amendment (0048h)

Amend RSA 561:13, I as inserted by section 2 of the bill by replacing it with the following:

I. If an individual dies intestate as to all or a portion of the individual's estate, property the decedent gave during lifetime to an individual who, at the decedent's death, is an heir is treated as an advancement against the heir's intestate share only if:

(a) The decedent declared in a contemporaneous writing that the gift was an advancement; or

(b) The heir acknowledged in writing prior to the decedent's date of death that the gift was an advancement; or

(c) The decedent's contemporaneous writing otherwise indicates that the gift is to be taken into account in computing the division and distribution of the decedent's intestate estate; or

(d) The heir's written acknowledgement prior to the decedent's death indicates that the gift is to be taken into account in computing the division and distribution of the decedent's intestate estate.

Rep. John Pratt spoke to the committee report.

Amendment adopted.

Report adopted and ordered to third reading.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 6, 2003 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 160, relative to removal or replacement of trustees.

HB 64, establishing a commission to study the creation of an integrated criminal justice information system and any issues related to the privacy, security, and dissemination of such criminal justice information.

HB 86, relative to the membership of the permissible fireworks review committee.

HB 105, relative to sexual assaults committed by corrections officers, probation and parole officers, and juvenile probation and parole officers against individuals under their supervision.

HB 231, requiring the department of education to develop a plan to address and reduce the number of persons awaiting vocational rehabilitation transition services.

HB 69, relative to the reinstatement of expired licenses for architects.

HB 196, establishing a commission to study means to integrate services for people with co-occurring disorders.

HB 225, extending the task force on deafness and hearing loss and changing the task force's membership and duties.

HB 263, establishing an oversight committee to review the allocation of funds disbursed for the developmental disabilities waitlist.

HB 183, relative to a distribution from a decedent's estate to a minor.

HB 186, relative to the effect of divorce or annulment upon trusts.

HB 195, prohibiting all part-time district court judges and district court clerks from practicing law in the district courts.

HB 75, relative to timber harvesting.

HB 91, relative to the telecommunications planning and development initiative and advisory committee.

HCR 3, calling on the President and the Congress to fully fund the federal government's share of special education services in public elementary and secondary schools in the United States under the Individuals with Disabilities Education Act.

HB 76, relative to neighborhood electric vehicles.

HB 171, establishing a commission to assess the operating efficiency of state government.

HB 240, establishing a committee to study ways to prevent suicide among young people in New Hampshire.

HB 57, relative to the use of inhalers by pupils and campers with asthma.

HB 92, relative to the use of epinephrine auto-injectors by pupils and campers with severe allergies.

HB 59, relative to court reporting.

HB 182, relative to unclaimed shares and advancements to heirs.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purpose of introduction of bills and receiving Senate messages only.

Adopted.

The House recessed at 12:15 p.m.

RECESS

(Speaker Chandler in the Chair)

COMMITTEE ASSIGNMENT

Rep. Vaillancourt off Ways and Means.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 5

Thursday, February 6, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Eternal Creator, strong to save, we remember today the courageous astronauts of the Columbia space shuttle who bravely ventured into earth's orbit to study the wonders of Your creation and who, moments before being reunited with their loved ones, lost their lives returning home. Receive each into larger life and comfort their families and friends who mourn.

Remind each of us that the hero's journey is measured by the service we render to increase knowledge, freedom and prosperity to all who are blessed to live upon our fragile earth. May we never take Your blessings for granted and may we never forget those who give their lives in our service. Bless the work of this honorable House and may the decisions made here today be worthy of Your call to each member to serve those who entrust them with the authority of governing a free people. As always, we especially ask Your protective blessing to be with those who serve in the armed forces, police and fire service and their loved ones, who stand in harm's way today in the defense of our country and our communities. Amen.

Rep. Peter C. Cote led the Pledge of Allegiance.

The National Anthem was sung by Rachael Lang, a senior at Newmarket High School.

LEAVES OF ABSENCE

Reps. Mary Allen, Allison, Elizabeth Blanchard, Colcord, David Cote, Donovan and Webber, the day, illness.

Reps. Gonzalez, Introne, McCann, Osborne, Ouellette, Priestley, Reardon and Williams, the day, important business.

Reps. Casey, Guay and Langer, the day, illness in the family.

INTRODUCTION OF GUESTS

Stan Heckathorn, Jim Borsari and Phil Grisafi, guests of Rep. Mark Carter. Tammy and Rick Lang, parents of Rachael Lang, Anthony Palardis and Lynn Hoffman, guests of Rep. Pantelakos. Kerry Marsh, guest of Rep. Laurent. Carol Grandfield, guest of the Derry delegation.

COMMUNICATION

February 5, 2003

Karen O. Wadsworth, Clerk of the House:

The following representative-elect was sworn into office by the Governor and Executive Council on this day:

District 22 (Claremont Wards 1-3, Lempster, Unity)

David C. Allison, d&r, Claremont (RR2 Box 889, Cornish) 03745

Karen Ladd, Assistant Secretary of State

WITHOUT OBJECTION

Without objection, the Speaker ordered the Memorial Reading by Rep. Hess and the Joint Declaration read by Rep. Rausch to be printed in the Permanent Journal.

Rep. Hess read *High Flight*, a poem written in 1941 during World War II by Pilot Officer John Gillespie Magee, Jr.

High Flight

Oh! I have slipped the surly bonds of Earth
And danced the skies on laughter-silvered wings,
Sunward I've climbed and joined the tumbling mirth
Of sun-split clouds – and done a hundred things
You have not dreamed of – wheeled and soared and swung

High in the sunlit silence. Hov'ring there,
 I've chased the shouting wind along, and flung
 My eager craft through footless halls of air.
 Up, up the long, delirious burning blue
 I've topped the wind-swept heights with easy grace
 Where never lark, or even eagle flew.
 And, while silent, lifting mind I've trod
 The high untrespassed sanctity of space,
 Put out my hand, and touched the face of God.

Rep. Rausch read the Joint Declaration by the House of Representatives and the Senate honoring those astronauts aboard Space Shuttle Columbia.

JOINT DECLARATION

In Honor of the Fallen Heroes of the Space Shuttle Columbia

WHEREAS, the citizens of New Hampshire and the entire country mourn the passing of the courageous men and women of the Space Shuttle Columbia including: Colonel Rick D. Husband, Commander William C. McCool, Lieutenant Colonel Michael P. Anderson, Captain David M. Brown, Dr. Kalpana Chawla, Commander Laurel Clark, and Colonel Ilan Ramon of the Israeli Air Force; and *WHEREAS*, the passing of these dedicated scientific space travelers sadly reminds the citizens of New Hampshire of the tragic loss of Concord High School teacher, Christa McAuliffe, and her fellow crew members aboard the Space Shuttle Challenger, seventeen years ago; and *WHEREAS*, we send our sincere sympathies to the families of the fallen seven of the Space Shuttle Columbia, and wish them Godspeed; and *WHEREAS*, we honor the selfless dedication and passion exhibited by the crew of the Space Shuttle Columbia as they put their lives in harms way to discover new and critical scientific information which will advance and better the lives of all citizens; and *WHEREAS*, we pause to honor and recognize the tremendous contributions of those who serve our country as space explorers of the vast celestial frontier, and *WHEREAS*, we offer our heartfelt thanks to them for their service to our country and for the ultimate sacrifice of their lives, now therefore be it *DECLARED*, by the New Hampshire General Court, that this legislative body hereby recognizes and honors the contributions and achievements of the crew of the Space Shuttle Columbia and of all the courageous men and women who have sacrificed their lives in pursuit of the scientific exploration of outer space for the betterment of mankind.

Unanimously endorsed by a rising moment of silent prayer.

RESOLUTION

Rep. Hess offered the following: *RESOLVED*, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 14, 17, 24, 26 and 32 shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees. Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 14, relative to vacancies in county offices. (Municipal and County Government)

SB 17, relative to incompatible offices. (Election Law)

SB 24, relative to license revocations for DWI offenders under the age of 21. (Criminal Justice and Public Safety)

SB 26, removing the penalty against teachers who fail to keep registers. (Education)

SB 32, relative to municipal budget recommendations. (Municipal and County Government)

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 221-FN, prohibiting the courts from charging fees, removed by Rep. Marple.

Consent Calendar adopted.

HB 180, relative to proceedings for termination of parental rights. **OUGHT TO PASS WITH AMENDMENT**

Rep. Margaret D. Hallyburton for Children and Family Law: This bill provides that a subsequent hearing in a "termination of parental rights" proceeding will carry over the findings regarding grounds for termination, hearing only new evidence on the "best interests of the child". The amendment provides for a full evidentiary hearing if there has been a subsequent change in circumstances. Vote 18-0.

Amendment (0103h)

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Termination of Parental Rights; Decree; Proceedings in Which Termination of the Parent-Child Relationship Is Not in the Best Interest of the Child. Amend RSA 170-C:11 by inserting after paragraph III the following new paragraph:

III-a. If the court finds grounds for the termination of the parent-child relationship but determines that termination of the parent-child relationship is not in the child's best interest, the court order shall so state. In a subsequent proceeding for termination of the same parent-child relationship commenced within 2 years of the court order, the prior finding that grounds for termination of the parent-child relationship exist shall be conclusive, absent a substantial change in circumstances. At the initial hearing in a subsequent proceeding, the court shall accept offers of proof to substantiate a substantial change in circumstances. If, in the court's sound discretion, a substantial change in circumstances exists, the prior court order finding grounds for termination of the parent-child relationship shall not be conclusive, and the court shall proceed with a full evidentiary hearing on the matter. If the court does not find a substantial change in circumstances, the court's inquiry in the second proceeding shall be limited to a determination of whether termination of the parent-child relationship is in the child's best interest.

AMENDED ANALYSIS

This bill declares that, in cases where the court finds grounds for termination of the parent-child relationship but determines termination is not in the child's best interest, the court order denying the request shall specifically state this finding.

The bill also declares that, if a second petition to terminate parental rights is brought within the next 2 years and there has been no substantial change in circumstances, the original finding that grounds for termination exist shall be conclusive, and the hearing shall be limited to whether termination of the parent-child relationship is in the child's best interest.

HB 204, relative to venue in juvenile proceedings. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel C. Itse for Children and Family Law: This bill, requested by the department of justice, enables the state to prosecute a juvenile in the location where the crime is alleged to have occurred in the event that the juvenile neither lives nor was found in New Hampshire. The amendment simply clarifies the intent of the bill. Vote 17-0.

Amendment (0088h)

Amend the bill by replacing all after the enacting clause with the following:

1 Delinquent Children; Venue. Amend RSA 169-B:5, I to read as follows:

1. Proceedings under this chapter may be originated in any judicial district in which the minor is found or resides, *or where the offense is alleged to have occurred.*

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides that juvenile proceedings may be initiated in any judicial district where the offense is alleged to have occurred.

This bill was requested by the department of justice.

HB 168, relative to access to public schools. **INEXPEDIENT TO LEGISLATE**

Rep. Claire D. Clarke for Education: The committee unanimously felt that ITL was appropriate for this bill because it was vague and appeared to be a local problem. In the end the committee felt it was a "solution looking for a problem." Vote 15-0.

HB 252, prohibiting schools from issuing out-of-school suspensions and establishing a committee to study the development of a community/school services program for suspended pupils. **INEXPEDIENT TO LEGISLATE**

Rep. Richard C. Leone for Education: This bill prohibited public schools from issuing out-of-school suspensions. The committee maintained this issue would best be served by superintendents of schools and local districts. The bill also proposed to establish a committee to study the development of a community/school services program for suspended students. The committee opted to refer this issue to a HB 139 subcommittee dealing with school attendance and dropouts. Vote 17-0.

HB 98-FN, relative to fees for state election recounts. INEXPEDIENT TO LEGISLATE

Rep. Christine M. Konys for Election Law: This bill would have increased the fee schedule for state election recounts. However, the proposed increases were minimal, would not have substantially reduced costs to the state and may have been a deterrent to some candidates who legitimately want a recount. Therefore, the committee unanimously voted the bill Inexpedient to Legislate. Vote 13-0.

HB 101, relative to qualifications for state offices. OUGHT TO PASS

Rep. Howard C. Dickinson for Election Law: This bill places in statute the constitutional requirements for holding the offices of governor, executive counselor, state senator and state representative. The committee unanimously believes that HB 101 clarifies these constitutional provisions. Vote 14-0.

HB 126, relative to posting statutes at polling places. OUGHT TO PASS WITH AMENDMENT

Rep. Andrew L. Dorsett for Election Law: This bill clarifies which laws must be posted at polling places and the amendment gives the secretary of state the discretion to require posting of additional relevant statutes. Vote 14-0.

Amendment (0024h)

Amend the bill by replacing section 1 with the following:

1 Election Day Morning Procedures; Statutes Posted. Amend RSA 658:29 to read as follows:
658:29 Statutes Posted. The secretary of state shall prepare and distribute copies of the following RSA sections which the selectmen shall post or cause to be posted outside the guardrail in the polling place: RSA 654:7-a, RSA 654:7-b, RSA 654:38, [39] RSA 654:39; RSA 658:29; RSA 659:27, [30, 31, 32, 103] RSA 659:30, RSA 659:31, RSA 659:32, RSA 659:103; [RSA 665:15;] RSA 666:4, [5, 8, 9, 10, 11, 12] RSA 666:5, RSA 666:8, RSA 666:12. *In addition, the secretary of state shall include any other statutes or regulations that are required to be posted by state or federal law. The secretary of state may also include statutes or regulations that, in the secretary of state's judgment, would aid a voter in casting a vote or in contacting the appropriate official if the voter believes that his or her voting rights are being violated.*

AMENDED ANALYSIS

This bill modifies and corrects references to the statutes that must be posted outside the guardrail in the polling place. This bill also authorizes the secretary of state to include additional statutes and regulations for posting.

HB 251, relative to party affiliation and voting in primary elections. INEXPEDIENT TO LEGISLATE

Rep. Steve Vaillancourt for Election Law: This bill would in effect eliminate the ability of undeclared voters to vote in primary elections. In order to vote in either the Republican or Democratic Party primary, a voter would have to be registered in that party. It sets a deadline of thirty (30) days prior to the primary for an undeclared voter to change to one of the two parties and thus be eligible to participate in the primary. According to some surveys, upwards of 22% of the voters in last September's primary were undeclared. One of the goals of the Election Law Committee is to encourage increased voter participation. This bill flies in the face of that goal in that it would disenfranchise tens of thousands of voters. While sympathetic with the sponsor's contention that primaries should be only for party members, there is little, if any, evidence that voters actually engage in sabotaging the other party. There is a further problem in that this process could not be mandated for federal elections. Thus, passage would mean that town and city clerks would be forced to maintain two separate checklists, one for state and one for federal elections. The committee is convinced that the process for same-day registration and the ability of undeclareds to vote in either primary is working well. Vote 15-0.

HB 52-FN, relative to the licensure of shampoo assistants by the board of barbering, cosmetology, and esthetics. INEXPEDIENT TO LEGISLATE

Rep. Judson K. Dexter for Executive Departments and Administration: The problem that triggered this bill was confusion by the "Board of Barbering, Cosmetology and Esthetics" in the interpretation of their rules as well as concerns of conflict between the RSA's and rules. The committee found that the current statute and rules are very clear with regard to the employment of shampooing assistants and when enforced as written, there is no problem. Therefore, this legislation is not necessary. Vote 13-0.

HB 88, relative to bond requirements for building contractors. **INEXPEDIENT TO LEGISLATE**
Rep. Albert W. Hamel for Executive Departments and Administration: This bill was deemed to be inexpedient to legislate as it would place an undue burden on the office of the secretary of state. Also, it would be prejudicial to the large number of small contractors who might have difficulty obtaining bonding for several small jobs. Vote 17-0.

HB 147, establishing a committee to study the expungement of records. **INEXPEDIENT TO LEGISLATE**

Rep. Peter E. Bergin for Executive Departments and Administration: This bill was to establish a committee to determine a remedy for expunging any error in the records pertaining to part 2, article 73-a of the New Hampshire Constitution. Article 73-a was passed in 1978 and came out of a Constitutional Convention. The words "the rules so promulgated shall have the force and effect of law" has been debated over the years. The house and senate in last session passed the constitutional amendment to address this controversy. In the November 2002, election the amendment failed by 63% to 37%. A similar amendment to article 73-a has been introduced and will be taken up by the House Judiciary Committee. Therefore, the committee felt this bill was not necessary. Vote 17-0

HB 229-FN, relative to increasing the contribution amount of call, substitute, or volunteer firefighters eligible for certain disability benefits. **INEXPEDIENT TO LEGISLATE**

Rep. Charles Q. Hall for Executive Departments and Administration: This bill was introduced to provide additional benefits to call and volunteer firefighters. However, as written, it doubles the cost of the contribution without added benefits. Therefore, the committee felt this bill was unnecessary. Vote 14-0.

HB 293, establishing a commission to identify medical errors and their causes. **OUGHT TO PASS**

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: It is said that to err is human. Most times we apologize, correct the error and get on with life. Unfortunately when medical errors occur, and they do by the thousands, the consequences can be of a far more serious nature. The fact is that more people in America die from medical errors than from highway accidents, breast cancer or AIDS. It is best estimated that between 50,000 and 98,000 die due to medical errors. Mistakes come from surgery, drug to drug interactions, duplicate drug therapy, administrative errors, wrong site surgery etc. The cost for medical errors in America is estimated to be \$17 to \$20 billion. Mistakes in medical care must be addressed and this commission will be expected to make recommendations for safety, protocols that enhance our efforts to find ways that will focus on a solution to the problem of medical errors. Vote 19-0.

HB 314, establishing a committee to study the feasibility of buying pharmaceuticals on a statewide or regional basis. **INEXPEDIENT TO LEGISLATE**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The committee agreed with the sponsor of the bill that it is an important subject worthy of study. Testimony revealed that a number of legislative and professional committees are already extensively studying the issue, and therefore felt that another committee is not needed. Vote 19-0.

HB 219, relative to the assignment of judges to hear cases in the superior, district, and probate courts. **INEXPEDIENT TO LEGISLATE**

Rep. Nancy M. Ford for Judiciary: This bill would allow probate judges and district court judges to hear cases in superior or probate courts. The Committee felt that the judges confirmed by the Governor and Council are selected for their special expertise in the courts to which they are assigned and it would not be good practice to have judges serve in specialized areas in which they do not have the experience or advanced expertise. Vote 14-0.

HB 144, establishing a procedure for the adoption of contracts in certain schools. **INEXPEDIENT TO LEGISLATE**

Rep. Dudley D. Dumaine for Municipal and County Government: This bill requires that the adoption of contracts with schools shall be made by a warrant article approved at an annual or special meeting of each school district which is a party to the contract, provided that the article is inserted in the warrant at least one year prior to the proposed attendance of any students. Testimony was received that implementation of this bill would not allow the school districts to engage in contracts in a timely manner, possibly preventing special students from gaining the necessary education. RSA 194:22 is a catch-all vehicle for emergency contracts for the school districts. The bill would lead to unnecessary interruption of school programs. For there was further evidence that this was a local issue that needed to be addressed at the local level. The Committee therefore recommended this bill to be reported out as Inexpedient to Legislate. Vote 14-0.

HB 151, authorizing the county convention to contract and fund performance audits of county departments. **OUGHT TO PASS**

Rep. Peter B. Schmidt for Municipal and County Government: The authority of the county delegation to review county executive departments has only been allowed through the budget process when the requests for their finances has come to the Delegation. This legislation would grant the County Convention the power "to provide payment for a performance audit" under specific requirements. The cost of the performance audit will be paid from a contingency fund appropriated by the County Convention. The performance audit will be directed by the County Convention and the performance audit reports will be made public record upon approval of the County Convention. The committee believes performance audits provide a useful tool to improve the efficiency and cost effectiveness of county government. Vote 17-0.

HB 242, relative to the number of members on, and quorum necessary for, the assessing standards board. **OUGHT TO PASS**

Rep. Robert W. Brundige for Municipal and County Government: At the present time, membership of the assessing standards board consists of state representatives, senators, assessors and public members. There are no municipal officers on the board. This bill enlarges the committee from 13 to 18 members. The additional five members will be municipal officials. These appointments will give municipal officials from the cities and towns a voice on the board. The board is required to hold a series of three public forums annually throughout the state. Presently, a quorum of the members is required before testimony can be received at the forums. This bill allows the testimony to be received and shared with the other board members at a later date. Vote 20-0.

HB 136-FN, relative to regional electronic toll collection. **INEXPEDIENT TO LEGISLATE**

Rep. William E. Leber for Public Works and Highways: This bill would require the Commissioner of Transportation to credit interest earned on the money held in E-Z Pass toll accounts to the account holder when the E-Z Pass system is completed and activated. With the E-Z Pass system, individuals deposit funds in an account and receive an electronic transponder to transit the toll gate and the account will be charged. To require the New Hampshire Department of Transportation to compute and record interest and maintain accounts will create a burden that will increase costs and reduce benefits of the E-Z Pass system. It was indicated in testimony that residents of other states may elect to buy the E-Z Pass here to collect interest, since other states do not pay interest. Vote 15-0.

HB 137-FN, relative to discounted tolls under the regional electronic toll collection system. **INEXPEDIENT TO LEGISLATE**

Rep. Edmond D. Gionet for Public Works and Highways: Because the Governor and Council have the responsibility of setting tolls in New Hampshire, the committee did not feel that we should micromanage that process. Legislation already exists allowing for discounts. The committee felt that it was irresponsible to mandate a specific discount. Vote 15-0.

HB 67, relative to funding for energy efficiency programs. **INEXPEDIENT TO LEGISLATE**

Rep. Paul R. Hatch for Science, Technology and Energy: The bill requires funds allocated from the system benefits charge for the Public Service Company of New Hampshire energy efficiency program be placed in a revolving loan fund to provide loans to ratepayers for energy-efficiency projects and products. This bill also phases out the energy efficiency program allocation over three years. The committee believes the pilot programs created have been beneficial, but feel the programs have not been in effect long enough to determine the full value of the programs and savings to ratepayers. The committee recommends the bill as ITL and feels it is premature to phase out the funding and

end the pilot Pay as You Save program (PAYS), suggesting the collection of more data during the next year will be beneficial in determining the effectiveness of the Energy Efficiency Program. The program uses no general fund revenues, and is funded at a rate of \$0.0018 per kilowatt-hour as part of the system benefits charge. Vote 11-0.

HCR 2, urging the federal government to recognize hearing loss as a service-connected disability for veterans who flew UH-1 helicopters in Vietnam. **INEXPEDIENT TO LEGISLATE**

Rep. Ken Hawkins for State-Federal Relations and Veterans Affairs: The United States Congress passed Public Law 107-330 that institutes a study by the National Academy of Sciences on all Military Occupation Specialties. The committee feels that the issue is being addressed by this federal study. Vote 14-0.

HCR 5, urging Congress to permit satellite television subscribers to select in-state broadcast signals. **OUGHT TO PASS**

Rep. Russell A. Albert for State-Federal Relations and Veterans Affairs: By enacting the Satellite Home Viewer Improvement Act of 1999 (SHVIA), Congress greatly expanded the ability of satellite companies to provide local signals to subscribers, but limited service to the "designated market area" (DMA). Many subscribers in New Hampshire are in the Portland/Auburn DMA and are unable to receive WMUR-TV, which is located in the Boston/Manchester DMA. This bill would urge Congress to permit the satellite television subscribers to select in-state broadcast signals thus allowing them to receive WMUR-TV that provides emergency messages, disaster information, news coverage and political debates relevant to and originating in New Hampshire. Vote 11-0.

HB 87, establishing a study committee to examine decibel limits. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would establish a study committee to examine decibel limits. While there are many sources of noise pollution, this bill asks to study options for enforcement, particularly for motorcycles. New Hampshire has enforcement procedures and has established laws concerning motorcycle decibel limits. While we respect the sponsor's efforts, this is an enforcement issue that has rules and procedures in place. Vote 15-0.

HB 234, relative to verification of vehicle identification. **INEXPEDIENT TO LEGISLATE**

Rep. Jean-Guy J. Bergeron for Transportation: Until recently in New Hampshire, because of our laws, only titling vehicles up to 15 years, it had been possible to send a bill of sale to a person in NH and have that person register the vehicle at their local municipality. Once registered, the NH person would send the registration back to any state in the United States where the vehicle could then be titled in that state. We had persons in this state registering thousands of vehicles per year for a fee when "none" of these vehicles ever saw the roads of this state. On many occasions, the NH State Police were called from another state with a stolen vehicle that had been traced back to this process. Three years ago we changed the law in NH to prevent the washing of titles in this state. This bill would restore the process of washing titles. This bill would also make the town clerks responsible for verifying the authenticity of an out-of-state vehicle identification number. Vote 16-0.

HB 254, relative to the penalty for failing to have front and rear decals on an OHRV. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill establishes the penalty for failing to have front and rear decals on an Off Highway Recreational Vehicle, and raises the fine from \$36.00 to \$50.00. This bill would require by law that we raise the fine \$14.00 for failing to properly display decals. The cost to print new tickets is not taken into consideration in this proposed legislation. Additionally, a judge in an OHRV case may, upon his discretion, fine an individual up to \$500.00 if he deems it is necessary. Vote 16-0.

HB 256, establishing a committee to study the feasibility of breast cancer awareness number plates. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: The committee felt that a study committee on breast cancer awareness or awareness of any form of cancer license plates is unnecessary in these times. The medical profession advertises everyday through television, magazines, pamphlets and radio to make people aware of treatments, medications and the risk of cancer. The percentage of the population leans toward knowledge or being associated with someone who has had a form of cancer. Vote 15-0.

HB 270, relative to issuing drivers' licenses to aliens temporarily residing in the state. **OUGHT TO PASS**

Rep. Brenda L. Ferland for Transportation: Passage of this bill will add a section to current law allowing aliens to drive in this state. Currently, they show identification to the Commissioner of the New Hampshire Department of Safety. That will change to Director of the NH DOS. Added language provides they must show proof of their previous vehicle operation in a foreign country, or proof of completion of an approved driver education course acceptable to the Director. The NH DOS spoke in favor of this bill noting that after six months drivers have to obtain a NH license as we do not recognize international driving licenses. Vote 16-0.

HB 271, relative to walking disability plates and placards. **OUGHT TO PASS**

Rep. Robert J. Letourneau for Transportation: This bill will change the validity date for disability license plates and placards from four years to five years. This action will update the current law to match the new license renewal dates. Vote 16-0.

HB 292, relative to vehicles entering intersections. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill prohibits a driver from entering an intersection unless there is sufficient space. While we understand the sponsor's frustration with a driver who is not courteous, there are RSAs on the books to deal with these situations; police officers have the authority to ticket individuals who block intersections. The committee also would like to stress to authorities, both state and local, that this is an action that provokes road rage and would strongly urge the appropriate agencies to begin an aggressive enforcement policy towards this activity. Vote 15-1.

HB 81-FN-A, setting the rate for the medicaid enhancement tax for the biennium ending June 30, 2005. **OUGHT TO PASS**

Rep. Susan W. Almy for Ways and Means: Every two years the legislature sets the rate of this tax at the maximum rate allowed by federal medicaid regulations. The Department of Health and Human Services and the representative of the New Hampshire Hospital Association support the bill. A minimum of \$180 million in revenue for the biennium depends on this renewal of the rate. Vote 16-0. Referred to Finance.

HB 313, establishing a committee to study the feasibility of setting aside a portion of tobacco settlement money to subsidize smoking cessation programs. **INEXPEDIENT TO LEGISLATE**

Rep. Jeff Gilbert for Ways and Means: Three million dollars is annually set aside from the state's tobacco settlement proceeds to fund cessation and other tobacco use and prevention programs. These various programs are established, funded and reviewed by the Governor's Tobacco-Use Advisory Committee. By unanimous vote the Committee concurred with the testimony from the American Cancer Society of New Hampshire that the establishment of this study committee would not add to, and might well interfere with the Governor's Tobacco Use Advisory Committee's work. Vote 18-0.

REGULAR CALENDAR**HB 54**, establishing a committee to study the eligibility for school building aid of certain public academies which serve as the local school for their communities. **INEXPEDIENT TO LEGISLATE**

Rep. Clair A. Snyder for Education: The committee felt this bill would take building aid funds from limited state funds to support building in private schools. This would limit funds to public schools badly in need of new buildings and renovations to existing buildings. If these funds were to be used for private schools we would be supporting schools over which the state has no control. These schools have endowment funds available, the ability to raise funds through building drives, and they can also include building drives in the tuition charge to the communities. Vote 15-2.

Rep. Michael Harrington spoke against.

Rep. Alger spoke in favor.

Adopted.

HB 84, requiring school district budgets to disclose moneys paid for lobbying fees. **INEXPEDIENT TO LEGISLATE**

Rep. J. D. Colcord for Education: While this bill is well intentioned, school districts presently show on annual school district budgets dues paid to organizations which support school boards, school

administrators, etc. These organizations provide many types of support to the administrative process of the schools, including keeping them informed on legislation before this body. The lobbying efforts of these organizations currently is reported and available through the Secretary of State. Vote 17-3. Adopted.

HB 191, establishing a commission to study the school administrative unit system. **INEXPEDIENT TO LEGISLATE**

Rep. Bruce L. Dearborn for Education: This subject had been studied many times in the past. In 1996 districts were allowed to form their own supervisory administrative units (SAUs) without state approval and quite a few did, reflecting the ability of the districts to exercise the local control. The ultimate decision lies with the voter. Vote 10-9.

Rep. Hunter requested a roll call, sufficiently seconded.

The question being adoption of the committee report.

and the report was adopted.

HB 203, establishing a committee to study the use of pesticides and herbicides in the state, and directing the commissioner of agriculture to issue a report on the use of funds from the pesticide control fund. **INEXPEDIENT TO LEGISLATE**

Rep. Peter H. Allen for Environment and Agriculture: Hearing no compelling testimony in support of the bill and learning that information about the use of pesticides and herbicides in the state is readily available from the New Hampshire Department of Agriculture, the Environment and Agriculture Committee recommends ITL. Vote 14-1.

Adopted.

HCR 1, endorsing the Canine Good Citizen Program. **OUGHT TO PASS**

Rep. David N. Scott for Environment and Agriculture: This resolution endorses The Canine Good Citizenship Program sponsored by the American Kennel Club, and has been passed in 28 states. The Canine Good Citizenship Program focuses a greater awareness of the benefits of training and responsible canine ownership. Participation in this program by dog owners can lead to such benefits as lower insurance costs and may help to reduce canine incidences related in the community. There is no required funding. Vote 12-1.

Adopted and ordered to third reading.

HB 79, relative to the regulation of the installation and servicing of fire suppression systems. **OUGHT TO PASS WITH AMENDMENT**

Rep. John DeJoie for Executive Departments and Administration: This bill amends RSA 153, requiring certification of persons who inspect, install or service fire alarm systems. The fire marshal is instructed to develop certification criteria with assistance of an advisory board. This board will include representatives of fire alarm installers, fire chiefs, fire inspectors and other industry representatives. The amendment clarifies individuals affected by this statute and changes the composition of the advisory board to better reflect professions involved in fire alarm installations. This bill will insure a minimum level of proficiency for all persons installing or servicing fire alarm systems in New Hampshire. Vote 13-3.

Amendment (0090h)

Amend the bill by replacing section 1 with the following:

1 New Sections; Fire Suppression System Regulation; Advisory Committee. Amend RSA 153 by inserting after section 5 the following new sections:

153:5-a Fire Suppression System Regulation.

I. The state fire marshal, in consultation with the advisory committee established in RSA 153:5-b, shall adopt rules pursuant to RSA 153:5, as the fire marshal deems suitable for the regulation of persons engaged in the inspection, installation, and servicing of fire suppression, fire extinguishing, and fire alarm systems in this state, but not including water sprinkler systems. Such rules may include the issuance of various types and classes of certificates, and any reasonable fee for such issuance, for the following:

- (a) An individual or an employee of a firm engaged in the business of servicing portable fire extinguishers or inspecting, installing, and servicing fixed fire extinguishing systems.
- (b) An individual or firm performing hydrostatic testing of fire extinguishers.
- (c) An individual or firm engaged in the installation or servicing of fire alarm systems.

II. The provisions of this section shall not apply to the following:

- (a) The filling or charging of a portable fire extinguisher by the manufacturer prior to its initial sale.
- (b) The servicing by a firm of its own portable fire extinguishers or fixed fire extinguishing systems by its own personnel specially trained for such servicing.
- (c) Firms engaged in the selling at wholesale or retail of portable fire extinguishers, but not engaged in the installation or recharging of them.
- (d) Fire departments recharging portable fire extinguishers as a public service; provided, however, that the member of the fire department is trained in the proper filling and recharging of the fire extinguishers.

153:5-b Advisory Committee on Fire Suppression System Regulation. The state advisory board of fire control established in RSA 153:2 shall establish a committee to advise and assist the board and the state fire marshal on the rulemaking requirements and implementation of the certification of persons provided for in RSA 153:5-a. Notwithstanding RSA 21-G:11-a, the state advisory board of fire control shall appoint the members of the advisory committee, with the state fire marshal or designee serving as a member, as follows:

I. A sprinkler installer.

II. Two representatives of the portable fire extinguisher industry.

III. One person experienced in the design of fixed fire extinguishing systems.

IV. One representative of the New Hampshire Association of Fire Chiefs, nominated by the association.

V. One representative of the New Hampshire Fire Prevention Society, nominated by the society.

VI. Two representatives of the New Hampshire Alarm Installers Association, nominated by the association.

Adopted.

Report adopted and ordered to third reading.

HB 104-FN, implementing procedures for a hospital to assume care and custody of an abandoned child and creating an exception to the crime of endangering the welfare of a child. **OUGHT TO PASS WITH AMENDMENT**

Rep. Joseph P. Manning for Health, Human Services and Elderly Affairs: This bill aims to save the lives of "Dumpster Babies." It allows the parent to bring the unwanted newborn to a hospital or

other safe haven and deliver the child into its care anonymously. There are no penalties and no questions asked in order to save the baby. The bill instructs the hospital and the Department of Health and Human Services on its subsequent duties and responsibilities. A provision is made for law enforcement to determine if the child has been kidnapped. The amendment changes the maximum age of the child in question to 7 days. It also updates the 1907 law, RSA 460:28 regarding penalties for abandonment. It amends the abandonment statute to provide an exception for a parent acting under this proposed law. The effective date has been changed to 30 days after passage. Financial impact is indeterminable. Vote 17-0.

Amendment (0077h)

Amend the title of the bill by replacing it with the following:

AN ACT implementing procedures for a hospital or safe haven to assume temporary care and control of an abandoned child and creating an exception to the crime of endangering the welfare of a child.

Amend the bill by replacing all after the enacting clause with the following:

I New Chapter; Temporary Care and Control of Children at a Hospital or Safe Haven. Amend RSA by inserting after chapter 132 the following new chapter:

CHAPTER 132-A

TEMPORARY CARE AND CONTROL OF CHILDREN AT A HOSPITAL OR SAFE HAVEN

132-A:1 Definition. In this chapter:

I. "Department" means the department of health and human services.

II. "Hospital" means a public or private institution which is required to be licensed under RSA 151, and which is engaged in providing to patients, under supervision of physicians, diagnostic and therapeutic services for medical diagnosis, treatment and care of injured, disabled, or sick persons, or rehabilitative services for the rehabilitation of such persons.

III. "Safe haven" means a church which is attended by a person, or a police or fire station which is attended by a person, or a 911 responder at an agreed transfer location.

132-A:2 Temporary Care and Control of Children at a Hospital or Safe Haven.

I. A hospital or safe haven, without a court order, shall take temporary care and control of a child who is not more than 7 days old, provided that the child is handed to a person at the hospital or safe haven by the child's parent or parents, and the parent or parents did not express an intent to return for the child. The child's parent or parents shall not be required to reveal personally identifiable information.

II. A hospital or safe haven which takes temporary care and control of a child under this chapter shall ensure the provision of any medical services necessary to protect the physical health or safety of the child.

132-A:3 Notice to Department.

I. Within 24 hours after a hospital or safe haven assumes temporary care and control of a child under RSA 132-A:2, the hospital or safe haven shall notify the department and law enforcement officials that the hospital or safe haven has assumed temporary care and control of the child.

II. Upon receipt of notice by the hospital or safe haven, the department shall assume the temporary care and control of the child and shall be responsible for all necessary medical and other costs incurred by the hospital or safe haven related to the temporary care and control of the child. The department shall reimburse the hospital or safe haven for any necessary costs incurred prior to the child's placement in the temporary care and control of the department.

III. Within 24 hours of receiving a report under this paragraph, the department shall request law enforcement officials to investigate the incident using all resources available, including the National Crime Information Center database, to determine if the child is a missing child.

132-A:4 Liability. No person or entity subject to the provisions of this chapter shall be liable for any claim at law or in equity as a result of action taken pursuant to the requirements of this chapter.

132-A:5 Rulemaking. The commissioner of the department of health and human Services shall adopt rules, pursuant to RSA 541-A, to implement the provisions of this chapter.

2 Husband and Wife; Support of Wife and Children; Abandonment by Wife. Amend RSA 460:28 to read as follows:

460:28 Abandonment by [~~Wife~~] *Parent*.

I. If any [~~wife or mother~~] parent shall separate ~~himself or~~ herself from ~~his or~~ her [~~husband~~] ~~child or children~~ without cause[~~, or from her children,~~] ~~he or~~ she shall be guilty of a misdemeanor. The fine, if any, shall be applied in the discretion of the court to the benefit of the deserted [~~husband or~~] ~~child or children~~ [~~or both~~].

II. A parent who separates himself or herself from his or her child or children, pursuant to RSA 132-A, shall not be guilty of an offense or subject to a fine under this section.

3 New Paragraph; Offenses Against the Family; Endangering the Welfare of Child or Incompetent; Exception. Amend RSA 639:3 by inserting after paragraph V the following new paragraph:

VI. No person acting in accordance with the provisions of RSA 132-A shall be guilty of an offense under this section.

4 Effective Date. This act shall take effect 30 days after its passage.

AMENDED ANALYSIS

This bill declares that a hospital or safe haven shall assume temporary care and control of an abandoned child and shall notify the department of health and human services which shall then notify law enforcement officials. This bill also creates an exception to the crime of endangering the welfare of a child where a parent delivers the child to a hospital or safe haven and the parent does not express an intent to return for the child.

Adopted.

Rep. Bickford spoke against.

Rep. Manning spoke in favor and yielded to questions.

Rep. Bickford requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

CACR 3, relating to the nomination and appointment of judicial officers. Providing that the governor shall nominate and by and with the advice and consent of the senate, shall appoint judges of the supreme, superior, and district courts, the chief justice of the supreme court, chief justice of the superior court, and the administrative justice of the district court. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Thomas E. P. Rice for the Majority of Judiciary: There were several opinions. "If it ain't broke, don't fix it." There will be no less politics if the confirmation of judges is done by the Senate rather than by the Council. In fact, there likely would be more. The Senate has a heavy workload now. Vote 11-5.

Rep. John M. Pratt for the Minority of Judiciary: CACR 3 opens the vetting process by which judges are confirmed by transferring that power from the Executive Council to the Senate. This transfer of power would not remove politics from the judicial nominating and confirming process, but would ensure that a vigorous debate on judicial nominees by representatives of both political parties would ensue.

Reps. Davidson and Phinizy spoke against.

Rep. DiFruscia spoke against and yielded to questions.

Rep. Mock spoke in favor.

Rep. Davidson requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

HB 77, establishing a committee to study the process of de novo appeals from the district courts. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Bette R. Lasky for the Majority of Judiciary: This bill establishes a committee to study the process of de novo appeals from the district courts. "De novo" appeals, if granted, gives, in essence, a new trial to the appellant in a higher court. The committee felt that there may be a more efficient way to handle appeals but the subject needs to be studied to look into all the ramifications of such changes. Vote 12-4.

Rep. James E. Wheeler for the Minority of Judiciary: This bill would create a study committee to study the process of de novo appeals from the district court. The minority believes that the study is unnecessary because the present scope of de novo appeals is adequate and its preservation is an absolute necessity. The minority believes that to consider the process with an eye towards eliminating the process with respect to the classes of cases that presently are entitled to de novo appeals, as the sponsor suggested, is dangerous. The minority recommends that this bill be voted inexpedient to legislate.

Rep. James Wheeler spoke against.

Rep. Rowe spoke in favor.

Rep. James Wheeler requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

Ordered to third reading.

Rep. Potter did not vote and wished to be recorded in favor.

HB 130, establishing a judicial nominating commission. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. James E. Wheeler for the Majority of Judiciary: The committee had some strong concerns as to the constitutionality of this bill. This bill would establish a judicial nominating commission, to recommend persons to the Governor for nominations to judicial appointments. The constitution gives the Governor the right to select whomever he/she chooses and this would violate the separation of powers to say that he/she has to give high priority to the commission's recommendations. Therefore we recommend inexpedient to legislate. Vote 13-4.

Rep. John M. Pratt for the Minority of Judiciary: No greater complaint is heard about the judicial nominating process than that judges are selected by "the old boy's network." This bill does not take away one iota of the Governor's constitutional power to nominate judges, but it does provide for a process whereby those who are not a part of the old boy's network can be given serious consideration when judicial openings occur.

Rep. John Pratt spoke against and yielded to questions.

Rep. Mock spoke in favor.

Majority report adopted.

HB 193, relative to the right to life. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. James W. Craig for the Majority of Judiciary: This bill seeks to codify in RSA 132 the following language, "the state of New Hampshire hereby declares that the right to life guaranteed by the Constitution is vested in each human being at fertilization." All members of the Judiciary Committee acknowledged that the beginning of life is a very difficult issue to ascertain, and the majority felt *Roe v. Wade* is still the law of the land and this bill, while well intentioned, is poorly crafted and is not the way to change that law. Some members felt and indeed one of the sponsors indicated that the intent

of the bill would be to make doctors and pregnant women subject to the possibility of criminal sanctions should they terminate a pregnancy at any point after fertilization. Vote 13-5.

Rep. Kathleen F. Souza for the Minority of Judiciary: This bill states that each human life begins at fertilization. In 1973, when the Supreme Court justices handed down the Roe vs. Wade decision, they stated that they did not know when life begins. Since that time, over 42 million unborn children in this country have been lost to abortion. The justices also said that if it could be established that life began at conception, then the whole case for abortion would collapse. The sponsors of HB 193 believe now is an appropriate time for the State of New Hampshire to recognize what science and medicine have now confirmed- that each human life does indeed begin at fertilization. Elizabeth Louise Brown's conception in a petri dish in London over two decades ago proved this fact in full world view. By stating the obvious and asserting that our government, at all levels, should assure the equal care and protection for the right to life for us all, the sponsors of HB 193 hope to contribute to an increase in the respect for human life. If this country is to continue to prosper, we must halt the growing disregard for life, as evidenced by the discarding of newborns, the abuse of children, the mistreatment of the elderly and the infirm and the increasing trend towards euthanasia. HB 193 does not have any enforcement powers. It does not provide for any penalties or for any prosecution. It states biological facts and asks for a truly just society, one that respects what our founders proudly proclaimed, the unalienable right to life.

Reps. Hagan, Itse and Souza spoke against.

Reps Desmarais, Jacobson and Craig spoke in favor.

Rep. Hagan requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

(Rep. Whalley in the Chair)

HB 304-A, relative to state acquisition of certain acreage in the Connecticut Lakes headwaters tract and making an appropriation therefor. **OUGHT TO PASS**

Rep. H. Charles Royce for Resources, Recreation and Development: The state of New Hampshire is on the verge of protecting 171,500 acres, this acreage is known as the Connecticut Lakes headwaters tract. Agreements are being worked on with Lyme Timber Company for their acquisition of

146,000 acres of this forest land with easements. It would continue as a working forest for the company. This bill would authorize the state to bond up to 12 million dollars, which is the price being paid by Lyme Timber Company. If for some unforeseen reason that the company does not reach an agreement with the state, the state of New Hampshire will have the funds and be in a position to acquire Lyme Timbers part of the acquisition. Vote 16-1.

Rep. Chandler yielded to questions.

Adopted.

Referred to Finance.

HB 164-FN-A, increasing the gross premiums tax on insurance provided by certain unlicensed companies. **OUGHT TO PASS**

Rep. Vivian R. Clark for Ways and Means: The State of New Hampshire licenses insurance companies and brokers in the state, and charges a tax on premiums. However, certain unusual types of insurance are purchased through brokers from companies which are not normally licensed. This bill increases the rate of the premium tax on those special lines, comparable to the rates charged by neighboring states. Vote 17-0.

Rep. Buckley requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.
Referred to Finance.

Phinizz, James

(Speaker Chandler in the Chair)

HB 172, extending the committee to study the exemption from property taxes for not-for-profit hospitals, and including a study of the community benefit law. **OUGHT TO PASS**
Rep. Vivian R. Clark for Ways and Means: The report filed by this study committee last fall indicated that the study had brought to attention more aspects of hospital exemptions and the community benefits law than had been anticipated. They would therefore like to continue their investigations. Ways & Means members generally agreed. Vote 14-4.
Adopted and ordered to third reading.

HB 340, establishing a committee to study implementing keno in the state of New Hampshire.
INEXPEDIENT TO LEGISLATE

Rep. Shawn N. Jasper for Ways and Means: Keno is a form of gambling traditionally found in bars and restaurants. While there are several questions relative to potential problems which might be answered by a study committee, the Committee is not in favor of expanding gambling in this manner. The Director of the Lottery was present to answer questions; however, the sponsors provided the only testimony on the bill. Vote 15-3.
Adopted.

BILL REMOVED FROM CONSENT CALENDAR**HB 221-FN**, prohibiting the courts from charging fees. **INEXPEDIENT TO LEGISLATE**

Rep. Gregory M. Sorg for Judiciary: This bill would amend, replace or repeal numerous sections of the statutes in order to abolish all fees charged by the courts of this state. It would, in the view of its sponsors, codify the prohibitions enumerated in Article 14 of Part 1 of the NH Constitution. In voting this bill inexpedient to legislate, the committee concluded that Article 14 was a response to common Eighteenth Century English practice where bribery of magistrates, officials, or staff was normal, often necessary means of inducing administrative or judicial action, and that the Article was not intended to proscribe the charging of reasonable, uniform filing fees designed to defray actual processing expenses and to discourage frivolous filings. It was noted that the courts follow a liberal practice, upon motion in appropriate situations, of waiving such fees based on inability to pay or other just cause. Vote 13-1.

Rep. Marple spoke against.

Rep. Sorg spoke in favor.

Adopted.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 13, 2003 at 10:00 a.m.

Adopted.

LATE SESSION**Third reading and final passage**

HB 180, relative to proceedings for termination of parental rights.

HB 204, relative to venue in juvenile proceedings

HB 101, relative to qualifications for state offices.

HB 126, relative to posting statutes at polling places.

HB 293, establishing a commission to identify medical errors and their causes.

HB 151, authorizing the county convention to contract and fund performance audits of county departments.

HB 242, relative to the number of members on, and quorum necessary for, the assessing standards board.

HCR 5, urging Congress to permit satellite television subscribers to select in-state broadcast signals.

HB 270, relative to issuing drivers' licenses to aliens temporarily residing in the state.

HB 271, relative to walking disability plates and placards.

HCR 1, endorsing the Canine Good Citizen Program.

HB 79, relative to the regulation of the installation and servicing of fire suppression systems.

HB 104-FN, implementing procedures for a hospital or safe haven to assume temporary care and control of an abandoned child and creating an exception to the crime of endangering the welfare of a child.

HB 77, establishing a committee to study the process of de novo appeals from the district courts.

HB 172, extending the committee to study the exemption from property taxes for not-for-profit hospitals, and including a study of the community benefit law.

UNANIMOUS CONSENT

Reps. Joseph Stone, Manning and Burling addressed the House.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purposes of introduction of bills and receiving Senate messages only.

Adopted.

The House recessed at 12:55 p.m.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 6

Thursday, February 13, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Blessed and compassionate Creator of all who has graced us with gifts too numerous to count, bless the work of this honorable House today as it considers both the opportunities and necessities of using New Hampshire's resources for the benefit of every citizen, especially those who need a helping hand.

During these difficult and troubled days, help us to keep our communities strong, our values clear and our respect for the dignity of every human being unshaken.

As always, we especially ask Your protective blessing to be with those who serve in the armed forces, police and fire service, and their loved ones, who stand in harm's way today in the defense of our country and our beloved New Hampshire. Amen.

Rep. Janet Allen led the Pledge of Allegiance.

The National Anthem was played by violinist Sarah Stohrer.

LEAVES OF ABSENCE

Reps. Chabot, David Cote, Goulet, Grassie, Guay, Pepino, Ruffner and Katherine Taylor, the day, illness.

Reps. Balcom, Bartlett, Bleyler, Cail, Colcord, Corbin, Franklin, Furman, Bonnie Ham, Paul Harrington, Hopper, Introne, Musler, Ouellette, Priestley, Seldin and Soltani, the day, important business.

Rep. Brundige, the day, illness in the family.

INTRODUCTION OF GUESTS

Sharon and Mark Sykas, guests of Rep. Scamman. The Honorable Martha Fuller Clark, guest of Rep. Buckley. Brad Smith, guest of Rep. Boyce.

Sara Hemeon and students from Merrimack Valley High School with their teacher, Mrs. Gormley, granddaughter and guests of Reps. George and Phyllis Katsakiores. Deana Delucca, guest of Rep. Thomas.

RESOLUTION

Reps. Hess and Burling offered the following:

RESOLVED, that the House inform the honorable Senate it is ready to meet in Joint Convention for the purpose of hearing Governor Craig Benson deliver his budget message.
Adopted.

SENATE MESSAGE

The Senate is now ready to meet with the honorable House of Representatives in Joint Convention for the purpose of hearing Governor Craig Benson deliver his budget message.

JOINT CONVENTION

(Speaker Chandler presiding)

Executive Councilors Spaulding, Griffin, Wiecezorek and Wheeler joined the Joint Convention.

His Excellency, Governor Craig Benson, addressed the Joint Convention.

Mr. Speaker, Mr. President, Members of the House and Senate, Members of the Executive Council and other Honored Guests:

It is my pleasure to be here today to talk about New Hampshire's future. And no discussion about New Hampshire's future is complete unless that discussion includes our children. For 200 years every generation has insured that the younger generation has had more opportunity for success than they themselves have had. To do that, you need to make tough decisions and those decisions need

to be based not on the next election but on the next generation. I'm pleased to be here today to use the tools that our children would be more comfortable using than we ourselves are. But, for our children's sake, I think it is time we begin to communicate as they do. And, for our children's sake, I believe we must embrace change.

I want to thank you, Mr. Speaker, for allowing me to use this hallowed Hall as a way to demonstrate the combination of tradition and technology. And as the constitution requires, I have brought my copy of the budget done in the traditional way, but I ask that we think more in terms of our children.

Our mission was made very clear last November when a record number of voters turned out and told us some simple things. They were tired of paying higher taxes, they wanted us to sit around government's kitchen table and make tough decisions, and they wanted us to act like they do — live within our own means. My opponent advocated higher taxes as a way to fix our problems, the voters have soundly rejected that with the following statement. No income tax, no sales tax, no new taxes, no higher taxes, no way.

So how do we proceed forward? Massachusetts, Maine, Connecticut are all facing similar problems to ours, in fact, theirs is even more dire than the situation here in New Hampshire. They have a sales tax, they have an income tax, and some even have gambling. So it proves the point. Taxes aren't the solution to the problem. They are the problem.

We as Americans have been through tough times before. Other generations have always unified for the sake of the younger generations. I can think of countless incidents where my parents sacrificed for my own future. I'm sure you can remember when your parents did the exact same thing. Sacrifice means making tough decisions. But we do it knowing that we love our children and want them to be more successful than even we could possibly be. It's time to stand up and make good decisions. No more ducking, dodging and deferring those tough decisions and passing them off to our children. Our parents didn't do that to us and it's about time that we take our responsibilities seriously too. If we are to reach the stars, then we will have to stand on the shoulders of giants that have come before us to make that goal occur. I look forward to working with you to do it.

New Hampshire's deficit is \$70 million in the biennium ending this June. It will reach \$230 million in the next biennium. We, frankly, have to stop spending more than we take in. Every New Hampshire family knows that. Prior administrations have drained our savings account and we face some tough challenges. Healthcare cap costs are going up. Employee costs are going up. Demand for social services in light of the weak economy is going up. Education costs are going up, too. Confronting these problems may be unique to government but it's not unique to organizations that have faced tough times. You need to work with people to maximize your resources and minimize your disruptions. Tough times bring people together and I'm hopeful that that will happen in this very instance. I brought with me today, and they are seated in the gallery, the various department heads that run all the agencies in the State of New Hampshire. They put forth a lot of work to make this budget happen and turn it into a reality for our future. And I would like to take one minute to recognize their efforts, and if I could, ask them to stand so they may be recognized by everybody. That, ladies and gentlemen, is the team that will ensure New Hampshire's future is a bright one.

Time was short to build this budget. I've only been in office five weeks but we have worked very, very hard to accommodate the needs we have in this state. One thing I didn't want to do is do what is being done in other states, and that is to pass our problems on to the local towns and cities throughout the State of New Hampshire. We created these problems, we need to solve these problems. We're not going to create new taxes or increase the rate of taxes. We're even going to be able to lower the rate of spending in state government even with significant costs drivers. I'm not going to stand here and tell you that there is no pain in this budget. I am going to tell you that we have started on a process of identifying the state's wants versus its needs and we will continue to drive that process throughout my administration. Our children, our most valued assets, leave New Hampshire more than half the time to pursue their dreams someplace else after we provide them an education and make a significant investment in that education. To me that is just plain wrong. These are good kids and I want them to grow up here, but they need a great job to pursue their dreams in New Hampshire.

As I campaigned, I noticed that New Hampshire is dominated with old mill buildings that stand as testaments to companies that have come and gone many years ago. Who would have ever thought that these giant companies that could build these great mills could possibly ever disappear like dinosaurs? Well, in fact, not one of them is left occupying any of those mills throughout New Hampshire. It just goes to show that New Hampshire's economy is dynamic and changing and if we are to keep pace we must change too.

As such, I have hired a small business advocate in my office to work with small businesses to help ensure their success through government and by helping them with the resources we can deploy in state government. I would like to create a new program and announce it today called "Start-up New Hampshire." Take \$350,000 out of this biennium budget and give it to college students who graduate from New Hampshire colleges or universities and want to found a company right here in New Hampshire and want to grow it in New Hampshire. I think that is one way to spur our economy. We have also put forth another program called "Garage Grants" to start to fund startup incubators throughout the state of New Hampshire. These incubators will spawn great, new ideas and they will allow entrepreneurs to pursue their dreams. These entrepreneurs will create these new visions and like tiny acorns they will grow into great oak trees some day. The next fifty years will be dictated by what we do today. I look forward to being able to set the course for New Hampshire's future.

Tomorrow my daughter, Lauren, turns 18 years old (it's probably what I deserve more applause for than for anything else) and I look forward to her future being right here in New Hampshire along with all your children's future right here in New Hampshire, as well.

We've debated the cost of education far too long but we have not spoken of quality. Today that will change. These very tools I am using here today represent a huge change in the way we communicate but these tools are very familiar to our children. This is how they communicate. It's about time we start to communicate in their language. We made some tough choices in the Department of Education, university system and technical colleges. Our neighbors in the surrounding states have done the exact same thing. I appreciate working with the administrations of the various departments to ensure that we don't miss a beat in spite of these changes we've had to make. To me, the core of education is locally controlled and that's why I've given slightly more money to cities and towns to ensure they keep providing great education to our New Hampshire children.

But we are not stopping there. Finally, we need to find a way to help cities and towns that are having trouble meeting their education obligations. I'm calling this program "No Community Left Behind." It will fund \$20 million in targeted aid to cities and towns that need it most in this biennium alone. That number will grow to \$62 and one-half million next biennium for targeted aid. That, ladies and gentlemen, is the way we will fix education once and for all.

Coupled with this targeted aid we will also find significant decreases in the statewide property tax. Fourteen percent in this biennium alone. In the next five years, we will reduce the statewide property tax by almost fifty percent, saving New Hampshire taxpayers close to a billion dollars cumulatively over the next five years. Competition is what built America. It's what made me sharper in business. It's what we need in education. So, today I am announcing a new program called "Choice Now"; \$4 million dollars targeted to development and startup of charter schools in the state of New Hampshire. We can finally make it a reality. We're not going to stop there. Home schooling is something we have talked about for a long period of time but we have done nothing to help those parents with the challenges they have with educating their own children. As part of this budget, we are developing a program called "School at Home." \$2 million over the biennium to help home schoolers defray some of the costs they incur with teaching their children in their own homes.

For too long we have put up with physical dropouts from our schools, but I have to tell you there's more children that mentally check-out from the schools than the physical ones we can count. It's time we challenge every student in every subject, in every school and accept nothing less. Today I'm announcing a program called "E-Ticket to Learning," Internet based course learning for which we will provide \$4 million to develop courseware to export to every schoolroom in this state because we will find a way to challenge every student in every subject and individualize that content so those children can be excited about going to school.

And, we're not going to stop there. I've hired an education reform mentor to work directly in my office. I've done something a little strange, I hired a teacher to do that. This teacher has not only been a teacher, she's also been a school board member, she's taught at the community technical colleges and she's an entrepreneur who started her own preschool. She will make a real difference in education and the future of New Hampshire.

This is a caring budget. Our Health and Human Services budget, as you know, is a sizable one. We've given Health and Human Services \$80 million over the biennium more than the guidelines for other departments. We're spending more than ever before on these services; however runaway costs make the job very, very tough. That means we have to make very wise investments. One of those investments we are going to make today is to reduce the disability waiting list. We're going to put \$3 million to ensure that the disability waiting list comes down in size. Will that remove the

disability waiting list completely? Absolutely not. But it will set us off to a very good start.

We need to help find qualified professionals to work in some of the most challenging jobs in America – our nursing profession. So, today I'm announcing a new program called "Nurses Stat," \$2 million to help with tuition reimbursement for nurses who guarantee they will stay and practice their profession right here in the state of New Hampshire. It will augment other programs we already have in this state but it was a way to focus on a profession that we need to pay a lot of attention to for our future.

As part of my budget, we have asked providers of healthcare to take a five percent reduction in their payment levels. However, we are also going to work to pass, as part of this budget, sweeping medical malpractice reform. We are not going to let the courts dictate healthcare decisions anymore. That's between the patient and their healthcare provider, and I'm proud to say we are going to make this a big part of our budget and make it happen in New Hampshire, now.

We've had to make changes in our Medicaid programs throughout the state but despite these tough times and despite the changes that have been made throughout the country to Medicaid, the Healthy Kids Program has actually increased. We are very committed to making sure that Healthy Kids stays a part of New Hampshire's landscape.

I've also done something else a little bit crazy. I've decided that a healthcare advocate needs to be part of the governor's staff. If we are really going to get this done, let's drive it out of the governor's office. So, I've hired someone from the hospital business to come in and help me dictate what the policy changes are that we are needing throughout this state to make things occur in the healthcare industry. I know it's a little strange but it's time we listen to people who are providing local care to people in every single community throughout this state and make sure that any changes we make only positively effect the patients.

Government can't do it all, I know. I've had a great chance to go out and meet with so many different organizations that are providing many social services throughout this state on a local level. People who founded these organizations have a dream, a passion, a determination to make things happen. I call them community entrepreneurs. Their enterprises start in living rooms, soup kitchens, church basements, but they really make a difference in their local communities. Today, I want to start a program to leverage community entrepreneurship. We're going to call it "Community Entrepreneurship Grants." We're going to provide startup capital to social organizations dedicated to delivering services to the neediest people throughout the state and their local communities. As an entrepreneur, I know the challenges of a startup and they can be daunting. My program will fund those programs and fund those dreams.

Government reform is way overdue. We all know that, but reform takes a team and our team is 12,000 strong. Unlike other states that have chosen to balance their budgets on the backs of their most valuable assets, their state employees, we are not going to do that here. The changes we're making will be minimally disruptive to our employees and be focused on ensuring that we get to a place where we deliver services efficiently and effectively for our citizens. It won't be easy but it can be done. We will make cost cutting methods one of the priorities of this administration. Everybody needs to take part in that exercise for us to be successful long term. So, one of the ways in which we're going to do that is we're going to start with the Governor's Initiative Award, an award that takes my salary and gives it back to state employees willing to make changes. But, we're not going to stop there. We are also going to capture savings of \$30 million with new efficiency programs. We are going to make employees part of that change because they are the ones that are going to have to make those changes. I'm going to call this the "Can Do Incentive Program." Ten cents of every dollar we save as part of this initiative will go to the employees making those changes. Ninety cents will go back into the Rainy Day Fund, our state savings accounts that we robbed to balance this budget. We need to do that for our children's future.

Everyone knows that government can be more efficient and during this exercise we have found some instances of that, if you can believe it. We found that we're paying for utilities to the tune of \$150,000 to buildings that have been abandoned. We found numerous duplications between departments; and we found many, many paper reports (not the least is this one) that could be done electronically. The efficiency committee will help us find ways to do things, but my suggestion box both electronically and the one that sits outside my office has already captured some great ideas without the help of the efficiency committee. Today I would like to recognize some great state employees that have provided us with some great suggestions and they are in the audience. Please recognize Patty Smith, Bill Simington and Michael Fitzgerald. Thank you for your efforts.

Government's front door should not only be accessed with a doorknob. We are the second most technology literate population in the entire country. Half of our population accesses the Internet on a daily basis. Their access to government should with a mouse. It's more time effective for our citizens and more cost effective for our government. Today I'd like to announce a new department, the Department of Technology Implementation. It will bring together all the different technology people and assets we have throughout the state under one roof, and finally provide us one communication platform, one look, one feel from the accountability board to the youth development services organization. Doing this better will allow us to give our citizens a better government experience and allow us to use our resources more wisely than ever before. As part of this initiative, I am pleased to announce that the state has a new Chief Information Officer who will drive this process. He is Bob Anderson who has worked with me for over 13 years. He's not only a great listener but a fantastic doer and he joins us today. Bob, would you please stand.

I've also dedicated a person in my staff to be a government reform guru. If we are going to move to the 21st century, we have to drive it right out of the governor's office and I think it's in everybody's best interest that we do that. I also happen to think that you lead by example. My own governor's office has cut its budget from the predecessor's budget down to 90% of last year's level. My staff is about two-thirds the size of the former governor and my transition team did not spend all the money you kindly appropriated to me for my transition efforts; we're returning half that money to the state treasury for use in other places.

I'm really pleased to be here speaking to the House and the Senate because you are my partners. We must do this together and part of partnership is choice. So what I've put in my budget to help you have some choices about your priorities is \$15 million unallocated for you to put in the programs that you think merit some funding. I believe that is true partnership and no governor has done that before to my knowledge and I think it's the right way to move forward.

We started with taxes; we're going to end with taxes. This has been a tough budget, but no tougher than New Hampshire families are facing. Many of our New Hampshire families have plummeting 401Ks and have had to make many job shifts, sometimes at lower pay. These people have been hit by hard times and it's about time we understand their pain. The voters have spoken very clearly on our use of their resources. We need to begin today to be as effective as possible.

One thing I think taxpayers deserve, though, is a down payment on their past investments. So, we are going to deliver to them no new taxes, no new tax increases but some tax cuts. Nine million for funding of a senior property cut; almost a billion dollars in the next five years in property tax relief by cutting the statewide property tax rate almost in half; cuts to business taxes on property and additional funding in a net operating loss provision. While this is just a beginning, it's in sharp contrast to what other states are doing where they are raising taxes. I believe this sets us apart from the rest of the country. Living within our means means preserving the New Hampshire advantage for our children to partake in.

There is more to be done and this graph shows why we're in the situation we're in. The bottom green line reflects where government should have been spending, that's the rate of inflation. The top blue line is where we have been spending. We didn't control spending. We are spending more than we are taking in. Living in debt is not only in violation of the New Hampshire constitution, it's also morally wrong. And to ensure that we never get here again, I am proposing, as a separate initiative, the Taxpayer's Bill of Rights. A program by which we are growing the state of New Hampshire's government at the rate of inflation. By capping the rate of growth of inflation and making it much harder to raise and create new taxes, we will ensure that government always lives within its means and doesn't pass these problems on to its children.

I am pleased to offer this budget and these real savings to New Hampshire taxpayers. There will be obstacles in the road, let me say that from the start, but we will get by those obstacles. There will be naysayers on the sidelines who try to condemn this process. Be wary of those who criticize without solutions as to how to make change, as these are the people who will try to disrupt the process and condemn our children's future hopes and dreams. That isn't what New Hampshire was built on. Do not encourage them to ruin New Hampshire's future. If we do the job well, we can build on the saying that former governor Meldrim Thomson said and we can boast that New Hampshire is what America ought to be.

My prayers are with all of you. God bless you and God bless the great state of New Hampshire. Sen. Clegg and Rep. Hess moved that the Joint Convention arise.

Adopted.

HOUSE SESSION

(Speaker Chandler in the Chair)

The Speaker reconvened the House session

RESOLUTION

Rep. Hess offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 48 and 52 shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 48, exempting housing for older persons from certain age discrimination laws. (Commerce)

SB 52, relative to a voluntary certification program for police dogs and handlers. (Criminal Justice and Public Safety)

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 58, requiring the department of transportation to study and report on the advantages of constructing state-owned truck service centers, removed by Rep. Shultis.

HB 349, relative to establishment and enforcement of speed limits, removed by Rep. Vachon.

Consent Calendar adopted.

HB 159, relative to meetings of the directors of nondepository trust companies. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo W. Fraser, Jr. for Commerce: This proposed legislation simply reduces the required number of director meetings from nine to four for non-depository trust companies if they are rated by the New Hampshire Banking Department as either I (the highest) or II. If a non-depository trust company is rated III or lower, the NH Banking Department has absolute authority to require any number of additional meetings as justice may require until such time that they have attained a rating of I or II. Vote 16-0.

Amendment (0099h)

Amend the bill by replacing section 1 with the following:

1 Meetings; Records; Highly Rated Nondepository Trust Company Directors. Amend RSA 384:7 to read as follows:

384:7 Meetings; Records. The trustees or directors shall meet on a regular basis as often as necessary but not less than 9 times per year[~~;~~ and], *except that the directors of a nondepository trust company that has a composite rating of at least 2 as a result of the most recent examination by the bank commissioner, shall meet on a regular basis as often as necessary but not less than 4 times per year.* At such meetings the work for the preceding period of the investment committee, and of all other committees appointed by the trustees or directors, shall be submitted to the board for examination. A record of the meeting shall be kept, showing the names of the trustees or directors present. A majority of the board of trustees or directors shall be a quorum for the transaction of business. The board of trustees or directors shall adopt a policy providing standards for determining the number of absences by a director or trustee from meetings of the board or the committees which shall result in a declaration of dereliction of duty by the board and its removal of the director or trustee from office.

AMENDED ANALYSIS

This bill requires directors of nondepository trust companies to meet a minimum of 4 times a year.

Nondepository trust companies engage solely in trust activities for their customers. They do not accept deposits, make loans, or engage in regular banking business.

HB 334, establishing an international trade commission to investigate and report on the effects of international trade agreements on New Hampshire self-governance. **INEXPEDIENT TO LEGISLATE**
Rep. Leo W. Fraser, Jr. for Commerce: Although the efforts of the sponsor are noble in setting up a commission to review prior treaties consummated by the United States Senate, or reviewing proposed treaties before they become a fact, the Commerce Committee was unanimous in agreeing that such a commission would not be effective. It is our opinion that contact with our congressional delegation would be a much more effective method of articulation of concerns rather than a commission, which would meet once a year. Vote 16-0.

HB 146-FN, relative to criminal penalties for child pornography offenses. **INEXPEDIENT TO LEGISLATE**

Rep. William V. Knowles for Criminal Justice and Public Safety: This legislation attempted to establish a one-year minimum mandatory sentence for child pornography. The current penalty for a first offense for child pornography is 3-1/2 to 7 years. Most judges use common sense in their sentencing applied to individual circumstances. This bill was the result of a judge's decision on a case where no jail time was assigned. The committee feels that judges should retain discretion in sentencing. Vote 19-0.

HB 155, relative to responses by law enforcement officers when traveling outside their jurisdictions. **INEXPEDIENT TO LEGISLATE**

Rep. Karl I. Gilbert for Criminal Justice and Public Safety: This bill would grant law enforcement officers traveling outside their jurisdiction the authority to take certain actions if he/she observes a crime or serious motor vehicle violation or life safety incident which may cause serious injury or death. Rep. Tholl extended the courtesy of introducing the bill; however, no one testified in support of same. The sub-committee felt that there was sufficient current law in effect to grant law enforcement officers the necessary authority to take such action. Vote 19-0.

HB 179, establishing a committee to study enhancement of laws relating to vehicle pursuits. **OUGHT TO PASS**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill establishes a committee to study enhancement of laws relating to vehicle pursuits. In particular, there was considerable testimony pertaining to problems that arise in interstate pursuits. Because this is a major concern for border communities, the Criminal Justice Committee unanimously supported the concept of the proposed legislation. It was envisioned that the committee established from this proposal would be able to look at interstate compacts and other matters that directly impact our border towns and cities. Vote 18-1.

HB 198, relative to the police powers of law enforcement officers called to respond to incidents in other jurisdictions. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill as amended allows a law enforcement agency to request assistance from another law enforcement agency in a "mass critical incident". While there is current legislation that permits contiguous communities to enter into extended authority agreements, there is no procedure to account for widespread disasters where assistance is required from towns at some distance from the event. This legislation gives authority to the responding agency to make arrests and have full police power for the duration of the event. What this bill does not do is create any obligation on an agency to respond. Such response is, and should be, left to the responding agency. The amendment defines "mass critical incident" for the purpose of this bill. Vote 20-0.

Amendment (0203h)

Amend RSA 106-I:1 as inserted by section 1 of the bill by replacing it with the following:

106-I:1 Notwithstanding any law to the contrary, a law enforcement officer who responds to a mass critical incident in another jurisdiction, in response to a request by the highest ranking on-duty police officer of the requesting jurisdiction, shall have authority to make arrests and shall have full police powers for the duration of the incident, unless terminated by the law enforcement authority in the requesting jurisdiction. The request for assistance must be received directly from the highest ranking officer or indirectly through a law enforcement dispatch center. For purposes of this section, a mass critical incident includes such events as a natural disaster, riot, hazardous material incident, an act of terrorism, or widespread personal injury or loss of life.

AMENDED ANALYSIS

This bill grants the authority to make arrests and full police powers to any law enforcement officer who is requested by certain authorities to respond to a mass critical incident in a jurisdiction other than the jurisdiction which employs such law enforcement officer.

HB 206, relative to filing of complaints for violation-level offenses. OUGHT TO PASS WITH AMENDMENT

Rep. John E. Tholl for Criminal Justice and Public Safety: This bill allows the electronic filing of complaints without the requirement for it being filed under oath. It provides that a statement shall be provided stating that making false statements may result in criminal prosecution. It further amends RSA 641:3 to include electronic statements in the law. This will allow police officers to utilize the computers and available data transfer systems to file complaints with the Department of Safety and the courts. When the officer appears in court, he testifies under oath. Vote 20-0.

Amendment (0156h)

Amend the bill by replacing all after the enacting clause with the following:

1 Jurisdiction and Procedure; Complaints; Filings for Violation-Level Offenses. Amend RSA 592-A:7 to read as follows:

592-A:7 Complaints. Criminal proceedings before a district ~~or municipal~~ court shall be begun by complaint, signed and under oath, addressed to such court, briefly setting forth, by name or description, the party accused and the offense ~~[with which he is]~~ charged, *provided that a complaint filed by a police officer, as defined in RSA 188-F:23, I, for a violation-level offense shall not require a signature or an oath. Any complaint filed electronically shall provide notice that making false statements on the complaint may result in criminal prosecution.*

2 Unsworn Falsification. Amend RSA 641:3 to read as follows:

641:3 Unsworn Falsification. A person is guilty of a misdemeanor if:

I. He *or she* makes a written false statement which he *or she* does not believe to be true, on or pursuant to a form bearing a notification authorized by law to the effect that false statements made therein are punishable; or

II. With a purpose to deceive a public servant in the performance of his *or her* official function, he *or she*:

(a) Makes any written *or electronic* false statement which he *or she* does not believe to be true; or

(b) Knowingly creates a false impression in a written application for any pecuniary or other benefit by omitting information necessary to prevent statements therein from being misleading; or

(c) Submits or invites reliance on any writing which he *or she* knows to be lacking in authenticity; or

(d) Submits or invites reliance on any sample, specimen, map, boundary mark, or other object which he *or she* knows to be false.

III. No person shall be guilty under this section if he *or she* retracts the falsification before it becomes manifest that the falsification was or would be exposed.

3 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill allows for the electronic filing of complaints for violation-level offenses without a police officer's signature or oath. The bill clarifies that the misdemeanor penalty for unsworn falsification applies to false electronic complaints.

HB 212, defining "terror" and "act of terrorism" for the purposes of criminal threatening. OUGHT TO PASS WITH AMENDMENT

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: As stated in the analysis, this bill defines "terror" and "act of terrorism" as it applies to criminal threatening. During the hearings, the only opposition pertained to an irrelevant section of the original bill and that section was removed by the committee. Vote 19-0.

Amendment (0079h)

Amend the title of the bill by replacing it with the following:

AN ACT defining "terrorize" for the purpose of criminal threatening.

Amend RSA 631:4, III as inserted by section 1 of the bill by replacing it with the following:

III.(a) As used in this section, "property" has the same meaning as in RSA 637:2, I; "property of another" has the same meaning as in RSA 637:2, IV.

(b) *As used in this section, "terrorize" means to cause alarm, fright, or dread in a reasonable person; the state of mind induced by the apprehension of hurt from some hostile or threatening event or manifestation, or the fear caused by the appearance of danger.*

AMENDED ANALYSIS

This bill defines "terrorize" for the purpose of criminal threatening.

HB 223, relative to the temporary removal of inmates. **OUGHT TO PASS**

Rep. John E. Tholl for Criminal Justice and Public Safety: This bill simply removes the requirement that the superior court be notified whenever an inmate is transferred for medical purposes for a period in excess of 24 hours unless the prisoner is not in custody of correctional officers. It further removes the requirement to obtain a superior court order for the inmate to be removed to attend court. Vote 20-0.

HB 278-FN, relative to certain acts of sexual assault. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen H. Nedeau for Criminal Justice and Public Safety: This bill provides for a class A misdemeanor sexual assault when the actor engages in sexual penetration with a person other than his legal spouse who is 13 years of age or older and under 16 years of age when the age difference is 4 years or less. The committee felt that they should remove the section on coercion, force or intimidation, because of date-rape drugs, or other drugs that would have or could have affected the person's state of mind. Vote 19-1.

Amendment (0165h)

Amend RSA 632-A:4, I(b) as inserted by section 1 of the bill by replacing it with the following:

(b) In the absence of any of the circumstances set forth in RSA 632-A:2, when the actor engages in sexual penetration with a person, other than the actor's legal spouse, who is 13 years of age or older and under 16 years of age where the age difference between the actor and the other person is 4 years or less.

AMENDED ANALYSIS

This bill provides that an actor is guilty of class A misdemeanor sexual assault when, absent any act that would constitute aggravated felonious sexual assault, such actor engages in sexual penetration with a person other than a legal spouse who is 13 years of age or older and under 16 years of age where the age difference between the actor and the victim is 4 years or less.

HB 522-FN, relative to penalties for child pornography. **INEXPEDIENT TO LEGISLATE**

Rep. William V. Knowles for Criminal Justice and Public Safety: This legislation is identical to HB 146-FN which was recommended inexpedient to legislate. Vote 19-0.

HB 99, relative to absentee ballot requests. **OUGHT TO PASS WITH AMENDMENT**

Rep. Natalie S. Flanagan for Election Law: This bill, as amended, offers the voters the opportunity to request an absentee ballot by facsimile. It is just one more step in making the process of voting easier for our citizens. Vote 15-2.

Amendment (0032h)

Amend the bill by replacing sections 1 and 2 with the following:

1 Procedure for Absence, Religious Observance, and Disability and Overseas Voting; Provisions for General Election; Facsimile Application. Amend RSA 657:12 to read as follows:

657:12 Provisions for General Election. Upon receipt of a properly executed application for an official absentee ballot, whether the form supplied by the secretary of state, the federal post card application form, or a written statement containing the information required by the appropriate paragraph of RSA 657:4, a town or city clerk shall forthwith ascertain if the applicant is on the checklist of the town or city. If the applicant is on the checklist, the clerk shall send the materials provided for in RSA 657:15; if not, [he] *the clerk* shall refuse to certify as provided in RSA 657:16. *An application may be transmitted by facsimile to a town or city clerk.*

2 Procedure for Absence, Religious Observance, and Disability and Overseas Voting; Provisions for State or Presidential Primary Elections; Facsimile Application. Amend RSA 657:13 to read as follows:

657:13 Provisions for State or Presidential Primary Elections. Upon receipt of a properly executed application for an official absentee ballot, whether the form supplied by the secretary of state or a written statement containing the information required by the appropriate paragraph of RSA 657:4, a town or city clerk shall forthwith ascertain if the person is on the checklist of the town or city and is properly registered as to party designation. If such person is found to be on the checklist and to be properly registered or if such person is found to be on the checklist but is not registered as a member of any party, but the information supplied states he *or she* is applying for a ballot of a political party, [he] *the person* shall be registered as a member of said party; and, in either case, the clerk shall send the materials provided for in RSA 657:15. If the person is not on the checklist or is registered as a member of a party different from the one whose ballot he *or she* is applying for, the clerk shall refuse to certify as provided in RSA 657:16. *An application may be transmitted by facsimile to a town or city clerk.*

AMENDED ANALYSIS

This bill clarifies that an application for an absentee ballot may be transmitted by facsimile to a town or city clerk.

HB 246, relative to availability of absentee voting applicant lists. **OUGHT TO PASS WITH AMENDMENT**

Rep. Mark S. Derby for Election Law: This legislation would require that signatures of candidates or requests for absentee voter lists be acknowledged before a notary public or justice of the peace. The committee felt that this legislation would provide local employees with an increased comfort level as to the persons to whom they provide absentee voter lists. This legislation would also limit the potential for misuse of these lists for illegal purposes including but not limited to victimizing voters who will be out of town. Vote 16-1.

Amendment (0072h)

Amend RSA 657:15 as inserted by section 1 of the bill by replacing it with the following:

657:15 Sending Absentee Ballots. When the verification required by RSA 657:12 or 657:13 has been made, the clerk shall retain the application and, without delay, personally deliver or mail to the applicant the appropriate ballot and materials as described in RSA 657:7 through 657:9 or designate an assistant to deliver such materials to the applicant. The clerk may not designate as an assistant any person who is a candidate for nomination or office or who is working for such a candidate. Any ballots sent pursuant to the provisions of this section shall be mailed or delivered only by officials from the city or town clerk's office and delivered only to the applicant. If the address to which the absent voter's ballot is sent is outside the United States or Canada, such papers shall be sent by air mail. Said clerks shall keep lists of the names and addresses, arranged by voting places, of all applicants to whom official absent voting ballots have been sent, and shall identify those official absent voting ballots which have been returned to the clerk. Candidates whose names appear on the ballot *and persons bearing notarized requests or copies of notarized requests from candidates whose names appear on the ballot* may obtain copies of such lists; the lists shall not be available for public inspection at any time without a court order.

AMENDED ANALYSIS

This bill permits persons bearing notarized requests or copies of notarized requests from candidates whose names appear on the ballot to obtain copies of absentee voter lists.

HB 247, relative to processing absentee ballots. **INEXPEDIENT TO LEGISLATE**

Rep. Harriet E. Cady for Election Law: The Election Law Committee has changed the time of processing absentee ballots three times. The committee believes a uniform time to open absentee ballots throughout the state is essential for those who want to be present for the processing of absentee ballots. Also it was noted that some towns do not open their polls until 11:00 a.m. and find a line of voters at the same time as necessary processing would take place. Vote 16-1.

HB 148-FN, requiring the notification of renewal prior to expiration to holders of professional licenses issued by state agencies. **INEXPEDIENT TO LEGISLATE**

Rep. Paul G. LaFlamme for Executive Departments and Administration: It was felt that the decision to send renewal notices should be up to the individual boards. From a policy standpoint, this should be a matter of personal responsibility of the license holder to act appropriately in renewing his/her own license. Vote 16-1.

HB 376, establishing a committee to study the feasibility of performing eye examinations or eye screenings on children prior to enrollment in a public elementary school, public preschool program, or Head Start program. **INEXPEDIENT TO LEGISLATE**

Rep. James P. Pilliod for Health, Human Services and Elderly Affairs: The concerns raised in the testimony regarding detection of visual and eye function and problems are very important, and apparently are being met by current extensive and frequent evaluations by medical personnel prior to and during school years. No legislative study was felt to be necessary at this time. Vote 16-0.

HB 393, extending the reporting dates for certain study committees. **OUGHT TO PASS**

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: This bill simply extends the final reporting date on two different health studies. The first part extends the education of deaf and hard of hearing study committee. They have been meeting on a constant basis but their work requires more time and this bill allows that. The second is a commission that is currently studying the relationship of health and the environment. Again this extension allows for the work to be completed. Vote 14-0.

HB 457, establishing a committee to study the transportation needs of certain of the state's citizens. **INEXPEDIENT TO LEGISLATE**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: The committee felt this bill had merit and was sympathetic to its goals. However, the committee felt that public transportation concerns could be better addressed at the county level. Regional planning commissions historically, have taken an interest in public transportation issues including services for the disadvantaged. Public transportation services and needs vary significantly in different areas of the state and require unique solutions. The committee learned that there are efforts on the county level to coordinate services. In addition, it was felt that the various jurisdictions in the state could utilize the expertise available in the Department of Transportation. Vote 16-1.

HB 167, relative to complaints against judges. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert H. Rowe for Judiciary: This bill amends RSA 494-A by requiring that all complaints against a judge, marital master, or clerk of court who have allegedly breached the Judicial Code of Ethics be directed to the independent Judicial Conduct Commission rather than to the court established Judicial Conduct Committee. Last term, the legislature placed into law a citizen majority Judicial Conduct Commission to receive, investigate and rule on complaints involving members of the judiciary who had breached the Code of Ethics. At the time that this bill passed, the legislature requested that the court dissolve its committee. The court did not dissolve its committee. There are two bodies hearing complaints. The Judiciary Committee believes that it is more economical for all complaints to be heard by one body. Further, by the independent commission hearing all complaints, the court will be released of the public perception that it is the judges hearing complaints against judges. Monies now spent by the Judicial Conduct Committee (in the court budget) should be diverted legislatively to the Judicial Conduct Commission to adequately deal with the anticipated increased workload. Vote 16-1.

Amendment (0194h)

Amend RSA 494-A:1 as inserted by section 1 of the bill by replacing it with the following:

494-A:1 Judicial Conduct Commission Established. A judicial conduct commission is hereby established which shall be completely independent of the New Hampshire court system and other branches of government. *All complaints made against judges, as defined in RSA 494-A:2, IV, and clerks, as defined in RSA 494-A:2, I, shall be directed to the commission.* The commission shall be administered by an executive director, appointed under RSA 494-A:3.

AMENDED ANALYSIS

This bill clarifies the jurisdiction of the judicial conduct commission.
Referred to Finance.

HB 244, relative to landowner liability for snowmobile accidents. OUGHT TO PASS WITH AMENDMENT

Rep. Bette R. Lasky for Judiciary: This bill was originally written as a law to release a landowner allowing access for snowmobiles from liability. At the same time of the hearing, the sponsors introduced an amendment changing the bill to a study committee to explore the liability issues in a broader context. Vote 18-1.

Amendment (0132h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study landowner liability for owners providing public access to snowmobile trails.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study landowner liability for owners providing public access to snowmobile trails.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Four members of the house of representatives, appointed by the speaker of the house.

(b) Four members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study landowner liability for owners providing public access to snowmobile trails. The committee shall seek input, advice, and recommendations from:

I. Representatives from the insurance industry.

II. The New Hampshire Snowmobile Association.

III. The Society for the Protection of New Hampshire Forests.

IV. Landowners providing access to trails for snowmobile use.

V. The office of the attorney general.

VI. The department of resources and economic development, division of parks and recreation, bureau of trails.

VII. Attorneys familiar with landowner liability/ immunity/ insurance issues.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Five members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2003.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a study committee on landowner liability for owners providing public access to snowmobile trails

HB 249, limiting the liability of manufacturers, distributors, dealers, or importers of firearms or ammunition for damages resulting from the misuse of their products by others. INEXPEDIENT TO LEGISLATE

Rep. James E. Wheeler for Judiciary: Because the content of this bill has been combined by the sponsor into another one of his bills, he requested that this bill be voted inexpedient to legislate and the proposal be considered in his other bill. Vote 16-0.

HB 294, relative to notification of abutting communities of ridge-line or above developments. INEXPEDIENT TO LEGISLATE

Rep. Nancy K. Johnson for Municipal and County Government: Currently under RSA 36:55, a Planning Board has guidance and a definition of what development may have "regional impact." Examples of some possible regional impacts are number of dwelling units, proximity to neighboring community, transportation networks, anticipated emissions, proximity to aquifers or surface waters and shared municipal facilities. This bill would add "buildings which will rise above a ridge line 500 or more feet of any adjacent valley" to the examples of possible regional impact. If a

Planning Board determines that there is an impact, the possible affected communities are notified of the development. Testimony was received that this bill would affect all communities within eyesight of the proposed development since no distance or mileage limit was proposed. The implementation of this bill would severely limit the ability for a person to develop the land based on where the ridge line happened to be, may constitute a "taking" of land, and may decrease economic and residential development at the very time we need to encourage growth in New Hampshire. Vote 20-0.

HB 253, relative to the design build concept for certain projects. OUGHT TO PASS WITH AMENDMENT

Rep. John A. Graham for Public Works and Highways: This bill resulted from the recommendations of a study committee established by the previous legislature. The bill will enable the Department of Transportation to utilize the design-build concept for certain projects. The amendment limits the dollar amount of transportation improvement projects completed under this concept to \$1,000,000. Vote 19-0.

Amendment (0186h)

Amend RSA 228:4, I(g) as inserted by section 2 of the bill by replacing it with the following:

(g) Statewide transportation improvement program projects with a cost not to exceed \$1,000,000 and which are related to transportation enhancement, congestion mitigation and air quality, or intelligent transportation systems, may be developed and constructed utilizing the design build concept based on a request for proposal, provided that selection is based on an objective standard and measurable criteria for evaluation of the proposals.

AMENDED ANALYSIS

This bill allows the department of transportation to use the design build concept for certain projects provided that selection is based on an objective standard and measurable criteria for evaluation. Design build projects for the statewide transportation improvement program are limited to projects which do not exceed \$1,000,000.

This bill was requested by the department of transportation.

HB 272-FN, relative to a pilot study by the department of transportation restricting large truck traffic during hours of darkness on certain roads in Portsmouth. INEXPEDIENT TO LEGISLATE

Rep. Mark E. McConkey for Public Works and Highways: The committee sympathizes with the disruptive nature of tractor trailer activity on Ocean Road. The committee acknowledges the good work contained in the "Ocean Road Truck Routing Study" commissioned by the Rockingham Planning Commission. The consensus of the committee is that an additional study will conclude that less truck traffic is more desirable and therefore unnecessary. This problem is not unique to Ocean Road. Many communities would like to limit such traffic off state roads and away from their neighborhoods. In the past, towns have accepted state roads and then placed appropriate restrictions on those roads. This may be a remedy worth considering. Vote 15-3.

HB 419, establishing a committee to study issues related to the management of railroads operating with leases on state property. OUGHT TO PASS WITH AMENDMENT

Rep. James E. Holland for Public Works and Highways: The original bill emphasized the need to look at and review policy regarding leasing railroad property owned by the state and other issues. The amendment changed the number of members on the committee. The committee heard compelling testimony from representatives of surrounding towns and the lessee in another railroad location in the state of New Hampshire, and is convinced that the local towns feel helpless in voicing their opinions and/or input. Vote 19-0.

Amendment (0197h)

Amend the bill by replacing paragraph I of section 2 with the following:

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, at least one of whom shall be a member of the public works committee and at least one of whom shall be a member of the ways and means committee, appointed by the speaker of the house.

(b) Three members of the senate, appointed by the president of the senate.

Amend the bill by replacing section 5 with the following:

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2003.

HB 517-L, relative to Keene Road and Main Street in the town of Hillsborough. **OUGHT TO PASS**
Rep. Leon S. Kenison for Public Works and Highways: This bill memorializes the agreement previously reached between the town of Hillsborough and the New Hampshire Department of Transportation, transferring two segments of NH Route 9 to town road status upon completion of the Hillsborough bypass (2002). It is expected both segments will primarily serve local traffic, thus appropriately will be added to the town highway system and be eligible for Block Grant Aid funding. Vote 16-0.

HJR 1, urging the department of transportation to provide sufficient time to resolve a dispute regarding certain portions of the Conway bypass project. **INEXPEDIENT TO LEGISLATE**
Rep. William E. Leber for Public Works and Highways: This Resolution urges the Department of Transportation to take no further action regarding parts of Phase 5A including but not limited to awarding construction and other contracts seeking modifications of any and all permits necessary to remove the widening and driveway limitation parts of Phase 5A from the Conway bypass project. The Conway bypass project has a long history of studies and hearings, dating back to the 1970s Route 16 studies, to improve the safe and efficient travel north from the Spaulding Turnpike through Conway to Berlin. The Conway bypass project was approved in 1993, and permits obtained after many compromises and adjustments. It appears no one got all they wanted in the final project. However, the project was approved by the Army Corps of Engineers, and all the environmental interests with the phase constructions and restrictions to require certain parts of the project to be constructed in the order approved before going on to the next phase. So it is with Phase 5A, the widening of a short section of Route 16 to improve 5/16th of a mile and four intersections that are considered failed in the south end of North Conway. The efforts and discussion to change the widening project has delayed the contract from September approval to January 2003, when the Governor and Council approved it. The contractor is now ready to gear up for an early spring construction. The Army Corps of Engineers has responded to the sponsors of this Resolution that their request to change the project was considered, and decided that the public interest would not be served by modifying the permit to allow the bypass to proceed before improvement to Route 16, known as 5A, are completed. It was the sense of the committee that although it understands the concerns of the sponsors and the citizens who testified, to delay or disrupt the total project would not be in the best interest and greater benefit to the region. The Conway bypass has been in planning for decades and should go forward without further delay. Vote 17-0.

HB 485, relative to the membership on the invasive species committee. **OUGHT TO PASS WITH AMENDMENT**

Rep. Henry A. L. Parkhurst for Resources, Recreation and Development: This bill increases the number of members on the Invasive Species Committee from 9 to 11 to include the director of UNH Cooperative Extension and one to represent livestock owners and feed growers. This was supported by the New Hampshire Farm Bureau Federation and the New Hampshire Plant Growers Association. The Commissioner of Agriculture had no objection. The invasive species committee comes under the direction of the Department of Agriculture. Vote 16-0.

Amendment (0212h)

Amend the bill by replacing section 1 with the following:

1 Invasive Species Committee. Amend RSA 430:54, I to read as follows:

I. The invasive species committee is hereby established to advise the commissioner on matters relating to invasive species in the state. It shall consist of the following [9] *II* members:

- (a) The state entomologist.
- (b) The commissioner of environmental services, or designee.
- (c) The commissioner of resources and economic development, or designee.
- (d) The commissioner of transportation, or designee.
- (e) The executive director of fish and game, or designee.
- (f) The dean of the college of life sciences and agriculture of the University of New Hampshire, or designee.

(g) *The director of the University of New Hampshire cooperative extension, or designee.*

~~[(g) Three]~~ (h) *Four* persons appointed by the governor with the advice and consent of the executive council who shall each serve for a term of 3 years. One shall represent horticultural interests, one shall represent environmental interests, *one shall represent livestock owners' and feed growers' interests*, and one shall represent the general public.

HB 502, establishing a committee to study options for reducing the impact of exhaust emissions from diesel engines in New Hampshire. **OUGHT TO PASS**

Rep. Roy D. Maxfield for Science, Technology and Energy: This bill establishes a committee to study New Hampshire's options for reducing exhaust emissions from diesel engines. The committee heard from the Department of Environmental Services and the trucking association. Air emissions from stationary sources have been dramatically reduced in the past several years. The committee agreed that a comprehensive review of remaining air pollution sources was an important step. Vote 14-0.

HB 132, relative to state scholarships for orphans of veterans. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter M. Sullivan for State-Federal Relations and Veterans Affairs: This bill expands eligibility for the veteran's orphan scholarship program to include veterans of the Persian Gulf War and other conflicts such as the invasion of Panama and Grenada. In addition, the bill makes technical changes to eligibility dates, bringing state law into agreement with federal law. Vote 13-0.

Amendment (0058h)

Amend RSA 193:19 as inserted by section 1 of the bill replacing it with the following:

193:19 Purpose of Appropriations. The sums appropriated under the provisions of this subdivision shall be used for the sole purpose of contributing to the payment of board, room rent, books and supplies, at college grade institutions, of children between the ages of 16 and 25 years, who are legal residents of the state at the time of application, whose fathers or mothers served in the armed services of the United States from April 6, 1917, to July 2, 1921; or from December 7, 1941, to December 31, 1946; or from June [25] 27, 1950, to [July 27, 1953] *January 31, 1955*; or from [~~the initiation of American involvement in the Southeast Asian conflict to the final date of American withdrawal from that area~~] *February 28, 1961 to May 7, 1975; or from August 2, 1990 through a final date of the Gulf War conflict to be prescribed by Presidential proclamation or law; or in any operation not otherwise covered by this section for which the Armed Forces Expeditionary Medal has been awarded to the veteran*, having since died from service connected disability so rated by the federal government and having been at time of death legal residents of the state.

AMENDED ANALYSIS

This bill corrects dates for the Korean conflict, establishes dates for the Southeast Asian conflict (Vietnam War), and makes the Persian Gulf conflict and certain service in other military operations eligible for purposes of the award by the postsecondary education commission of college scholarships to orphans of veterans.

HB 318, relative to trespassing on certain rail lines. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: The intent of this bill was to post no trespassing signs every 300 yards along the railroad tracks where the speed limit is 45 miles per hour or greater. This involved about 30 to 35 miles of track not including where tourist train rides are held. The state owns 193 miles of line and none are greater than 45 miles per hour. This bill would place heavy fines on any hunter, snowmobiles, all terrain vehicle users and any person just enjoying our natural resources, who might just cross the railroad tracks. Let us not punish our citizens by fining them up to \$1,000.00 for simply crossing a railroad track. The committee suggests that the signage be done on a voluntary system and the state of New Hampshire and Guilford agreed saying that some signs have been placed, stolen and replaced. Vote 14-0.

HB 435, relative to certificates of registration upon transfer of a vehicle. **OUGHT TO PASS**

Rep. Robert J. Letourneau for Transportation: This bill requires that the person whose name is on the registration certificate retain that registration upon transfer of the vehicle. Currently, law requires the return of the certificate to the Department of Safety. Vote 14-0.

HB 497, relative to inactive status licenses. OUGHT TO PASS

Rep. Robert J. Letourneau for Transportation: Currently, if your license is suspended or revoked for a medical or physical condition, you are not legally allowed to participate in a driver rehabilitation course. This bill would allow our citizens the ability to legally participate in these programs by establishing inactive license status. This bill would help facilitate a quicker return of a person's independence when they are deemed capable of having a drivers license again. Vote 13-1.

HB 498, relative to 20-day vehicle registrations. OUGHT TO PASS

Rep. Robert J. Letourneau for Transportation: Currently, if you buy a car from a private person you may get a 20-day registration plate. It allows you time to get a permanent registration. You are only allowed one 20-day registration in a 12-month period. If you sell that car within a one year period, our current law states that vehicle cannot be given a 20-day plate with the new owner. This bill repeals that one sentence so that the new owner, if they wish, may obtain a 20-day plate. Vote 14-0.

HB 530, prohibiting the sale of motor vehicles equipped with certain automatic door locks. INEXPEDIENT TO LEGISLATE

Rep. Brenda L. Ferland for Transportation: This bill would have prohibited the sale of a new vehicle equipped with automatic door locks. These cars are governed by federal standards. Cars are not and could not be built for New Hampshire only. Automatic locking doors are an option on some new vehicles. Automatic locking doors are easily unlocked by the touch of a button. Automatic door locks are a sense of security to most people who have them. Vote 14-0.

HB 169, establishing a committee to study the feasibility of imposing a luxury sales tax and an amusements tax. INEXPEDIENT TO LEGISLATE

Rep. Kurt J. Roessner for Ways and Means: The committee concluded that there was insufficient need to study the feasibility of imposing a luxury sales tax and an amusement tax. Public hearing speakers opposed to such a study included a representative from the Lakes Region Association, which represents 350 attraction-oriented businesses. The testimony was that many of its members are already collecting rooms and meals taxes, and that the additional burden of an amusement tax on their customers would place an extreme hardship on their businesses. The Retail Merchants Association of New Hampshire was also represented and stated that two-thirds of retail sales are in border communities and that many large ticket items are sold to out-of-state purchasers. The association believes that the adverse impacts of such a sales tax has already been thoroughly studied. No one, other than the sponsor, spoke in favor of the legislation. Vote 19-0.

COMMITTEE REPORTS**REGULAR CALENDAR****HB 260, relative to checklists used on election day. OUGHT TO PASS**

Rep. Andrew L. Dorsett for Election Law: This bill amends RSA 654:25, the statute related to the preparation of voter checklists, by allowing a municipality to omit a voter's mailing address and prepare a separate checklist for use at elections. The official checklist maintained by the supervisor's of the checklist of that municipality shall still include the voter's mailing address as well as the voter's place of residence. This amendment to the present law will allow a municipality to reduce the physical size of the checklist used at the polls. The majority of the committee believes that this would be helpful to cities and towns that have a large number of voters. Vote 9-6.
Adopted and ordered to third reading.

HB 305, relative to time allowed for voting. OUGHT TO PASS WITH AMENDMENT

Rep. Harriet E. Cady for Election Law: This bill, as amended, removes the time limit that a voter may occupy a voting booth. The original bill extended the present limit from ten (10) to twenty (20) minutes and from five (5) to ten (10) minutes if all the voting booths are occupied. The majority of the committee believes that no time limit should exist, but instead the time for occupying a voting booth should be left to the discretion of the moderator. Vote 12-5.

Amendment (0089h)

Amend the bill by replacing section 1 with the following:

1 Time Allowed for Voting. Amend RSA 659:25 to read as follows:

659:25 Time Allowed for Voting. The voter shall mark and deliver [his] *the* ballot without undue delay and shall leave the enclosed space within the guardrail as soon as he *or she* has delivered

[his] *the* ballot to the moderator. No voter shall be allowed to occupy a voting booth already occupied by another voter nor be allowed to remain within the enclosed space more than [~~10 minutes~~ nor, if other voters are waiting to mark their ballots and all of the voting booths are occupied, be allowed to occupy a voting booth for more than 5 minutes] *the time determined by the moderator.*

AMENDED ANALYSIS

This bill allows the moderator to determine the amount of time a voter is allowed to remain within the enclosed space.

Adopted.

Rep. Buckley spoke against.

Rep. Dickinson spoke in favor and yielded to questions.

On a division vote, 235 members having voted in the affirmative and 122 in the negative, the report was adopted.

Ordered to third reading.

HB 312, relative to designating county delegates on state election ballots. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY OUGHT TO PASS.

Rep. Richard B. Drisko for the Majority of Election Law: The intent of this bill was to make the voters aware of the additional county responsibilities of the position of state representative by adding the "county delegate" title to the ballot. The committee felt that testimony showed that confusion would arise in the minds of the voters with this duplicate listing. Vote 12-4.

Rep. James R. Splaine for the Minority of Election Law: It is of value to the voters and the electoral process that the ballot clearly identify the offices for which candidates are running. It is also useful for the legislative process on the state and county levels for candidates and voters to know and understand the authority and obligations of the offices sought. This legislation is a win-win for all.

Rep. Splaine spoke against.

Rep. Stritch spoke in favor.

Rep. Weed spoke against and yielded to questions.

Rep. Drisko spoke in favor and yielded to questions.

Majority report adopted.

HB 836, certifying that John Coughlin was elected as county attorney for Hillsborough County at the 2002 general election. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. William J. Infantine for the Majority of Election Law: The majority of the committee is of the strong opinion that the power delegated to the General Court by Part 2, Article 71 allows the General Court to determine the manner in which elections for county officers are rectified. The General Court did so when it enacted RSA 665 which specifies which candidates may appeal to the New Hampshire Supreme Court from a ruling of the Ballot Law Commission. Candidates for county offices are not included in the law. The majority believes that this legislation is essential to carry out the General Court's obligations under Part 2 Article 71 to ensure that the right of the voters are carried out. The defeated candidate exercised his statutory rights to a recount and a full and fair Ballot Law Commission hearing. That process is now complete. The defeated candidate has exhausted his remedies, having received due process under the applicable constitutional provision and the laws of the State of New Hampshire. Vote 15-5.

Rep. Jane A. Clemons for the Minority of Election Law: The minority believes that the best interest of the people of New Hampshire is not served by HB 836. Passage of this bill creates an unavoidable constitutional crisis. The 2002 election for Hillsborough County Attorney is properly and appropriately before the State Supreme Court in accordance with laws passed by this legislature in 1979. Passage of this bill would destroy the right of a candidate to complete an appeal process this legislature established in law. Professor Marcus Hern of Franklin Pierce Law Center has noted the legislature "has the right to establish the rules of election in advance, but it cannot change the results of an election by a statute once an election has occurred". We are bound to preserve the balance of power among the branches of government. This legislature created the right of appeal to the Supreme Court. One of our fellow citizens is now exercising his right under that law. We should never interfere with his employment of the right guaranteed to him pursuant to RSA 665:6. In conclusion, the minority believes that the Supreme Court would never have accepted this if they did not have the appropriate constitutional authority and jurisdiction. We doubt that the author of the New Hampshire Constitution intended to discriminate against all candidates for county office by denying them due process and a proper process appeal.

LAID ON THE TABLE

Rep. Stritch moved that **HB 836**, certifying that John Coughlin was elected as county attorney for Hillsborough County at the 2002 general election, be laid on the table.

Adopted.

Rep. Coughlin declared a conflict of interest and did not participate.

REGULAR CALENDAR (CONT'D.)

HB 90-FN, relative to the costs incurred by the retirement system in evaluating proposed legislation. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice E. Goulet for Executive Departments and Administration: Although well intended, and recommended by the retirement sub-committee, there was considerable discussion during the executive session. During the public hearing all persons who testified were opposed to the bill. One major stumbling block to this bill was the fact that determining the costs was not defined. Steps taken to determine costs in this type of legislation should have been spelled out more clearly. Vote 15-3.

Adopted.

HB 241, establishing a committee to study the creation of a separate board to regulate barbers.

INEXPEDIENT TO LEGISLATE

Rep. Paul G. LaFlamme for Executive Departments and Administration: It was the feeling of the subcommittee that although we appreciate the concerns addressed by this bill, we feel that other options have not been exhausted. Further, we feel another consequence of the bill could be a reduction in current licensing standards for barbers, which the committee can not support. Vote 15-2.

Adopted.

HB 375, establishing a committee to study the prescription and use of psychotropic drugs, including Ritalin, in preschools, primary grades, and childcare centers. **INEXPEDIENT TO LEGISLATE**

Rep. Phyllis M. Katsakiores for Health, Human Services and Elderly Affairs: This committee has previously considered the subject of psychotropic drugs including Ritalin and considers it an important subject. However, the committee felt that fundamentally, how and why psychotropic medications are prescribed is a private, professional decision by a physician with the informed consent of the patient or his family. If more study is needed, it should be conducted by trained researchers who have expertise in psychopharmacology. One obvious place to conduct this research would be a medical school or similar facility. Further, the committee recognized that if psychotropic drugs are being inappropriately prescribed, those practitioners should be reported to the appropriate professional licensing boards for corrective action. Vote 15-2.

Adopted.

HB 463, adding certain health care providers to certain statutes. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Peter L. Batula for the Majority of Health, Human Services and Elderly Affairs: Each year the Health Committee receives bills requesting the legislature to expand the authority to various member groups in the medical field. House Bill 463 would extend the authority of physician assistants and licensed advance registered nurses, regarding the statutes on walking disability plates/placards, resuscitation orders and death records. Current law restricts these actions to physicians. The majority of the Health Committee has a strong belief that there exist a medical licensing board who has decided that the authority given to the physicians is based on their education and should not be expanded to other medical personnel via the legislature. The Health Committee has great respect for the licensed physician assistants and the registered nurses who are a vital role in the medical care profession, but we did not feel that we in the legislature should be determining the qualifications and should leave that accountability to those state boards qualified to make those important medical decisions. Vote 12-5.

Rep. Barbara C. French for the Minority of Health, Human Services and Elderly Affairs: Advanced registered nurse practitioners currently enjoy plenary authority to assess, diagnose and prescribe. They often serve as the primary care provider for their patients. This bill would update three statutes to permit ARNP's to authorize handicapped plates and placards, certify death certificates and sign a patient requested written do-not resuscitate order. ARNP's currently have the education, competency, and scope of practice to perform the necessary assessments. Presently

these orders are often co-signed by a physician who has no independent knowledge of the patient. ARNP's serve a vital role in health care delivery in New Hampshire. Our laws need more accurately reflect actual current practice.

Majority report adopted.

HB 78, relative to a landowner's liability for personal injury or property damage on sidewalks. INEXPEDIENT TO LEGISLATE

Rep. Bette R. Lasky for Judiciary: The committee was told that this bill was introduced in response to builders/developers who were reluctant to install sidewalks in developments because of liability issues. There was no other testimony addressing that point. Therefore, not only did the committee feel we should not legislate as a result of one circumstance, the committee felt the broader issue of limiting liability to all landowners with sidewalks on their property could jeopardize people's duty to maintain those sidewalks and create a worse situation. In addition, the committee felt the building of sidewalks is an issue that should be dealt with on the local level. Vote 16-4.

Adopted.

HB 129-FN, relative to registration fees for lobbying and lobbyists and requiring registration of employers of lobbyists. INEXPEDIENT TO LEGISLATE

Rep. Robert J. Letourneau for Legislative Administration: This bill would change the registration fee for lobbyists who request solely to represent a non-profit entity. This bill would also add fees for the employers of a lobbyist. The committee researched the non-profit issue and found that many lobbyists represent "non-profits" and it is difficult at best to determine non-profit status between different employees. Each lobbyist is required to reveal who they are working for. While the fees have not increased recently, the majority of the committee did not feel this was a revenue bill, in fact an increase in fees would not be significant. With due respect to the sponsor we found this legislation ITL. Vote 12-2.

Adopted.

HB 519-FN-A, relative to the conservation number plate trust fund. OUGHT TO PASS WITH AMENDMENT

Rep. D. L. Chris Christensen for Resources, Recreation and Development: This bill refines RSA 261:97 to allow the New Hampshire Department of Transportation to plant lilacs (which is not a native plant) with part of the funds allocated to native wildflowers plantings. It was noted that much of the area where DOT plants is not suitable for native wildflowers. The bill allocates \$1.00 per "moose" registration, to a maximum of \$50,000 for the department or resources and economic development to promote conservation license plates. The agencies that receive the funds all agreed that this would be a benefit to the program. Finally, it removes the administrative cost cap on the funds received by the state conservation commission. These latter two steps would allow leveling and some predictability of funding from year to year, as well as aiding in the continued growth in sale of the plates. The fiscal note indicates that there is less than a \$10,000 impact per year through 2007. The amendment clarifies that the \$1 allocated to DRED applies to renewals as well as to new plates issued. Vote 17-0.

Amendment (0196h)

Amend RSA 261:97-b, I as inserted by section 1 of the bill by replacing it with the following:

I. There is hereby established a conservation number plate trust fund under the administration of the state treasurer. The fund shall be used for the promotion, protection, and investment in the state's natural, cultural, and historic resources. The fund shall be nonlapsing. The state treasurer shall distribute the funds annually on July 1, except as provided in paragraph 1- a, as follows: \$5,000 of every \$100,000 received, up to a total of \$50,000, shall be distributed to the department of transportation for the expanded wild flower establishment program for use in planting *lilacs and native wild flowers*; *\$1 for every new, renewal, and transfer of registration, up to a total of \$50,000, shall be placed in a nonlapsing account for use by the department of resources and economic development to promote the conservation number plate program*; the remainder shall be distributed equally among the department of cultural resources, the department of fish and game, the department of resources and economic development, the state conservation committee, and the New Hampshire land and community heritage investment authority.

AMENDED ANALYSIS

This bill:

I. Permits funds distributed from the conservation number plate trust fund to the department of transportation for the expanded wild flower establishment program to be used for planting lilacs.

II. Distributes from the conservation number plate trust fund \$1 for every conservation number plate registration, up to a total of \$50,000, to a nonlapsing account for use by the department of resources and economic development to promote the conservation number plate program.

III. Eliminates the grant administration cost cap on transfers from the conservation number plate trust fund to the state conservation committee.

Adopted.

Referred to Finance.

HCR 16, urging increased diplomacy to achieve a just, peaceful, and rapid resolution of the conflict between India and Pakistan relative to the state of Jammu and Kashmir. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Russell A. Albert for the Majority of State-Federal Relations and Veterans Affairs: The Kashmir Conflict has been a threat to the stability of Southeast Asia for 56 years. It is now a potential "flashpoint" for nuclear war, which was imminent in November 2002, and conditions are again escalating between India and Pakistan. This bi-partisan resolution asks (1) That the US House and Senate to open hearings into the issues attendant to the Kashmir Conflict; and, (2) that all parties to the conflict to abide by the UN Charter on Human Rights. Vote 12-3.

Rep. Peter M. Sullivan for the Minority of State-Federal Relations and Veterans Affairs: The minority is concerned that only one side of this tragic dispute was brought before the committee. Serious questions regarding the involvement of international terrorist organizations, including Al-Qaeda, in the Kashmir Conflict remain unaddressed. While sympathetic to the sponsor's concerns about human rights abuses, the minority believes it is inappropriate to side with one party to this conflict at this time.

Majority report adopted.

BILLS REMOVED FROM CONSENT CALENDAR

HB 58, requiring the department of transportation to study and report on the advantages of constructing state-owned truck service centers. **INEXPEDIENT TO LEGISLATE**

Rep. John A. Graham for Public Works and Highways: This bill would have required the Department of Transportation to study the availability of state-owned land along interstate highways, and the financial issues related to leasing state-owned service centers. It would also have, by inference, required a policy decision on whether or not the state should own service centers along our highways. Additionally, the bill would have required a study of any air pollution issues related to diesel engine exhaust. The majority of the committee felt that this study would not, even if the DOT and Department of Environmental Services could accomplish all the tasks set out in it, provide new information that would be useful to policy makers. Vote 11-7.

Rep. Shultis spoke against.

Rep. Kenison spoke in favor.

Adopted.

HB 349, relative to establishment and enforcement of speed limits. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: This bill would establish a policy against the use of speed traps and the setting of speed limits by municipalities. The term "speed trap" sounds as though law enforcement is doing something unlawful. This bill would take away the measure of enforcement, unmarked police cars and aircraft enforcement. There are "professional speeders" and they use radar to keep ahead of law enforcement, thus, the use of aircraft. Enforcement by air resulted in 800 speeding tickets being issued with 221 of them being speeds greater than 80 miles per hour. For this reason the Department of Safety opposed the bill. Another concern of the prime sponsor was speed limits on roads where there are multiple speeds set by municipalities without the state standard of an engineered traffic investigation. The Municipal Association opposed the bill because in effect it would force towns to spend money they do not have for traffic studies to change a speed limit in an area that they deem to be a reasonable and prudent speed for the conditions of the roads. Thus, the committee will continue to support law enforcement and the municipalities to do what they deem to be necessary to ensure the safety of our driving public. Vote 14-0.

Rep. Vachon spoke against.
Rep. Packard spoke in favor.
Adopted.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 20, 2003 at 10:00 a.m.
Adopted.

LATE SESSION

Third reading and final passage

HB 159, relative to meetings of the directors of nondepository trust companies.
HB 179, establishing a committee to study enhancement of laws relating to vehicle pursuits.
HB 198, relative to the police powers of law enforcement officers called to respond to incidents in other jurisdictions.
HB 206, relative to filing of complaints for violation-level offenses.
HB 212, defining "terrorize" for the purpose of criminal threatening.
HB 223, relative to the temporary removal of inmates.
HB 278-FN, relative to certain acts of sexual assault.
HB 99, relative to absentee ballot requests.
HB 246, relative to availability of absentee voting applicant lists.
HB 393, extending the reporting dates for certain study committees.
HB 244, establishing a committee to study landowner liability for owners providing public access to snowmobile trails.
HB 253, relative to the design build concept for certain projects.
HB 419, establishing a committee to study issues related to the management of railroads operating with leases on state property.
HB 517-L, relative to Keene Road and Main Street in the town of Hillsborough.
HB 485, relative to the membership on the invasive species committee.
HB 502, establishing a committee to study options for reducing the impact of exhaust emissions from diesel engines in New Hampshire.
HB 132, relative to state scholarships for orphans of veterans.
HB 435, relative to certificates of registration upon transfer of a vehicle.
HB 497, relative to inactive status licenses.
HB 498, relative to 20-day vehicle registrations.
HB 260, relative to checklists used on election day.
HB 305, relative to time allowed for voting.
HCR 16, urging increased diplomacy to achieve a just, peaceful, and rapid resolution of the conflict between India and Pakistan relative to the state of Jammu and Kashmir.

UNANIMOUS CONSENT

Rep. Robert J. LaFlam addressed the House.

REMARKS

Without objection, the Speaker ordered the remarks of Rep. Robert J. Laflam be entered into the Permanent Journal.

Rep. Laflam: Thank you, Mr. Speaker. This past weekend, while attending a reunion with some old Army buddies I knew in the 50's in Germany, I turned on the television set to ABC's Wide World of Sports and the first thing I saw was a New Hampshire number plate. It was the world's skiing championships. In my past life in this legislature, I had the opportunity, with Sen. Patenaude, to present and write the "blurb" for the House calendar which established skiing as New Hampshire's winter sport. I proceeded to watch a young man named Bode Miller come from way behind and

win a gold medal in the world's combined skiing championship. We've got a hero! The same kid that pulled it out on a wild run in the last Olympics came through again for our state and really put us on the map.

So I would like to recognize this young man (being a past skier myself) as today's hero here in the State of New Hampshire. Thank you.

The Speaker noted that Bode Miller just won the giant slalom yesterday.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purpose of introduction of bills and receiving Senate messages only.

Adopted.

The House recessed at 12:00 p.m.

RECESS

(Speaker Chandler in the Chair)

COMMITTEE ASSIGNMENT

Rep. Kevin L. Camm on Ways and Means.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No.7

Thursday, February 20, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Creator of all, we ask Your blessing upon the work of this honorable House today as the blended voices of citizens in our beloved New Hampshire rise to govern fairly and compassionately.

In a world of tension and uncertainty, help us to keep our eyes clear and our hearts open as we seek to follow the prophet's admonition "to do justice, and to love kindness, and to walk humbly" with You.

As always, we especially ask Your protective blessing to be with those who serve in the armed forces, police and fire service, and their loved ones, who stand in harm's way today in the defense of our country and our communities. Amen.

Rep. Judson Dexter led the Pledge of Allegiance.

The National Anthem was sung by a quartet composed of Kathleen MacNeil, Janet Lee, Jeff Paveglio and Michael Kinson, seniors from Bow High School.

LEAVES OF ABSENCE

Reps. Bleyley, Callaghan, Carlson, Clemons, David Cote, Dalrymple, Hutchinson, Lefebvre, O'Brien, Timothy Robertson and Tate, the day, illness.

Reps. Buckley, Jeffrey Carter, Creteau, Fitzgerald, Gargas, Jasper, Jones, Morris, Priestley, Reardon, Slack, Stepanek and Sweeney, the day, important business.

Reps. Julie Brown, Brundige and Langer, the day, illness in the family.

Rep. Souza, the day, death in the family.

INTRODUCTION OF GUESTS

Patricia Barker, Crystal and Erica Skye Schaaf, wife, daughter and granddaughter of Rep. Barker. Eugene and Joan Mooney, Margaret and Elise Roy, Loretta and Jessica Edmonds, Sharon, Gregory, Diane and Alfred Porcaro III, Dean, Patricia, Ethan, Emily and Erick Christian, guests of Rep. Mooney. Fourth grade class from Newmarket Elementary School, guests of Rep. Karl Gilbert.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 288-FN, imposing a criminal penalty for the dissemination of certain materials without consent, removed by Rep. Welch.

HB 337-FN-A-L, relative to state funding of county correctional facilities, removed by Rep. Cloutier.

HB 428, relative to limiting liability of vendors and property owners during the operation of a farmers' market, removed by Rep. Ahern.

HB 574-FN, relative to retail vehicle dealer registrations, removed by Rep. Greenberg.

HB 579-FN, abolishing all requirements for certificates of title for motor vehicles, removed by Rep. Marple.

Consent Calendar adopted.

HB 131, relative to enforcement of negotiable instruments under Article 3 of the Uniform Commercial Code. **OUGHT TO PASS**

Rep. Paul D. Spiess for Commerce: The purpose of this bill is to clarify the intent of one section of the Uniform Commercial Code (UCC) pertaining to the enforceability of lost, destroyed or stolen documents. Recent court decisions have created uncertainty over the ability of lenders to enforce loan agreements when documents have been lost, or ownership of the loan has been transferred. This bill clearly establishes the validity and enforceability of the obligation so long as there is clear evidence that the transaction was consummated and documented. Vote 13-0.

HB 430, relative to the scope of family health insurance policies. **INEXPEDIENT TO LEGISLATE**
Rep. Matthew J. Quandt for Commerce: This bill would mandate health insurance companies to cover unmarried children under the age of 28 who are part-time students. The bill does not define what a part-time student is. Current law defines full-time students as those who do not exceed 18 years of age. This bill would increase the age by a decade. There is another bill, HB 317, that will raise the age to 25, which is current practice of health insurance companies in New Hampshire, and will define full-time students. Age 28 would create problems because it splits the age banding law. The committee feels the greatest flaw in this bill, however, is that it would include part-time students covering part-time students creates numerous problems. Vote 15-0.

HB 178, relative to detention for violations of protective orders. **OUGHT TO PASS WITH AMENDMENT**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill originally came about as the result of an incident that resulted in a police department contacting the court for assistance on a unique violation of a protective order. The department and the officer(s) responding used great restraint and took more than reasonable caution in the execution and subsequent arrest of the defendant who is blind, confined to a wheelchair and was scheduled for medical treatment at 6:00 a.m. the following morning. The judge on call could have ordered an alternative to incarceration, but either did not feel it was necessary or felt that the law was silent on his ability to act. The amendment clearly indicates that under certain circumstances when there is a violation of a restraining order, a judge may order an alternative to detention upon request by the arresting officer when the health of the defendant would be jeopardized by incarceration. Vote 19-0.

Amendment (0159h)

Amend RSA 173-B:9, I(a) as inserted by section 1 of the bill by replacing it with the following:

(a) When the defendant violates either a temporary or permanent protective order issued or enforced under this chapter, peace officers shall arrest the defendant and ensure that the defendant is detained until arraignment, *provided that in extreme circumstances, such as when the health of the defendant would be jeopardized by the temporary detention, a judge in response to a request by the arresting law enforcement officer or agency, may order an alternative to detention pending arraignment.* Such arrests may be made within 12 hours without a warrant upon probable cause, whether or not the violation is committed in the presence of a peace officer.

AMENDED ANALYSIS

This bill allows a judge to order an alternative to detention pending arraignment if such detention would jeopardize the health of the defendant.

HB 192, relative to disposal of controlled drugs in possession of law enforcement officers. **OUGHT TO PASS WITH AMENDMENT**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill permits the district court to order the destruction of drugs in possession of a police officer, and requires the same record and reporting back to the district court as is required for the superior court, with the exception of the notification to the Drug Enforcement Administration as our district courts deal with misdemeanor drug offenses. Vote 19-0.

Amendment (0160h)

Amend the bill by replacing section 1 with the following:

1 New Paragraphs; District Court: Disposal of Drugs in Misdemeanor Controlled Drug Offenses.
Amend RSA 318-B:17 by inserting after paragraph I the following new paragraphs:

I-a. The district court having jurisdiction over a misdemeanor controlled drug offense may order such controlled drugs forfeited and destroyed upon written motion. Such order shall not be entered until after the period for appeal of the offense has expired.

I-b. The district court shall require the same record and reporting of the officer who is destroying the controlled drugs as is required under paragraph I for the superior court, with the exception of notification to the Drug Enforcement Administration.

AMENDED ANALYSIS

This bill permits the district court to order the destruction of drugs in possession of law enforcement officers following the disposition of a misdemeanor controlled drug offense, after the period for appeal has expired and upon written motion.

HB 215, relative to expungement of records contained in the DNA database. **OUGHT TO PASS**
Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This bill was submitted as a house-keeping measure for the Department of Safety. This will provide for the expungement of the DNA record of a person whose criminal conviction has been reversed and the case dismissed unless the person already has a record in the database as a result of a criminal conviction for an offense which would require inclusion in the database. Vote 13-0.

HB 291-FN, establishing an enhanced penalty for assaults, sexual assaults, and related offenses against the elderly. **INEXPEDIENT TO LEGISLATE**
Rep. Robert M. Fesh for Criminal Justice and Public Safety: The sponsors' concern is already covered in RSA 631:8 passed last July 16, 2002 after two years of study to offenses against the elderly 60 years old and older. The abuser can be charged with a Class B felony. RSA 651:6 allows for an extended term of imprisonment if the crime committed against a person with the intention of taking advantage of the victim's age or physical disability. There is no need for this bill. Vote 20-0.

HB 333, relative to sentences for first time offenders. **INEXPEDIENT TO LEGISLATE**
Rep. E. Albert Weare for Criminal Justice and Public Safety: Present law, RSA 651:2, allows the presiding judge wide discretionary powers in sentencing all offenders for most crimes regardless if the individual is a first-time offender or not. To limit or require judges to give a specific sentence for first-time offenders would severely limit the discretionary powers judges possess in awarding sentences and would be a questionable conflict of the separation of powers of the three branches of government. Vote 20-0.

HB 374, relative to a petition by an inmate for a suspended sentence. **INEXPEDIENT TO LEGISLATE**
Rep. Stephen H. Nedeau for Criminal Justice and Public Safety: This bill, relative to a petition by an inmate for a suspended sentence, was requesting to do something that is covered by RSA 651:20 now. The bill, although well intended, makes sweeping changes that are not necessary as indicated by testimony from the Attorney General's Office, the Department of Corrections, and the Victims Assistance Office. The Committee felt strongly that this bill is not necessary. Vote 20-0.

HB 416, requiring reciprocal discovery in criminal cases. **INEXPEDIENT TO LEGISLATE**
Rep. John E. Tholl, Jr. for Criminal Justice and Public Safety: This bill as drafted would violate Part I of the New Hampshire Constitution as well as the 5th Amendment of the United States Constitution. The sponsor was the only person to testify in favor of the bill while the Attorney General's office and the NH Trial Lawyers Association both indicated that if passed, the bill would almost immediately result in an appeal to the Supreme Court on constitutional grounds. The committee felt that the bill would create a constitutional issue that would be impossible to support and recommended inexpedient to legislate. Vote 18-0.

HB 487, relative to protective custody of a person impaired by drugs. **OUGHT TO PASS**
Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill is a direct result of a recent NH Supreme Court Decision where it ruled that a peace officer did not have the authority to place in protective custody a person under the influence of drugs, as he would have, if that person was under the influence of alcohol. Quoting from the opinion itself, "by its plain language, the statute therefore does not authorize the police to take individuals into protective custody if, in the police officer's judgment, the individual is under the influence of drugs." This bill rectifies the problem and places the protective custody bill for persons under the influence of drugs in the RSA's that deal with drugs. Vote 16-1.

HB 678-FN, relative to penalties for operation of OHRVs after suspension of driving privileges for certain motor vehicle offenses. **OUGHT TO PASS**
Rep. Stanley E. Stevens for Criminal Justice and Public Safety: This is a housekeeping bill designed to mirror the motor vehicle law and makes operation of an OHRV after suspension of a person's driving privileges a misdemeanor if the suspension was for reckless driving, driving under the influence or negligent (vehicular) homicide. Vote 11-0.

HB 336-L, relative to the development and adoption of the school administrative unit budget. **OUGHT TO PASS WITH AMENDMENT**

Rep. John R.M. Alger for Education: After extensive development over a period of years this bill offers a straightforward and simple manner for the budget of multi-town school administrative units (SAUs) to be voted on by the people after recommendation by the SAU board. Single district SAUs already have this opportunity so this bill allows votes of multi-town SAUs the same opportunity. Vote 18-1.

Amendment (0253h)

Amend RSA 194-C:9, III (a) as inserted by section 1 of the bill by replacing it with the following:

III.(a) For school administrative units composed of 2 or more town school districts, the budget adopted in paragraph I shall be placed before the voters of each school district of that school administrative unit at the annual school district meeting in a separate warrant article and adopted by majority vote of all the districts. Notwithstanding RSA 32 and RSA 40:13, the budget adopted by the school administrative unit board shall not be amended or changed in any way prior to the vote. If the budget is not adopted, the amount accepted shall be that of the previous year adjusted for continuing contracts. The vote of each town school district on this warrant shall be given by the respective town clerks to the superintendent of the school administrative unit who shall accumulate the total vote for all the towns and announce the result. Wording of the warrant article shall be as follows:

Shall the voters of _____ (name of town) _____ adopt a school administrative unit budget of \$_____ for the forthcoming fiscal year in which \$_____ is assigned to the school budget of this school district.

This year's adjusted budget of \$_____, with \$_____ assigned to the school budget of this town, will be adopted if the article does not receive the weighted majority vote of the school district voters in this school administrative unit.

HB 363-L, relative to the funding formula for cooperative school districts. INEXPEDIENT TO LEGISLATE

Rep. Richard C. Leone for Education: This bill advocated a change in the method of apportioning costs in a particular cooperative school district. The committee felt this was more of a local matter which can be more appropriately addressed in the articles of agreement pursuant to current state law. Vote 14-0.

HB 297, establishing an alternative nomination process for political organizations. INEXPEDIENT TO LEGISLATE

Rep. Howard C. Dickinson for Election Law: This bill offers an alternative process to nomination by a political organization. It decreases the threshold from 4% to 2% required to be a political party and decreases the requirement of 3% of voters in the last general election to just 7000 voters out of 500,000-600,000 voters to nominate an entire list of candidates for office in the state election. The present system requires 3% petitions. The committee feels the present laws have served us well and should be continued. Vote 13-4.

HB 408, relative to the definition of political "party". INEXPEDIENT TO LEGISLATE

Rep. Richard B. Drisko for Election Law: The intent of this bill is to repeal the current definition of what constitutes a "political party". This repeal would relax the requirements now in statute. The majority of the committee felt that the current definition is fair and adequate. Presently, 4% of the last general election votes for governor or senator is required. This is fair and should be continued. This bill would eliminate all political parties and allow all groups to petition for the general election. Vote 13-4.

HB 128, relative to the treatment of horses. OUGHT TO PASS WITH AMENDMENT

Rep. Albert C. Cernota for Environment and Agriculture: This bill, supported by the Department of Agriculture, Markets and Food, is intended to address problems that have arisen due to misunderstanding and misinterpretation of RSA 435. This bill clarifies the duties of horse owners relating to the care, shelter and feeding of horses. The effective date has been amended to take effect upon passage. Vote 13-0.

Amendment (0170h)

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect upon its passage.

HB 95, establishing a committee to study the procedures of the state board of claims. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice L. Pilotte for Executive Departments and Administration: The sponsor did not appear at the hearing nor any other persons in support or opposition. Therefore, the committee did not feel this legislation was necessary at this time. Vote 17-0.

HB 117-FN, relative to the purchase of permissive service credit in the retirement system **INEXPEDIENT TO LEGISLATE**

Rep. Anne Marie Irwin for Executive Departments and Administration: In anticipation of federal legislation, which will resolve all portability issues, the committee unanimously voted to kill this bill. Another house bill is being retained which will address portability issue if enabling legislation is needed. Vote 17-0.

HB 166, relative to employees of the New Hampshire retirement system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Michael O'Neil for Executive Departments and Administration: House Bill 166 is a house-keeping bill for the retirement system. Since the mid 1980's, it has been clear that the retirement system is not an executive branch agency. Subsequent case law, statutory amendments and a constitutional amendment (36-a) have continually reaffirmed this. The Board of Trustees of the New Hampshire Retirement System has had full compensation authority for nearly two years and they have not abused it. Instead, they have used it judiciously and sparingly. The retirement system continues to work with the state director of personnel on all compensation issues and all retirement system employees continue to be compensated according to the classified employee pay scale. The sole intent of this bill is to resolve a conflict between RSA 100, which gives the board full power to hire and compensate classified employees and RSA 273, which grants the authority for collective bargaining with classified state employees exclusively to the executive branch of government. Passage of House Bill 166 will resolve the conflict between RSA 100 and RSA 273 that is created by the misuse of the word "classified". Like employees of the legislature, the court system, and the Pease Development Authority, employees of the retirement system will remain state employees, entitled to all the benefits to which state employees are entitled. This bill has no fiscal impact on retirement system funds, special account funds, general funds, or any other state funds. Vote 18-0.

Amendment (0135h)

Amend the bill by replacing all after the enacting clause with the following:

1 Retirement System; Administration; Employees. Amend RSA 100-A:14, V to read as follows:

V. The board of trustees shall have the full power to employ and compensate such ~~classified~~ employees on such terms as may be necessary as charges upon the funds of the retirement system, *and establish personnel policies without regard to any personnel or civil service law or personnel or civil service rule of the state. The employees of the retirement system shall not be classified employees of the state within the meaning of RSA 21-I:49. Notwithstanding, any individual employed by the retirement system whose employment calls for 30 hours or more work in a normal calendar week, and whose position is anticipated to have a duration of 6 months or more, shall be entitled to elect to receive such health, dental, life insurance, deferred compensation, and retirement benefits as are afforded to classified employees of the state. Upon election by such individual, the retirement system shall pay from its funds the state's share of such benefits. Any remaining costs of health, dental, and life insurance benefits which an individual elects to receive pursuant to this paragraph, shall be withheld from such individual's salary as a payroll deduction. Written notice of the availability of these benefit options shall be provided to each individual upon employment by the retirement system.* It may also engage such actuarial, medical, and like services as may be required to transact the business of the system. The compensation for such special services, and all other expenses of the board necessary, hereto, shall be paid at such rates and in such amounts as the board shall approve.

2 New Paragraph; Administrative Services; Personnel; Exception Added. Amend RSA 21-I:49 by inserting after paragraph VII the following new paragraph:

VIII. Personnel of the New Hampshire retirement system.

3 Effective Date. This act shall take effect 60 days after its passage.

HB 201, relative to the definition of the practice of dentistry. **INEXPEDIENT TO LEGISLATE**
Rep. Joan H. Schulze for Executive Departments and Administration: The sponsoring organizations have requested that this bill be reported out as inexpedient to legislate so that they can work on another bill, which would better define their needs. Vote 18-0.

HB 279, relative to the licensure of emergency medical dispatchers. **INEXPEDIENT TO LEGISLATE**

Rep. Charles Q. Hall for Executive Departments and Administration: This bill would have required the licensure of emergency medical dispatchers. The sub-committee was presented with the fact that existing language already appears in law, stating that the director shall: license emergency medical care providers, emergency medical service units, emergency medical service instructor coordinators, emergency medical service training agencies, emergency medical service dispatchers and emergency medical service vehicles. The Commissioner is also directed to adopt rules, under RSA 541-A, relative to licensing. The subcommittee was assured by the director that rules would be promulgated in a timely fashion based on existing law. Vote 16-0.

HB 320, relative to permitting additional contributions in the city of Manchester employees contributory retirement system. **OUGHT TO PASS**

Rep. Albert W. Hamel for Executive Departments and Administration: This bill is enabling legislation allowing the city of Manchester to pursue their efforts to improve the Manchester retirement system. The provisions of the bill are subject to a referendum vote in the city of Manchester. Vote 15-0.

HB 321, relative to ordinary and accidental death benefits in the city of Manchester employees contributory retirement system. **OUGHT TO PASS**

Rep. Albert W. Hamel for Executive Departments and Administration: This bill is enabling legislation allowing the city of Manchester to pursue their efforts to improve the Manchester retirement system. The provisions of the bill are subject to a referendum vote in the city of Manchester. Vote 15-0.

HB 322, relative to the commission on the status of men. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice E. Goulet for Executive Departments and Administration: The committee was informed, at the time of the public hearing, that the sponsor wished to withdraw the bill. The committee therefore killed the bill. Vote 14-0.

HB 480-FN, requiring the use of state credit cards for reimbursable expenses. **INEXPEDIENT TO LEGISLATE**

Rep. Michael O'Neil for Executive Departments and Administration: This bill requires departments to develop and implement a plan for employees to use credit cards for reimbursable expenses. While we understand the sponsor's frustration with antiquated case reimbursement procedures, there exist credit card purchasing processes currently in some state departments. The bill to study efficiency in state government may address this issue, eliminating the need for this "narrowly" focused bill. Other bills in committee provide a vehicle to insure any remaining credit cards issues may be addressed if needed. Vote 19-0.

HB 536, relative to the name of the department of resources and economic development. **INEXPEDIENT TO LEGISLATE**

Rep. Peter E. Bergin for Executive Departments and Administration: The intention of the sponsor was to change the name in order to make the agency image come into the 21st century. The governor, in his budget address to the legislature, referred to DRED under the 21st century state government. This agency would come under the review of the central information office. Therefore, this bill is not necessary. Vote 18-0.

HB 702-FN, relative to payment of medical benefits costs for disabled group II members of the retirement system. **OUGHT TO PASS**

Rep. William R. Zolla for Executive Departments and Administration: This bill extends the disability benefit for new employees in group II hired after July 1, 2003 through July 1, 2004. Ordinarily this is done in two-year increments. However, due to the lack of funds in the special accounts, the committee went to one-year increments in 2002. This is essentially a housekeeping bill. Vote 18-0. Referred to Finance.

HB 327, establishing a committee to study the use of state vehicles. OUGHT TO PASS

Rep. Robert L. Wheeler for Finance: The committee felt that the use of state vehicles, the capital to purchase vehicles, and the expense of operating vehicles represented a significant demand on tax dollars and certainly should be studied. This study, unlike the three similar studies over the past two decades, will produce recommendations for legislation. Vote 18-1.

HB 510, relative to public inspection of fish and game information on landowner permissions for hunting. INEXPEDIENT TO LEGISLATE

Rep. Randy J. Perkins for Fish and Game: The primary sponsor did not want to proceed with this bill. There was no testimony for or against this bill. Vote 16-0.

HB 461, establishing a commission to study financial exploitation of the elderly and persons with disabilities. OUGHT TO PASS

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: Frequently, vulnerable elderly and disabled individuals are cheated out of their savings by a variety of scams. Most often the money or other valuables are never retrieved. Individuals often do not report the crimes due to feelings of shame and fear, or because of confusion. The attorney general's office strongly supports this legislation as it allows for an opportunity to strengthen laws that deal with elderly and disabled individuals who are exploited. This bill provides for a commission that includes legislators, representatives of major departments, judiciary, law enforcement, banking and public guardianship. The commission will focus on preventive and educational efforts, as well as legal and ethical issues. Vote 17-0.

HB 475, establishing a committee to study possible oversight of alternative health care practitioners. INEXPEDIENT TO LEGISLATE

Rep. Pamela G. Price for Health, Human Services and Elderly Affairs: The intent of this bill is to study alternative health care practices which are becoming more common as a means of treatment. The committee was presented with over 20 alternative care measures which might fall under the scope of this study, many of which were unknown to the members. Some of the alternative providers are gradually becoming licensed, and thus are regulated. The committee was concerned with the scope of the study, and the lack of standards of operation and protocols on which to provide oversight. Thus, although the intent of the legislation is honorable, the committee felt that with the FDA closely monitoring the needed regulations, including a growing list of alternative care groups, the committee was not convinced that an oversight committee was appropriate at this time. Vote 15-0.

HB 549, relative to parking for disabled persons. INEXPEDIENT TO LEGISLATE

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: With due respect to the sponsor of this bill, we as a committee agree that certain policies regarding the verification of walking disabilities placards, is a very important matter. Because further investigation and testimony given to the committee, we were convinced that these concerns and matters were currently being reviewed and discussed by the Governors commission on disabilities and the bill would duplicate their efforts. This was explained to the sponsor and he was fine with our decision to I.T.L. Vote 16-0.

HB 113, relative to payment of attorneys' fees by the losing party in tort actions. INEXPEDIENT TO LEGISLATE

Rep. Janet G. Wall for Judiciary: This bill would amend RSA 507 by adding a section requiring the losing party in a tort action to pay the prevailing party's attorney's fees. The committee voted unanimously to find this bill inexpedient to legislate because it shares the same basic deficiencies as each of the nearly identical such bills introduced regularly since 1989. The sponsor did not present any evidence showing that in the countries in which this rule is followed there is any reduction in caseloads or that the rule is in any way superior to the current American rule. The bill failed to allay concerns that only the wealthy will be in a position to pursue claims; and that all others with legitimate claims may be afraid to pursue them out of fear that even in meritorious cases, they may risk paying double attorneys fees. The committee believes that RSA 507:15 and court rules already adequately address the issue. Judges may use their discretion in awarding fees as justice may require. Vote 18-0.

HB 324, relative to the Jaffrey-Peterborough district court and the Henniker-Hillsborough district court. INEXPEDIENT TO LEGISLATE.

Rep. Peter E. Franklin for Judiciary: This bill changed the district court in which the town of Hancock would be located from Jaffrey-Peterborough to Henniker-Hillsborough district court. The sponsor reported that the town's selectman would not like to change at the present time and requested that the bill be voted inexpedient to legislate. Vote 15-0.

HB 338, requiring the suspension of attorneys who do not abide by a client's decision whether to accept an offer of settlement. **INEXPEDIENT TO LEGISLATE**

Rep. Bette R. Lasky for Judiciary: This bill would require attorneys to abide by a client's decision in regard to accepting a settlement offer. While the committee agrees with the bill's intent, the need for this is currently addressed in the Rules of Professional Conduct. This bill also requested a fine for the first offense and a six-month suspension for subsequent offenses. The committee had testimony that the Professional Conduct Committee would give a far more serious disciplinary action which the committee felt was more appropriate. In addition, most members felt attorneys are obligated in their own code of conduct to abide by their client's decision and do so. Vote 15-0.

HB 348-FN, relative to the compensation of jurors. **INEXPEDIENT TO LEGISLATE**

Rep. Richard W. Morris for Judiciary: This committee is unable to support or guarantee a uniform schedule of pay for jurors other than the flat fee of \$10 per half day, which presently exists. We do not favor one juror receiving more pay than another as was put forward in this proposed legislation. Already there is some disparity in compensation depending on whether a juror's employers continue one's salary or not as well as other juror-employer arrangements. We feel strongly that by allowing this particular legislation to go forward as presented that it would inevitably create additional inconsistencies in the current juror compensation package. We would prefer a simple approach minus this extensive schedule of formulas and calculations. Therefore we would recommend inexpedient to legislate. Vote 18-0.

HB 449, relative to disclosure of the amount of property taxes paid by a tenant's rent. **INEXPEDIENT TO LEGISLATE**

Rep. Robert H. Rowe for Judiciary: The purpose of this bill was to ensure that tenants were aware that a portion of their rent is used by the landlord to pay the property tax assessed on the property. The bill mandates that the landlord notify the tenant of his or her share of the rent going towards the property tax. The bill requires that standard accounting practices be used and the allocated property tax be proportional to the square footage of the rental unit. The bill does not take into consideration common property, garages or other elements associated with the rental unit in setting the amount. This bill offers some benefit but is overshadowed by the burden to the landlord. Vote 17-1.

HB 484, providing immunity for law enforcement officers who participate in state mentoring programs. **INEXPEDIENT TO LEGISLATE**

Rep. Phyllis L. Woods for Judiciary: The bill would grant immunity specifically for law enforcement personnel participating in the Department of Safety's mentoring program. The committee felt this was unnecessary and heard no testimony of any prior litigation that this would have addressed. Furthermore there were serious problems with the bill including immunity for criminal as well as civil acts. The committee has never granted immunity for criminal activity. The committee certainly supports the efforts of all mentoring programs but felt that their concerns relative to this bill were not warranted. Vote 18-0.

HB 111-FN, prohibiting employee polygraph examinations. **INEXPEDIENT TO LEGISLATE**

Rep. Lars T. Christiansen for Labor, Industrial and Rehabilitative Services: The sponsor requested that the Labor Committee kill the bill. The concerns that motivated the proposed legislation are largely addressed under the Federal Employee Polygraph Protection Act, US Code, Title 29, Chapter 22. The committee agreed with the sponsor's request. Vote 18-0.

HB 108, increasing the optional veterans' property tax credit. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert L. Theberge for Municipal and County Government: The veterans standard and optional credit currently is somewhat confusing. The committee reorganized the language by repealing RSA 72:28, setting a clear "Standard Veterans" definition and increasing the "Optional Veterans" tax credit to the amount of no less than \$51.00 and no greater than \$500.00 upon adoption by a

town and city where the current optional credit is \$100.00. No deletions were made to the current law, RSA 72:28. A member of the committee believed that no limit or caps, i.e., \$500.00, should be imposed on a municipality. However, the committee as a body, felt otherwise. Vote 14-1.

Amendment (0115h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the adoption of an optional veterans' property tax credit.

Amend the bill by replacing all after the enacting clause with the following:

I Veterans' Tax Credit; Optional Credit Changed. RSA 72:28 is repealed and reenacted to read as follows:

72:28 Standard and Optional Veterans' Tax Credit.

I. The standard veterans' tax credit shall be \$50.

II. The optional veterans' tax credit, upon adoption by a city or town pursuant to RSA 72:28-a, shall be an amount from \$51 up to \$500. The optional veterans' tax credit shall replace the standard veterans' tax credit in its entirety and shall not be in addition thereto.

III. Either the standard veterans' tax credit or the optional veterans' tax credit shall be subtracted each year from the property tax on the veteran's residential property. However, the surviving spouse of a resident who suffered a service-connected death may have the amount subtracted from the property tax on any real property in the same municipality where the surviving spouse is a resident.

IV. The following persons shall qualify for the standard veterans' tax credit or the optional veterans' tax credit:

(a) Every resident of this state who served not less than 90 days in the armed forces of the United States in any qualifying war or armed conflict listed in this section and was honorably discharged or an officer honorably separated from service; or the spouse or surviving spouse of such resident;

(b) Every resident of this state who was terminated from the armed forces because of service-connected disability; or the surviving spouse of such resident; and

(c) The surviving spouse of any resident who suffered a service-connected death.

V. Service in a qualifying war or armed conflict shall be as follows:

(a) "Spanish War" between April 21, 1898 and April 11, 1899;

(b) "Philippine Insurrection" between April 12, 1899 and July 4, 1902, extended to July 15, 1903 for service in the Moro Provinces;

(c) "Boxer Rebellion" between June 16, 1900 and May 2, 1901;

(d) "World War I" between April 6, 1917 and November 11, 1918, extended to April 1, 1920 for service in Russia; provided that military or naval service on or after November 12, 1918 and before July 2, 1921, where there was prior service between April 6, 1917 and November 11, 1918 shall be considered as World War I service;

(e) "World War II" between December 7, 1941 and December 31, 1946;

(f) "Korean Conflict" between June 25, 1950 and January 31, 1955;

(g) "Vietnam Conflict" between December 22, 1961 and May 7, 1975;

(h) "Vietnam Conflict" between July 1, 1958 and December 22, 1961, if the resident earned the Vietnam service medal or the armed forces expeditionary medal, and

(i) Any other war or armed conflict that has occurred since May 8, 1975, and in which the resident earned an armed forces expeditionary medal or theater of operations service medal.

2 Procedure for Adoption. Amend RSA 72:28-a to read as follows:

72:28-a Procedure for Adoption.

I. Any town or city may adopt the provisions of RSA ~~[72:28, V and VI]~~ 72:28, II for an optional veterans' tax credit in the following manner:

(a) In a town, the question shall be placed on the warrant of a special or annual town meeting under the procedures set out in RSA 39:3, and shall be voted on by ballot. In a city, the legislative body may consider and act upon the question in accordance with their normal procedures for passage of resolutions, ordinances, and other legislation. The legislative body of a city may vote to place the question on the official ballot for any regular municipal election, or, in the alternative, shall place the question on the official ballot for any regular municipal election upon submission to the legislative body of a petition signed by 5 percent of the registered voters.

(b) The selectmen or city council shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.

(c) The wording of the question shall be: “~~Shall we adopt the provisions of RSA [72:28, V and VI] 72:28, II for an optional veterans’ tax credit [and an expanded qualifying war service for veterans seeking the tax credit]? The optional veterans’ tax credit [is \$100, rather than \$50] shall be (here insert amount from \$51 up to \$500).~~”

II. If a majority of those voting on the question vote “Yes”, RSA [72:28, ~~V and VI~~] 72:28, II shall apply within the city or town on April 1 next following such vote for the tax year beginning on that date.

III. If the question is not approved, the question may later be voted upon according to the provisions of RSA 72:28-a, I.

IV.(a) Any town or city which has adopted RSA [72:28, ~~V and VI~~] 72:28, II may consider rescinding its action in the manner described in RSA 72:28-a, I(a) and (b). The wording of the question shall be the same as set out in RSA 72:28-a, I(c), except the word “adopt” shall be changed to “rescind.”

(b) If a majority of those voting on the question vote “Yes”, then as of April 1 next following the action taken to rescind, RSA [72:28, ~~V and VI~~] 72:28, II shall not apply within the town or city.

3 Reference Changed; Proration of Credit. Amend RSA 72:30 to read as follows:

72:30 Proration of Tax Credit. If any entitled person or persons shall own a fractional interest in residential real estate each such entitled person shall be granted a tax credit in proportion to his *or her* interest therein with other persons so entitled, but in no case shall the total tax credit exceed the tax credit allowed under RSA 72:28, *I or II* [~~or V~~], except as provided in RSA 72:31.

4 Reference Changed; Husband and Wife. Amend RSA 72:31 to read as follows:

72:31 Husband and Wife. A husband and wife, each qualifying for a tax credit, shall each be granted a tax credit upon their residential real estate as provided under RSA 72:28, *I or II* [~~and V~~].

5 Reference Changed; Special Number Plates. Amend RSA 261:86, I(c) and (d) to read as follows:

(c) Is a former prisoner of war and was captured and incarcerated while serving in a qualifying war or armed conflict as defined in RSA [72:28, ~~IV~~] 72:28, V, and who was honorably discharged, provided that such person has furnished the director with satisfactory proof of these circumstances. The plates shall be transferable upon death to the surviving spouse of the prisoner of war. The surviving spouse shall be entitled to the plate as long as he or she lives, unless he or she remarries.

(d) Was awarded the Purple Heart medal in a qualifying war or armed conflict as defined in RSA [72:28, ~~IV~~] 72:28, V, and who was honorably discharged, provided that such person has furnished the director with satisfactory proof of these circumstances.

6 Reference Changed; Motor Vehicles; Exemption for Prisoners of War. Amend RSA 261:157-a to read as follows:

261:157-a Exemption for Prisoners of Wars. The legislative body of a city or town may adopt an ordinance waiving the fee to be charged for a permit to register one motor vehicle owned by any person who was captured and incarcerated for 30 days or more while serving in a qualifying war or armed conflict as defined in RSA [72:28, ~~IV~~] 72:28, V, and who was honorably discharged, provided the person has provided the city or town clerk with satisfactory proof of these circumstances.

7 Reference Changed; Veterans Preference. Amend RSA 283:8, I and II to read as follows:

I. The term “armed forces” shall include those forces listed in RSA [72:28, ~~I~~] 72:28, IV.

II. The terms “in time of war” and “during any war” shall include all the terms used in RSA [72:28, ~~II~~] 72:28, V.

8 Effective Date. This act shall take effect April 1, 2003.

AMENDED ANALYSIS

This bill allows towns and cities to adopt an amount of the optional veterans’ property tax credit from \$51 to \$500.

HB 209, relative to municipal budget committees. **INEXPEDIENT TO LEGISLATE**

Rep. Eric G. Stohl for Municipal and County Government: This bill would take away the voting privileges of certain members of a municipal budget committee. The members eliminated would

be the members of the governing body, the member of the school board, and the member of each village district, if applicable. The committee did not see any compelling reason to change this law. There doesn't appear to be a universal problem with the present arrangement. Vote 14-1.

HB 295, relative to information filed with the regional planning commissions. **OUGHT TO PASS WITH AMENDMENT**

Rep. Nancy K. Johnson for Municipal and County Government: Currently, when a local land use board determines that an application has regional impact, all affected municipalities and the regional planning commission are notified at least 14 days prior to the public hearing by certified mail. There is no requirement that the initial set of plans be forwarded to the regional planning commission. This bill, as amended, will require the applicant to submit an initial set of plans to each regional planning commission within the region of impact. Vote 16-0.

Amendment (0116h)

Amend the bill by replacing section 1 with the following:

1 Review Required; Initial Set of Plans. Amend RSA 36:56 to read as follows:

36:56 Review Required. A local land use board, as defined in RSA 672:7, upon receipt of an application for development, shall review it promptly and determine whether or not the development, if approved, reasonably could be construed as having the potential for regional impact. *Upon determining that the development could reasonably be construed as having the potential for regional impact, the local land use board shall require the applicant to submit an initial set of plans to each regional planning commission within the region of impact.* Doubt concerning regional impact shall be resolved in a determination that the development has a potential regional impact.

AMENDED ANALYSIS

This bill requires a local land use board reviewing a development of regional impact to require the applicant to submit an initial set of plans to each regional planning commission within the region of impact.

HB 345, relative to qualifications of elected town officers. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth H. Gould for Municipal and County Government: This bill allows an elected town official who changes domicile to another New Hampshire town to remain in office for the duration of his or her term of office. The tradition of having an elected official be domiciled in the town or district one represents is strong in New Hampshire and one that the committee did not want to change. The committee also felt this would cause lack of interest, lack of participation and problems with quorums. Vote 15-0.

HB 354-FN, relative to dog license fees. **INEXPEDIENT TO LEGISLATE**

Rep. Eric G. Stohl for Municipal and County Government: This bill would more than double the registration fees of all dogs, whether spayed, neutered, or not. It would also double the fees for companion animal population control and for the support for the operation of the veterinary diagnostic laboratory. The original intent for licensing dogs was to cover the costs of "dog damage." Dr. McGinnis, the state veterinary, testified that there was more than sufficient funds to support the companion animal population control measures and the veterinary diagnostic laboratory, both of which he interacts with. Vote 17-1.

HB 438-L, relative to charging a disposal fee for temporary signs. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: This bill would have allowed a municipality to charge a fee for removing temporary signs, including political campaign signs, placed along highway rights-of-way within the municipality. The committee felt that the creation of a "sign police" by municipalities would create more problems than the bill was intending to solve. Vote 17-0.

HB 556, establishing a committee to study highway safety issues on New Hampshire Route 101 from Bedford to Keene. **INEXPEDIENT TO LEGISLATE**

Rep. Bernard L. Benn for Public Works and Highways: The committee heard testimony regarding serious safety concerns relative to Route 101 from Bedford to Keene. Several previous studies by

the towns of Bedford, Amherst, Milford and others by the Nashua and the Southern Regional Planning Commission, clearly set out both long and short-term improvement recommendations for this road segment. It was unanimously agreed that another study would not improve safety, and that only implementation of prior recommendations should be pursued. Vote 17-0.

HB 560, making technical corrections to the New Hampshire Aeronautics Act. OUGHT TO PASS WITH AMENDMENT

Rep. Candace C. W. Bouchard for Public Works and Highways: The Division of Aeronautics, Department of Transportation, requested amending RSA 422 in order to eliminate confusion regarding enforcement authority between state and federal authorities. There were other changes in prior legislation and this change was inadvertently left out. Vote 16-0.

Amendment (0264h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to penalties for operating an aircraft while under the influence of alcohol or drugs and making a technical correction.

Amend the bill by replacing all after section 1 with the following:

2 New Section; Implied Consent of Operator of Aircraft to Submit to Testing to Determine Alcohol Concentration. Amend RSA 422 by inserting after section 28 the following new section:

422:28-a Implied Consent of Operator of Aircraft to Submit to Testing to Determine Alcohol Concentration. Any person who operates or attempts to operate an aircraft on the ground, on the public waters, or in the air in this state shall be deemed to have given consent to physical tests and examinations for the purpose of determining whether the person is under the influence of intoxicating liquor or controlled drugs, and to a chemical, infrared molecular absorption or gas chromatograph test or tests of any or all of any combination of the following: blood, urine, or breath for the purpose of determining the controlled drug consent of the person's blood or alcohol concentration if arrested for any offense arising out of acts alleged to have been committed while the person was operating, attempting to operate, or in actual physical control of an aircraft while under the influence of intoxicating liquor or controlled drugs or while having an alcohol concentration of 0.04 or more. The test or tests shall be administered at the direction of a peace officer having reasonable grounds to believe the person to have been operating, attempting to operate, or in actual physical control of an aircraft in this state while under the influence of intoxicating liquor or controlled drugs or while having an alcohol concentration of 0.04 or more. A copy of the report of any such test shall be furnished by the law enforcement agency to the person tested within 48 hours of receipt of the report by the agency by certified mail directed to the address shown on identification furnished by the person. Results of a test of the breath shall be furnished immediately in writing to the person tested by the law enforcement officer conducting the test.

3 Penalties. Amend RSA 422:29, VI to read as follows:

VI. Any person who operates *or attempts to operate an aircraft* while under the influence of intoxicating liquor or of any controlled drug as prohibited by this chapter or 14 C.F.R. [~~section 91.11~~] *Part 91* as amended shall be guilty of a class B felony *and be subject to the same penalties as a person convicted of a violation of RSA 265:82 as specified in RSA 265:82-b, I(c). Any conviction under this section shall be reported to the department of safety, division of motor vehicles and shall become a part of the motor vehicle driving record of the person convicted.*

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes implied consent to alcohol concentration testing and penalties for persons who operate or attempt to operate aircraft while under the influence of alcohol or controlled drugs. The bill also makes a technical correction to the prohibitions provision of the New Hampshire Aeronautics Act.

HB 561, repealing the Uniform Aircraft Financial Responsibility Act. OUGHT TO PASS

Rep. Edmond D. Gionet for Public Works and Highways: This bill as introduced at the request of the New Hampshire Department of Transportation, Division of Aeronautics, was discussed at length. Discussion revealed that the previous legislature had removed the important features of RSA 422-A, involving aircraft accidents, and was placed in the revised version of RSA 422. In addition, it has no teeth for enforcement, and as a matter of good housekeeping should be removed. Vote 16-1.

HB 565-FN-A, establishing a commission to implement the Hampton Beach Master Plan. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sandra B. Keans for Public Works and Highways: This bill sets up a commission that will work together to implement the Master Plan that was developed over the last two years. The state is responsible for maintaining the beach area and the Hampton State Park which is the second largest revenue generator in the park system. The purpose is to keep all the various groups at the table talking and heading in the same direction while the plan gets implemented. As the major seacoast area in the state, Hampton Beach contributes a great deal of revenue for the general fund. As written, this bill would not require any state funding. Vote 18-0.

Amendment (0300h)

Amend RSA 216-J:5 as inserted by section 1 of the bill by replacing it with the following:

216-J:5 Hampton Beach Master Plan Fund. There is hereby established in the office of the state treasurer a fund to be known as the Hampton Beach Master Plan Fund which shall be kept separate and distinct from all other funds and shall be continually appropriated to the commission. Such fund shall be the depository of all gifts, grants or donations made to the commission pursuant to RSA 216-J:4. Implementation expenses, the expenses of the commission, its commissioners and any employees of the commission shall be paid from such fund. Any moneys in such fund shall not lapse into the general fund of the state.

Referred to Finance.

HB 571-FN-L, relative to Old Newport Road and the end of Main Street in the town of Marlow. **OUGHT TO PASS**

Rep. Matthew J. Vallone for Public Works and Highways: This bill would reclassify Old Newport Road and the end of Main Street in the town of Marlow as Class V highways, transferring these two road segments to town road status. Both sections serve mostly local traffic, and it is, therefore, appropriate that they will be added to the town highway system. Both the town of Marlow and the Department of Transportation approve of this bill. Vote 17-0.

HB 624-FN-A, relative to appropriations to and revenues from the division of ports and harbors. **INEXPEDIENT TO LEGISLATE**

Rep. Saghir A. Tahir for Public Works and Highways: This bill would have required an appropriation of \$4 million dollars to purchase or lease certain equipment to load and unload ships at Portsmouth port from a fund appropriated in 1991 for the expansion of the port. The Pease Development Authority (PDA) and the Division of Ports and Harbors did not support this bill. The legislature gave authority to the PDA to manage ports and harbors only about a year ago. Committee members felt that the legislature should not interfere with the management of the affairs of the PDA and try to micromanage its business. Vote 18-0.

HB 802-FN-A, requiring the department of transportation to retrofit a highway rest stop to be a solar powered facility and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Bernard L. Benn for Public Works and Highways: This bill as amended encourages the Department of Transportation to install a solar voltaic power system as a demonstration of state-of-the-art renewable energy technology at a highway rest stop. A significant educational display is anticipated as part of the project. This legislation authorizes the DOT to solicit and accept private funding and equipment contributions for the project. No state funds are allocated. Vote 17-0.

Amendment (0306h)

Amend the title of the bill by replacing it with the following:

AN ACT encouraging the department of transportation to retrofit a highway rest stop to be a solar powered facility.

Amend the bill by replacing section 1 with the following:

1 Highway Rest Stop; Solar Power Retrofit. The department of transportation is hereby encouraged to retrofit a highway rest stop to make it a solar facility for electric power and to make it a model facility to encourage energy efficiency and the use of renewable energy sources.

Amend the bill by deleting section 3 and renumbering the original section 4 to read as 3.

AMENDED ANALYSIS

This bill encourages the department of transportation to retrofit a highway rest stop with certain equipment to utilize the sun's energy for the electric power used at the facility.

HB 462, relative to the operation of ski craft within navigation channels. **INEXPEDIENT TO LEGISLATE**

Rep. Pierre W. Bruno for Resources, Recreation and Development: The sponsor introduced this bill primarily for the purpose of insuring safety on New Hampshire waterways. Changes to boating laws made during the 2002 Session, including phased-in boater education requirements, with proper enforcement, should achieve the safety concerns expressed by the sponsor. Vote 14-0.

HB 539, relative to dredging and filling in wetlands. **INEXPEDIENT TO LEGISLATE**

Rep. D. L. Chris Christensen for Resources, Recreation and Development: The intent of HB 539 was to allow Boards of Selectmen and other community officials to issue cease and desist orders for wetlands violations thus relieving Department of Environmental Services (DES) personnel of some of their burden, and reacting more quickly to stop wetlands damage. Testimony indicated that DES was routinely able to investigate infractions with same day service, putting a qualified person on site. Since selectmen and others such as conservation commissions cannot act without a minimum 24 hour meeting notice, they could not act in a fashion more timely than DES. Questions were also raised about Article 28-a issues and ability of local officials to enforce, or oversee, remediation. It was noted that wetlands violations would most often involve a site plan violation, under which a code enforcement official could already issue a cease and desist order if necessary. Vote 11-4.

HB 96, relative to eligibility as a customer-generator. **INEXPEDIENT TO LEGISLATE**

Rep. Roy D. Maxfield for Science, Technology and Energy: The subcommittee found during discovery that though biofuel is another alternative in energy production, a mix with diesel would create other concerns with environmental issues and qualifications as to net-metering and marketing issues. Vote 16-0.

HB 233, relative to the nuclear planning and response program. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sam A. Cataldo for Science, Technology and Energy: This bill amends RSA 6:12, I (e) changing the state agency which collects fees for nuclear planning and response from the Public Utilities Commission (PUC) to the Department of Safety. The PUC no longer has jurisdiction in the facility as a result of deregulation. The committee agreed that the Department of Safety and the state Fire Marshal's Office were the appropriate groups to provide this function going forward. The committee also clarified interaction between interested parties involved in planning and response for the facility. Vote 18-0.

Amendment (0210h)

Amend the bill by replacing all after the enacting clause with the following:

1 General Revenue Exceptions; Nuclear Planning and Response Fund. Amend RSA 6:12, I(e) to read as follows:

(e) Fees ~~[certified]~~ *collected* by the ~~[chairman of the public utilities commission]~~ *department of safety* under RSA 107-B, which shall be credited to the New Hampshire nuclear planning and response fund.

2 Nuclear Planning and Response Program. Amend RSA 107-B:1 - 107-B:4 to read as follows:
107-B:1 Nuclear Emergency Response Plan.

I. The director of *fire safety and* emergency management shall, in cooperation with affected local units of government, initiate and carry out a nuclear emergency response plan as specified in the licensing regulations of each nuclear electrical generating plant. The ~~[chairman of the public utilities commission]~~ *commissioner of safety* shall assess a fee ~~[from the utility]~~, as necessary, to pay for the cost of preparing, *maintaining, and operating* ~~[the]~~ *each* plan and providing equipment and materials to implement it.

II. The director of *fire safety and* emergency management shall conduct an annual review of ~~[the]~~ *each* nuclear emergency response ~~[plans]~~ *plan* for those municipalities located in ~~[the]~~ *an* emergency planning zone, as defined in Nuclear Regulatory Commission regulation Title 10, Code of Federal Regulations, Part 50.

107-B:1-a Definition. *In this chapter, "assessed entity" means the entity or entities which have applied to the Nuclear Regulatory Commission for a license to operate or are licensed to operate a nuclear electrical generating facility which affects municipalities under RSA 107-B:1, II.*

107-B:2 Annual Emergency Response Budget. *The municipalities in each emergency planning zone shall submit annually their emergency response budget to the director of fire safety and emergency management who shall provide a reasonable opportunity for public comment and consideration. The director shall also receive and review the appropriateness of any budget request from any other state agency necessary for radiological emergency preparedness as outlined in the relevant plan. The director shall then submit an approved total annual budget to the [chairman of the public utilities commission] commissioner of safety for assessment [against the utility or utilities] under RSA 107-B:3 and RSA 107-B:4. Prior to assessing the annual budget, the commissioner shall consult with the assessed entity and obtain its input into the budget.*

107-B:3 Assessment and Reporting.

I. *The cost of preparing, maintaining, and operating [the nuclear planning and response program] a nuclear emergency response plan shall be assessed against each [utility which has applied for a license to operate or is licensed to operate a nuclear generating facility which affects municipalities under RSA 107-B:1, II.] assessed entity in such proportions as the [chairman of the public utilities commission] commissioner of safety determines to be fair and equitable.*

II. *[Assessments under this section shall not be charged to the normal operating costs of any company before the issuance of an operating license] The commissioner of safety shall enter into a memorandum of understanding with each assessed entity that contains mechanisms to address budget compliance and periodic reporting, performance standards to ensure compliance with federal emergency preparedness requirements, and other topics as the parties deem appropriate.*

III. *Within 60 days after the close of the fiscal year, the commissioner of safety shall cause a report to be prepared and provided to the assessed entity detailing the use of the fees assessed during the prior fiscal year.*

107-B:4 Collection of Assessment. *The [chairman of the public utilities commission] department of safety [shall certify to the office of emergency management the amount to be assessed against each utility, and the office of emergency management] shall bill each [utility] assessed entity for the amount assessed against it. The bill shall be sent by registered mail, and shall constitute notice of assessment and demand for payment. Payment shall be made to the [office of emergency management] department of safety within 30 days after the receipt of the bill. If any [utility] assessed entity shall fail or refuse to pay the assessed fee within 30 days, the [chairman] commissioner shall add to the fee a late penalty fee and certify the amount of the delinquent fee and penalty to the attorney general for collection.*

3 Authority in Radiological Emergency. Amend RSA 107-B:6 to read as follows:

107-B:6 Authority in Radiological Emergency. *In the event of a radiological emergency at a nuclear electric generating facility where the [responsible utility] operator is unable to control the situation as necessary to protect public health and safety, the governor shall regulate the [utility] facility under RSA [107:6] 4:45-4:47.*

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill transfers the responsibility for assessing fees under the nuclear planning and response program from the chairman of the public utilities commission to the department of safety. This bill also changes references to the director of emergency management to the director of fire safety and emergency management, and makes various other changes to the nuclear planning and response program.

HB 239, prohibiting the disclosure of certain information by a public utility. INEXPEDIENT TO LEGISLATE

Rep. Roy D. Maxfield for Science, Technology and Energy: This bill proposed limiting a public utility from releasing confidential customer information without customer permission. The committee learned that New Hampshire Public Utilities Commissions rule # 2004:08 meets all privacy parameters of the proposed legislation for electric and gas utilities. Telephone utilities are restricted by FCC's 1996 Telecommunications Act section 702 which states in part: that except as required by law or with written permission from the customer, a telecommunications carrier that receives or

obtains customer proprietary network information by virtue of its provision of a telecommunications service shall only use, disclose or permit access to individual identifiable customer proprietary network information in its provision of, (A) the telecommunication service from which such information is derived, or (B) services necessary to, or used in, the provision of such telecommunications service, including the publishing of a directory. Telephone subscribers can further restrict the listing or publishing of name and number if they choose. The committee concluded that existing rules and statutes meet or exceed the sponsor's goals with this legislation. Vote 18-0.

HB 436, relative to the acquisition of Connecticut Valley Electric Company and electric utility restructuring. **OUGHT TO PASS**

Rep. John H. Thomas for Science, Technology and Energy: This bill makes changes to existing law necessary to facilitate the acquisition of Connecticut Valley Electric Company, Inc. (CVEC) by Public Service Company of New Hampshire. The State Of New Hampshire and CVEC have been in litigation concerning the implementation of industry restructuring for CVEC, which is the only non-municipal electric utility in New Hampshire that has not achieved a deregulation plan. CVEC customers pay some of the highest rates in the state as result of long-term power purchase contracts. The sale of CVEC assets and its franchise will resolve both issues. CVEC, Central Vermont Public Service, the Governor's Office, PSNH, PUC, City of Claremont and many New Hampshire agencies such as the Office of Consumer Advocate, Governor's Energy Office, Legal Assistance, and Community Services have all supported this acquisition. Upon acquisition, the benefits to CVEC customers will be a 20% rate decrease for residential, 19% rate decrease for small business and 12% decrease for large business customers. Financial and legal uncertainties will end for CVEC customers and the right to chose an independent energy supplier will be realized. PSNH rates will not rise as a result of the acquisition. The stranded costs absorbed by the acquisition will be recovered in approximately three months via the existing stranded cost recovery charge. The economic benefits of this acquisition are substantial and were a major consideration of the committee. Vote 13-0.

HCR 8, urging the United States Congress to improve the prescription drug program provided to veterans. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard F. Heon for State-Federal Relations and Veterans Affairs: The majority of the committee felt that the New Hampshire General Court should hereby urge the United States Congress to make the necessary changes concerning the co-payment of \$7.00 per prescription rather than each prescription refill and return to the \$2.00 co-payment pursuant to the Veterans Millennium Health Care and Benefits Act of 1999. Vote 14-0.

Amendment (0250h)

Amend the resolution by replacing all after the resolving clause with the following:

That the general court of New Hampshire hereby urges that the Congress of the United States make the necessary changes concerning the copayment of \$7 per prescription, rather than each prescription refill, and return to the \$2 copayment pursuant to the Veterans Millennium Health Care and Benefits Act of 1999; and

That copies of this resolution signed by the speaker of the house of representatives and the president of the senate be forwarded by the house clerk to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the Secretary of the Department of Veterans Affairs, and to each member of the New Hampshire congressional delegation.

HB 477, establishing a 55 mile per hour speed limit on New Hampshire Route 9 from the Stoddard/Nelson town line to the Apple Hill road intersection in the town of Sullivan. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Letourneau for Transportation: This bill establishes a 55 mile per hour speed limit on New Hampshire Route 9 from ½ mile east of the Stoddard/Nelson town line to the intersection of Route 9 and Apple Hill Road in the town of Sullivan. This bill establishes a 45 miles per hour speed limit on Route 9 for ½ mile west of the Route 9 and Apple Hill Road intersection. This bill also increases the speed limit on New Hampshire Route 114 from north of Henniker to Bradford Village from 50 to 55 miles per hour. The sponsors of this measure made a compelling case for increasing the speed limit on this section of road. Photographs of the section of road in question revealed that after recent reconstruction the view is greatly enhanced and this section of road has been widened to increase both safety and visibility. Vote 15-0.

Amendment (0249h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing certain speed limits.

Amend the bill by replacing all after the enacting clause with the following:

1 Speed Limit Established; New Hampshire Route 9 East of the Stoddard/Nelson Town Line to the Apple Hill Road Intersection in the Town of Sullivan. Notwithstanding the provisions of RSA 265:60, II and RSA 265:62, I, the speed limit on New Hampshire Route 9 from ½ mile east of the Stoddard/Nelson town line continuing westerly to the intersection of Route 9 and Apple Hill road in the town of Sullivan shall be 55 miles per hour.

2 Speed Limit Established; A Portion of New Hampshire Route 9 in the Town of Sullivan. Notwithstanding the provisions of RSA 265:60, II and RSA 265:62, I, the speed limit on New Hampshire Route 9 in the town of Sullivan from the intersection of Route 9 and Apple Hill road westerly for ½ mile shall be 45 miles per hour.

3 Speed Limit Increased; New Hampshire Route 114 Between Henniker and Bradford Village. Notwithstanding the provisions of RSA 265:60, II and RSA 265:62, I, the speed limit on New Hampshire Route 114 from the north of Henniker to Bradford Village shall be increased from 50 to 55 miles per hour.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a 55 mile per hour speed limit on New Hampshire Route 9 from ½ mile east of the Stoddard/Nelson town line to the intersection of Route 9 and Apple Hill road in the town of Sullivan. The bill establishes a 45 mile per hour speed limit on Route 9 for ½ mile west of the Route 9 and Apple Hill road intersection. This bill also increases the speed limit on New Hampshire Route 114 from north of Henniker to Bradford Village from 50 to 55 miles per hour.

HB 602-FN, relative to vehicles with plow attachments. INEXPEDIENT TO LEGISLATE

Rep. Robert J. Letourneau for Transportation: The prime sponsor testified that he wrote this bill in error because of freshman enthusiasm, and further recommended that the committee not pass the bill. The committee concurred. Vote 14-0.

HB 687-FN, establishing adoption services number plates. INEXPEDIENT TO LEGISLATE

Rep. Lawrence A. Artz for Transportation: This bill establishes a special plate to promote adoption services. The reason for the inexpedient motion has nothing to do whether this committee supports adoption services or not. Passage of this bill would open up the door to each and every organization imaginable requesting special license plates. License plates serve one purpose only, and that is for law enforcement to properly identify the motor vehicle and its owner. States like Florida, Pennsylvania and Illinois have license plates for countless organizations that, in many cases, it is extremely difficult for law enforcement to properly identify the vehicle, and even the state in which the vehicle is registered. In addition, the sponsors of this bill have asked us to kill this bill for these reasons. Vote 15-0.

HB 721-FN, establishing a marine preservation number plate. INEXPEDIENT TO LEGISLATE

Rep. Robert J. Letourneau for Transportation: This bill would establish a marine preservation number plate to benefit habitat programs. The committee recognizes that there are many worthwhile organizations that could benefit from new revenue sources. However, the committee felt strongly that this is not the correct avenue to achieve this goal. The state of New Hampshire would become a pass through and bill collector for nonprofit organizations. This would be a strain on state resources for the benefit of a private nonprofit organization. Additionally, there would be no end of worthy organizations lining up to participate in number plate programs. The committee also recognizes that any additional special plates would greatly affect the sale of the conservation license plate (moose plate). Vote 15-0.

REGULAR CALENDAR**HB 248, requiring the disclosure of information to victims in juvenile delinquency cases. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.**

Rep. Gary C. Greenberg for the Majority of Children and Family Law: The committee majority felt that a victim should have the absolute right to know who the perpetrator was in a juvenile

delinquency proceeding at the time of arraignment. The majority felt that arrest was not an appropriate time for such required disclosure because the presumption of innocence still remained. Vote 11-4. Rep. Karen K. McRae for the Minority of Children and Family Law: The minority feels that the victim's rights to information outweigh the privacy rights of the perpetrator with respect to the victim. The current laws of confidentiality with respect to the public remain in force.

Majority Amendment (0243h)

Amend the bill by replacing all after the enacting clause with the following:

1 Delinquent Children; Court Sessions; Access to Information; Disclosure to Victim. Amend RSA 169-B:34, III to read as follows:

III.~~(a)~~ At any time after the ~~[arrest]~~ *arraignment* of a juvenile ~~[or the service of a juvenile petition]~~, the following information regarding the juvenile ~~[may]~~ *shall* be disclosed to the victim, upon the victim's request, by a law enforcement agency or the prosecution:

- (1) Name.
- (2) Age.
- (3) Address.
- (4) Gender.
- (5) Offense charged.
- (6) Custody status.
- (7) *Adjudicatory status and disposition.*

~~[(b) The information under subparagraph (a) shall not be unreasonably withheld.]~~

2 Effective Date. This act shall take effect 60 days after its passage.

Majority amendment adopted.

Majority report adopted and ordered to third reading.

HB 299, removing judicial discretion to order a divorced parent to contribute to an adult child's college expenses. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Thomas I. Arnold Jr. for the Majority of Children and Family Law: This bill removes the court's discretion to make orders regarding the children's post-secondary education at the time of their parent's divorce. This would simply put these divorced parents on an equal footing with married parents as to exercise of discretion regarding funding of post-secondary education of their children. Vote 10-6.

Rep. Margaret D. Hallyburton for the Minority of Children and Family Law: The majority feels that the obligation to provide for a child's education after high school is not a proper consideration for the divorce proceeding. The minority feels that since financial planning for your children's college education occurs while they are still young, it is an appropriate subject area for court order at the time of divorce.

On a division vote, 279 members having voted in the affirmative and 66 in the negative, the majority report was adopted.

Ordered to third reading.

HB 310, establishing a commission to study child support issues. **OUGHT TO PASS**

Rep. David A. Bickford for Children and Family Law: The last comprehensive child support study was completed in 1995. While a departmental review was done with public comment in the interim, the federal government requires states to review their child support guidelines every four years in order to continue to receive matching funds. Vote 14-1.

Adopted and ordered to third reading.

HB 135-FN-L, relative to charter schools. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John R. M. Alger for the Majority of Education: This bill creates a 10-year pilot program of up to 2 charter schools per year with charter approval by the state board of education. It simplifies the existing law so we finally may get charter schools started to serve educational niches on either a local or regional basis without immediate cost to the local school districts because state grants are awarded on delayed attendance. The charter school can receive a bankable reimbursement anticipation note for early student payable in three years until attendance records catch up with the students. The local school board must approve transfers to a charter school of more than 5% of resident pupils in each grade. Vote 13-6.

Rep. Deanna P. Rush for the Minority of Education: The minority feels this bill needs additional work and could be considered an unfunded mandate under RSA 28-a. The lack of a fiscal note for this bill sets a dangerous precedent. The Department of Education indicates this bill may increase local expenditures by an indeterminable amount in FY 2004, and each year thereafter. The state also becomes the LEA (Local Education Authority) for special education students. This bill eliminates the local approval process and does not even provide for informational hearings. In addition, there is the issue of the 3 year log in the transfer of funds from the state.

Rep. Rush spoke against.

Reps. Hunt and Alger spoke in favor.

Reps. Burling and Jacobson spoke against and yielded to questions.

Rep. Peter Sullivan spoke in favor and yielded to questions.

Rep. Rush requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority report was adopted.
Referred to Finance.

HB 378, prohibiting employees of any government agency from recommending the administration of psychotropic drugs for school children. **INEXPEDIENT TO LEGISLATE**

Rep. Mark S. Carter for Education: The education committee was generally sympathetic to the concerns raised by HB 378. However, there was no testimony heard in support of it. The committee felt that the NH Medical establishment should deal with the issues raised but the proposed legislation was inexpedient. HB 378 may raise question of equal enforcement under state law by delegating "policy" to each local school board. Further the bill would place a prohibition upon any non "health personnel" from recommending the use of psychotropic drugs for a pupil. It was felt that this prohibition would be unenforceable. Vote 13-5.

Adopted.

HR 6, relative to criteria for establishing house representative districts. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Charles F. Weed for the Majority of Election Law: This resolution clearly expresses the sentiment of the General Court regarding the goal of maximizing the number of single member districts in future redistricting within the parameters established by the New Hampshire Constitution.

In so far as circumstance permit, small towns and villages shall not be combined in electoral districts with substantially larger cities or towns. Electoral districts should reflect common interests and interaction in order to maintain the closeness of the people to their elected representatives. Vote 9-5. Rep. Raymond Buckley for the Minority of Election Law: The bi-partisan minority believes that HR 6 is premature. The committee currently has several bills in its possession regarding redistricting. We believe that any redistricting should be handled as a package and not piece meal.

Majority Amendment (0248h)

Amend the resolution by replacing the first paragraph after the title with the following:

Whereas, under part II, article 9 of the New Hampshire constitution, "There shall be in the legislature of this state a house of representatives, biennially elected and founded on principles of equality, and representation therein shall be as equal as circumstances will admit. The whole number of representatives to be chosen from the towns, wards, places, and representative districts thereof established hereunder, shall be not less than three hundred seventy-five or more than four hundred. As soon as possible after the convening of the next regular session of the legislature, and at the session in 1971, and every ten years thereafter, the legislature shall make an apportionment of representatives according to the last general census of the inhabitants of the state taken by authority of the United States or of this state. In making such apportionment, no town, ward or place shall be divided nor the boundaries thereof altered"; and Majority amendment adopted.

Reps. Weed and Dickinson spoke in favor.

Majority report adopted and ordered to third reading.

HB 55, prohibiting preferences in recruiting, hiring, promotion, or admission by state agencies, the university system, the regional community-technical colleges, and the postsecondary education commission. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Peter E. Bergin for the Majority of Executive Departments and Administration: This bill claims that the university system, the regional community-technical colleges, and the postsecondary education commission are giving preferential treatment to the recruiting, hiring, promotion and admission based on race, creed, color, sex or national origin. In 1974 the New Hampshire Constitution was amended to include the following wording in Part I Article 2 {Natural Right} "Equality of rights under the law shall not be denied or abridged by this state on account of race, creed, color, sex or national origin." It was put into the Constitution to make sure that any citizen of New Hampshire was not discriminated against. If a person was discriminated against based on Part I, Article 2, they could go to court under this article and be given legal due process. The sponsor of this bill claims that HB 55 would codify Part I, Article 2. We disagree as the Constitution already protects these inherent rights. Since 1974, there has not been one complaint or court case filed against the university system. In addition, during testimony and during subcommittee work, no evidence was given that showed preferential treatment was being given to admission of students in the state's university system, nor in the hiring and promotion of personnel in state agencies based on race, creed, color sex or national origin. Under the current federal executive order 11246 all public and private companies, institutions and university systems receiving federal funds must have an affirmative action plan. Currently, the University of New Hampshire has a diversity goal to recruit people of color in order to make its environment reflect society as a whole. It is not a quota system nor is it similar to the University of Michigan Law School weighted point system. It is a goal similar to the one currently being used by the Military Academy at West Point. HB 55 is trying to undermine Part I, Article 2 by using the words prohibiting preference. The Court could say that this is not the intention of Part II, Article 2 and declare HB 55 as unconstitutional. In addition, the words prohibiting preference could be applied to athletic scholarships, academic scholarships, legacies, financial aid, and in state versus out of state admissions. Presently, the US Supreme Court has the University of Michigan Law School case before it. When the decision is handed down in June it will clarify the equal protection clause. If at this time the legislature deems it necessary to clarify this decision, then legislation could be introduced. Over the last ten years New Hampshire has become a more diverse state and this will continue in the future. It would be unfortunate to deny students in the university system the opportunity to be prepared for the diverse world that they will enter into upon graduation. After reviewing the above, the committee voted inexpedient to legislate. Vote 17-2.

Rep. Margie Maybeck for the Minority of Executive Departments and Administration: This bill would codify Article 2 of the New Hampshire State Constitution, which states in part "Equality of rights under the law shall not be denied or abridged by this state on account of race, creed, color, sex or national origin." This article was passed by the house, senate and the voters in 1974. The bill also expands existing law by providing "No person shall be appointed or promoted to, or demoted or dismissed from, any position in the classified service, or in any way favored or discriminated against with respect to employment in the classified service because of the person's political opinions, religious beliefs or affiliations, age, sex, or race. In addition, no person shall have any such employment action taken on account of such person's sexual orientation." This bill would extend the law to ensure these constitutional rights were also applied to other state agencies, the university system, the regional community-technical colleges, and the postsecondary education commission. It simply extends the law to ensure these groups receive the constitutional rights to which they are entitled.

Rep. Sorg spoke against.

Reps. Dexter, Gonzalez, DeJoie and Bergin spoke in favor.

Reps. Weyler and Harrington spoke against and yielded to questions.

Rep. Harrington requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

The House recessed at 12:10 p.m.

RECESS**(Speaker Chandler in the Chair)**

The Speaker reconvened the House at 1:10 p.m.

CACR 8, relating to the attorney general. Providing that the attorney general be elected for the same term as the governor. **INEXPEDIENT TO LEGISLATE**

Rep. Peter E. Bergin for Executive Departments and Administration: This constitutional amendment would make the attorney general an elected office similar to the governor serving a two-year

term. The committee felt that this would politicize the position, as the candidates would have to raise monies to campaign. This could erode the impartiality of the position. Over the last 30 years, the state has had a number of outstanding attorney generals, one of which became a governor, another a justice on the US Supreme Court and another, a distinguished US senator. If it is not broken, why try to fix it. Vote 17-0.

Reps. Weyler and Phinizy spoke against.

Reps. Bergin and Hess spoke in favor.

Reps. Burling and DiFruscia spoke against and yielded to questions.

On a division vote, 273 members having voted in the affirmative and 74 in the negative, the committee report was adopted.

HB 677-FN, increasing the number of reserved student slots in medical programs, and establishing a loan forgiveness program for physicians who practice in underserved areas, and making an appropriation therefor. **OUGHT TO PASS**

Rep. Sandra C. Harris for Health, Human Services and Elderly Affairs: This bill is a request of the study committee established in Chapter 37, laws of 2002 (HB 1131). It increases from 5 to 20 the number of preferred access seats for New Hampshire residents seeking to attend medical school, and allows individuals who have completed their medical education to reduce their outstanding medical education loan indebtedness for each year of practice in a medically underserved area of the state. Currently, New Hampshire residents who want to become physicians have access to 5 seats at Dartmouth Medical School. While the General Court is to be commended for reserving those 5 seats in the late 1970's, the committee felt that number should be increased to 20 to keep pace with New Hampshire's growing population and to address the growing physician shortage, particularly in the North Country. This bill is intended to provide preference for New Hampshire students by reserving a total of 20 seats divided among 3 medical schools. This includes retaining seats at the Dartmouth Medical School. The committee feels that this increase in reserved seats will provide easier access for all residents seeking entrance to medical school and will also alleviate the need of NH residents to become residents of other states to gain an edge as an in-state student for admission to medical schools. This legislation also provides for hospitals to pool Hospital Community Benefits monies, if hospitals so choose, to extend existing state and federal monies in providing for recruitment and for a loan repayment program. The committee was very impressed by the number of people and expertise of those who spoke in favor of this bill, and by the testimony presented from the joint study. That testimony, the success of a similar program in Maine that combines reserved seats with clinical rotations in family practice and rural health, and a loan repayment program for physicians who want to practice in underserved area, convinced the committee to unanimously vote ought to pass. Vote 17-0.

Adopted.

Referred to Finance.

HB 194, relative to appeals in landlord/tenant actions **OUGHT TO PASS**

Rep. James W. Craig for Judiciary: This bill allows a limited appeal from the district court to the superior court in a landlord/tenant case. Currently such appeals are forwarded directly to the Supreme Court. That court takes a very small amount of these cases and only on issues of law. The superior court has to consider the findings of the district court to be "prima facie lawful and reasonable" and the court must use the district court record unless the judge, in his/her discretion, needs additional evidence to correct the absence of the district court record. Any tenant appealing would be required to pay rent, in full, when due, during pendency of the appeal. Vote 15-4.

Adopted and ordered to third reading.

HB 224, granting immunity from liability to law enforcement officers executing involuntary emergency mental health admissions. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. James E. Wheeler for the Majority of Judiciary: During the hearing there was no testimony that there is a problem. There have been no suits, and no disciplinary action because of an officer executing an involuntary mental health admission. While we are in support of the police in their extremely difficult job we felt this bill is totally unnecessary. We are hesitant to hand out immunity when there is no problem. We also have concerns about giving a whole patchwork of specific immunities that the general immunity, which the police already enjoy, will be compromised. We therefore recommend inexpedient to legislate. Vote 16-3.

Rep. Terri C. Dudley for the Minority of Judiciary: Director Sweeney of Police Standards and Training testified that his agency has recently been working with representatives from the mental health community to try to improve the training and response of police officers to the mentally ill. It is noted by Director Sweeney, "that under New Hampshire's laws on alcoholism and drug abuse, that a law enforcement officer taking a person into protective custody for public drunkenness, is immune from civil and criminal liability as long as their actions are reasonable and they are following the laws on public intoxication. We feel it is a serious gap in our laws that this protection is extended to an officer who brings someone in for detention or treatment for public intoxication, but not an officer who takes protective custody of a mentally ill person to bring them in for a mental status examination or serve an Involuntary Emergency Admission or Involuntary Non-Emergency Admission order issued through the mental health system. The passage of this bill will rectify that situation, place New Hampshire on par with other states that are taking enlightened efforts to encourage the police to deal sensitively with the needs of persons with mental illnesses." Police put their lives on the line each time they don a uniform. It is a fact that mental patients can sometimes become violent. A law that can further protect these public servants should be passed by this legislature.

Majority committee report adopted.

HB 308, adopting the uniform mediation act. **INEXPEDIENT TO LEGISLATE**

Rep. Robert H. Rowe for Judiciary: The mediation process in New Hampshire has been most successful in reducing the disputes that go to court. It is used in civil cases including marital matters. The purpose of this bill is to have us adopt a Uniform Mediation Act. To date, no other state has adopted this act. In reviewing this extensive bill, the committee found that the major part of the bill was devoted to the issue of confidentiality of the testimony offered by witnesses. The committee was not convinced that any big problems now exist in the area of confidentiality that needed to be addressed at this time. Further, this bill specifically states that a mediator need not have any special qualifications. This bill, if passed, would void any contradictory provisions of any existing New Hampshire mediation law. Vote 14-2.

Rep. Jacobson moved Recommit to committee, spoke in favor and yielded to questions.

Rep. Rowe spoke against recommit.

Motion failed.

Report adopted.

HB 343, establishing a boundary commission to determine the boundary between New Hampshire and Maine. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Peter B. Schmidt for the Majority of Municipal and County Government: This bill establishes a boundary commission to determine the boundary between New Hampshire and Maine, with special focus on the portion thereof constituted by the Piscataqua River. The bill's proponents offered persuasive testimony that, notwithstanding the U.S. Supreme Court decision of May 29, 2001, there are significant and substantive issues that remain unresolved. The amendment includes solicitation of information and testimony from Maine authorities. HB 343 does not seek further redress through the courts, nor does it expend additional state monies. The Municipal and County Government Committee believes the boundary commission can contribute to public awareness and understanding of the unresolved issues and possibly to a resolution acceptable to, and in the best interests of the people of the State of New Hampshire. Vote 10-2.

Rep. Nancy K. Johnson for the Minority of Municipal and County Government: While the committee heard passionate testimony concerning the boundary between Maine and New Hampshire, with a particular focus on the Piscataqua River boundary, the minority did not believe a boundary commission was likely to settle the issue. The State Attorney General's Office told the committee that there is no way this could get back before the U.S. Supreme Court. The only way the current boundary line could be changed is if New Hampshire and Maine reached agreement and then went to the U.S. Congress. The intent of this bill is admirable, but we cannot legislate Maine to go to the bargaining table with a New Hampshire commission.

Majority Amendment (0245h)

Amend paragraphs III-V of section 3 of the bill by replacing them with the following:

III. Solicit information and testimony from the proper authorities in the state of Maine relative to the boundary between the 2 states.

IV. Provide recommendations regarding the perambulation of the boundary, as required under RSA 1.

V. Solicit such additional information and testimony as the commission deems necessary in the performance of its duties.

Majority amendment adopted.

Majority report adopted and ordered to third reading.

HB 361-L, permitting municipalities to form regional water districts. OUGHT TO PASS WITH AMENDMENT

Rep. James E. Twombly for Municipal and County Government: This bill, as amended, would allow communities to form regional water districts. This is local enabling legislation. It creates a new political subdivision called a regional water district. The reason for formation of a regional water district is to permit the issuing of revenue bonds to the subdivision and establishing agreement language through a charter. RSA 53-A, "Agreements between Government Units" has been modified to include "regional water districts" along with RSA 33-B and specifically allows the newly formed district to issue revenue bonds or notes. There was some concern that there would not be any oversight of this new political subdivision and therefore there were no safeguards in place for the municipalities that make up this new district. The committee wanted to have some Public Utility Commission (PUC) oversight, at least at the beginning of the new district. Therefore the amendment has added that the regional water district will be considered a municipal corporation and for the first four years PUC will have rate oversight. The regional water district will also have to adopt and enforce quality of water standards always. This bill permits municipalities to form regional water districts and obtain municipal bonding, and subjects the entity to regulation by the public utilities commission. Vote 17-1.

Amendment (0282h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definitions. Amend RSA 33-B:1, I to read as follows:

1. "Authorized officers" means the treasurer of a municipality *or regional water district* and the mayor or city manager of a city, the selectmen of a town, and the commissioners or comparable officers of a village district, *and the directors, commissioners, or other officers of a regional water district.*

2 New Paragraph; Definitions. Amend RSA 33-B:1 by inserting after paragraph III the following new paragraph:

III-a. "Governing body" means the board of selectmen in a town, the board of aldermen or council in a city or town with a council, the village commissioners in a village district, or the directors of a regional water district.

3 Definitions. Amend RSA 33-B:1, IV to read as follows:

IV. "Legislative body" means the city council of a city, and the voters present and voting at an annual or special meeting of a town or village district, *or the directors of a regional water district.*

4 Definitions. Amend RSA 33-B:1, VI and VII to read as follows:

VI. "Revenue-producing facilities" means water works, sewerage systems, sewage treatment or disposal facilities, solid waste disposal or resource recovery facilities, parking facilities, facilities for the production, generation, transmission, or distribution of electricity or gas and any other real or personal property or interests in a municipality *or regional water district* owned or controlled by the municipality *or regional water district*, from the operation of which revenues are or are expected to be derived by the municipality, *or regional water district.*

VII. "Revenues" means any rates, rents, fees, charges and other receipts and moneys held or to be received by or on behalf of a municipality *or regional water district* from or with respect to the construction, financing, operation and disposition of a revenue-producing facility and all rights to receive the same including, without limitation, rates, rents, fees, charges and other moneys received for the use or occupancy of the facility or any part thereof or any service provided thereby, repayments of loans made in respect of the cost of the facility, grants, loans and other contributions from any governmental unit or any other person for or in respect of proceeds of the lease, sale or other disposition of the facility or any interest therein; revenues shall not include any ad valorem taxes on the real estate and personal property comprising any revenue-producing facility.

5 New Paragraph; Definitions. Amend RSA 33-B:1 by inserting after paragraph V the following new paragraph:

V-a. "Regional water district" means an entity formed by agreement between government units pursuant to RSA 53-A, for the purpose of providing and assuring the provision of an adequate and sustainable supply of clean water.

6 Issuance of Revenue Bonds. Amend RSA 33-B:2 to read as follows:

33-B:2 Issuance of Revenue Bonds. A municipality *or regional water district* may issue bonds or notes under this chapter for construction of revenue-producing facilities. Bonds issued by a municipality *or regional water district* under this chapter shall not be deemed to be a pledge of the faith and credit of the state or of the municipality *or municipalities that are members of a regional water district*. Except as otherwise provided in this chapter, the principal of, premium, if any, and interest on all bonds shall be payable solely from the particular funds provided therefor under this chapter. ~~[The bonds]~~ *Bonds issued by a municipality* shall be issued in such amounts as the legislative body may authorize by a ~~[2/3]~~ vote as required under RSA 33:8 or 9, as applicable. *Bonds issued by regional water districts shall be issued in such amounts as the governing body may authorize pursuant to the regional water districts charter.* Bonds of each issue shall be dated, shall bear interest at such rate or rates, including rates variable from time to time as determined by such index, banker's loan rate or other method as may be determined by the authorized officers, and shall mature at such time or times as may be determined by the authorized officers, except that no bond shall mature more than 40 years from the date of its issue or beyond the expiration of the expected useful life of the facilities being financed by the bonds as determined by the authorized officers. Bonds may be made redeemable before maturity at the option of the municipality *or regional water district* at such price or prices and under such terms and conditions as may be fixed by the authorized officers prior to the issue of bonds. The authorized officers shall determine the form and details and the manner of execution of bonds. The municipality *or regional water district* may sell its bonds in such manner, either at public or private sale, for such price, at such rate or rates of interest, or at such discount in lieu of interest, as the authorized officers may determine. The provisions of RSA 33:11-a, 14 and 15 shall apply to bonds issued under this chapter.

7 Definition. Amend RSA 35-A:3, VI to read as follows:

VI. "Governmental unit" means any county, city, town, school district, village district or other body corporate and politic having the power either to levy taxes, or to provide for rates, charges, or assessments, whether established by general law or by special statute.

8 New Paragraph; Definition. Amend RSA 38:1 by inserting after paragraph IV the following new paragraph:

V. "Regional water district" means any regional water district formed pursuant to RSA 53-A, for the purpose of providing and assuring the provision of an adequate and sustainable supply of clean water.

9 Establishment, Acquisition, and Expansion of Plants. Amend the introductory paragraph of RSA 38:2 to read as follows:

Any municipality *or regional water district* may:

10 New Section; Regional Water Districts. Amend RSA 38 by inserting after section 3 the following new section:

38:3-a By Regional Water Districts. Any regional water district may initially establish such a plant after 2/3 of the members of the governing body of the district shall have voted affirmatively, and a majority of the constituent municipalities of the district by a majority vote of their legislative bodies have confirmed that vote. Such confirming vote shall create a rebuttable presumption that such action is in the public interest. If the vote is unfavorable, the question shall not be again submitted to the constituent municipalities within 2 years thereafter.

11 Public Agency Defined. Amend RSA 53-A:2 to read as follows:

53-A:2 Public Agency Defined. For the purposes of this chapter, the term "public agency" shall mean any political subdivision of this state or of any adjoining state and any quasi-municipal corporation, including but not limited to school districts, village districts, *regional water districts*, and special districts.

12 New Paragraph; Public Utility; Definitions. Amend RSA 362:4 by inserting after paragraph V the following new paragraph:

VI.(a) For purposes of this chapter, a municipal corporation shall include a regional water district.

(b) During the initial 4 years of its operation, if a regional water district seeks to alter rates other than in a manner that uniformly impacts all customers within the district, any municipality

that is a member of the regional water district may seek commission review of the proposed rate change. In order for the proposed rate change to take effect, the commission must determine that the proposed rates are cost-based and that they are not unduly discriminatory.

(c) A regional water district shall adopt and enforce quality of water service standards consistent with the commission's administrative rules.

13 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill permits municipalities to form regional water districts and obtain municipal bonding, and subjects the entity to regulation by the public utilities commission.

Adopted.

Rep. Boyce spoke against.

Rep. Patten spoke in favor.

Report adopted and ordered to third reading.

HR 7, urging increased consideration and preservation of local authority in international trade and investment agreements. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Timothy E. Easson for the Majority of State-Federal Relations and Veterans Affairs: While the concern for state and local sovereignty is noteworthy, this resolution jumps to a conclusion while seeking a committee to study the issue further. The majority also felt that states and localities are protected by the Eleventh Amendment and that previous decisions by international bodies have no teeth in the United States. Vote 12-1.

Rep. Cynthia P. Sweeney for the Minority of State-Federal Relations and Veterans Affairs: The minority believes that this resolution addresses many valid concerns raised by the expansion of international trade agreements. The needs and concerns of the people affected must be heard in all trade agreement negotiations.

Reps. Weed and Hinkle spoke against.

Reps. Easson and Peter Sullivan spoke in favor.

Rep. Weed requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority committee report was adopted.

BILLS REMOVED FROM CONSENT CLENDAR

HB 288-FN, imposing a criminal penalty for the dissemination of certain materials without consent. **OUGHT TO PASS**

Rep. William V. Knowles for Criminal Justice and Public Safety: This legislation makes it a Class A misdemeanor for a person to without the specific consent of the person or persons entitled to privacy, disseminate any material acquired as a result of the violation of such privacy. Vote 15-0.

Rep. Welch moved Recommit to committee and spoke in favor.

Adopted.

Recommitted to Criminal Justice and Public Safety.

HB 337-FN-A-L, relative to state funding of county correctional facilities. INEXPEDIENT TO LEGISLATE

Rep. Frederick W. King for Finance: The committee heard compelling testimony of the impact on county budgets for costs associated with inmates serving time for infractions of state laws. Given the fiscal impact and the uncertainty of state revenues the committee voted against passage of this legislation. Vote 20-0.

Rep. Cloutier spoke against.

Rep. Wheeler spoke in favor.

Rep. Nordgren requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.

Rep. Winchell did not vote and wished to be recorded in favor.

HB 428, relative to limiting liability of vendors and property owners during the operation of a farmers' market. **INEXPEDIENT TO LEGISLATE**

Rep. Gregory M. Sorg for Judiciary: This bill would limit the liability of property owners during the operation of farmers' markets to intentionally caused injury or damage, and that of vendors to willful, wanton or reckless conduct. In voting this bill inexpedient to legislate, the committee noted that all witnesses conceded that the liability concerns that inspired it are not based on any actual adverse experience, but on generalized fears of a perceived litigious environment. The committee believes it to be unwise to carve out areas of immunity where no actual problem has been shown to exist, and thereby tempt the gods of unintended consequences. The witnesses also expressed an inability to obtain insurance coverage. They also testified, however, that farmers' markets are a spreading and expanding phenomenon, and this, together with their acknowledged history of safe operation and an absence of lawsuits can confidently be expected to lead to the creation of a market for reasonably priced insurance, as it always has for new commercial enterprises. Vote 13-4. Rep. Ahern moved Recommit to committee and spoke in favor.

Rep. Allen spoke in favor.

Rep. Sorg spoke against and yielded to questions.

On a division vote, 92 members having voted in the affirmative and 241 in the negative, the motion failed.

Report adopted.

HB 574-FN, relative to retail vehicle dealer registrations. INEXPEDIENT TO LEGISLATE

Rep. Sherman A. Packard for Transportation: This bill would disassemble a good portion of the work that the Transportation committee has spent two years working on. During the 1997-1998 legislative session, the committee revised the dealer plate, transport, wholesale, utility and repair plate laws. Those revisions were done to contain the gross abuse that was happening in the car business. The Transportation Committee, Department of Safety and the New Hampshire Auto Dealers Association crafted a good set of laws that was fair to everyone in the business of selling cars. It protects both the large and small dealers. Repeal of the 1200 square feet rule would allow anyone who sells more than five cars a year the ability to obtain dealer slot. This could conceivably cost the cities and towns tens of thousands of dollars in registration fees, and again open up the automobile business to massive abuse once more. Vote 14-0.

Rep. Packard spoke in favor.

Adopted.

HB 579-FN, abolishing all requirements for certificates of title for motor vehicles. INEXPEDIENT TO LEGISLATE

Rep. Robert J. Letourneau for Transportation: This bill would abolish all requirements for certificates of title for motor vehicles. In addition to not being able to know for sure if you are buying a stolen car or at the very least know the past history of your vehicle, the state would see a revenue loss of over 14 million dollars in the general fund and over 21 million dollars in the highway fund from Fiscal Year 2004 to Fiscal Year 2007. Vote 15-0.

Rep. Marple spoke against and requested a roll call; sufficiently seconded.

Rep. Letourneau spoke in favor.

The question being adoption of the committee report.

and the committee report was adopted.

Rep. Winchell did not vote and wished to be recorded in favor.

RESOLUTION

Rep. Hess offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bill numbered 25-FN-A, shall be by this resolution read a first and second time by the therein listed title, sent for printing and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL

First, second reading and referral

HB 25-FN-A, making appropriations for capital improvements. (E. Smith, Ches 26: Public Works and Highways)

Adopted.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 62 and 67 shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 62, relative to the application and enforcement of the state building code. (Municipal and County Government)

SB 67, relative to a report on municipal water needs. (Resources, Recreation and Development)

SENATE MESSAGE

CONCURRENCE

HCR 16, a resolution urging increased diplomacy to achieve a just, peaceful, and rapid resolution of the conflict between India and Pakistan relative to the state of Jammu and Kashmir.

SUSPENSION OF RULES

Reps. Hess and Burling moved that House Rule 43a be so far suspended as to allow public hearings and meetings to be held Friday, February 21, 2003 for the following Bills:

HB 70, establishing a commission to study government actions that contribute to involuntary homelessness.

HB 342, restricting the use and display of social security numbers and establishing a private right of action under the right to privacy act.

HB 384, relative to financial affidavits in domestic relations cases, and establishing a private right of action under the right to privacy act.

HB 507, relative to certain statutes that set minimum requirements for employee benefit plan procedures pertaining to the filing of benefit claims, notification of benefit determinations, and appeal of adverse benefit determinations.

HB 431, eliminating application of the rule against perpetuities to instruments that contain safeguards relative to the continued alienability of property.

HB 711-FN, relative to the regulation of retail installment sales of motor vehicles.

HB 506, establishing a committee to study the retention of membership fees in health clubs.

HB 481, prohibiting unfair trade practices in the production and sale of milk and dairy products.

HB 613-FN-L, relative to incineration and air quality.

HB 609-FN-A, relative to public interest payphones.

HB 330, relative to public utilities mergers and acquisitions.

HB 331-FN, relative to discovery in public utilities commission proceedings.

Reps. Burling, Owen and Phinizey spoke to the motion.

Adopted by the necessary two-thirds.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet at the Call of the Chair.

Adopted.

LATE SESSION

Third reading and final passage

HB 131, relative to enforcement of negotiable instruments under Article 3 of the Uniform Commercial Code.

HB 178, relative to detention for violations of protective orders.

HB 192, relative to disposal of controlled drugs in possession of law enforcement officers.

HB 215, relative to expungement of records contained in the DNA database.

HB 336-L, relative to the development and adoption of the school administrative unit budget.

HB 128, relative to the treatment of horses.

HB 166, relative to employees of the New Hampshire retirement system

HB 320, relative to permitting additional contributions in the city of Manchester employees contributory retirement system.

HB 321, relative to ordinary and accidental death benefits in the city of Manchester employees contributory retirement system.

HB 327, establishing a committee to study the use of state vehicles.

HB 461, establishing a commission to study financial exploitation of the elderly and persons with disabilities.

HB 108, relative to the adoption of an optional veterans' property tax credit.

HB 295, relative to information filed with the regional planning commissions.

HB 560, relative to penalties for operating an aircraft while under the influence of alcohol or drugs and making a technical correction.

HB 561, repealing the Uniform Aircraft Financial Responsibility Act.

HB 571-FN-L, relative to Old Newport Road and the end of Main Street in the town of Marlow.

HB 802-FN-A, encouraging the department of transportation to retrofit a highway rest stop to be a solar powered facility.

HB 233, to the nuclear planning and response program.

HB 436, relative to the acquisition of Connecticut Valley Electric Company and electric utility restructuring.

HCR 8, urging the United States Congress to improve the prescription drug program provided to veterans.

HB 477, establishing certain speed limits.

HB 248, requiring the disclosure of information to victims in juvenile delinquency cases.

HB 299, removing judicial discretion to order a divorced parent to contribute to an adult child's college expenses.

HB 310, establishing a commission to study child support issues.

HR 6, relative to criteria for establishing house representative districts..

HB 194, relative to appeals in landlord/tenant actions.

HB 343, establishing a boundary commission to determine the boundary between New Hampshire and Maine.

HB 361-L, permitting municipalities to form regional water districts.

UNANIMOUS CONSENT

Reps. Jacobson and Wendelboe addressed the House

Rep. Thomas moved that their remarks be printed in the Permanent Journal. The Speaker so ordered.

Rep. Jacobson: Thank you, Mr. Speaker. Yesterday marked the 58th anniversary of the Battle of Iwo Jima and I come again to honor those who served with me in the Battle of Iwo Jima. You know, we live in a changing world that may not necessarily be for the better. One of the things that I discovered the other day was that there were sixteen and a half million who served in the armed services; now there are less than 5 million. So more than 70 percent of our veterans have now gone to their reward and every day the number grows. As some of you know, I like pretty girls. As a young Marine, along with other Marines, we used to whistle at them and they would smile and wave back. Not today. I just read an article that in New York, a bunch of guys whistled at a girl and she promptly went to the police station and accused them of sexual harassment. Indeed, our structure is changing. Last night there was a claim made that we are becoming a nation that fears, be it biological war, chemical war, nuclear war. Now that would have been strange to my fellow Marines because they did, and I do, believe in a vibrant, strong, free and independent United States of America. And with that in mind, I simply want to say that I give all due honor to those more than 7,000 Marines who, on Iwo Jima, gave of the total of their lives and today, you and I still enjoy the benefits that they preserved for us, and I hope we can continue to do the same. Thank you.

Rep. Wendelboe: Thank you, Mr. Speaker. I would like to, on behalf of the entire body, and I think everybody will agree with me, this is my seventh time hearing Rep. Jacobson's comments about

Iwo Jima. I hope I hear him many more years to come. But I have to tell you, last summer in my travels, I came across, at a veterans' conference, a memorial commemorative pin of Iwo Jima. I would like you to join with me today in acknowledging our thanks. I wasn't at Iwo Jima and I think most of, probably all of you weren't there, but I would like to thank Rep. Jacobson for keeping us aware and making us remember and I hope he wears this with honor.

Rep. Jacobson: I just want to say that this pin is a pin that was made famous on Iwo Jima on the top of Mount Suribachi. Thank you all.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 3:35 p.m.

RECESS

(Rep. Alger in the Chair)

RESOLUTION

Rep. Lars Christiansen offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bill numbered 1 shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL

First, second reading and referral

HB 1-A, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 2004, and June 30, 2005. (Kurk, Hills 48; Green, Dist 6: Finance)

RECESS

(Rep. MacKay in the Chair)

RESOLUTION

Rep. Peter Sullivan offered the following: RESOLVED, that the late drafting and introduction having been approved by the Rules Committee, in accordance with the list in the possession of the Clerk, House Bill numbered 2 shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

INTRODUCTION OF HOUSE BILL

First, second reading and referral

HB 2-FN-A, relative to state fees, funds, revenues, and expenditures. (Kurk, Hills 48; Green, Dist 6: Finance)

RECESS

(Rep. Hunt in the Chair)

RESOLUTION

Rep. Patten offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 22, 39, 41, 43, 44, 51, 53, 56, 57, 104 and 172 shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 22, amending the duties of the public higher education study committee. (Education)

SB 39, relative to the results of a preliminary breath test as evidence in court. (Criminal Justice and Public Safety)

SB 41-FN, relative to the installation of airbags. (Transportation)

SB 43, relative to archives and records management. (Executive Departments and Administration)

SB 44, relative to penalties for vehicle dealers. (Transportation)

SB 51-FN, relative to membership on the New England Board of Higher Education. (Education)

SB 53, establishing an advisory board to the labor commissioner and relative to the terms of the members of the compensation appeals board. (Labor, Industrial and Rehabilitative Services)

SB 56-FN, relative to parking for persons with disabilities. (Transportation)

SB 57-FN, relative to certain accounts within the fish and game fund. (Fish and Game)

SB 104, relative to state administration of medicaid benefits and services for individuals who are deaf or hard of hearing. (Health and Human Services & Elderly Affairs)

SB 172-FN, increasing certain fees charged by the secretary of state. (Ways and Means)

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 8

Thursday, March 6, 2003

The House assembled at 10:00 a.m. and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Good and gracious God, we especially remember before You today Rep. Natalie Flanagan and also Rep. George Liebl's son, and ask for healing and comfort in their lives. We remember with thanks-giving the life of Katharina Brundige, the wife of Rep. Robert Brundige, whose life is now embraced in Your nearer presence. We ask that Your loving hand be upon those who mourn.

May the legislative work accomplished today in this honorable House be done for the true benefit of all the citizens of our beloved New Hampshire, that all may share equally in the many blessings You continue to bestow upon us.

As always, we especially ask Your protective blessing to be with those who serve in the armed forces, police and fire service and their loved ones, who stand in harm's way today in the defense of our country and our communities. Amen.

Rep. Robert J. Wiley led the Pledge of Allegiance.

The National Anthem was sung by Keith Veale, Josh Dennis and Rich Smith, students from Merrimack High School.

LEAVES OF ABSENCE

Reps. Flanagan and Rice, the day, illness.

Reps. Daniels, Dewhirst, Drisko, Donald Flanders, Flayhan, Hollinger, Lessard, Mooney, Musler, Perkins, Reed, Donald Smith, Jeffrey Sullivan, Tholl, Vallone and Winchell, the day, important business.

Rep. Liebl, the day, illness in the family.

Reps. Brundige and Whalley, the day, death in the family.

INTRODUCTION OF GUESTS

James Peabody, Scibi Magor and Liviu Radu, guests of Rep. Dorsett. George Shultis and Ann Huntoon, husband and guest of Rep. Shultis. Marjorie Chaifery, John House-Myers, John Hall, Patrick McGrath and Davis Powell, guests of the Merrimack Delegation. Lydia Scott and Eileen Williams, wife and guest of Rep. Scott. Albert and Tim St. Pierre, guests of Reps. Phinizy and Ferland. Joshua Blanchard, grandson of Rep. Elizabeth Blanchard.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 458, establishing a committee to study the health and environmental effects of using industrial-grade silicofluorides and industrial-grade sodium fluoride for water fluoridation in New Hampshire, removed by Rep. Hagan.

Consent Calendar adopted.

HB 121, relative to grounds for modification of a permanent child custody order. **OUGHT TO PASS WITH AMENDMENT**

Rep. Margaret D. Hallyburton for Children and Family Law: This bill updates the existing law on modification of permanent custody in two ways. First, it adds language to address the situation when each parent has the children half the time, but neither is satisfied with the situation. The best interest standard is applied. Second, the bill lowers the threshold for intervention by a parent when a child's health or education is jeopardized. The amendment simply fine-tunes the wording. Vote 15-1.

Amendment (0320h)

Amend RSA 458:17, V(a)(3) as inserted by section 1 of the bill by replacing it with the following:

(3) ~~[The circumstances affecting the welfare of the child have been so greatly altered that there is a strong possibility that the child will be harmed if the child continues to live under the~~

~~present arrangement; or~~ *The child's present environment is detrimental to the child's physical, mental, or emotional health, or impedes the child's education under applicable law, and the advantage to the child outweighs the harm likely to be caused by a change in environment;*

HB 153-FN, relative to grounds for termination of parental rights. **OUGHT TO PASS**

Rep. Margaret D. Hallyburton for Children and Family Law: This bill corrects the anomaly in the Termination of Parental Rights statute whereby a parent's rights may be terminated for the murder of a sibling, but may not be terminated for the murder or attempted murder of the other parent. All testimony was in support of the bill. Vote 14-0.

HB 214, relative to discovery deposition of minors in criminal cases. **OUGHT TO PASS WITH AMENDMENT**

Rep. Thomas I. Arnold Jr. for Children and Family Law: This bill as amended merely confirms in statute the expression "at the time of the deposition" which is already the Supreme Court's definition of the present language being, "at the time of the alleged offense." Vote 12-0.

Amendment (0180h)

Amend RSA 517:13, V as inserted by section 1 of the bill by replacing it with the following:

V. Notwithstanding this section, no party in a criminal case shall take the discovery deposition of a victim [~~who was 16 years of age or under at the time of the alleged offense or of any witness who was 16 years of age or under at the time of the alleged offense~~] *or witness who has not achieved the age of 17 years at the time of the deposition.*

HB 323, relative to the task force on family law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Mary Stuart Gile for Children and Family Law: This bill proposed removing the requirement that house members on the Task Force on Family Law represent particular legislative committees and further, to extend the reporting date. The committee amended the bill to continue current membership of one member each from the Children and Family Law and Judiciary committees, and voted to extend the date for submitting the Task Force's final report to November 1, 2004. Vote 14-0.

Amendment (0331h)

Amend the bill by deleting section 1 and renumbering the original sections 2-3 to read as 1-2, respectively.

AMENDED ANALYSIS

This bill extends the task force on family law established in 2002, 250, to November 1, 2004.

HB 496, establishing a committee to study the inclusion of New Hampshire in the Amber Alert program. **INEXPEDIENT TO LEGISLATE**

Rep. Edward P. Moran Jr. for Children and Family Law: There was general agreement that the Amber Alert concept was a good one, but the sponsor of this bill decided that a resolution would be more productive than another study. Procedurally, the committee was advised that it was appropriate to find this bill inexpedient to legislate with a recommendation that the sponsor return in April with a resolution. The sponsor concurs with this. Vote 14-1.

HB 512, relative to disability parking enforcement. **INEXPEDIENT TO LEGISLATE**

Rep. James H. Oliver for Criminal Justice and Public Safety: This bill would allow holders of handicapped plates or placards to issue parking citations to persons parking in spaces reserved for those with disabilities. Although the committee agrees with the severity of these violations, it feels current statutes and local police enforcement is the most efficient way to deal with the problem. Vote 12-0.

HB 521-FN, relative to requiring treatment for persons convicted of DWI offenses. **OUGHT TO PASS WITH AMENDMENT**

Rep. Laura C. Pantelakos for Criminal Justice and Public Safety: This bill provides for the carrot and stick approach to entice persons convicted of DWI to enter treatment early. A person convicted of DWI will have the period of revocation extended. If the person enters the required treatment within 45 days of conviction, upon completion the court may suspend the additional portion of the license loss. Under no conditions shall the license loss be less than the loss required under current law. The bill further requires that upon conviction for first offense DWI a person who has been

required to attend an Impaired Driver Intervention Program or any similar program in any jurisdiction shall be required to furnish proof of completion of the Multiple Offender Program. The committee felt that early entry into treatment programs offers the best means to prevent reoccurrence and foster rehabilitation. Vote 13-0.

Amendment (0370h)

Amend the bill by replacing section 2 with the following:

2 Penalties for Intoxication or Under Influence of Drugs Offenses; Impaired Driver Intervention Program. Amend RSA 265:82-b, I to read as follows:

I. Except as otherwise provided in this section:

(a) Any person who is convicted of any offense under RSA 215-A:11, I or RSA 265:82 shall be:

(1) Guilty of a violation;

(2) Fined not less than \$350;

(3) *Required to furnish proof of successful completion of an impaired driver intervention program prior to the restoration of the person's driver's license or privilege to drive, provided that, if the person has previously completed, or been required by a court or motor vehicle bureau to complete, an impaired driver intervention program or any similar program in any jurisdiction, the person shall be required to furnish proof of successful completion of the multiple DWI offender intervention detention center program or an equivalent 7-day residential intervention program approved by the commissioner of health and human services; and*

[~~(3)~~] (4) The person's driver's license or privilege to drive shall be revoked for not less than ~~[90 days]~~ 9 months and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years. *The court may suspend up to 6 months of this sentence, provided that the person has entered into the relevant driver intervention program required by subparagraph (3) within 45 days after conviction, or as soon thereafter as any extenuating circumstances approved by the department of health and human services allow.*

(b) Any person who is convicted of any aggravated DWI offense under RSA 215-A:11, II, or RSA 265:82-a, except as provided in subparagraph (c), shall be:

(1) Guilty of a misdemeanor;

(2) Fined not less than \$500;

(3) *Required to furnish proof of successful completion of an impaired driver intervention program prior to the restoration of the person's driver's license or privilege to drive, provided that, if the person has previously completed, or been required by a court or motor vehicle bureau to complete, an impaired driver intervention program or any similar program in any jurisdiction, the person shall be required to furnish proof of successful completion of the multiple DWI offender intervention detention center program or an equivalent 7-day residential intervention program approved by the commissioner of health and human services; and*

[~~(3)~~] (4) The person's driver's license or privilege to drive shall be revoked for not less than ~~[1 year]~~ 18 months and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years. *Except for good cause found by the court and noted in writing, the court may suspend up to 6 months of this sentence, provided that the person has entered into the relevant driver intervention program required by subparagraph (3) within 45 days after conviction, or as soon thereafter as any circumstances approved by the department of health of human services allow.*

(c) Any person who is convicted of aggravated DWI under RSA 215-A:11, II(a)(1) or II(b)(1), or RSA 265:82-a, I(b) or II(b), shall be:

(1) Guilty of a class B felony;

(2) Fined not less than \$1,000;

(3) *Required to furnish proof of successful completion of an impaired driver intervention program prior to the restoration of the person's driver's license or privilege to drive, provided that, if the person has previously completed, or been required by a court or motor vehicle bureau to complete, an impaired driver intervention program or any similar program in any jurisdiction, the person shall be required to furnish proof of successful completion of the multiple DWI offender intervention detention center program; and*

[~~(3)~~] (4) The person's driver's license or privilege to drive shall be revoked for not less than ~~[1 year]~~ 18 months and, at the discretion of the court, such revocation may be extended for a period not to exceed 2 years. *Except for good cause found by the court and noted in writing, the*

court may suspend up to 6 months of this sentence, provided that the person has entered into the relevant driver intervention program required by subparagraph (3) within 45 days after conviction, or as soon thereafter as any extenuating circumstances approved by the department of health and human services allow.

Amend the bill by replacing section 6 with the following:

6 Penalties for Intoxication or Under Influence of Drugs Offenses; Persons With Prior Convictions. Amend RSA 265:82-b, III to read as follows:

III. If any person is convicted of a violation of RSA 215-A:11, RSA 265:82, or RSA 265:82-a, and the conviction is not based upon a complaint which alleges prior convictions as provided in RSA 265:82-b, II, but the person is found to have had one or more such prior convictions in this state or in an out-of-state jurisdiction within 10 years preceding the date of the offense, the person's driver's license or privilege to drive shall be revoked for not less than ~~[180 days]~~ *one year* nor more than 3 years. ~~[The license shall not be restored until the person has successfully completed a]~~ *Except for good cause found by the court and noted in writing, the court may suspend up to 6 months of this sentence, provided that within 45 days after conviction the person has entered the 7-day program at the state-operated multiple DWI offender intervention detention center program or an equivalent 7-day residential intervention program approved by the [director of the office of alcohol and drug abuse prevention], commissioner of health and human services; as provided in RSA 172-B:2-b and RSA 263:65-a[~~at the person's own expense~~]. The person's license shall not be restored until the person has successfully completed the program.* The court may further order attendance at a residential treatment center, for a period not to exceed 30 days, at the person's own expense.

HB 633-FN, establishing the interstate compact for adult offender supervision. **OUGHT TO PASS**

Rep. David A. Welch for Criminal Justice and Public Safety: HB 633 establishes the interstate compact for adult offender supervision, it replaces the original compact that was created in 1937 and is seriously outdated. As of this date, all but a handful of states have adopted the compact and the temporary authority of New Hampshire to operate under the compact will expire in November. Should New Hampshire fail to enact this legislation, there will be no mechanism to require that probationers/parolees that are transferred to New Hampshire be returned to their home state should they violate the terms of probation/parole. Conversely, the sending state could just "dump" their problem probationers/parolees with no recourse for the state of New Hampshire. The committee feels that this is an important and necessary piece of legislation to protect the people of the state of New Hampshire. Vote 13-0.

HB 766, relative to the information required for a license to carry a pistol or revolver. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: The purpose of this bill is to clarify the current law as it applies to information required for a license to carry a pistol or revolver. It comes about because some police chiefs require a photograph and/or fingerprints as part of the application process. There is no provision in the law that allows this and there was testimony that the legislative intent of the original bill was not to make such a requirement. Further, the Committee received a copy of a letter from the Attorney General's office rendering the opinion that the statute does not allow the issuing authority to require the photographing or fingerprinting of an applicant. Recognizing that in a rare circumstance, such as an instance of mistaken identity, might cause difficulty for the applicant, a provision is made for the applicant to request that he or she be photographed or fingerprinted to bring a resolution to the question. Vote 13-0.

Amendment (0285h)

Amend RSA 159:6, II as inserted by section 1 of the bill by replacing it with the following:

II. No photograph or fingerprint shall be required or used as a basis to grant, deny, or renew a license to carry for a resident or nonresident, unless requested by the applicant.

AMENDED ANALYSIS

This bill prohibits the use of photographs or fingerprints as a basis for granting, denying, or renewing a license to carry for a resident or nonresident, unless requested by the applicant.

HB 499, expanding opportunities for teacher certification. **OUGHT TO PASS WITH AMENDMENT**

Rep. John R. M. Alger for Education: This bill will add certification of New Hampshire teachers through the American Board for Certification of Teacher Excellency (ABCTE), a part of the re-

enacted Federal Elementary and Secondary School Act entitled "No Child Left Behind". The committee, the school board and the Superintendents' Association, along with the National Educators Association, supported the bill, as does the New Hampshire Department of Education, as amended. The committee heard an outstanding presentation on the program by Dr. Madigan, the President of ABCTE. It is especially aimed at encouraging people of other professions to obtain a teaching certification and offers "passport" certification across the various states. Vote 17-0.

Amendment (0227h)

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 New Paragraph; Master Teacher Certification. Amend RSA 189:14-f by inserting after paragraph III the following new paragraph:

IV. Any person possessing a valid certification from the American Board for Certification of Teacher Excellence as a master teacher shall be deemed to have fulfilled the requirements for the master teacher credential set forth in this section.

AMENDED ANALYSIS

This bill requires the state board of education to adopt rules:

I. Recognizing certification by the American Board for Certification of Teacher Excellence as equivalent to a credential issued by the department of education.

II. Allowing school districts to elect to follow the guidelines of the American Board for certification of Teacher Excellence in the hiring of school district staff and administrative personnel.

III. Recognizes master teacher certification issued by the American Board for Certification of Teacher Excellence as equivalent to the master teacher credential in this state.

HB 165, relative to the text of constitutional amendment questions. **INEXPEDIENT TO LEGISLATE**

Rep. Richard B. Drisko for Election Law: The intent of this bill was to have a proposed constitutional amendment presented on the ballot in both the current and the proposed form for the voter to view prior to voting. The committee felt that currently a pamphlet issued with the ballot provides this information and not only would the bill cause a duplication but also make the ballot itself unnecessarily cumbersome. Vote 12-1.

HB 309-L, relative to placement and removal of political advertising. **INEXPEDIENT TO LEGISLATE**

Rep. Andrew L. Dorsett for Election Law: This bill would enable the code enforcement officer as well as a law enforcement officer to remove improper political advertising. However, the committee felt that the current law possesses problems concerning constitutionality and that these problems should not be added to. Vote 11-0.

HB 391, requiring candidates to acknowledge restrictions on political advertising. **INEXPEDIENT TO LEGISLATE**

Rep. Raymond Buckley for Election Law: The committee strongly supports the intent of the sponsor to reinforce the awareness of the prohibition of placing political signs on public property. We feel, although, that adding such language on the form that candidates use to file for office is inappropriate and would most likely encourage many other equally important suggested additions making the form cumbersome. Vote 11-1.

HB 66-FN, relative to executive agency rulemaking authority. **OUGHT TO PASS WITH AMENDMENT**

Rep. John DeJoie for Executive Departments and Administration: This bill attempts to refine executive agency rulemaking authority, pursuant to RSA 541-A. The bill, as amended, prohibits agencies from adopting rules by reference to rules and statutes of another state government. Specific exceptions may be filed as a bill for review before a legislative policy committee. The committee reviewed concerns raised by agencies, most notably Department of Environmental Services and Department of Health and Human Services. The agencies stated that the original bill might require them to repeat scientific data gathering and copy accrediting manuals verbatim into their rules. The amendment to HB 66 was offered to address the concerns raised by the agencies. The fiscal note to this bill was issued to address the intent of the original bill. Since the amendment significantly limits the scope of this bill, it is the opinion of the committee that there is no longer a fiscal impact. Vote 20-0.

Amendment (0263h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Administrative Procedure Act; Restriction on Rules Incorporating Documents by Reference. Amend RSA 541-A by inserting after section 3-a the following new section:

541-A:3-b Restriction on Rules Incorporating Documents by Reference. No agency may propose or adopt a rule under RSA 541-A:3 or RSA 541-A:19 that incorporates by reference any code, rule, or document from another state government without specific legislative approval for such a rule.

2 Applicability. RSA 541-A:3-b, as inserted by section 1 of this act, shall apply to rules adopted on or after January 1, 2004.

3 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill prohibits administrative agencies from adopting rules that incorporate by reference any code, rule, or document from another state without specific legislative approval.

HB 269-FN, relative to claims arising from clinical services provided to the department of health and human services. **OUGHT TO PASS WITH AMENDMENT**

Rep. Beverly T. Rodeschin for Finance: This bill continues a practice that has been in place for fifteen years. Since 1988, the State has contracted with the Dartmouth Medical School to provide psychiatrists and other clinicians to treat patients at New Hampshire Hospital. Under that contract, the State has agreed to indemnify Dartmouth against claims arising from clinical services. In order to save the State the significant cost of malpractice insurance, the Legislature has chosen to assume liability for these claims under RSA 99-D. The legislative Oversight Committee established by RSA 541-B: 23 retains control over these claims. Vote 15-0.

Amendment (0266h)

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3, respectively:

2 Claims Against the State; Claims Arising From the Clinical Services Provided to the Department of Health and Human Services. Amend RSA 541-B:21, III to read as follows:

III. This section shall apply only to claims arising out of incidents occurring on or after July 1, 1988[; and prior to July 1, 2004].

HB 671-FN-A, establishing a contributory defined benefit judicial retirement plan. **OUGHT TO PASS**
Rep. Robert L. Wheeler for Finance: After hearing this bill, the Finance Committee recognized the significant policy changes that were required. It therefore voted the bill Ought to Pass in the expectation that, after passage by the House, the Speaker could refer the bill to the Executive Departments and Administration Committee for policy review. Should the House approve the recommendation of ED&A, and if there are fiscal consequences, the Finance Committee would ask the bill be referred to it for a second time. Suspension of certain House rules may be required to allow this to happen. Vote 15-0.

Referred to Executive Departments and Administration.

HB 397, permitting towns and cities to deny a planning board application by a vote of the legislative body. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: This bill would have provided a procedure for towns and cities to disapprove certain applications to the planning board by a vote of the municipality's legislative body. The sponsors of the bill admitted that the bill was flawed and was introduced to begin discussion on the subject. Testimony given supported the belief that the bill would guarantee litigation and concerns with equal protection claims. Also, a mechanism presently existed in law to deal with the concerns this bill addresses. Vote 18-0.

HB 110-A, making a capital appropriation for the reconstruction and repair of the Monadnock Mill State Office Building in Claremont. **INEXPEDIENT TO LEGISLATE**

Rep. William E. Leber for Public Works and Highways: This bill proposes a capital project that is now included in the Governor's budget proposal, and will be considered during the Capital Budget deliberations. Therefore, this bill is not necessary. Vote 15-1.

HB 590-FN, relative to highway fund budget reporting requirements. **OUGHT TO PASS WITH AMENDMENT**

Rep. John A. Graham for Public Works and Highways: This bill allocates unrestricted revenue from the highway fund and requires any department that receives such funds submit a biennial report of expenditures to the State Treasurer. The amendment sets parameters for this allocation. The committee felt that establishing such parameters will result in a greater percentage of highway funds going to actual road work, and not being eroded by use of other agencies. The bill retains the Highway Block Grant Aid Program intact. Vote 15-0.

Amendment (0330h)

Amend 9:9-a as inserted by section 1 of the bill by replacing it with the following:

9:9-a Allocation of Unrestricted Revenue from Highway Fund. In each biennium, all unrestricted revenue from the highway fund, including any surplus but excluding any betterment funds, as estimated by the commissioner of the department of administrative services in RSA 9:6, and subject to the requirements of RSA 9:4-d, shall be allocated in the operating budget as follows:

I. Department of transportation: Not less than 67 percent of unrestricted revenue.

II. Department of safety: Not to exceed 18 percent of unrestricted revenue.

III. Highway block grant aid: 12 percent of unrestricted revenue.

IV. Other projects that comply with the New Hampshire constitution, part 2, article 6-a, relative to the use of highway funds: Not to exceed 3 percent of unrestricted revenue.

Referred to Finance.

HB 833-L, relative to Shaker Road and Bay Hill Road in the town of Northfield. **OUGHT TO PASS**
Rep. John A. Graham for Public Works and Highways: This bill reclassifies two roads in the town of Northfield as Class V highways, thereby returning the roads to the town. Both the Department of Transportation and the town agree to this transfer. Vote 17-0.

HB 834-L, relative to River Road and Nimble Hill Road in the town of Newington. **OUGHT TO PASS**
Rep. Candace C. W. Bouchard for Public Works and Highways: This bill reclassifies portions of the River Road and Nimble Hill Road by the town of Newington as Class V highways upon completion of reconstruction to be performed by the Department of Transportation. This bill was a request by DOT at the request of the town of Newington. Both Turnpike Funds and Betterment Funds will be used for the improvements to improve safety on these two roads. Class V highways are town maintained. Vote 16-0.

HB 818, relative to clearing land before plan approval. **INEXPEDIENT TO LEGISLATE**
Rep. David H. Russell for Resources, Recreation and Development: Along with the Department of Resources and Economic Development, the Associated General Contractors of New Hampshire, and the Association of New Hampshire Conservation Commissions, the committee felt unanimously that there are adequate current laws to regulate cutting of timber and the clearing of land before approval under RSA 227 and RSA 485. It was also agreed that local subdivision regulations and planning board site plan review ensure the protection of adverse impact of land clearing or terrain alteration. Vote 14-0.

HB 106-FN-L, implementing an education property tax homestead exemption. **INEXPEDIENT TO LEGISLATE**

Rep. Daniel M. Hughes for Ways and Means: The committee feels that although this particular bill has a worthy goal, there are eight other bills dealing with similar issues that will be considered by the committee. Vote 12-0.

HB 173, making technical corrections relative to the exception from the meals and rooms tax for gratuities. **OUGHT TO PASS WITH AMENDMENT**

Rep. Susan W. Almy for Ways and Means: Last year a correction was made to the rooms and meals tax law to ensure the continued exemption of gratuities included in package deals for motor tours. This bill completes the intent of that legislation by extending the exemption to gratuities in package deals offered by the hotels themselves, and allows the operator to offer a single price, provided that it is clearly stated that the tax is applied only to the rooms and meals portion of the bill. Vote 17-0.

Amendment (0225h)

Amend the bill by replacing section I with the following:

I Exception from Meals and Rooms Tax; Gratuities. RSA 78-A:6-a, II-VI are repealed and reenacted to read as follows:

II. Gratuity charges added to the charge for a taxable meal or taxable room shall not be taxed under this chapter if:

(a) The gratuity is not used by the operator as a supplement to or in lieu of wages, or as a pool from which bonuses are paid to managerial personnel;

(b) The gratuity is paid to the service personnel providing the service for which the gratuity is charged;

(c) The amount of the gratuity does not exceed 18 percent of the charge for the taxable meal and/or rent imposed on each occupancy. If the amount of the gratuity is not separately stated, the purchaser's or occupant's contract or receipt shall include the following language:

"The 8 percent tax on meals and rooms is included for the costs of meals and lodging only;"

(d) If the gratuity exceeds the percentage specified in subparagraph (c) and the amount is not separately stated, the exception from tax shall be limited to the percentage enumerated and the additional gratuity shall be subject to tax. If the amount of the gratuity is not separately stated, the purchaser's or occupant's contract or receipt shall include the following language:

"The 8 percent tax on meals and rooms is included for the costs of meals and lodging only and the amount of any surplus gratuity above 18 percent;" and

(e) The payroll or other business records of the operator substantiate the distribution of the gratuity to the service employees as a payment that does not supplement wages or is not in lieu of wages.

III. Gratuity charges arranged by written contract between operators and motorcoach service providers or other businesses making group purchases on behalf of purchasers or occupants shall not be taxed under this chapter if the requirements of RSA 78-A:6-a, II are met.

IV. Gratuity charges included in package arrangements offered by hotels to purchasers or occupants, which are not arranged by written contract between operators and motorcoach service providers or other businesses making group purchases on behalf of purchasers or occupants, shall not be taxed under this chapter if the requirements of RSA 78-A:6-a, II are met.

V. The amount of any gratuity charge excepted from tax by RSA 78-A:6-a, II, III, or IV shall be limited to that amount actually received by the service personnel providing the service for which such gratuity is charged.

VI. Any auxiliary charges, not including gratuity charges, such as, but not limited to, service charges, house charges, management fees, or housekeeping charges, added to the charge for a taxable meal or taxable room, shall not be taxed under this chapter if:

(a) The taxable meal or taxable room rental may be purchased without such auxiliary charges at the option of the purchaser or occupant; and

(b) The amount of the auxiliary charge is separately stated on the contract or receipt.

VII. The portion of a single aggregate charge allocated to items which are not customarily associated with the purchase of a taxable room or taxable meal, including but not limited to ski lift tickets, boat ride fees, amusement park admission tickets, theater tickets, or other similarly packaged items shall not be taxable if:

(a) The packaged item or service is not part of the operator's standard room rental or meal and the allocated cost of the package item or service is equal to the amount paid to an outside vendor or the allocated cost of the package item or service is the amount over and above the amount which a consumer would be ordinarily charged for the room rental and/or meal had the consumer purchased the room or meal without the packaged item or service;

(b) The allocated cost of the package for gratuities meets the requirements of RSA 78-A:6-a, II; and

(c) The operator's business records provide the documentation necessary for the department to determine the allocation of costs and the proper application of the tax.

HB 576-FN-A, increasing the rate of the meals and rooms tax. **INEXPEDIENT TO LEGISLATE**
Rep. Peyton B. Hinkle for Ways and Means: Testimony showed this bill would have a negative impact on the restaurant business throughout New Hampshire. Restaurants have already been adversely affected by the increase in the business enterprise tax. These businesses operate on a small

margin, and any loss of business due to the tax increase would shrink those margins even further. Some surrounding states already have a lower meals tax, and any further increases in the New Hampshire tax would place them in an even more uncompetitive position. The only testimony in favor of the bill was from the sponsor. There was opposition to the bill from the Lakes Region Association, NH Lodging and Restaurant Association, Enterprise Car Rental and other business organizations. Vote 18-0.

HB 666-FN-A, expanding the meals and rooms tax to include a tax on admission charges for entertainment. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Giuda for Ways and Means: Expansion of existing taxes on business, especially to include entertainment businesses, is inconsistent with the state's efforts to expand tourism and encourage small business entrepreneurs. At the bill's public hearing, only the sponsor spoke in favor of the bill whereas the Dept. of Resources and Economic Development and a number of industry representatives spoke against the expansion of this tax. Vote 18-0.

HB 685-FN-A-L, exempting transfers of real property with conservation, preservation, or development restrictions from the real estate transfer tax. **INEXPEDIENT TO LEGISLATE**

Rep. Daniel M. Hughes for Ways and Means: The committee felt that this bill had good intentions but that its language was too broad and accordingly its fiscal impact could not be determined. One of the sponsors agreed the bill required more clarification and would work on the issues and resubmit legislation in the next session. Vote 18-0.

REGULAR CALENDAR

HB 445, relative to consideration of domestic violence in child custody and visitation decisions and relative to the time period in which a motion for protective order from domestic violence may be filed. **INEXPEDIENT TO LEGISLATE**

Rep. Gary C. Greenberg for Children and Family Law: The committee feels that this bill is unnecessary because the issue of custody by either parent can be raised in court. With regards to the second part of the bill, the committee agreed that the Supreme Court in *Fillmore v. Fillmore* was correct with respect to a timeframe for protective orders. Vote 11-1.

Adopted.

Rep. Hallyburton declared a conflict of interest and did not participate.

HB 518-FN-L, implementing changes to the amount of school building aid for school districts. **INEXPEDIENT TO LEGISLATE**

Rep. John R. M. Alger for Education: The bill would have changed the method of distribution and amount of school building aid so as to greatly increase the amount of general fund aid required in the next few years. While the towns and cities might welcome payment of additional money, raising about \$75 million more annually during the next three years would place an onerous burden on the state in consideration of the current condition of state revenues and expenses. Vote 17-0.

Adopted.

HB 425, establishing the prescription drug cost task force. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Janeen Dalrymple for the Majority of Health, Human Services and Elderly Affairs: Although the committee agrees that this bill was an important piece of legislation, it was found unnecessary because another piece of legislation (HB 735-FN) will include portions of HB 425, which will address a prescription drug cost task force, and will study issues regarding cost of prescription drugs for New Hampshire citizens. Vote 11-7.

Rep. Hilda W. Sokol for the Minority of Health, Human Services and Elderly Affairs: We do not believe that this bill should have been voted Inexpedient to Legislate because of the uncertainty that prescription drug costs will be subject to continued study. The fate of several bills purported to address the topic of prescription drugs are in question.

Rep. Akins spoke against.

Rep. Dalrymple spoke in favor.

Rep. Akins requested a roll call; sufficiently seconded

The question being adoption of the majority committee report.

and the majority report was adopted.

HB 581-FN-L, requiring a death record for an aborted fetus. **INEXPEDIENT TO LEGISLATE** Rep. Sandra C. Harris for Health, Human Services and Elderly Affairs: The committee felt that fetal death statistics could be collected without the use of a fetal death certificate. Given the information currently asked on a fetal death certificate, the committee felt it was much too invasive. Testimony expressed a concern for the safety of those in the medical profession. Much work was done last session by this committee on this question of fetal statistics. While all agreed that such statistics would be helpful, the committee felt that there were too many questions regarding privacy and anonymity. Vote 13-3.

Rep. Hagan requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the report was adopted.

HB 586-FN-A, relative to the infant deafness program and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Peter L. Batula for Health, Human Services and Elderly Affairs: This bill would require all hospitals to acquire the appropriate equipment to fully implement infant hearing testing. The prime sponsor, after finding out the hospitals already have the equipment, withdrew his interest in pursuing this bill. Vote 16-1.

Adopted.

HB 824-FN-A, relative to services for persons with mental illness and making an appropriation therefor. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Pamela G. Price for the Majority of Health, Human Services and Elderly Affairs: As a majority, we appreciate the intent of the bill to add and fund services for persons with mental illness. In the new budget, unlike many line items, funding was not cut, which demonstrates the state's concern on this matter. This bill request was not made on behalf of the Department of Health and Human Services, nor did they present any testimony. This bill request was made on behalf of the Community Mental Health Centers, which presented a five-year program. This bill, if passed, would require an additional \$7,168,966 in the 2004-2005 fiscal year budget, according to the sponsor's presentation. The committee received no certification of these figures from the Health and Human Services Department. Significant discussion was centered on the prioritization of the program and how it could conflict with the allocation of their budget, which was presented to the state for approval. As a matter of fact, it appeared that some of the services in this bill may be duplications of the current Health and Human Services budget at some level. The state already recognizes that this is an illness that needs prioritization. We recognize the need, we will continue to monitor our progress, and we will do all we can to address this illness by early intervention methods. Although the committee felt the program appeared worthy, there was reluctance to add a serious new funding bill with a layer of financial implications without an understanding and confidence of how it would fit into the new Health and Human Services list of priority needs. Vote 11-5.

Rep. Barbara C. French for the Minority of Health, Human Services and Elderly Affairs: We recognize that support and follow-up treatment services for persons with mental illness and their families will enable such persons to further take responsibility for their own recovery from mental illness and to successfully maintain it. We further recognize that the earlier in the illness that treatment and family support is provided, the better the chances of achieving and maintaining recovery and minimizing the costs to individuals, families, and the state. In view of the financial savings that can be achieved by early intervention, we, the minority, strongly support passage of this bill.

Rep. Joseph Manning spoke against.

Reps. Price and Dalrymple spoke in favor.

On a division vote, 229 members having voted in the affirmative and 130 in the negative, the majority report on was adopted.

HB 826-FN, establishing a limited moratorium on the use of psychotropic drugs and requiring the attorney general to study the use of such drugs. **INEXPEDIENT TO LEGISLATE**

Rep. James R. MacKay for Health, Human Services and Elderly Affairs: This is one of four bills this session dealing with the use of psychotropic drugs, including Ritalin. This also required a study by the Attorney General of use of psychotropic drugs by New Hampshire school children. The committee felt that issues related to the diagnosis and treatment of medical conditions is the responsibility of physicians. With the informed consent of the patient and his family. In addition, the committee learned that several professional studies of psychotropic medications are ongoing in New Hampshire. It was not felt that it was appropriate to ask the Office of the Attorney General to conduct a highly technical study of the use of psychotropic medications. The committee continues to believe that research into this subject is appropriate and necessary and is supportive of those studies. Vote 17-0.

Adopted.

HCR 13, declaring the health rights of the citizens of New Hampshire. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Eric M. Daniels for the Majority of Health, Human Services and Elderly Affairs: This resolution proposes the New Hampshire Legislature establish a declaration of Health Rights applicable for all citizens of New Hampshire and offers that all New Hampshire citizens should enjoy the

benefits of a healthy life as a "right". The resolution goes on to include the establishment of additional citizen rights, which include, among others; food, housing, clothing, as well as medical care. The idea that all citizens should expect to be cared for by the Government via entitlement programs is not new yet continues to be offered for consideration through various measures and programs. This resolution seeks to do that by asking the New Hampshire House to declare a person's right to public resources to maintain an adequate standard of living, including a goal of universal health care. What that standard might be is undefined. The Committee felt the resolution would open up additional responsibilities and enormous funding demands on government. Even though the committee recognized that no health care system is perfect, we are proud of our ongoing efforts to make health care available, especially to the children of the state and in many circumstances to the people with disabilities and the elderly. In the New Hampshire Constitution, the Bill of Rights (Article 2) provides that each citizen has the natural right, among others, of "seeking and obtaining happiness" for themselves. This freedom is echoed in our country's Declaration of Independence in which it states we have the unalienable right to life, liberty and the pursuit of happiness. The committee felt the resolution proposed was far reaching and not attainable. As a result, the committee concluded this resolution, although well intended was only symbolic in nature. Vote 12-6.

Rep. Barbara C. French for the Minority of Health, Human Services and Elderly Affairs: This resolution made a statement of caring for our citizens by declaring health rights of the people of NH. The aim of this resolution is to enable people to obtain their optimum health status so that they may enjoy an equal quality of life with others.

Reps. French and Espieffs spoke against.

Reps. McMahon and Batula spoke in favor.

Rep. French requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

HB 127, establishing a committee to study the effectiveness and fairness of county government. OUGHT TO PASS WITH AMENDMENT

Rep. Eric G. Stohl for Municipal and County Government: The concept of this bill has been before this committee in the past. The bill presented this time included two sections that dealt with assessments and equalization issues that are currently being addressed by the Assessing Standards Board and HB 681 relative to the allocation of a municipality's share of county taxes. The amendment simply removes these two sections from the bill. The bill lists the duties of the study committee as being 1) compare current functions originally intended in this state; 2) determine whether some county government tasks can be better accomplished by the state or vice-versa; and 3) analyze county government services for any duplication of services available elsewhere. Vote 10-6.

Amendment (0244h)

Amend section 3 of the bill by deleting paragraphs IV and V.

Adopted.

Report adopted and ordered to third reading.

HB 284, relative to the issuance of bonds in school districts and municipalities using the official ballot. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Nancy K. Johnson for the Majority of Municipal and County Government: The bill would change the 3/5 vote now required for the issuance of bonds in the official ballot form of governments, also known as Senate Bill 2 (SB 2) back to 2/3. The bipartisan vote reflects the committee's understanding of the substantial differences in the voting methods between the official ballot towns and school districts (SB 2) and towns and school districts governed by a traditional town meeting form of government. In 1999, the General Court voted to lower the percentage required for bond approval for SB 2 towns and a recent study by the New Hampshire Center for Public Policy confirms that SB 2 towns and school districts are not passing bonds more than the traditional town meetings. The bill would allow even a smaller minority to thwart the will of a vast majority, creating minority rule. The majority recognized that a 3/5 vote is still a super majority and finds no valid reason to change the status quo. Vote 11-7.

Rep. David L. Buhlman for the Minority of Municipal and County Government: When the official ballot form of government, also known as Senate Bill 2 (SB 2 passed in 1995), the margin of approval to issue bonds in school districts and municipalities was 2/3 (66.7%). In 1999, the margin necessary for approval was decreased to 3/5 (60%) via HB 487. The percentage for approving bonds in traditional municipalities was unaffected and remains at 2/3. According to data in the New Hampshire Public Policy's March 2002 publication, SB 2 @ 5: Bonds, Ballots, and the Deliberative Session, the decrease from 2/3 to 3/5 for bond approval in SB 2 communities has resulted in a total average property tax increase in the years 2000 and 2001 of nearly \$230 per capita. This is an additional burden on taxpayers that passing HB 284 would reduce or eliminate. If a project is truly worthwhile, and the project's proponents get the word out, 2/3 of the voters will approve spending their hard-earned money for it.

Reps. Slocum and McEachern spoke against and yielded to questions.

Reps. Nancy Johnson and Alger spoke in favor and yielded to questions.

Rep. Slocum requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority report was adopted.

HB 569-FN-A-L, relative to the dollar value of an adequate education. **INEXPEDIENT TO LEGISLATE**

Rep. Tom F. McCormick for Ways and Means: Funding the state's obligation to provide an adequate education requires a certain dollar amount. Since this bill calls for zero dollars for that purpose, it is clear the bill cannot meet the state's obligation. The sponsor was the only one to testify in favor of this bill. The New Hampshire School Board Association and the New Hampshire School Administrators' Association testified against the proposed legislation. Vote 16-1.
Adopted.

HB 623-FN-A, repealing RSA 77, relative to taxation of incomes. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

Rep. Jeffrey D. Gilbert for the Majority of Ways and Means: This bill would repeal the dividends and interest tax which is anticipated to generate revenues over \$70 million in FY 2004 and nearly \$75 million in FY 2005. Since no new source has been identified to replace these monies and the state must maintain its present revenues, the committee could not consider this proposal. Vote 14-4.

Rep. Lee M. Hammond for the Minority of Ways and Means: The basic bill recognized the fundamental inequity of taxing interest and dividends: it is an income tax. Although a few wealthy may pay this tax, so do many more senior citizens of modest means and parents saving for their children's college education. The tax is discriminatory. Only one class of taxpayers is targeted: only 63,000 of the more than 600,000 who pay federal income tax.

Reps. Phinizy, Jacobson and John Pratt spoke against.

Reps. Hammond spoke against and yielded to questions.

Reps. Major, Jeff Gilbert and Hess spoke in favor.

Rep. Phinizy and requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority report was adopted.

HB 628-FN-A-L, modifying the funding and distribution of moneys for an adequate education.
INEXPEDIENT TO LEGISLATE

Rep. Jeffrey D. Gilbert for Ways and Means: There are a number of bills before the committee addressing education funding and the statewide property tax. Since the committee will consider the concepts contained in this bill in its deliberations of the remaining proposals, the committee believes that it is more appropriate to proceed with one of the other bills to address the statewide property tax and education funding. Vote 16-2.
Adopted.

BILL REMOVED FROM CONSENT CALENDAR

HB 458, establishing a committee to study the health and environmental effects of using industrial-grade silicofluorides and industrial-grade sodium fluoride for water fluoridation in New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Pierre W. Bruno for Resources, Recreation and Development: This bill is based upon the premise that fluoride in drinking water poses a danger to public health. None of the testimony heard by the committee – including “scientific” testimony offered in support of the bill – actually supported the concerns of the sponsors. The New Hampshire Department of Environmental Services testified that the US Environmental Protection Agency has on-going studies regarding the issues of fluoridation and drinking water quality; hence, the effect of this bill would be an inconclusive literature survey. The committee has continued confidence in the ability of the NHDES and USEPA to oversee drinking water quality. Vote 14-0.

Reps. Hagan and Paul Harrington spoke against.

Rep. Bruno spoke in favor and yielded to questions.

Rep. Royce spoke in favor.

Adopted.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 12, 2003 at 10:00 a.m.
Adopted.

LATE SESSION

Third reading and final passage

HB 121, relative to grounds for modification of a permanent child custody order.

HB 153-FN, relative to grounds for termination of parental rights.

HB 214, relative to discovery deposition of minors in criminal cases.

HB 323, relative to the task force on family law.

HB 521-FN, relative to requiring treatment for persons convicted of DWI offenses.

HB 633-FN, establishing the interstate compact for adult offender supervision.

HB 766, relative to the information required for a license to carry a pistol or revolver.

HB 499, expanding opportunities for teacher certification.

HB 66-FN, relative to executive agency rulemaking authority.

HB 269-FN, relative to claims arising from clinical services provided to the department of health and human services.

HB 833-L, relative to Shaker Road and Bay Hill Road in the town of Northfield.

HB 834-L, relative to River Road and Nimble Hill Road in the town of Newington.

HB 173, making technical corrections relative to the exception from the meals and rooms tax for gratuities.

HB 127, establishing a committee to study the effectiveness and fairness of county government.

UNANIMOUS CONSENT

Reps. McRae, Giuda and Burling addressed the House.

Rep. Tahir moved that the remarks of Rep. Giuda be printed in the Permanent Journal. Without objection, the Speaker so ordered.

REMARKS

Rep. Giuda: Thank you, Mr. Speaker. Members of the House, several weeks back this body passed House Concurrent Resolution 16 and passed it over to the Senate. They passed it unanimously 24-0. That was a resolution that decries the atrocities being committed over on the other side of the world far out of sight and mind. A delegation, on our own expense, carried that resolution, in hand, to the people of Kashmir. I am happy to stand before you conveying a message back from their leadership and the people who are living behind a veil of terror and oppression that we have sent a message of hope that is totally consistent with the state's motto of "Live Free or Die." In so doing, New Hampshire once again leads the world because of your actions. I wanted to thank you for your support on that bill and convey to the Speaker and every member of this House the sincere gratitude of an oppressed people who look to us now for hope. Thank you.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purposes of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 3:55 p.m.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 9

Wednesday, March 12, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by Guest Chaplain, The Reverend Canon Marthe Dynen from the Episcopalian Diocese of New Hampshire.

Great and gracious God, You are the God of justice, of peace, of reconciliation and Your mercy endures forever. We gather today in Your presence, mindful that what we do in this place on this day will change lives. For some, the change may be a tremor barely recorded; for others the change may be cataclysmic. As the members of this body, the House of Representatives of the State of New Hampshire, consider and debate the issues before them, we ask Your blessing upon them; give them the wisdom of Your Holy Spirit, the ability to discern Your purpose and will in the changes they set in motion and the patience and tolerance to wait for agreement when each of them hears Your still small voice carrying a different message. Make this body, O God, Your very own, that it may be a powerful force and witness to Your will and that from this place, peace and justice will flow throughout New Hampshire. This we pray in Your most Holy Name. Amen.

Rep. Burton W. Williams led the Pledge of Allegiance.

The National Anthem was sung by Rachael Donnelly, a student from Litchfield Middle School.

LEAVES OF ABSENCE

Reps. Desmarais, Flanagan, Hagan, Holland, Hunter and Rice, the day, illness.

Reps. Ahern, Nelson Allan, Buhlman, Cail, Corbin, Drisko, Hollinger, Hutchinson, Rogers Johnson, John Manning, Joseph Manning, Palangas, Schulze, Paul Smith, Snyder, Jeffrey Sullivan and Wiley, the day, important business.

Reps. Julie Brown and Langer, the day, illness in the family.

Rep. Itse, the day, death in the family.

INTRODUCTION OF GUESTS

Michelle Donnelly, David and Lynne Donnelly and Frank Card, parents and grandfather of Rachael Donnelly, guests of the Merrimack Delegation. John Pelletier, son of Rep. Pelletier. David Swartley, guest of Rep. Elliott. Hon. Michael Rollo, son of Rep. Rollo.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 277-FN, relative to an extended term of imprisonment for manslaughter and relative to jury findings which warrant an extended term of imprisonment, removed by Rep. Welch.

HB 564-FN, relative to access to information in proceedings of the judicial conduct commission, removed by Rep. Mock.

HB 51, apportioning state representative districts, removed by Rep. Leach.

HB 673-FN-L, relative to municipal water system connection fees, removed by Rep. Bickford.

HB 454, relative to property rights and large groundwater withdrawals, removed by Rep. Cady.

HB 330, relative to public utilities mergers and acquisitions, removed by Rep. McHugh.

HB 609-FN-A, relative to public interest payphones, removed by Rep. Gorman.

HB 611-FN-A, establishing a choose life number plate trust fund, and a special motor vehicle license plate and associated fees, to support and promote New Hampshire adoptions, removed by Rep. Souza.

HB 634-FN-L, establishing a limit on the applicable tax rate for local school district taxes, removed by Rep. Vachon.

Consent Calendar adopted.

HB 626-FN, relative to notification, custody rights, and right to counsel of parents in child abuse and neglect cases. **INEXPEDIENT TO LEGISLATE**

Rep. Margaret D. Hallyburton for Children and Family Law: The committee has three bills on counsel for indigent parents in child protection and guardianship of minors cases. This bill had an early reporting date, so the committee chose to find the bill inexpedient to legislate, carrying forward language onto HB 674-FN or HB 620-FN, which are in subcommittee. Vote 12-0.

HB 288-FN, imposing a criminal penalty for the dissemination of certain materials without consent. **OUGHT TO PASS WITH AMENDMENT**

Rep. William V. Knowles for Criminal Justice and Public Safety: This legislation clarifies the statute on violation of privacy. It prohibits dissemination of any photograph or video recording of a person or persons voluntarily engaging in sexual activity without the express consent of the person or persons who appear in the photograph or videotape. Vote 11-1.

Amendment (0445h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Violation of Privacy; Dissemination of Certain Materials. Amend RSA 644:9 by inserting after paragraph II the following new paragraph:

III. A person is guilty of a class A misdemeanor if that person knowingly disseminates or causes the dissemination of any photograph or video recording of himself or herself engaging in sexual activity with another person, or of another person voluntarily engaging in sexual activity while in his or her presence without the express consent of the other person or persons who appear in the photograph or videotape. In this paragraph, "disseminate" shall have the same meaning as in RSA 649-A:2.

2 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill establishes a class A misdemeanor offense for any person who knowingly disseminates or causes the dissemination of any photograph or video recording of himself or herself engaging in sexual activity with another person, or of another person voluntarily engaging in sexual activity while in his or her presence without the express consent of the other person or persons who appear in the photograph or videotape.

HB 396-FN, relative to penalties for tampering with or desecrating a burial site. **INEXPEDIENT TO LEGISLATE**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: The purpose of this bill was to make tampering or desecrating a burial site a more serious offense. RSA 635:6 derives its penalty from RSA 635:8, which makes desecration or tampering a Class B felony. Removing "Purposely or knowingly" from RSA 635:6 in essence takes away the "state of mind" necessary to show criminal intent. In essence the language proposed in this bill decriminalizes the acts it is attempting to curb. From testimony at the hearing it appears that police departments are unfamiliar with RSA 635:6 and attempt to charge perpetrators under the criminal mischief statute, a misdemeanor. The Police Standards and Training director was contacted and agreed to disseminate information to police departments suggesting they consider using RSA 635:6 when deemed appropriate. Vote 11-0.

HB 409, relative to the accountability of public officials. **INEXPEDIENT TO LEGISLATE**

Rep. James H. Oliver for Criminal Justice and Public Safety: This bill changes penalties for public officials who fail to respond to an affidavit, commit an unauthorized act, or refrain from performing an official duty. It is meant to add removal from public office and prohibition from seeking public office for 10 years. The committee feels punishment for stated violations are adequately provided for in the statutes which cover misfeasance and malfeasance and nonfeasance. This bill is in response to a single issue. Vote 11-0.

HB 777, allowing the commissioner of the department of corrections to enter into contracts with sheriffs' departments to hold persons charged with crimes in state correctional facilities for temporary periods. **INEXPEDIENT TO LEGISLATE**

Rep. Laura C. Pantelakos for Criminal Justice and Public Safety: The committee felt that a state prison should not be used to house people who have not yet been convicted of a crime. Since the town of Berlin has two holding cells this would not be a hardship for them. The sheriff made this agreement with the former warden. The new warden feels that this would jeopardize the security of the prison and he would also need more personnel to be trained to take care of these people. Vote 11-0.

HB 548, relative to the notice period for teachers who are not rehired. **INEXPEDIENT TO LEGISLATE**

Rep. Barbara J. Hagan for Education: The unanimous vote of the committee found no substantive testimony was entered into the record other than the introduction of the legislation by one of the Education Committee members for the sponsor. Vote 16-0.

HB 619-FN-A, expanding opportunities for dropout prevention and dropout recovery and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sharon M. Carson for Education: The committee supports the establishments of the drop out prevention and drop out recovery program in response to the drop out rate experienced in New Hampshire's schools. Compelling testimony was presented that highlighted both the need for and the success of this program. The bill, as amended, will appropriate \$350,000.00 per year for a two year period targeted towards the first five public high schools that have the highest drop out rate according to the annual State report card. This bill, as amended also creates a council that oversees the program, reports on its success to the Department of Education, Legislature and Governor, and has the ability to seek outside funding either federal or private, to offset the cost of the program. Vote 16-0.

Amendment (0494h)

Amend RSA 189:60, II (d) as inserted by section 1 of the bill by replacing it with the following:

(d) Apply for, receive, and expend any funds from federal, state, or non-state sources, including grants and matching funds which may be available, and accept private donations and gifts from any source.

Amend RSA 189:62, I as inserted by section 1 of the bill by replacing it with the following:

I. All programs shall be eligible to apply for dropout prevention and dropout recovery program and funds under this subdivision, provided that such programs and funds shall be targeted, to the extent available, to those high schools with the highest dropout rate, as determined by the department of education.

Amend RSA 189:63 as inserted by section 1 of the bill by replacing it with the following:

189:63 Report. The dropout prevention and dropout recovery oversight council shall annually submit a report to the speaker of the house of representatives, the president of the senate, the commissioner of the department of education, and the governor on the status of the dropout prevention and dropout recovery program. The report shall include details regarding an overall assessment of the effectiveness of the program, the utilization of available funds in the program, dropout rates of participating high schools or other participating entities, graduation rates of participating high schools, the percent of participating students pursuing postsecondary education, and the percent of participating students securing employment in the year following graduation.

Amend the bill by replacing section 2 with the following:

2 Appropriation. There is hereby appropriated the sum of \$350,000 for the fiscal year ending June 30, 2004, and the sum of \$350,000 for the fiscal year ending June 30, 2005, to the department of education for the implementation of the dropout prevention and dropout recovery program set forth in this act. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

Referred to Finance.

HB 780, relative to the operation of school administrative units. **INEXPEDIENT TO LEGISLATE**

Rep. Claire D. Clarke for Education: The committee has retained an SAU bill and will include the good points of this bill into the retained SAU bill. Vote 18-0.

HB 120, relative to checklist corrections on election day. **OUGHT TO PASS WITH AMENDMENT**

Rep. Harriet E. Cady for Election Law: This bill with amendment was at the request of supervisors of the checklist and considered to be good legislation in allowing for a shorter meeting time. The law also allows the supervisors to set longer hours if needed. It further codifies that the ballot clerks shall make changes in red to denote voters address changes or name changes in order to keep checklist most accurate. Vote 16-0.

Amendment (0545h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to sessions for the correction of the checklist and sessions for changes of party registration.

Amend the bill by replacing all after the enacting clause with the following:

1 Cities and Wards; Voters and Checklists; Reference Deleted. Amend RSA 44:5 to read as follows:
 44:5 Voters and Checklists. Any person having his *or her* domicile within the city, qualified to vote as provided in RSA 654:1-654:2 and 654:4-654:6 and whose name is on the checklist shall be qualified to vote in city elections. The supervisors of the checklist shall prepare, post, and revise the checklist for city elections in the same manner as for a state election as provided in RSA 654:25-654:31 [~~except that the session provided for in RSA 654:27 to be held on the Tuesday 3 weeks prior to the election shall not be required~~].

2 Voters and Checklists; Session for Correction. Amend RSA 654:27 to read as follows:
 654:27 Session for Correction. In cities and towns, the supervisors of the checklist shall be in session for the correction of the checklist at some suitable place in the city or town on the Saturday 10 days prior to the election and upon which all hearings shall be finally closed; provided that if the Saturday falls on a holiday weekend, that session shall be held on Tuesday, 7 days prior to the election, between 7:00 p.m. and ~~[8:00]~~ 7:30 p.m. and at the discretion of the supervisors for extended hours. Notice of the day, hour, and place of each session of the board of supervisors shall be given upon the checklists first posted and shall be published in a newspaper of general circulation in the city or town at least 7 days prior to each such session. The reconvening of any session which has been adjourned shall not require the publication of notice.

3 Voters and Checklists; Procedure. Amend RSA 654:28 to read as follows:
 654:28 Procedure. The supervisors of the checklist shall hear all applications for a correction of the checklist and the evidence submitted thereon and shall correct it according to their best knowledge so that it contains only the names of those persons qualified to vote at said election. The names of all persons not qualified to vote at the time of any session, but who shall clearly be qualified to vote on election day, may be added to the checklist at that session. The session which is held on the Saturday 10 days prior to election day shall be held as a minimum requirement between 11:00 a.m. and ~~[12:00 p.m.]~~ 11:30 a.m. and at the discretion of the supervisors for additional hours. No additions or corrections shall be made after the Saturday session, except as provided in RSA 659:12 or RSA 654:27, provided, however, that if the Saturday falls on a holiday weekend, that session shall be held on Tuesday, 7 days prior to the election, between 7:00 p.m. and ~~[8:00]~~ 7:30 p.m. and at the discretion of the supervisors for extended hours. The additions and corrections resulting from such session shall be made to the previously posted checklist on or before midnight on the succeeding Friday either by additions or corrections to said checklist or by posting a new corrected checklist. Notice of such additions or corrections to the checklist shall also be given to the town or city clerk.

4 Voters and Checklists; Hearings on Alterations to Party Registration. Amend RSA 654:32 to read as follows:

654:32 Hearings on Alterations to Party Registration. Before each state or presidential primary election, the supervisors of the checklist shall be in session before each primary for the change of registration of legal voters as provided in RSA 654:34 or 654:34-a or both. Before the presidential primary, the session shall be on the Friday preceding the first day of the filing period, between ~~[7]~~ 7:00 p.m. and ~~[9]~~ 7:30 p.m. *and at the discretion of the supervisors for extended hours*. Before the state primary election, the session shall be on Tuesday before the first Wednesday in June between ~~[7]~~ 7:00 p.m. and ~~[9]~~ 7:30 p.m. *and at the discretion of the supervisors for extended hours*.

5 Town Elections; Voters and Checklists. Amend RSA 669:5 to read as follows:
 669:5 Voters and Checklists. An updated checklist shall be used at all town meetings and elections for the same purposes a checklist is used at a state election and to insure that only qualified voters participate in town meeting discussions and votes, by voice or otherwise. The supervisors shall prepare, post, and revise the checklist for a town meeting or election in the same manner as for a state election as provided in RSA 654:25—654:31, provided, however, that the session for correction shall be held on Saturday 6 to 13 days prior to the election. The supervisors shall also hold one session for correction of the checklist on the day immediately prior to the first day of the filing period for candidates for town office, as provided in RSA 669:19 or 669:42, as applicable, from ~~[7]~~ 7:00 p.m. to ~~[8]~~ 7:30 p.m. and at the discretion of the supervisors for extended hours.

6 School District Elections; Checklist. Amend RSA 671:15 to read as follows:
 671:15 Checklist. An updated checklist shall be used at all school district elections and meetings for the same purposes as checklists are used by towns as provided in RSA 669:5. Any school district which is coextensive with the town in which it is located may, at an annual meeting under an article in the warrant for such meeting, vote to adopt as the checklist for school meetings the check-

list of the town. In case of such adoption, the supervisors of the town checklist, acting as supervisors of the school district checklist, shall correct, certify, and post the checklist for the district as provided in RSA 654:25-654:31. ~~[The session for correction of the checklist required by RSA 654:27 to be held 3 weeks prior to an election shall not be required for school district elections.]~~ The session required to be held 10 days before the school district meeting or election may coincide with the session for correction held for the town meeting or election provided that the school meeting or election coincides with the town meeting or election. If the school meeting or election is held at a time other than the town meeting or election, a separate session for correction of the checklist shall be required to be held 10 days prior to the school district meeting or election.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill shortens to ½ hour the minimum required length for sessions for the correction of the checklist and sessions for changes of party registration. This bill also deletes certain obsolete references.

HB 140-FN-L, relative to voter checklist verification. INEXPEDIENT TO LEGISLATE

Rep. Harriet E. Cady for Election Law: This bill would have enacted mandates upon supervisors in town and cities thus causing a cost to the state. The Help America Vote Act will make most changes asked in this bill and will pay for the requirements of updates on checklists. Vote 12-0.

HB 188, relative to listing names on state election ballots. INEXPEDIENT TO LEGISLATE

Rep. Harriet E. Cady for Election Law: There is another bill to address the listing of candidates on the ballot. The new Help America Vote Act (HAVA) requires voting machines, which will be able to handle a ballot for the elections. The committee felt they should address this issue with the Help America Vote Act. Vote 17-0.

HB 275, establishing a committee to study ballot reform. OUGHT TO PASS

Rep. Charles F. Weed for Election Law: This study committee will serve as a vehicle for planning to meet ballot clarifications, which may be required by the Help America Vote Act (HAVA). It will also investigate the feasibility of instant runoff voting. Vote 14-2.

HB 319, relative to the deadline for implementing a statewide voter checklist. INEXPEDIENT TO LEGISLATE

Rep. Raymond Buckley for Election Law: The sponsor of this bill testified that the bill was unnecessary. The sponsor's intent was to statutorily support the implementation of the federal Help America Vote Act (HAVA). Following the introduction of HB 319, the sponsor and the full Election Law Committee have benefited from multiple detailed briefings from the Secretary of State's office regarding the state's efforts to implement HAVA. The sponsor and the committee feel that the state is addressing the complex issue of implementing HAVA in a satisfactory manner. Vote 12-0.

HB 358-FN-L, relative to recount fees in local elections. OUGHT TO PASS

Rep. Mark S. Derby for Election Law: This bill changes the fee structure for recounts of local elections from a fixed fee to a sliding scale based upon the margin between the votes, as now exists for recounts of elections for state offices. Vote 11-0.

HB 456, relative to the supreme court's authority to appoint a member to the ballot law commission. INEXPEDIENT TO LEGISLATE

Rep. Harriet E. Cady for Election Law: The committee has another bill that addresses the ballot law commission and felt we could do what this bill asked as well as increase the membership of the ballot law commission. Vote 13-3.

HB 648-FN, relative to paid political phone calls. INEXPEDIENT TO LEGISLATE

Rep. Christine M. Konys for Election Law: The sponsor of this bill and the members of the Election Law Committee agreed that the changes to current law included in this bill have been accomplished through an amendment to a similar bill which addresses the issues of political phone calls. Another bill, comprehensive in nature, regarding these calls will soon be forthcoming. Vote 16-0.

HB 658-FN, relative to impersonation of candidates. OUGHT TO PASS

Rep. Richard B. Drisko for Election Law: The intent of this bill is to make impersonation of a candidate over the telephone for defamatory purposes a misdemeanor and punishable. Vote 11-0.

HB 790, relative to legislative voting procedures and apportioning state representative districts. INEXPEDIENT TO LEGISLATE

Rep. Steve Vaillancourt for Election Law: The committee congratulates the sponsor of this bill for devoting a tremendous amount of work to this novel plan for redistricting. However, there was no support for the concept of "weighted representation" which the sponsor acknowledged is not used anywhere in the United States. In effect, this plan would create a House in which each of the 400 representatives would not have one vote but rather would have the same number of votes as the number of people in his or her district. For example, a representative from Greenfield would cast 1657 votes for every issue on the House floor while a representative from Wakefield/Brookfield would cast 4856 votes, nearly a three to one difference. A representative from Portsmouth Ward 2 would cast 2210 votes while a representative from Portsmouth Ward 5 would cast 1405 votes. The one Hampton Falls representative would cast 1880 votes while the one North Hampton representative would cast 4259 votes. Not only would this prove to be an extraordinarily cumbersome process in tallying votes, but it would mean that all representatives are no longer equal in terms of voting. Fifty (50%) percent would no longer necessarily constitute a majority. Conceivably a minority of Representatives from larger districts could outvote a majority from smaller districts. While that might be great fun for "numbers crunchers", it could be disastrous for representative democracy. True, this plan increases the number of districts from the court-mandated 88 to 223 thus increasing the chances for smaller communities to be represented. It also presents a mathematically sound method for lowering deviation. Since the votes of representatives would be weighted, there would be no need to approach the ideal of 3089 people per representative. The theory is fascinating, but in the real world, this radical plan would be both unwieldy and unwise. The "first in the nation" state should not be first in pioneering "weighted representation". Vote 11-0.

HCR 18, relative to state senate and representative districts. INEXPEDIENT TO LEGISLATE

Rep. Howard C. Dickinson for Election Law: The Election Law Committee unanimously supports the position that this resolution is unnecessary in light of the passage of HR 6 which establishes criteria for the redistricting of the House and the fact that the committee intends to retain a redistricting bill to work on between now and next November utilizing the expertise of the county delegations. Vote 16-0.

HB 73, establishing a committee to study imposing a recycling fee on new computer purchases. INEXPEDIENT TO LEGISLATE

Rep. Timothy J. Allen for Environment and Agriculture: This bill takes a narrowly focused slice of recycling; however, HB 799 also establishes a study committee, but addresses the larger area of solid waste, of which electronic waste is a part. The committee recommends including the handling of electronic waste in that study committee as part of a comprehensive solution to solid waste recycling. Vote 16-0.

HB 156, relative to weights and measures. OUGHT TO PASS

Rep. Peter H. Allen for Environment and Agriculture: This bill was requested by the Department of Agriculture, Markets, and Food to make technical improvements in RSA 438:8, I (h) and RSA 438:8, V. Direct references to the National Conference on Weights and Measures and the National Institute of Standards and Technology were added. There was no opposition to the bill. Vote 16-0.

HB 181, relative to horseback riding as a recreational use of land in current use taxation. OUGHT TO PASS WITH AMENDMENT

Rep. Donald R. Philbrick for Environment and Agriculture: This bill would have allowed horseback riding on current use land that has been granted the 20% recreation adjustment. Permission of landowner was not required if they claimed the 20% recreation adjustment. This caused much concern among current use landowners with several people indicating they would no longer take the 20% recreation adjustment, therefore losing that land to the other recreational uses. The sponsors and those testifying on the bill indicated that liability protection for the landowners who grant permission was one of the main goals of this bill. The amendment removed the current use portion of this bill and retains the liability portion. S.P.A.C.E. has agreed to provide a survey of current use landowners regarding this issue and current use board will review the results at the fall meeting. This will provide us much better information regarding the impact on further legislation. Vote 16-0.

Amendment (0366h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to limiting landowner liability for giving permission for horseback riding.

Amend the bill by replacing all after the enacting clause with the following:

1 Liability of Landowners; Duty of Care. Amend RSA 212:34 to read as follows:

212:34 Duty of Care.

I. An owner, lessee or occupant of premises owes no duty of care to keep such premises safe for entry or use by others for hunting, fishing, trapping, camping, *horseback riding*, water sports, winter sports or OHRVs as defined in RSA 215-A, hiking, sightseeing, or removal of fuelwood, or to give any warning of hazardous conditions, uses of, structures, or activities on such premises to persons entering for such purposes, except as provided in paragraph III hereof.

II. An owner, lessee or occupant of premises who gives permission to another to hunt, fish, trap, camp, *ride horseback*, hike, use OHRVs as defined in RSA 215-A, sightsee upon, or remove fuelwood from, such premises, or use said premises for water sports, or winter sports does not thereby:

(a) Extend any assurance that the premises are safe for such purpose, or

(b) Constitute the person to whom permission has been granted the legal status of an invitee to whom a duty of care is owed, or

(c) Assume responsibility for or incur liability for an injury to person or property caused by any act of such person to whom permission has been granted except as provided in paragraph III hereof.

III. This section does not limit the liability which otherwise exists:

(a) For willful or malicious failure to guard or warn against a dangerous condition, use, structure or activity; or

(b) For injury suffered in any case where permission to hunt, fish, trap, camp, *ride horseback*, hike, use for water sports, winter sports or use of OHRVs as defined in RSA 215-A, sightsee, or remove fuelwood was granted for a consideration other than the consideration, if any, paid to said landowner by the state; or

(c) The injury caused by acts of persons to whom permission to hunt, fish, trap, camp, *ride horseback*, hike, use for water sports, winter sports or use of OHRVs as defined in RSA 215-A, sightsee, or remove fuelwood was granted, to third persons as to whom the person granting permission, or the owner, lessee or occupant of the premises, owed a duty to keep the premises safe or to warn of danger.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill adds horseback riding to the recreational activities in which landowner liability for personal injury or property damage is limited.

HB 281-FN, relative to regulation of irrigation system electricians by the electrician's board. **OUGHT TO PASS WITH AMENDMENT**

Rep. Francis Sullivan for Executive Departments and Administration: In reviewing RSA 319-C, the committee found that licensure is not required for installers of numerous electrical work "in mines, pipeline systems, ships" or "installation, operation, repair or maintenance of any industrial or manufacturing plant". Thus, the committee realized that the need to license automatic irrigation system electricians was unnecessary. However, to avoid any confusion as to whether this group was violating the law, the amendment specifically includes this group under "exceptions". Vote 16-3.

Amendment (0400h)

Amend the title of the bill by replacing it with the following:

AN ACT exempting automatic irrigation system installers from licensure by the electrician's board.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Exemptions. Amend RSA 319-C:3 by inserting after paragraph X the following new paragraph:

XI. A person who makes or, as a business, hires or employs another to make, electrical installations, repairs, alterations, or maintenance on automatic irrigation systems operating at 30 volts or less.

2 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill exempts persons who install, repair, maintain, or alter automatic irrigation systems from regulation as electricians.

HB 584-FN-A, establishing the position of citizens' advocate in the department of environmental services and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Anne Marie Irwin for Executive Departments and Administration: The purpose of this bill was to establish and fund a citizen's advocate within the department of environmental services. The committee found funding this position through agency fees was impractical as well as not cost efficient. Vote 16-1.

HB 679-FN, relative to medical savings accounts. **INEXPEDIENT TO LEGISLATE**

Rep. John DeJoie for Executive Departments and Administration: This bill would amend RSA 21-I by requiring the commissioner of administrative services to establish medical savings accounts as an option to traditional state employees health insurance. The committee reviewed this bill and found that there were numerous technical concerns with the bill. The sponsor spoke eloquently of an alternative health plan that would offer employees an option over existing plans while insuring catastrophic coverage. However, the bill does not address any structural, programmatic or coverage aspects. Finally, health care is a permissible subject of collective bargaining. Since the SEA is currently negotiating, the committee believes this type of health coverage should be addressed through collective bargaining rather than statute. Vote 15-3.

HB 469, relative to areas of the state for hunting by crossbow. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. L'Heureux for Fish and Game: This bill as amended prohibits the possession of a cocked crossbow in a motor vehicle, OHRV, aircraft, boat or other craft while being propelled by mechanical power. This bill allows the Fish and Game Department, under administrative rules, to authorize the use of crossbows in communities that are currently restricted to shotguns. The bill, unopposed, was supported by the Fish and Game Department and the New Hampshire Wildlife Federation. Vote 14-0.

Amendment (0319h)

Amend the bill by inserting after section 2 the following and renumbering the original section 3 to read as 4:

3 Hunting from Motor Vehicle, OHRV, Boat, or Aircraft; Crossbows Added. Amend RSA 207:7, II and III to read as follows:

II. No person shall have or carry, in or on a motor vehicle, OHRV, or aircraft, whether moving or stationary, *a cocked crossbow*, a loaded rifle or loaded shotgun, or a rifle or shotgun with a cartridge in a magazine or clip attached to the gun.

III. No person shall have in or on a boat or other craft while being propelled by mechanical power, or in a boat or other craft being towed by a boat or other craft propelled by mechanical power, *a cocked crossbow*, a loaded rifle or loaded shotgun, or a rifle or shotgun with a cartridge in a magazine or clip attached to the gun.

HB 533, relative to health carrier disclosure for medical child support enforcement. **OUGHT TO PASS WITH AMENDMENT**

Rep. Pamela G. Price for Health, Human Services and Elderly Affairs: This bill was requested by the Department of Health and Human Services, for medical child support enforcement purposes. Medical coverage may be ordered by the courts and child custody cases, but be difficult to identify when parents change jobs, or change insurance carriers without notifying the Department. The state often provides coverage under medicaid in the absence of other known insurance. This bill would allow us to electronically cross-match the New Hampshire Division of Child Support Services caseload against private carrier files to identify insurance coverage that is not already known to Division of Child Support Services. The bill does not expand the information that the insurance company provides to the Department, it expands the uses of that information to facilitate the enforcement of laws we already have. The bill was amended to address the privacy concerns of the committee. The Department may identify individuals by name, but may only use the last four digits of their social security number. Also, the new law will require any health carrier, public agency, or contracted agent who performs the electronic cross-match to purge any information received from

the Department immediately upon completion of the data match exchange. The bill has the potential to save the Department of Health and Human Services millions of medicaid payments. This enforces the rights of the children to health coverage. We ask your support of the unanimous committee vote of ought to pass with amendment. Vote 14-0.

Amendment (0413h)

Amend RSA 161-C:3-b, VI as inserted by section 1 of the bill by replacing it with the following:

VI. The department may provide certain information to health carriers, as defined in RSA 420-G:2, public agencies or its contracted agents concerning individuals who are subject to an order to provide health insurance coverage for dependents administered by the office of child support enforcement services, and their dependent children covered by such medical support orders, as necessary to cross-match the individuals with policyholder and subscriber information pursuant to RSA 161-C:3-e and rules adopted by the commissioner pursuant to that section, for the purpose of enforcing orders for medical support. The department may identify such individuals by name, the last 4 digits of the individual's social security number or other taxpayer identification number, date of birth, last known address, employer, or any combination thereof.

Amend RSA 161-C:3-e, III as inserted by section 2 of the bill by replacing it with the following:

III. All information disclosed by the department for the purpose of the electronic cross-match shall remain property of the state of New Hampshire. Any health carrier, public agency, or contracted agent engaged by the department to perform the electronic cross-match shall purge any information received from the department pursuant to this section concerning individuals or dependents from its records and databases immediately upon the completion of the data match exchange.

IV. In any case where the department administers a medical child support order on behalf of a dependent child who does not receive temporary assistance to needy families or medical assistance, the transaction costs associated with the electronic cross-match shall be paid in advance by the custodial parent or guardian, and the non-custodial parent shall reimburse the custodial parent for such transaction costs.

V. Any health carrier who supplies information in accordance with this section and with rules adopted under RSA 161-C:28 shall have immunity from any civil or criminal liability that might otherwise be imposed or incurred.

HB 831, establishing a New Hampshire end-of-life care study commission. **OUGHT TO PASS**
Rep. Hilda W. Sokol for Health, Human Services and Elderly Affairs: This bill establishes a commission to study and develop approaches to prepare people, health providers, and other caregivers in offering access to quality end-of-life care. In addition to two Representatives and two Senators, the commission will include representatives from the following New Hampshire organizations: Foundation for Healthy Communities, Hospice, Hospital Association, Medical Society, Association of Home Care Facilities, Health Care Association, Council of Churches, Nurses Association, Bar Association, Minority Health Coalition, Association of Counties, Department of Health and Human Services, and Department of Safety. The issues to be addressed are ways to: 1) educate the public about advance care planning (e.g. living wills, durable power of attorney) and to ensure that advanced directives are honored by health providers, emergency medical providers, and family and other care givers; 2) increase understanding of and access to palliative care services (i.e. adequate pain management); 3) encourage people to discuss dying (the ultimate consequence of life) with family and/or friends and to express their wishes as to the actions to be taken, or not taken, in the event of their death. Vote 13-0.

HB 199-FN-A, establishing new special justice positions in the Manchester, Concord, and Nashua district courts and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**
Rep. Robert H. Rowe for Judiciary: Currently, the Nashua and Manchester District Courts are each staffed with a full-time judge, a full-time associate judge and a special justice. A special justice is a part-time judge who is assigned and paid on a per-diem basis. A special justice can be assigned to sit from one to five days a week, as is the case in the Manchester and Nashua district courts. It was the desire of the proponents of this bill that both of the sitting special justices could be made full-time judges without the need for approval by governor and council. The committee and the executive branch believe that changing a part-time judge to a full time judge is the creation of a new position and executive branch approval is necessary. Because of this requirement, the proponents and sponsor of this bill have requested that the bill not go forward so that the two part-time special judges may continue in their current capacity. Vote 14-0.

HB 290, relative to the burden of proof in medical injury cases. **INEXPEDIENT TO LEGISLATE**
Rep. John M. Pratt for Judiciary: The sponsor of this bill agreed with the overwhelming opinion of the committee that the "loss of opportunity" doctrine is best left to the courts, which created the doctrine in the case of *Lord v. Lovett*. The committee concluded that the issue does not need to be codified at this point. Vote 16-1.

HB 373, establishing a committee to study the intent of legislative language and the canons of statutory construction and their conformity with constitutional authority. **INEXPEDIENT TO LEGISLATE**

Rep. Bette R. Lasky for Judiciary: This bill would have put into place a committee to study the intent of legislative language and the canons of statutory construction and their conformity with constitutional authority. In addition, the duties of this committee would have involved looking into the benefit of putting a preamble on all proposed legislation to unequivocally state precise legislative intent by being written in the "precise self-executing language of Latin." The committee heard testimony that there is already a law that spells out various tenets of statutory construction and there is a large body of law on this issue. The committee felt that to study this would be extremely cumbersome and redundant because of the many volumes already written by scholars on the subject and the involvement of Latin would also be at cross purposes to the sponsor's intent of making legislation easily understood by all. Vote 13-0.

HB 437, establishing a committee to study the feasibility of implementing common law grand juries in New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Phyllis L. Woods for Judiciary: This bill would establish a committee to study the feasibility of implementing common law grand juries in New Hampshire. The sponsor testified that the purpose of having such grand juries would be to help people who encounter abuses with public servants but are unable to access the grand jury by reason of the failure of county attorneys- themselves public servants- to pursue their cases. The committee noted that the large number of bills before it seeking appointment of study committees would, if all were passed, keep a large percentage of the House in session all summer, and that those, such as this, which are premised totally on anecdotal evidence of abuse, should be eliminated from the total. Vote 12-0.

HB 441, establishing a committee to study adoption of the Uniform Probate Code. **INEXPEDIENT TO LEGISLATE**

Rep. Robert H. Rowe for Judiciary: This bill is to establish a study committee to determine if NH should adopt the Uniform Probate Code. This code has been developed by a division of the American Bar Association. Sixteen states have adopted this uniform code. The Uniform Probate Code is an unsupervised probate process. This means an executor or administrator of an estate can sell property or distribute the estate assets without supervision by the probate court. Unsupervised probate could and probably would result in the mismanagement of an estate. The NH probate system is a supervised system where approval of a judge is necessary for the distribution or sale of estate assets and to conclude the probate state. NH probate is thorough but a relatively simple system that protects the estate assets. Further, to adopt the Uniform Probate Code would require the change of a great number of other NH statutes. The committee feels that study of the Uniform Probate Code is unnecessary at this time. Vote 13-0.

HB 490, relative to the application of statutes, and rules or ordinances authorized by statutes. **INEXPEDIENT TO LEGISLATE**

Rep. Gregory M. Sorg for Judiciary: This bill would amend RSA 21:1 to require that no application of a statute, administrative rule, or local regulation shall prohibit or be contrary to constitutional rights. The committee determined that the redundancy of prohibiting by statute that which is already prohibited by the constitution would be unlikely to serve the sponsor's intended purpose of preventing or deterring the occasional inadvertently promulgated statute, rule or regulation from getting by. Vote 14-0.

HB 508, relative to participation of insured defendants in superior court mediations. **INEXPEDIENT TO LEGISLATE**

Rep. Gregory M. Sorg for Judiciary: This bill would prohibit the superior court from requiring an insured defendant represented by the insurer to attend mediation or other court-ordered alternate dispute resolution proceedings. The sponsor testified that the bill was filed for the purpose of countermanning an anticipated new superior court rule that would require such attendance, but that rule

to date has not been and may never be issued. In deciding against either retaining or recommending passage of this bill, the committee determined that since, even were such a rule to be issued, the Court, pursuant to existing superior court rules, could upon motion grant relief from it in appropriate cases, there was no need to provoke a possible confrontation between the legislature and judicial branches over Part 2, Article 73-a rulemaking authority on this issue. Vote 12-1.

HB 523-FN, reducing the number of superior court justices. **INEXPEDIENT TO LEGISLATE**
Rep. Gregory M. Sorg for Judiciary: This bill would reduce the number of superior court judges from 28 to 25. The sponsor testified that this bill had been filed on the understanding that the workload of the superior courts was decreasing as the backlog has been reduced, but that recent review has shown that the current caseload per judge in fact remains within the national average and will soon be increased by the shift of the landlord/tenant appeals from the supreme to the superior court. For these reasons, the sponsor recommended that the bill should be voted inexpedient to legislate. The committee noted that should the situation change, the number of judges could still be reduced through attrition by retirement, resignation and the failure of the governor to appoint replacements. Vote 14-0.

HB 255-L, authorizing the creation of special purpose village districts within the Fall Mountain regional school district. **INEXPEDIENT TO LEGISLATE**
Rep. Eric G. Stohl for Municipal and County Government: This bill would have provided a procedure for the towns which now make up the Fall Mountain regional school district to breakup into five (5) different village districts for a special purpose; that being able to construct, own and maintain public school facilities within their town's geographic limits. The committee heard testimony from many individuals on both sides of the issue and considered all the information in their deliberations. The final unanimous decision was that due to the many legal issues that have yet to be answered in the courts, the committee felt that this was not the forum for this issue at this time. Vote 12-0.

HB 432, relative to nonbinding municipal referendums. **INEXPEDIENT TO LEGISLATE**
Rep. Thomas J. Gillick for Municipal and County Government: After discussion by the committee regarding the legal requirements of referenda versus warrant articles, the sponsor suggested that the reason for his bill was no longer a matter of concern and requested that the bill be voted inexpedient to legislate. Vote 11-1.

HB 434-L, relative to junkyards and motor vehicle recycling yards. **OUGHT TO PASS WITH AMENDMENT**
Rep. Laurie J. Boyce for Municipal and County Government: This bill gives the governing body of a town/city/unincorporated place the ability to impose a civil penalty on the owner(s) of property that is not in compliance with local junkyard laws along with the procedure for enforcement. This bill does not relieve the owner of doing the corrections to the property nor does it relieve them of bringing the property into compliance. Vote 13-0.

Amendment (0442h)

Amend RSA 236:128, III as inserted by section 2 of the bill by replacing it with the following:

III. The local governing body or other enforcement official of the town, city, or unincorporated place, after providing notice, may impose a civil penalty of up to \$50 for each day upon any person whose land is deemed a nuisance pursuant to RSA 236:119 until such time as the nuisance is removed or abated to the satisfaction of the governing body, or until the owner of the land acquires a license and is in compliance with the provisions of this subdivision. The building inspector or other local official with the authority to enforce the provisions of this section may commence an action to collect the civil penalty in the district court. Imposition of a civil penalty under this paragraph shall not relieve the owner of any requirement to comply with the provisions of this subdivision, nor shall it preclude the imposition of further actions or remedies under this chapter. The proceeds from the assessment of civil penalties under this section shall be for the use of the town, city, or unincorporated place. Notwithstanding any other provision of law, this paragraph shall not apply to automotive recycling yards and junkyards properly licensed or pending license renewal under this subdivision.

HB 453, relative to recommendations of certain municipal boards. **INEXPEDIENT TO LEGISLATE**
Rep. Robert L. Theberge for Municipal and County Government: This bill prevents any local body other than the budget committee from recommending a municipal budget. Given a Town Govern-

ment structure, this bill would exclude the governing body. The committee felt that a recommendation does not promote the views of a select group, nor does it pressure voters to vote a certain way. If passed, this bill would have made it illegal to post meetings. Vote 13-0.

HB 706-FN-L, relative to the definition of net indebtedness under the municipal finance act. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: This bill would change the definition of net indebtedness under the municipal finance act. However, the prime sponsor indicated the bill was no longer necessary. Vote 15-0.

HB 197-FN-A, making an appropriation to the harbor dredging and pier maintenance fund. **INEXPEDIENT TO LEGISLATE**

Rep. John R. Cloutier for Public Works and Highways: This bill would appropriate \$1,000,000 to the harbor dredging and pier maintenance fund for the dredging of Hampton and Seabrook Harbors. Information was later received by the committee that such dredging would only cost \$500,000. But importantly, this bill is a separate capital appropriation which could be included in this year's Capital Budget. Finally, the Army Corps of Engineers using federal funds may soon do the dredging. Therefore, the committee believes this bill is unnecessary. Vote 16-0.

HB 631-FN-A, relative to emergency access to Interstate 95 in the towns of Hampton and Hampton Falls and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Sandra B. Keans for Public Works and Highways: It became apparent during testimony that the New Hampshire Department of Transportation is working on a series of improvements to the turnpike in this area. Also, there have been preliminary talks with the Hampton Fire and Rescue Service. It is the committee's expectation that the cooperation between the two parties can solve the access problems more quickly than through legislation. Vote 16-0.

HB 708-FN-L, permitting certain village districts to become eligible for state highway aid apportionment. **INEXPEDIENT TO LEGISLATE**

Rep. John A. Graham for Public Works and Highways: This bill would have permitted village districts organized for road maintenance to become eligible for state highway aid apportionment. The committee heard that three such districts exist in the state, although representatives from only one district testified in favor of the bill. Both the Department of Transportation and the New Hampshire Municipal Association testified against the bill. In the final analysis, the committee felt that this is a local issue. Vote 17-0.

HB 724-FN-L, extending the effective date of the Skyhaven airport transfer plan. **OUGHT TO PASS**

Rep. Sandra B. Keans for Public Works and Highways: Currently in state statutes there is a date of July 1, 2003 at which time the state would turn over ownership of Skyhaven Airport to a local political subdivision. Rochester, where the airport is located, is in the process of finding locations for wetlands mitigation and financing of a sewer installation. The airport can become financially viable and acceptable to the city if these issues can be realized. However, there is still more work to be done with the Federal Aviation Administration and the Army Corps of Engineers. This date extension should provide the time to work out the projects. Vote 16-0.

Referred to Finance.

HB 769, relative to the lighting of certain advertising devices along highways. **OUGHT TO PASS**

Rep. Sandra B. Keans for Public Works and Highways: This bill requires certain types of lighting on highway signs in the future. There are various reasons the committee supports this legislation. 1) State-of-the-art technology is moving in this direction. With this statute, advertisers will know they can't dump outdated fixtures in New Hampshire. 2) It has now become well documented that environmental sky pollution needs to be controlled. 3) There are safety concerns with glare on highways particularly on wet pavement. Top down lighting makes sense. Vote 16-1.

HB 289, relative to outdoor automatic sprinkler systems. **INEXPEDIENT TO LEGISLATE**

Rep. H. Charles Royce for Resources, Recreation and Development: After over one hour of public testimony on automatic sprinkler systems it was decided by the Resources, Recreation and Development Committee that this bill is not necessary. When new systems or old systems are upgraded automatic shut-offs are offered as part of the installation. The automatic shut-off works after a period

of rain has fallen. This bill would only address inground systems. It was felt that this bill was not necessary for the entire state of New Hampshire. Local communities can control the use of water on public systems. Vote 13-0.

HB 660-FN, relative to the fee for excavating and dredging permits. INEXPEDIENT TO LEGISLATE

Rep. David M. Lawton for Resources, Recreation and Development: This bill would increase the fee for an excavating and dredging permit from \$0.04 per square foot to \$0.05 per square foot. The committee, as well as the sponsor of this bill, believe that this issue is better addressed in another, more comprehensive bill which is already being considered this session. Vote 15-0.

HB 732-FN, relative to fines for forestry law violations, and deceptive forestry business practices. OUGHT TO PASS WITH AMENDMENT

Rep. H. Charles Royce for Resources, Recreation and Development: This bill as amended requires the Department of Resources and Economic Development (DRED) to establish a unified fine schedule for forestry law violations. The bill also allows pleas to be entered by mail in lieu of court appearances. One major concern addressed in this bill is informing the owner of timber to be harvested that they have a 10% yield tax to be paid to their town. Vote 19-0.

Amendment (0553h)

Amend RSA 227-J:15, I as inserted by section 2 of the bill by replacing it with the following:

I. A person is guilty of a class B felony if the loss is greater than \$1,000 or otherwise guilty of a misdemeanor who in the course of buying and selling of a forest product, as defined under RSA 227-G:4, VII, *recklessly*:

(a) Uses or possesses for use a false weight or measure, or any other device for falsely determining or recording any quality or quantity as provided under RSA 438; or

(b) Sells, offers, or exposes for sale or delivers less than the represented quantity of any ~~[commodity]~~ *forest product* or service; or

(c) Takes or attempts to take more than the represented quantity of any ~~[commodity]~~ *forest product* or service when as buyer the person furnishes the weight or measure; or

(d) Sells, offers, or exposes for sale adulterated or mislabeled commodities; or

(e) Does not remunerate the owner of the timber for the value of the forest products pursuant to a written ~~[or verbal]~~ contract; or

(f) Does not furnish the owner, upon *written* request, with all scale slips to verify the amount of the forest products removed from the owner's property.

Amend the bill by replacing all after section 6 with the following:

7 New Section; Guidance on Yield Tax. Amend RSA 79 by inserting after section 30 the following new section:

79:31 Guidance on Yield Tax.

I. The department of revenue administration shall make available on its internet site the average stumpage value list provided pursuant to RSA 79:1, III(b).

II. The department shall prepare for persons responsible for payment of the normal yield tax an information guide on how local assessing officials determine the tax assessment. The guide shall include, among other matters, the internet address of the stumpage value list prepared by the department, and the process for appealing an assessment. The department shall make the guide available to the public on its internet site and by any other cost effective means.

III. The department shall include on the intent to cut form, prior to the signature line of the owner, language that makes reference to the internet address of the information guide and to a department phone number where information on the 10 percent normal yield tax can be obtained.

8 Interim Dissemination of Information. The department of revenue administration shall immediately attempt to gain voluntary assistance, as is practical, from municipalities, foresters, and loggers to inform owners of the information sources detailed in RSA 79:31 concerning the normal yield tax.

9 Effective Date.

I. Section 2 of this act shall take effect 60 days after its passage.

II. Sections 7-8 of this act shall take effect upon its passage.

III. The remainder of this act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill requires the commissioner of the department of resources and economic development to establish a unified fine schedule and allows pleas to be entered by mail in lieu of court appearances.

This bill also clarifies deceptive forestry business practices, and provides for the dissemination of information on the normal yield tax.

HB 109-FN, establishing a New Hampshire do-not-call list for telephone solicitation. OUGHT TO PASS WITH AMENDMENT

Rep. Roy D. Maxfield for Science, Technology and Energy: The sponsors of HB 109 indicated that telemarketing calls were their most troubling constituent concern during the last election season. The subject of unwanted telemarketing calls was exacerbated this past year by an unusually high number of politically motivated surveys and infomercials. This bill was amended by the committee to mirror the Federal Trade Commission's new rules that established an inter-state do-not-call list for telephone solicitation. Their rules received federal funding earlier this year and will be implemented by August. We applied the same FTC rules to intra-state telemarketers and worked with the Attorney General's Office to establish oversight by their office to implement, monitor and collect fees and fines. Vote 16-0.

Amendment (0373h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to telemarketing practices.

Amend the bill by replacing all after the enacting clause with the following:

1 Use of Automatic Telephone Dialing Systems; Chapter Heading Amended. Amend the chapter heading of RSA 359-E to read as follows:

CHAPTER 359-E

[USE OF AUTOMATIC TELEPHONE DIALING SYSTEMS AND CALLER IDENTIFICATION SERVICES]

TELEMARKETING

2 New Subdivision Heading; Use of Automatic Telephone Dialing Systems and Caller Identification Services. Amend RSA 359-E by inserting, preceding RSA 359-E:1, the following subdivision heading:

Use of Automatic Telephone Dialing Systems and Caller Identification Services

3 New Subdivision; Telemarketing Sales Calls. Amend RSA 359-E by inserting after section 6 the following new subdivision:

Telemarketing Sales Calls

359-E:7 Definitions. In this subdivision:

I. "Bureau" means the consumer protection and antitrust bureau of the office of the department of justice.

II. "Customer" means any natural person who:

(a) Is a resident of this state.

(b) Is or may be required to pay for or to exchange consideration for goods and services offered through telemarketing.

(c) Is a residential, business, mobile, or telephonic paging device telephone subscriber.

III. "Do-not-call registry" means the Federal Trade Commission's do-not-call registry, established pursuant to the Federal Trade Commission Telemarketing Sales Rule, 68 Fed. Reg. 19,4672 (2003) (to be codified at 16 C.F.R. part 310, section 310.4(b)(1)(iii)(B)), as amended.

IV. "Goods and services" means any goods and services, and shall include any real property or any tangible personal property or services of any kind.

V. "Person" means any natural person, association, partnership, firm, corporation and its affiliates or subsidiaries, or other business entity.

VI. "Telemarketer" means any person who, for financial profit or commercial purposes in connection with telemarketing, makes telemarketing sales calls to a customer when the customer is in this state or any person who directly controls or supervises the conduct of a telemarketer. For the purposes of this subdivision, "commercial purposes" shall mean the sale or offer for sale of goods or services.

VII. "Telemarketing" means any plan, program, or campaign which is conducted to induce payment or the exchange of any other consideration for any goods or services by use of one or more

telephones and which involves more than one telephone call by a telemarketer in which the customer is located within the state at the time of the call. Telemarketing shall not include the solicitation of sales through media other than by telephone calls.

VIII. "Telemarketing sales call" means a telephone call by a telemarketer originating in this state or outside of this state to a customer in this state for the purpose of inducing payment or the exchange of any other consideration for any goods or services. A telemarketing sales call shall not include a call made:

- (a) In response to an express written or verbal request of the customer called.
- (b) In connection with an existing business relationship, which has not been terminated by either party.
- (c) On behalf of a nonprofit charity or political campaign.

359-E:8 Prohibited Telemarketing Sales Calls. Telemarketers are prohibited from conducting telemarketing sales calls to any customer who has registered his or her name or telephone number with the Federal Trade Commission's do-not-call registry.

359-E:9 Obligation to Obtain Do-Not-Call Registry. Telemarketers making telemarketing sales calls originating in the state shall obtain the do-not-call registry from the bureau. Telemarketers making telemarketing sales calls originating outside of the state shall obtain the do-not-call registry from the bureau or from the Federal Trade Commission. The bureau shall charge a fee for the registry in an amount sufficient to cover any costs incurred by the bureau in providing the registry.

359-E:10 Notice of Do-Not-Call Registry.

I. The bureau shall provide notice to customers of the do-not-call registry. Any customer who wishes to be included on the registry shall notify the Federal Trade Commission in such manner as the commission may prescribe or shall notify the bureau in writing or via the Internet. A customer may be removed from the registry upon the customer's written request to the bureau or in such manner as the commission may prescribe.

II. The bureau shall update and transmit to the Federal Trade Commission all new names and telephone numbers received for inclusion in the registry not less than quarterly.

359-E:11 Rulemaking. The department of justice shall adopt rules under RSA 541-A relative to the requirements of this subdivision.

359-E:12 Telemarketing; Disclosure Required.

I. If a telemarketer places a telemarketing sales call that is otherwise permitted by this subdivision, the telemarketer shall immediately disclose the caller's identity, the business on whose behalf he or she is soliciting, and the consumer goods or services being offered or sold.

II. If a sale or an agreement to purchase is completed, the telemarketer shall inform the customer of the customer's cancellation rights and give the telephone number and complete address of the telemarketer and the total price or cost of the sale or agreement. In addition, the telemarketer shall provide a detailed written description of the goods or services purchased, unless the customer waives the right to receive such description.

359-E:13 Penalties.

I. A violation of RSA 359-E:8 or RSA 359-E:12 shall constitute an unfair or deceptive act or practice within the meaning of RSA 358-A:2. Any right, remedy or power set forth in RSA 358-A, including those set forth in RSA 358-A:4, may be used to enforce the provisions of this subdivision. Such remedies shall be in addition to any other remedies provided by law or equity and shall be in addition to any other penalty provided by this section.

II. A violation of RSA 359-E:8 or RSA 359-E:12 shall result in the loss of ability to conduct telemarketing in this state for a period of 2 years and shall result in a fine of \$11,000 per violation. Any funds so collected shall be used by the bureau to defray costs associated with the implementation and enforcement of this subdivision.

4 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill prohibits telemarketers from calling customers who have placed their names on the Federal Trade Commission's do-not-call registry.

The bill also requires telemarketers to make certain disclosures relative to the identity of the caller and the nature of any sale or agreement.

Referred to Finance.

HB 331-FN, relative to discovery in public utilities commission proceedings. **INEXPEDIENT TO LEGISLATE**

Rep. Roy D. Maxfield for Science, Technology and Energy: This bill would establish a penalty for delay by a utility in complying with a discovery action before the Public Utilities Commission until such time that any question by any intervenor be answered to the intervenor's satisfaction. The committee agreed that this would have an adverse effect on staff, increase delay, and result in additional costs which could impact utility rates for state, county and local governments. Vote 15-1.

HB 703-FN, permitting free admission to the state park system for disabled veterans. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter M. Sullivan for State-Federal Relations and Veterans Affairs: The committee believes that providing free admission to the state park system is a modest yet appropriate manner of honoring those men and women who have made profound sacrifices for their country. This legislation was crafted with the input of park system officials, who reassured the committee that this bill is fiscally feasible. Vote 15-0.

Amendment (0407h)

Amend RSA 216-A:3-g, IV as inserted by section 1 of the bill by replacing it with the following:

IV. No disabled veteran of this state, upon providing satisfactory proof of a service-connected disability, shall be charged a fee for admission to the state park system. Special number plates issued to disabled veterans pursuant to RSA 261:86 or a letter issued by the United States Department of Veterans Affairs certifying that the veteran suffers from a service-connected disability shall constitute satisfactory proof under this section. Any fees for the use of enterprise activities as defined in paragraph II shall be charged.

HCR 6, urging the creation of a free and independent Palestinian state. **INEXPEDIENT TO LEGISLATE**

Rep. Peter M. Sullivan for State-Federal Relations and Veterans Affairs: The sponsor of HCR 6 wished to withdraw this resolution. Accordingly, the committee recommends that the resolution be reported as Inexpedient to Legislate. Vote 11-0.

HCR 9, urging the President and the Joint Chiefs of Staff to abandon the Total Information Awareness Initiative. **OUGHT TO PASS**

Rep. Richard F. Heon for State-Federal Relations and Veterans Affairs: This resolution urges the President and Joint Chiefs of Staff to abandon the Total Information Awareness Initiative (TIA). The federal government's TIA seeks to track and store information on all American in a central database. The committee felt that this degree of government knowledge of the lives of ordinary Americans could be devastating to our liberty and our republic. The committee feels that this resolution is important and necessary to protect the people of the State of New Hampshire. Vote 14-1.

HR 9, urging the federal government to extend the Internet Tax Freedom Act moratorium. **OUGHT TO PASS**

Rep. Lawrence J. Guay for State-Federal Relations and Veterans Affairs: This House Resolution urges the federal government to extend the Internet Tax Freedom Act. This act took effect on October 01, 1998 and provided a 3-year moratorium on new taxes on internet access. The committee agrees that it should be extended permanently. Vote 14-1.

HR 10, urging the department of defense to establish a military presence in the state of New Hampshire for purposes of domestic security. **INEXPEDIENT TO LEGISLATE**

Rep. Russell A. Albert for State-Federal Relations & Veterans Affairs: The committee felt that this bill will circumvent an established federal government procedure by urging the Department of Defense to establish a military presence at the Peace Development Authority. Vote 16-0.

HB 103-FN, relative to motor vehicle plates for firefighters and emergency medical care providers. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would establish special number plates to be affixed to the personal vehicles of licensed emergency medical care providers and firefighters who respond to calls. This bill establishes two separate special plates, one for emergency medical technician personnel and one for firefighters to use on their personal vehicles. During the public hear-

ing the sponsors asked the committee to support this legislation so that firefighters would be recognized at emergency scenes. The committee was told that in the larger communities fire departments did not want confusion while managing an emergency scene. Call firefighters are allowed to have flashing red lights, sirens and plaques on their personal vehicles to identify them while on call. The bill also requires an application from the local fire chief with proof that the applicant is qualified to receive these special plates. It also requires the fire chief to be responsible for the plate upon the termination of the employee. Additionally, as written, this bill would allow private companies who provide medical services to authorize their EMTs to qualify. The fire chiefs are opposed to this bill, they are consumed with important responsibilities and don't want to chase down license plates. They are not sure that they would even have the authority to do so. The Department of Safety is also opposed to this bill; identification is an issue for law enforcement. The department estimates that the startup cost for these plates to be \$97,000.00. This would be taken from the Highway Fund. While the veteran's plates are considered a success, there are 135,000 veterans in New Hampshire as of February 2003, only 9,300 have been sold. This is considered average from looking at other states. There are considerably less firefighters and EMTs who are qualified to receive this plate as proposed. Testimony provided by the sponsors during the public hearing reported there were in the vicinity off 5,000. Vote 14-0.

HB 142, relative to motor vehicle registration expiration dates. **INEXPEDIENT TO LEGISLATE**
Rep. Lawrence A. Artz for Transportation: The original intent of this bill was that motor vehicle owners would have the ability to register and inspect their vehicles in a month other than their birth month in order to be of more convenience to the vehicle owner, as well as to better expedite the process of reactivating expired registrations of vehicles, as what is common with owners of seasonably-driven vehicles with birthdays that are in months during the winter. After discussing the issue with the Director of Motor Vehicles, it was determined that there would be problems in administering an alternate registration expiration cycle due to the way the department is currently set up. As more town clerks become connected to the Department of Safety's database, the issue of the vehicle owner having to take additional steps to reactivate an expired registration will correct itself over time. Vote 14-0.

HB 346, establishing a commission to study the impact of traffic law violations on public health and safety and state and municipal resources. **INEXPEDIENT TO LEGISLATE**
Rep. Robert J. Letourneau for Transportation: This bill would establish a commission to study the impact of traffic law violations on public health, safety and state and municipal resources. While the committee understands the sponsors' intent and motives, testimony revealed that they were not aware of the Governor's Task Force on Fatalities and Highway Safety. It became evident that resources were a factor in this legislation, however, the state currently shares fine money with municipalities, and highway funds are constitutionally dedicated (Article 6). This bill would be a redundant effort. Vote 15-0.

HB 379, relative to penalties for OHRV violations by underage operators. **OUGHT TO PASS**
Rep. Robert J. Letourneau for Transportation: This legislation would be helpful in solving the many problems homeowners and law enforcement face with underage operators of off highway recreational vehicles. There are many problems with personal property damage and trespassing by these youthful violators. This bill would put some teeth into the current law by providing ownership liability, increased penalties and fees. Vote 14-0.

HB 406, establishing a speed limit for powerboats on Lake Winnepesaukee. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Transportation: This bill would establish a speed limit on Lake Winnepesaukee during nighttime hours. The sponsors of this legislation did not appear before the committee to support this bill. Twenty-two members of the public testified in opposition while only three testified in favor. Many of these folks commute to and from work from the islands in the lake, often arriving later in the evening. This would impose severe restrictions on those folks who commute. This would also have a dramatic effect on the Mt. Washington Cruise Line and other social activities on the lake in the evening. No evidence was presented that showed this was a safety issue. Additionally, this would require additional marine patrol officers for nighttime coverage for enforcement. This would add many dollars to the marine patrol budget or cause other lakes to lose

officers for the additional patrols. One last point, the implementation of the Boater Education Program (House Bill 499) in 2000 is the key to safer boating. According to the Department of Safety over 21,000 boaters have taken and passed the course to date. Vote 14-0.

HB 570-FN, relative to motor vehicle records of persons involved in accidents. INEXPEDIENT TO LEGISLATE

Rep. Robert J. Letourneau for Transportation: This bill would permit the release of motor vehicle records of persons involved in a motor vehicle accident for the purpose of correcting or updating incorrect or out-of-date information provided by the person at the accident scene. Testimony revealed that this is already the case and current law provides for law enforcement, insurance companies, attorneys and appropriate persons to receive this information on a case-by-case basis as needed. Vote 14-0.

HB 819, relative to original and youth operators' licenses. OUGHT TO PASS

Rep. Sherman A. Packard for Transportation: This bill was a request of the Department of Safety to make technical corrections to the youth operators license provision that went into effect January 1, 2003. The bill will move a youth operator who completes the first year of driving conviction-free into a second phase of licensing. This second phase will give a vertical license to those under age of 21. Upon turning 21 the operator would move into the full original license. This hopefully will help alleviate underage drinking by having such a distinctive license. This policy is also being tried in numerous other states. Vote 15-0.

HB 632-FN-A-L, limiting the collection by the state of excess education property tax payments. INEXPEDIENT TO LEGISLATE

Rep. Jeff Gilbert for Ways and Means: This bill would have the effect of establishing different statewide property tax rates for each donor town. Accordingly, the committee believes that the bill is unconstitutional. In addition, neither the DRA or any witness at the public hearing was able to assess the fiscal impact of the bill. Vote 15-0.

HB 663-FN-A-L, relative to county and state funding of long-term care medicaid programs. OUGHT TO PASS WITH AMENDMENT

Rep. Susan W. Almy for Ways and Means: This important bill proposes the restructuring of the county-state Medicaid obligations, in face of the July 1, 2003 sunset of SB 409 (1999). It included a 10 cent tobacco tax increase to pay for the then- assumed cost. The prime sponsor also supported a nursing home bed tax as an alternative revenue source, and similar taxes on home health care and some intermediate care beds open to Medicaid clients were considered. Without knowing at what level the nursing home and other Medicaid provider payments will be funded by the Finance Committee, or how they will restructure the policy part of the bill, the Ways & Means Committee is incapable of evaluating whether these revenue options are appropriate. The Committee therefore stripped the revenue source from the bill and sends it forward without recommendation on the policy aspects to be dealt with by the Finance Committee, which has agreed to consult with Ways & Means when they return to the question of revenue. Vote 18-0.

Amendment (0504h)

Amend section 1 of the bill by replacing paragraph I with the following:

I. The purpose of this act is to reauthorize the county obligation to fund a portion of the non-federal share of medicaid expenses for long-term care programs. The goal of this increase in long-term care expenditure is to reduce the substantial county medicaid deficit. The act ensures that county long-term care spending that is not currently matched through the medicaid program will be included in this program.

Amend the bill by replacing all after section 7 with the following:

8 Effective Date of Repeal Changed; Reimbursement of Funds for Persons Eligible to Receive Nursing Home Services; Limitation on County Payments. Amend 1998, 388:17, II to read as follows:

II. Paragraphs I and II of section 16 of this act shall take effect on July 1, [2003] 2008.

9 Rulemaking by Health and Human Services; Contingency.

I. Administrative rules relative to the administration of this chapter proposed by the commissioner of the department of health and human services pursuant to RSA 167:3-c, XIII, as inserted by section of this act, shall be filed pursuant to RSA 541-A:10 and shall be adopted within 120 days of the effective date of this section.

II. Payments by counties pursuant to RSA 167:18-b, as amended by this act, after January 1, 2004, shall not be required if the rulemaking requirement under paragraph I is not complied with and such rules are not adopted by the commissioner of health and human services.

10 Applicability. Nothing in this act shall be construed to create a new right on entitlement on behalf of any person to receive a service provided by the state.

11 Effective Date.

I. Section 8 of this act shall take effect June 30, 2003.

II. The remainder of this act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill:

I. Establishes a statutory county-state finance commission.

II. Extends and amends the payment provisions for counties relative to the nonfederal share of nursing home facility services.

III. Adds a county official to the health services planning and review board.

Referred to Finance.

HB 741-FN, relative to an education property tax cap for retired residents. INEXPEDIENT TO LEGISLATE

Rep. Daniel M. Hughes for Ways and Means: This bill would cap the education property tax for certain retirees to the amount they paid their first year of retirement. The committee supported the goal of enhancing property tax relief for our needy citizens but was concerned with the uncertain costs and administrative hurdles inherent in the bill's approach due to death, divorce, age differential of spouses, and other unforeseen circumstances. The committee concluded that the bill's goals could be achieved through other pending legislation. Vote 13-2.

HB 743-FN-A, establishing a disposal tax on disposable diapers. INEXPEDIENT TO LEGISLATE

Rep. Daniel M. Hughes for Ways and Means: The bill's sponsor sought a mechanism to reduce solid waste and simultaneously raise revenues by placing a \$.01 tax on each juvenile disposable diaper sold at retail in New Hampshire. Though this may be a laudable goal, the committee felt that it put an unfair burden on young parents and would be difficult to administer. Vote 17-0.

HB 828-FN-A-L, relative to alternative fuel vehicles. OUGHT TO PASS WITH AMENDMENT

Rep. Susan W. Almy for Ways and Means: The sponsor brought up the issue of alternative-fuel and hybrid vehicles, and how the state can encourage them to improve air quality and decrease reliance on imported oil. The committee felt that a greater problem was the declining revenues to be expected from the gas tax (road toll) as these vehicles increase, and how to fund the Highway Fund as this transition occurs. It therefore amended the bill into a study committee to look at both these issues, the changing source of Highway Fund revenues and whether and how to stimulate alternative-fuel vehicles. Vote 17-0.

Amendment (0483h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the effect of alternative transportation on state revenues.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study the effect of alternative transportation on state revenues.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house, at least one of whom shall be a member of the ways and means committee, and at least one of whom shall be a member of the public works and highways committee, appointed by speaker of the house of representatives.

(b) Three members of the senate, appointed by president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall:

I. Examine future revenues for the highway fund to replace road tolls as alternative fuel vehicles and hybrid vehicles become more common.

II. Examine the possibility of encouraging alternative fuel vehicles and hybrid vehicles.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the president of the senate, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2003.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the effect of alternative transportation on state revenues.

REGULAR CALENDAR – PART I

HB 621-FN-A-L, establishing an early childhood literacy program. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Nancy Scovner for the Majority of Education: This bill implements an early childhood literacy program in the Department of Education, modeled after the National Parents as Teachers Program. It makes an appropriation of \$1,000,000.00 of federal and other funding for the purpose of this program, without state funds. This program has been a success as a pilot in Claremont and testimony was clear and overwhelming in favor of continuing and expanding. The majority of the committee believes this is an educational policy that confirms this is the best money that we can spend. Vote 14-4.

Rep. Barbara J. Hagan for the Minority of Education: The minority of the committee felt that the negative results of passage outweighed any merits, established a precedent in favor of the "It takes a village to raise a child" mentality and that, lacking evidence of long-term (High School graduates) results. Adopting this program by state statute is premature even though no state funds will be used at this time.

Rep. Newton spoke against.

Rep. Kurk spoke in favor.

Rep. Ingbretson spoke against.

Rep. Ingbretson moved Recommit to committee.

Rep. Stephen L'Heureux spoke against

On a division vote, 101 members having voted in the affirmative and 252 in the negative, the motion to Recommit failed.

Rep. Carson spoke in favor.

Rep. Nordgren requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority report was adopted.

Referred to Finance.

HB 751-FN-L, implementing an alternative school building aid grant formula, establishing size and cost standards for the construction of new school facilities, and permitting high school vocational technical education programs which lease space to be eligible for school building aid grants. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John R. M. Alger for the Majority of Education: This bill provides an alternative method of computing school building aid that benefits less wealthy communities, but leaves the existing building aid program in law. In addition, a lease provision is included with a ten year limit after which renewal requires further approval. In addition, the bill places school room size limitations (square feet per student) above which the state will not pay its cost without preventing school districts from building to their own designs. This size limit and land area limits are similar to those in our surrounding states and were recommended in a recent Legislative Budget Assistance audit of the facilities planning function of the Department of Education. As a result of the size limitations, in spite of the greater state support for less wealthy communities, analysis of projects during recent years shows the bill will be close to revenue neutral. Vote 10-7.

Rep. Claire D. Clarke for the Minority of Education: This bill creates a new and unrealistically low square foot size limitation for new school construction projects in New Hampshire. This limitation would have adversely affected reimbursements to sixty percent of the projects approved during the last three years according to certain testimony. In addition, this law size limit would adversely impact smaller school communities. This adverse and unintended consequence suggests that this policy change needs further study.

Majority report adopted.

Referred to Finance.

HB 786-FN-L, relative to the participation of the state and its political subdivisions in the federal No Child Left Behind Act of 2001. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John R. M. Alger for the Majority of Education: The bill simply requires the federal government to adhere to the same policy of no mandates without paying for them, as the State must honor. Furthermore, there is a federal law requiring payment for mandates and also such a statement in the "No Child Left Behind" law. However, testimony revealed uncertainty as to structures in the federal law on No Child Left Behind would, in fact, apply. Therefore, even though No Child Left Behind appears to be well funded for the next two years, the future demands on state and local revenues is uncertain and likely to be significant, judging from the testimony. Vote 12-5.

Rep. Mark S. Carter for the Minority of Education: The minority would like to point out that the architect and sponsor of the No Child Left Behind Act is US Senator Judd Gregg. The minority points out that the "coalition of opposites" that testified in favor of HB 786 are the same coalition that has delivered education mediocrity to New Hampshire. All the representatives who testified in favor of HB 786 said they support "the concept" of No Child Left Behind, which presumably means they believe it will help our students, but only so long as it does not cost New Hampshire one dime. The minority believes that New Hampshire should be testing children and holding schools and parents accountable. If you believe similarly, than the No Child Left Behind Act is a federal assistance grant that helps New Hampshire do what it should be doing already.

Majority report adopted.

Referred to Finance.

HB 577-FN-A-L, relative to implementing the Help America Vote Act of 2002. OUGHT TO PASS WITH AMENDMENT

Rep. C. Donald Stritch for Election Law: This bill known as the "Help American Vote Act" (HAVA) is the first step by our state in implementing the federal election law by the same name passed by Congress last October 2002. It mandates that states abide by specific federal election requirements: provide voters an opportunity to correct ballot errors, implement a voting system with manual audit capacity, provide at least one disability accessible voting machine per ward/precinct/town or voting district, provide state advocacy systems for the disabled, improve voting technology, test voting equipment, develop a centralized statewide voter registration base and to implement a statewide voter identification requirement for first time voters. It also provides for ongoing election education for all election officials statewide. Funding for these HAVA changes will be distributed over a three-year period upon submission of the state election reform plan. The state "election fund" would receive this year \$5,000,000 and a possible \$9,000,000 (the additional \$4,000,000 requires 5% contribution from the state). The committee voted unanimously to recommend passage of the first phase of the HAVA legislation. Vote 11-0.

Amendment (0449h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to implementing the Help America Vote Act of 2002 and relative to rulemaking by the secretary of state.

Amend the bill by replacing all after the enacting clause with the following:

I New Section; Election Fund. Amend RSA 5 by inserting after section 6-c the following new section:

5:6-d Election Fund.

I. There is established in the office of the state treasurer a nonlapsing fund to be known as the election fund which shall be kept distinct and separate from all other funds. The election fund is established to meet the requirements of section 254(b) of the Help America Vote Act, Public Law 107-252.

II. The treasurer shall deposit in the election fund all monies received by the state pursuant to the Help America Vote Act of 2002, Public Law 107-252 and all civil or administrative fines or penalties or filing fees collected by the secretary of state pursuant RSA 655; RSA 659; and RSA 664. The treasurer shall also deposit in the election fund such other funds received under state or federal law, or donated to the state by private parties, for the purposes of conducting elections, voter and election official education, election law enforcement, and related information technology projects and improvements, and shall credit any interest or income earned on monies on deposit to the fund.

III. The secretary of state is authorized to accept, budget, and, subject to the limitations of this paragraph, expend monies in the election fund received from any party for the purposes of conducting elections, voter and election official education, the purchase or lease of voting equipment which complies with Help America Vote Act of 2002, Public Law 107-252, election law enforcement, and improvements to related information technology. The secretary of state shall not expend any monies in the election fund unless the balance in the fund following such expenditures shall be at least 20 times the estimated annual cost of maintaining the programs established to comply with the Help America Vote Act of 2002, Public Law 107-252.

IV. All monies in the election fund shall be continually appropriated to the department of state and shall not lapse.

V. The treasurer, upon approval of the secretary of state shall pay the expenses of planning, equipping, administering, staffing, maintaining, and improving the election services provided by the secretary of state and related services provided by the department of safety, the department of health and human services, and the department of justice out of any monies in the election fund, subject to the limitations established in paragraph III, notwithstanding any other provision of law.

2 New Subparagraph; General Revenue Exceptions; Election Fund. Amend RSA 6:12, I by inserting after subparagraph (IIIIIIII) the following new subparagraph:

(mmmmmmmm) Moneys deposited in the election fund under RSA 5:6-d.

3 New Paragraph; Administrative Procedure Act; Exceptions; Guidelines or Rules Issued by Secretary of State. Amend RSA 541-A:21 by inserting after paragraph VI the following new paragraph:

VI. Guidelines or rules issued by the secretary of state under title LXIII in furtherance of executing and enforcing the election laws shall be exempt from the rulemaking requirements of RSA 541-A.

4 New Subdivision; Centralized Voter Registration Database. Amend RSA 654 by inserting after section 44 the following new subdivision:

Centralized Voter Registration Database

654:45 Centralized Voter Registration Database.

I. The secretary of state is authorized to plan, develop, equip, establish, site, and maintain a statewide centralized voter registration database and communications system, hereinafter referred to as the voter database, connecting users throughout the state. The voter database shall include the information on the voter registration form and the voter checklists maintained by each city, ward, and town in the state.

II. Any election official in the state, including any local election official, may obtain immediate electronic access to the information contained in the voter database related to individuals registered or registering to vote in the election official's jurisdiction.

III. The voter database shall, upon certification by the secretary of state, be the official record of eligible voters for the conduct of all elections held in this state.

IV.(a) The voter database shall have the following minimum components:

(1) An electronic communications system that provides access for election officials from at least one point in each city and town within the state.

(2) An interactive computer program allowing local election officials access to records contained in the database with a process to add, delete, modify, or print a voter registration record related to the election official's jurisdiction. The system shall be designed so that there can be regular updates to the database, the records reflect the name of each registered voter with no duplication, and the names of ineligible voters are removed. The system shall contain safeguards to ensure that the names of properly registered voters are not removed in error.

(b) Voter database record data shall be verified by matching the records with those of the department of safety and the federal social security administration as are required by law, and with the records of the state agency or division charged with maintaining vital records. For this purpose the voter registration record database may be linked to the state agency or division charged with maintaining vital records and the department of safety, provided that no linked agency or division may use or retain voter information for purposes other verifying the accuracy of the information contained in the voter database. The system shall facilitate the identification and correction of voter registration records whenever a registered voter has died or has been disenfranchised pursuant to part I, article 11 of the New Hampshire constitution or RSA 654:5 through RSA 654:6, or when the domicile address does not match the address provided by the same individual to the department of safety.

V. The secretary of state shall:

(a) Specify the election officials and the employees of the department of state authorized to access records contained in the voter database, subject to the limitations of paragraph VI.

(b) Provide adequate technological security measures to deter unauthorized access to the records contained in the voter database.

(c) Issue guidelines to implement the voter database. The voter database guidelines and any other guidelines or rules issued by the secretary of state in furtherance of executing and enforcing the election laws shall be exempt from the rulemaking requirements of RSA 541-A.

VI. The voter database shall be private and confidential and shall not be subject to RSA 91-A and RSA 654:31. The voter checklist for a town or city shall be available pursuant to RSA 654:31. Any person who discloses information from the voter database in any manner not authorized by this section shall be guilty of a misdemeanor.

5 Filing Fees; Deposit of Fees. Amend RSA 655:19, II to read as follows:

II. The fees paid to a town or city clerk by candidates for state representative shall be forwarded to the treasurer of the town or city and shall be for the use of the town or city. The fees paid to the secretary of state shall be deposited by ~~[him]~~ *the secretary of state* in the ~~[general]~~ *election fund established pursuant to RSA 5:6-d*.

6 Administrative Assessment; Deposit of Assessment. Amend RSA 655:19-c, II to read as follows:

II. The administrative assessment paid to a town or city clerk by candidates for state representative shall be forwarded to the treasurer of the town or city and shall be for the use of the town or city. The administrative assessment paid to the secretary of state shall be deposited by ~~[him]~~ *the secretary of state* into the ~~[general]~~ *election fund established pursuant to RSA 5:6-d*.

7 Registration of Political Committees; Deposit of Fees. Amend RSA 664:3, I to read as follows:

I. Any political committee, except the political committee of a political party, shall register with the secretary of state as provided in this section. The committee shall register with the secre-

tary of state not later than 24 hours after receiving any contribution in excess of \$500 or before making any expenditure in excess of \$500. The registration shall be accompanied by a fee of \$50, which shall be deposited by the secretary of state into the ~~[general]~~ *election fund established pursuant to RSA 5:6-d*; provided, however, that the political committee of a candidate which registers under this section shall not be required to pay the \$50 fee. Each political committee shall designate a treasurer or agent who is a citizen of this state and who is authorized to receive all process and other legal documents on behalf of the political committee, and through whom may be obtained access to all books and records of the political committee. The political committee shall file with the secretary of state a statement of the purpose of the committee and shall indicate whether the committee will be making independent expenditures in support of or in opposition to any candidate including a statement of the name, address, occupation, and principal place of business of its chairperson, treasurer or agent, and other officers.

8 Political Expenditures and Contributions; Penalty; Fines. Amend RSA 664:21, II to read as follows:

II. Any fine assessed under the provision of this section shall be paid to the secretary of state for deposit into the ~~[general]~~ *election fund established pursuant to RSA 5:6-d*.

9 Ballot Law Commission; Additional Jurisdiction. Amend RSA 665:7 to read as follows:

665:7 Additional Jurisdiction. In addition to the jurisdiction of issues conveyed to the ballot law commission by other sections of this chapter, the commission shall hear and determine all disputes involving alleged violations of New Hampshire election laws of a non-criminal nature for which no specific statutory appeal procedure has already been provided. The commission shall also hear and determine petitions for review of cease and desist orders issued by the attorney general under RSA 664:18, II, if such petitions are filed within 3 days of the order, *and shall hear and resolve complaints of federal voting law violations, pursuant to the Help America Vote Act of 2002, Public Law 107-252, as provided in RSA 666:14*.

10 New Subdivision; Administrative Complaint Procedures. Amend RSA 666 by inserting after section 13 the following new subdivision:
Administrative Complaint Procedures

666:14 Administrative Complaint Procedures. The attorney general may establish an administrative complaint procedure for the resolution of complaints of federal voting law violations, pursuant to the Help America Vote Act of 2002, Public Law 107-252. The attorney general may adopt administrative rules under RSA 541-A to implement the complaint resolution procedures. The ballot law commission is hereby designated as the body providing alternative dispute resolution as required by section 402(a)(2)(I) of the Help America Vote Act of 2002, Public Law 107-252.

11 Appropriation. The sum of \$1 for the fiscal year ending June 30, 2004, and the sum of \$1 for the fiscal year ending June 30, 2005, are hereby appropriated to the election fund established in RSA 5:6-d. These sums shall be in addition to any other funds appropriated to the department of state. The governor is authorized to draw a warrant for said sums out of any money in the treasury not otherwise appropriated.

12 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Establishes an election fund for moneys appropriated to the state pursuant to the Help America Vote Act of 2002 and requires that certain fees and fines be deposited in the fund.

II. Authorizes a statewide centralized voter registration database and communications network.

III. Exempts guidelines or rules issued by the secretary of state in furtherance of executing and enforcing the election laws from the rulemaking requirements of RSA 541-A.

Adopted.

Rep. Stritch spoke to the committee report.

Report adopted.

Referred to Finance.

HB 578-FN-A, establishing a program for self-certification by small quantity hazardous waste generators and making an appropriation therefor. **ought to PASS WITH AMENDMENT**
Rep. Peter H. Allen for Environment and Agriculture: This bill establishes a new approach for self-certification by small quantity hazardous waste generators. The amendment clarifies that the appropriation comes from the Hazardous Waste cleanup fund, under RSA 147-B. Vote 16-0.

Amendment (0190h)

Amend RSA 147-A:5, IV(c)(1) as inserted by section 2 of the bill by replacing it with the following:

1. Small quantity hazardous waste generators in Rockingham and Strafford counties shall submit self-certification forms by January 1, 2004. A fee of \$180 for the period of 2004, 2005 and 2006 shall be paid to the department by January 1, 2004. Self-certification forms and a \$180 renewal fee shall be paid to the department by January 1, 2007, and every 3 years thereafter.

Amend the bill by replacing sections 8 and 9 with the following:

8 Appropriation. The sum of \$249,382 is hereby appropriated to the department of environmental services for the fiscal year ending June 30, 2004, and the sum of \$254,145 for the fiscal year ending June 30, 2005 for the purpose of funding the small quantity hazardous waste generator self-certification program, including the costs associated with the position salaries, benefits, and other program expenses. This appropriation shall be funded from the hazardous waste cleanup fund, under RSA 147-B.

9 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill establishes a program for self-certification by small quantity hazardous waste generators. The bill makes an appropriation from the hazardous waste cleanup fund for the purposes of the bill.

Adopted.

Report adopted.

Referred to Finance.

HB 728-FN-A, establishing a dedicated fund for organic certification inspections. OUGHT TO PASS WITH AMENDMENT

Rep. Omer C. Ahern, Jr. for Environment and Agriculture: This revenue neutral bill is at the request of the New Hampshire Department of Agriculture, Markets and Food to meet the present and immediate need of organic food processors and handlers within the state of New Hampshire to obtain a New Hampshire "Certified Organic" designation. Since the implementation of recent federal rules and regulations on "organic foods, New Hampshire businesses that offer such organic products to the public would prefer to have a New Hampshire certification for New Hampshire agricultural products. This bill contains a "sunset" date of July 1, 2007. Vote 16-0.

Amendment (0576h)

Amend the bill by replacing all after the enacting clause with the following:

1 Certification; Section Heading Amended. Amend the section heading of RSA 426:6-b to read as follows:

426:6-b Certification; *Fund Established*.

2 New Paragraph; Certification Inspections; Funds Established. Amend RSA 426:6-b by inserting after paragraph III the following new paragraphs:

IV. There is hereby established in the office of the state treasurer a fund to be known as the organic processors and handlers certification inspection fund. All revenues generated from fees for the certification and inspection of organic processors and handlers adopted by rule pursuant to RSA 426:8 shall be deposited in the fund. The fund shall only be used to support the certification and inspection of organic processors and handlers by the commissioner. The state treasurer may invest moneys in the fund as provided by law and all interest received on such investment shall be credited to the fund. The commissioner shall be authorized to accept grants, gifts, and donations from any public or private sources for deposit in the fund. Moneys in the fund shall be continually appropriated to the commissioner. Any moneys in the fund at the end of each biennium in excess of \$5,000 shall lapse to the general fund.

V. The commissioner shall prepare and submit to the pertinent house and senate policy and finance committees by October 1 of each year, beginning in 2004, a report detailing the generation and use of moneys in the organic processors and handlers certification inspection fund during the prior fiscal year.

3 Rulemaking. Amend RSA 426:8 to read as follows:

426:8 Rulemaking; Fees. The commissioner may adopt rules, pursuant to RSA 541-A, for carrying out the provisions of this chapter, including the fixing of fees for inspections and certifications authorized by RSA 426:6-b and RSA 426:7. Such fees shall be credited to the general funds of the state, *except as provided in RSA 426:6-b, IV.*

4 New Subparagraph; Application of Funds. Amend RSA 6:12, I by inserting after subparagraph (IIIIIIII) the following new subparagraph:

(mmmmmmmm) Moneys received pursuant to RSA 426:6-b, which shall be credited to the organic certification inspection fund established in RSA 426:6-b, IV.

5 Certification; Section Heading Amended. Amend the section heading of RSA 426:6-b to read as follows:

426:6-b Certification[; ~~Fund Established~~].

6 Rulemaking. Amend RSA 426:8 to read as follows:

426:8 Rulemaking; Fees. The commissioner may adopt rules, pursuant to RSA 541-A, for carrying out the provisions of this chapter, including the fixing of fees for inspections and certifications authorized by RSA 426:6-b and RSA 426:7. Such fees shall be credited to the general fund of the state[; ~~except as provided in RSA 426:6-b, IV~~].

7 Repeal. The following are repealed:

I. RSA 426:6-b, IV and V, relative to organic certification inspection fund.

II. RSA 6:12, I(mmmmmmmmm), relative to organic certification inspection fund.

8 Effective Date.

I. Sections 5-7 of this act shall take effect July 1, 2007.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes a dedicated fund for organic certification inspections, and prospectively repeals the fund on July 1, 2007.

Adopted.

Report adopted.

Referred to Finance.

HB 799-FN-A, assessing a surcharge on waste disposed at solid waste landfills and incinerators, and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**

Rep. Peter H. Allen for Environment and Agriculture: The committee decided that a new approach is needed to encourage recycling in New Hampshire and more time will be necessary to develop future legislation. Vote 15-0.

Adopted.

HB 591-FN, allowing a certain former state employee to apply for accidental disability benefits. **OUGHT TO PASS**

Rep. Carl G. Robertson for Executive Departments and Administration: This bill would allow a certain individual to apply for accidental disability retirement allowance. Because of the unusual circumstances, the committee felt that she should, at least, be allowed to enter the process for a fair hearing. Passage of this bill will allow this one individual to present her case to the board. Vote 14-6. Adopted and ordered to third reading.

HB 669-FN, relative to dental care insurance for state employees and retired state employees. **OUGHT TO PASS WITH AMENDMENT**

Rep. William R. Zolla for Executive Departments and Administration: The original bill required dental insurance for Group I and Group II state employees and retired state employees at state expense. The amendment authorizes this benefit but at the individual's personal expense. The amendment also provides for medical benefits to state employees hired after July 1, 2003 with 20 years service at age 60. This benefit was previously provided with 10 years service. This bill does not effect employees employed prior to July 1, 2003. Employees hired after July 1, 2003, shall then be on the same benefit level as all other Group I and Group II retirees. Vote 19-0.

Amendment (0519h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to dental insurance benefits and eligibility for medical benefits for retired state employees.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; State Employees Group Insurance; Dental Group Insurance; Retired State Employees. Amend RSA 21-I by inserting after section 29 the following new section:

21-I:29-a Dental Group Insurance; Retired State Employees. Any retired state employee, as defined in RSA 21-I:30, and his or her spouse shall be eligible to participate at their own expense in the group dental insurance arrangement afforded full-time state employees.

2 Medical and Surgical Benefits; Definition of Qualifying Retired State Employee Changed. Amend RSA 21-I:30 to read as follows:

21-I:30 Medical and Surgical Benefits.

I. The state shall pay a premium for each state employee and permanent temporary or permanent seasonal employee as defined in RSA 98-A:3 including spouse and minor, fully dependent children, if any, and each retired employee, as defined in paragraph II of this section, and his or her spouse, or retired employee's beneficiary, only if an option was taken at the time of retirement and the employee is not now living, toward group hospitalization, hospital medical care, surgical care and other medical benefits plan or a self-funded alternative within the limits of the funds appropriated at each legislative session and providing any change in plan or vendor is approved by the fiscal committee of the general court prior to its adoption. Funds appropriated for this purpose shall not be transferred or used for any other purpose.

II. For the purposes of this section, "retired employee" means each group II state employee who retires. "Retired employee" also means each group I state employee who:

(a) Has at least 10 years of creditable service for the state *if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003*, and who also is at least 60 years of age at the time of retirement; or

(b) Has at least 30 years of creditable service for the state at the time of retirement, regardless of the employee's age; or

(c) Is but for the provisions of 1989, 376:10, otherwise eligible to receive medical and surgical benefits under this section notwithstanding subparagraphs (a) and (b), and paragraph IV, on June 30, 1989, and who retires between July 1, 1989, and June 30, 1994; or

(d) Dies or retires and is eligible for accidental death or accidental disability retirement benefits, regardless of the state employee's age or number of years of creditable service; or

(e) Retires and is eligible for ordinary disability retirement benefits, regardless of the state employee's age; or

(f) Dies and is eligible for ordinary death retirement benefits, if the state employee was eligible for service retirement at the time of his death, if the state employee had at least 10 years of creditable service for the state *if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003*.

III. Any vested deferred state retiree may receive medical and surgical benefits under this section if the vested deferred state retiree is eligible. To be eligible, a vested deferred state retiree shall have at least 10 years of creditable service with the state *if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003*. In addition, if the vested deferred state retiree is a member of group I, such retiree shall be at least 60 years of age to be eligible. If the vested deferred state retiree is a member of group II, such retiree shall not be eligible until 20 years from the date of becoming a member of group II and shall be at least 45 years of age.

IV. Each state employee who has at least 10 years of creditable service for the state *if the employee's service began prior to July 1, 2003 or 20 years of creditable service if the employee's service began on or after July 1, 2003*, and who elects to take a reduced service retirement allowance shall be defined as a "retired employee" for the purposes of being eligible to receive medical and surgical benefits under this section when the state employee reaches age 60.

V. No state employee who terminates his *or her* state service before he *or she* becomes eligible for retirement benefits as a "retired employee" as defined under paragraphs II-IV shall be eligible for medical and surgical benefits under this section.

3 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill allows retired state employees to participate at their own expense in the dental plan afforded state employees. The bill also changes the years of service required for retired state employees to be eligible for medical benefits.

Adopted.

Report adopted and ordered to third reading.

HB 737-FN-A, relative to the state conservation committee and making an appropriation therefore. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Anne Marie Irwin for the Majority of Executive Departments and Administration: This bill will create a committee of 12 members who will be responsible for screening applications for the \$12 million federal grant pool which was established under the Federal Farm bill. This is the first time this amount of money has been available to the state. The committee draws from an existing structure made up of agriculture, resources, and development, environmental services, fish and game and conservation. The executive departments & administration committee felt it is important to preserve the rural character of our state. In addition, this committee will help assure that the future generation will enjoy a clean environment and open spaces Vote 12-5.

Rep. Judson K. Dexter for the Minority of Executive Departments and Administration: We agree with the supporter of HB 737-FN-A that protecting the state's environment is one of our greatest responsibilities. And that the \$12 million of federal money available through the "Farm Bill" is important to help with that effort. However, it is also important to know that this money is currently available without creating this additional level of bureaucracy. The six agencies, departments and the university system are well aware of these dollars and are already actively applying for this money. Here within lies the problem. First, this is not an all or none situation. In fact, when we asked the sponsors directly what the difference in dollars this "conservation committee" would generate, they could not answer. Second, the "Farm Bill" expires in 2007. However, there is no sunset provision in this bill. If we pass this bill, we may be creating an agency with a start up budget of \$621,000 with no way of measuring its effectiveness, and that may never go away. Are we truly building a better government or just a bigger government.

Majority report adopted.

Referred to Finance.

HB 791-FN-A, relative to the sale of state merchandise and gift items in state liquor stores and staffed rest areas. **OUGHT TO PASS WITH AMENDMENT**

Rep. Nelson S. Allan for Executive Departments and Administration: This bill was amended to provide the following considerations: a study committee will address and consider the validity of establishing the sale of state merchandise and miscellaneous sundries at rest areas and state liquor stores. The bill, as amended, has the support of the New Hampshire Liquor Commission, New Hampshire Department of Transportation, New Hampshire Grocers Association and New Hampshire Stores, Inc. Vote 19-0.

Amendment (0569h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a rest area and state liquor store retail opportunities commission.

Amend the bill by replacing all after the enacting clause with the following:

1 Rest Area and State Liquor Store Retail Opportunities Commission Established. There is established the rest area and state liquor store retail opportunities commission to examine and plan for the current and future sale of state and other merchandise and gift items at rest areas and state liquor stores. The commission shall focus on how selling merchandise at rest areas and state liquor stores may produce revenue for the state and effectively promote New Hampshire's products and services.

2 Membership and Compensation.

I. The members of the commission shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Three members of the senate, appointed by the president of the senate.

(c) A member of the governor's staff, appointed by the governor.

(d) The commissioner of the department of transportation, or designee.

(e) The commissioner of the department of resources and economic development, or designee.

(f) A representative of the Retail Merchant's Association, appointed by such association.

(g) A representative of the Granite State Ambassadors, Inc., appointed by such organization.

(h) A representative of a local chamber of commerce, appointed by the governor.

(i) A representative of New Hampshire Stores, Inc., appointed by that organization.

(j) The chairperson of the liquor commission, or designee.

II. Legislative members of the commission shall receive mileage at the legislative rate when attending to the duties of the commission.

3 Duties. The commission shall:

I. Examine issues associated with the sale of merchandise at state rest areas and state liquor stores.

II. Determine the appropriate products to be sold and develop a list of products that are currently available at rest areas and state liquor stores.

III. Determine a method to evaluate the potential for retail sales at each rest area and state liquor store and the order in which sites shall be developed.

IV. Develop a plan for implementing merchandise sales at selected rest areas and state liquor stores.

4 Chairperson; Quorum. The members of the study commission shall elect a chairperson from among the members. The first meeting of the commission shall be called by the first-named house member. The first meeting of the commission shall be held within 45 days of the effective date of this section. Seven members of the commission shall constitute a quorum.

5 Report. The commission shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2004.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a commission to study the sale of merchandise at rest areas and state liquor stores. Adopted.

Report adopted and ordered to third reading.

HB 735-FN, relative to prescription drugs and medicaid best practices. OUGHT TO PASS WITH AMENDMENT

Rep. Janeen Dalrymple for Health, Human Services and Elderly Affairs: This bill requires the Department of Health and Human Services to establish certain programs to increase access to prescription drugs for seniors and disabled persons. The bill grants rule-making authority to the Commissioner of Health and Human Services for the purposes of the bill. The committee heard compelling testimony that supports a prescription program targeted for the most needy seniors and medically disabled individuals that often fall through the cracks. Even though this population is small in numbers, it represents a group who are not only very low income, but have assets of less than \$2,500.00. In addition, this bill would establish a Prescription Drug Task Force that would explore cost and access to prescriptions for citizens of this state. The fiscal note is \$3.5 million dollars in the first year, half of which will be funded by the federal government. The bill as proposed establishes disease management, which will finance the cost of the program, averaged over three years. The department of Health and Human Services expressed they would like to use those funds for existing programs and not for adding a new coverage. While the committee is concerned about the fiscal impact the committee voted unanimously to support the policy of the bill and allow the Finance Committee to consider other revenue streams. Vote 17-0.

Amendment 0492(h)

Amend the bill by replacing section 1 with the following:

1 New Chapter; Access to Prescription Drugs. Amend RSA by inserting after chapter 161-J the following new chapter:

CHAPTER 161-K ACCESS TO PRESCRIPTION DRUGS

161-K:1 Definitions: In this chapter:

I. "Commissioner" means the commissioner of the department of health and human services.

II. "Department" means the department of health and human services.

III. "Division" means the division of elderly and adult services, department of health and human services.

161-K:2 Rulemaking. The commissioner shall adopt rules, pursuant to RSA 541-A, necessary for the implementation of this chapter.

Medicaid Rx Senior Eligibility
Expansion Program

161-K:3 Definitions: In this subdivision:

I. "Qualified medicare beneficiaries" means medicare beneficiaries with incomes equal to or below 100 percent of the federal poverty level who are eligible for medicaid assistance for the part A and part B medicare premiums and for medicare deductibles and co-insurance requirements as set forth in section 1905(p)(1) of Title XIX of the Social Security Act.

II. "Specified low-income medicare beneficiaries" means medicare beneficiaries who have incomes greater than 100 percent of the federal poverty level and less than and equal to 120 percent of the federal poverty level and meet the requirements set forth in section 1902(a)(10)(E)(iii) of Title 19 of the Social Security Act.

161-K:4 Medicaid Rx Senior Eligibility Expansion Program Established.

I. There is hereby established the medicaid Rx senior eligibility expansion program. To be eligible for the program, an individual shall:

(a) Be a U.S. citizen or a lawfully admitted alien;

(b) Be a state resident;

(c) Be at least 65 years of age or an individual between the ages of 19 and 64 who is otherwise eligible for benefits under Title II of the Social Security Act (Federal Old Age, Survivors, and Disability Insurance);

(d) Meet the definition of a qualified medicare beneficiary or a specified low-income medicare beneficiary as set forth in subparagraph (c); and

(e) Be ineligible for and/or not receiving a prescription drug benefit through a medicare supplemental policy or any other third party payer prescription benefit.

II. Individuals eligible for the medicaid Rx senior eligibility expansion program shall be entitled to the medicaid prescription drug coverage as provided to medicaid recipients as set forth in Title XIX of the Social Security Act.

III. Individuals eligible for the program established under this subdivision shall be provided a benefit of not more than \$2,000 per year and shall be subject to a \$5 copayment per prescription.

161-K:5 Administration.

I. The medicaid Rx senior eligibility expansion program shall be administered by the division. The department shall apply for a federal medicare 1115 demonstration waiver from the Secretary of Health and Human Services to expand medicaid eligibility for the purposes of prescription drug coverage to qualified medicare beneficiaries and specified low-income medicare beneficiaries under the medicaid Rx senior eligibility expansion program.

II. The commissioner shall make an annual report beginning one year after the effective date of this chapter to the general court relative to the effectiveness of the medicaid Rx senior disability eligibility program.

Amend the bill by replacing section 3 with the following:

3 Task Force Established. There is established a task force to study the feasibility of establishing a New Hampshire Rx patient assistance program.

Amend the bill by replacing section 5 with the following:

5 Duties. The task force shall study the feasibility of establishing a New Hampshire Rx patient assistance program. The committee shall consider eligibility guidelines and enrollment fees.

Amend the bill by replacing section 8 with the following:

8 Prospective Repeal. RSA 161-K:1 through RSA 161-K:5, relative to prescription drug access, is repealed.

AMENDED ANALYSIS

This bill requires the department of health and human services to establish certain programs to increase access to prescription drugs for seniors. The bill grants rulemaking authority to the commissioner of health and human services for the purposes of the bill.

This bill requires the department of health and human services to encourage health plans and health care systems participating in the medicaid program to use case management incorporating evidence-based practice guidelines.

The bill also establishes a 3-year task force to study increasing access to prescription drug medicines. Adopted.

Report adopted.

Referred to Executive Departments and Administration.

HB 643-FN, relative to establishing the family division of the courts statewide. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. John M. Pratt for the Majority of Judiciary: This bill will make the family court, now a pilot project, into a permanent division of the courts. The bill will also expand the family court from the two counties (Grafton and Rockingham) where it now operates to two additional counties (Belknap and Carroll) during the next biennium. The majority concluded that the pilot project has more than proven itself, that the use of case managers in each family court has made those courts exceptionally user friendly, and that the appointment, whenever possible, of a single judge to oversee all the judicial matters which a family might have before the court, has been of great benefit to both the family and the judicial system. Vote 10-7.

Rep. Tony F. Soltani for the Minority of Judiciary: The minority is seriously concerned with the constitutional and statutory implication of this bill. The family court will remain a "nearly-constituted" court. New Hampshire Constitution delegates the authority to select judicial officers for specific duly-constituted courts to the governor and council. The legislature is charged with establishing individual courts other than the constitutionally-established courts. This bill stops short of creating an independent court and allocating personnel and judicial officers. The bill delegates the selection of many judicial officers and placement of courts to the judicial branch. The legislature either ought to constitute a statewide family court where the governor and council will select the necessary judicial officers and all litigants will be treated equally, or abolish the existing pilot program.

Rep. Soltani spoke against and yielded to questions.

Rep. Weyler spoke in favor and yielded to questions.

Rep. Hager spoke in favor.

Rep. Soltani requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

HB 649-FN-A, creating certain positions within the office of state planning and the university system of New Hampshire and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kenneth H. Gould for Municipal and County Government: The Office of State Planning created a detailed best-practices guide for communities known as "Smart Growth NH" to assist in the implementation of smart growth policies over the last few years. Since 1984, the University of New Hampshire (UNH) has been mapping comprehensive geographically reference data by using the

GRANIT (Geographically Reference Analysis and Information Transfer) System. In order to enable municipalities to implement these policies and have access to the GRANIT database, a coordinated program is needed. HB 649 establishes a regional planning initiatives fund which is a non-lapsing, revolving special fund continually appropriated to the office of State Planning and UNH to provide technical planning assistance to municipalities and to develop a web-based mapping tool designed to assist municipalities to impose an increase on any building permit issued by the municipalities in the sums of 1) \$40 for a commercial or multi-residential building; 2) \$15 for a residential building; and 3) \$5 for any outbuilding or similar structure to raise the money needed for the Smart Growth NH program. Vote 10-4.

Amendment (0289h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a building permit surcharge to fund regional planning initiatives.

Amend the bill by replacing all after section 1 with the following:

2 Appropriation: Office of State Planning; University System of New Hampshire. The sum of \$610,000 is appropriated from the regional planning initiatives fund established in section 3 of this act, for the biennium ending June 30, 2005, and allocated to the office of state planning and the university system of New Hampshire for the purposes and in the amounts provided in paragraphs I and II:

I. To the office of state planning:

(a) For the establishment of a statewide Grow Smart NH outreach, education and training program, the sum of \$60,000 is appropriated in each fiscal year 2004 and 2005 to support one position in the office of state planning and for associated training publications, material, and supplies.

(b) For the implementation of smart growth policies through master plan updates and locally developed and approved implementing ordinances, as well as other non regulatory means, \$135,000 is appropriated in each fiscal year 2004 and 2005 to support staff planners at regional planning commissions in providing technical planning assistance to member communities.

II. To the university system of New Hampshire:

(a) For the continued development and maintenance of data required for community master plans, \$50,000 is appropriated in each fiscal year 2004 and 2005 for partial support of a database development specialist and associated expenses. The priority data sets to be developed and maintained with the appropriation include the conservation/public lands data layer and the soils data layer.

(b) For the development of a web-based mapping tool, \$60,000 is appropriated in each fiscal year 2004 and 2005 for partial support of a staff programmer and associated hardware and software expenses, to design and implement a web-based tool to assist communities in master planning activities.

3 New Section; Building Permit Surcharge; Regional Planning Initiatives Fund. Amend RSA 676 by inserting after section 13 the following new section:

676:13-a Building Permit Surcharge; Regional Planning Initiatives Fund.

I. The municipality shall impose the following surcharge on any building permit issued by the municipality:

(a) \$40 for a commercial building or a residential building encompassing more than 2 dwelling units.

(b) \$15 for a residential building encompassing no more than 2 dwelling units.

(c) \$5 for an outbuilding or similar structure.

II. The municipality may retain \$.50 from each building permit surcharge to defray administrative processing costs and shall forward the remainder to the state treasurer for deposit in the regional planning initiatives fund, under paragraph III.

III. There is hereby established the regional planning initiatives fund, a non-lapsing, revolving special fund continually appropriated to the office of state planning and to the university system of New Hampshire in accordance with this section. The fund shall be used by the office of state planning for the establishment of statewide Grow Smart NH outreach, education, and training programs relative to regional planning initiatives. The fund shall be used by the university system of New Hampshire for the continued development and maintenance of a statewide database to assist communities with master planning activities. The balance of the fund shall not exceed \$305,000 on June 30 of each year, and any amounts in excess of \$305,000 shall be deposited in the general fund as unrestricted revenue.

4 New Subparagraph; Application of Receipts; Regional Planning Initiative Fund. Amend RSA 6:12, I by inserting after subparagraph (IIIIIIII) the following new subparagraph:

(mmmmmmmm) Moneys deposited in the regional planning initiatives fund under RSA 676:13-a.

5 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill establishes a surcharge on building permits. Money collected shall be deposited the regional planning initiatives fund, a dedicated fund appropriated to the office of state planning and the university system of New Hampshire to support regional planning activities.

Adopted.

Report adopted.

Referred to Finance.

HB 326, relative to establishing a 6-year capital budget. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. William E. Leber for the Majority of Public Works and Highways: This bill provides for enabling procedures to approve a six-year capital budget and appropriations for extended projects that cover multiple bienniums. The amendment changes several limitations that cap the amount that can be appropriated in any one biennium and provides more explicit instructions for review and update of the extended projects by the legislature in the next biennium. This bill provides procedures for more extended planning in the capital improvement program and will improve efficiency of the bonding and debt service for the state. Vote 13-3.

Rep. Bernard L. Benn for the Minority of Public Works and Highways: The bipartisan minority fully supports the concepts of the six year capital budget, however, has concern regarding unknown consequences of the percentages included in Article 2. The intent of the legislation is to provide for long range capital planning in a manner that does not negatively impact the state's bond rating and that provides adequate flexibility for future capital budgets. The minority believes that the legislation may be improved by eliminating or revising the restrictions of Article 2. New Hampshire has a long history of responsible and conservative management of the debt to revenue ratios by the Legislature and by the state Treasurer. The minority wants to be sure that the proposed legislation will improve planning but not impede the traditional management practices that have served the citizens of NH well for many years.

Majority Amendment (0482h)

Amend RSA 9:3-a, III as inserted by section 1 of the bill by replacing it with the following:

III. The governor shall hold public hearings on the requests no later than June 30. *[He] The governor* may require officials of those departments submitting requests to attend and testify.

Amend RSA 9:3-a, VII as inserted by section 1 of the bill by replacing it with the following:

VII. The governor shall submit the capital budget to the general court no later than February 15 of each odd numbered year. *The capital budget submitted shall identify all projects which are expected or planned to require funding in the first biennium and in subsequent bienniums of the 6-year capital budget in order to be completed.*

Amend the bill by replacing section 2 with the following:

2 New Sections; Capital Budget; Limitations on Appropriations; Review. Amend RSA 9 by inserting after section 3-a the following new sections:

9:3-b Capital Budget; Limitations on Appropriations.

I. For the 6-year capital budget requested under RSA 9:3-a or as adopted for state capital improvements projects, total appropriations of general fund revenues for the first biennium to which the 6-year capital budget applies shall not exceed an amount up to 8 percent of the state general fund unrestricted revenues for the most recently completed fiscal year.

II. For approved projects requiring appropriations in multiple bienniums to be completed, the maximum appropriation for the second biennium of the 6-year capital budget shall not exceed 4 percent of state general fund unrestricted revenues for the most recently completed fiscal year, and for approved projects extending into the third biennium, the maximum appropriation for the third biennium shall not exceed 2 percent of state general fund unrestricted revenues for the most recently completed fiscal year.

9:3-c Review and Update of Capital Budget. In the first year of each biennium the legislature shall review the 6-year capital budget and update the extended projects, and may approve new

projects over the next 6 years under the same limitations outlined in RSA 9:3-b. The general court intends that once a capital budget project has been approved it shall be funded through each phase of the project unless some extreme and significant event makes further funding inappropriate. Amend the bill by replacing section 5 with the following:

5 Department of Transportation; Major Capital Projects. Amend RSA 228:4, IV to read as follows:

IV. Any repair project authorized in the **6-year** capital budget which requires consultant services shall be ~~[put into effect]~~ *initiated* within 90 days after the *date that the* general court ~~[passes]~~ *authorizes the project in* the capital budget.

Adopted.

Majority report adopted and ordered to third reading.

HB 667-FN-A, relative to exit tolls and increasing the gasoline tax. **INEXPEDIENT TO LEGISLATE**
Rep. Leon S. Kenison for Public Works and Highways: The bill proposes elimination of turnpike tolls while increasing the fuel tax by \$0.02 per gallon on July 1, 2003, and by another \$0.02 on July 1, 2004. The Turnpike Fund revenue would be reduced by about \$12 million per year while the Highway Fund revenue will net an increase of about \$27 million per year after July 1, 2004. The new gas tax revenue will not be used by the Turnpike System which has outstanding debt obligations of over \$300 million. The committee felt the Turnpike Fund could ill afford any revenue reductions at this time. An amendment to modify the proposal did not gain committee support. Vote 16-0.

On a division vote, 324 members having voted in the affirmative and 37 in the negative, the committee report was adopted.

HB 274-A, making an appropriation for the restoration of the White Island Light Station. **OUGHT TO PASS WITH AMENDMENT**

Rep. Ralph L. Akins for Resources, Recreation and Development: This bill makes an appropriation of \$125,000 for the purpose of repairing the White Island Light House located off the coast of Rye, New Hampshire. There were two things the committee recognized as unique about this effort that make it worthy of support. First, this is the only lighthouse owned by the state (and still operating) and, it is an historical treasure and tourist attraction in dire need of repairs. Secondly, and even more impressive is the non-profit group called "The Light House Kids" that requested this legislation. This is a middle school class of North Hampton committed to raising an additional matching \$125,000 for the continued upkeep and maintenance. The committee recognized these "kids" as exemplary examples of volunteers. Vote 13-2.

Amendment (0404h)

Amend the bill by replacing sections 2-3 with the following:

2 Appropriation. The sum of \$125,000 for the fiscal year ending June 30, 2004 is hereby appropriated to the division of parks and recreation, department of resources and economic development for the purposes set forth in this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

3 Acceptance of Funds Authorized. The state is authorized to accept a sum not to exceed \$125,000 raised by the "Lighthouse Kids" of North Hampton for the upkeep and future maintenance of the White Island Lighthouse.

AMENDED ANALYSIS

This bill makes an appropriation of \$125,000 to the division of parks and recreation, department of resources and economic development for the purposes of repairing the White Island Light Station located off the coast of Rye, New Hampshire. The bill authorizes the department of resources and economic development to accept certain funds for the upkeep and future maintenance of the White Island Light Station.

Adopted.

Report adopted.

Referred to Finance.

HB 353-FN-A, making an appropriation for the pilot program to study and establish protected instream flows and water management plans on the Lamprey River and the Souhegan River. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard T. Cooney for Resources, Recreation and Development: The intent of this bill is to provide funding for the pilot program for the instream flow rules passed by the legislature last year via HB 1449. The pilot program consists of two rivers, the Lamprey and the Souhegan, and would last for about 2 years. A limited amount of federal money is available to administer this program, but up to \$600K is necessary to implement the pilot program. The Resources, Recreation and Development Committee hopes the House reaffirms the policy passed last year and sends this bill to Finance with strong support for necessary funding. The instream flow rules and the pilot program is the result of many interests interested in our rivers, including business, industry, recreation, environmentalists, and agriculture interests. This diverse group has come together after years of discussion and a lot of give and take to reach consensus. This is an extremely important initiative for New Hampshire. Vote 16-1.

Amendment (0568h)

Amend the bill by replacing section 1 with the following:

1 Appropriation; Pilot Program to Study and Establish Protected Instream Flows and Water Management Plans on the Lamprey River and the Souhegan River. The sum of \$1 is hereby appropriated to the department of environmental services for the biennium ending June 30, 2005, for the purpose of establishing a pilot program to study and establish protected instream flows and water management plans on the Lamprey River and the Souhegan River in accordance with 2002, 278. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

Adopted.

Report adopted.

Referred to Finance.

HB 738-FN-A-L, permitting aid to public water systems to be used for forming or improving regional water systems and making an appropriation therefor. **OUGHT TO PASS**

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill is the result of a study committee formed by SB 437 which was passed last year. That initiative encouraged regionalization of our public water systems. But provided no financial incentives. HB 738 provides access to some block grant money presently available to other initiatives, including surface water treatment plants. Access to these funds is also provided to funding the means to locate groundwater contamination, which would require the polluter, when found, to repay these costs. Vote 15-0.

Adopted.

Referred to Finance.

HB 810-FN-A, relative to processing excavating and dredging and terrain alteration permits, changing the fees for permits, establishing 2 new positions, and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. Harry C. Merrow for Resources, Recreation and Development: This bill would raise application fees for excavating, dredging and terrain alteration permits, and establish time frames for the completion of the Department of Environmental Services (DES) review. It also establishes two new positions and makes appropriations for them. After the initial appropriation the permit fees would make these positions self-funding. Applicants for these permits want predictable time frames for return of applications from the state. In order to achieve this DES has requested fee increases and additional funding to support adequate personnel to achieve these standards. Testimony from industry indicated that they supported the necessary fee increases. HB 810-FN as amended provides the above as well as a sunset provision to take affect in 2006 which will reduce them without further legislation. Vote 15-2.

Amendment (0560h)

Amend the bill by replacing sections 1 and 2 with the following:

1 New Paragraph; Excavating and Dredging; Certain Exemptions. Amend RSA 482-A:3 by inserting after paragraph XIII the following new paragraph:

XIV. In processing an application for permits under this chapter, except for a permit by notification, the department shall:

(a) Within 14 days of receipt by the department, issue a notice of administrative completeness or send notice to the applicant, the address provided on the application, identifying any addi-

tional information required to make the application administratively complete and providing the applicant with the name and telephone number of the department employee who may be contacted regarding the application. Each receipt of additional information in response to any notice shall recommence the 14-day period until the department issues a notice of administrative completeness.

(b) Within 75 days of the issuance of a notice of administrative completeness for projects where the applicant proposes under one acre of jurisdictional impact and 105 days for all other projects, request any additional information that the department is permitted by law to require to complete its evaluation of the application, together with any written technical comments the department deems necessary. Any request for additional information shall specify that the applicant submit such information as soon as practicable and shall notify the applicant that if the requested information is not received within 120 days of the request, the department shall deny the application.

(c) Where the department requests additional information pursuant to subparagraph (b), the department shall, within 30 days of the department's receipt of the information:

(1) Approve or deny the application, in whole or in part; or

(2) Commence a non-adjudicative proceeding in accordance with this chapter and rules adopted by the commissioner; or

(3) Extend the time for response for good cause and with the written agreement of the applicant.

(d) Where no request for additional information is made pursuant to subparagraph (b), the department shall, within 75 days from the issuance of the notice of administrative completeness, or 105 days if the application proposes more than one acre of jurisdictional impact:

(1) Approve or deny the application, in whole or in part; or

(2) Commence a non-adjudicative proceeding in accordance with this chapter and rules adopted by the commissioner.

(e) Where the department has commenced a non-adjudicative hearing on an application filed under this chapter, the department shall, within 60 days following the closure of the hearing record, approve or deny the application either in whole or in part.

(f) The time limits prescribed by this paragraph shall supersede any time limits provided in any other provision of law. If the department fails to issue a notice of administrative completeness or render any other decision within the time limits provided in this paragraph, the application shall be deemed to be approved.

(g) The time limits prescribed by this paragraph shall not apply to an application where the applicant has been adjudicated after final appeal, or otherwise does not contest, the department's designation as a chronic non-complier in accordance with rules adopted pursuant to this chapter.

2 Excavating and Dredging Permits; Fee Changes. RSA 482-A:3, I is repealed and reenacted to read as follows:

I. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the department. The permit application together with a detailed plan and a map showing the exact location of the proposed project, along with 4 copies of the permit application, plan and map, shall be submitted to the town or city clerk, accompanied by a filing fee in the form of a check made out by the applicant to the state of New Hampshire. The permit application fee shall be \$100 for minimum impact projects under this chapter. The permit application fee for minor and major shoreline structure projects shall be \$100 plus an impact fee, based on the area of dredge, fill, or dock surface area proposed, or a combination. The shoreline structure impact fee shall be \$1 per square foot for permanent dock surface area; \$.50 per square foot for seasonal dock surface area; and \$.10 per square foot for dredge or fill surface area or both. The permit application fees for minor or major projects shall be \$.10 per square foot of proposed impact for all other projects under this chapter. For projects involving the repair, reconstruction, or reconfiguration of an existing docking structure, the application fee shall be \$100. At the time the permit application is submitted to the city or town clerk, the applicant shall provide postal receipts or copies, verifying that abutters, as defined in the rules of the department, and except as further provided in said rules, have been notified by certified mail. The postal receipts or copies shall be retained by the municipality. The town or city clerk shall immediately sign the application and forward by certified mail, the application, plan, map and filing fee to the department. The town or city clerk shall then immediately send a copy of the permit application, plan and map to the local governing body, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to ex-

ceed \$10 plus the cost of postage by certified mail. One copy shall remain with the city or town clerk, and shall be made reasonably accessible to the public. The foregoing procedure notwithstanding, applications and fees for projects by agencies of the state may be filed directly with the department, with 4 copies of the application, plan and map filed at the same time with the town or city clerk to be distributed as set forth above.

Amend the bill by inserting after section 2 the following and renumbering the original sections 3-7 to read as 4-8, respectively:

3 Excavating and Dredging Permits; Fee Changes. Amend RSA 482-A:3, I to read as follows:

I. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the department. The permit application together with a detailed plan and a map showing the exact location of the proposed project, along with 4 copies of the permit application, plan and map, shall be submitted to the town or city clerk, accompanied by a filing fee in the form of a check made out by the applicant to the state of New Hampshire. The permit application fee shall be \$100 for minimum impact projects under this chapter. The permit application fee for minor and major shoreline structure projects shall be \$100 plus an impact fee, based on the area of dredge, fill, or dock surface area proposed, or a combination. The shoreline structure impact fee shall be \$1 per square foot for permanent dock surface area; \$.50 per square foot for seasonal dock surface area; and \$.10 per square foot for dredge or fill surface area or both. The permit application fees for minor or major projects shall be ~~[\$10]~~ **\$.06** per square foot of proposed impact for all other projects under this chapter. For projects involving the repair, reconstruction, or reconfiguration of an existing docking structure, the application fee shall be \$100. At the time the permit application is submitted to the city or town clerk, the applicant shall provide postal receipts or copies, verifying that abutters, as defined in the rules of the department, and except as further provided in said rules, have been notified by certified mail. The postal receipts or copies shall be retained by the municipality. The town or city clerk shall immediately sign the application and forward by certified mail, the application, plan, map and filing fee to the department. The town or city clerk shall then immediately send a copy of the permit application, plan and map to the local governing body, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed \$10 plus the cost of postage by certified mail. One copy shall remain with the city or town clerk, and shall be made reasonably accessible to the public. The foregoing procedure notwithstanding, applications and fees for projects by agencies of the state may be filed directly with the department, with 4 copies of the application, plan and map filed at the same time with the town or city clerk to be distributed as set forth above.

Amend the bill by replacing section 8 with the following:

8 Effective Date.

I. Section 3 of this act shall take effect July 1, 2006.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill:

I. Establishes time limits for the department of environmental services to process excavating and dredging permits.

II. Increases fees for certain permits.

III. Requires a report to the wetlands council.

IV. Establishes 2 new civil engineer positions.

V. Makes an appropriation for the new positions.

Adopted.

Report adopted.

Referred to Ways and Means.

HB 387-FN, allowing free admission to the state park system for active duty members of the armed services and certain members of the national guard and reserves. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. James F. Headd for the Majority of State-Federal Relations and Veterans Affairs: This bill is recommended by the majority of the committee as it addresses an additional benefit to the members of the New Hampshire Air/Army National Guard. It is anticipated that this benefit will en-

hance retention in the lower grades and will serve as a "thank you for your service" to the men and women of New Hampshire who give their time and effort in the service of their country and state. Vote 14-2.

Rep. Ken Hawkins for the Minority of State-Federal Relations and Veterans Affairs: The minority while agreeing with the intent of this bill is concerned that only New Hampshire National Guard, Army and Air Force Reserves are covered. We feel that all reservists, Army, Navy, Marine Corps, Coast Guard, and Air Force should be included.

Majority Amendment (0475h)

Amend the title of the bill by replacing it with the following:

AN ACT allowing free admission to the state park system for certain members of the New Hampshire national guard.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Fees for Park System; Free Admission for Certain Active Members of the New Hampshire National Guard. Amend RSA 216-A:3-g by inserting after paragraph III the following new paragraph:

IV.(a) Any active member of a federally recognized unit of the New Hampshire national guard who is a legal resident of this state, and who meets the minimum requirements for satisfactory membership, as defined in the United States Department of the Army and the United States Department of the Air Force regulations, and is serving in pay grades E1 through E6 shall not be charged a fee for admission to the state park system. This section shall apply to members of the Active Guard and Reserve program in the New Hampshire national guard.

(b) Any fees for the use of enterprise activities as described in paragraph II of this section shall be charged.

AMENDED ANALYSIS

This bill provides that certain active members of the New Hampshire national guard, including members of the Active Guard and Reserve program, who are legal residents of this state, shall not be charged a fee for admission to the state park system.

Adopted.

Rep. Peter Sullivan spoke in favor.

(Speaker Chandler in the Chair)

The Speaker reconvened the House at 1:00 p.m.

REGULAR CALENDAR (CONT'D.)

HB 608-FN-L, reducing the education property tax rate and relative to the base cost for calculating adequate education grants. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Jeff Gilbert for the Majority of Ways and Means: HB 608 as amended reduces the statewide property tax by 83 cents to \$4.97 for fiscal years 2004 and 2005. This rate reduction is necessary to offset the recent rise in property values. Without this change most of our property owners would be required to pay a significant increase in their state tax obligations. The second key feature of the bill is that it indexes future increases in the state's per pupil education funding obligation to the Northeast Consumer Price Index. This feature was enacted by large margins in the House and Senate last year and vetoed by the Governor, notwithstanding her proposal of just such a provision in 2001. Finally, HB 608 revises the base cost formula by reimbursing 100% of the transportation costs for students in Grades K through 8 to and from school and removes home schooled students who do not use public schools from the census. This bill is essential to re-align our education funding formula and to bring under control the runaway cost increases the present law encourages. Without these charges we will all face unmanageable budget deficits resulting in either massive service cuts or tax increases. Vote 11-10.

Rep. Christine C. Hamm for the Minority of Ways and Means: This bill shifts the tax burden from the state level to local communities. It increases grants to the wealthiest towns in the state and

decreases them to the neediest towns, including plaintiff towns. Despite lowering the statewide property tax, the tax burden remains, now to be borne by local taxpayers as school budgets necessarily continue to rise and must be paid for. The existing formula for calculating school aid is based on the third of districts with average educational results that spend the least. It tracks the cost of fiscally-disciplined school districts very well, with any reductions in the statewide property tax reverting to the local school tax.

Majority Amendment (0139h)

Amend the title of the bill by replacing it with the following:

AN ACT reducing the education property tax rate and relative to the calculation of adequate education grants.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose; Legislative Findings. The general court recognizes the inherent imprecision and subjectivity involved in determining the cost of providing the opportunity for an adequate education. In the exercise of its constitutional authority and discretion, to provide the opportunity for pupils to obtain an adequate education, the general court has adopted an average costing methodology. The general court recognizes that this costing methodology may produce spending pressures and results that may not accurately reflect the cost of continuing to provide adequate educational opportunity over time. As a result, the general court finds that changing the base cost per pupil by reference to the consumer price index is the most appropriate way to calculate changes in the cost of an adequate education.

2 School Money; Determination of Statewide Adequate Education Cost. Amend the introductory paragraph of RSA 198:40, I to read as follows:

I. For the biennium beginning July 1, [~~1999~~] **2005**, and every biennium thereafter, the cost per pupil shall be established using the following formula:

3 Education Property Tax; Rate Reduced. Amend RSA 76:3 to read as follows:

76:3 Education Property Tax. An annual education property tax at the uniform rate of [~~\$5.80~~] **\$4.92** on each \$1000 of the value of taxable property is hereby imposed on all persons and property taxable pursuant to RSA 72 and RSA 73, except property subject to tax under RSA 82 and RSA 83-F.

4 New Subparagraph; School Money; Determination of Statewide Adequate Education Cost. Amend RSA 198:40, I(b) by inserting after subparagraph (3) the following new subparagraph:

(4) No later than October 1 of each biennium, the department shall calculate the base cost per pupil by adding to the base cost per pupil of the immediately preceding biennium a percentage increase for inflation. The percentage shall be twice the average annual rate of inflation for the 4 calendar years immediately preceding the calendar year in which the new base cost is determined. Inflation shall be measured by the most recent available northeast region consumer price index for all urban consumers as published by the Bureau of Labor Statistics, United States Department of Labor.

5 Consumer Price Index Adjustments to the Base Cost Per Pupil Calculation for the Fiscal Years 2003-2004. The base cost per pupil shall be adjusted as follows:

I. For the fiscal year beginning July 1, 2003, the base cost per pupil shall be adjusted by the average annual percentage rate of inflation for the 4 immediately preceding calendar years.

II. For the fiscal year beginning July 1, 2004, the base cost per pupil shall be adjusted by the average annual percentage rate of inflation for the 4 immediately preceding calendar years.

6 School Boards, Transportation, and Instruction of Pupils; Definitions. RSA 189:1-d, IV is repealed and reenacted to read as follows:

IV. "Average daily membership in residence" means the average daily membership of pupils who are legal residents of a school district pursuant to RSA 193:12 or RSA 193:27, IV, and are attending, at the expense of a school district, a public school, a charter school, or a private school approved by the department of education.

7 School Money; Determination of Per Pupil Adequate Education Cost and Adequate Education Grant. Amend RSA 198:40, III to read as follows:

III. For each fiscal year, the statewide cost of an adequate education for all pupils shall be calculated by multiplying the average base per pupil cost of an adequate education by the statewide weighted average daily membership in residence of pupils and then adding [70] **100** percent of [total statewide] transportation costs *as defined in RSA 198:38, XI*.

8 School Money; State Aid for Educational Adequacy. Amend RSA 198:38, XI to read as follows:

XI. "Transportation costs" means the [costs] *cost* of transporting pupils *in kindergarten through grade 8* to and from school [~~and other school activities~~] as reported by school districts on the [~~MS-25~~] *DOE-25* form.

9 School Money; Determination of Adequate Education Grants. Amend RSA 198:41, I(b) to read as follows:

(b) Add to the product of subparagraph (a), [~~70~~] *100* percent of the municipality's apportioned transportation [~~cost~~] *costs as defined in RSA 198:38, XI*;

10 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill:

I. Provides that for fiscal years 2003 and 2004, the calculation of the statewide cost of an adequate education shall be indexed to the northeast regional consumer price index for all urban consumers for the 4 immediately preceding calendar years.

II. Reduces the education property tax rate from \$5.80 to \$4.92.

III. Changes the payment for transportation costs to include 100 percent of the total cost of transporting pupils in kindergarten through grade 8 to and from school.

IV. Changes the definition of average daily membership in residence for the purpose of calculating state aid for educational adequacy.

Adopted.

Rep. Almy offered floor amendment (0633h).

Floor Amendment (0633h)

Amend the title of the bill by replacing it with the following:

AN ACT reducing the education property tax rate.

Amend the bill by replacing all after the enacting clause with the following:

1 Education Property Tax; Rate Reduced. Amend RSA 76:3 to read as follows:

76:3 Education Property Tax. An annual education property tax at the uniform rate of [~~\$5.80~~] *\$4.92* on each \$1000 of the value of taxable property is hereby imposed on all persons and property taxable pursuant to RSA 72 and RSA 73, except property subject to tax under RSA 82 and RSA 83-F.

2 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill reduces the education property tax rate from \$5.80 to \$4.92.

Rep. Almy spoke in favor and yielded to questions.

Rep. Major spoke against and yielded to questions.

Rep. Hamm spoke in favor.

Rep. Kurk spoke against.

Rep. Vaillancourt moved to Postpone Definitely until 10:00 a.m., Thursday, March 13, 2003 and spoke in favor.

Rep. Hess requested a roll call, sufficiently seconded.

The question being adoption of the motion to Postpone Definitely.

------------------	------------------	----------------	--------------------

and the motion failed.

HB 629-FN-A-L, relative to adequate education grants to cities and towns and relative to adjusting the education property tax rate based on the statewide cost of an adequate education. **INEXPEDIENT TO LEGISLATE**

Rep. Russell F. Ingram for Ways and Means: The committee supported the sponsor's intent to lower the statewide property tax over time. However, the methodology in the bill would be very difficult to administer and create unknown costs. Accordingly, the committee believes that other bills before it will more certainly achieve the sponsor's goal. Vote 15-0.
Adopted.

HB 692-FN-A-L, revising the property tax relief program in order to cap education property tax payments at 5 percent of adjusted gross income. **INEXPEDIENT TO LEGISLATE**

Rep. Tom F. McCormick for Ways and Means: The committee supported the goal of this bill to expand our property tax relief. The approach of the bill was incorporated in the legislative study committee's report of November 2002 on this subject. The committee felt the items contained in this bill could best be considered within the context of the bill under consideration that resulted from this study. Vote 13-2.

Rep. Burling spoke against.

Rep. McCormick spoke in favor.

Adopted.

HB 714-FN-A, excluding cable Internet services from the communications services tax. **INEXPEDIENT TO LEGISLATE**

Rep. Shawn N. Jasper for Ways and Means: The intent of this bill is to exempt cable broadband Internet services from the Communication Services Tax (CST). This tax became effective in 1997

when the Dept. of Revenue Administration assessed the CST tax against AT&T's high speed Internet access product, delivered over cable television fiber optic lines, as a two-way communications service. In 1998 the United States Congress passed the Internet Moratorium Act (Internet Tax Freedom Act). The New Hampshire CST tax was grandfathered since it was instituted prior to the Moratorium. This tax has not adversely effected the expansion of Internet services. Passage of this bill would result in up to a \$5 million dollar revenue loss that the state cannot afford at this time. Vote 17-0.

Rep. Ouellette spoke against.

Rep. Roessner spoke in favor.

Adopted.

HB 717-FN-L, relative to targeted aid to education. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Robert J. Giuda for the Majority of Ways and Means: This bill, as amended, repeals the statewide property tax and provides targeted aid to districts based upon a weighted formula that takes into account both a community's median income and the assessed valuation of its real property. It also assists with transportation costs, and includes in the formula factors for grade level, special education needs, the number of students receiving free and reduced lunches, and the number of students with limited proficiency in English. A county-specific cost of living factor is included. This bill as amended also repeals the existing underused property tax relief program, which becomes unnecessary with repeal of the statewide property tax. Vote 15-6.

Rep. Vivian R. Clark for the Minority of Ways and Means: Some information needed for analysis of this bill was outdated and some was simply not provided. One effect which was evident, however, was that some towns which currently enjoy relatively low tax rates would see them go even lower, while others with high tax rates would see a further increase. There are also strong doubts about the constitutionality of the bill. The minority would like to retain this bill and develop a targeted aid program that goes to the most needy communities.

Majority Amendment (0539h)

Amend the bill by replacing all after the enacting clause with the following:

1 Findings and Purpose. The general court finds that the present system of providing adequate education grants to support public elementary and secondary education does not sufficiently serve the objective of equalizing educational opportunity in the state, does not efficiently direct state resources to school districts based on fiscal need, and requires levy and collection of a statewide property tax that is divisive and unnecessary, if state resources are more efficiently directed. The purpose of this act is to direct state school aid more efficiently and effectively based on the relative fiscal need of local communities, and so better serve the objective of equalizing educational opportunity for pupils in the state's public elementary and secondary schools.

2 New Sections; Targeted Aid Grants; Transition Education Grants. Amend RSA 198 by inserting after section 41 the following new sections:

198:41-a Determination of Targeted Aid Grants.

I. For the biennium beginning July 1, 2003 and every biennium thereafter, except for municipalities where all school districts therein provide education to all of their pupils by paying tuition to other institutions, the department of education shall determine the amount of the targeted aid grant for a municipality as follows:

(a) A municipality's targeted aid grant shall be the difference between its education need less its fiscal capacity, as determined in accordance with this paragraph.

(b) Education need shall mean the sum of a municipality's education operating need plus education transportation need.

(c) Education operating need shall be \$4,870 multiplied by the municipality's total weighted pupils. This product shall be multiplied by the county relative cost of living factor applicable to the municipality. As used in this paragraph:

(1) A municipality's total weighted pupils shall mean the number of its elementary school pupils, including kindergarten pupils, plus 1.1 times the number of its high school pupils, plus the number of its special education pupils, plus the number of its pupils eligible to receive free or reduced price lunch, plus the number of its pupils with limited proficiency in the English language, plus the number of its scale pupils.

(2) The number of a municipality's scale pupils shall be determined by multiplying the number of its elementary pupils, including kindergarten pupils, by a scale factor as follows:

(A) 0.3, if the municipality's 2000 United States census population is less than 1,000 persons.

(B) 0.15, if the municipality's 2000 United States census population is at least 1,000 but less than 2,000 persons.

(C) 0.1, if the municipality's 2000 United States census population is at least 2,000 but less than 3,000 persons.

(D) zero, if the municipality's 2,000 United States census population is 3,000 or more persons.

(3) The county relative cost of living factor is:

(A) Belknap county municipalities: 0.99.

(B) Carroll county municipalities: 0.99.

(C) Cheshire county municipalities: 1.01.

(D) Coos county municipalities: 0.90

(E) Grafton county municipalities: 0.96.

(F) Hillsborough county municipalities: 1.07.

(G) Merrimack county municipalities: 1.03.

(H) Rockingham county municipalities: 1.07.

(I) Strafford county municipalities: 1.00.

(J) Sullivan county municipalities: 0.98.

(d) Education transportation need shall mean the sum of the municipality's number of pupils plus the number of its scale pupils, multiplied by \$322. This product shall be multiplied by the county relative cost of living factor applicable to the municipality.

(e) Fiscal capacity shall mean the sum of the municipality's equalized property valuation as determined by the department of revenue administration as of April 1, 2001, excluding property subject to taxation under RSA 83-F, plus the municipality's total household income, divided by 2. The result shall then be multiplied by 0.019267. Total household income shall mean the municipality's median household income multiplied by the number of its households, as determined by the 2000 United States census.

(f) The calculation required under this paragraph shall be performed and distributed to school districts no later than November 1 of the year before the beginning of the biennium for which it is made.

II.(a) For the biennium beginning July 1, 2005, and every biennium thereafter, the department of education shall perform the calculations required under this section based on the most recent available data representing the number of elementary and high school pupils, special education pupils, pupils eligible for free or reduced price lunch, pupils with limited proficiency in the English language in each municipality, and the equalized property valuation, excluding property subject to taxation under RSA 83-F.

(b) For the biennium beginning July 1, 2005, and every biennium thereafter the amount of \$4870 in the calculation of operating need and the amount of \$322 in the calculation of transportation need shall each be adjusted according to the change in the consumer price index as calculated by the United States Department of Labor. Furthermore, the department shall recalculate a municipality's population, median household income, and number of households by reference to the most recently available data from the United States decennial census.

III. For municipalities where all school districts therein provide education to all of their pupils by paying tuition to other institutions, the amount of the targeted aid grant for each municipality shall be the lesser of the following:

(a) The amount calculated in accordance with paragraph I or paragraph II of this section, as applicable; or

(b) The total amount paid for education expense as determined by the department of education.

198:41-b Transition Education Grants.

I. Notwithstanding the provisions of RSA 198:41-a, for the fiscal years 2004 through 2008, each municipality shall receive a transition education grant determined as follows:

(a) For fiscal year 2004, if a municipality's targeted aid grant calculated under RSA 198:41-a is greater than the adequate education grant it would be entitled to receive under the version RSA 198:41 in effect one day prior to the effective date of this section, the municipality shall be entitled to receive an amount equal to the amount of its adequate education grant. However, if a municipality's targeted aid grant is less than its adequate education grant, the municipality shall be entitled to receive 84.4 percent of the adequate education grant.

(b) For fiscal year 2005, if a municipality's targeted aid grant calculated for the fiscal year ending June 30, 2004 under RSA 198:41-a is greater than the adequate education grant it would have been entitled to receive for the same fiscal year under the version of RSA 198:41 in effect one day prior to the effective date of this section, the municipality shall be entitled to receive an amount equal to such adequate education grant, plus 15 percent of the difference, if any, between the amount of the fiscal year 2004 targeted aid grant and the fiscal year 2004 adequate education grant. However, if the municipality's fiscal year 2004 targeted aid grant is less than the fiscal year 2004 adequate education grant, the municipality shall be entitled to receive 84.4 percent of such adequate education grant.

(c) For fiscal year 2006, a municipality shall be entitled to receive a transition education grant in an amount equal to the amount it was entitled to receive for fiscal year 2005 under this paragraph, plus 25 percent of the difference, if any, between the amount of the targeted aid grant it would be entitled to receive in fiscal year 2006 under RSA 198:41-a and the amount it was entitled to receive in fiscal year 2005.

(d) For fiscal year 2007, a municipality shall be entitled to receive a transition education grant in an amount equal to the amount it was entitled to receive for fiscal year 2005 under this paragraph, plus 50 percent of the difference, if any, between the amount of the targeted aid grant it would be entitled to receive in fiscal year 2006 under RSA 198:41-a and the amount it was entitled to receive in fiscal year 2005.

(e) For fiscal year 2008, a municipality shall be entitled to receive a transition education grant in an amount equal to the amount it was entitled to receive for fiscal year 2007 under this paragraph, plus 50 percent of the difference, if any, between the amount of the targeted aid grant it would be entitled to receive in fiscal year 2008 under RSA 198:41-a and the amount it was entitled to receive in fiscal year 2005.

II. For fiscal years following 2008, a municipality shall be entitled to receive an amount determined in accordance with RSA 198:41-a.

3 Distribution Schedule and Appropriation. RSA 198:42 is repealed and reenacted to read as follows:

198:42 Distribution Schedule of Adequate Education Transition Education and Targeted Aid Grants; Appropriation.

I. The transition education grant determined in RSA 198:41-b, and beginning in fiscal year 2009, the targeted aid grant determined in RSA 198:41-a, shall be distributed to each municipality's school district or districts legally responsible for the education of the pupils who attend approved public schools within the district or in other districts or who attend approved programs for educationally disabled children, as the case may be, from the education trust fund in 4 payments of 20 percent on August 1, 20 percent on September 1, 30 percent on January 1, and 30 percent on April 1 of each school year; provided that for a dependent school district, the grant determined in RSA 198:41-a or RSA 198:41-b shall be distributed to the municipality, which shall appropriate and transfer the grant funds to its dependent school department.

II. For the fiscal year beginning July 1, 1999, and every fiscal year thereafter the amount necessary to fund the grants under RSA 198:41 is hereby appropriated from the education trust fund created under RSA 198:39 to the department of education. The governor is authorized to draw a warrant from the education trust fund to satisfy the state's obligation under this section. Such warrant for payment shall be issued regardless of the balance of funds available in the education trust fund. If the balance in the education trust fund, after the issuance of any such warrant, is less than zero, the commissioner of the department of administrative services shall inform the fiscal committee and the governor and council of such balance. This reporting shall not in any way prohibit or delay the distribution of adequate education grants.

III. The department of education shall certify the amount of each grant to the state treasurer and direct the payment thereof to the school district. When a payment of a grant is made to a school district, the municipality on whose behalf the payment is made, shall receive notification from the state treasurer of the amount of the payment made to its school district or districts.

4 Maintenance of Local Control. RSA 198:48 is repealed and reenacted to read as follows:

198:48 Maintenance of Local Control. Distributions under RSA 198:42 depend only on the provisions of RSA 198:41-a and RSA 198:41-b, and are independent of how the municipalities decide to spend the distributions or other funds they may raise for education. Notwithstanding any other provision of law, nothing in this subdivision is intended in any way to limit or control how school

districts operate or spend their budgets except that adequate education grants must be expended for educational purposes. Transition education grants and targeted aid grants shall not be considered unanticipated funds under RSA 198:20-b.

5 Repeals. The following are repealed:

I. RSA 21-I:18, I(1), relative to the purchase of services by the department of administrative services for the administration of low and moderate income homeowners property tax relief.

II. RSA 76:3 , relative to the education property tax.

III. RSA 83-F:9, relative to exemption from the education property tax

IV. RSA 198:38, I, V-X, and XII, relative to certain definitions regarding state aid for educational adequacy.

V. RSA 198:39, I(g), relative to deposit of excess property tax payments

VI. RSA 198:40-41, relative to determination of per pupil adequate education cost and adequate education grant.

VII. RSA 198:44, relative to duties of the department of education and the board of education.

VIII. RSA 198:46-47, relative to excess education property tax payment and forms.

IX. RSA 198:49, relative to the adequate education and education financing commission.

X. RSA 198:56-61, relative to low and moderate income homeowners property tax relief.

6 Effective Date.

I. RSA 198:41-a, I(f) as inserted by section 2 of this act shall take effect January 1, 2004.

II. Paragraph II of section 5 of this act shall take effect March 31, 2003.

III. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Provides for targeted aid grants to municipalities based on a revised cost calculation formula.

II. Provides for transition education grants to municipalities for fiscal years 2004-2008.

III. Repeals the education property tax.

IV. Repeals excess education property tax payments.

V. Repeals the low and moderate income homeowners property tax relief program.

Adopted

Reps. Vivian Clark spoke against and yielded to questions.

Rep. Hughes spoke in favor and yielded to questions.

Reps. Almy and Jasper spoke against.

Reps. Gionet, Kurk and Giuda spoke in favor.

Rep. Francoeur requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority committee report was adopted.
Referred to Finance.

HB 746-FN-A, revising the property tax relief program **OUGHT TO PASS WITH AMENDMENT** Rep. Christine C. Hamm for Ways and Means: This year a number of bills to provide expanded property tax relief for low and moderate income homeowners have come before the Ways and Means Committee. While these have received support for their intent, the majority of the committee found that HB 746 was the best vehicle to achieve the goals we seek, including: 1) an attempt at meaningful relief for those most in need, i.e. resident homeowners whose total net property taxes exceed 10 percent of household income for married couples or 8 percent of household income for individuals; 2) simplicity both of administration and access; 3) flexibility to allow for future modification; and 4) fiscal responsibility based on findings. By providing a "rebate from education property taxes paid in the amount of the difference between total net property tax paid and 8 percent or 10 percent of household income, or \$1,500, whichever is less", the majority of the members of the Ways and Means Committee expect the total cost to the State will be between \$4 million to \$6 million dollars. HB 746 is based upon the findings of the study committee established by HB 213. Vote 15-3.

Amendment (0538h)

Amend the introductory paragraph of RSA 198:56, III(a) as inserted by section 2 of the bill by replacing it with the following:

III.(a) "Household income" means the sum of [~~the adjusted gross income for federal income tax purposes~~] *net income from all sources* of the claimant and any adult member of the claimant's household who resides in the homestead for which a claim is made. *The net income shall be determined by deducting from all moneys received from any source, including social security and pension payments, the amount of any of the following or the sum thereof:*

Amend RSA 198:57, VI(a)(2) as inserted by section 6 of the bill by replacing it with the following:

(2) \$1,500.

Amend the bill by replacing section 7 with the following:

7 Reference Change: Public Contractors Added. Amend RSA 21-I:18, I(1) to read as follows:

(1) Purchases of services from private *and public* contractors by the department of revenue administration with respect to the administration of [~~low and moderate income homeowners~~] *state education* property tax *homeowners* relief claims.

AMENDED ANALYSIS

This bill revises the current "low and moderate income homeowners property tax relief" program as the "state education property tax homeowners relief" program. This relief program will be available to any resident homeowner whose total net property taxes exceed 10 percent of household income or 8 percent of household income if such resident homeowner filed a federal income tax return as head of household. This bill allows a rebate from education property taxes paid in the amount of the difference between total net property tax paid and 8 percent or 10 percent of household income depending on federal income tax filing status, or \$1,500, whichever is less.

Adopted.

Report adopted and referred to Finance.

SPECIAL ORDER

Without objection, the Speaker ordered that all bills removed from today's Consent Calendar be made a Special Order for March 13, 2003 as the first order of business.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 13, 2003 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 288-FN, imposing a criminal penalty for the dissemination of certain materials without consent.
HB 120, relative to sessions for the correction of the checklist and sessions for changes of party registration.

HB 275, establishing a committee to study ballot reform.

HB 358-FN-L, relative to recount fees in local elections

HB 658-FN, relative to impersonation of candidates.

HB 156, relative to weights and measures.

HB 181, relative to limiting landowner liability for giving permission for horseback riding.

HB 281-FN, exempting automatic irrigation system installers from licensure by the electrician's board.

HB 469, relative to areas of the state for hunting by crossbow.

HB 533, relative to health carrier disclosure for medical child support enforcement.

HB 831, establishing a New Hampshire end-of-life care study commission.

HB 434-L, relative to junkyards and motor vehicle recycling yards.

HB 769, relative to the lighting of certain advertising devices along highways.

HB 732-FN, relative to fines for forestry law violations, and deceptive forestry business practices.

HB 703-FN, permitting free admission to the state park system for disabled veterans.

HCR 9, urging the President and the Joint Chiefs of Staff to abandon the Total Information Awareness Initiative.

HR 9, urging the federal government to extend the Internet Tax Freedom Act moratorium.

HB 379, relative to penalties for OHRV violations by underage operators.

HB 819, relative to original and youth operators' licenses.

HB 828-FN-A-L, establishing a committee to study the effect of alternative transportation on state revenues.

HB 591-FN, allowing a certain former state employee to apply for accidental disability benefits.

HB 669-FN, relative to dental insurance benefits and eligibility for medical benefits for retired state employees.

HB 791-FN-A, establishing a rest area and state liquor store retail opportunities commission.

HB 326, relative to establishing a 6-year capital budget.

HB 387-FN, allowing free admission to the state park system for certain members of the New Hampshire national guard.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 4:10 p.m.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 10

Thursday, March 13, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Compassionate Creator of all, in whom we live and move and have our being, You see us living in a broken and divided world; be present with the leaders of the nations who seek justice and peace among all people.

We especially remember Private Andrew Stevens and Sergeant William Tracy, citizens and soldiers of our beloved New Hampshire who have given their lives in the service of our country; receive them into larger life and comfort their love ones who mourn.

Bless the work of this honorable House today.

May Your protective blessing be with those who serve in the armed forces, police and fire service, and their loved ones, who stand in harm's way today in the defense of our country and our communities. Amen.

Rep. Pamela Price led the Pledge of Allegiance.

The National Anthem was sung by Kathryn Ludwig, a senior at the University of New Hampshire.

LEAVES OF ABSENCE

Reps. Callaghan, Stephanie Eaton, Flanagan, Furman, Haley, Holland, Hunter and Rice, the day, illness.

Reps. Nelson Allan, Balcom, Cail, Daniels, Drisko, Duffy, Hollinger, Kaen, John Manning, Joseph Manning, McDonough-Wallace, Moore, Schulze, Paul Smith, Snyder, Jeffrey Sullivan and Tate, the day, important business.

Reps. Hagan and Langer, the day, illness in the family.

Rep. Itse, the day, death in the family.

INTRODUCTION OF GUESTS

Virginia and John Heald, daughter and son-in-law of Rep. Hinkle. Tracy Packard, Jeff Eastman, Dylan Gingles, Keith Arnesen, Chelsey Lizotte, Tina Jodoin, Carissa Houston, Kendra Truman, Chris Clough, Brendan Bell, students at Mascoma High School and teachers Deborah Tufts and Bridgette Fisher, guests of Reps. Scovner and Tufts. Sharon Guaraldi, Maryssa and Michelle Carman and Beverly Hall, guests of Rep. Dudley. Candace Cunha, guest of Rep. Claire Clarke. Nick Bauer, guest of Rep. Scamman.

SPECIAL ORDERS

BILLS REMOVED FROM CONSENT CALENDAR 3-12-03

HB 277-FN, relative to an extended term of imprisonment for manslaughter and relative to jury findings which warrant an extended term of imprisonment. **OUGHT TO PASS WITH AMENDMENT**

Rep. William V. Knowles for Criminal Justice and Public Safety: As currently written the extended term statute applies to every crime except manslaughter. This legislation corrects that oversight. In addition, the United States Supreme Court held that any fact, other than a prior conviction, that increases the maximum statutory penalty, must be submitted to the jury and proven beyond a reasonable doubt before a court can impose an enhanced or extended term. This requirement is now put in place. Vote 12-0.

Amendment (0327h)

Amend RSA 656:6, I-a as inserted by section I of the bill by replacing it with the following:

I-a. As used in this section, a "law enforcement officer" is a sheriff or deputy sheriff of any county, a state police officer, a constable or police officer of any city or town, an official or employee of any prison, jail, or corrections institution, a probation-parole officer, a juvenile probation and parole officer, or a conservation officer.

Rep. Welch spoke against.

Amendment failed.

Rep. Welch offered floor amendment (0623h) and spoke in favor.

Floor Amendment (0623h)

Amend RSA 651:6, I-a as inserted by section 1 of the bill by replacing it with the following:

I-a. As used in this section, a "law enforcement officer" is a sheriff or deputy sheriff of any county, a state police officer, a constable or police officer of any city or town, an official or employee of any prison, jail, or corrections institution, a probation-parole officer, a juvenile probation and parole officer, or a conservation officer.

Floor amendment (0623h) adopted.

Report adopted and ordered to third reading.

HB 51, apportioning state representative districts. INEXPEDIENT TO LEGISLATE

Rep. Steve Vaillancourt for Election Law: This bill is basically a re-write of HB 336 from the last session. The committee shares the sponsor's concern that more districts are desirable, and this bill does, in fact, create 218 districts as opposed to the court-mandated 88 districts. However, deviations in this plan were rather large in some of the districts and since the committee has numerous other redistricting bills to consider, we felt this would not be the ideal vehicle. Vote 12-0.

Rep. Leach spoke against.

Rep. Stritch spoke in favor and yielded to questions.

Rep. Leach requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

HB 564-FN, relative to access to information in proceedings of the judicial conduct commission. OUGHT TO PASS WITH AMENDMENT

Rep. Robert H. Rowe for Judiciary: This bill allows the Judicial Conduct Commission access to confidential information in order to process a complaint made against a judge. This bill was a request of the newly created Judicial Conduct Commission. The Commission discovered in processing a certain complaint against a judge for a breach of the Judicial Code of Ethics involving a juvenile matter, which was sealed in accordance with present statutes. This bill will allow the JCC access to the juvenile proceedings and other confidential information that would otherwise be unavailable in order to process a complaint against a judge. The JCC hearing relating to the confidential information would be non-public and the confidential information would remain confidential. Further, the bill provides that a member, staff or agent of the JCC who violates the confidentiality would be guilty of a misdemeanor. Vote 10-1.

Amendment (0522h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Judicial Conduct Commission; Access to Information. Amend RSA 494-A by inserting after section 11 the following new section:

494-A:11-a Access to Information; Hearings on Confidential Cases.

I. Notwithstanding any other provision of law to the contrary, a person subject to the code of judicial conduct may provide to the members of the judicial conduct commission, its staff and agents, and in the performance of its official duties the judicial conduct commission may review, any tapes, transcripts, records of proceedings, information, files, and other documents which would otherwise be confidential. No member, staff, or agent of the judicial conduct commission shall disclose such information except in the course of official duty. Any member, staff, or agent of the judicial conduct commission who violates the provisions of this paragraph shall be guilty of a misdemeanor.

II. In a hearing under RSA 494-A:11, II if any part of the complaint involves the conduct of a person in a case required to be confidential by law, the commission may, by majority vote, conduct the hearing, or any part thereof, in a session not open to the public. In such circumstances the commission shall make available to the public a summary of the nature of the complaint, the names of the person complained against and the complainant, and the decision of the committee.

2 Effective Date. This act shall take effect upon its passage.

Rep. Mock spoke to an error in the committee report and requested the fourth sentence be deleted in the Permanent Journal.

The Speaker so ordered.

Amendment adopted.

Report adopted and ordered to third reading.

HB 673-FN-L, relative to municipal water system connection fees. INEXPEDIENT TO LEGISLATE

Rep. David L. Buhlman for Municipal and County Government: The committee realizes that the Copple Crown Village District, a water precinct in the town of Durham, faces a problem with paying for upgrades to water lines and that their \$12,000 hook-up fee is quite high, but is concerned that any remedy that might be proposed to address this particular situation could have unintended implications for other water supply systems. As stated in a letter from the Copple Crown Village District's Secretary/Treasurer, additional costs were incurred in response to a New Hampshire Department of Environmental Services Water Division mandate in 1995-1996 to upgrade the water system. Vote 13-0.

Rep. Patten moved Recommit to committee and spoke in favor.

Adopted.

Recommitted to Municipal and County Government.

HB 454, relative to property rights and large groundwater withdrawals. INEXPEDIENT TO LEGISLATE

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill would give municipalities veto power in the permitting process of large groundwater withdrawals. The veto power would extend to any municipality within the anticipated zone of contribution. It would therefore allow a municipality to veto a withdrawal in other municipalities. Past legislatures have rejected this measure several times in recent years because water is more than a local resource. Groundwater does not recognize municipal boundaries and is in reality a regional resource. It is for this reason that the state should have the final say in approving or disapproving large groundwater withdrawals, as they now have. However, the committee recognizes that local communities should have a strong voice in the process and should be given ample opportunity to present their concerns. The bill also asks for protection of existing water rights. Except for the veto power of municipalities, the committee plans to address the other concerns in a least one of the comprehensive study bills concerning groundwater presently before the committee. Vote 18-0.

Reps. Cady and Bicknell spoke against and yielded to questions.

Rep. Cooney spoke in favor and yielded to questions.

Rep. Cady requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

HB 330, relative to public utilities mergers and acquisitions. **INEXPEDIENT TO LEGISLATE**
Rep. Roy D. Maxfield for Science, Technology and Energy: The sponsors of HB 330 sought to change the standards for review by the Public Utilities Commission (PUC) of mergers and acquisitions. They would require the commission to send notices to all customers, shareholders and municipalities for such mergers etc. The current statute RSA 369:8 II. (b), was the culmination of years of negotiating by all types of public utilities, the Public Utilities Commission and the consumer advocate, all under the leadership of the Science, Technology and Energy Committee. The provisions of RSA 369:8 were carefully crafted to specify for approval, i.e. specifically no adverse effect on rates, terms, conditions and operations of the New Hampshire utility. The committee agrees that the changes proposed by this bill would dramatically change the previously established consensus and adversely affect many of our utilities' ability to compete. In the recent past there have been several mergers and acquisitions considered by the PUC under this statute and the process has worked as intended. Vote 15-1.
Rep. McHugh spoke against.
Rep. Maxfield spoke in favor.
Rep. McHugh requested a roll call; sufficiently seconded.
The question being adoption of the committee report.

and the committee report was adopted.

Franklin, Peter

HB 609-FN-A, relative to public interest payphones. **INEXPEDIENT TO LEGISLATE**

Rep. Elenore Casey Crane for Science, Technology and Energy: The committee recognizes the intent of the sponsors and concern of the community in areas where cell phone service is limited, and there is great reliance on public pay phones. However, it was suggested during discussions in committee that it may be dealt with on the local level as it provides, in some cases, an outlet for emergency services in those communities. The bill dealt mainly with a pay phone that was removed from a popular Acworth store. While there are concerns about the rising number of payphones being removed, a committee studying Public Interest Telephones (PIP's) found only five statewide, thus a statewide surcharge at this time was found inexpedient. Vote 12-2.

Rep. Gorman spoke against.

Rep. Thomas spoke in favor and yielded to questions.

On a division vote, 246 members having voted in the affirmative and 111 in the negative, the committee report was adopted.

HB 611-FN-A, establishing a choose life number plate trust fund, and a special motor vehicle license plate and associated fees, to support and promote New Hampshire adoptions. **INEXPEDIENT TO LEGISLATE**

Rep. Brenda L. Ferland for Transportation: A few adult adoptees were offended that the bill was being used as an excuse for a pro life stance. If they were truly inspired for adoption, the plate would make the statement choose adoption not choose life. If the state is forced to provide a political forum for one group through the license plate then all groups have to be given the same opportunity. However offensive statements sound, they are a reality to demanding the Department of Safety, who actually owns these plates, to be the sponsor of a political message. The bill also states that no money goes for administrative fees. Isn't the state entitled to those fees if they collect and distribute the funds? The DOS estimates if they issue 5,000 special plates it costs \$97,500.00. Other states that have a population closest to New Hampshire's have seen very little financially coming in. In NH the conservation and veterans plates are slowly selling. People will more likely not be purchasing another special plate. The financial aspect of the bill divided the money 60% to agencies and centers for women in crisis pregnancies, 40% to agencies and centers for expenses, counseling, training and advertising. No money goes to any agency or center that even talks about abortion; unfair because clinics do tell women adoption is an option. Millions of children in the United States sit in foster homes because of neglect, abandonment and abuse, waiting to be adopted or even placed in a foster home. As was clearly stated, if this is about adoption, the plate should say choose adoption, not choose life, but both are political statements. This is not something the committee wants to do to force the DOS to make a political statement regardless of our beliefs. It was suggested that the people would be better served if the money were donated to an agency or center of their choice, better yet become a foster parent. Vote 15-0.

Reps. Souza and Gonzalez spoke against.

Rep. Packard spoke in favor.

Rep. Souza requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.

HB 634-FN-L, establishing a limit on the applicable tax rate for local school district taxes **INEXPEDIENT TO LEGISLATE**

Rep. Daniel M. Hughes for Ways and Means: This bill would limit municipalities from imposing local property taxes for support of local education at a rate at or below twice the equalized rate of the statewide education property tax. The Committee believes this would unduly interfere with municipalities' abilities to control their local education funding. Additionally, there were no alternative sources of revenue identified and implementation would not allow municipalities to address disparities created by different costs of their operations. Vote 18-0.

Adopted.

The House recessed at 12:20 p.m.

RECESS**(Speaker Chandler in the Chair)**

The Speaker reconvened the House at 1:20 p.m.

REGULAR CALENDAR PART II

CACR 6, relating to the encouragement of literature. Providing that it shall be the duty of the legislators and magistrates to not hinder, impede or obstruct the interest of literature and the sciences. **INEXPEDIENT TO LEGISLATE**

Rep. Mark S. Carter for Education: The committee heard testimony on several CACR's concerning Article 83 of the second part of the New Hampshire Constitution. While all of the CACR's had some merit, the committee decided to retain CACR 2 and CACR 13 and to Inexpedient to Legislate CACR 6. Vote 17-0.

Adopted.

HB 232, repealing the one-year certificate of eligibility to teach. **INEXPEDIENT TO LEGISLATE**

Rep. Mark S. Carter for Education: This bill would have repealed RSA 189:39-b relative to one-year certificate of eligibility to teach. The majority of the committee felt that the existing law, passed just last year, appeared to be working and that a repeal was not warranted. Vote 13-4.

Adopted.

HB 405, authorizing school districts to authorize a period of time for silent individual reflection in public schools. **INEXPEDIENT TO LEGISLATE**

Rep. John Alger for Education: The majority of the committee feels this bill is not needed, since the law already provides for authorizing the pledge of allegiance (RSA 194:15-c) and a period of silent reflection (RSA 189:1-b). This piece of law was amended last year to its current form through passage of an earlier bill. Vote 16-1.

Adopted.

HB 202-FN, establishing an independent legislative redistricting commission. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Bernard J. Luebker for the Majority of Election Law: This bill would establish an independent legislative redistricting commission to prepare apportionment for the representatives and senators following each decennial census. The committee felt that this legislature should not bind a future legislature as to process. It further felt the representatives and senators would most likely prefer to do their own apportionment in their own way and at their own speed. Vote 10-6.

Rep. Charles F. Weed for the Minority of Election Law: An independent redistricting commission would remove the rancorous partisanship evident following the last decennial census. It would optimize the effectiveness that no district would be drawn for the purpose of favoring a political party, an incumbent, or any other group. Such a commission was to be established following the 2010 census.

Majority report adopted.

HB 745, relative to voters presenting identification to obtain a ballot. **MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Michael D. Whalley for the Majority of Election Law: This bill permits municipalities to require that voters present identification or sign an affidavit to obtain a ballot. The bill identifies

a New Hampshire driver's license, armed services identification card, United States passport, or any other form of photographic identification as appropriate identification. When a municipality determines this is necessary for their community, all voters will be treated in the same manner. Vote 11-6.

Rep. Jane A. Clemons for the Minority of Election Law: This bill allows the legislative body of a municipality to adopt different procedures for elections. Some municipalities may require voters to offer photo identification while others will not. The minority believes voting procedures and laws in this state should be uniform. The minority also feels there is no voter registration fraud on the radar screen in New Hampshire that would indicate the need for this form of ID, especially as there are some people that do not have a driver's license, passport, or armed services ID card. This would be discrimination.

Rep. Clemons requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority report was adopted.
Ordered to third reading.

Reps. Clemons, Lasky and John Pratt did not vote and wish to be recorded against.

Rep. Artz did not vote and wish to be recorded in favor.

HB 772-FN-L, including undeveloped shoreline property in land granted tax relief under current use. **INEXPEDIENT TO LEGISLATE**

Rep. Donald R. Philbrick for Environment and Agriculture: This bill would provide tax relief for many landowners of shorefront property by allowing them to enroll their land in current use. Today, by law, you must have 10 or more acres to enroll in current use. This would be a major shift in policy and would be a large loss of tax revenue for communities, resulting in a tax benefit for a few who own land on a waterbody. This was reported to be for the purpose of improving water quality, but no evidence was presented that this would not do anything that the shoreline protection act now does. Vote 9-6.

Adopted.

HB 356-FN, relative to including medical benefits costs in the purchase of creditable service in the retirement system. **OUGHT TO PASS**

Rep. William R. Zolla for Executive Departments and Administration: This bill would require those members purchasing creditable service in the system and anticipating medical benefits upon retirement to make a contribution to the medical sub trust also. In so doing those members already eligible for these benefits upon retirement as well as those already receiving them will not have the sub trust's original terminal funding depreciated sooner than planned for. Vote 17-0.

Adopted and ordered to third reading.

HB 61, relative to the taking of migratory game birds in the Connecticut River zone. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. Laflam for Fish and Game: This bill provides for reciprocity with Vermont for the taking of migratory game birds by both New Hampshire and Vermont's residents in a "zone" that includes dry land on both sides of the river as defined by recognizable boundaries such as high-ways. Vote 10-4.

Amendment (0057h)

Amend the bill by replacing section 1 with the following:

1 New Section; Migratory Game Birds; Taking in Connecticut River Zone; Reciprocity. Amend RSA 209 by inserting after section 5 the following new section:

209:5-a Connecticut River Zone.

1. A person holding a Vermont resident hunting license which allows the taking of migratory waterfowl and coots, may take migratory game birds except woodcock and snipe, as provided in

RSA 209:5, from the Connecticut River zone, provided the state of Vermont grants the same right to a person holding a New Hampshire resident hunting license and waterfowl stamp which allows the taking of migratory game birds in the Connecticut River zone in Vermont pursuant to 10 VSA 4909.

II. The Connecticut River zone in New Hampshire shall include that portion of New Hampshire lying west of the line defined by New Hampshire Route 63 from the Massachusetts border north to Route 12; Route 12 north to Route 12-A; Route 12-A north to Route 10; Route 10 north to Route 135; Route 135 north to U.S. Route 3; U.S. Route 3 north to the intersection with the Connecticut River.

Adopted.

Report adopted and ordered to third reading.

HB 788-FN-A, repealing the certificate of need law. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Charles E. McMahon for the Majority of Health, Human Services and Elderly Affairs: The bill repeals the Certificate of Need (CON) board process which is the regulatory tool of the Health Services Planning and Review Board. The bill as amended creates a system that allows competition while protecting small hospitals and preventing an over supply of expensive new inpatient services or additional inpatient beds. The goal of the original CON process was to manage growth of health care Facilities State wide while reducing costs incurred by New Hampshire citizens. The committee believes the CON process has fallen short of this mission and has become protectionist of the existing structure at the expense of the New Hampshire health service consumer. Additionally, the committee found the CON process has less to do with the "quality" of care than it did with restricting the volume of choices available to citizens for care. The committee heard five hours of testimony both in support and opposition of the bill. It became apparent to the majority that the current system was restrictive and non-responsive to New Hampshire citizens. The amendment provides for the transfer of existing CON oversight to the Health and Human Services Office of Health, Planning and Medicare. Further, it provides improvements by instituting a review process of inpatient vs. outpatient care resulting in reduced bureaucracy, regulation and more efficient use of staff while guarding against over expansion of facilities in the state by certificate of review process. The committee agreed the bill, as amended, would provide for competition in the delivery and access to outpatient health services. The existing staff, relieved of the current over regulatory time drain, will be used to do more efficient long term health care planning and assessment as well as assuring improvements in quality of care issues. Based on consideration of the information received, the committee felt that the bill would help to ensure that all New Hampshire citizens have access to high quality, cost effective health care services. For years the Legislature has sought for oversight of this regulatory and planning process and this bill as amended allows for that. It also places inpatient and outpatient medical facilities on a level playing field, which is good for the citizens of New Hampshire. Vote 13-5.

Rep. Hilda W. Sokol for the Minority of Health, Human Services and Elderly Affairs: The bill repeals the Healthcare and Review Board (CON) which was designed to regulate growth costs and to avoid duplication of facilities and inpatient and outpatient medical services. Repealing the CON could lead to proliferation of costly facilities and major equipment. We firmly believe that healthcare is a service and not a business. Thus, we have great concern that private health providers may take the profitable services and leave the "money losers" to hospitals. In lieu of the certificate of need, this bill would replace it with a certificate of review establishing different procedures for inpatient and outpatient facilities.

Majority Amendment (0489h)

Amend the title of the bill by replacing it with the following:

AN ACT transferring the duties of the health services planning and review board.

Amend the bill by replacing all after the enacting clause with the following:

1 Certificate of Review. RSA 151-C is repealed and reenacted to read as follows:

CHAPTER 151-C

**CERTIFICATE OF REVIEW OF PROPOSED
NEW INSTITUTIONAL HEALTH SERVICES**

151-C:1 Legislative Findings; Public Interest; Review and Assessment of New Health Services. It is declared to be the public policy of this state that:

I. The general welfare and protection of the lives, health, and property of the people of this state require that all new inpatient institutional health services be offered or developed in a manner which avoids unnecessary duplication, contains or reduces increases in the cost of delivering services, and promotes rational allocation of health care resources in the state;

II. The state has a compelling interest in working with the health care delivery system to set standards relative to the size, type, level, quality, and affordability of health services offered in New Hampshire; and

III. The state has an interest in promoting and stimulating collaboration among providers in the health care marketplace as a means of managing the increases in health care costs.

151-C:2 Definitions. In this chapter:

I. "Ambulatory surgical facility" means a health care facility or a portion of a health care facility which provides surgical treatment to patients not requiring hospitalization, and does not include the offices of private physicians or dentists, whether in individual or group practices.

II. "Applicant" means a person responding to a request for application for certificate of review.

III. "Bed capacity" means the total number of licensed beds in a facility licensed under RSA 151; or in the case of state facilities, it means the total number of beds in service (staffed).

IV. "Business day" includes any day, Monday through Friday, except legal holidays.

V. "Capital expenditure" means an expenditure which, under generally accepted accounting principles consistently applied, is not properly chargeable as an expense of operation or maintenance, and includes acquisition by purchase, by transfer, or by lease or comparable arrangement, or through donation, if the expenditure would have been considered a capital expenditure if acquisition had been by purchase.

VI. "Categories of service" means health services offered in or through a health care facility which were not offered on a regular basis in or through such health care facility within the 12-month period before the time such services would be offered.

VII. "Certificate of review" means a certificate issued by the state agency approving the offering or development of a proposed new inpatient institutional health service.

VIII. "Confidential commercial information" means any information filed either by a health care facility in an application for certificate of review or data disclosure under RSA 126:25 that contains either a trade secret or other commercial information:

(a) That has not yet been revealed to persons other than (i) employees, agents, or attorneys of the filing party; (ii) other persons or entities with which the filing party is engaging in a joint venture or other commercial action in concert; and (iii) other persons or entities with which the filing party is actively negotiating for the purchase or sale of goods or services; and

(b) That would, if revealed, substantially and adversely affect the ability of the filing party or its affiliated interests to compete with other entities offering or proposing to offer the same goods and services in the same market.

IX. "Confidential financial information" means any financial information filed by a health care facility in accordance with an application for certificate of review or data disclosure under RSA 126:25:

(a) That has not yet been revealed to persons other than (i) employees, agents, or attorneys of the health care facility; (ii) other persons or entities with which the health care facility is jointly participating in an effort to obtain financing; and (iii) other persons or entities to which the health care facility has applied for financing;

(b) That would, if revealed, substantially, predictably, and adversely affect the ability of the health care facility or its affiliated interests to obtain financing on reasonable terms in competition with others seeking similar types of capital; and

(c) That could lawfully be concealed under applicable laws governing financial transactions.

X. "Construction" includes actual commencement of any construction or fabrication of any new building, or addition to any existing facility, or any expenditure, relating to the alteration, remodeling, renovation, modernization, improvement, relocation, repair, or replacement of a health care facility or health maintenance organization which adds inpatient beds or is with the intent to add a new inpatient institutional service.

XI. "Consumer of health care" means a person who is not a provider of health care.

XII. "Conversion" means change of the distribution of existing beds in a health care facility affecting acute care, skilled nursing care, intermediate care, psychiatric care, and substance abuse care as defined in the applicable state or federal law.

XIII. "Days" means calendar days, unless otherwise specified.

XIV. "Health care facility" means hospitals, ambulatory surgical facilities, specialty hospitals and licensed nursing homes including all services and property owned by such. Health care facilities shall include facilities which are publicly or privately owned or for-profit or not-for-profit, and which are licensed or required to be licensed in whole or in part by the state.

XV. "Health maintenance organization" means a public or private organization, organized under the laws of any state or the federal government which:

(a) Provides or otherwise makes available to enrolled participants health care services, including at least the following basic health care services: usual physician services, hospitalization, laboratory, x-ray, emergency and preventive services, and out-of-area coverage; and

(b) Is compensated, except for co-payments, for the provision of the basic health care services listed in subparagraph (a) to enrolled participants on a predetermined periodic basis without regard to the date on which health care services are provided; a predetermined periodic basis shall be fixed without regard to the frequency, extent, or kind of health care service actually provided; and

(c) Provides physician services primarily (1) directly through physicians who are either employees or partners of such organization, or (2) through arrangements with individual physicians or one or more groups of physicians organized in a group practice or individual basis, or (3) a combination of (1) and (2), as provided herein.

XVI. "Health services" means clinically related diagnostic, treatment, or rehabilitative services, as well as preventive services, and includes, without limitation, alcohol, drug abuse, and mental health services.

XVII. "Hospice" means a concept of care to assist dying patients to live their remaining weeks or months as free of symptoms and as much in control as possible. Such care can be provided in the individual's home, in a residential setting outside of the individual's home or in a hospital or long-term care facility.

XVIII. "Hospice house" means a free standing 24-hour residential setting licensed under RSA 151 as a supported residential care facility for terminally ill individuals with less than one year to live who no longer have a home or cannot remain safely there. Palliative care such as room, meals, personal care, medication monitoring and emotional support, is provided. Additional health care services may be provided to residents through arrangements with outside organizations as is currently available if the resident was in his or her own home.

XIX. "Hospital" means an institution which is engaged in providing to patients, under supervision of physicians, diagnostic and therapeutic services for medical diagnosis, treatment and care of injured, disabled, or sick persons, or rehabilitation services for the rehabilitation of such persons. The term "hospital" includes psychiatric and substance abuse treatment hospitals.

XX. "Inpatient services" means all care delivered to patients staying more than 24 hours in a health care facility, including, but not limited to, alcohol and drug dependency, psychiatric services, physical rehabilitation, cardiology services, obstetrical services, and general medical and surgical services.

XXI. "Institutional health service" means any proposed project for which a standard must be developed under RSA 151-C:5, II.

XXII. "Intermediate care facility" means an institution which, on a regular basis, provides health-related care and services of a lower level than those provided by a hospital or skilled nursing facility but above the level of room and office.

XXIII. "Location" means service area.

XXIV. "Major new facilities" means the construction, development, or other establishment of a new inpatient health care facility.

XXV. "Nursing home or facility" means a place which shall provide, for 2 or more persons, basic domiciliary services (office, room, and laundry), continuing health supervision under competent professional medical and nursing direction, and continuous nursing care as may be individually required.

XXVI. "Office" means the office of planning and research, department of health and human services.

XXVII. "To offer", when used in connection with health services, means that a health care provider holds itself out as capable of providing, or as having the means for the provision of, specified health services.

XXVIII. "Outpatient services" means all care delivered to patients who are not required as a part of treatment to stay in excess of 24 hours from time of admission in a health care facility.

XXIX. "Person" means an individual, trust, state, partnership, committee, corporation, non-profit health service corporation, association and other organizations such as joint stock companies and insurance companies, or a political subdivision or instrumentality of a state, including a municipal corporation.

XXX. "Physical facility or site" means the total buildings, structures, and land of a health care facility.

XXXI. "Provider of health care" means a person:

(a) Who is a direct provider of health care, including a physician, dentist, nurse, podiatrist, optometrist, physician assistant, or ancillary personnel employed under the supervision of a physician, in that the individual's primary current activity is the provision of health care to individuals or the administration of facilities or institutions, including hospitals, long-term care facilities, rehabilitation facilities, alcohol and drug abuse treatment facilities, outpatient facilities, and health maintenance organizations, in which such care is provided and, when required by the laws of this state, who has received professional training in the provision of such care or in such administration and is licensed or certified for such provision or administration;

(b) Who holds a fiduciary position with, or has a fiduciary interest in, any entity described in subparagraph (c)(2) or (c)(4) of this paragraph other than an entity described in either such subparagraph which is also an entity described in section 501(c)(3) of the Internal Revenue Code of 1954 and which does not have as its primary purpose the delivery of health care, the conduct of research, the conduct of instruction for health professionals, or the production of drugs or articles described in subparagraph (c)(3) of this paragraph;

(c) Who receives (either directly or through the person's spouse) more than 1/5 of his gross annual income from any one or combination of the following:

(1) Fees or other compensation for research into or instruction in the provision of health care;

(2) Entities engaged in the provision of health care or in research or instruction in the provision of health care;

(3) Producing or supplying drugs or other articles for individuals or entities for use in the provision of or in research into or instruction in the provision of health care; or

(4) Entities engaged in producing drugs or such other articles;

(d) Who is the member of the immediate family of an individual described in subparagraph (a), (b), or (c); or

(e) Who is engaged in issuing any policy or contract of individual or group health insurance, hospital, or medical service benefits. An individual shall not be considered a provider of health care solely because the individual is a member of the governing office of an entity described in subparagraph (c)(2) or (c)(4).

XXXII. "Psychiatric hospital" means an institution which is primarily engaged in providing to inpatients, by or under the supervision of a physician, psychiatric services for the diagnosis, treatment, and rehabilitation of mentally ill and emotionally disturbed persons.

XXXIII. "Rehabilitation facility" means an inpatient facility which is operated for the primary purpose of assisting in the rehabilitation of disabled persons through an integrated program of medical and other services which are provided under competent professional supervision.

XXXIV. "Request for application" means a formal publication of need for a specific service based on an existing standard, revised standard, or new standard as developed pursuant to RSA 151-C:5 and 6.

XXXV. "Review" means the review of applications submitted in response to a request for application published by the office.

XXXVI. "Skilled nursing facility" means an institution or a distinct part of an institution which is primarily engaged in providing to injured, disabled, or sick inpatients skilled nursing care, and rehabilitative and related services.

XXXVII. "Standard" means a health policy guideline developed by the office and instituted under the provisions of RSA 541-A.

151-C:3 Ambulatory Surgical Facilities. An ambulatory surgical facility may provide beds or other accommodations for the overnight stay of up to 5 patients not to exceed 24 hours from the time of admission. Thereafter, an individual patient shall be discharged in an ambulatory condition or shall be transferred to an inpatient health care facility. The rules adopted pursuant to 1996, 299:4 regarding quality and safety standards for overnight beds in ambulatory surgical facilities shall remain in effect.

151-C:4 Prohibitions.

I. No new inpatient institutional health service shall be offered or developed within the state, nor shall any arrangement or commitment for financing the offering or developing of a new inpatient institutional health service be made, except pursuant to obtaining a certificate of review for such service.

II. No certificate of review shall be granted by the office unless a standard has been developed which delineates the need for the service and outlines the criteria which must be met by any person proposing such a service.

III.(a) No certificate of review shall be granted by the office for any nursing home, skilled nursing facility, intermediate care facility or rehabilitation facility from the effective date of chapter 310, laws of 1995, department of health and human services reorganization act, through the period ending June 30, 2003, except that a certificate of review shall be issued for replacement or renovation of existing beds as necessary to meet life safety code requirements or to remedy deficiencies noted in a licensing inspection pursuant to RSA 151 or state survey and certification process pursuant to titles XVIII and XIX of the Social Security Act.

(b) No certificate of review shall be granted by the office for any nursing home, skilled nursing facility or intermediate care facility if it will result in the total number of licensed nursing facility beds in the region exceeding 40 beds per each 1,000 persons aged 65 and older living in the region.

IV. Any applications for certificates of review for nursing homes or facilities or rehabilitation facilities pending on the effective date of this paragraph shall be suspended pending revision of such standard of need.

V. The office shall apply the revised standard of review to any suspended pending applications.

151-C:5 Standard Development.

I. Prior to development or review of any new institutional health service the office shall publish in one or more newspapers of general circulation within each county, a description of the scope of coverage of its program for development and review of standards and the review of applications responding to requests for applications (RFA's) including the activities covered in RSA 151-C:5, II and 151-C:13. Whenever the scope of such coverage is revised, the office shall publish a revised description thereof, as provided in this paragraph.

II. The office shall develop standards for new inpatient institutional health services. These include the following:

(a) The transfer of ownership, in whole or in part, of an existing health care facility, or the acquisition of all or substantially all of its assets or stock, except where the transfer of ownership would be subject to the provisions of reevaluation of assets as outlined in the Federal Deficit Reduction Act of 1984;

(b) The development and offering of new inpatient services;

(c) The increase or conversion of inpatient beds resulting in an increase of more than 10 beds or 10 percent of the total bed complement, whichever is less, during a 2-year period;

(d) A threshold amount for construction of ambulatory surgical centers within the service area of a hospital with fewer than 70 general hospital beds licensed by the department of health and human services shall be \$500,000, which threshold shall be adjusted annually using an appropriate inflation index, unless there is an objection by such hospital, in which case the application shall be subject to review regardless of value. The office shall determine by rule the service areas of such hospitals.

III. The office shall develop, pursuant to rules adopted under RSA 541-A, standards of need on health care services listed in paragraph II of this section. All persons enumerated in paragraph I of this section shall receive notice of all the standards and public hearings relative to the standards. The office shall publish notice of proposed standards in a state-wide newspaper and at least one newspaper in each county of the state. Each notice shall include dates and locations of public hearings.

151-C:6 Procedures for Existing Standards; No Standards.

I. If a standard of need, which precludes additional services, has existed for longer than 24 months, any person may request that the standard be reviewed to determine whether the standard should be continued. The 24-month requirement may be waived if it can be demonstrated that there has been a change in technology, market, or price which would warrant review of the standard. Notwithstanding RSA 541-A:4, the procedure shall be as follows:

(a) A request for a standard review shall be submitted in writing to the office.

(b) Within 30 days of the receipt of the request, the office must notify, in writing, the person making the request of the commencement of the 120-day standard review process or that the proposed project is not in accordance with RSA 151-C:5, II, and no standard review shall take place.

(c) The review of an existing standard shall take no longer than 120 days. Adoption of the standard shall be in accordance with RSA 541-A.

(d) The office shall notify persons, pursuant to RSA 151-C:5, I, of the beginning of the standard review period and the schedule for the review.

(e) If the office does not provide a standard allocating the new service or a statement on competition within the allotted 180 days, the proposed service shall not be required to obtain a certificate of review and shall not be subject to regulation under RSA 151-C.

II. In the case of a service for which there is no standard, any person may request, in writing, that the office develop a standard. Notwithstanding RSA 541-A:4, the procedure shall be as follows:

(a) A request for a standard development shall be submitted in writing to the office.

(b) Within 30 days of the receipt of the request, the office shall notify, in writing, the person making the request of the commencement of the 120-day standard development process or that the service is not in accordance with RSA 151-C:5, II, and no standard development shall take place.

(c) The development of a new standard shall take no longer than 120 days. Adoption of the standard shall be in accordance with RSA 541-A.

(d) The office shall notify persons, pursuant to RSA 151-C:5, I, of the beginning of the standard development period and the schedule for the review.

(e) The standard shall be either a standard allocating the new service by number, type, and location or a statement that the proposed new service is in the best competitive interest of health care in the state and shall not be subject to the provisions of RSA 151-C:8. The decision of the office shall be considered a final decision.

(f) If the office does not provide a standard allocating the new service or a statement on competition within the allotted 180 days, the proposed service shall not be required to obtain a certificate of review and shall not be subject to regulation under RSA 151-C.

III. In any standards for nursing facilities, the office shall provide that priority for a certificate of review for additional nursing facility beds shall be given to any facility which after January 1, 1999, has surrendered its certificate of review for the same or greater number of nursing facility beds. A facility may transfer to any other entity its priority status for a new certificate of review.

151-C:7 Criteria. Every standard developed by the office shall stipulate the criteria which must be met by any successful applicant applying to fill a need identified in the standard. At a minimum these shall include:

I. The immediate and long range financial feasibility of the proposed project, including the probable impact of costs and charges of the facility on health insurance premiums and personal health expenditures in the state or the region of the state.

II. The availability of resources for the proposed project including health and management personnel and funds, capital, and operating needs.

III. The degree to which the proposed project will be accessible to persons who are medically underserved, including, but not limited to, persons with a disability and indigent persons.

IV. In the case of existing facilities or entities with other facilities, records of the quality of care which may include records from state, federal, and private licensing and accreditation facilities. In the case of new entities, assurance of the quality of care stated in measurable terms.

151-C:8 Procedures for Certificate of Review.

I. If a standard developed through RSA 151-C:5 or 151-C:6 indicates a need for additional health services, the office shall issue a request for applications. The office shall publish, in other than the legal notices section, in a newspaper of statewide distribution and in at least one newspaper in every county, as well as notify all affected persons as defined in paragraph VI(b) of this section, a notice that the office is requesting applications for certificates of review for the specified service. At a minimum the notice shall include:

(a) A brief description of the service to be provided, including the amount, type, and location as established by the standard.

(b) The final date that applications are to be submitted which shall be no sooner than 60 days from the date of publication. An application in response to a request for application may be submitted prior to the deadline, but no review shall commence prior to the deadline.

(c) An address at which applicants may obtain copies of the application format as well as the minimum criteria and specifications which shall be the basis for judging the merits of each application.

II. The office shall be available to provide technical assistance to any applicant submitting an application in response to a request for applications.

III. All applications received in response to a single request for applications shall be reviewed simultaneously and shall be considered in relationship to each other.

IV. Every application shall contain such information as the office adopts by rule. The office shall not require any information which it has not adopted by rule. The information requirements established by the office may vary according to the purpose of the review or the type of health service being reviewed. In addition to the information required for submission to the office, any applicant may submit, and the office shall duly consider, any other information.

V.(a) The office shall examine every application for form and completeness, and the information required by RSA 151-C:7 as well as the specifications and standards outlined in the request for application. If an application is determined incomplete by the office, it shall notify the applicant by certified mail within 15 business days of receipt of the application. Such notification shall include a full explanation of the reasons for incompleteness. If no request for additional information is made by the office within the 15 business days, the application shall be considered complete.

(b) An applicant whose application is incomplete shall be allowed a maximum of 15 business days, from the date of receipt of notification of incompleteness, to provide the required additional information. The applicant shall not provide more than the required additional information. The office shall then review the additional information provided by the applicant; and, if satisfactory, the application shall be considered complete and the applicant shall be notified by certified mail. If the application is still found to be incomplete, the office shall mail the applicant a notification within 10 business days of receipt of the additional information. If no such notification is mailed to the applicant by the office within the 10 business days' period, the application shall be considered complete. Within 5 business days of the receipt of any information submitted pursuant to the second completeness notice, the office shall notify the applicant as to whether such information is satisfactory and the application shall be considered complete.

(c) Any applicant whose application is incomplete following the second completeness review under subparagraph (b) may, by certified mail, within 5 business days of receipt of the second notice of incompleteness:

(1) Provide the additional required information; or

(2) Stipulate that it wishes to have its application reviewed by the office notwithstanding its incompleteness. Any applicant whose application is incomplete and who fails to either provide the additional required information or stipulate that it wishes to have its application reviewed notwithstanding its incompleteness shall waive any right to have its application reviewed.

(d) The state agency shall review any application for which a stipulation has been filed pursuant to subparagraph (c).

(e) An applicant may withdraw an application at any time thereby terminating the review process.

VI.(a) Within 10 business days of completion of the completeness review under paragraph V of this section, the office shall mail, to any qualified applicant, a notice that formal review of the application has begun and shall publish the notice in other than the legal notice section of one or more newspapers of general circulation in the state and in one or more newspapers of general circulation in the service area of the facility to be reviewed. The office shall provide all affected persons, as defined in subparagraph (b), with written notification of the beginning of a review. The notice shall include a statement that review has begun and the proposed schedule for review by the office.

(b) For purposes of this paragraph, "affected persons" include organizations of health care providers and organizations of health care consumers, as defined by the office by rules adopted pursuant to RSA 541-A, and members of the public who are to be served by the proposed project. For purposes of this paragraph, notification of all qualified applicants in which the proposed project is to be offered or developed shall be by certified mail. Notification to all affected persons shall be by mail and notification to members of the public shall be by newspaper. Notification by newspaper shall serve as appropriate notice to all health care facilities located within the state.

(c) If an affected person fails to receive notification which was provided in accordance with this paragraph, such failure of notice shall not be grounds for reversal of a decision made by the office, defeat any jurisdiction of the office, or adversely affect the regularity of any proceedings before the office.

VII. The date on which notification is sent to qualified applicants or the date on which notification to the members of the public first appears in a newspaper published in the state, whichever occurs later, shall be the date of notification and shall be the beginning date of the review cycle of the office.

VIII. The office shall establish review schedules which provide that no review by the office shall, to the extent possible, take longer than 90 calendar days from the beginning of the review cycle to the date of a final decision of the office. In accordance with the requirements of RSA 151-C:11, the office shall adopt exception criteria for determining when it would not be practicable to complete a review within 90 calendar days. If an application clearly meets such exception criteria, the agency may provide for a single extension of the review period for a total of 30 calendar days beyond the initial 90-day period. The total review period for certificate of review shall not extend beyond 120 days from the beginning of review.

IX. Upon request, the office shall provide for access by the general public to all applications reviewed by the office and to all other written materials pertinent to office review.

X. The office shall provide in its review procedures for a public hearing. The office shall, prior to such hearing, provide notice of such hearing in accordance with the notification provisions in paragraph VI of this section. The procedures for a public hearing shall include an opportunity for any person to present testimony regarding the proposed project, the right of any persons testifying to be accompanied and advised by legal counsel, the right of any qualified applicant to cross-examine witnesses, and the establishment of a formal record of the hearing. The office shall not impose any fee for such a public hearing.

XI. During the course of review of any application for a certificate of review, the office shall take reasonable measures to prohibit and prevent all ex parte communication relating to the merits of such application.

XII.(a) After an application has been filed with the office, the applicant may file a request to amend the application only during the 45 days after the date of notification of the beginning of review. If the office grants the applicant's request, the application shall be filed 30 days after the office's approval. The office shall examine the amended application for form and completeness, for information required in RSA 151-C:7, and for conformity to all applicable standards in the request for applications. If an application is determined incomplete, the office shall notify the applicant by certified mail within 10 business days of receipt of the amended application. The applicant whose application is incomplete shall be allowed a maximum of 10 business days from the date of receipt of the office's notification of incompleteness to provide the required additional information. The amended application shall then be considered complete and processed in accordance with the provisions of paragraph VIII.

(b) When an application is filed with the office, an applicant shall be required by the office to file an amendment of the application when any supporting documentation or other material submitted to the office by the applicant indicates that:

(1) The nature, scope, or location of the project will differ substantially from those described in the application;

(2) The method of financing will differ substantially from that described in the application in that the estimated capital expenditure will exceed that proposed in the application by 15 percent plus the inflation factor, as specified in RSA 151-C:12, IV.

(3) The identity of the applicant has changed.

(4) The office may waive the requirements of subparagraph (b)(1), (2) or (3) if it is determined that the proposed amendment of the application is technical or otherwise insignificant.

(c) If an amendment is filed in accordance with subparagraph (a) or (b), the application shall return to the point in the review process defined in paragraph VI relative to the notification to the applicant that review of the application has begun.

XIII. Any action by the office or by an applicant pursuant to this section which results in a delay of the review process shall affect all applicants which filed under the same request for application and are considered by the office to be competing.

151-C:9 Decision Regarding Certificate of Review; Issuance of Certificate of Review; Reconsideration.

I. Upon completion of the review, the office shall render a decision on the applicant or applicants which filed in response to a request for application. The decision shall be in the form of an approval, denial, or an approval with conditions. An approval of a certificate of review shall be in conformance with the standard used as the basis for the request for application.

II. The office shall consider competing applicants in relationship to each other. The decision shall be based on the applicant who demonstrates superiority in cost effectiveness, quality, and affordability and who will best meet the specifications and criteria outlined in the standard.

III. If the office fails to issue a final decision within the time period specified for the review, a certificate of review shall be denied. The applicant may either request a reconsideration hearing under paragraph IV, or, within a reasonable time following the expiration of that period, petition the supreme court to require the office to render a final decision on the application.

IV.(a) Any person, for good cause shown, may request in writing a public hearing for purposes of reconsideration of a final decision of the office. The office shall adopt appropriate procedures for such a hearing. No fee may be imposed for the hearing. For purposes of this paragraph, a request for a reconsideration hearing, other than by an applicant denied a certificate of review, shall be good cause if it:

(1) Presents significant, relevant information not previously considered by the office;

(2) Demonstrates that there have been significant changes in factors or circumstances relied upon by the office in reaching its decision;

(3) Demonstrates that the office has materially failed to follow its adopted procedures in reaching its decision; or

(4) Provides such other basis for a public hearing as the office determines constitutes good cause.

(b) To be effective, a request for a reconsideration hearing shall be received by the office within 20 business days following the date of the office's decision. If granted, the hearing shall commence within 30 calendar days of receipt of the request. The applicant may waive the 30-day requirement. At least 14 calendar days prior to the reconsideration hearing, notification of the hearing shall be sent to the person requesting the hearing and to the persons proposing the new institutional health service and to others upon request. Within 25 business days after the conclusion of the hearing, the office shall make written findings which state the basis for its decision. The decision shall be considered the final decision of the office.

151-C:10 Appeals to the Supreme Court.

I. Any person submitting an application for a certificate of review, if aggrieved or dissatisfied with the decision of the office, shall have the right, upon a petition which provides a detailed statement of the grounds upon which the decision of the office is claimed to be erroneous and contrary to the facts and the law, to appeal from the decision to the supreme court pursuant to RSA 541.

II. The provisions of RSA 541 shall govern all appeals under this section.

III. The court shall affirm the decision of the office unless it finds it to be arbitrary or capricious or not made in compliance with applicable law.

151-C:11 Additional Rules.

I. The office shall adopt rules governing review of certificate of review applications consistent with and necessary to the proper administration of this chapter. All rules shall be adopted pursuant to RSA 541-A and as described in this section; except that, in the case of an irreconcilable conflict between the provisions of RSA 541-A and the provisions of this section, the provisions of this section shall control.

II. At least 45 days prior to adopting any rule, the office shall publish, in at least one newspaper of statewide circulation, a notice stating that rules for the review of certificate of review applications or any revisions thereof have been proposed for adoption and are available at specified addresses for inspection and copying by interested persons. Such notice shall appear in other than the legal notice section of such newspapers; in addition, notice may be given through other public information channels.

151-C:12 Validity of Certificates of Review; Compliance; Sanctions.

I. A certificate of review issued pursuant to this chapter shall expire upon failure to commence or complete the project authorized thereby within the time period specified in this section. The office's approval shall be terminated upon the expiration of such period, and the person proposing to offer or develop the new institutional health service shall be required to resubmit an application for certificate of review under RSA 151-C:8. In the event that only part of a project to offer or develop the new institutional health service has been commenced or completed within such period, the office's approval shall be terminated upon the expiration of such period solely with respect to the parts of the project which have not been commenced or completed. Project completion date requirements are as follows:

(a) In the case of construction projects, the following time periods apply:

(1) If the total estimated cost of the project is less than \$ 1,000,000, the project must be commenced within one year of, and completed within 3 years of, the date of issuance of a certificate of review.

(2) If the total estimated cost of the project is greater than \$1,000,000, then the project must be commenced within 18 months of, and completed within 5 years of, the date of issuance of a certificate of review.

(b) In the case of any plan for capital expenditures proposed by or on behalf of a health care facility, health maintenance organization, or health care provider under which a series of obligations for capital expenditures for discrete components of the plan is to be incurred over a period longer than one year, the office may allow up to 3 years following the date of approval for incurring such capital expenditures.

II. Pursuant to a showing of good cause by the person proposing the project, the office shall extend by 6 months the period for commencement. A maximum of 2 such extensions shall be allowed. Upon a showing of substantial, diligent progress and good cause by the person proposing the project, the office shall grant up to a maximum of 2 extensions of 6 months each for completion of the project. For purposes of this paragraph, "good cause" includes delay resulting from unpreventable or unexpected occurrences, such as emergency, strike, disaster, unforeseen shortage of materials or other reasonably unforeseeable event.

III. For the purposes of this chapter, a project shall be commenced if:

(a) The applicant has submitted to the office a certified copy of a written agreement executed between the applicant and a registered general contractor to construct and complete the project within a designated time schedule in accordance with final architectural plans and specifications; or

(b) The applicant has submitted evidence to the office that there has been construction work on the project to justify and require a progress payment by the applicant to the general contractor under the terms of the construction agreement, or, if the construction agreement does not require progress payments, then construction has progressed to the state at which an initial progress payment would otherwise be required in accordance with the usual and customary practices of the building industry.

IV. For purposes of this chapter, completion shall mean when the approved proposed project is sufficiently complete so that it becomes operational for the purpose for which the certificate of review was issued. A certificate of review shall be valid only for the designated scope of the project and for the premises and geographical area named in the application. A certificate of review granted for a project shall not be considered as an approval of that portion of the total actual cost of such a project which is in excess of the sum of: (a) the anticipated cost designated in the application; (b) an additional 15 percent of the total cost; and (c) cost increases clearly attributable to inflation.

IV-a.(a) Prior to completion of the proposed project, the office may require any applicant to file a change of scope when any documentation or other material submitted to the office indicates that:

(1) The nature, scope, or location of the project will differ substantially in the opinion of the office from those described in the application.

(2) The method of financing will differ substantially because the estimated capital expenditure will exceed that proposed in the application by 15 percent plus the inflation factor, as specified in RSA 151-C:12, IV.

(3) The identity of the applicant has changed.

(b) The office may waive the requirements of subparagraph (a)(1), (2) or (3), if it is determined that the proposed change in scope of the project is technical or otherwise insignificant.

V. All applicants receiving a certificate of review or a certificate of review with conditions shall file, at least semi-annually during the development stage and annually once the project is commenced, a report indicating that the project is in compliance with information provided in the application, and with the conditions outlined in the certificate of review. A report shall only be necessary for the first 5 years after completion of the project.

VI. Any applicant found not to be in reasonable compliance with any statement in its certificate of review application or with the conditions of the certificate of review shall be fined not more than 1/2 of one percent of the previous year's revenue minus contractual allowances or, in the case of a new facility, not more than 1/2 of one percent of the projected first year revenue minus contractual allowances.

VII. Funds collected under the provisions of this section shall be deposited in the general fund.

151-C:13 Exemptions.**I. The following are excluded from this chapter:**

(a) Private offices or private clinics of physicians, dentists, or other practitioners of the healing arts, meaning the physical places which are occupied by such providers on a regular basis in which such providers perform the range of diagnostic and treatment services usually performed by such providers on an outpatient basis.

(b) Dispensaries and first-aid stations, located within business or industrial establishments, maintained solely for the use of employees, provided that such a facility does not contain inpatient or resident beds for patients or employees who generally remain in the facility for more than 24 hours.

(c) Infirmaries owned or operated by education institutions.

(d) Institutions or homes which provide remedial care or treatment only to residents or patients who rely solely upon treatment by prayer or spiritual means in accordance with the creed or attendance of any recognized church or religious denomination.

(e) Facilities and services which are intended to serve only outpatients.

(f) Hospice houses.

(g) The increase or conversion of 9 beds or fewer or less than 10 percent of the bed complement, whichever is less.

II. Nothing in this chapter shall exempt hospice houses from the licensing standards established under RSA 151.

151-C:14 Enforcement.

I. Any person who offers or develops any new institutional health service within the meaning of this chapter without first obtaining a certificate of review as required in this chapter, or who otherwise violates any of the provisions of this chapter, shall be subject to the following sanctions:

(a) The state shall not issue a license to any health care facility or health maintenance organization to operate, offer, or develop any new institutional health service in violation of this chapter and without a certificate of review issued pursuant to this chapter. The provisions of RSA 151 notwithstanding, in the case of an increase in actual bed capacity in contravention of the requirements of this chapter, any license for such beds shall be deemed to be revoked.

(b) The state shall not furnish from any reimbursement program administered by the state, nor shall any entity chartered under the laws of New Hampshire or any person licensed and doing business in the state, provide reimbursement for any new institutional health service offered or developed in contravention of the requirements of this chapter.

(c) Any person who violates this chapter shall be fined not more than 1/2 of one percent of the total operating budget of the previous year, or, in the case of a new facility, not more than 1/2 of one percent of the projected annual operating budget for the first year of operation.

(d) In addition to all other sanctions, if any person offers or develops any new institutional health service without first having been issued a certificate of review, or violates any other provision of this chapter or any lawful rule adopted under this chapter, upon the posting of a bond or security, the office or health care facilities, health maintenance organizations, and health care providers located in the state shall have standing to maintain a civil action in the superior court of the county in which such alleged violation has occurred, or in which such person may be found, to enjoin, restrain, or prevent such violation. Upon written request by the office, it shall be the duty of the attorney general of the state to furnish such legal services as may be appropriate and to prosecute such action for injunctive relief to an appropriate conclusion.

151-C:15 Fees.

I. In addition to any other fees required of it, each acute care hospital, specialty hospital, and nursing home licensed under RSA 151 shall pay an annual administrative fee. The total amount collected shall be equal to the amount actually expended in that year for the health services planning and review component of the department of health and human services or \$500,000, whichever is less. The amount to be collected shall be prorated at the end of each fiscal year among all health care facilities licensed under RSA 151, except those operated by county and municipal governments.

II. All persons filing an application in response to a request for applications shall pay a fee of one percent of the total capital cost of the project with a minimum fee of \$1,500, and a maximum of \$12,000. This paragraph shall not apply to health care facilities operated by counties or municipalities.

III. Persons requesting a standard development or standard review as outlined in RSA 151-C:6 shall pay a fee of \$1,000 if the office determines that a standard review or a standard development process shall occur.

IV. Funds collected under this section shall be deposited in the general fund.

2 Transfer of Functions, Powers, Duties and Staff. All functions, powers, duties and staff of the health services planning and review board are hereby transferred to the office of planning and research, department of health and human services.

3 Reference Change. Amend RSA 126:25, II to read as follows:

II. In addition to the data listed in paragraph I, the commissioner of health and human services shall require all providers, including ambulatory care facilities, licensed or certified to practice in the state of New Hampshire to submit ambulatory health care data pursuant to a plan to collect such data developed by the office of planning and research, department of health and human services. This plan shall be submitted to the commissioner of health and human services by December 1, 1990.

4 Data Review; Reference Change. Amend RSA 126:26 to read as follows:

126:26 Data Review. The department of health and human services shall provide access, without restriction, to the data collected under RSA 126:25 to the ~~[health services planning and review board]~~ *office of planning and research*. The department shall prepare a report on or before November 15, 1996, and annually thereafter, to the speaker of the house of representatives and president of the senate. The report shall contain, but not be limited to, an analysis and evaluation of the data collected and recommendations for improved efficiencies and for health care cost containment. The department of health and human services is also authorized to prepare periodic reports on price and utilization of health services for the purpose of encouraging competition.

5 Reference Change. Amend RSA 153-A:2, IX to read as follows:

XI. "Facility" means a hospital as defined in RSA 151-C:2, ~~[XX]~~ XIX.

6 Reference Change. Amend RSA 161-J:2, II(d) to read as follows:

(d) A hospital as defined in RSA 151-C:2, ~~[XX]~~ XIX.

7 Reference Change. Amend RSA 195-D:3, XII to read as follows:

XII. "Nursing home," notwithstanding any other provision of law to the contrary, means any nonprofit or charitable institution or organization, public or private, which is exempt from federal taxation pursuant to section 501 of the United States Internal Revenue Code of 1986 as amended, and which is engaged in the operation of, or formed for the purpose of operating, a facility in which nursing care, sheltered care, intermediate care, life-care or continuing care, and medical services are prescribed by or performed under the general direction of persons licensed to practice medicine or surgery in New Hampshire, and in whole or in part is, or shall be upon completion, (a) licensed as a residential care facility under RSA 151:2, I(e) or (b) can be upon receipt of a certificate of ~~[need]~~ review under RSA 151-C licensed as a nursing home under the laws of New Hampshire.

8 Reference Changes. Amend RSA 281-A:2, XII-b to read as follows:

XII-b. "Health care provider" as used in this chapter includes doctors, chiropractors, rehabilitation providers, health services as defined in RSA 151-C:2, ~~[XVII]~~ XVI, health care facilities as defined in RSA 151-C:2, ~~[XV-a]~~ XIV, and health maintenance organizations as defined in RSA 151-C:2, ~~[XVI]~~ XV.

9 Reference Change. Amend RSA 318:29, XI to read as follows:

XI. "Facility" means a hospital as defined in RSA 151-C:2, ~~[XX]~~ XIX.

10 Reference Changes. Amend the introductory paragraph of RSA 326-B:17, IX(a) to read as follows:

(a) The administration of medications by any person employed or under contract to provide direct care to residents of a hospice house as defined in RSA 151-C:2, ~~[XIX-b]~~ XVIII and licensed under RSA 151 and rules adopted under that chapter as a hospice house under the supported residential care level of care by the New Hampshire department of health and human services who:

11 Reference Change. Amend RSA 508:18, II to read as follows:

II. For purposes of this section, "health care facility" means "health care facility" as defined in RSA 151-C:2, ~~[XV-a]~~ XIV.

12 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill transfers the duties of the health services planning and review board to the office of planning and research, department of health and human services. The bill increases the standard amounts for which a review is necessary.

Rep. Sokol requested that the Permanent Journal indicate Inexpedient to Legislate as the minority report.

The Speaker so ordered.

Majority amendment adopted.

Rep. Sokol spoke against.

Reps. McMahon and Price spoke in favor.

Reps. Miller spoke against and yielded to questions.

Rep. Wendelboe spoke in favor and yielded to questions.

Rep. Burling requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

Referred to Finance.

HB 149, relative to patient rights and disclosures in quality assurance programs. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**
Rep. Robert H. Rowe for the Majority of Judiciary: The purpose of this bill is to provide the patient with full information as to his or her condition and totally protects the present quality assurance program. The underlying issue brought by the original bill was that patients are not receiving information relating to the cause or contributing cause of the patient's injury or death. The committee was sympathetic with the sponsor's goals but believed that the goal of patient disclosure can be best served by amending the Patient's Bill of Rights under RSA 151:21. Vote 12-7.
Rep. Gregory M. Sorg for the Minority of Judiciary: While the minority of the committee agrees with the majority that a patient has a right to full disclosure, it also believes that the amendment to this bill adopted by the majority, which essentially replaced the original bill, was so materially different from it as to require a new public hearing to consider additional testimony that might have brought to light possible unintended consequences and give the committee an opportunity to ask questions addressing them.

Majority Amendment (0577h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to patient rights and disclosures.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Patients' Bill of Rights; Disclosures Required. Amend RSA 151:21 by inserting after paragraph XX the following new paragraph:

XXI. The patient shall be entitled to know the cause or contributing cause of a patient injury. Such information shall be disclosed promptly to the patient or the patient's representative and shall be documented on the patient's record or chart.

2 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill requires that the cause or contributing cause of patient injury shall be disclosed to the patient or the patient's representative and documented on the patient's record or chart.

Majority amendment adopted.

Majority report adopted and ordered to third reading.

HB 719-FN-A, relative to the duties, function, and operation of the Pease development authority. OUGHT TO PASS WITH AMENDMENT

Rep. William E. Leber for Public Works and Highways: This bill makes various corrections to the statute that governs the Pease Development Authority, Division of Ports and Harbors that will improve the operation of our ports and harbors. Since the reorganization of the old Port Authority into the Pease Development Authority, Division of Ports and Harbors in 2001, the PDA has experienced some areas in the statutes that need improvement to reflect the new organization and operations. Some changes include standardizing the terminology, providing for law enforcement training and responsibility for Chief and Assistant Chief Harbor Master, and provides for rulemaking authority for PDA for certain fees charged at the Ports and Harbors. This bill will have a positive effect on the efficient and improved operation of the Port and Harbors. Vote 14-2.

Amendment (0354h)

Amend RSA 12-G:2, XXII-a as inserted by section 3 of the bill by replacing it with the following:

XXII-a. "Slip" means a volume of water at least 25 feet long, 8 feet wide, and 3 feet deep as measured at normal high tide and located adjacent to a structure such as a dock, wharf, or pier to which a vessel may be secured.

Amend RSA 12-G:42, IV and V as inserted by section 10 of the bill by replacing them with the following:

IV. Be authorized and empowered to contract with and secure the services of a port terminal operating firm, subject to approval of governor and council, for the purpose of having such firm operate a part or all of the facilities of the authority, including piers, wharves, warehouses, parking and storage areas, or other facilities owned or leased by the authority acting through the division, with such operating firm having the exclusive right to operate the business of a port terminal operator and stevedore, including but not limited to the handling of cargo, the collection of fees from wharfage and dockage and other marine terminal operations, the maintenance and security of the premises, and the promotion, encouragement, and solicitation of business for such port facility or facilities. Such contract with an operating firm shall include the following provisions:

(a) Said firm shall file with the division for its approval a tariff clearly defining the terms "wharfage" and "dockage" and the charges to be made therefor;

(b) The amount of minimum payments per year satisfactory to the authority to be paid to it for the exclusive right to operate upon the marine terminal, as described in the contract, the business of a port terminal operator and stevedore;

(c) The amount retained by said firm from all fees for which it is accountable, said amount being a percentage to cover administrative costs of collection;

(d) Said firm to supply a ship's manifest for every vessel using said facilities;

(e) Said firm to provide a performance bond in an amount and form acceptable to the authority, as well as insurance in amounts acceptable to the authority for fire and extended coverage, public liability, property damage, and other risks as required by the authority, the insurance company or companies to be licensed to do business in New Hampshire and to be acceptable to the authority;

(f) Said firm to file quarterly reports with the division indicating the amount of all fees for which it is accountable to the authority, the amounts collected, and the amounts retained, with a certified audit prepared by a certified public accountant submitted annually;

(g) Such other appropriate provisions which in the opinion of the attorney general will carry out the intent of this section and best protect the interest of the authority and of the state.

V. Be authorized and empowered, in lieu of the provisions set forth in paragraph IV, to undertake the business of a port terminal operator and stevedore as to any division property, including but not limited to the handling of cargo, the setting and collection of fees from wharfage and dockage and other marine terminal operations, the maintenance and security of the premises, and the promotion, encouragement, and solicitation of business for such port facility or facilities. In undertaking the business of a port terminal operator or stevedore on any division property the authority may exercise any of the powers granted it under this chapter. Notwithstanding any other provision of this chapter, any person granted by the authority a non-exclusive lease or license relative to division property who, pursuant to such lease or license, handles or manages or in any way participates in the handling or management, including but not limited to, the loading, unloading, stockpiling, storing, or other transfer, of cargo owned,

controlled, or otherwise lawfully in the possession of or being delivered to or from any such non-exclusive lessee or licensee shall not be deemed to be operating the business of a port terminal operator and stevedore as set forth in paragraph IV.

Amend the bill by replacing section 17 with the following:

17 Pease Development Authority; Construction with Other Laws. Amend RSA 12-G:53, III - IV to read as follows:

III. Except for rules adopted pursuant to RSA 12-G:42, [VHH] *X, which shall be subject to the provisions of RSA 541-A:3 through RSA 541-A:15*, the authority shall be exempt from the provisions of RSA 541-A and may adopt rules and bylaws in accordance with its own procedures, *including, but not limited to, rules regulating the conduct of hearings*. Except for rules adopted pursuant to RSA 12-G:42, [VHH] *X*, the authority shall file in the office of legislative services a copy of all rules and bylaws adopted, amended, or repealed by the authority. All such rules and bylaws shall be filed in the office of legislative services within 7 days of such adoption, amendment, or repeal.

IV. Any rule adopted by the authority pursuant to [RSA 12-G:42, VHH or] RSA 12-G:47 shall be adopted in accordance with the provisions of RSA 541-A; *any rule adopted by the authority pursuant to RSA 12-G:42, X shall be adopted in accordance with the provisions of RSA 541-A:3 through RSA 541-A:15.*

Amend the bill by replacing all after section 18 with the following:

19 Administrative Procedure Act; Exemption of the Pease Development Authority. Amend RSA 541-A:21, I(n) to read as follows:

(n) Except for rules adopted by the *authority acting through the* division of ports and harbors *under RSA 12-G:42, X, which shall be subject to the provisions of RSA 541-A:3 through RSA 541-A:15*, RSA 12-G, relative to the Pease development authority.

20 Effective Date. This act shall take effect upon its passage.

Adopted.

Rep. Pantelakos spoke against.

Rep. Leber spoke in favor.

Rep. Pantelakos requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

 and the committee report was adopted.
 Referred to Finance.

Burling, Peter

Donovan, Thomas

Phinizy, James

Rep. McEachern declared a conflict of interest and did not participate.

HB 82, to change the name of "Boott Spur" to Mount Reagan. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Richard T. Cooney for the Majority of Resources, Recreation and Development: As introduced, this bill would change the name of Boott Spur in the White Mountains to Mount Reagan. The committee felt that it would be more appropriate to put the name of Mount Reagan on a peak that was really a mountain and not only a spur. After several suggestions, an amendment as approved which would change the name of Mt. Clay to Mt. Reagan. Mt. Clay was named after Henry Clay, 1777-1852, a Senator and Representative from Kentucky and unsuccessful presidential candidate.

This mountain is in the White Mountains and in the North Presidential Range. The committee felt it would be appropriate to rename this mountain Mt. Reagan. This initiative is part of a national effort to have something in each state named after President Reagan. In New Hampshire, it is the custom to name a mountain in the presidential range after great presidents, and the committee felt that now is the appropriate time to take this action. The amendment also reaffirms the action of the 1913 NH Legislature in changing the name of Mt. Clinton to Mt. Pierce. We agree that naming this peak after the only President from New Hampshire is more appropriate than naming it after DeWitt Clinton, a governor of New York who had a major hand in the construction of the Erie Canal. The 1913 name change was not entirely successful and now there is confusion on its name. The committee wants to eliminate that confusion. Vote 10-4.

Rep. Henry A. L. Parkhurst for the Minority of Resources, Recreation and Development: The minority feels that this bill is premature. Section 2 is proof of this. 90 years after renaming Mt. Clinton to Pierce, we're doing it again. No Public Hearing was held on the amendment to change the "mountainous elevation" from Henry Clay to Ronald Reagan.

Majority Amendment (0382h)

Amend the title of the bill by replacing it with the following:

AN ACT to change the name of "Mount Clay" to Mount Reagan.

Amend the bill by replacing all after the enacting clause with the following:

1 Mount Reagan. The mountainous elevation known as "Mount Clay" (5535') which is located in the White Mountains and is approximately one mile away from Mount Washington shall hereafter be called and known as Mount Reagan.

2 Reaffirmation. The general court hereby reaffirms the actions of the general court in 1913, 96 in renaming "Mount Clinton" as "Mount Pierce."

3 Effective Date.

I. Section 2 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the name of "Mount Clay" located in the White Mountains to Mount Reagan.

Majority amendment adopted.

Reps. Theberge and Spang spoke against and yielded to questions.

Rep. Weyler spoke in favor and yielded to questions.

Reps. Guay and McEachern spoke against.

Reps. Hughes and Richard Cooney spoke in favor.

Rep Spang requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority report was adopted.

Ordered to third reading.

HB 280-FN, relative to the poison information center. **OUGHT TO PASS WITH AMENDMENT** Rep. Edward R. Leach for Science, Technology and Energy: This bill, the result of a legislative study committee, establishes a mechanism for funding a longstanding statutory obligation of the Commissioner of Health and Human Services to develop or designate a poison information center for the state. The New Hampshire Poison Information Center, which operates 24 hours-a-day and receives over 17,000 calls a year, has been run by Dartmouth Hitchcock Medical Center for a 22 years at virtually no cost to the state. A sustainable funding mechanism is necessary to support the continuation of a center that meets national standards. The bill as amended requires that a request for proposal (RFP) process be used to select the poison information center provider, thus keeping the cost of the program as low as possible. It also requires the use of funding from grants or donations, including federal grants like the bio-terrorism funds, and establishes a minimal surcharge on telephone lines, expected to be 2 or 3 cents per month, to supplement the funds obtained from other sources to pay for the program. Under the amendment the surcharge will expire in four years. This four-year period will allow the program to continue while other sustainable funding mechanisms are investigated. The legislative fiscal committee must approve the first budget for the program, which will be established after the department of health and human services selects the provider and establishes the cost for the program. There is also oversight by the Health and Human Services and Telecommunications Oversight Committee. The committee saw this amendment as the most practical way of continuing this important poison control telephone number for the state. Vote 11-1.

Amendment (0496h)

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The purpose of this act is to provide a sustainable and fiscally responsible funding mechanism to support the continuation of a statewide program for poison information that meets certification standards developed by the American Association of Poison Control Centers. The general court recognizes that the poison information center is an important emergency medical telephone service which complements and enhances the purposes of other emergency public health and safety efforts in New Hampshire.

2 New Section; Poison Information Center Surcharge. Amend RSA 378 by inserting after section 48 the following new section:

378:49 Poison Information Center Surcharge; Fund Established.

I. The poison information center, established pursuant to RSA 126-A:49, shall be funded through a surcharge to be levied upon each residence and business telephone exchange line, including PBX trunks and Centrex lines, each individual commercial mobile radio service number, and each semi-public and public coin and public access line. No such surcharge shall be imposed upon more than 25 business telephone exchange lines, including PBX trunks and Centrex lines, or more than 25 commercial mobile radio service exchange lines per customer billing account. In the case of local exchange telephone companies, the surcharge shall be contained within tariffs or rate schedules filed with the public utilities commission and shall be billed on a monthly basis by each local exchange telephone company. In the case of an entity which provides commercial mobile radio service the surcharge shall be billed to each customer on a monthly basis and shall not be subject to any state or local tax; the surcharge shall be collected by the commercial mobile radio service provider, and shall be identified on the customer's bill. Each local exchange telephone company or entity which provides commercial mobile radio service shall remit the surcharge amounts on a monthly basis to the department of health and human services, which shall be forwarded to the state treasurer for deposit in the poison information center fund. Such fund shall be continually appropriated to the department of health and human services and shall not lapse. The moneys in the account shall not be used for any purpose other than the poison information center developed or designated pursuant to RSA 126-A:49. The public utilities commission shall establish the surcharge based on the budget that has been approved or modified, and if appropriate, new tariffs or rate schedules shall be filed with the public utilities commission reflecting the surcharge amount.

II. Imposition of the poison information center surcharge shall begin not later than 4 months from the approval of the budget, in order to provide adequate funding for the poison information center designated pursuant to RSA 126-A:49.

III. The surcharge authorized by this section shall be sufficient to cover the poison information center designated pursuant to RSA 126-A:49, net of any funds obtained from any other sources.

IV. The poison information center surcharge shall be separately identified on the telephone customer's bill.

3 New Subparagraph; State Treasurer; Poison Information Center Fund. Amend RSA 6:12, I by inserting after subparagraph (IIIIIIII) the following new subparagraph:

(mmmmmmmmmm) Moneys received under RSA 378:49, which shall be credited to the poison information center fund established in RSA 378:49.

4 Health and Human Services; Poison Information and Control. Amend RSA 125:9, IX to read as follows:

IX. Develop or designate a statewide ~~[program for]~~ poison information ~~[and treatment]~~ *center* under RSA 126-A:49 *by soliciting proposals and selecting a vendor.*

5 Health and Human Services; Poison Information and Control. RSA 126-A:49 is repealed and reenacted to read as follows:

126-A:49 Poison Information and Treatment. The commissioner shall develop or designate a statewide poison information center which meets certification standards developed by the American Association of Poison Control Centers. The poison information center so established and designated by the commissioner shall provide New Hampshire residents with information and emergency medical consultation on a daily, 24-hour basis. Funding for this program may be included in the budget for the department of health and human services, and shall be from the surcharge authorized by RSA 378:49. The commissioner shall file an annual report with the health and human services oversight committee established pursuant to RSA 126-A:13 and the chairperson of the oversight committee on telecommunications established pursuant to RSA 374:22-h as to whether the designated poison information center provides services in such manner as to ensure continued accreditation by the American Association of Poison Control Centers and on the department's efforts to identify and accept additional funds. The commissioner shall attempt to obtain and shall accept in the name of the state any and all donations, grants, or fees, both real and personal, from any governmental unit or public agency, or third-party payors, or from any institution, person, firm, or corporation given specifically for the purpose of funding this program and the commissioner shall receive, utilize, and dispose of all such donations and grants consistent with the purpose or conditions of the donation or grant. The health and human services oversight committee shall, no later than July 1, 2007, review the accreditation standards of the American Association of Poison Control Centers to determine whether it is appropriate to continue to require the poison information center to meet such standards.

6 Initial Budget for Poison Information Center. For the purposes of initiating the budget for the poison information center, the commissioner of health and human services shall submit an initial budget to the legislative fiscal committee for final approval.

7 Health and Human Services; Poison Information and Control; References to Surcharge and Accreditation Review Eliminated. RSA 126-A:49 is repealed and reenacted to read as follows:

126-A:49 Poison Information and Treatment. The commissioner shall develop or designate a statewide poison information center which meets certification standards developed by the American Association of Poison Control Centers. The poison information center so established and designated by the commissioner shall provide New Hampshire residents with information and emergency medical consultation on a daily, 24-hour basis. Funding for this program may be included in the budget for the department of health and human services. The commissioner shall file an annual report with the health and human services oversight committee established pursuant to RSA 126-A:13 and the chairperson of the oversight committee on telecommunications established pursuant to RSA 374:22-h as to whether the designated poison information center provides services in such manner as to ensure continued accreditation by the American Association of Poison Control Centers and on the department's efforts to identify and accept additional funds. The commissioner shall attempt to obtain and shall accept in the name of the state any and all donations, grants, or fees, both real and personal, from any governmental unit or public agency, or third-party payors, or from any institution, person, firm, or corporation given specifically for the purpose of funding this program and the commissioner shall receive, utilize, and dispose of all such donations and grants consistent with the purpose or conditions of the donation or grant.

8 Repeal. The following are repealed:

I. RSA 378:49, relative to the poison information center surcharge.

II. RSA 6:12, I(mmmmmmmmm), relative to the poison information center fund.

9 Effective Date.

I. Sections 7 and 8 of this act shall take effect July 1, 2007.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the poison information center surcharge as a funding mechanism to continue the statewide program for poison information and treatment which meets certification standards developed by the American Association of Poison Control Centers.

The surcharge is repealed in 2007.

Adopted.

Report adopted.

Referred to Ways and Means.

HCR 15, relative to relaxing air quality standards by the United States Environmental Protection Agency. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Lawrence J. Guay for the Majority of State-Federal Relations and Veterans Affairs: The committee is very concerned about pollution but the majority feels that this resolution will not solve the problem. United States Senator Gregg voted to delay implementation of these rules so that the National Academy of Science can investigate the potential effect of these rules on air quality and human health, taking into consideration all the problems with the war and restoration of the economy. Electric power plants are very much needed for the use of other industries in New Hampshire. HCR 15 would not help new construction of coal power or the reconstruction of existing plants. This resolution appeared before the House and Senate for several years and was voted ITL. Vote 6-5.

Rep. J. Edward Kerns for the Minority of State-Federal Relations and Veterans Affairs: This resolution opposes the relaxation of air quality standards by the EPA and supports the efforts of the Attorney's General of several northeastern states including our own, in a federal lawsuit against the EPA. The minority feels that the resolution as worded best expresses our desires and concerns in protecting the health of our citizens and the quality of our air. Compelling public testimony revealed the threat of relaxing air quality standards and illustrated the health risks such a move would have on the public. We deem these dangers significant enough to warrant a dissent.

Rep. Coughlin moved Recommit to committee and spoke in favor.

Adopted.

Recommitted to State-Federal Relations & Veterans Affairs.

HB 733-FN, relative to drivers' licenses held by national guard members. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Robert J. Letourneau for the Majority of Transportation: This bill as amended would allow New Hampshire National Guard and Reserve military members to renew their driver's licenses at half the normal cost associated with renewal, if it expires while they are on active duty. Current law already provides this for regular service members. This bill would provide parity. Currently the makeup of our national forces is 52% guard and reserves. As this trend continues, the persons responsible for the protection of our country will be our friends and neighbors we work with each day. The majority of the committee felt that in this time of national crisis and uncertainty this bill would provide a small but meaningful measure to those who faithfully serve us. Vote 10-5.

Rep. Brenda L. Ferland for the Minority of Transportation: We all are thankful for the time that the National Guard and members of the armed forces give. But to allow them and their spouses to renew their licenses at one half the cost is not necessary. Some people belong to the reserves and the guard for years and never see active duty, all the while collecting two paychecks. They can well afford to renew their licenses at the full price.

Majority Amendment (0333h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to drivers' licenses held by members of the national guard or military reserve.

Amend the bill by replacing section 1 with the following:

1 New Paragraph: License Expiration, Members of the Armed Forces, Spouses; National Guard or Military Reserve. Amend RSA 263:11 by inserting after paragraph II the following new paragraph:

III. Any person who is a member of the national guard or military reserve and who, at the time of a call to active duty of 30 days or greater duration, was a resident of this state and was a holder of a valid New Hampshire license to drive motor vehicles in this state, is entitled to renewal of such license at 1/2 cost by application to the division. The application shall be accompanied by a

letter giving date of expiration of active duty, signed by a commissioned officer. Such a person while driving a motor vehicle shall carry upon his or her person the license issued. The privilege of this section remains in effect for 90 days after the discharge or release of such a person from active duty. Nothing in this section permits a person against whom a revocation or suspension of license is in force, or a person who has been refused a license by the director, to drive a motor vehicle.

AMENDED ANALYSIS

This bill entitles a member of the national guard or military reserve called to active duty to renew a driver's license at ½ cost.

Majority amendment adopted.

Majority report adopted and ordered to third reading.

SENATE MESSAGE

REQUESTS CONCURRENCE WITH AMENDMENT

HB 517-L, relative to Keene Road and Main Street in the town of Hillsborough. (Amendment printed SJ 3/13/03)

Rep. Edwin Smith moved that the House concur and spoke in favor.

Adopted.

RESOLUTION

Rep. Giuda offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 20, 2003 at 1:00 p.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 277-FN, relative to an extended term of imprisonment for manslaughter and relative to jury findings which warrant an extended term of imprisonment.

HB 564-FN, relative to access to information in proceedings of the judicial conduct commission.

HB 745, relative to voters presenting identification to obtain a ballot.

HB 356-FN, relative to including medical benefits costs in the purchase of creditable service in the retirement system.

HB 61, relative to the taking of migratory game birds in the Connecticut River zone.

HB 149, relative to patient rights and disclosures.

HB 82, to change the name of "Mount Clay" to Mount Reagan.

HB 733-FN, relative to drivers' licenses held by members of the national guard or military reserve.

UNANIMOUS CONSENT

Reps. Robert J. Laflam and Burling addressed the House.

REMARKS

Rep. Giuda requested that the remarks of Rep. Robert Laflam be printed in the Permanent Journal. Without objection, the Speaker so ordered.

Rep. Robert Laflam: Thank you, Mr. Speaker. About 54 years ago, in Belmont, a mill town not too far from here, the high school graduated twelve: 5 boys, 7 girls. One of those boys, or a young man, 17 years old, who had never ridden a train, never flown on an airplane, went off to a little school on the Hudson River named West Point. He was the first young man from Belmont to go from town. He went on to serve about 31 years in the Army, as a brand new second lieutenant in Germany with a bunch of fine troops all the way to become the Director of Force Modernization for Communications and Electronics in his last six years.

During those years, I developed a tremendous bond for our soldiers. They are special. I think about them every day. I'm listening on the radio this morning to interviews from Kuwait. Having served in the middle East and in Iran for two years, I know it's crunch time. The good weather is about to end, the sand storms have picked up and that is followed by oppressive heat. It's tough to fight and to exist in those kind of conditions. Some of those men and women have been over there for six

months, waiting. They're antsy, they're worried, they're concerned. They hear a lot of bad news on the radio about demonstrations and about stonewalling at the United Nations. I heard one PFC this morning ask a news reporter, "I wonder if the people back home still support us?" Well, I think we ought to send a message of support and love to those guys and gals. Thank you.

RECESS MOTION

Rep. Giuda moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 3:50 p.m.

RECESS

(Rep. Francoeur in the Chair)

RESOLUTION

Rep. Movsesian offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 68, 76, 77, 82, 121, 123, 135, 147, 164, 171 and 188, Senate Joint Resolution numbered 1 and Senate Concurrent Resolution numbered 2, shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 68, authorizing electronic certification of educational credentials. (Education)

SB 76, relative to the process for nonrenewal of teacher contracts. (Education)

SB 77, relative to bond votes in school districts with official ballot voting procedures, and relative to adoption of revisions and the budget process in city charters. (Municipal and County Government)

SB 82-FN, relative to awards of fees and interest under workers' compensation. (Labor, Industrial and Rehabilitative Services)

SB 121-FN, relative to mortgage originator registration. (Commerce)

SB 123, establishing a commission to study structures for increased voter education and improved enforcement of campaign practices laws. (Election Law)

SB 135, relative to hotel keeper liability for personal care services. (Commerce)

SB 147, establishing a committee to study alternative strategies to relieve the property tax burden on private educational institutions and to encourage scholarships to New Hampshire students. (Ways and Means)

SB 164, relative to the unauthorized use of a financial institution's name. (Commerce)

SB 171, regulating non-agricultural activities which may cause the introduction and spread of infectious wildlife diseases. (Fish and Game)

SB 188-L, establishing a commission to study improving the enforcement of traffic laws in high traffic areas. (Transportation)

SJR 1, approving certain uses of Weeks state park. (Resources, Recreation and Development)

SCR 2, urging the United States Congress to act to rectify the science, research funding, and restrictions governing the Northeast multispecies fishing industry and its impact on New Hampshire fishermen. (State-Federal Relations and Veterans Affairs)

SENATE MESSAGE

CONCURRENCE

HB 171, establishing a commission to assess the operating efficiency of state government.

RECESS

(Rep. Bruno in the Chair)

RESOLUTION

Rep. Babson offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 36, 40, 47, 59, 74, 98, 113, 139, 143, 146, 152, 155, 157, 162, 165, 173, 176, 198, 206, 210, 219, and 223 shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS**First, second reading and referral**

SB 36-FN, relative to protective custody of a person impaired by drugs and establishing a committee to study the issue of the applicability of the administrative license suspension laws to driving while under the influence of controlled drugs and ways to address the speed with which such cases are adjudicated in the district court. (Criminal Justice and Public Safety)

SB 40, relative to filing of complaints for violation-level offenses and making the electronic submission of a false statement chargeable as unsworn falsification. (Criminal Justice and Public Safety)

SB 47-FN, relative to refunds for tolls paid on account of shrinkage or loss by evaporation of motor fuel. (Public Works and Highways)

SB 59-FN, relative to administrative license suspension hearings. (Criminal Justice and Public Safety)

SB 74-FN-A-L, increasing certain motor vehicle registration fees and appropriating the funds for local government records management programs. (Municipal and County Government)

SB 98-FN, prohibiting telemarketers from contacting customers on a federal do-not-call registry. (Commerce)

SB 113, changing the name of Plymouth state college to Plymouth state university. (Executive Department and Administration)

SB 139, relative to exhibition fees charged by the boxing and wrestling commission. (Ways and Means)

SB 143, establishing a commission to study and review the regulation of the building trades. (Executive Department and Administration)

SB 146, relative to eligible costs for training grants in the job training program for economic growth. (Labor, Industrial and Rehabilitative Services)

SB 152, relative to health insurance coverage for prosthetic devices. (Commerce)

SB 155, establishing a commission to study issues relative to water withdrawals. (Resources, Recreation and Development)

SB 157, establishing a committee to study the vesting of development rights. (Municipal and County Government)

SB 162, establishing a committee to study water resources. (Resources, Recreation and Development)

SB 165, relative to the voluntary dissolution of nondepository trust companies. (Commerce)

SB 173, relative to certain historical and recreational facilities. (Public Works and Highways)

SB 176, relative to standards for plats recorded in the registry of deeds. (Municipal and County Government)

SB 198, relative to a certain highway sign in Concord. (Public Works and Highways)

SB 206-FN, relative to the registration of OHRVs used as grooming equipment for cross country ski trails. (Resources, Recreation and Development)

SB 210, relative to the administrative procedures of the real estate commission. (Executive Department and Administration)

SB 219, relative to superior court notice to health care regulatory boards of felony convictions of health care providers. (Judiciary)

SB 223-FN-A, relative to fees for copies of motor vehicle records and relative to the fire standards and training and emergency medical services fund. (Ways and Means)

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 171.
Rep. Densmore, Sen. D'Allesandro for the Committee

RECESS**(Speaker Chandler in the Chair)**

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 11

Thursday, March 20, 2003

The House assembled at 10:00, the hour to which it stood adjourned, and was called to order by the Speaker.

His Excellency, Governor Craig Benson, joined the Speaker on the rostrum for the day's opening ceremonies.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

O Lord, the creator and protector of all, You see us living in dangerous times and in a world broken by human sin and division. As our nation takes up arms in its defense, may our motives be guided by a deep desire for peace among all people and not for our interests only. We ask that Your protective hand be especially upon all children and all the weak and the innocent who suffer most in times of conflict and war. We also lift up to You our President, George W. Bush, as he bears the weight of authority in directing this nation and our people.

Bless this honorable House today and make worthy of the sacrifice of many the work that is done here on behalf of all citizens in our beloved New Hampshire.

As always, may Your protective blessing be with those who serve in the armed forces, police and fire service, and their loved ones, who stand in harm's way today in the defense of our country and our communities. Bring peace quickly, O Lord. Amen.

Rep. Harry C. Merrow led the Pledge of Allegiance.

The National Anthem was sung by Rosalie Garlow, a student from Hopkinton High School.

"God Bless America" was sung by all assembled, led by Reps. Gorman and John Manning.

LEAVES OF ABSENCE

Reps. Julie Brown, Flanagan, Gargas, Hunter, Charles Laflamme, Rice, Seldin and Weare, the day, illness.

Reps. Timothy Allen, Carolyn Brown, Corbin, Furman, Jeffrey Gilbert, Hollinger, Jean, Robert L'Heureux, Maxfield, Moran, Musler, Rausch and Russell, the day, important business.

Reps. Langer, Movsesian, Olimpio and Pelletier, the day, illness in the family.

INTRODUCTION OF GUESTS

Randy Rouse and Jeffrey Duclair, Pages for the day's session. Elianna Kan and Elizabeth Smith, guests of Rep. Hammond. Susan and Arthur Garlow, parents of Rosalie Garlow, guests of Speaker Chandler. Albert and Julia Balboni, parents of Rep. Balboni. Armand and Jan Bolduc, Earl and Maryann Bethune, guests of Rep. Holbrook.

SPECIAL GUESTS

United States Army Major Donald Bolduc, Military Aide to the Secretary of the Army and former Commander of Special Forces protecting Afghan President Hamid Karzai and the Honorable Grif-fin Dalianis, Civilian Aide to the Secretary of the Army, guests of the House.

COMMUNICATION

March 19, 2003

Karen O. Wadsworth, Clerk of the House

Please be advised that the following representative-elect was sworn into office by the Governor and Executive Council on this day:

Hillsborough County District No. 50

Thomas Katsiantonis, d, Manchester (156 Boynton Street) 03102

William M. Gardner, Secretary of State

SUSPENSION OF RULES

Without objection, the Speaker announced that the Rules of the House were suspended to allow for an introduction of a Resolution.

RESOLUTION

Its introduction having been approved by the House, Representatives Hess and Burling offer the following:

Resolved, that according to the list in the possession of the Clerk, House Resolution 11, supporting the men and women of the armed forces, and sponsored by Representatives Chandler, Boyce, Hess and Burling, shall be by this resolution read a first and second time.

Adopted.

INTRODUCTION OF HOUSE RESOLUTION 11**First, second reading**

HR 11, supporting the men and women of the armed forces. (Chandler, Carr 04; Boyce, Belk 31; Hess, Merr 37; Burling, Sull 19)

HOUSE RESOLUTION 11

supporting the men and women of the armed forces.

WHEREAS, the President of the United States has ordered military action against the government of Iraq, in an effort to address the threat that the government of Iraq poses to the peace and stability of Iraq, the region, and the world; and

WHEREAS, hundreds of New Hampshire men and women in the armed forces, reserves, and national guard have been or will be called to active duty, and deployed to the Middle East region and other parts of the world; and

WHEREAS, these men and women have joined other members of the United States armed forces, and members of the multinational forces assembled against this threat; and

WHEREAS, the families of these men and women play an important role in providing support to them; now, therefore, be it

RESOLVED by the House of Representatives:

That the New Hampshire house strongly supports the men and women of our armed forces who are carrying out their missions with professional excellence, dedicated patriotism and exemplary bravery; and

That the New Hampshire house commends the families of these men and women for their strength and service to our country during this time of conflict; and

That the members of the New Hampshire house wish every success for the men and women of our armed forces, and hope for their speedy return to their families and country.

Adopted by a unanimous rising vote.

COMMITTEE REPORTS**CONSENT CALENDAR**

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 386, establishing a committee to study individual development accounts, removed by Rep. Peter Sullivan.

HB 614-FN-L, requiring the state to pay the total expense of fighting forest and brush fires on any state owned park or forest land, removed by Rep. Rush.

Consent Calendar adopted.

HB 303, relative to life, accident, and health technicals. **OUGHT TO PASS WITH AMENDMENT** Rep. Leo W. Fraser, Jr. for Commerce: This proposed legislation, as amended, was introduced at the request of the New Hampshire Insurance Department. The bill makes technical changes in the laws relative to health insurance. First, it clarifies the definition of "covered lives". Second, in the individual health insurance definition it defines "group excess loss insurance". Third, this section just now makes reference to RSA 420-B as the correct section so far as coverage for mental or nervous conditions. The last change amends the effective date from 60 days after passage to January 1, 2004. Section 4,5 and 6 were deleted as not necessary at this time. Vote 13-0.

Amendment (0471h)

Amend the bill by replacing all after section 4 with the following:

5 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill makes certain technical corrections in the laws relating to life, accident, and health insurance.

HB 448, implementing a reasonableness standard for individualized education plans. **INEXPEDIENT TO LEGISLATE**

Rep. Bruce L. Dearborn for Education: The committee did not feel this bill would enhance enforcement of the Individual Education Plan (IEP) process required by the Individuals with Disabilities Education Act. The bill would also add additional paper work to an already paper work intensive program, without meeting the desired outcome. Vote 17-0.

HB 528, establishing a commission to study computer standards used in public schools in New Hampshire. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sharon M. Carson for Education: This bill seeks to establish a commission to study computer standards currently in use in New Hampshire public schools. In today's rapidly changing technology based society, we need to make sure that our schools keep pace with these changes. According to the testimony presented to the committee, the Department of Education has not changed the existing minimum standards for over ten years. The Department of Education was a partner in the creation of this Information Technology program and this program is currently in place in a number of High Schools across the State with positive results. The commission created by this bill will also assess this Information Technology program to see if it meets the required technology standards under "The No Child Left Behind" statute and accept grants, both federal and private, along with donations. Vote 16-1.

Amendment (0485h)

Amend the bill by replacing section 3 with the following:

3 Duties. The commission shall study computer standards used in public schools in New Hampshire. The commission shall:

I. Evaluate the New Hampshire Information Technology Pathway program and determine if it would be appropriate to adopt such program in the public schools.

II. Determine if the New Hampshire Information Technology Pathway program meets the requirements of the No Child Left Behind Act of 2001.

III. Study increasing the number of credit hours required for computer education at the elementary and secondary school levels.

IV. Apply for, receive, and expend any available federal, state, or private funds.

V. Accept donations, gifts, equipment, or other items which may assist the commission in the completion of its charge.

HB 81-FN-A, setting the rate for the medicaid enhancement tax for the biennium ending June 30, 2005. **OUGHT TO PASS**

Rep. Marjorie K. Smith for Finance: This bill came to the Finance Committee from Ways and Means. As stated in their report, every two years the legislature sets the rate of this tax at the maximum rate allowed by federal Medicaid regulations. This tax should result in revenue to the state of at least \$180 million for the biennium. Vote 22-0.

HB 213, relative to reporting requirements for dedicated funds. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert L. Wheeler for Finance: The committee agreed that transfers in and out of dedicated funds should be included as reportable actions in dedicated accounts. Vote 22-0.

Amendment (0055h)

Amend the bill by replacing section 1 with the following:

1 State Treasurer and State Accounts; Reporting Requirements for Dedicated Funds; Disclosure of Transfers. Amend RSA 6:12-e, I(b) to read as follows:

(b) The amount of revenue deposited into the fund, account, or trust, and the amount expended from, *transferred into, and transferred out of* said fund, account, or trust during the prior 2 fiscal years.

AMENDED ANALYSIS

This bill requires dedicated fund reports to include the amount of revenue transferred into or out of the fund, account, or trust during the prior 2 fiscal years.

HB 575-FN, relative to students at state colleges and universities who are registered to vote in New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth L. Weyler for Finance: The sponsors of this bill believe that our public colleges are encouraging their out of state student population to vote in our local elections. The bill would have been costly to the public colleges by having such voting entitle an out of state student to establish New Hampshire residence, thus in-state tuition rates. After hearing testimony the committee was convinced that there was a problem, but were not convinced that all the culpability lay with the schools. The solution to the problem involved amending HB 575 to tighten up voter identification. Once the committee took that road it led to the province of the Election Law committee, which is already working to accomplish that same purpose with HB 627. The committee felt we could vote HB 575 inexpedient to legislate while allowing HB 627 to accomplish the goal of the sponsors. Vote 21-0.

HB 597-FN-A, appropriating funds to the barn preservation fund matching grants program. **INEXPEDIENT TO LEGISLATE**

Rep. Robert L. Wheeler for Finance: The committee felt that the barn preservation program was quite worthy and the leveraging of funds was appreciated, however, since the program was in the previous year's budget this legislative special is not needed. This issue will be addressed in the regular budget process. Vote 20-3.

HB 642-FN, relative to police patrolling of the Pleasant Street campus access path in the town of Plymouth. **INEXPEDIENT TO LEGISLATE**

Rep. Frederick W. King for Finance: The prime sponsor of this bill requested that it be found inexpedient to legislate. There is other legislation being offered which deals with the same subject matter. Vote 22-0.

HB 757, relative to health care fund grant awards. **INEXPEDIENT TO LEGISLATE**

Rep. Edward D. Densmore for Finance: This bill would expand the review of grant awards from the Health Care Fund. The committee felt that the process of review currently in place provides ample oversight and is not in need of change. Vote 20-1.

HB 606, establishing a right-to-know study commission. **OUGHT TO PASS**

Rep. James E. Wheeler for Judiciary: The proliferation of technology in local government has called into question what records fall under the right-to-know law. The use of e-mails and conference calls and the accessibility of information on everyone's computer would indicate a need for this study. There was a study committee in a recent session that could not resolve the questions, so some of the members of the study committee have asked for this study commission to really dig into this issue and make some serious recommendations. The committee felt that this was a very important issue and that this bill ought to pass. Vote 11-0.

HB 764, relative to the state of New Hampshire conforming to public laws enacted by the United States Congress. **INEXPEDIENT TO LEGISLATE**

Rep. Peter H Burling for Legislative Administration: The committee listened to the evidence, studied the bill, but could not find a compelling reason to pass this statute at this time. Vote 14-0.

HB 792, establishing a legislative internship pilot program in the house of representatives. **INEXPEDIENT TO LEGISLATE**

Rep. Karen K. Hutchinson for Legislative Administration: The House already utilizes the assistance of interns from time to time. Since there is nothing to prevent this practice from continuing, the committee believes this bill to be unnecessary. Vote 14-0.

HB 531, relative to off-site improvements imposed on applicants to a planning board. **OUGHT TO PASS**

Rep. Peter B. Schmidt for Municipal and County Government: This bill provides that a planning board shall, in the course of site plan or subdivision review, have authority to require that a developer be responsible for the payment of the cost of any on-site improvements as well as the developer's proportional share of off-site improvements which are necessitated by the development. Such authority shall not be affected by the adoption of or failure to adopt an impact fee ordinance. This authority, long exercised by past planning boards, was lost as a result of *Simonson v. Derry*. In that case, the Supreme Court held that, in the absence of an impact fee ordinance, a planning

board could not impose fair and proportional fees for off-site improvements on a developer whose proposal necessitated the improvements. The committee felt that restoring it via this bill was in the best interest of good planning and fair and reasonable cost allocation. Vote 13-0.

HB 616-FN-L, relative to the Hampton real estate trust fund. **OUGHT TO PASS WITH AMENDMENT**

Rep. James E. Twombly for Municipal and County Government: In 1975, the general court was requested to create the Hampton Real Estate Trust Fund. At the local level, the town then voted to only use the interest on the fund for reducing the tax rate. Now that the trust fund has an approximate 13 million dollar balance, the Hampton Selectmen requested their representatives to introduce a bill that would allow a change in the intent of the Trust fund and to permit the Town of Hampton to borrow from its own real estate trust for capital improvement projects. Hampton is in an enviable position in that few if any towns/municipalities have the luxury of being able to lend money to themselves. The bill, as amended, requires that the principal of the fund remain intact and that the amortization schedule on any loan not exceed 15 years. Other management restrictions may be found in the amendment. Vote 13-0.

Amendment (0626h)

Amend the bill by replacing section 1 with the following:

1 Hampton Real Estate Trust Fund; Principal and Interest. Amend 1975, 314:1 as amended by 1983, 3:1 to read as follows:

314:1 Authorization for Real Estate Trust Fund. The town of Hampton may, at any regular or special meeting, provide that the proceeds of sales of land or interests in lands, other than land or interests in land acquired by taking for non payment of taxes or land under the administration of the town's conservation commission, shall be paid over to the town's trustees of trust funds, to be invested and reinvested by them. The trustees are authorized to obtain the services of a bank or professional management company. ~~[The income from the fund shall be paid annually or more often into the town's general fund.]~~ The principal of the fund shall remain intact. *The principal of the trust fund may be used to finance capital improvements of the town when authorized in accordance with the procedures under RSA 33:8. The amount of money borrowed shall be paid back to the real estate fund plus interest. The rate of interest shall be the prevailing bank rate charged to municipalities as determined by the trustees of the fund. The amortization schedule on any loan shall not exceed 15 years. The total of all loans shall not exceed 75 percent of the fund's value. Income from the trust may be retained in the trust fund in anticipation of future projects or it may be paid into the town's general fund as determined by the town's legislative body.*

HB 442, relative to emission control equipment. **INEXPEDIENT TO LEGISLATE**

Rep. Roy D. Maxfield for Science, Technology and Energy: The sponsor of this bill was seeking to exempt certain vintage motor vehicles from emission control compliance requirements. Most of the committee feels that the New Hampshire Department of Safety is best qualified to regulate testing parameters. The Department of Motor Vehicles reviews and adjusts year of manufacture dates for emission testing periodically. Vote 12-4.

HB 226, relative to a state policy on gambling. **INEXPEDIENT TO LEGISLATE**

Rep. Christopher C. Pappas for Ways and Means: The committee attempted to accommodate the sponsor who wished to amend this bill. However, after repeated attempts failed to produce the amendment, or more information from the sponsor, the committee unanimously voted Inexpedient to Legislate. Vote 16-0.

HB 368, making technical corrections to the statutory list of dedicated funds. **OUGHT TO PASS WITH AMENDMENT**

Rep. John M. Gibson for Ways and Means: This bill makes technical corrections to the list of dedicated funds that are now subject to reporting requirements through the State Treasurer to the relevant policy committee of the legislature. The committee supports continued interest in the issue of disclosure and oversight of dedicated funds. Vote 16-0.

Amendment (0441h)

Amend RSA 6:12, I(b)(18) as inserted by section 1 of the bill by replacing it with the following:

~~[(t)]~~ (18) Money received under RSA ~~[341-A:18]~~ 434:36, which shall be credited to the apple marketing account.

Amend RSA 6:12, I(b) as inserted by section I of the bill by inserting after subparagraph (210) the following new subparagraphs:

(211) Moneys deposited in the lab certification fund under RSA 485:46.

(212) Moneys deposited in the drug free school zone signs fund under RSA 193-B:7.

(213) Moneys deposited in the education credentialing fund under RSA 186:11, X.

(214) Moneys deposited in the trapping education funds under RSA 207:17, II and RSA 210:25.

(215) Moneys deposited in the department of fish and game's stamp and permit fund under RSA 214:9-e, IV.

(216) Moneys deposited in the restitution for illegal taking fund under RSA 207:55, III.

(217) Moneys deposited in the radiation user and laboratory fees fund under RSA 125-F:8-b.

(218) Moneys deposited in the New Hampshire emergency response and recovery fund under RSA 21-P:46.

(219) Moneys deposited in the national guard's chargeable transient quarters (QTC) and billeting fund and the army national guard state training center program management fund under RSA 110-B:32-a.

(220) Moneys deposited in the Connecticut Lakes headwaters tract monitoring endowment fund under RSA 216:7.

(221) Moneys deposited in the Connecticut Lakes headwaters natural stewardship endowment account under RSA 216:9.

(222) Moneys deposited in the Connecticut Lakes headwaters tract road maintenance endowment fund under RSA 216:10.

(223) Moneys deposited in the department of cultural resources donations fund under RSA 21-K:4-a.

AMENDED ANALYSIS

This bill:

I. Renumbers the list of dedicated funds in RSA 6:12.

II. Adds references to existing dedicated funds that were previously omitted from RSA 6:12.

III. Removes statutory references to the inventor's assistance program fund, the New Hampshire heritage trust fund, and the disabled person's employment fund.

HB 589-FN-A-L, establishing a tax on purchases of bulk paper stock and establishing a bulk newsprint recycling fund. **INEXPEDIENT TO LEGISLATE**

Rep. Kurt J. Roessner for Ways and Means: Revenues from the tax are estimated to be \$600,000 in FY 2004 and \$1.2 million in FY 2005 which would be used to create a dedicated fund to be distributed to towns who currently have newsprint recycling programs. The committee agreed with the three newspaper publishers who testified that the tax would place a competitive hardship on their medium. The Dept. of Environmental Services representative also raised other concerns with the bill. Vote 13-0.

HB 644-FN-A, relative to selling advertising space on state paychecks, vendor checks, and websites. **INEXPEDIENT TO LEGISLATE**

Rep. Lee M. Hammond for Ways and Means: While the committee appreciated the sponsor's creativity, it believes that this bill would generate very little revenue and the advertising contemplated by it had the potential to offend State employees, vendors, and visitors to the State's web site. Vote 13-0.

HB 752, relative to the distribution of business tax revenues to the education trust fund. **OUGHT TO PASS**

Rep. Susan W. Almy for Ways and Means: This bill establishes that a flat 33% of both business taxes go into the Education Trust Fund (ETF). The existing distribution mechanism between this and the General Fund is unworkable. 33% represents the proportion of the 2 taxes going into the ETF in FY'02. If economic conditions change at a future time and this formula delivers too much or too little money to the ETF relative to the original formula, it can be adjusted legislatively. Vote 16-0.

HB 770-FN-A, establishing a credit against the business enterprise tax for compensation paid to disabled employees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel M. Hughes for Ways and Means: This bill sought to establish a credit against the Business Enterprise Tax of 25% of compensation paid by employers to employees with physical and/or mental disabilities. The committee felt that this bill has noble intentions but that it raised more questions than answers. Since there was no fiscal note, and the issues raised during the committee discussion were complex, the committee concluded that the bill's concept required an in-depth study. Accordingly, the committee adopted an amendment that establishes a committee to study using tax policy to create incentives to encourage employers to hire disabled individuals. Vote 15-0.

Amendment (0617h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study using tax policy to create incentives to encourage employers to hire disabled persons.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study using tax policy to create incentives to encourage employers to hire disabled persons.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house.

(b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study using tax policy to create incentives to encourage employers to hire disabled persons. The committee shall examine tax incentive programs of other jurisdictions which are designed to encourage hiring of disabled persons.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2003.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This act establishes a committee to study using tax policy to create incentives to encourage employers to hire disabled persons.

HB 813-FN-A, establishing a deduction from the business profits tax for investments made in New Hampshire companies. **INEXPEDIENT TO LEGISLATE**

Rep. Jeffrey D. Gilbert for Ways and Means: At the time of this bill's public hearing, its sponsor proposed that the bill be replaced by a different concept that would have required the New Hampshire Retirement System to invest \$25 million in New Hampshire based venture capital firms. The committee believed unanimously that the amendment was non-germane. The bill's first proposal of using tax credits to stimulate investment in New Hampshire companies was one of 3 bills (HB 814 and HB 830) from the same sponsor on the subject of enacting tax credits to promote economic development. The Committee has unanimously voted to retain the sponsor's primary bill on this subject, HB 830, for further study. The committee will include in its study the original concepts of this bill. Vote 17-0.

HB 814-FN-A, establishing a credit against the business profits tax for certain insurance, financial services, and health care business organizations. **INEXPEDIENT TO LEGISLATE**

Rep. Jeffrey D. Gilbert for Ways and Means: The committee felt the concept of granting credits against the business profits tax for certain services and business organizations was worth studying. It has agreed to retain a companion bill, HB 830, for further study and to include in the study the concept of targeting business tax credits for certain industries. Vote 17-0.

REGULAR CALENDAR

CACR 1, relating to the support of religious schools. Providing that the language in article 6 of the first part of the New Hampshire constitution, which states that "But no person shall ever be

compelled to pay towards the support of the schools of any sect or denomination." shall be deleted from the article and the language in article 83 of the second part of the New Hampshire constitution which states that "": *Provided, nevertheless*, that no money raised by taxation shall ever be granted or applied for the use of the schools or institutions of any religious sect or denomination" shall be deleted from the article. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. J.D. Colcord for the Majority of Education: The committee has heard testimony on four CACR's. It is the committee's belief that all of the proposed CACR's have some good points. In view of this, the committee retained for further consideration CACR 2 and CACR 13 and will include in our deliberations salient aspects of this CACR. Vote 14-3.

Rep. Paul Ingbreton for the Minority of Education: The minority felt that as long as these provisions stand, competition, which is the key to revitalizing education, may never become a reality for the state of New Hampshire.

Majority report adopted.

HB 427, making the position of "treasurer" optional for school districts. INEXPEDIENT TO LEGISLATE

Rep. Claire D. Clarke for Education: The majority of the committee felt that the intent of this bill was laudable. However, it was more of a local problem and not prevalent in multiple districts. Vote 11-6.

Rep. Robertson spoke against.

Rep. Stephen L'Heureux spoke in favor.

Adopted.

HB 592-FN, relative to funding the compensation and benefits of teachers. INEXPEDIENT TO LEGISLATE

Rep. Nancy Scovner for Education: This bill was designed to separate teacher salaries from total school expenses, so they wouldn't be paid from state aid, but paid locally. The committee felt that teachers pay was an integral part of the expense for education and should not be separated. Vote 15-1.

Rep. Cady requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.

CACR 7, relating to state representative and state senate districts. Providing that there shall be 36 senate districts and 4 house districts within each senate district. **INEXPEDIENT TO LEGISLATE** Rep. Mark S. Derby for Election Law: This CACR would have reduced the size of the House to 144 and increased the size of the Senate to 36, with 4 House districts within each Senate district.

While the majority agrees with the sponsor's rationale for enlarging the Senate, it believes that such an initiative should originate in the Senate. As to reducing the size of the House, the majority believes that a smaller House would weaken the citizen-nature of our House of Representatives. While the majority is mindful that the many large House districts have created a number of challenges, the solution is not to reduce the total number of members in the House. Vote 12-4.

Reps. Diamond and John Pratt spoke against.

Rep. Derby spoke in favor and yielded to questions.

Rep. Dickinson spoke in favor.

Adopted.

HB 394, relative to incompatible offices. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Mark S. Derby for the Majority of Election Law: This legislation would add United States senator, United States representative, county sheriff, county attorney, county treasurer, register of deeds and register of probate to the list of incompatible offices for which a candidate may not seek more than one nomination. As it now stands, RSA 655:10, I covers governor, state representative, state senator and executive councilor. It also presently prohibits a candidate from running for state representative and county commissioner. This legislation would not require a sitting elected official to resign his or her seat in order to run for an incompatible office, but it would prevent that official from simultaneously seeking election to an incompatible office and re-election to the official's present office. Vote 13-4.

Rep. Charles F. Weed for the Minority of Election Law: The minority feels it is not appropriate to pass a bill for the benefit of one office holder.

Majority Amendment (0575h)

Amend RSA 655:10, I as inserted by section 1 of the bill by replacing it with the following:

I. No person shall file declaration of candidacy or primary petitions for nomination at the primary for incompatible offices. For the purposes of this section, incompatible offices shall include the offices of governor, United States senator, United States representative, representative to the general court, state senator, [and] councilor, county sheriff, county attorney, county treasurer, register of deeds, and register of probate. If any person shall file for [such] incompatible offices, the secretary of state shall advise the person of the provisions hereof and said person shall then advise the secretary of state which of said offices he or she wishes to retain in order to seek said nomination. If a filing fee has been paid for a declaration of candidacy which [he] the person declines, the fee shall be returned to [him] the person. No person shall seek or hold the position as a member of the general court and county commissioner at the same time. [No person shall hold 2 of the offices mentioned in RSA 655:9 at the same time, and the acceptance of one of them shall be a resignation of the others.]

Majority amendment adopted.

Majority report adopted and ordered to third reading.

HB 395, relative to proof of qualifications for voter registration. MAJORITY: OUGHT TO PASS. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Mark S. Derby for the Majority of Election Law: This legislation would amend RSA 654:7-a, II to require that first time voter registrants produce appropriate proof of qualification to vote and sign an affidavit that he or she is a qualified voter and has not voted and will not vote elsewhere in the election at which the registrant seeks to register. Appropriate proof of qualification to vote includes proof of United States citizenship and any other reasonable documentation which indicates the applicant is a United States Citizen, as defined in RSA 654:12(a), as well as proof of domicile as defined in RSA 654:12(c). The majority believes that this legislation will deter and reduce voter fraud and enhance the integrity of the electoral process. Vote 10-6.

Rep. David E. Cote for the Minority of Election Law: The minority is of the opinion that this bill is unnecessary since first time voters already have the option of signing an affidavit under penalty of perjury. We believe that the provisions of this bill may be applied in a discriminatory fashion, will unnecessarily discourage voter registration, and unnecessarily increase waiting lines at the polls. There was no showing of voter fraud presented to the committee. Therefore, there is no need to make the current permissive law mandatory.

Rep. Stritch spoke against and moved Recommit to committee.

Adopted.

Recommitted to Election Law.

HB 693-FN, relative to the jurisdiction and constitution of the ballot law commission. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Howard C. Dickinson for the Majority of Election Law: This bill is an important part of the ongoing authority the legislature has over the manner and conduct of elections. The legislature created the Ballot Law Commission to make sure that elections were carried out according to the law and to resolve certain election disputes. Since its creation, the law has been updated many times, in the 1940's, 1970's and in the early 1990's. This bill further updates the Ballot Law commission statutes by clarifying the scope and extent of the Commission's authority and by making various changes, which will allow the Commission to better fulfill its intended function. The number of commissioners is increased from 3 to 5 and the appointment process is changed so that the speaker, president of the senate, and governor appoint the members. The Supreme Court would no longer have an appointment. The jurisdiction provisions are tightened up so that the law states exactly the type of election disputes the commission may consider and more clearly specifies which decisions may be appealed to the Supreme Court. The bill also makes it clear that the commission does not have the authority to order second recounts. This bill ensures that the legislatively created Ballot Law Commission functions as the legislature intended it should. Vote 10-6.

Rep. Raymond Buckley for the Minority of Election Law: This bill is an astonishing example of the abuse of power that one party rule manifests. It destroys the respected, highly regarded quasi-judicial role of the three member Ballot Law Commission. HB 693 recreates the Ballot Law Commission into a five member partisan political body, destroying the sanctity of the Ballot Law Commission. Currently the Ballot Law Commission is constituted with two members appointed by the governor and council and a member appointed by the Supreme Court. HB 693 changes the commission to five members with two members appointed by the speaker of the house, two by the president of the senate and one by governor and council. HB 693 also removes the requirement that one member of the Ballot Law Commission be a lawyer and also prohibits any office holder (at any level) or any election official (at any level) from being a member of the Ballot Law Commission. The Ballot Law Commission has the responsibility to ensure that every person's vote is counted and every candidate has an equal opportunity to run for public office, destroying that sanctity to ensure one party rulings is nothing short of an abuse of power by the majority.

Majority Amendment (0550h)

Amend the bill by replacing section 3 with the following:

3 Number of Recounts. Amend RSA 660:3 to read as follows:

660:3 Number of Recounts. Any candidate for whom a vote was cast for any office at a state general election shall be entitled to apply for only one recount under this chapter, and the declaration made by the secretary of state under RSA 660:6 shall be final, subject to a change in the result following an appeal to the ballot law commission, as provided in RSA [665:6; H] 665:8, *II. If more than one candidate for the same office in the same district applies for a recount under this chapter, and a recount is completed, such applications shall not result in a second recount.*

Majority amendment adopted.

Reps. Buckley and Burling spoke against and yielded to questions.

Rep. Dickinson spoke in favor and yielded to questions.

Rep. Whalley spoke in favor.

Rep. Burling requested a roll call; sufficiently seconded.

The question being adoption of the majority committee report.

and the majority committee report was adopted.
Ordered to third reading.

HB 443, granting prescriptive authority to qualified psychologists. INEXPEDIENT TO LEGISLATE

Rep. Judson K. Dexter for Executive Departments and Administration: The committee is aware that technology and training in health care is expanding very quickly and that bills similar to this bill are being looked at by at least 12 other states. However, at this time only one other state, New Mexico, has passed such legislation and to date has not certified a single psychologist to prescribe medications. Two states have passed legislation prohibiting psychologist from prescribing medication, New York and Connecticut. Additionally, every state health care organization in New Hampshire is opposed to this legislation including the Dept. Of Health and Human Services, the NH Board of Pharmacy, the NH Medical Society and Board of Medicine, as well as many others who came forward with written or oral testimony. In fact, licensed psychologists in New Hampshire are divided on this issue. Only 13% support this legislation. 17% are absolutely against this legislation and 70% don't know what they want. The committees heard over four hours of testimony on HB 443 and found that psychologists are not medical doctors and do not currently receive the same in-depth medical training as medical doctors. There appears to be enough qualified prescribers in the medical community to address the needs of New Hampshire citizens, therefore, there is no need for further consideration of this legislation at this time. Vote 18-2.

Rep. DeJoie spoke against.

Rep. Dexter spoke in favor.

Adopted.

HB 598-FN-A, relative to the agriculture nutrient management program and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT

Rep. Betsy A. Coes for Finance: Passage of this bill, as amended, will ensure the continuance of the successful Agricultural Nutrient Management Grant Program established in 2001. This program provides technical assistance and small capital grants to owners of agricultural land or livestock to alleviate water pollution problems arising from fertilizer use and animal manure. Funding will come from increasing the fertilizer product registration fee from \$50 to \$75 and will apply \$20,000 to match two grants available for non-profit source pollution and water quality protection through DES. This is an important program for New Hampshire's struggling small farms. Vote 23-0.

Amendment (0303h)

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Fertilizers; Registration. Amend RSA 431:4, 1 to read as follows:

I. Each brand and grade of fertilizer shall be registered in the name of that person whose name appears upon the label before being distributed in this state. The application for registration shall be submitted to the commissioner on a form furnished by the commissioner and shall be accompanied by a fee of [\$50] \$75 per grade of each brand sold.

AMENDED ANALYSIS

This bill provides for funding for the agricultural nutrient management program through June 30, 2005, and requires the commissioner to apply through the department of environmental services for a grant from the Environmental Protection Agency.

This bill also raises the fee for fertilizer registration.

Adopted.

Report adopted and ordered to third reading.

HB 720-FN-L, extending the kindergarten aid program. OUGHT TO PASS WITH AMENDMENT

Rep. Elizabeth S. Hager for Finance: The committee feels that it is the obligation of the state to continue to support kindergarten programs that were previously approved and have received less than the promised three years' aid. Under the amendment it is possible for new kindergarten programs to qualify before June 30, 2005. \$1,539,600 would lapse this year if this bill is not passed, but we believe the money is more appropriately used for kindergarten. Vote 17-4.

Amendment (0597h)

Amend the bill by replacing sections 1-2 with the following:

1 Public Kindergarten Programs; Per Pupil Reimbursement. Amend 1999, 65:9, 1(a) as amended by 2000, 289:2, as amended by 2001, 158:37 to read as follows:

1.(a) If a school district implements a public kindergarten program during school year 1999-2000 through school year ~~[2002-2003]~~ **2004-2005** inclusive, the school district maintaining such a kindergarten program shall receive reimbursement at the rate of \$1200 per pupil from the education trust fund created in RSA 198:39 for each fiscal year through June 30, ~~[2003]~~ **2005**.

2 Adequate Education Grants; Footnote Added. Amend 2001, 130:1, 06, 03, 02, 02, 04, class 91 to read as follows:

06 EDUCATION	FISCAL YEAR 2002	FISCAL YEAR 2003
03 DEPARTMENT OF EDUCATION		
02 OFFICE OF THE DEP COMMISSIONER		
02 FINANCIAL AID TO DISTRICTS-ST.		
04 ADEQUATE EDUCATION GRANTS		
90 HARDSHIP GRANTS	5,000,000	5,000,000
91 ADEQUATE EDUCATION GRANTS*	882,630,084	899,495,135
TOTAL	887,630,084	904,495,135

** The total appropriated in Class 91 includes \$1,972,800 for fiscal year 2002 for kindergarten aid and \$2,625,600 in fiscal year 2003 for kindergarten aid. The amount appropriated for kindergarten aid in fiscal year 2003 shall not lapse until June 30, 2005.*

AMENDED ANALYSIS

This bill extends kindergarten aid through June 30, 2005 for those school districts which implemented a public kindergarten program during school year 1999-2000 through school year 2005-2005 inclusive.

Adopted.

Report adopted and ordered to third reading.

HB 190, relative to legislative standing committee review of rules adopted after final objection by the joint legislative committee on administrative rules. INEXPEDIENT TO LEGISLATE

Rep. Nelson S. Allan for Legislative Administration: This bill directs the Speaker of the House and President of the Senate to assign the matter of a disputed rule(s) failure to meet "legislative intent" to the respective House and Senate standing committees for disposition. This bill does not provide a timely resolution process or methodology for dissimilar interpretation of "legislative intent" between the House and Senate. The bill also proposed to override house and senate rules for joint resolution introduction and deletes the current 90 day implementation schedule. The potential far ranging unintended consequences convinced the committee that the bill should be Inexpedient to Legislate. A study bill on the legislative rules is currently being "retained" and may be a vehicle to pursue a more in-depth study of this issue. Vote 13-0.

Adopted.

HB 344, relative to a supplemental veteran designation for legislative license plates. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Legislative Administration: This bill would allow a supplemental veteran designation for legislative license plates. While the entire committee is very sympathetic to the sponsors intent, many are veterans or married to veterans. The majority of the committee felt that legislative plates are exactly that, not anything else. The controversy over license plates would only be exacerbated by doing this and would open the door for other special interest groups to petition the legislature for special designations on their legislative license plates. Vote 8-5. Adopted.

HCR 12, rescinding all requests by the New Hampshire legislature for a federal constitutional convention and urging other states to withdraw similar requests. **INEXPEDIENT TO LEGISLATE**

Rep. Robert J. Letourneau for Legislative Administration: Since the New Hampshire legislature adopted HCR 8 in 1979, a call for a Constitutional Convention for the specific and exclusive purpose of proposing an amendment to the Constitution of the United States to require a balanced federal budget, this body has reviewed nine attempts to rescind the call. Each of these had failed. While this issue has stirred extensive debate, this body has consistently voted in opposition to this measure. The history of this effort has told us that the majority of the people of New Hampshire wants and expects their federal government to be accountable for their tax dollars just as we are here in New Hampshire. Additionally to rescind this resolution would send the wrong message to Congress and to other states that are also calling for this action that we do not care about this issue any longer. Vote 12-2.

Adopted.

HJR 2, requiring the assignment of oversight of state agencies to legislative policy committees. **INEXPEDIENT TO LEGISLATE**

Rep. Peter H. Burling for Legislative Administration: This bill was the subject of passionate and focused debate in committee. Some members felt strongly that passage of this legislation might confuse the power of the Speaker to define the duties of committees. Others were concerned about the provisions in the bill, which deal with administrative rules provisions, which the committee will address, in other legislation. Vote 14-0.

Adopted.

HCR 7, opposing unfunded and under-funded federal education mandates. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Ken Hawkins for the Majority of State-Federal Relations and Veterans Affairs: The majority of the committee felt that we have passed and sent to the United States Congress and United States Senate HCR 3 stating opposition to unfunded mandates. The House has also passed HB 786 that requires the federal government to adhere to the policy of no mandates without funding that this resolution is redundant. Vote 12-2.

Rep. Cynthia P. Sweeney for the Minority of State-Federal Relations and Veterans Affairs: The minority feels that while we laud and approve of the "No Child Left Behind" program, we are adamantly opposed to unfunded or underfunded programs being thrust upon this state by the federal government.

Majority report adopted.

HB 595-FN-A, establishing an exemption from the electricity consumption tax. **INEXPEDIENT TO LEGISLATE**

Rep. Shawn N. Jasper for Ways and Means: This bill would exempt the first 2,500,000 kilowatt hours of electric energy which a person (corporation) generates for their own use. The tax on electricity is a consumption tax. It is not based on how or where the electricity is generated. The maximum exemption which would be granted under this bill would be \$1,375. This amount would not be a significant factor when deciding whether or not to generate electricity. The loss of revenue to the state could exceed \$166,000 per year. Vote 13-0.

Adopted.

HB 701-FN, relative to fees for low-digit number plates. **INEXPEDIENT TO LEGISLATE**

Rep. Peyton B. Hinkle for Ways and Means: This bill calls for a vanity number plate fee to be charged for low-number license plates; i.e. plates numbered from 1 to 9,999. Testimony indicated

that many people with low-numbered plates have them as a result of having the plates for many years, and have paid taxes and fees for all that time. This bill would unfairly penalize them for being long-term residents. It was also pointed out that the elderly will find it easier to remember a number that they have had a number of years, rather than have to change numbers due to an increased fee. Vote 11-2.

Rep. Wendelboe requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

Rep. Kerns voted nay and intended to vote yea.

Reps. Dionne, Elliott, Marple, Pepino, Rollo, Winchell and Woodward declared conflicts of interest and did not participate.

HB 773, establishing a committee to study a tuition tax credit program. OUGHT TO PASS WITH AMENDMENT

Rep. Peyton B. Hinkle for Ways and Means: This bill creates a committee to study the benefits of establishing a tuition tax credit program for non-public school education alternatives. The majority of the committee felt it was worthwhile to explore this approach to improving overall education in the state. A primary goal of the study committee will be to assess how such a program can be structured to achieve a balance between revenue receipts and expenditures. Vote 9-5.

Amendment (0625h)

Amend the bill by replacing section 3 with the following:

3 Duties.

I. The committee shall study the benefits of establishing a tuition tax credit program and the financial impact of granting a credit against state taxes for tuition paid to nonpublic schools or to qualifying nonprofit student scholarship programs. Such a program may:

(a) Allow parents of students to choose a nonpublic school education and to receive a credit against the statewide education property tax, the interest and dividends tax, or the business profits tax; and

(b) Allow other taxpayers to receive a similar credit by contributing to a qualifying nonprofit student scholarship organization which pays the tuition for eligible nonpublic school students.

II. The committee shall examine various scenarios related to eligibility levels, tax credit caps, household income thresholds, and estimated participation in order to determine financial impact on the state, the nonpublic school education programs, and the taxpayers of New Hampshire. A principal goal of the committee shall be to assess how and if such a program can be structured to be combined revenue expenditure balanced to state and local government obligations for funding public education.

Adopted.

Report adopted and ordered to third reading.

HB 789, relative to a nonbinding referendum to measure voter support for casino gambling in New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. John M. Gibson for Ways and Means: New Hampshire is not a referendum state. The majority of the committee believes that a non-binding referendum to measure the support for casino gambling is not needed. Given the many polls and ample testimony at public hearings, the majority of the committee believes that the issue of expanded gambling is now best addressed through the legislative process. Vote 13-3.

Reps. Gionet and DiFruscia spoke against.

Reps. Gibson and Christopher Pappas spoke in favor.

Rep. Gionet requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.

HB 805, establishing a consensus revenue estimating panel. OUGHT TO PASS WITH AMENDMENT

Rep. Russell F. Ingram for Ways and Means: This bill puts into statute the Governor's revenue estimating panel that was established in 1997 by executive order. It strengthens the independence and effectiveness of the panel. The purpose of the Revenue Estimating Panel is to assist the Governor and the Legislature in providing more consistent and credible long-range trends for the state. The panel consists of members of the House and Senate, the Executive branch, and members of the business and academic communities. The bill requires the panel to issue quarterly reports and sets a term of three years for each of its members. The Governor supports the bill as does the Treasurer and former Commissioner of Revenue, and the former Chairman of the House Ways & Means committee. The committee believes that this bill makes significant improvements to the resources available to the state executive and legislative branches to timely and credibly forecast the revenues. Vote 12-4.

Amendment (0618h)

Amend RSA 17-Q:4 and 17-Q:5 as inserted by section 1 of the bill by replacing them with the following:

17-Q:4 Chairperson; Quorum. The members of the panel shall elect a chairperson from among the members. The panel shall adopt rules for its procedures and meetings. Six members of the panel shall constitute a quorum. In conducting its business, the panel may solicit relevant information and testimony from a variety of sources, including:

- I. The legislative budget assistant.
- II. The commissioner of the department of revenue administration.
- III. The commissioner of administrative services.
- IV. The commissioner of the department of transportation.
- V. The commissioner of the department of safety.
- VI. The commissioners of the state liquor commission.
- VII. The commissioner of the department of insurance.
- VIII. The commissioner of the department of health and human services.

17-Q:5 Report. The panel shall provide quarterly reports of its findings and recommendations on November 1, February 1, May 1, and August 1 to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, the chairs of the house and senate ways and means and finance committees, and the state library. The first such report shall be filed on November 1, 2003.

Adopted.

Report adopted and ordered to third reading.

HB 809, establishing a committee to study implementing a consumption tax. INEXPEDIENT TO LEGISLATE

Rep. John M. Gibson for Ways and Means: The legislature has grappled with the idea of the consumption tax for the last several years. Establishing a committee to study the implementation of a consumption tax infers that there is a need and support for such a tax. The issue of a consumption tax has been extensively debated on the floor of the legislature and rejected by substantial margins. No new information or ideas were presented to the committee during the public hearing on this bill or thereafter. The majority of the Ways and Means Committee believes that no new study is warranted. Vote 13-3.

Adopted.

BILLS REMOVED FROM CONSENT CALENDAR

HB 386, establishing a committee to study individual development accounts. INEXPEDIENT TO LEGISLATE

Rep. Larry G. Elliott for Finance: This bill establishes a committee to study individual development accounts (IDAs). The majority of the committee agrees that IDAs need to be studied. However, we feel that the Finance Committee contains enough expertise within its own membership to study this issue over the summer. We believe we can study the tax credit issue, the general fund appropriation fund issue and the use of TANF funds to support IDAs as well as seek outside testimony to aid us in our discussions and deliberations. It is not necessary at this time to pass a bill to direct us to study this issue. Vote 18-2.

Rep. Peter Sullivan spoke against.

Rep. Emerton spoke in favor and yielded to questions.

Rep. Peter Sullivan requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.

HB 614-FN-L, requiring the state to pay the total expense of fighting forest and brush fires on any state owned park or forest land. **INEXPEDIENT TO LEGISLATE**

Rep. McKim W. Mitchell for Finance: Currently the state shares the cost of fire suppression with towns on a 50/50 basis. By paying 100% it is estimated that it would increase state expenditures in 2004 to \$10,395 and in 2005 to \$19,231. In view of the financial situation the state is in, we felt it would not be appropriate to raise the cost to the 100% level. Vote 18-5.

Rep. Rush spoke against.

Rep. Robert Wheeler spoke in favor.

On a division vote, 205 members having voted in the affirmative and 148 in the negative, the committee report was adopted.

SPECIAL GUEST

Senator Jim Jones from Nebraska joined the Speaker on the rostrum.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, March 25, 2003 at 10:00 a.m.

Adopted.

LATE SESSION

Third reading and final passage

HB 303, relative to life, accident, and health technicals.

HB 528, establishing a commission to study computer standards used in public schools in New Hampshire.

HB 81-FN-A, setting the rate for the medicaid enhancement tax for the biennium ending June 30, 2005.

HB 213, relative to reporting requirements for dedicated funds.

HB 606, establishing a right-to-know study commission.

HB 531, relative to off-site improvements imposed on applicants to a planning board.

HB 616-FN-L, relative to the Hampton real estate trust fund.

HB 368, making technical corrections to the statutory list of dedicated funds.

HB 752, relative to the distribution of business tax revenues to the education trust fund.

HB 770-FN-A, establishing a committee to study using tax policy to create incentives to encourage employers to hire disabled persons.

HB 394, relative to incompatible offices.

HB 693-FN, relative to the jurisdiction and constitution of the ballot law commission.

HB 598-FN-A, relative to the agriculture nutrient management program and making an appropriation therefor.

HB 720-FN-L, extending the kindergarten aid program.

HB 773, establishing a committee to study a tuition tax credit program.

HB 805, establishing a consensus revenue estimating panel.

UNANIMOUS CONSENT

Rep. Stephanie Eaton addressed the House.

Rep. Buckley addressed the House.

Without objection, the Speaker ordered that the remarks of Rep. Buckley be printed in the Permanent Journal.

REMARKS

Rep. Buckley: Thank you, Mr. Speaker. Yesterday morning, a wonderful person died. Yesterday, Joanne L. Symons, a former member of the New Hampshire House representing Lebanon, lost her battle with cancer. Joanne was my boss, my friend, my mentor, my Jewish mother. Joanne was a strong, bold woman, a devoted wife and loving mother. In 1971, while at home with her two very

young boys, Joanne began her political career by volunteering in the campaign of George McGovern. During that campaign she met two other young mothers, Mary Chambers and Dudley Dudley and they became life-long friends. During the McGovern campaign, Joanne was encouraged to run for delegate to the Democratic National Convention and quickly gained a reputation as a skilled and talented political organizer. Later in 1972, Joanne was elected to the Democratic State Committee and served on the party platform committee. By 1974, she was on the party Executive Committee and was a chair of the platform committee. Also in 1974, Joanne joined her friends, Dudley and Mary, here in the House. Her abilities were so impressive that she was immediately named as Assistant Democratic Leader. Joanne went on to become a top leader in Mo Udalls's campaign for President and run Joe Grandmaison's congressional campaign in 1976.

In April, 1977, Joanne became the first woman ever to be elected chairman of a New Hampshire political party. Later that spring, following my high school graduation, Joanne hired me to serve as her assistant. Those years with Joanne were a tremendous experience for me. She taught me about the importance to be loyal, to be tough and to laugh. Due in no small part because of her quick wit and great skill, her legacy is the election of 1978. That was the year when the Democrats of New Hampshire celebrated a new Democratic governor, having two United States senators, a congressman, an executive councilor, 12 state senators and nearly 180 members of this House. In 1979, Joanne and Dudley went on to head the draft Ted Kennedy effort developing a national reputation. In 1980, Joanne went to Washington, DC to lead the political activities of the American Nurses' Association and to become a leading political player in our nation's capital. Once again, Joanne asked me to join her and I served as her aide in 1982.

Joanne was among a small group of powerful DC women who met regularly in 1984 that led to the selection of Geraldine Ferraro as the Vice-Presidential nominee, the first woman to ever do so. In 1987, she served as the top health aid advisor to Dick Gephardt's campaign for President. Newsweek even wrote that if Gephardt was elected, Joanne was going to be his choice to serve as his Secretary of Health and Human Services.

As the years wore on, Joanne's beloved husband, Alan, continued to teach; her boys grew up, married, and had children of their own. Joanne's influence on the national stage grew but her love for New Hampshire continued. In fact, just weeks before she was diagnosed, she was in the Upper Valley and making plans to return home. Joanne's love for this body was always on display in every office she ever had. Her New Hampshire legislative name plate was always there for anyone to see.

Yesterday morning this world lost a great woman and I lost a great friend. I loved her dearly. The House observed a moment of silence.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 3:35 p.m.

RECESS

(Rep. Brenda Ferland in the Chair)

ENROLLED BILL AMENDMENT

HB 517-FN-L, relative to the classification of certain roads in the town of Hillsborough and transferring ownership of any residual interest in a certain parcel of property from the state to the city of Keene.

Amendment (0929 -EBA)

Amend the bill by replacing line 6 of section 3 with the following:

station 463+00 and Park Avenue in Keene, as shown on a plan entitled "Plans of Proposed Federal Adopted.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 12

Tuesday, March 25, 2003

The House assembled at 10:00 a.m., the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

O Lord, during war, when hourly news brings word of more casualties, we lift up to You the sons and daughters of our military who have volunteered to defend our country; may the light of Your presence guide them through the darkness of these days. We especially pray for those who have died, for those who are wounded and for those who are held as prisoners. We pray for the military families who have lost loved ones and for all who await their loved one's safe return. Shelter the innocent and the weak who are the most defenseless.

Guide the work of this honorable House today. Bless and support the citizens of our beloved New Hampshire. May Your protective blessing also be with our police and fire service who stand guard at home to protect our communities. Bring peace quickly, O Lord. Amen.

Rep. James J. Duffy led the Pledge of Allegiance.

The National Anthem was sung by Brittany Desmarais, Sayr Hardy and Nathan Fulk, students at Concord Christian High School.

LEAVES OF ABSENCE

Reps. Flanagan, Guay, Hunter, Robert Laflam, Rice, Scamman, Seldin and Weare, the day, illness. Reps. Nelson Allan, Bridle, Burling, Corbin, Daniels, Furman, McElroy, Moran, Oliver, O'Neil, Tate, Tilton and Woodward, the day, important business.

Rep. Pepino, the day, illness in the family.

Rep. Francoeur, the day, death in the family.

INTRODUCTION OF GUESTS

Lori and Paul Waters, daughter and son-in-law of Rep. Davis. The 4th grade class of Seabrook Elementary School, guests of the Seabrook delegation.

COMMITTEE REPORTS

CONSENT CALENDAR

Rep. Hess moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

HB 504, relative to refinancing home mortgages, removed by Rep. Jacobson.

HB 573-FN, relative to motor vehicle insurance, removed by Rep. Lars Christiansen.

HB 636-FN, relative to mandatory automobile insurance, removed by Rep. Arnold.

HB 680-FN, relative to services contracts, removed by Rep. Vachon.

HB 524-FN, relative to the annulment of certain domestic violence offenses and offenses committed with a firearm, removed by Rep. Tholl.

HB 133-L, relative to amending certain articles of agreement in the Fall Mountain regional cooperative school district, removed by Rep. Stephen L'Heureux.

HB 119, relative to removing names from the checklist, removed by Rep. Stritch.

HB 795, establishing a committee to study deaths and injuries caused by OHRV use by minors, removed by Rep. Nordgren.

HB 787-FN-A, relative to renewable energy promotion, removed by Rep. Michel Harrington.

Consent Calendar adopted.

SUSPENSION OF RULES

Reps. Hess and Nordgren moved that the Rules be so far suspended as to allow referral of House Bills to a second committee after the March 13, 2003 deadline.

Adopted by the necessary two-thirds.

HB 56, establishing a study committee to examine the state foster care system. **INEXPEDIENT TO LEGISLATE**

Rep. Mary Stuart Gile for Children and Family Law: This bill proposed a study committee to examine the state's foster care system. The committee appreciates the intent and concern of the bill's

sponsor regarding the safety and well being of children in foster care. However, after a careful review of the Office of Legislative Budget Assistant 2001 Performance Audit Report, the 2000 Task Force Report, a presentation on March 18, 2003 by the Director of DCYF, addressing the agency's progress on findings in both reports, and in consideration of an impending federal audit of the foster care system beginning in June 2003, the committee decided that an additional legislative study at this time would be premature. The committee plans to continue to monitor DCYF's progress on the aforementioned reports' recommendations and will request additional updates from DCYF throughout 2003-2004. Vote 13-1.

HB 245, relative to child custody decisions. **OUGHT TO PASS WITH AMENDMENT**

Rep. Janet F. Allen for Children and Family Law: The amendment replaces the bill. The amendment is a housekeeping measure which clarifies the existing statute relative to the controlling consideration in deciding child custody, which is the overall welfare of the child. Vote 15-0.

Amendment (0432h)

Amend the bill by replacing all after the enacting clause with the following:

1 Annulment, Divorce and Separation; Support and Custody of Children; Custody Decision Based on Welfare of Child. Amend RSA 458:17, VI to read as follows:

VI. In making any order relative to such custody, the court shall not give any preference to either parent of the children because of the parent's sex. ~~[The court may take into consideration any preference shown by said children.]~~ *The paramount and controlling consideration in deciding child custody is the overall welfare of the child, and there is no one formula for all cases, each case being determined by its particular facts. Considerable weight may be given to the stated preference of a mature minor, provided that preference was not unduly influenced.* If the court determines that it is in the best interest and welfare of the children, it shall in its decree grant reasonable visitation privileges to a party who is a stepparent of the children or to the grandparents of the children pursuant to RSA 458:17-d. Nothing in this paragraph shall be construed to prohibit or require an award of custody to a stepparent or grandparent if the court determines that such an award is in the best interest of the child.

2 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill clarifies that child custody decisions are case-specific, based on the overall welfare of the child, and may take into consideration the preference of a mature minor.

HB 268, relative to motions for contempt of court orders regarding custody, visitation, or nonpayment of child support. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas I. Arnold Jr. for Children and Family Law: The committee felt that this was unnecessary legislation for a problem that is curable by better communication. It is anticipated the problem will be addressed by the Family Law Task Force. Vote 10-5.

HB 357-FN, relative to child support insurance settlement intercept. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel C. Itse for Children and Family Law: This bill, requested by the Department of Health and Human Services, enables the department to contract services to identify insurance settlements to individuals with delinquent child support statements. It also strengthens the protection of insurance settlements for the replacement of real property and payment of past and future medical bills under all liens by the department. Vote 15-0.

Amendment (0814h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Alternative Method of Support Enforcement for Dependent Children; Child Support Insurance Settlement Intercept. Amend RSA 161-C by inserting after section 3-d the following new section:

161-C:3-e Child Support Insurance Settlement Intercept. The department may provide certain information to public agencies or its contracted agents in order to intercept insurance settlement payments or judgements claimed by individuals who are subject to a child support lien pursuant to RSA 161-C and who owe past-due support. The department may identify such individuals by name, last 4 digits of the individual's social security number or other taxpayer identification

number, date of birth, last known address, employer, or any combination thereof. Any information provided by the department in accordance with this section shall remain the property of the state of New Hampshire and shall be purged by any public agency or contracted agent receiving said information upon completion of the data match exchange. The department may perform an audit to insure that any public agency or contracted agent has purged said information. The specific penalty for failure to purge the information shall be set forth in any contract or agreement between the department and any public agency or contracted agent made pursuant to this section. Any transaction cost incurred by the department related to the data match exchange shall be directly recovered by the department from any insurance settlement or judgment proceeds. Insurance settlement payments for casualty loss to personal or real property and past or future medical treatment shall be exempt from this section upon documentation that such individual either previously paid for the repair or replacement of the damaged property or paid or has assigned payment for past or future medical treatment prior to the insurance settlement payment being received by such individual or that such individual has legally assigned the insurance settlement payment for said purpose. Any settlement, payment, or judgment received under the provision of this section shall be held by the department for 60 days prior to its release or distribution unless otherwise agreed to by the parties.

2 Alternative Method of Support Enforcement for Dependent Children; Exemptions; Certain Payments for Casualty Loss Exempt. Amend RSA 161-C:11, I to read as follows:

I. Except as provided in paragraph II of this section, any property otherwise exempt from trustee process, attachment and execution shall be exempt from an order to withhold and deliver, administrative seizure and disposition, and lien and foreclosure. *Payments for casualty loss to personal or real property and past or future medical treatment shall be exempt from this section upon documentation that such individual either previously paid for the repair or replacement of the damaged property or paid or has assigned payment for past or future medical treatment prior to the insurance settlement payment being received by such individual or that such individual has legally assigned the insurance settlement payment for said purpose.*

3 Effective Date. This act shall take effect 60 days after its passage.

HB 447, limiting retroactive child support awards under the uniform act on paternity. OUGHT TO PASS WITH AMENDMENT

Rep. Karen K. McRae for Children and Family Law: The amendment is the bill. It is a new section in RSA 168-A:3 which sets time limits for retroactive child support. Vote 13-0.

Amendment (0868h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Uniform Act on Paternity; Limitation on Child Support. Amend RSA 168-A by inserting after section 3 the following new section:

168-A:3-a Limitation on Retroactive Support Award. If the child is 3 months old or older, the father's liability for past education and support under RSA 168-A:1 is limited to amounts accrued from the date of service of the petition on the father or, if the court finds that the father is willfully avoiding service, from such date as the court determines is just and equitable. There is no limitation on retroactive support if the child is less than 3 months old.

2 Effective Date. This act shall take effect January 1, 2004.

HB 486, relative to access to child support enforcement records. OUGHT TO PASS WITH AMENDMENT

Rep. David A. Bickford for Children and Family Law: This bill authorizes the Division of Child Support Services (DCSS) to use the parent locator service to identify and notify the parent that is not living with their children of alleged child abuse and/or neglect. This is at the request of the Division of Children, Youth and Families (DCYF). Vote 13-0.

Amendment (0294h)

Amend the bill by inserting after the enacting clause the following and renumbering the original sections 1-2 to read as 2-3, respectively:

1 Alternative Method of Child Support Enforcement for Dependent Children; Access to Financial Records by Department of Health and Human Services Attorneys in Abuse and Neglect Proceedings. Amend RSA 161-C:3-a, IV to read as follows:

IV. Any records established or information collected pursuant to the provisions of this chapter shall be made available only to the commissioner and the attorney general and their authorized designees, attorneys employed by the office of child support, attorneys responsible for the administration of RSA 546-B, *attorneys employed by the department in RSA 169-C proceedings*, the client or the client's authorized representative and courts or agencies in other states engaged in the enforcement of support of minor children as authorized by the rules of the department. Such records and information shall be available and used only for purposes directly connected with *the* establishment, enforcement, or modification of child support, *the location and notification of parents in RSA 169-C proceedings*, and the administration of this chapter. The records and information made available to the client or the client's authorized representative shall not include information provided to the department that is prohibited from release by federal law, state statute, state case law, or by contract or agreement between the department and another entity if such contract or agreement prohibits release of such information.

AMENDED ANALYSIS

This bill permits attorneys employed by the department of health and human services in abuse and neglect cases to access certain financial records and the repository of parent locator information maintained by the office of child support enforcement.

This bill is a request of the department of health and human services.

HB 620-FN, providing a right to counsel for indigent parents and other protections in cases involving the guardianship of minors. **OUGHT TO PASS WITH AMENDMENT**
Rep. Cynthia J. Dokmo for Children and Family Law: This bill serves two purposes. First, it establishes a procedure which insures parents certain rights in various stages of a guardianship proceedings. Secondly, it provides a right to counsel for indigent parents in those proceedings. The committee believes that this proposal will adequately protect the rights of parents. Vote 17-0.

Amendment (0834h)

Amend RSA 463:7-a, II(a) as inserted by section 4 of the bill by replacing it with the following:

(a) That consent is being given voluntarily and knowingly the court may thereupon grant the petition if it further determines that the parent has consented to the granting of the petition; that a minor 14 years or older has no objection; and that the standards for guardianship under RSA 463:8, V or VII have otherwise been met.

Amend the bill by replacing section 9 with the following:

9 New Paragraph; Termination of Guardianships. Amend RSA 463:15 by inserting after paragraph V the following new paragraph:

VI. Notwithstanding paragraph V, a time or condition limited guardianship under RSA 463:8, VII shall terminate upon submission of evidence to the court that the conditions necessitating guardianship have been removed or met. Any party may request a hearing. If neither party requests a hearing, the court may, prior to acting on the evidence, conduct a hearing, with notice to the parent, guardian and other individuals specified in RSA 463:6.

Amend RSA 463:17-a, V as inserted by section 11 of the bill by replacing it with the following:

V. Counsel appointed by the court pursuant to this chapter shall be compensated pursuant to RSA 490:26-f.

HB 674-FN, relative to legal representation for indigent parties under the Child Protection Act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Daniel C. Itse for Children and Family Law: This bill codifies the Shelby R. decision and the provision of an attorney for cases under the Bill F. decision codified last year. This bill greatly strengthens the rights of non-offending parents to obtain custody of their children rather than having them placed in foster care. Vote 17-0.

Amendment (0807h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to legal representation for indigent parties and notification requirements under the Child Protection Act.

Amend the bill by replacing all after the enacting clause with the following:

1 Child Protection Act; Legal Representation for Indigent Parties. Amend RSA 169-C:10, II(a) to read as follows:

II.(a) In cases involving a neglected or abused child under this chapter, where the child's expressed interests conflict with the recommendation for dispositional orders of the guardian ad litem, the court may appoint an attorney to represent the interests of the child. In any case of neglect or abuse brought pursuant to this chapter, the court shall appoint an attorney to represent an indigent parent *or indigent stepparent residing in the home* alleged to have neglected or abused his or her child *or stepchild*. In addition, the court ~~[may]~~ *shall* appoint an attorney to represent an indigent parent not alleged to have neglected or abused his or her child if ~~[the parent is a household member and]~~ such independent legal representation is necessary to protect the parent's interests. The court shall not appoint an attorney to represent any other persons involved in a case brought under this chapter.

2 Child Abuse and Neglect Proceedings; Protective Custody; Notification of Non-custodial Parent. Amend RSA 169-C:6, II-V to read as follows:

II. If a police or juvenile probation and parole officer removes a child under paragraph I above, the officer:

(a) Shall inform the court forthwith whereupon continued protective custody pending a hearing may be ordered by the court;

(b) May take the child to a child protection services worker of the department; or

(c) May place the child in a foster home; if a child is placed directly in a foster home, the department shall be notified of the incident and where the child is placed within 24 hours, unless there is a physician involved and treating the child and the child is or will be taken to and admitted to a hospital; and

(d) Shall, when the child is removed from an individual other than a parent or a person legally responsible for the child, make every reasonable effort to inform ~~[the parent]~~ *both parents* or other ~~[person]~~ *persons* legally responsible for the child's care where the child has been taken.

III. Any police or juvenile probation and parole officer or other individual acting in good faith pursuant to this section, shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed as a result of such removal or placement.

IV. The court shall hold a hearing on the matter within 24 hours of taking the child into protective custody, Sundays and holidays excluded. Notice shall be given to *both parents and* all parties designated by the petitioner or the court.

V. If a child is found by a child protection services worker of the department to be in imminent danger in such circumstances or surroundings and where immediate removal appears necessary to protect the child from such imminent danger, the department's child protection services worker shall contact a judge or clerk immediately for an order to remove the child. *Prior to any order authorizing foster placement, the child protective service worker shall inform the judge of efforts to locate any non-custodial parent or other relatives for temporary placement.*

3 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill requires the court to appoint an attorney for an indigent stepparent residing in the home alleged to have abused a stepchild in a child abuse or neglect case.

The bill also establishes new requirements for notice of protective custody hearings.

HB 682-FN, relative to dual sentencing of certain juveniles. **INEXPEDIENT TO LEGISLATE**
Rep. Margaret D. Hallyburton for Children and Family Law: The prime sponsor initially requested that the bill be retained in committee to address the concerns raised by various agencies. Given that the subject matter of "dual sentencing" fits within the scope of responsibility of the existing Task Force on Juvenile Justice Service Capacity and Administrative Simplification created by last session's HB 179-FN, the sponsor agreed with the decision of the committee to find the bill inexpedient to legislate. The committee chairman will refer the subject matter of the bill, by memo, to the Task Force whose chair has agreed to the referral. Vote 14-0.

HB 683-FN, relative to escape or attempted escape from a juvenile facility. **INEXPEDIENT TO LEGISLATE**

Rep. David A. Bickford for Children and Family Law: The sponsor of this bill asked the committee not to go forward with this bill. Therefore, the committee agreed to recommend it inexpedient to legislate. Vote 14-0.

HB 710-FN-L, relative to the confidentiality of library user records. **INEXPEDIENT TO LEGISLATE**
Rep. Irene A. Pratt for Children and Family Law: The sponsor requested that this bill be found inexpedient to legislate because an understanding has been reached with the New Hampshire Library Association to resolve the concerns of confidentiality, rights and responsibilities that had prompted this legislation. Vote 11-0.

HB 70, establishing a commission to study government actions that contribute to involuntary homelessness. **INEXPEDIENT TO LEGISLATE**
Rep. Randolph Holden for Commerce: This bill was originally a study bill. The committee felt that in its current form it doesn't directly address the problem. Based on testimony, the problem of government action that contributes to involuntary homelessness deals with zoning laws and municipality regulations, and should be addressed to the appropriate committee. Vote 18-0.

HB 207, relative to information required in articles of incorporation. **INEXPEDIENT TO LEGISLATE**
Rep. Stephen B. Stepanek for Commerce: The committee feels that this legislation is unnecessary. Currently upon incorporation a resident agent is required to be filed with the Secretary of State. In many cases when the investors/shareholders initially form the company, the directors may not be known. It is required by the Secretary of State that when the company files its annual report it must at that time list all the directors names and addresses. Vote 17-0.

HB 259, relative to the regulation of gift certificates under the consumer protection act. **OUGHT TO PASS WITH AMENDMENT**
Rep. Randolph Holden for Commerce: This bill was brought forth on behalf of the Attorney General's Office in an effort to clarify the definition of gift cards. The recent emergence of gift cards and dormancy fees has raised numerous complaints by consumers. This bill will address this concern and make these fees illegal. Vote 18-0.

Amendment (0725h)

Amend RSA 358-A:2, XIII as inserted by section 1 of the bill by replacing it with the following:

XIII. Selling gift certificates having a face value of less than \$100 to purchasers which contain expiration dates. Gift certificates having a face value of \$100 or more shall expire when escheated to the state as abandoned property pursuant to RSA 471-C. ~~[This paragraph shall not apply to gift certificates for which monetary consideration is not given or that are distributed to a consumer for promotional purposes. Nor shall this paragraph apply to season passes or coupons that are nonrefundable and nonredeemable.]~~ *Dormancy fees, latency fees, or any other administrative fees or service charges that have the effect of reducing the total amount for which the holder may redeem a gift certificate are prohibited. This paragraph shall not apply to season passes.*

HB 316-FN, relative to insurance coverage for anesthesia for child dental care. **OUGHT TO PASS WITH AMENDMENT**

Rep. Matthew J. Quandt for Commerce: This bill addresses the use of anesthesia in children under the age of six for significant dental work. Current law requires anesthesia coverage for children up to the age of four. The committee heard extensive testimony about the difficulties of treating young children with severe dental problems. This bill helps to ease the fears and pain for young children who need serious dental work. Vote 20-0.

Amendment (0397h)

Amend the bill by replacing all after the enacting clause with the following:

1 Accident and Health Insurance; Coverage for Dental Procedures; Medical or Hospital; Group; Age for Covered Service Increased. Amend RSA 415:18-g, I(a) to read as follows:

(a) Is a child under the age of [4] 6 who is determined by a licensed dentist in conjunction with a licensed physician to have a dental condition of significant dental complexity which requires certain dental procedures to be performed in a surgical day care facility or hospital setting; or

2 Accident and Health Insurance; Coverage for Dental Procedures; Dental Offices; Age for Covered Service Increased. Amend RSA 415:18-h, I(a) to read as follows:

(a) Is a child under the age of [4] 6 who is determined by a licensed dentist in conjunction with a licensed physician to have a dental condition of significant complexity which requires the child to receive general anesthesia for the treatment of such condition; or

3 Health Service Corporations; Coverage for Dental Procedures; Age for Covered Service Increased. Amend RSA 420-A:17-b, I(a) to read as follows:

(a) Is a child under the age of [4] 6 who is determined by a licensed dentist in conjunction with a licensed primary care physician to have a dental condition of significant dental complexity which requires certain dental procedures to be performed in a surgical day care facility or hospital setting; or

4 Health Maintenance Organizations; Coverage for Dental Procedures; Age for Covered Service Increased. Amend RSA 420-B:8-ee, I(a) to read as follows:

(a) Is a child under the age of [4] 6 who is determined by a licensed dentist in conjunction with a licensed primary care physician to have a dental condition of significant dental complexity which requires certain dental procedures to be performed in a surgical day care facility or hospital setting; or

5 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill requires insurers to cover anesthesia provided in conjunction with certain dental procedures for children under 6 years of age. Current law mandates such coverage for children under 4 years of age.

HB 404, relative to common trust funds. OUGHT TO PASS

Rep. Leo W. Fraser, Jr. for Commerce: This bill would expand the power of banks to co-mingle investments in common trust funds. This co-mingling applies only to banks and their affiliates. Since 1977, banks have been limited to a bank's own common trust funds. With the ability to co-mingle common trusts in a fund with affiliates, a larger pool is created affording more opportunity to diversify investments and at the same time reduces costs. Vote 19-0.

HB 412, establishing a committee to study insurance coverage for alternative medical treatment. INEXPEDIENT TO LEGISLATE

Rep. Matthew J. Quandt for Commerce: After hearing extensive testimony on alternative care and insurance mandates, the committee felt that there is currently not enough proven, tested, factual evidence on alternative treatment, and in particular the treatment that generated this legislation. Currently health insurance companies do cover many forms of alternative medicine so a new study committee is not necessary at this time. Clinical trials are already mandated. Vote 19-0.

HB 414, requiring liquor liability insurance for state liquor licensees. INEXPEDIENT TO LEGISLATE

Rep. George J. Liebl for Commerce: This proposed legislation would have required all liquor licensees to have liquor liability insurance of limits up to \$1,000,000 for any one person and \$3,000,000 for all persons per incident. This would result in prohibitively high premiums for small "mom and pop" stores. The committee felt the current law that allows liability insurance at the discretion of the liquor commission was just enacted last year and it appears to be working well. Vote 17-2.

HB 423, relative to safe deposit boxes. OUGHT TO PASS WITH AMENDMENT

Rep. Leo W. Fraser, Jr. for Commerce: This legislation would allow banks a second method of disposing of the contents of an abandoned safe deposit box. Today the law only allows for a public auction. Frequently the contents of an abandoned box are of negligible value, yet the only method of disposal allowed is via public auction that can prove costly. Should this legislation be adopted, the bank can dispose of property by sealed bid. The amendment adds the Internet as an alternative. Vote 14-0.

Amendment (0843h)

Amend the bill by replacing all after the enacting clause with the following:

1 Safe Deposit Boxes; Delivery to the State; Public Auction, Public Sale and Internet Auction. RSA 385:4 is repealed and reenacted to read as follows:

385:4 Delivery to State. At the expiration of 5 years after the removal of the contents of such safe or box, the corporation shall sell all the property or articles of value set out in said written statements at public auction, public sale, or nationally recognized internet auction. For a public auction, a notice of the time and place of sale shall be published once weekly for 3 consecutive weeks, the last such publication being no less than 10 days before the public auction, in a newspaper published in the place where the auction is held, or having a general circulation in such place.

For a public sale, a notice of the location and date for viewing the property or articles of value, and the deadline for accepting sealed bids shall be published once weekly for 3 consecutive weeks, the last such publication being no less than 10 days before the deadline for accepting bids, in a newspaper published in the place where the viewing is held, or having a general circulation in such place.

2 Safe Deposit Boxes; Disposition of Proceeds; Public Auction, Public Sale, and Internet Auction. Amend RSA 385:5 to read as follows:

385:5 Disposition of Proceeds. From the proceeds of said sale the corporation shall deduct all its charges for rental up to the time of opening said box or safe, the cost of opening, further cost of safekeeping all its contents and any costs of said public auction, *public sale, or nationally recognized internet auction* and shall hold the net cash proceeds from such public auction, *public sale, or internet auction*, subject to the provisions of RSA 471-C. The corporation shall maintain a statement of all charges deducted from the proceeds of said *public auction, public sale, or nationally recognized internet auction* which shall be signed by ~~[the president, treasurer or superintendent]~~ *an officer* of said corporation and verified before a notary public or justice of the peace.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill adds public sale and nationally recognized internet auction to public auction, as a means for disposing of the contents of safe deposit boxes with longstanding unpaid rents. This bill substitutes "an officer of the corporation" for the president, treasurer, or superintendent as a witness in the final disposition of proceeds from the sale.

HB 460-FN, relative to property and casualty insurance. OUGHT TO PASS

Rep. Paul D. Spiess for Commerce: This bill was introduced at the request of the insurance department. The bill is intended to make technical corrections to various sections of the New Hampshire insurance statutes to bring them into conformity with model legislation proposed by the National Association of Insurance Commissioners (NAIC). The committee believes that the amendments are appropriate and there is value within the industry for conformity of state laws. Vote 19-0.

HB 470, relative to health insurance providers. OUGHT TO PASS WITH AMENDMENT

Rep. George J. Liebl for Commerce: This legislation as introduced would address "any willing provider" to be accepted by health insurers. The bill also requires health insurers to keep a provider's personal information confidential. The committee heard testimony that the insurance department opposed the willing provider issue as too broad in scope. As amended the bill does address the confidentiality issue. Vote 18-0.

Amendment (0728h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Health Insurers; Providers. Amend RSA 400-A by inserting after section 15-a the following new section:

400-A:15-b Confidentiality of Provider's Personal Information.

I. Health insurers and other third party payors shall not display a medical provider's home address, date of birth, or social security number on documents provided to subscribers for the purpose of claim payment unless the provider has provided that information for the purposes of claim payment.

II. The provisions of this section shall apply to group hospital and medical expense policies subject to RSA 415, group health service plan contracts issued pursuant to RSA 420-A, and to health maintenance organization policies and plans issued pursuant to RSA 420-B.

2 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

The bill requires health insurers to keep a provider's personal information confidential.

HB 471, relative to cost containment practices and establishing an insurance review and advisory board. INEXPEDIENT TO LEGISLATE

Rep. George J. Liebl for Commerce: The committee felt that the sponsors' intent would conflict with existing law on utilization review and would be a significant expansion of existing mandates. Current utilization review is essential to containing costs. The second piece of the proposed legislation would have established an advisory board on health insurance matters to advise the commissioner of insurance. Vote 18-0.

HB 472, relative to health insurance terminology. INEXPEDIENT TO LEGISLATE

Rep. George J. Liebl for Commerce: This proposed legislation would have prohibited the use of the term "managed care" or the term "care." The committee felt that the cost in time and money to change all documents would result in higher premiums to be paid by the policyholder. Vote 17-0.

HB 481, prohibiting unfair trade practices in the production and sale of milk and dairy products. OUGHT TO PASS WITH AMENDMENT

Rep. Stella Scamman for Commerce: This legislation authorizes the Commissioner of Agriculture to prohibit unfair trade practices in the production, distribution and sale of milk. Testimony from the Commissioner of Agriculture and many dairy farmers showed a need for a fair market and the huge price difference between what farmers get and what people pay for milk at the store. Farmers are at the greatest risk. To support the farmers is also to support prime farmland for future generations to grow food, open space, protection of our New Hampshire forests, and a quality way of life for New Hampshire. Vote 14-0.

Amendment (0734h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the pricing of milk products.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study the pricing of milk products.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Three members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall investigate and report on:

I. All factors that contribute to the pricing of dairy products.

II. Unfair methods of competition and unfair trade practices in the receiving, purchase, transportation, handling, distribution, or sale of milk or milk products.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2003.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the pricing of milk products.

HB 506, establishing a committee to study the retention of membership fees in health clubs. OUGHT TO PASS WITH AMENDMENT

Rep. Matthew J. Quandt for Commerce: The original bill proposed to study the retention of membership fees in health clubs. The committee felt that we did not need to study the situation because we identified the problem and will attempt to fix the situation. The amendment will ensure that initiation fees shall not exceed 100 percent of an annualized monthly fee. It will also limit the automatic renewal cycle for a period not greater than one month. Vote 16-2.

Amendment (0610h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to health club membership initiation fees and renewal practices.

Amend the bill by replacing all after the enacting clause with the following:

1 Health Clubs; Maximum Initiation Fees. Amend RSA 358-I:2, VI to read as follows:

VI. Any initiation fee shall not exceed [25] 100 percent of an annualized monthly fee.

2 Health Clubs; Length of Membership Contract; Automatic Renewal. Amend RSA 358-I:5, I to read as follows:

I. No term contract for health club services shall be for a term of more than one year, nor shall any health club term contract contain an automatic renewal clause *for a period greater than one month*. A contract may provide for a renewal option for continued membership, but any such renewal must be accepted in writing by a buyer and is effective only upon payment of the renewal price. Under no circumstances may a contract for health club services be renewed more than 90 days before the contract's expiration date. The annualized price of the buyer's first term contract or membership option with a seller may not exceed the annualized price of any subsequent term contract or other membership option with the seller by more than 25 percent.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that a health club initiation fee shall not exceed 100 percent of an annualized monthly fee. The bill also permits health club membership contracts to contain a month-to-month automatic renewal clause.

HB 507, relative to certain statutes that set minimum requirements for employee benefit plan procedures pertaining to the filing of benefit claims, notification of benefit determinations, and appeal of adverse benefit determinations. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo W. Fraser Jr. for Commerce: This legislation corrects some language in a law enacted in the 2001 Session. Both the New Hampshire Insurance Department and the insurance companies that are regulated by the 2001 law should be amended. Essentially, the change proposed in this legislation is to remove disability plans from language referenced to Accident and Health Insurance. Disability plans are governed by the Employee Retirement Income Security Act of 1974 (ERISA) and the bill removes the prospect of inconsistencies between state and federal regulations. Vote 15-0.

Amendment (0427h)

Amend the bill by inserting after section 6 the following and renumbering the original sections 7-10 to read as 8-11, respectively:

7 Adoption of Rules; Standards for Processing Group Disability Benefit Claims. Amend RSA 415-A:6 to read as follows:

415-A:6 Adoption of Rules.

I. Rules promulgated pursuant to this chapter shall be subject to notice and hearing pursuant to RSA 541-A. When a rule adopted pursuant to this chapter so provides, a policy of insurance issued subsequent to the rule's effective date and any optionally renewable policy of insurance renewed subsequent to the rule's effective date which does not comply with the rule shall, not less than 60 days after the rule's effective date, be construed, and the insurer or corporation shall be liable, as if the policy did comply with the rule.

II. The commissioner shall adopt rules to establish specific standards for processing benefit claims under group disability plans that shall be consistent with and not more restrictive than the United States Department of Labor Benefit Claims Procedure Regulation, 29 CFR 2560.503, as existing and thereafter amended, that sets standards for group disability plans under the Employee Retirement Income Security Act of 1974.

Amend the bill by replacing all after section 10 with the following:

11 Applicability. This act shall take effect upon the earlier of the following:

I. The effective date of the rules adopted under RSA 415-A:6, II, as inserted by section 7 of this act.

II. January 1, 2004.

12 Effective Date.

I. Section 11 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect as provided in section 11 of this act.

AMENDED ANALYSIS

This bill removes disability benefits or disability plans from certain statutes that set minimum requirements for employee benefit plan procedures pertaining to the filing of benefit claims, notification of benefit determinations, and appeal of adverse benefit determinations.

This bill also directs the insurance commissioner to adopt rules to establish standards for processing benefit claims under group disability plans.

HB 544, relative to the insurance cap on durable medical equipment. **INEXPEDIENT TO LEGISLATE**

Rep. George J. Liebl for Commerce: The committee did not feel this bill would improve benefits by stacking coverages. New Hampshire does not have a mandate for durable medical equipment coverage. Voluntary coverage for this benefit varied by insurance companies and within the variety of plans offered. Per calendar year, maximums per member are attempts to keep premiums affordable and discourage over-utilization. Allowing other members to use benefits would put other members at risk if they required coverage in the same calendar year. Vote 13-0.

HB 546, relative to uniform prescription drug information cards. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo W. Fraser, Jr. for Commerce: This legislation, as amended, will require all issuers of prescription drug cards to have on the card uniform drug information. This information shall include whatever information necessary for the health insurance provider to process claims in a clean, readable and understandable manner. The card shall include the trademark or logo of the insurer, certificate holder's name and ID number, and the BIN number. During the public hearing the three major insurers in New Hampshire are already providing this information or are in the process of making necessary changes. Vote 13-1.

Amendment (0735h)

Amend RSA 415:6-j, III as inserted by section 2 of the bill by replacing it with the following:

III. A new uniform prescription drug information card, as required under this section, shall be issued by an insurer upon enrollment of new members and when reissuing a new card to current members when there is a change in the certificate holder's pharmacy coverage that affects data contained on the card.

Amend RSA 415:18-n, III as inserted by section 3 of the bill by replacing it with the following:

III. A new uniform prescription drug information card, as required under this section, shall be issued by an insurer upon enrollment of new members and when reissuing a new card to current members when there is a change in the certificate holder's pharmacy coverage that affects data contained on the card.

Amend RSA 420-J:7-b, VII as inserted by section 4 of the bill by replacing it with the following:

VII. A new uniform prescription drug information card, as required under paragraph V, shall be issued by health benefit plan upon enrollment of new members and when reissuing a new card to current members when there is a change in the covered person's pharmacy coverage that affects data contained on the card.

HB 555, requiring condominiums to comply with the Fair Housing Amendments Act and to provide accessible parking. **INEXPEDIENT TO LEGISLATE**

Rep. Mark A. Brady for Commerce: This bill attempts to make condominium associations adhere to the FHA regulations via New Hampshire statute. Although well intentioned, the committee concluded after further analysis that the bill would give condominium associations enhanced authority vis-a-vis property owners. Specifically, the legislation would give all condominium associations throughout the state the authority to usurp existing condominium association by-laws to deal with disability issues pertaining to parking spaces. This would be a precedent that the committee felt was not appropriate and therefore believed that the existing system is adequately dealing with such issues. Vote 16-0.

HB 557, banning cancellation of or rate increases in homeowners' insurance based on the number of claims and prohibiting motor vehicle insurers from using credit information for underwriting purposes. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser Jr. for Commerce: This proposed legislation, if adopted, would have banned cancellation of homeowner insurance policies or rate increases based on the number of claims and banned insurers of motor vehicles from using credit information for underwriting purposes. The New Hampshire Insurance Department appeared in opposition to this bill and introduced a study prepared by the National Association of Insurance Commissioners concerning the use of credit scoring. The study done by the American Academy of Actuaries concluded that there is a measur-

able correlation between poor credit and an increased claims risk. The testimony by those who appeared in opposition was quite compelling that this kind of legislation will cause premiums to escalate. Vote 16-0.

HB 596-FN, relative to health plan loss information. **OUGHT TO PASS WITH AMENDMENT**
Rep. Leo W. Fraser Jr. for Commerce: This legislation would allow insured clients in groups of fifty or larger to obtain loss information from the insurer. The current law, according to testimony of the New Hampshire Insurance Department, is vague, and does not really allow large employers to have access to this information. Vote 13-0.

Amendment (0887h)

Amend RSA 420-G:12-a, IV as inserted by section 1 of the bill by deleting it.

HB 601, relative to the long-term care insurance act. **OUGHT TO PASS**

Rep. Leo W. Fraser, Jr. for Commerce: Long term care is becoming more and more of a very sensitive and vital issue and its cost implications. Obviously we as a society are living longer and utilization has increased the cost of long term care which continues to spiral upwards. This bill, introduced at the request of the New Hampshire Insurance Department amends existing statutes by implementing the National Association of Insurance Commissioners Model Bill. This bill regulates the long-term statute by significantly tightening up the regulation of the long term care market place, addresses abuses of past claims indemnity, provides a 30-day free look to consumers. Beyond that, amendments address changes in the Health Insurance Portability and Accountability Act of 1996 (HIPPA). Vote 14-0.

HB 604, relative to the filing of federal liens under the uniform federal lien registration act. **IN-EXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: This proposed legislation was an effort to place in the RSA's a requirement that prior to implementation of a federal lien on property (i.e. IRS). The federal agency must show evidence of due process before the lien is recorded. The committee felt that this proposal would not be appropriate, as it would fly in the face of the Uniform Federal Lien Registration Act, a federal law that would take precedence over the laws of New Hampshire. This proposed legislation was introduced at the request of one New Hampshire citizen who had a lien placed on his property by the Internal Revenue Service for failure to pay his taxes. Vote 14-0.

HB 646-FN, relative to liquor licenses and fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Dennis P. Vachon for Commerce: This bill makes a variety of changes in the laws relative to liquor licenses and fees at the request of the liquor commission. The changes include the creation of a rectifier license and carrier vehicle license. The bill also creates new definitions for private clubs and corkage licenses. The bill would also provide for multiple year licenses, combine in fee structure for liquor vendors and wine vendors and adjusting the fee so that the bill remains revenue neutral. Vote 15-0.

Amendment (0793h)

Amend RSA 175:1, XXXI-b as inserted by section 6 of the bill by replacing it with the following:

XXXI-b. "Food service business" means a business kept, used, maintained, advertised, and held out to the public primarily as a place where meals are served. At least 50 percent of the sales of a food service business shall be food consumed on the premises. A food service business with annual food sales of at least \$75,000 shall be exempt from the 50 percent requirement.

Amend RSA 178:12, II as inserted by section 13 of the bill by replacing it with the following:

II. The holder of a beverage manufacturer license may be issued one on-premises license for the manufacturer's premises, providing all requirements of the license are fulfilled. The annual fee for each license issued under this section shall be as required under RSA 178:29.

Amend RSA 178:29, III(c) as inserted by section 13 of the bill by replacing it with the following:

(c) Wholesale distributor license, \$2,500.

Amend RSA 178:29, V(d) as inserted by section 13 of the bill by replacing it with the following:

(d)(1) Wine and liquor representative with 4 or fewer salespersons, \$500.

(2) Wine and liquor representative with 5 or more salespersons, \$1,000.

Amend RSA 179:27-a, I as inserted by section 26 of the bill by replacing it with the following:

I. Notwithstanding any other provision of law, any ~~[on-sale licensee, which maintains a license for a restaurant, as defined by RSA 175:1, XXXIII or LIX, where full course meals are regularly served in conjunction with such]~~ *food service business holding an on-premises license* may allow

any person who has purchased a full course meal and purchased and partially consumed a bottle of table wine with said meal, to remove such partially consumed bottle from the premises upon departure, provided that the person is not in a state of intoxication as defined in RSA 507-F:1, IV and such bottle of table wine is removed and transported in a manner consistent with paragraph II.

Amend RSA 179:54, I as inserted by section 37 of the bill by replacing it with the following:

I. All new beverage installations on ~~[on-sale]~~ *on-premises* licensees' premises, except in ~~[the part of premises of licensees operating as a full-service restaurant]~~ *food service businesses holding on-premises licenses*, shall have their taps in view of the public.

Amend RSA 180:1, IV as inserted by section 38 of the bill by replacing it with the following:

IV. ~~["Goodwill,"]~~ *"Good will,"* unless otherwise agreed, means earnings before taxes resulting from the wholesale distributor's sale of the beverage manufacturer's~~;~~ *or* beverage vendor's~~;~~ *or beverage vendor importer's* brand or brands of beverages averaged over the wholesale distributor's last 3 fiscal years, or averaged over the wholesale distributor's recent fiscal years in which the wholesaler has had such earnings if fewer than 3 fiscal years.

Amend RSA 180:5 as inserted by section 46 of the bill by deleting paragraph III.

HB 684-FN, relative to the insurance rating law. OUGHT TO PASS WITH AMENDMENT

Rep. Leo W. Fraser, Jr. for Commerce: This legislation, as amended, was introduced at the request of the New Hampshire Insurance Department. It revises several rating laws for property and casualty. There are three changes in the RSA's. First, currently personal lines auto and homeowners insurance are insurance products that are subject to prior approval. With the proposed changes personal lines would now become file and use. In other words, the insurance company would be permitted to file the new or amended forms and 30 days thereafter would be allowed to commence marketing these new amended products. The 30 days would provide a window for the insurance department to review. Secondly, the bill would permit rates for commercial lines to become line and file. Today commercial lines, are usually for information purposes only. Third, this proposed legislation would address lines such as medical malpractice or liquor liability, rate filings must be reviewed and subject to prior approval. The whole idea of the bill is to address speed to market while at the same time providing the necessary consumer protection. Vote 15-0.

Amendment (0388h)

Amend RSA 412:2, I(c) as inserted by section 1 of the bill by replacing it with the following:

(c) To any combination of any of the foregoing insurance, on risks or operations located in this state.

Amend RSA 412:2, II(d) as inserted by section 1 of the bill by replacing it with the following:

(d) Insurance on vessels or craft, their cargoes, marine builders' risks, marine protection and indemnity, or other risks commonly insured under ocean marine, as determined by the commissioner.

Amend RSA 412:5, I as inserted by section 1 of the bill by replacing it with the following:

I. Every insurer and advisory organization shall file policy forms, endorsements, and other contract language covered by this chapter and RSA 264, for a waiting period of 30 days before it becomes effective, which period may be extended by the commissioner for an additional period not to exceed 30 days if written notice or electronic notice is given within the initial 30-day waiting period to the insurer or advisory organization which made the filing that additional time is needed for the consideration of the filing. Upon written application by the insurer or advisory organization, the commissioner may authorize a filing which has been reviewed to become effective before the expiration of the waiting period or extension thereof. A filing shall be deemed to meet the requirements of this chapter unless disapproved by the commissioner within the waiting period or extension thereof. Every policy issued by an insurer on an unapproved form shall constitute a separate violation under RSA 412:40.

Amend the subdivision heading preceding RSA 412:8 by replacing it with the following:

Forms Regulation - Motor Vehicle Insurance

Amend RSA 412:15, I as inserted by section 1 of the bill by replacing it with the following:

I. Rates shall not be excessive, inadequate, or unfairly discriminatory.

(a) A rate in a competitive market is not excessive.

(b) A rate in a noncompetitive market is excessive if it is likely to produce a profit that is unreasonably high for the insurance provided or if expenses are unreasonably high in relation to services rendered.

(c) A rate is inadequate if:

(1) The rate is unreasonably low for the insurance provided and the continued use of the rate endangers the solvency of the insured using it; or unless

(2) The rate is unreasonably low for the insurance provided and the use of the rate by the insurer has, or if continued will have, the effect of substantially lessening competition or the tendency to create monopoly in any market.

(d) Unfair discrimination exists if, after allowing for practical limitations, price differentials fail to reflect equitably the differences in expected losses and expenses. A rate is not unfairly discriminatory if it is averaged broadly among persons insured under a group, franchise or blanket policy or a mass marketed plan. In this paragraph, a mass marketed plan means a method of selling property-liability insurance wherein:

(1) The insurance is offered to employees of particular employers or to members of particular associations or organizations or to persons grouped in other ways, except groupings formed principally for the purpose of obtaining such insurance; and

(2) The employer, association or other organization, if any, has agreed to, or otherwise affiliated itself with, the sale of such insurance to its employees or members.

Amend the introductory paragraph of RSA 412:16, III as inserted by section 1 of the bill by replacing it with the following:

III. Every insurer shall file or incorporate by reference to material that has been filed with or approved by the commissioner, at the same time as the filing of the rate, all supplementary rating and supporting information to be used in support of or in conjunction with a rate. The information furnished in support of a filing may include or consist of a reference to:

Amend RSA 412:25 as inserted by section 1 of the bill by replacing it with the following:

412:25 Advisory Organizations; Filing Requirements. Every advisory organization shall file with the commissioner before the effective date every statistical plan, all prospective loss costs, provisions for special assessments and all supplementary rating information and every change or amendment or modification of any of the foregoing proposed for use in this state. Such filings shall be subject to the provisions of RSA 412:16 and RSA 412:19 and other provisions of this chapter relating to filings made by insurers.

HB 694-FN, relative to tobacco product manufacturers not entering master settlement agreements. OUGHT TO PASS WITH AMENDMENT

Rep. Leo W. Fraser, Jr. for Commerce: This legislation intended to deal with tobacco product manufacturers who are not participating manufacturers in the Master Settlement Agreement of 1998. Under the terms of that agreement manufacturers are obligated to pay substantial sums of money to the states in perpetuity. In 1999 the New Hampshire legislature enacted RSA Chapter 541-C affecting manufacturers who did not enter into the Master Agreement. They are required to set aside funds based on volume of sales, in escrow accounts so that sufficient funds will be available in the event of a future judgement on a settlement against non-participating manufacturers. The Attorney General's Office has been vigorously enforcing these provisions. However, over 30 US and foreign non-participating manufacturers of tobacco products were being sold in New Hampshire. Approximately 2/3rds of those companies came into compliance. This proposed legislation is intended to enhance the ability of the state to enforce RSA 541-C by requiring non-participating manufacturers to annually submit detailed certifications under the penalty of perjury concerning their compliance with the New Hampshire escrow statute. Vote 15-0.

Amendment (0857h)

Amend the introductory paragraph of RSA 541-D:3, I as inserted by section 1 of the bill by replacing it with the following:

I. Every tobacco product manufacturer whose cigarettes are sold in this state whether directly or through a distributor, retailer or similar intermediary or intermediaries shall execute and deliver on a form prescribed by the attorney general a certification to the attorney general no later than the thirtieth day of April each year, certifying under penalty of perjury that, as of the date of such certification, such tobacco product manufacturer either is a participating manufacturer, or is in full compliance with RSA 541-C.

Amend RSA 541-D:4, I and II as inserted by section 1 of the bill by replacing them with the following:

1. Any non-resident or foreign non-participating manufacturer that has not registered to do business in the state as a foreign corporation or business entity shall, as a condition precedent to having its brand families listed or retained in the directory, appoint and continually engage without interruption the services of an agent in this state to act as agent for the service of process on whom all process, and any action or proceeding against it concerning or arising out of the enforcement of the Master Settlement Agreement and RSA 541-C, may be served in any manner authorized by law. Such service shall constitute legal and valid service of process on the non-participating manufacturer. The non-participating manufacturer shall provide the name, address, phone number, and proof of the appointment and availability of such agent to and to the satisfaction of the attorney general.

II. The non-participating manufacturer shall provide notice to the attorney general 30 calendar days prior to termination of the authority of an agent and shall further provide proof to the satisfaction of the attorney general of the appointment of a new agent no less than 5 calendar days prior to the termination of an existing agent appointment. In the event an agent terminates an agency appointment, the non-participating manufacturer shall notify the attorney general of said termination within 5 calendar days and shall include proof to the satisfaction of the attorney general of the appointment of a new agent.

Amend RSA 541-D:5, II as inserted by section 1 of the bill by replacing it with the following:

II. As provided under RSA 21-J:14, XII, the commissioner is authorized to disclose to the attorney general or designee any information received under this chapter and requested by the attorney general or designee for purposes of determining compliance with and enforcing the provisions of this chapter. The commissioner and attorney general shall share with each other the information received under this chapter, and may share such information with other federal, state or local agencies only for purposes of enforcement of this chapter, the Master Settlement Agreement, RSA 541-C, or corresponding laws of other states.

Amend RSA 541-D:6 as inserted by section 1 of the bill by replacing it with the following:

541-D:6 Penalties and Other Remedies.

I. In addition to or in lieu of any other civil or criminal remedy provided by law, upon a determination that any person has violated RSA 541-D:3, III or any rule adopted pursuant thereto, the commissioner may revoke or suspend the license of any stamping agent in the manner provided by RSA 78:6. Each stamp affixed and each offer to sell cigarettes in violation of RSA 541-D:3, III shall constitute a separate violation. For each violation hereof, the commissioner may also impose a civil penalty in an amount not to exceed the greater of 500 percent of the retail value of the cigarettes sold or \$5,000 upon a determination of violation of RSA 541-D:3, III or any rules adopted pursuant thereto. Such penalty shall be imposed in the manner provided by RSA 78.

II. Any cigarettes that have been sold, offered for sale, or possessed for sale in this state, in violation of RSA 541-D:3, III shall be deemed contraband under RSA 78:16 and such cigarettes shall be subject to seizure and forfeiture as provided in such section, and all such cigarettes so seized and forfeited shall be destroyed and not resold.

III. The attorney general, on behalf of the commissioner, may seek an injunction to restrain a threatened or actual violation of RSA 541-D:3, III, 541-D:5, I, or 541-D:5, IV, by a stamping agent and to compel the stamping agent to comply with such provisions. In any action brought pursuant to this section, the state shall be entitled to recover the costs of investigation, costs of the action, and reasonable attorney's fees.

Amend the bill by inserting after section 1 the following and renumbering the original sections 2-4 to read as 3-5, respectively:

2 New Paragraph; Confidentiality of Department Records. Amend RSA 21-J:14 by inserting after paragraph XI the following new paragraph:

XII. Department records, files, or information obtained by the commissioner or other department employee under the provisions of RSA 78, RSA 541-C, or RSA 541-D may be disclosed to the attorney general, or designee, and other federal, state, or local agencies as provided under RSA 541-D:5, II.

HB 711-FN, relative to the regulation of retail installment sales of motor vehicles. **OUGHT TO PASS WITH AMENDMENT**

Rep. Randolph N. Holden for Commerce: This bill as amended and requested by the New Hampshire Banking Department, recodifies RSA 361-A relative to retail sellers and sales finance companies. The bill as amended will not only make it easier to do business in New Hampshire, but will

give the department the tools that it needs to improve consumer protections. The bill streamlines the licensing process for retail sellers and sales finance companies by reducing paperwork for license renewal. In addition, the bill provides for a new expanded penalty section allowing the Commissioner to impose monetary penalties for violations of the statute. The bill as amended would create greater efficiency in the department, allowing for more emphasis on the examination and investigation processes. Finally, the amendment changes the effective date of the bill, eliminating the projected revenue loss for fiscal year 2004. Vote 13-0.

Amendment (0889h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Definitions; "Branch Office" Added. Amend RSA 361-A:1 by inserting after paragraph II the following new paragraph:

II-a. "Branch office" means a business location within this state of a person required to be licensed under this chapter. "Branch office" does not include a person's principal office location.

2 New Paragraph; Definitions; "Commissioner" Inserted in Alphabetical Order. Amend RSA 361-A:1 by inserting after paragraph III the following new paragraph:

III-a. "Commissioner" means the bank commissioner.

3 New Paragraph; Definitions; "Principal Office" Added. Amend RSA 361-A:1 by inserting after paragraph VIII the following new paragraph:

VIII-a. "Principal office" means the main office location of a person required to be licensed under this chapter.

4 Licensing of Sales Finance Companies and Retail Sellers Required; Requirements Added. RSA 361-A:2, II – VI are repealed and reenacted to read as follows:

II.(a) The application for such license shall be in writing, under oath and in the form prescribed by the commissioner. The application shall contain the name of the applicant; date of incorporation, if incorporated; the address where the business is or is to be conducted and similar information as to any branch office of the applicant; the name and resident address of the owner or partners or, if a corporation or association, of the directors, trustees and principal officers; the trade name, if any, under which the applicant proposes to conduct such business; and such other pertinent information as the commissioner may require.

(b) Every applicant for licensing under this chapter shall file with the commissioner, in such form as the commissioner prescribes by rule, irrevocable consent appointing the commissioner to receive service of any lawful process in any non-criminal suit, action, or proceeding against the applicant or the applicant's successor, executor, or administrator which arises under this chapter or any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by this chapter or any rule or order under this chapter, and such person has not filed a consent to service of process under this section and personal jurisdiction over such person cannot otherwise be obtained in this state, that conduct shall be considered equivalent to such person's appointment of the commissioner to receive service of any lawful process. Service may be made by leaving a copy of the process in the office of the commissioner along with \$5, but is not effective unless:

(1) The plaintiff, who may be the attorney general in a suit, action, or proceeding instituted by him or her, forthwith sends a notice of the service and a copy of the process by registered mail to the defendant or respondent at such person's last address on file with the commissioner; and

(2) The plaintiff's affidavit of compliance with this paragraph is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

(c) If a person holds a valid license under this section and is in compliance with this chapter and the rules thereunder, such licensee may renew the license by paying the required fee to the banking department on or before December 1 for the ensuing year that begins on January 1. Failure to renew the license shall result in the license terminating on December 31.

III. Sales finance company license applicants shall at the same time file with the commissioner a \$25,000 surety bond to the state for the use of the state and any person who may have a cause of action against the principal in the bond under the provisions of this chapter, and conditioned that the principal will conform to and abide by each provision of this chapter and will pay to the state and to any such person any sum that may become due or owing under this chapter from the prin-

principal of the bond to the state or to such person. Recovery against the bond may be made by the state after due notice and hearing in accordance with the provisions of RSA 541-A, and by any such person who may have obtained a final judgment in a court of competent jurisdiction naming said principal. The surety bond shall be continuous and shall include a provision requiring the surety to give written notice to the commissioner 20 days in advance of the cancellation or termination of the bond. Every bond shall provide that no recovery may be made against the bond unless the state makes a claim for recovery or the person brings suit naming the principal within 6 years after the act upon which the recovery or suit is based.

IV. Each initial and renewal retail seller application shall be accompanied by a nonrefundable application fee of \$50 for the principal place of business of the licensee and the sum of \$30 for each branch of such licensee maintained in this state.

V. Each initial and renewal sales finance company application shall be accompanied by a nonrefundable application fee of \$350 for the principal place of business of the licensee within this state or outside of this state, and the sum of \$100 for each branch of such licensee maintained in this state. A person required to obtain a license under the provisions of this section shall not be required to obtain a license as a retail seller.

VI. Sums collected under this chapter shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the commissioner, consumer credit administration division.

VII. Each license shall specify the location of the office or branch and shall be conspicuously displayed there in a public area. In case such location is changed, the commissioner shall endorse the change of location on the license without charge.

VIII.(a) Upon the filing of the complete application for a sales finance company license and payment of the required application fee, if the bank commissioner determines that the applicant's financial resources and responsibility, experience, personnel, and record of past or proposed conduct warrant the public's confidence and that the business will be operated lawfully, honestly, and fairly within the purposes of this chapter, the commissioner shall enter an order approving such application and shall issue a license to the applicant and shall issue licenses to the applicant's branches to engage in the business of a sales finance company under and in accordance with the provisions of this chapter. Each sales finance company license shall expire on December 31 of each calendar year.

(b) Upon the filing of a complete application for a retail seller license and payment of the required application fee, if the commissioner determines that the applicant's experience and record of past or proposed conduct warrant the public's confidence and that the business will be operated lawfully, honestly and fairly within the purposes of this chapter, the commissioner shall enter an order approving such application and shall issue a license to the applicant and shall issue licenses to the applicant's branches to engage in the business of a retail seller under and in accordance with the provisions of this chapter. Each retail seller license shall expire on December 31 of each calendar year.

(c) No license issued under this chapter shall be transferable or assignable.

IX. No licensee shall transact any business provided for by this chapter under a trade name or any other name different from the name stated in its license or branch office license without immediately notifying the commissioner, who shall then amend the license accordingly.

X. No license shall be issued to any person whose principal place of business is located outside of this state unless that person designates an agent residing within this state for service of process.

XI. Each license issued under the provisions of this chapter shall state the name and address of the principal office of the licensee and, if the license is a branch office license, the name and address of the branch office location for which that license is issued.

XII. Retail sellers and sales finance companies licensed under this chapter are under a continuing obligation to update information on file with the commissioner. If any information filed with the commissioner becomes materially inaccurate, the retail seller and sales finance company licensee must promptly submit to the commissioner an amendment to its application records that will correct the information on file with the commissioner. An amendment shall be considered to be filed promptly if the amendment is filed within 30 days of the event that requires the filing of the amendment.

5 Annual Report; Financial Statement Added. Amend RSA 361-A:2-b to read as follows:
361-A:2-b Annual Report.

I.(a) Each sales finance company licensee shall file, under oath, an annual report with the [bank] commissioner on or before February 1 each year concerning operations for the preceding year or

license period ending December 31 upon a form prescribed by the [bank] commissioner. [~~When- ever a licensee operates 2 or more licensed offices or whenever 2 or more affiliated licensees op- erate licensed offices, then a composite report of such group of licensed offices may be filed in lieu of individual reports.~~]

(b) *Each sales finance company shall also file, under oath, its financial statement with the commissioner within 90 days from the date of its fiscal year end. The financial statement shall be prepared in accordance with generally accepted accounting principles and shall include a balance sheet, income statement, statement of changes in owners' equity, a cash flow state- ment and note disclosures. If the financial statement is not audited, a certification statement shall be attached and signed by a duly authorized officer of the sales finance company. The certifica- tion statement shall state that the financial statement is true and accurate to the best of the officer's belief and knowledge.*

(c) *In lieu of the requirements of subparagraph (b), publicly traded licensees may submit copies of their most recent Securities and Exchange Commission 10K and 100 statement.*

II. The [bank] commissioner shall publish an analysis of the information required [~~under this section~~] in the sales finance company's annual report as part of the [bank] commissioner's annual report.

III. Any [licensee] sales finance company failing to file *either the annual report or the finan- cial statement* required by this section within the time prescribed shall pay to the [bank] commis- sioner a penalty of \$25 for each calendar day the *annual report or financial statement* is overdue. [~~If a licensee elects to file a composite report and the composite report is not filed on or before February 1 as required in this section, the penalty prescribed in this section shall apply separately for each license and branch license included in the composite report.~~]

IV. In addition to the annual report *and financial statement* required by this section, the [bank] commissioner may require such regular or special reports as the commissioner deems necessary to the proper supervision of licensees under this chapter.

V. A licensee who files an annual report under this section which fails to disclose or materi- ally [~~underdiscloses~~] *misstates* retail installment contracts made during the reporting year may, after *notice and opportunity* for hearing pursuant to RSA 541-A, be subject to a fine of not more than \$1,000 and to license revocation or suspension pursuant to RSA 361-A:3.

6 Suspension or Revocation of Licenses; Show Cause Order Added; Nonexistent Businesses Added. RSA 361-A:3 is repealed and reenacted to read as follows:

361-A:3 Suspension or Revocation of Licenses.

I. The commissioner may, by order, deny, suspend, or revoke any license or application if the commissioner finds that the order is in the public interest and the applicant, or licensee, any part- ner, officer or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the applicant or licensee:

(a) Has filed an application for licensing which as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) Has made a false or misleading statement to the commissioner or in any reports to the commissioner;

(c) Has made fraudulent misrepresentations, has circumvented or concealed, through what- ever subterfuge or device, any of the material particulars required to be stated or furnished to a borrower under the provisions of this chapter;

(d) Has failed to supervise its agents, managers or employees;

(e) Is the subject of an order entered within the past 5 years by this state, any other state, or federal regulator denying, suspending, or revoking licenses or registration;

(f) Is permanently, preliminarily, or temporarily enjoined by any court of competent juris- diction from engaging in or continuing any conduct or practice involving any aspect of lending or collection activities;

(g) Is not qualified on the basis of such factors as experience, knowledge and financial integrity;

(h) Has engaged in dishonest or unethical practices in the conduct of making retail install- ment transactions or collecting on retail installment contracts;

(i) Has violated this chapter or any rule or order thereunder or has violated applicable federal laws or rules thereunder; or

(j) For other good cause shown.

II. If a licensee is a partnership, association, corporation, or entity however organized it shall be sufficient cause for the suspension or revocation of a license that any officer, director or trustee of a licensed association or corporation or any member of a licensed partnership has so acted or failed to act in behalf of said licensee as would be cause for suspending or revoking a license to such party as an individual. Each licensee shall be responsible for supervision of its branch offices and for the acts of any or all of his or her employees while acting as his or her agent if such licensee, after actual knowledge of said acts, retained the benefits, proceeds, profits or advantages accruing from said acts or otherwise ratified said acts.

III. Any license revocation, suspension, or unfavorable action by the department on a license shall comply with the provisions of RSA 541-A. An aggrieved licensee may, pursuant to RSA 541-A and RSA 541, appeal an unfavorable action by the department. The department may take action for immediate suspension of a license, pursuant to RSA 541-A.

IV. [Repealed.]

V. If the commissioner finds that any licensee or applicant for license is no longer in existence or has ceased to do business as a retail seller or sales finance company, or cannot be located after reasonable search, the commissioner may by order revoke the license or deny the application. The commissioner may deem abandoned and withdraw any application for licensure made pursuant to this chapter, if any applicant fails to respond in writing within 180 days to a written request from the commissioner requesting a response. Such request shall be sent via certified mail to the last known address of the applicant that is on file with the commissioner.

7 Cease and Desist Orders; Grounds Added. Amend RSA 361-A:3-a to read as follows:

361-A:3-a Cease and Desist Orders. Whenever the commissioner has reasonable cause to believe that any person is engaging in the business of a sales finance company or retail seller without obtaining a license as provided in this chapter, *or has engaged or is about to engage in any act or practice constituting a violation of this chapter, or any rule or order under this chapter*, the commissioner may, in addition to all actions provided for in this chapter, enter an order requiring such person to cease and desist from such violation. If any person refuses to obey such order, an action may be brought by the commissioner or by the attorney general on the commissioner's behalf in any superior court in this state to enjoin such person from engaging in or continuing such violation or from doing any act or acts in furtherance of such violation. In any such action, an order or judgment may be entered awarding a temporary or permanent injunction, and awarding the commissioner or the attorney general or both costs in bringing such action. The court shall have the power to enforce obedience to such injunction, in addition to all the court's customary powers, by a fine not exceeding \$10,000 or by imprisonment, or both.

8 Consumer Inquires; Certain Terms Replaced. Amend RSA 361-A:4-a to read as follows:

361-A:4-a Consumer Inquiries.

I. Consumer complaints naming [~~licensees~~] *retail sellers or sales finance companies* under this chapter, which are filed in writing with the office of the [~~bank~~] commissioner, shall be forwarded via certified or registered mail to the [~~licensee~~] *retail seller or sales finance company* for response within 10 days of receipt by the department. [~~Licensees~~] *Retail sellers or sales finance companies* shall, within 30 days after receipt of such complaint, send a written acknowledgment thereof to the consumer and the banking department. Not later than 60 days following receipt of such complaint, the [~~licensee~~] *retail seller or sales finance company* shall conduct an investigation of the complaint and either:

(a) Make appropriate corrections in the account of the consumer and [~~transmit~~] *submit* to the consumer and the banking department written notification of such corrections, including documentary evidence thereof; or

(b) [~~Transmit~~] *Submit* a written explanation or clarification to the consumer and the banking department which sets forth, to the extent applicable, the reasons why the licensee believes its actions are correct, including copies of documentary evidence thereof.

II. A [~~licensee~~] *retail seller or sales finance company* who fails to respond to consumer complaints as required by this section within the time prescribed shall pay to the commissioner the sum of \$50 for each day such response is overdue. For purposes of this section, the date of [~~transmission~~] *submission* shall be the date such response is [~~postmarked~~] *received by the banking department*.

III.(a) [~~Licensees~~] *Retail sellers or sales finance companies* who, because of extenuating circumstances beyond the control of the [~~licensee~~] *retail seller or sales finance company*, are unable to comply with the time frames prescribed in this section, may make written request to the commissioner for a waiver of such time frames. Waivers shall not be granted or considered unless the request for the waiver:

(1) Is received by the banking department within 50 days following the [~~licensee's~~] *retail seller's or sales finance company's* receipt of the complaint;

(2) Specifies the reason for the request; and

(3) Specifies a date certain by which the [~~licensee~~] *retail seller or sales finance company* shall comply with the provisions of this section.

(b) Requests for waivers shall be either granted or denied within 5 days of receipt by the banking department.

IV. [Repealed.]

9 Powers of Bank Commissioner; Rules, Forms, Orders, Penalty Abatement, Added; Grounds for Acting Added. Amend RSA 361-A:5 to read as follows:

361-A:5 Powers of [Bank] Commissioner.

I. The [bank] commissioner shall have the power to issue a subpoena to compel the attendance of witnesses and the production of documents, papers, books, records, and other evidence before the commissioner in any matter over which the commissioner has jurisdiction, control or supervision pertaining to the provisions of this chapter. The commissioner shall have the power to administer oaths and affirmation to any person whose testimony is required. If any person shall refuse to obey any such subpoena or to give testimony or to produce evidence as required thereby, any justice of the superior court may, upon application and proof of such refusal, order the issuance of a subpoena, or subpoena duces tecum, out of the superior court, for the witness to appear before the superior court to give testimony, and to produce evidence as required thereby. Upon filing such order in the office of the clerk of the superior court, the clerk shall issue such subpoena, as directed, requiring the person to whom it is directed to appear at the time and place therein designated. If any person served with any such subpoena shall refuse to obey the same, and to give testimony, and to produce evidence as required thereby, the [bank] commissioner may apply to any justice of the superior court who, after proof of such refusal, shall issue such citation, directed to any sheriff, for the arrest of such person, and, upon such person's being brought before such justice, proceed to a hearing of the case. The court shall have power to enforce obedience to such subpoena, and the answering of any question and the production of any evidence that may be proper, by a fine not exceeding \$10,000 or by imprisonment, or by both.

II. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to the administration and enforcement of this chapter.

III. The commissioner may prepare, alter, or withdraw such forms as are necessary to comply with the provisions of this title.

IV. The commissioner may issue, amend, or rescind such orders as are reasonably necessary to carry out the provisions of this chapter.

V. The commissioner may, for good cause shown, abate all or a portion of delinquency penalties assessed under this chapter.

VI. All actions taken by the commissioner pursuant to this chapter shall be taken only when the commissioner finds such action necessary or appropriate to the public interest or for the protection of consumers and consistent with the purposes fairly intended by the policy and provisions of this title.

10 New Paragraphs; Examinations; Recovery of Cost Added. Amend RSA 361-A:6-a by inserting after paragraph IV the following new paragraphs:

V. Every person being examined, and all of the officers, directors, employees, agents, and representatives of such person shall make freely available to the commissioner or his or her examiners the accounts, records, documents, files, information, assets, and matters in their possession or control relating to the subject of the examination and shall facilitate the examination.

(a) Upon receipt of a written report of examination, the licensee shall have 30 days or such additional reasonable period as the commissioner for good cause may allow, within which to review the report, recommend any changes and set forth in writing the remedial course of action the licensee will pursue to correct any reported deficiencies outlined in the report.

(b) If so requested by the person examined, within the period allowed in subparagraph (a), or if deemed advisable by the commissioner without such request, the commissioner shall hold a closed hearing relative to the report and shall not file the report in the department until after such closed hearing and issuance of his or her order thereon. If no such closed hearing has been requested or held, the examination report, with such modifications, if any, thereto as the commissioner deems proper, shall be accepted by the commissioner and filed upon expiration of the review period provided for in subparagraph (a). The report shall be accepted and filed within 6 months after final hearing.

(c) All reports pursuant to this section shall be privileged and although filed in the department as provided in subparagraph (b) shall not be for public inspection. The comments and recommendations of the examiner shall also be confidential information and shall not be available for public inspection.

VI. In any investigation to determine whether any person has violated or is about to violate this chapter or any rule or order under this chapter, upon the commissioner's finding that the person violated this chapter or a rule or order under this chapter, or the person charged with the violation being found in default, the commissioner shall be entitled to recover the cost of the investigation, in addition to any other penalty provided for under this chapter.

11 Advertising; Sales Finance Company Replaced with Person. Amend RSA 361-A:10-a, I to read as follows:

I. No ~~[sales finance company]~~ *person* shall advertise, print, display, publish, distribute, or broadcast or permit to be advertised, printed, displayed, published, distributed, or broadcast in any manner whatsoever any statement or representation with regard to the rates, terms, or conditions for the lending of money under the provisions of this chapter which is false, misleading, or deceptive. Any reference to the amount of a loan shall refer to the original principal amount. Any statement so made of the amount of an installment, or the rate or amount of interest charges required for any loan, shall comply with the provisions of the federal Consumer Credit Protection Act, as amended (15 U.S.C. 1601 et seq.).

12 New Paragraphs; Penalties; Penalties Added. Amend RSA 361-A:11 by inserting after paragraph III the following new paragraphs:

IV. Any person, other than the consumer, who holds or is a party to, in any manner, a retail installment contract that is not in compliance with this chapter may, upon notice and opportunity for hearing, be subject to penalty under this chapter.

V. Any person who knowingly violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension or revocation of any registration or license, or imposition of an administrative fine not to exceed \$2,500 for each violation in lieu of or in addition to such suspension or revocation as may be applicable under this title for violation of the provision to which a rule or order relates. Each of the acts specified shall constitute a separate violation.

VI. Any person who negligently violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or imposition of an administrative fine not to exceed \$1,500 for each violation in lieu of or in addition to such suspension or revocation as may be applicable under this title for violation of the provision to which a rule or order relates. Each of the acts specified shall constitute a separate violation.

VII. Any person who, either knowingly or negligently, violates any provision of this chapter may, upon notice and opportunity for hearing, and in addition to any such other penalty provided for by law, be subject to such suspension, revocation or denial of any registration or license, including forfeiture of any application fee, or imposition of an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and each such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed.

VIII. Every person who directly or indirectly controls a person liable under this section, every partner, principal executive officer or director of such person, every person occupying a similar status or performing a similar function, every employee of such person who materially aids in the act constituting the violation, and every licensee or person acting as a common law agent who materially aids in the acts constituting the violation, either knowingly or negligently, may, upon notice and opportunity for hearing, and in addition to any other penalty provided for by law, be subject to such suspension, revocation, or denial of any registration or license, including the forfeiture of any appli-

cation fee, or an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed. No person shall be liable under this paragraph who shall sustain the burden of proof that such person did not know, and in the exercise of reasonable care could not have known, of the existence of facts by reason of which the liability is alleged to exist.

13 New Section; Records and Filings. Amend RSA 361-A by inserting after section 12 the following new section:

361-A:13 Records and Filings.

I. A document is filed when it is received by the commissioner. If any filing deadline date falls on a weekend or on a New Hampshire state or federal legal holiday, the due date shall be automatically extended to the next business day following such weekend or holiday.

II. Electronic filings, when received by the commissioner, are deemed filed, and are prima facie evidence that a filing has been duly authorized and made by the signatory on the application or document, are admissible in any civil or administrative proceeding under this chapter, and are admissible in evidence in accordance with the rules of superior court in any action brought by the attorney general under this chapter.

III. A licensee may maintain its records in electronic format if, upon request, the licensee provides the commissioner with:

(a) A full explanation of the programming of any data storage or communications systems in use; and

(b) Information from any books, records, electronic data processing systems, computers or any other information storage system in the form requested by the commissioner.

14 Change from Bank Commissioner to Commissioner. Amend the following RSA provisions by replacing "bank commissioner" with "commissioner": 361-A:2-a, I; 361-A:4; 361-A:6; 361-A:6-a, I; and 361-A:8-a, I.

15 Repeal. RSA 361-A:1, XIV, relative to the definition of commissioner, is repealed.

16 Effective Date. This act shall take effect upon its passage.

HB 725, relative to fraternal benefit societies. OUGHT TO PASS

Rep. Leo W. Fraser Jr. for Commerce: This bill, introduced at the request of the New Hampshire Insurance Department, is an effort to update laws relating to fraternal benefit societies. The last changes took place in 1973. Over 40 states have adopted uniform statutory language promulgated by the National Fraternal Conference of America in 1983. This legislation brings New Hampshire into compliance. Although New Hampshire has sixteen licensed fraternal, only one is currently active and that is A.C.A. of Manchester, New Hampshire. The changes will (1) allow fraternal to own subsidiary corporations; (2) establish separate accounts for offering life and variable annuities; and (3) enable fraternal to provide new products and keep pace with any new authority granted to life insurers. Vote 14-0.

HB 762, relative to the transmission of unsolicited material via facsimile transmission. INEXPEDIENT TO LEGISLATE

Rep. Stephen T. DeStefano for Commerce: This bill prohibits the transmission of unsolicited material via facsimile transmission, and any person who receives unsolicited material may bring action for damages and ask for equitable relief of up to \$1000. The committee felt that in most cases the receiving party has the fax number of the sending party and can ask to be removed from their list. They also felt that the fines were excessive and could lead to unexpected ramifications. Vote 13-1.

HB 796-FN-L, relative to the taxation of manufactured housing. OUGHT TO PASS WITH AMENDMENT

Rep. Paul D. Spiess for Commerce: At present manufactured housing has a tax lien process and system, separate and distinct from other real estate. This bill provides that manufactured housing shall be treated the same as all real estate for tax purposes. This will simplify the tax lien process and standardize collection procedures. The second part of the committee amendment adds language to RSA 382 A, Article 9 of the Uniform Commercial Code (UCC) which was inadvertently left out when the code was updated in 2002. This correction was requested by the Secretary of State. Vote 13-0.

Amendment (0365h)

Amend the bill by replacing all after the enacting clause with the following:

1 Property Tax; Manufactured Housing. Amend RSA 72:7-a to read as follows:

72:7-a Manufactured Housing.

1. Manufactured housing suitable for use for domestic, commercial or industrial purposes is taxable *as real estate* in the town in which it is located on April 1 in any year if it was brought into the state on or before April 1 and remains here after June 15 in any year; except that manufactured housing as determined by the commissioner of revenue administration, registered in this state for touring or pleasure and not remaining in any one town, city or unincorporated place for more than 45 days, except for storage only, shall be exempt from taxation. This paragraph shall not apply to manufactured housing held for sale or storage by an agent or dealer.

1-a. Manufactured housing suitable for use for domestic, commercial or industrial purposes is taxable *as real estate* in the town, city or unincorporated place to which it is brought and located after April 1 and before the following January 1, provided that said manufactured housing remains in said town, city or unincorporated place for more than 10 weeks, except for storage only, and further provided a tax has not been assessed on it elsewhere in the state for that year. The tax shall be for the pro rata part of the tax year remaining when said manufactured housing became located in the town, city or unincorporated place. The selectmen or assessors may so require and it shall be an obligation of the owner to file with the selectmen or assessors a true and correct inventory of the property subject to taxation under this paragraph within 15 days of the location of the manufactured housing in such form as the commissioner of revenue administration may prescribe.

II. There shall be a lien for uncollected taxes upon any manufactured housing suitable for use for domestic, commercial or industrial purposes that has been taxed pursuant to paragraphs I and 1-a. Said lien shall take precedence over all other liens and encumbrances upon said manufactured housing and shall continue in force until 1-½ years from the assessment of the tax. ~~[The tax collector shall file with the town or city clerk, and with the register of deeds for the county in which the manufactured housing is then located, a copy of a document stating the existence of any such lien; the amount of the uncollected taxes secured by the lien, the name and address of the person liable for the tax as of the date of its assessment, and a description of the manufactured housing upon which the tax has been assessed. The town or city clerk shall keep a file of such documents, which shall be open to public inspection. Upon payment, release, or satisfaction of the lien, the tax collector shall file a notice thereof with the town or city clerk and with the register of deeds. There shall be no fees chargeable for any such filings with the town or city clerk.]~~ *Such taxes shall be subject to the collection procedures set forth in RSA 80 for real estate taxes.*

2 New Section; Proceedings Against Real Estate; Manufactured Housing; Mortgage. Amend RSA 80 by inserting after section 18 the following new section:

80:18-a Definition; Mortgage; Manufactured Housing. In this chapter, "mortgage" shall include a security interest in manufactured housing created and perfected as authorized by RSA 477:44, IV. A mortgagee shall include a holder of such a security interest.

3 Personal Property Lien; Manufactured Housing Removed. Amend RSA 454-C:3, II to read as follows:

II. Except as otherwise provided in RSA 454-C:7, and only as to federal[;] *and state*~~[;and manufactured housing]~~ tax liens, whenever any such lien, or a full release of any such lien, is filed with a city or town clerk, the clerk shall within 2 business days transmit to the secretary of state, by mail or other medium prescribed or authorized by the secretary of state, a copy of, or an electronic record of all information contained in, the notice of filing of lien or notice of full release of lien submitted by the person or agency filing the lien or release pursuant to RSA 454-C:2. The term "business day" as used in the preceding sentence shall mean a day on which the clerk's office is open for business. Only the notice itself or electronic record thereof shall be so transmitted, not the other lien documentation filed with the notice. The secretary of state within 3 business days of such receipt shall enter an image of the notice or the information contained therein in the index, and shall periodically transmit to each such clerk an acknowledgment of receipt of such notices or electronic records. Pursuant to the statutes providing for the filing of each type of lien listed in RSA 454-C:1, I, no such liens other than federal[;] *and state*~~[;and manufactured housing]~~ tax liens will be filed with city or town clerks subsequent to the effective date of this chapter.

4 Personal Property Lien Index; Transition Period; Manufactured Housing Removed. Amend RSA 454-C:7, IV to read as follows:

IV. Notwithstanding the provisions of RSA 454-C:3, whenever a full release of any pre-effective-date federal[;] *or state*~~[;or manufactured housing]~~ tax lien is filed with a town or city clerk, and (in the case of federal tax liens) a notice of filing of such lien or electronic record thereof has

not previously been transmitted to the secretary of state pursuant to paragraph II, such clerk shall remove the lien being released from the file, and shall not forward the notice of full release to the secretary of state; and whenever a full release of any pre-effective-date lien of any type is filed with the secretary of state, and information regarding such lien has not previously been entered in the index pursuant to paragraph III, the secretary of state shall remove the lien being released from the file, and shall not enter an image of the notice of full release, or the information contained therein, in the index.

5 Secretary of State; Removal of Manufactured Tax Lien Index. The secretary of state shall remove from the consolidated lien index maintained pursuant to RSA 454-C:1 all information pertaining to manufactured housing tax liens filed and maintained prior to the repeal by this act of RSA 454-C:1, I(j). Such removal shall not be deemed to invalidate any such lien.

6 Uniform Commercial Code; General Definitions; Security Interest. Amend RSA 382-A:1-201(37) to read as follows:

(37) "Security interest" means an interest in personal property or fixtures which secures payment or performance of an obligation. The term also includes any interest of a consignor and a buyer of accounts, chattel paper, a payment intangible, or a promissory note in a transaction that is subject to Article 9. The special property interest of a buyer of goods on identification of those goods to a contract for sale under Section 2-401 is not a "security interest", but a buyer may also acquire a "security interest" by complying with Article 9. Except as otherwise provided in Section 2-505, the right of a seller or lessor of goods under Article 2 or 2A to retain or acquire possession of the goods is not a "security interest", but a seller or lessor may also acquire a "security interest" by complying with Article 9. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer (Section 2-401) is limited in effect to a reservation of a "security interest". *Whether a transaction creates a lease or security interest is determined by the facts of each case; however, a transaction creates a security interest if the consideration the lessee is to pay the lessor for the right to possession and use of the goods is an obligation for the term of the lease not subject to termination by the lessee, and:*

(a) the original term of the lease is equal to or greater than the remaining economic life of the goods,

(b) the lessee is bound to renew the lease for the remaining economic life of the goods or is bound to become the owner of the goods,

(c) the lessee has an option to renew the lease for the remaining economic life of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement, or

(d) the lessee has an option to become the owner of the goods for no additional consideration or nominal additional consideration upon compliance with the lease agreement.

A transaction does not create a security interest merely because it provides that

(a) the present value of the consideration the lessee is obligated to pay the lessor for the right to possession and use of the goods is substantially equal to or is greater than the fair market value of the goods at the time the lease is entered into,

(b) the lessee assumes risk of loss of the goods, or agrees to pay taxes, insurance, filing, recording, or registration fees, or service or maintenance costs with respect to the goods,

(c) the lessee has an option to renew the lease or to become the owner of the goods,

(d) the lessee has an option to renew the lease for a fixed rent that is equal to or greater than the reasonably predictable fair market rent for the use of the goods for the term of the renewal at the time the option is to be performed, or

(e) the lessee has an option to become the owner of the goods for a fixed price that is equal to or greater than the reasonably predictable fair market value of the goods at the time the option is to be performed.

For purposes of this subsection (37):

(x) Additional consideration is not nominal if (i) when the option to renew the lease is granted to the lessee the rent is stated to be the fair market rent for the use of the goods for the term of the renewal determined at the time the option is to be performed, or (ii) when the option to become the owner of the goods is granted to the lessee the price is stated to be the fair market value of the goods determined at the time the option is to be performed. Additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;

(y) "Reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and

(z) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

A rent-to-own agreement, as defined in RSA 358-P:2, V, shall not create or be construed as a "security interest".

7 Repeal. RSA 454-C:1, I(j), relative to the index of manufactured housing tax liens, is repealed.

8 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill provides that manufactured housing shall be taxed and treated as real estate, and eliminates the separate manufactured housing tax lien system.

The bill also makes a change to the definition of security interest in the uniform commercial code.

HB 798, relative to gifts by fiduciaries. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stephen B. Stepanek for Commerce: This bill comes as a request from the Department of Health and Human Services. The purpose of this legislation and its amendments is to clarify the procedure for gifts by guardians or agents pursuant to the durable power of attorney. The Probate Court reviews any gifts that would adversely affect the wards housing options access to care and services, general welfare or quality of life. Vote 14-0.

Amendment (0784h)

Amend the bill by replacing all after the enacting clause with the following:

1 Estate Planning by Guardian. Amend RSA 464-A:26-a, III(f) and (g) to read as follows:

(f) The ward's prior estate planning action, including significant life-time gifts, will, beneficiary designations, joint ownership, or trusts; ~~and~~

(g) The ward's family situation, including the family members who would inherit from the ward if the ward dies intestate;

(h) Whether the gift is intended to reduce the ward's assets or income in order to qualify him or her for medicaid or other governmental benefits;

(i) The ward's housing situation during the 12 months prior to the filing of the petition and the impact of the proposed gift on the ward's housing, including whether the proposed gift will leave the ward with sufficient assets and resources to maintain his or her housing; and

(j) A description of the care and services that the ward requires and is currently receiving, and the impact of any proposed gift on the ward's access to care and services.

2 Estate Planning by Guardian. Amend RSA 464-A:26-a, V to read as follows:

V.(a) Before authorizing the guardian to make lifetime gifts or to plan for the testamentary distribution of the ward's estate, the probate court must find, by a preponderance of the evidence, that:

~~[(a)]~~ (1) The proposed gifts and/or testamentary plan are consistent with the ward's wishes; ~~or~~

~~[(b)]~~ (2) The testamentary distribution of the ward's estate will minimize taxation and/or facilitate distribution of the ward's estate to family, friends, or charities who would be likely recipients of gifts from the ward.

(b) No proposed gift shall be approved by the court unless the court finds by clear and convincing evidence, that:

(1) The proposed gift will not adversely affect the ward's housing options, access to care and services, general welfare, or quality of life;

(2) The proposed gift does not create any risk that the ward will be deprived of sufficient assets to cover his or her needs during any period of medicaid ineligibility that would result from the proposed gift.

(3) The proposed gift will not result in premature or unnecessary nursing home placement or institutionalization of the ward, or compromise the ward's access to care or services in the least restrictive setting in which his or her needs can be met.

VI. The probate court, prior to authorizing a lifetime gift, shall appoint a guardian ad litem if:

(a) The guardian is a beneficiary of a proposed gift that is not in accordance with the ward's personal history of making or joining in the making of lifetime gifts or an estate plan established prior to the guardianship; or

(b) The circumstances of the proposed gift benefit the guardian personally or otherwise create a potential conflict of interest between the ward's interests and the guardian's personal interests.

VII. The department of health and human services, county attorney, and the department of justice shall be notified and shall have the opportunity to address the court in any proceeding under this section if:

(a) There is a concern that the proposed gift will pose a risk that the ward will be deprived of sufficient assets to cover his or her needs during any period of ineligibility that would result from the proposed gift.

(b) There is a concern that the ward has been the victim of a crime or has been or is at risk of being abused, neglected, or exploited within the meaning of RSA 161-F:43.

3 Powers of Attorney; Disability or Incompetence of Principal. Amend RSA 506:6, V to read as follows:

V.(a) An attorney in fact is not authorized to make gifts, pursuant to the durable power of attorney, to the attorney in fact or to others unless:

(1) The durable power of attorney explicitly authorizes [such] gifts;

(2) The proposed gift will not exceed \$40,000 or 25 percent of the aggregate value of the estate within any calendar year, whichever is greater, unless the durable power of attorney expressly authorizes gifts in excess of this amount, or the gift is approved in advance by the court upon a determination that the gift is authorized in accordance with RSA 506:7, III(e);

(3) The proposed gift will not adversely affect the principal's housing options, access to care or services, general welfare, or quality of life, unless such an effect was clearly intended by the principal, as evidenced by the language of the durable power of attorney or surrounding facts and circumstances, or arises as a necessary implication from the conferred powers;

(4) Any gift to the agent is explicitly authorized in the durable power of attorney, is in accordance with the principal's personal history of making or joining in the making of lifetime gifts prior to the principal's incapacity or is approved in advance by the court upon a determination that the gift is authorized in accordance with RSA 506:7, III(e).

(b) This paragraph shall not in any way impair the right or power of the principal, by express words in the power of attorney, to further authorize, expand or limit the authority of any agent to make gifts of the principal's property.

4 Powers of Attorney. Amend RSA 506:6, VI-VIII to read as follows:

VI. The following disclosure statement, signed by the principal, [may] shall accompany a durable power of attorney:

INFORMATION CONCERNING THE DURABLE POWER OF ATTORNEY

THIS IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT

YOU SHOULD KNOW THESE IMPORTANT FACTS:

Notice to the Principal: As the "Principal," you are using this Durable Power of Attorney to grant power to another person (called the "Agent" or "Attorney in Fact") to make decisions, including, but not limited to, decisions concerning your money, property, or both, and to use your money, property, or both on your behalf. If this written Durable Power of Attorney does not limit the powers that you give to your Agent, your Agent will have broad and sweeping powers to sell or otherwise dispose of your property, and to spend your money without advance notice to you or approval by you. Under this document, your agent will continue to have these powers after you become incapacitated, and unless otherwise indicated your Agent will have these powers before you become incapacitated. You have the right to retain this Power and not to release this Power until you instruct your attorney or any other person who may hold this Power of Attorney to so release it to your Agent pursuant to written instructions. You have the right to revoke or take back this Durable Power of Attorney at any time, so long as you are of sound mind. If there is anything about this Durable Power of Attorney that you do not understand, you should seek professional advice.

The language required by this paragraph shall not confer any powers to the agent that are not otherwise contained in the durable power of attorney.

VII. An agent, prior to acting in the capacity of agent, [may] *shall* execute and affix to the power of attorney an acknowledgment in substantially the following form:

I, _____, have read the attached power of attorney and am the person identified as the Agent for the Principal. I hereby acknowledge that when I act as Agent or "attorney in fact," I am given power under this Durable Power of Attorney to make decisions about money, property, or both belonging to the Principal, and to spend the Principal's money, property, or both on the Principal's behalf, in accordance with the terms of this Durable Power of Attorney. This Durable Power of Attorney is valid only if the Principal is of sound mind when the Principal signs it. When acting in the capacity of Agent, I am under a duty (called a "fiduciary duty") to observe the standards observed by a prudent person, which means the use of those powers that is reasonable in view of the interests of the Principal and in view of the way in which a person of ordinary judgment would act in carrying out that person's own affairs. If the exercise of my acts is called into question, the burden will be upon me to prove that I acted under the standards of a fiduciary. As the Agent, I am not entitled to use the money or property for my own benefit or to make gifts to myself or others unless the Durable Power of Attorney specifically gives me the authority to do so. As the Agent, my authority under this Durable Power of Attorney will end when the Principal dies and I will not have authority to manage or dispose of any property or administer the estate unless I am authorized to do so by a New Hampshire Probate Court. If I violate my fiduciary duty under this Durable Power of Attorney, I may be liable for damages and may be subject to criminal prosecution. If there is anything about this Durable Power of Attorney, or my duties under it, that I do not understand, I understand that I should seek professional advice.

Agent

VIII. Nothing in paragraphs V-VII of this section shall render ineffective a durable power of attorney validly executed under New Hampshire law *in effect at the time of execution, provided, that any gift that is not in compliance with subparagraphs V(a)(2) through (4) shall require prior court authorization in accordance with RSA 506:7, III(e).*

5 New Subparagraph; Powers of Attorney; Limitations on the Agent. Amend RSA 506:7, III by inserting after subparagraph (d) the following new subparagraph to read as follows:

(e) To determine that particular gifts or other transactions are authorized. In determining the authority of an agent to make a gift, the court shall consider:

- (1) Evidence of the principal's intent;
- (2) The principal's personal history of making or joining in the making of lifetime gifts;
- (3) The principal's estate plan;
- (4) The principal's foreseeable obligations and maintenance needs and the impact of the proposed gift on the agent's housing options, access to care and services, general welfare and quality of life;
- (5) The income, gift, estate or inheritance tax consequences of the transaction;
- (6) Whether the proposed gift creates any risk that the principle will be deprived of sufficient assets to cover his or her needs during any period of medicaid ineligibility that would result from the proposed gift; and
- (7) Whether the proposed gift will result in premature or unnecessary nursing home placement or institutionalization of the principal, or compromise the principal's access to care or services in the least restrictive setting in which his or her needs can be met.

6 Powers of Attorney; Limitations on the Agent. Amend RSA 506:7, IV to read as follows:

IV.(a) The court may hold hearings, *issue injunctions*, make orders and decrees, and take other actions that are necessary or proper in making determinations *and providing relief* on matters presented by a petition filed under paragraph III.

(b) When a gift or transfer made by an agent is challenged in a petition filed under paragraph III of this section, the gift or transfer shall be presumed to be lawful if the durable power of attorney is accompanied by the disclosure statement and acknowledgement drafted in accordance with RSA 506:6, VI and VII, and explicitly authorizes such gifts or transfers *as set forth in RSA 506:6, V*. However, if the petitioner establishes that the agent made a transfer for less than adequate consideration, and the transfer is not explicitly authorized by a durable power of attorney drafted in accordance with RSA 506:6, VI and VII, the agent shall be required to prove by a preponderance of evidence that the transfer was authorized and was not a result of undue influence, fraud, or misrepresentation.

7 New Paragraphs; Powers of Attorney; Limitations on the Agent. Amend RSA 506:7 by inserting after paragraph VI the following new paragraphs:

VII. The probate court, prior to authorizing a lifetime gift in a proceeding under this section, shall appoint a guardian ad litem if:

(a) The agent is a beneficiary of a proposed gift that is not in accordance with the principal's personal history of making or joining in the making of lifetime gifts or an estate plan established prior to the principal's incapacity; or

(b) The circumstances of the proposed gift benefit the agent personally or otherwise create a potential conflict of interest between the principal's interests and the agent's personal interests.

VIII. The department of health and human services, county attorney, and the department of justice shall be notified and shall have the opportunity to address the court in any proceeding under this section if:

(a) There is a concern that the proposed gift will pose a risk that the ward will be deprived of sufficient assets to cover his or her needs during any period of medicaid ineligibility that would result from the proposed gift.

(b) There is concern that the principal has been the victim of a crime or has been or is at risk of being abused, neglected or exploited within the meaning of RSA 161-F:43.

8 Effective Date. This act shall take effect January 1, 2004.

HB 807-FN, increasing the filing fees for a fund raising counsel and a paid solicitor of a charitable trust. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kathleen N. Taylor for Commerce: This bill raises the filing fees for a fund raising counsel and a paid solicitor of a charitable trust. The committee heard testimony that many charities reap as little as 2% from a paid phone campaign after all fees are paid to the solicitor. On one occasion the charity raised nothing and had to pay the solicitor over \$1000. The additional fees will support the hiring of a financial analyst in the Attorney General's Office who will oversee these contracts and educate volunteer boards and executive directors of charities on the fine print contained in the contracts and their possible financial ramifications. Vote 13-1.

Amendment (0590h)

Amend the bill by replacing sections 2 and 3 with the following:

2 Paid Solicitor; Charitable Trusts; Fee Increased. Amend RSA 7:28-c, II to read as follows:

II. A paid solicitor shall register with the attorney general prior to engaging in any solicitation. Applications for registration or re-registration shall be in writing, under oath, in the form prescribed by the attorney general, and shall be accompanied by a fee of [~~\$200~~] **\$500**. The application shall contain such information as the attorney general shall require. Each registration is valid for one year and may be renewed for additional one-year periods upon application and payment of the fee.

3 Solicitor's Notice; Charitable Trusts; Fee Increased. Amend RSA 7:28-c, IV to read as follows:

IV. Prior to the commencement of each solicitation campaign, the paid solicitor shall file with the attorney general a completed "solicitation notice" on forms prescribed by the attorney general. The solicitation notice shall include a copy of the contract described in paragraph IV of this section, the projected dates when soliciting shall commence and terminate, the location and telephone number from where the solicitation shall be conducted, the name and residence address of each person responsible for directing and supervising the conduct of the campaign, a statement as to whether the paid solicitor shall at any time have custody of contributions, and a full description of the charitable program for which the solicitation campaign is being carried out. The charitable trust on whose behalf the paid solicitor is acting shall certify that the solicitation notice and accompanying material are true and complete to the best of its knowledge. The solicitation notice shall be accompanied by a fee of [~~\$75~~] **\$200**.

HB 816, making technical corrections to the securities laws. **OUGHT TO PASS WITH AMENDMENT**

Rep. Leo W. Fraser Jr. for Commerce: This bill has been introduced at the request of the Secretary of State's Office. It does the following things: (1) Narrows the definition of agent to exclude certain individuals who provide the Secretary of State with securities notice filings; (2) Defines broker-dealer and agent responsibility with respect to the suitability of recommended securities; (3) Inserts authorization to charge \$100 per diem and other expenses related to a securities broker examination; (4) Shortens the time period in which the Secretary of State may consider a license

application withdrawn for lack of information; (5) Clarifies and makes technical corrections to the filing requirements for the registration of securities; (6) Authorizes the Secretary of State, rather than the Attorney General, to perform certain investigatory and enforcement functions relative to securities regulation; and (7) Increases the fine for violation of a cease and desist order. The Attorney General's Office, in its testimony, was only concerned with one section of the bill. This was addressed in the amendment so that in all sections where the Secretary of State was noted, that was changed to the Attorney General or the Secretary of State. The final change is that once the takeover bid filing is complete and accurate, the hearing shall include the offeror and the target company as parties, and shall commence within 25 days after the filing of a registration statement. Vote 13-0.

Amendment (0771h)

Amend the bill by replacing sections 9 and 10 with the following:

9 Securities; Investigations and Subpoenas; Application by Secretary of State. Amend RSA 421-B:22. III to read as follows:

III. In the event that a person refuses to obey a subpoena issued to him *or her* or any order or determination the secretary of state is authorized to make, the superior court, upon application by the attorney general *or secretary of state or any officer designated by the secretary of state*, may issue to the person an order directing him *or her* to appear before the attorney general *or secretary of state*, or the officer designated by him *or her*, ~~[there to]~~ to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question. Failure to obey the order of the court may be punished by the court as a contempt of court.

10 Securities; Cease and Desist Orders; Injunctions; Receivers. Amend RSA 421-B:23 to read as follows:

421-B:23 Cease and Desist Orders; Injunctions; Receivers.

I. Whenever it appears to the secretary of state that any person has engaged or is about to engage in any act or practice constituting a violation of this chapter or any rule or order under this chapter:

(a) The secretary of state shall have the power to issue and cause to be served upon such person an order requiring the person to cease and desist from violations of this chapter. The order shall be calculated to give reasonable notice of the rights of the person to request a hearing on the order and shall state the reasons for the entry of the order. *The order shall be served at the last known address of such person. Service of the order and publication of the order in a newspaper of general circulation in the area of the last known address of such person shall serve to duly notify the person of the order and of the right to a hearing on the order.* A hearing shall be held not later than 10 days after the request for such hearing is received by the secretary of state after which and within 20 days of the date of the hearing the secretary of state shall issue a further order vacating the cease and desist order or making it permanent as the facts require. All hearings shall be conducted in accordance with the rules adopted pursuant to this chapter. If the person to whom a cease and desist order is issued fails to appear at the hearing after being duly notified, such person shall be deemed in default, and the proceeding may be determined against him *or her* upon consideration of the cease and desist order, the allegations of which may be deemed to be true. If the person to whom a cease and desist order is issued fails to request a hearing within 30 calendar days of receipt of such order, *but in any case no later than 60 calendar days from the issuance of the order*, then such person shall likewise be deemed in default, and the order shall, on the thirty-first day *from the receipt of the order and no later than the sixty-first day from the issuance of the order*, become permanent, and shall remain in full force and effect until and unless later modified or vacated by the secretary of state, for good cause shown. The secretary of state may adopt rules of procedure concerning all proceedings conducted pursuant to this section;

(b) The attorney general *or secretary of state or his or her designee* may, with or without prior administrative action by the secretary of state, bring an action in the superior court to enjoin the acts or practices and to enforce compliance with this chapter or any rule or order under this chapter. Upon a proper showing, a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted ~~[and a receiver may be appointed for the defendant or the defendant's assets]~~. *In addition, the court may issue an order for other appropriate or ancillary relief, to include an asset freeze, accounting, writ of attachment, writ of general or specific execution, and an appointment of a receiver or conservator, that may be the administrator, for the defendant or the defendant's assets.* The court shall not require the attorney general *or secretary of state* to post a bond; and

(c) The attorney general *or secretary of state or his or her designee* may bring an action ~~[in the name of the state]~~ for injunctive relief and civil penalties for violations of any provision of this chapter. In any action brought by the attorney general *or secretary of state or his or her designee*, the civil penalties shall not exceed \$5,000 for each violation in the case of knowing violations, or \$2,500 for each violation in the case of negligent violations, and each of the acts specified shall constitute a separate violation. The action may be brought in the superior court of the county in which the defendant resides or has his *or her* principal place of business, or, with the consent of the parties or if the defendant is a nonresident and has no place of business within the state, in the superior court of Merrimack county.

II. In a proceeding in superior court under this section where the state prevails, the secretary of state and the attorney general shall be entitled to recover all costs and expenses of investigation, and the court shall include the costs in its final judgment.

Amend RSA 421-A:3 as inserted by section 17 of the bill by replacing it with the following:

421-A:3 Requirement of Financial Disclosure. No offeror shall make a takeover bid unless as soon as practicable on the date of commencement of the takeover bid ~~[he]~~ *the offeror* files with the secretary of state and the target company a registration statement containing the information required by RSA 421-A:4 and publicly discloses the material terms of the offer, *including the total number and class of securities sought in the offer and the type and amount of consideration offered to security holders*. The registration statement filed with the secretary of state shall be accompanied by such fees as may be prescribed under RSA 421-A:9. *The offeror shall provide the target company with any amendments or revisions to the registration statement at the same time that such amendments or revisions are filed with the secretary of state.*

Amend the bill by inserting after section 18 the following and renumbering the original section 19 to read as 20:

19 Disclosure of Security Takeovers; Scheduling of Public Hearing; Offeror and Target Companies As Parties. Amend RSA 421-A:5 to read as follows:

421-A:5 Scheduling of Public Hearing. Within 20 days after the filing of a registration statement pursuant to this chapter, the secretary of state shall commence his investigation and order a hearing, if he determines a hearing is necessary or appropriate for the protection of offerees in this state, for the purpose of determining compliance with the requirements of this chapter and whether the offeror has provided full and fair disclosure to the offerees of all material information concerning the takeover bid including the filing of a complete and accurate registration statement. Any ~~[initial]~~ hearing shall *include the offeror and the target company as parties, and shall* commence within 25 days after the filing of a registration statement.

AMENDED ANALYSIS

This bill:

I. Narrows the definition of agent to exclude certain individuals who provide the secretary of state with securities notice filings.

II. Defines broker-dealer and agent responsibility with respect to the suitability of recommended securities.

III. Inserts authorization to charge \$100 per diem and other expenses related to a securities broker examination.

IV. Shortens the time period in which the secretary of state may consider a license application withdrawn for lack of information.

V. Clarifies and makes technical corrections to the filing requirements for the registration of securities.

VI. Authorizes the secretary of state or the attorney general to perform certain investigatory and enforcement functions relative to securities regulation.

VII. Increases the fine for violation of a cease and desist order.

VIII. Provides that the offeror and target company shall be parties to any public hearing relative to a security takeover.

This bill is a request of the department of state.

HB 817, relative to the regulation of first and second mortgage brokers and mortgage servicers. **ought to pass with amendment**

Rep. Leo W. Fraser Jr. for Commerce: This bill is a huge effort by the New Hampshire Banking Department to streamline the process in banking. This legislation, as amended, does the following:

(1) Adds definitions for branch offices and principal offices; (2) Changes the date the financial statement filings would be due from 60 days to 90 from fiscal year end (FYE); (3) Automatically issues a second mortgage license to a first mortgage banker when it files a notice and pays a fee; (4) Removes the per diem penalties for unlicensed activity; (5) Replaces the requirement to include the license number in mortgage brokers' and bankers' advertisements with a simple unchanging disclosure, "Licensed by the New Hampshire Banking Department"; (6) Adds language to elicit cooperation from licensees and make the examination process more efficient; (7) Allows licensees to request closed hearings to dispute items contained in the report of examination; (8) Provides a detailed list of the possible violations for which the Commissioner, following an opportunity for hearing, may deny, revoke or suspend an application or license; and (9) Changes the effective date from 1/1/04 to "upon passage" to allow the renewal procedures to be in place for the next renewal cycle. Vote 13-0.

Amendment 0877(h)

Amend the bill by replacing all after the enacting clause with the following:

1 Definitions; "Branch Office." RSA 397-A:1, II is repealed and reenacted to read as follows:

II. "Branch office" means a business location within this state of a person required to be licensed under this chapter. Branch office does not include a person's principal office location.

2 New Paragraph; Definitions; "Commissioner." Amend RSA 397-A:1 by inserting after paragraph II the following new paragraph:

II-a. "Commissioner" means the bank commissioner.

3 New Paragraph; Definition; "Principal Office" Added. Amend RSA 397-A:1 by inserting after paragraph X the following new paragraph:

X-a. "Principal office" means the main office location of a person required to be licensed under this chapter.

4 License Application; Requirements; Investigation; Net Worth Statement, Service of Process Added. Amend RSA 397-A:5 to read as follows:

397-A:5 License Application; Requirements; Investigation.

I. To be considered for licensing, each person shall complete and file with the banking department one verified application ~~[required]~~ *prescribed* by the ~~[bank]~~ commissioner. At a minimum, the application shall state the primary business address of the applicant, the address of its principal office and all branch offices located or to be located within the state, and a list of the principal owners, officers, and directors of the applicant. The applicant shall submit any other information that the ~~[bank]~~ commissioner may require.

II.(a). The license issued for the licensee's principal place of business shall be referred to as a "principal office license." Each additional license issued for first mortgage lending activity occurring in a location *in this state that is* separate from the licensee's principal place of business shall be referred to as a "branch office license." If the applicant or licensee desires to make or broker first mortgage loans in more than one location ~~[within this state]~~, the ~~[bank]~~ commissioner, upon favorable action on the applicant's principal office license, shall issue a branch office license for each location where the business of making or brokering first mortgage loans is to be conducted.

(b) Each license application shall be accompanied by a nonrefundable application fee of \$250 for each separate office location ~~[within this state]~~ to be licensed. Sums collected under this chapter shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the ~~[bank]~~ commissioner, consumer credit administration division.

(c) Each applicant shall be required to submit to the banking department detailed financial information sufficient for the ~~[bank]~~ commissioner to determine the applicant's ability to conduct the business of a mortgage banker or a mortgage broker with financial integrity. ~~[At a minimum;] The application shall include a statement of net worth. Net worth statements provided in connection with a license application under this section shall be subject to review and verification during the course of any examination or investigation conducted under the authority of RSA 397-A:12. Each mortgage banker applicant [must] shall demonstrate a net worth of \$100,000 [in cash or marketable securities or] or post a continuous surety bond in [said] the amount [as determined by rules adopted by the bank commissioner. At a minimum;] of \$100,000. Each mortgage broker, or any person required to be licensed by this section and not funding a loan, shall [provide] post a continuous surety bond in the amount of \$20,000 to the [bank] commissioner. [Net worth statements provided in connection with a license application under this section shall be subject to review and verification during the course of any examination or investigation conducted under~~

the authority of RSA 397-A:12.] *Surety bonds shall include a provision requiring the surety to give written notice to the commissioner 20 days in advance of the cancellation or termination of the bond. Every bond shall provide that no recovery may be made against the bond unless the state makes a claim for recovery or the person brings suit naming the principal within 6 years after the act(s) upon which the recovery or suit is based.*

III. *Every applicant for licensing under this chapter shall file with the commissioner, in such form as the commissioner prescribes by rule, irrevocable consent appointing the commissioner to receive service of any lawful process in any non-criminal suit, action or proceeding against the applicant or the applicant's successor, executor, or administrator which arises under this chapter or any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by this chapter or any rule or order under this chapter, and such person has not filed a consent to service of process under this section and personal jurisdiction over such person cannot otherwise be obtained in this state, that conduct shall be considered equivalent to such person's appointment of the commissioner to receive service of any lawful process. Service may be made by leaving a copy of the process in the office of the commissioner along with \$5, but is not effective unless:*

(1) The plaintiff, who may be the attorney general in a suit, action or proceeding instituted by him or her, forthwith sends a notice of the service and a copy of the process by registered mail to the defendant or respondent at such person's last address on file with the commissioner, and

(2) The plaintiff's affidavit of compliance with this paragraph is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

IV.(a) Upon the applicant's filing of the *complete* application and payment of the required fee, the [bank] commissioner shall have, in accordance with RSA 541-A:29, up to 120 days to investigate and determine whether the applicant's financial resources, experience, personnel, and record of past or proposed conduct warrant the public's confidence and the issuance of a license.

(b) The [bank] commissioner shall determine whether the applicant's proposed interest rates and fees are in accordance with the interest rates and fees charged by other first mortgage lenders, and whether said rates and fees will promote a free and competitive market.

5 License Term; Renewal; Procedure Changed. RSA 397-A:8, II is repealed and reenacted to read as follows:

II. If a person holds a valid license under this section and is in compliance with this chapter and the rules thereunder, such licensee may renew the license by paying the required fee to the banking department on or before December 1 for the ensuing year that begins on January 1. Failure to renew the license shall result in the license terminating on December 31.

6 New Paragraph; Change in Name; Ownership; Location; Obligation to Update. Amend RSA 397-A:10 by inserting after paragraph III the following new paragraph:

IV. Persons licensed under this chapter are under a continuing obligation to update information on file with the commissioner. If any information filed with the commissioner becomes materially inaccurate, the licensee must promptly submit to the commissioner an amendment to its application records that will correct the information on file with the commissioner. An amendment shall be considered to be filed promptly if the amendment is filed within 30 days of the event that requires the filing of the amendment.

7 Record Keeping; Fine Added. Amend RSA 397-A:11, II to read as follows:

II. Those licensees that maintain their files in another state are required to return such files to their principal New Hampshire office or the office of their New Hampshire agent for examination no later than 21 calendar days after being requested to do so by the banking department. *Failure to provide files and documents within the time established by this paragraph shall subject a licensee or person to a fine of \$50 per day for each day after 21 days the files and documents are not produced. Failure to provide files and documents within 60 days after being requested to do so by the banking department shall be sufficient cause for license revocation, suspension, or denial.*

8 Examinations; All Licensees. Amend RSA 397-A:12, III to read as follows:

III. The affairs and records [~~within this state~~] of every licensee shall be subject at any time to such periodic, special, regular, or other examination by the banking department with or without notice to the licensee. All books, papers, files, related material, and records of assets of the licensee shall be subject to the banking department's examination.

9 New Paragraphs; Examinations; Recovery of Costs Added. Amend RSA 397-A:12 by inserting after paragraph V the following new paragraphs:

VI. In any investigation to determine whether any person has violated or is about to violate this chapter or any rule or order under this chapter, upon the commissioner's finding that the person violated this chapter or a rule or order under this chapter, or the person charged with the violation being found in default, the commissioner shall be entitled to recover the cost of the investigation, in addition to any other penalty provided for under this chapter.

VII. Every person being examined, and all of the officers, directors, employees, agents, and representatives of such person shall make freely available to the commissioner or his examiners, the accounts, records, documents, files, information, assets, and matters in their possession or control relating to the subject of the examination and shall facilitate the examination.

VIII. Upon receipt of a written report of examination, the licensee shall have 30 days or such additional reasonable period as the commissioner for good cause may allow, within which to review the report, recommend any changes and set forth in writing the remedial course of action the licensee will pursue to correct any reported deficiencies outlined in the report.

IX. If so requested by the person examined, within the period allowed in paragraph VIII, or if deemed advisable by the commissioner without such request, the commissioner shall hold a closed hearing relative to the report and shall not file the report in the department until after such closed hearing and issuance of his order thereon. If no such closed hearing has been requested or held, the examination report, with such modifications, if any, as the commissioner deems proper, shall be accepted by the commissioner and filed upon expiration of the review period provided for in paragraph VIII. The report shall be accepted and filed within 6 months after the final hearing thereon.

X. All reports pursuant to this section shall be absolutely privileged and although filed in the department as provided in paragraph IX shall nevertheless not be for public inspection. The comments and recommendations of the examiner shall also be deemed confidential information and shall not be available for public inspection.

10 Annual Report; Financial Statement Added. Amend RSA 397-A:13 to read as follows:

397-A:13 Annual Report.

I. Each licensee shall file, under oath, an annual report with the banking department on or before February 1 each year concerning operations for the preceding year or license period ending December 31 upon the form prescribed by the banking department. Whenever a licensee operates 2 or more licensed offices or whenever 2 or more affiliated licensees operate licensed offices, then a composite report of such group of licensed offices may be filed in lieu of individual reports.

II. *Each licensee shall also file, under oath, its financial statement with the commissioner within 90 days from the date of its fiscal year end. The financial statement shall be prepared in accordance with generally accepted accounting principles with appropriate note disclosures. A first mortgage banker's financial statement shall include a balance sheet, income statement, statement of changes in owners' equity, and a cash flow statement. A first mortgage broker's financial statement shall include a balance sheet or a statement of net worth. If the financial statement filed under this section is not audited, a certification statement shall be attached and signed by a duly authorized officer of the licensee. The certification statement shall state that the financial statement is true and accurate to the best of the officer's belief and knowledge.*

III. The banking department shall publish its analysis of the information required [~~under this section~~] *in the licensee's annual report as a part of [its] the commissioner's annual report.*

[~~HE~~] IV. Any licensee failing to file *either the annual report or the financial statement* required by this section within the time prescribed may be required to pay to the banking department a penalty of \$25 for each calendar day the *annual report or financial statement* is overdue. [~~If a licensee elects to file a composite report and the composite report is not filed on or before February 1 as required in this section the penalty prescribed in this section shall apply separately for each license and branch license so violating.~~] The penalties *for failure to file an annual report that are* prescribed by this paragraph shall not apply to mortgage brokers licensed under this chapter who earned no money from purchasing, placing or selling first mortgage loans during the preceding year and who indicate such in writing to the banking department on or before February 1.

[H:] V. In addition to the annual report *and financial statement*, the banking department may require such additional regular or special reports as it may deem necessary to the proper supervision of licensees under this chapter.

11 Advertising; "Licensed by the New Hampshire Banking Department" Added. Amend RSA 397-A:14-a, III to read as follows:

III. Any advertisement, printing, display, publication, distribution, or broadcast offering loans governed by this chapter shall clearly and conspicuously contain the ~~[valid and existing license number issued]~~ *disclosure, "Licensed by the New Hampshire banking department" [under this chapter]*. Failure to comply with the provisions of this paragraph shall constitute sufficient cause for license revocation, suspension, or denial.

12 Consumer Inquiries; Licensee's Response; Date of Transmission Changed. Amend RSA 397-A:15-a, II to read as follows:

II. A licensee who fails to respond to consumer complaints as required by this section within the time prescribed shall pay to the commissioner the sum of \$50 for each day such response is overdue. For purposes of this section, the date of transmission shall be the date such response is ~~[postmarked]~~ *received by the commissioner*.

13 License Revocation; Suspension; Appeal; Show Cause Order, Opportunity for Hearing Added. RSA 397-A:17, I and II are repealed and reenacted to read as follows:

I. The commissioner may issue an order requiring the person to whom any license has been granted to show cause why the license should not be revoked. The order shall give reasonable notice of the opportunity for a hearing and shall state the reasons for the issuance of the order. The commissioner may by order, upon due notice and opportunity for hearing, assess penalties, deny, suspend or revoke a license if it is in the public interest and the applicant or licensee, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the applicant or licensee:

- (a) Has violated any provision of this chapter or rules thereunder;
- (b) Has not met the standards established in this chapter;
- (c) Has accepted or processed loan applications transmitted or brokered by a mortgage broker who is not licensed, and is not exempt from licensing, under this chapter;
- (d) Has filed an application for licensing which as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;
- (e) Has made a false or misleading statement to the commissioner or in any reports to the commissioner;
- (f) Has made fraudulent misrepresentations, has circumvented or concealed, through whatever subterfuge or device, any of the material particulars or the nature thereof required to be stated or furnished to a borrower under the provisions of this chapter;
- (g) Has failed to supervise its agents, managers, or employees;
- (h) Is the subject of an order entered within the past 5 years by this state, any other state, or federal regulator denying, suspending or revoking licenses or registration;
- (i) Is permanently, preliminarily, or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of lending or collection activities;
- (j) Is not qualified on the basis of such factors as experience, knowledge, and financial integrity;
- (k) Has engaged in dishonest or unethical practices in the conduct of the business of making or collecting mortgage loans;
- (l) Has violated applicable federal laws or rules thereunder; or
- (m) For other good cause shown.

II. The banking department may, upon due notice and *opportunity for a hearing*, suspend any license for a period not exceeding 30 days, pending investigation by the banking department.

14 New Paragraphs; License Revocation; Suspension; Appeal; Entities; Licensee or Applicant not in Existence. Amend RSA 397-A:17 by inserting after paragraph V the following new paragraphs:

VI. If a licensee is a partnership, association, corporation or entity however organized, it shall be sufficient cause for the suspension or revocation of a license that any officer, director or trustee of a licensed association or corporation or any member of a licensed partnership has so acted or failed

to act in behalf of said licensee as would be cause for suspending or revoking a license to such party as an individual. Each licensee shall be responsible for supervision of its branch offices and for the acts of any or all of his or her employees while acting as his or her agent if such licensee, after actual knowledge of said acts, retained the benefits, proceeds, profits or advantages accruing from said acts or otherwise ratified said acts.

VII. If the commissioner finds that any licensee or applicant for license is no longer in existence or has ceased to do business as a first mortgage broker or first mortgage banker, or cannot be located after reasonable search, the commissioner may by order revoke the license or deny the application. The commissioner may deem abandoned and withdraw any application for licensure made pursuant to this chapter, if any applicant fails to respond in writing within 180 days to a written request from the commissioner requesting a response. Such request shall be sent via certified mail to the last known address of the applicant that is on file with the commissioner.

15 Violations; Cease and Desist Order. Amend RSA 397-A:18 to read as follows:

397-A:18 Violations.

I. The banking department may issue and serve upon any licensee or person over whom it has jurisdiction a complaint setting forth charges whenever the department is of the opinion that the licensee or person is violating or has violated any provision of this chapter *or any rule or order under this chapter*.

II. The banking department may issue a cease and desist order against any licensee or person who it has reasonable cause to believe is in violation of the provisions of this chapter *or any rule or order under this chapter*. Delivery of such order shall be by hand or registered mail at the principal office of the licensee or other person. *The order shall be calculated to give reasonable notice of the rights of the person to request a hearing on the order and shall state the reasons for the entry of the order. A hearing shall be held not later than 10 days after the request for such hearing is received by the commissioner after which and within 20 days of the date of the hearing the commissioner shall issue a further order vacating the cease and desist order or making it permanent as the facts require. All hearings shall comply with 541-A. If the person to whom a cease and desist order is issued fails to appear at the hearing after being duly notified, such person shall be deemed in default, and the proceeding may be determined against him or her upon consideration of the cease and desist order, the allegations of which may be deemed to be true. If the person to whom a cease and desist order is issued fails to request a hearing within 30 calendar days of receipt of such order, then such person shall likewise be deemed in default, and the order shall, on the thirty-first day, become permanent, and shall remain in full force and effect until and unless later modified or vacated by the commissioner, for good cause shown.*

~~[H. If, within 15 business days after being served with a cease and desist order, the licensee or other person fails or refuses to comply or obtain a valid license, such failure shall constitute a violation of the order and this chapter.]~~

16 Administration by Commissioner; Rulemaking; Basis for Actions. Amend RSA 397-A:20 to read as follows:

397-A:20 Administration by [Bank] Commissioner; Rulemaking.

I. The [bank] commissioner shall administer and enforce the provisions of this chapter.

II. Pursuant to RSA 541-A, the [bank] commissioner may adopt such rules as he or she deems necessary to the administration and enforcement of this chapter. Such rules shall be consistent with the provisions of this chapter, and may include, but shall not be limited to, the following:

(a) The application form for licensees required under RSA 397-A:5.

(b) The form of license issued to licensees under RSA 397-A:6.

(c) Annual reports required by RSA 397-A:13.

(d) Personal disclosure statements to meet the requirements of RSA 397-A:5. III.

III. *The commissioner may prepare, alter, or withdraw such forms as are necessary to comply with the provisions of this title.*

IV. *The commissioner may issue, amend, or rescind such orders as are reasonably necessary to carry out the provisions of this chapter.*

V. *The commissioner may, for good cause shown, abate all or a portion of delinquency penalties assessed under this chapter.*

VI. All actions taken by the commissioner pursuant to this chapter shall be taken only when the commissioner finds such action necessary or appropriate to the public interest or for the protection of consumers and consistent with the purposes fairly intended by the policy and provisions of this title.

17 Penalties; Knowing Violation, Negligent Violation Added. Amend RSA 397-A:21 to read as follows:

397-A:21 Penalty.

I. Any person who violates any provision of this chapter shall be guilty of a misdemeanor for each violation if a natural person, or guilty of a felony if any other person.

II. Any person who knowingly violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension or revocation of any registration or license, or imposition of an administrative fine not to exceed \$2,500 for each violation in lieu of or in addition to suspension or revocation, as may be applicable under this title, for violation of the provision to which such rule or order relates. Each of the acts specified shall constitute a separate violation.

III. Any person who negligently violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or the imposition of an administrative fine not to exceed \$1,500 for each violation, in lieu of or in addition to suspension or revocation, as may be applicable under this title, for violation of the provision to which such rule or order relates. Each of the acts specified shall constitute a separate violation.

IV. Any person who, either knowingly or negligently, violates any provision of this chapter may, upon notice and opportunity for hearing, and in addition to any such other penalty provided for by law, be subject to suspension, revocation or denial of any registration or license, including forfeiture of any application fee, or an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and each such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed.

V. Every person who directly or indirectly controls a person liable under this section, every partner, principal executive officer or director of such person, every person occupying a similar status or performing a similar function, every employee of such person who materially aids in the act constituting the violation, and every licensee or person acting as a common law agent who materially aids in the acts constituting the violation, either knowingly or negligently, may, upon notice and opportunity for hearing, and in addition to any other penalty provided for by law, be subject to suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or the imposition of an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed. No person shall be liable under this paragraph who shall sustain the burden of proof that such person did not know, and in the exercise of reasonable care could not have known, of the existence of facts by reason of which the liability is alleged to exist.

18 Records and Filings. RSA 397-A:22 is repealed and reenacted to read as follows:

397-A:22 Records and Filings.

I. A document is filed when it is received by the commissioner. If any filing deadline date falls on a weekend or on a New Hampshire state or federal legal holiday, the due date shall be automatically extended to the next business day following such weekend or holiday.

II. Electronic filings, when received by the commissioner, are deemed filed, and are prima facie evidence that a filing has been duly authorized and made by the signatory on the application or document, are admissible in any civil or administrative proceeding under this chapter, and are admissible in evidence in accordance with the rules of superior court in any action brought by the attorney general under this chapter.

III. A licensee may maintain its records in electronic format if, upon request, the licensee provides the commissioner with:

(a) A full explanation of the programming of any data storage or communications systems in use; and

(b) Information from any books, records, electronic data processing systems, computers or any other information storage system in the form requested by the commissioner.

19 New Section; Severability. Amend RSA 397-A by inserting after section 22 the following new section:

397-A:23 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or application and to this end the provisions of this chapter are severable.

20 Change from "Bank Commissioner" to "Commissioner." Amend the following RSA provisions by replacing "bank commissioner" with "commissioner": 397-A:6; 397-A:7; 397-A:10, I; 397-A:10-a, I; 397-A:15-a, I.

21 Definitions; "Commissioner" Added. Amend RSA 397-B:1 to read as follows:

397-B:1 Definitions. In this chapter:

I. "*Commissioner*" means the *bank commissioner*.

II. "First mortgage loan" shall have the same meaning as provided in RSA 397-A:1, III.

[H:] III. "Mortgage servicing company" means an individual, partnership, corporation, association, or other entity however organized and wherever located which, for itself or on behalf of the holder of a first mortgage loan, records such payments on its books and records and performs such other administrative functions as may be necessary to properly carry out the mortgage holder's obligations under the mortgage agreement including, when applicable, the receipt of funds from the mortgagor to be held in escrow for payment of real estate taxes and insurance premiums and the distribution of such funds to the taxing authority and insurance company.

[H:] IV. "Mortgagor" means any person or persons obligated to repay a first mortgage loan.

22 Administration by Commissioner; Rulemaking; Orders. Basis for Actions Added. Amend RSA 397-B:3 to read as follows:

397-B:3 Administration by [Bank] Commissioner; Rulemaking.

I. The [bank] commissioner shall administer and enforce the provisions of this chapter and, pursuant to RSA 541-A, shall adopt such rules as the commissioner deems necessary to the administration and enforcement of this chapter.

II. *The commissioner may prepare, alter, or withdraw such forms as are necessary to comply with the provisions of this title.*

III. *The commissioner may issue, amend, or rescind such orders as are reasonably necessary to carry out the provisions of this chapter.*

IV. *The commissioner may require such regular or special reports as the commissioner deems necessary to the proper supervision of licensees under this chapter.*

V. *The commissioner may, for good cause shown, abate all or a portion of delinquency penalties assessed under this chapter.*

VI. *All actions taken by the commissioner pursuant to this chapter shall be taken only when the commissioner finds such action necessary or appropriate to the public interest or for the protection of consumers and consistent with the purposes fairly intended by the policy and provisions of this title.*

VII. *If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a mortgage servicing company, or cannot be located after reasonable search, the commissioner may by order revoke the registration or deny the application. The commissioner may deem abandoned and withdraw any application for registration made pursuant to this chapter, if any applicant fails to respond in writing within 180 days to a written request from the commissioner requesting a response. Such request shall be sent via certified mail to the last known address of the applicant that is on file with the commissioner.*

VIII. *The commissioner may issue an order requiring the person to whom any registration has been granted to show cause why the registration should not be revoked. The registration may be revoked for violations of this chapter or any rule or order thereunder. The commissioner may issue a cease and desist order against any registrant or person whom he or she has reasonable cause to believe is in violation of the provisions of this chapter or any rule or order under this chapter. Delivery of such orders shall be by hand or registered mail at the principal office of the licensee or other person. The orders shall be calculated to give reasonable notice of the right of the person to request a hearing on the order and shall state the reasons for the entry of the order. A hearing shall be held not later than 10 days after the request for such hearing is received by the commissioner after which and within 20 days of the date of the hearing the commissioner shall issue a further order vacating the revocation or cease and desist order or making it permanent as the facts require. All hearings shall comply with 541-A. If the person to whom a revocation or cease*

and desist order is issued fails to appear at the hearing after being duly notified, such person shall be deemed in default, and the proceeding may be determined against him or her upon consideration of the revocation or cease and desist order, the allegations of which may be deemed to be true. If the person to whom a revocation or cease and desist order is issued fails to request a hearing within 30 calendar days of receipt of such order, then such person shall likewise be deemed in default, and the order shall, on the thirty-first day, become permanent, and shall remain in full force and effect until and unless later modified or vacated by the commissioner, for good cause shown.

IX. The commissioner may by order deny, suspend, or revoke any registration or application if the commissioner finds that the order is in the public interest and the applicant or registrant, any partner, officer or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the applicant or registrant:

(a) Has filed an application for registration which as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) Has made a false or misleading statement to the commissioner or in any reports to the commissioner;

(c) Has failed to supervise its agents, managers, or employees;

(d) Is the subject of an order entered within the past 5 years by the state, any other state, or federal regulator denying, suspending or revoking licenses or registration;

(e) Is permanently, preliminarily, or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of mortgage servicing or collection activities;

(f) Has engaged in dishonest or unethical practices in the conduct of the business of servicing or collecting mortgage loans;

(g) Has violated this chapter or any rule or order thereunder or has violated applicable federal laws or rules thereunder; or

(h) For other good cause shown.

23 Registration; Fees; Term; Renewal; Service of Process Added. Amend RSA 397-B:4 to read as follows:

397-B:4 Registration; Fees; Term; Renewal.

I. Any mortgage servicing company which services first mortgage loans secured by real property located in the state of New Hampshire shall be required to register with the banking department by filing a registration statement on a form prescribed by the [bank] commissioner and paying an original registration fee of \$100. Each such registration shall expire on [August] **December 31** of each calendar year. A registration may be renewed by filing a renewal statement on a form prescribed by the bank commissioner and paying a renewal registration fee of \$50, on or before, [August 31 of each calendar] **December 1 for registration for the ensuing year**. Sums collected under this chapter shall be payable to the state treasurer as restricted revenue and credited to the appropriation of the [bank] commissioner, consumer credit administration division.

II. Every applicant for registration under this chapter shall file with the commissioner, in such form as the commissioner prescribes by rule, irrevocable consent appointing the commissioner to receive service of any lawful process in any non-criminal suit, action or proceeding against the applicant or the applicant's successor, executor, or administrator which arises under this chapter or any rule or order under this chapter after the consent has been filed, with the same force and validity as if served personally on the person filing the consent. A person who has filed such a consent in connection with a previous registration need not file another. When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by this chapter or any rule or order under this chapter, and such person has not filed a consent to service of process under this section and personal jurisdiction over such person cannot otherwise be obtained in this state, that conduct shall be considered equivalent to such person's appointment of the commissioner to receive service of any lawful process. Service may be made by leaving a copy of the process in the office of the commissioner along with \$5, but is not effective unless:

(1) The plaintiff, who may be the attorney general in a suit, action or proceeding instituted by him or her, forthwith sends a notice of the service and a copy of the process by registered mail to the defendant or respondent at such person's last address on file with the commissioner, and

(2) The plaintiff's affidavit of compliance with this paragraph is filed in the case on or before the return day of the process, if any, or within such further time as the court allows.

24 Penalties; Knowing and Negligent Violation, Parties Subject to License Suspension Added. Amend RSA 397-B:6 to read as follows:

397-B:6 Penalties.

I. Any mortgage servicing company which violates any provision of RSA 397-B:5 shall be liable to the mortgagor for:

~~[(F)]~~(a) Any penalties, interest or other charges levied by the taxing authority or insurance company as a result of such violation; and

~~[(H)]~~(b) Any actual damages suffered by the mortgagor as a result of such violation, including, but not limited to, late payment penalties and associated interest, and any amount which would have been paid by an insurer for a casualty or liability claim had the insurance policy not been cancelled for nonpayment by the mortgage servicing company; and

~~[(H)]~~(c) In the case of any successful action to enforce the foregoing liability, the costs of the action together with reasonable attorney's fees as determined by the court.

II. Any person who knowingly violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension or revocation of any registration or license, or the imposition of an administrative fine not to exceed \$2,500 for each violation, in lieu of or in addition to such suspension or revocation, as may be applicable under this title, for violation of the provision to which such rule or order relates. Each of the acts specified shall constitute a separate violation.

III. Any person who negligently violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or the imposition of an administrative fine not to exceed \$1,500 for each violation, in lieu of or in addition to such suspension or revocation, as may be applicable under this title, for violation of the provision to which such rule or order relates. Each of the acts specified shall constitute a separate violation.

IV. Any person who, either knowingly or negligently, violates any provision of this chapter may, upon notice and opportunity for hearing, and in addition to any such other penalty provided for by law, be subject to suspension, revocation, or denial of any registration or license, including forfeiture of any application fee, or imposition of an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and each such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed.

V. Every person who directly or indirectly controls a person liable under this section, every partner, principal executive officer or director of such person, every person occupying a similar status or performing a similar function, every employee of such person who materially aids in the act constituting the violation, and every licensee or person acting as a common law agent who materially aids in the acts constituting the violation, either knowingly or negligently, may, upon notice and opportunity for hearing, and in addition to any other penalty provided for by law, be subject to suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or imposition of an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed. No person shall be liable under this paragraph who shall sustain the burden of proof that such person did not know, and in the exercise of reasonable care could not have known, of the existence of facts by reason of which the liability is alleged to exist.

25 Surrender; "Bank" Removed Before "Commissioner". Amend RSA 397-B:8, I to read as follows:

I. Registrants under this chapter who cease to engage in the business of servicing mortgage loans in this state at any time during a registration year for any cause, including but not limited to bankruptcy, registration revocation, or voluntary dissolution, shall surrender such registration in person or by registered or certified mail to the [bank] commissioner within 15 calendar days of such cessation, and shall cause to be published in a newspaper of general circulation in the state a notice to such effect. The bank commissioner shall adopt rules in accordance with RSA 541-A relative to such notice.

26 Investigations; Subpoenas; Injunctions; Costs Added. Amend RSA 397-B:9 to read as follows:
397-B:9 Investigations; Subpoenas; Injunctions.

I. The banking department may make such public or private investigations within or outside of this state as it deems necessary to determine compliance with this chapter and the rules adopted pursuant to it. The expense of such investigation shall be chargeable to and paid by the mortgage servicing company. Sums collected under this section shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the [bank] commissioner, consumer credit administration division.

II. For the purpose of any investigation under this chapter, the banking department shall have the power to subpoena witnesses and administer oaths in any adjudicative proceedings, and to compel, by subpoena duces tecum, the production of all books, records, files, and other documents and materials relevant to its investigation.

III. Whenever the [bank] commissioner has reason to believe that any mortgage servicing company has been engaged or is engaged in an alleged violation of this chapter, the commissioner may request the attorney general to seek an order from a court having jurisdiction for an injunction temporarily or permanently restraining and enjoining the continuance of such act or acts.

IV. Any action taken by the banking department or [bank] commissioner under this chapter shall not be considered as a limitation of a mortgagor's ability to seek such relief as may be provided by any statute or at common law.

V. In any investigation to determine whether any person has violated or is about to violate this chapter or any rule or order under this chapter, upon the commissioner's finding that the person violated this chapter or a rule or order under this chapter, or the person charged with the violation being found in default, the commissioner shall be entitled to recover the cost of the investigation, in addition to any other penalty provided for under this chapter.

27 Records and Filings. RSA 397-B:11 is repealed and reenacted to read as follows:
397-B:11 Records and Filings.

I. A document is filed when it is received by the commissioner. If any filing deadline date falls on a weekend or on a New Hampshire state or federal legal holiday, the due date shall be automatically extended to the next business day following such weekend or holiday.

II. Electronic filings, when received by the commissioner, are deemed filed, and are prima facie evidence that a filing has been duly authorized and made by the signatory on the application or document, are admissible in any civil or administrative proceeding under this chapter, and are admissible in evidence in accordance with the rules of superior court in any action brought by the attorney general under this chapter.

III. A licensee may maintain its records in electronic format if, upon request, the licensee provides the commissioner with

(a) a full explanation of the programming of any data storage or communications systems in use; and

(b) information from any books, records, electronic data processing systems, computers or any other information storage system in the form requested by the commissioner.

28 New Section; Severability. Amend RSA 397-B by inserting after section 11 the following new section:

397-B:12 Severability. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or application and to this end the provisions of this chapter are severable.

29 Definitions. RSA 398-A:1 is repealed and reenacted to read as follows:

398-A:1 Definitions. In this chapter:

I. "Borrower" shall include any legal successor to the borrower's rights or obligations.

II. "Branch office" means a business location within this state of a person required to be licensed under this chapter. Branch office does not include a person's principal office location.

III. "Commissioner" means the bank commissioner.

IV. "Lender" means any person making a loan secured by a mortgage as described in this chapter and shall include any legal successor to the rights of the lender.

V. "Loan" means any loan of money or goods or forbearance of money and goods or choses in action.

VI. "Principal office" means the main office location of a person required to be licensed under this chapter.

VII. "Second mortgage banker" means a person not exempt under RSA 398-A:10 who for compensation or gain, or in the expectation of compensation or gain, either directly or indirectly:

(a) Makes or originates second mortgage loans as payee on the note evidencing the loan; or

(b) Advances, or offers to advance, or makes a commitment to advance the banker's own funds for second mortgage loans, or closes second mortgage loans with the banker's own funds; or

(c) Otherwise engages in the business of funding second mortgage loans.

VIII. "Second mortgage broker" means a person not exempt under RSA 398-A:10 who for compensation or gain, or in the expectation of compensation or gain, either directly or indirectly:

(a) Acts as an intermediary, finder, or agent of a lender or borrower for the purpose of negotiating, arranging, finding, or procuring second mortgage loans, or commitments for second mortgage loans; or

(b) Offers to serve as agent for any person in an attempt to obtain a second mortgage loan; or

(c) Offers to serve as agent for any person who has money to lend for a second mortgage loan.

IX. "Second mortgage loan" means a loan which is secured in whole or in part by a mortgage upon any interest in real property used as a dwelling with accommodations for not more than 4 families, which property is subject to the lien of one or more prior mortgages.

30 License Required; Requirements Added. Amend RSA 398-A:1-a to read as follows:

398-A:1-a License Required.

I. No person shall engage in the business of second mortgage loans unless ~~he~~ *the person* ~~[or his broker, agent or other representative]~~ first obtains a license as provided herein, except when the person lending money is the seller of the real estate upon which the second mortgage is to be taken as security. ~~[A person shall not be deemed to be in the business of second mortgage home loans if he or she makes not more than 4 second mortgage loans in a calendar year]. A person who is licensed under RSA 397-A to broker first mortgage loans may obtain a license under this chapter to broker second mortgage loans by filing a notice and paying the fee required by RSA 398-A:1-a, III. A person who is licensed under RSA 397-A as a mortgage banker may obtain a second mortgage loan license under this chapter to make second mortgage loans by filing a notice and paying the fee required by RSA 398-A:1-a, III.~~

II. The application for such license shall be in writing, under oath and in the form prescribed by the bank commissioner.

III. The *non-refundable* license fee for each calendar year or part thereof shall be \$250 *for the principal office and \$250 for each branch office.*

IV. Upon the filing of ~~such~~ *a complete* application and the payment of said fee, the commissioner shall investigate the interest to be imposed by the applicant in comparison with the interest generally charged by other lenders in the community in which the business of the applicant is to be conducted, and if he *or she* shall find:

(a) The financial responsibility, experience, character and general fitness of the applicant are such as to command the confidence of the public and to warrant the belief that the business will be operated lawfully, honestly and fairly within the purposes of this chapter; and ~~that~~

(b) The applicant has available for use in such business at ~~the~~ *each* location specified in the application at least \$25,000, or has such amount available, or actually invested in loans made under this chapter~~;~~ and ~~that~~

(c) Allowing the applicant to engage in business will promote the convenience and advantage of the community in which the business of the applicant is to be conducted~~;~~ ~~he or she~~ shall enter an order approving such application, *shall issue licenses to the applicant's principal and branch offices*, and *shall deliver [a license] the licenses to the applicant for a period which shall expire the December 31 following the date of its issuance.* Each license shall state the name and address of the licensee and shall be *conspicuously* posted in the licensee's place of business. The license shall not be transferable or assignable. No licensee shall transact any business provided for by this chapter under ~~[any other trade name unless he shall have a separate license therefor]~~ *a trade name or any other name different from the name stated in its license unless the license reflects the trade name in addition to the licensee's legal name.* If the commissioner shall not so find, he *or she* shall enter an order denying such application and immediately notify the applicant of the denial~~[-returning the license fee].~~ Before the corporate or trade name under which the licensed business is conducted is changed, the licensee shall give notice to the commissioner who shall amend the license accordingly without cost.

V. [The applicant shall also, at the same time file with the commissioner a surety company bond to the state, in the sum of \$5,000, to be approved by the commissioner, for the use of the state and of any person who may have a cause of action against the principal in said bond under the provisions of this chapter and conditioned that he will conform to and abide by each provision of this chapter and will pay to the state and to any such person any sum that may become due or owing to the state or to such person from said principal under and by virtue of the provisions hereof.] *No license shall be issued to any person whose principal place of business is located outside of this state unless that person designates an agent residing within this state for service of process.*

VI. *Each license issued under the provisions of this chapter shall state the name and address of the principal office of the licensee and, if the license is a branch office license, the name and address of the branch office location for which that license is issued.*

VII. *If a person holds a valid license under this section and is in compliance with this chapter and the rules thereunder, such licensee may renew the license by paying the required fee to the banking department on or before December 1 for the ensuing year that begins on January 1. Failure to renew the license shall result in the license terminating on December 31.*

VIII. *Persons making second mortgage home loans who are licensed under this chapter are under a continuing obligation to update information on file with the commissioner. If any information filed with the commissioner becomes materially inaccurate, the licensee must promptly submit to the commissioner an amendment to its application records that will correct the information on file with the commissioner. An amendment shall be considered to be filed promptly if the amendment is filed within 30 days of the event that requires the filing of the amendment.*

31 Revocation; Show Cause Order, Actions by Another, Appeal, Licensee or Applicant not in Business; Cease and Desist Order Added. RSA 398-A:I-b is repealed and reenacted to read as follows:

398-A:I-b Revocation.

1. The commissioner may by order, upon notice and opportunity for a hearing, deny, suspend or revoke a license if it is in the public interest and the applicant or licensee, any partner, officer or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the applicant or licensee:

- (a) Has violated any provisions of this chapter, or rules or orders thereunder;
- (b) Does not meet the standards established in RSA 398-A:I-a, IV. The licensee shall have a right of appeal to the board of trust company incorporation;
- (c) Has filed an application for licensing which as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in light of the circumstances under which it was made, false or misleading with respect to any material fact;
- (d) Has made a false or misleading statement to the commissioner or in any reports to the commissioner;
- (e) Has made fraudulent misrepresentations, has circumvented or concealed, through whatever subterfuge or device, any of the material particulars or the nature thereof required to be stated or furnished to a borrower under the provisions of this chapter;
- (f) Has failed to supervise its agents, managers or employees;
- (g) Is the subject of an order entered within the past 5 years by this state, any other state, or federal regulator denying, suspending or revoking licenses or registration;
- (h) Is permanently, preliminarily, or temporarily enjoined by any court of competent jurisdiction from in engaging in or continuing any conduct or practice involving any aspect of lending or collection activities;
- (i) Is not qualified on the basis of such factors as experience, knowledge, and financial integrity;
- (j) Has engaged in dishonest or unethical practices in the conduct of the business of making or collecting mortgage loans;
- (k) Has violated this chapter or any rule or order thereunder or has violated applicable federal laws or rules thereunder; or
- (l) For other good cause shown.

II. The commissioner may issue an order requiring the person to whom any license has been granted to show cause why the license should not be revoked. The order shall be calculated to give reasonable notice of the opportunity for hearing, and shall state the reasons for the issuance of the

order. A license may be suspended or revoked by the commissioner for violation of this chapter or any rule or order thereunder, for violation of applicable federal laws, or for other good cause shown.

III. If a licensee is a partnership, association, corporation or entity however organized, it shall be sufficient cause for the suspension or revocation of a license that any officer, director or trustee of a licensed association or corporation or any member of a licensed partnership has so acted or failed to act in behalf of said licensee as would be cause for suspending or revoking a license to such party as an individual. Each licensee shall be responsible for supervision of its branch offices and for the acts of any or all of its employees while acting as its agent if such licensee, after actual knowledge of said acts, retained the benefits, proceeds, profits or advantages accruing from said acts or otherwise ratified said acts.

IV. Any license revocation, suspension, or unfavorable action by the department on a license shall comply with the provisions of RSA 541-A. An aggrieved licensee may, pursuant to RSA 541-A and RSA 541, appeal an unfavorable action by the department. The department may take action for immediate suspension of a license, pursuant to RSA 541-A.

V. If the commissioner finds that any licensee or applicant for license is no longer in existence or has ceased to do business as a retail seller or sales finance company, or cannot be located after reasonable search, the commissioner may by order revoke the license or deny the application. The commissioner may deem abandoned and withdraw any application for licensure made pursuant to this chapter, if any applicant fails to respond in writing within 180 days to a written request from the commissioner requesting a response. Such request shall be sent via certified mail to the last known address of the applicant that is on file with the commissioner.

VI. The commissioner may issue a cease and desist order against any licensee or person who it has reasonable cause to believe is in violation of the provisions of this chapter or any rule or order under this chapter. Delivery of such order shall be by hand or registered mail at the principal office of the licensee or other person. The order shall be calculated to give reasonable notice of the rights of the person to request a hearing on the order and shall state the reasons for the entry of the order. A hearing shall be held not later than 10 days after the request for such hearing is received by the commissioner after which and within 20 days of the date of the hearing the commissioner shall issue a further order vacating the cease and desist order or making it permanent as the facts require. All hearings shall comply with 541-A. If the person to whom a cease and desist order is issued fails to appear at the hearing after being duly notified, such person shall be deemed in default, and the proceeding may be determined against him or her upon consideration of the cease and desist order, the allegations of which may be deemed to be true. If the person to whom a cease and desist order is issued fails to request a hearing within 30 calendar days of receipt of such order, then such person shall likewise be deemed in default, and the order shall, on the thirty-first day, become permanent, and shall remain in full force and effect until and unless later modified or vacated by the commissioner, for good cause shown.

32 Examinations; Subpoena Power, Reports Added. Amend RSA 398-A:1-c to read as follows:
398-A:1-c Examinations.

I. For the purpose of discovering violations of this chapter and the Consumer Credit Protection Act, as amended (15 U.S.C. 1601 et seq.) the commissioner may, either personally or by any person designated by the commissioner, at any time, investigate the loans and business of any licensee and of any person, partnership, or corporation by whom any such loan shall be made, whether such person, partnership, or corporation shall act, or claim to act, as principal, agent, or broker, or under or without the authority of this chapter; and for that purpose the commissioner shall have free access to the books, papers, records, and vaults of all such persons, partnerships, and corporations. The commissioner shall also have authority to examine, under oath, all persons whose testimony the commissioner may require, relative to such loans or business.

II. *The commissioner shall have the power to issue a subpoena to compel the attendance of witnesses and the production of documents, papers, books, records, and other evidence before the commissioner in any matter over which the commissioner has jurisdiction, control or supervision pertaining to the provisions of this chapter. The commissioner shall have the power to administer oaths and affirmation to any person whose testimony is required. If any person shall refuse to obey any such subpoena or to give testimony or to produce evidence as required thereby, any justice of the superior court may, upon application and proof of such refusal, order the issuance of a subpoena, or subpoena duces tecum, out of the superior court, for the witness to appear before the superior court to give testimony, and to produce evidence as required thereby. Upon filing such*

order in the office of the clerk of the superior court, the clerk shall issue such subpoena, as directed, requiring the person to whom it is directed to appear at the time and place therein designated. If any person served with any such subpoena shall refuse to obey the same, and to give testimony, and to produce evidence as required thereby, the commissioner may apply to any justice of the superior court who, after proof of such refusal, shall issue such citation, directed to any sheriff, for the arrest of such person, and, upon such person's being brought before such justice, proceed to a hearing of the case. The court shall have power to enforce obedience to such subpoena, and the answering of any question and the production of any evidence that may be proper, by a fine not exceeding \$10,000 or by imprisonment, or by both.

III. The commissioner may require such regular or special reports or other information as the commissioner may deem necessary to the proper supervision of licensees under this chapter.

IV. Those licensees or persons that maintain their files and business documents in another state shall appoint a New Hampshire agent and shall return such files and documents to their principal New Hampshire office or the office of their New Hampshire agent for examination no later than 21 calendar days after being requested to do so by the banking department. Failure to provide files and documents within the time established by this paragraph shall subject a licensee or person to a fine of \$50 per day for each day after 21 days the files and documents are not produced. Failure to provide files and documents within 60 days after being requested to do so by the banking department shall be sufficient cause for license revocation, suspension, or denial or other penalties under this chapter.

33 Costs; Costs Against Person in Violation Added. Amend RSA 398-A:1-d to read as follows:
398-A:1-d Cost.

I. The commissioner may make such an examination of the affairs, business, office, and records of any licensee. The expense of such examination shall be chargeable to and paid by the institution. The procedure for such payment shall be the same as for payments by institutions for cost of examinations under RSA 383:11. Sums collected under this chapter shall be payable to the state treasurer as restricted revenue and credited to the appropriation for the [bank] commissioner, consumer credit administration division.

II. In any investigation to determine whether any person has violated or is about to violate this chapter or any rule or order under this chapter, upon the commissioner's finding that the person violated this chapter or a rule or order under this chapter, or the person charged with the violation being found in default, the commissioner shall be entitled to recover the cost of the investigation, in addition to any other penalty provided for under this chapter.

III. Every person being examined, and all of the officers, directors, employees, agents and representatives of such person shall make freely available to the commissioner or the commissioner's examiners the accounts, records, documents, files, information, assets, and matters in their possession or control relating to the subject of the examination and shall facilitate the examination.

IV. Upon receipt of a written report of examination, the licensee shall have 30 days or such additional reasonable period as the commissioner for good cause may allow, within which to review the report, recommend any changes, and set forth in writing the remedial course of action the licensee will pursue to correct any reported deficiencies outlined in the report.

V. If requested by the person examined, within the period allowed in paragraph IV, or if deemed advisable by the commissioner without such request, the commissioner shall hold a closed hearing relative to the report and shall not file the report in the department until after such closed hearing and issuance of the commissioner's order thereon. If no such closed hearing has been requested or held, the examination report, with such modifications, if any, to the report as the commissioner deems proper, shall be accepted by the commissioner and filed upon expiration of the review period provided for in paragraph IV. The report shall in any event be accepted and filed within 6 months after the final hearing thereon.

VI. All reports pursuant to this section shall be absolutely privileged and, although filed in the department as provided in paragraph V, shall not be for public inspection. The comments and recommendations of the examiner shall also be deemed confidential information and shall not be available for public inspection.

34 Report: Financial Statement Added. Amend RSA 398-A:1-e to read as follows:

398-A:1-e Report.

I. Each licensee shall file with the commissioner on or before February 1 of each year a report under oath concerning the business and operations for the preceding calendar year ending December 31 in the form prescribed by the commissioner. [~~Whenever a licensee operated 2 or more licensed offices or whenever 2 or more affiliated licensees operated licensed offices, then a composite report of such group of licensed offices may be filed in lieu of individual reports.~~] The commissioner shall publish an analysis of the information required under this section as a part of his *or her* annual report. Any licensee failing to file the report required by this section within the time prescribed shall pay to the commissioner the sum of \$25 for each calendar day the report is overdue. [~~If a licensee elects to file a composite report and such composite report is not filed on or before February 1 as required under this section, the penalty prescribed in this section shall apply separately for each license held.~~]

II. Each licensee shall also file, under oath, its financial statement with the commissioner within 90 days from the date of its fiscal year end. The financial statement shall be prepared in accordance with generally accepted accounting principles and shall include a balance sheet, income statement, statement of changes in owners' equity, a cash flow statement and note disclosures. If the financial statement is not audited, a certification statement shall be attached and signed by a duly authorized officer of the sales finance company. The certification statement shall state that the financial statement is true and accurate to the best of the officer's belief and knowledge. Any licensee failing to file the financial statement required by this section within the time prescribed shall pay to the commissioner the sum of \$25 for each calendar day the report is overdue.

35 Consumer Inquiries; Response to Consumer Complaint; Date of Transmission Changed. Amend RSA 398-A:6-a, II to read as follows:

II. A licensee who fails to respond to consumer complaints as required by this section within the time prescribed shall pay to the commissioner the sum of \$50 for each day such response is overdue. For purposes of this section, the date of transmission shall be the date such response is [postmarked] received by the commissioner.

36 Penalties; Knowing and Negligent Violation, Actions by Another, Added. Amend RSA 398-A:7-a to read as follows:

398-A:7-a Penalty.

I. Any person who wilfully violates any provision of this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person, for each such violation.

II. Any person who knowingly violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension or revocation of any registration or license, or imposition of an administrative fine not to exceed \$2,500 for each violation in lieu of or in addition to suspension or revocation, as may be applicable under this title, for violation of the provision to which such rule or order relates. Each of the acts specified shall constitute a separate violation.

III. Any person who negligently violates any rule or order of the commissioner may, upon notice and opportunity for hearing, except where another penalty is expressly provided, be subject to suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or imposition of administrative fine not to exceed \$1,500 for each violation in lieu of or in addition to suspension or revocation, as may be applicable under this title, for violation of the provision to which such rule or order relates. Each of the acts specified shall constitute a separate violation.

IV. Any person who, either knowingly or negligently, violates any provision of this chapter may, upon notice and opportunity for hearing, and in addition to any such other penalty provided for by law, be subject to suspension, revocation or denial of any registration or license, including forfeiture of any application fee, or imposition of an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and each such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed.

V. Every person who directly or indirectly controls a person liable under this section, every partner, principal executive officer or director of such person, every person occupying a similar status or performing a similar function, every employee of such person who materially aids in the act constituting the violation, and every licensee or person acting as a common law agent who materially aids in the acts constituting the violation, either knowingly or negligently, may, upon notice and opportunity for hearing, and in addition to any other penalty provided for by

law, be subject to suspension, revocation, or denial of any registration or license, including the forfeiture of any application fee, or imposition of an administrative fine not to exceed \$2,500, or both. Each of the acts specified shall constitute a separate violation, and such administrative action or fine may be imposed in addition to any criminal or civil penalties imposed. No person shall be liable under this paragraph who shall sustain the burden of proof that such person did not know, and in the exercise of reasonable care could not have known, of the existence of facts by reason of which the liability is alleged to exist.

37 Rulemaking Authority; Orders, Basis for Actions, Added. Amend RSA 398-A:13 to read as follows:

398-A:13 Rulemaking Authority.

I. The [bank] commissioner shall adopt rules, pursuant to RSA 541-A, relative to the administration and enforcement of this chapter governing institutions which make second mortgage loans within the state of New Hampshire [relative] including but not limited to the following:

[H-](a) The application forms for licenses under RSA 398-A:1-a.

[H-](b) The reports required by RSA 398-A:1-e.

[H-](c) Procedures for responding to consumer concerns and inquiries.

[IV. ~~Repeated.~~]

II. The commissioner may prepare, alter, or withdraw such forms as are necessary to comply with the provisions of this title.

III. The commissioner may issue, amend, or rescind such orders as are reasonably necessary to carry out the provisions of this chapter.

IV. The commissioner may, for good cause shown, abate all or a portion of delinquency penalties assessed under this chapter.

V. All actions taken by the commissioner pursuant to this chapter shall be taken only when the commissioner finds such action necessary or appropriate to the public interest or for the protection of consumers and consistent with the purposes fairly intended by the policy and provisions of this title.

38 New Section; Records and Filings. Amend RSA 398-A by inserting after section 13 the following new section:

398-A:14 Records and Filings.

I. A document is filed when it is received by the commissioner. If any filing deadline date falls on a weekend or on a New Hampshire state or federal legal holiday, the due date shall be automatically extended to the next business day following such weekend or holiday.

II. Electronic filings, when received by the commissioner, are deemed filed, and are prima facie evidence that a filing has been duly authorized and made by the signatory on the application or document, are admissible in any civil or administrative proceeding under this chapter, and are admissible in evidence in accordance with the rules of superior court in any action brought by the attorney general under this chapter.

III. A licensee may maintain its records in electronic format if, upon request, the licensee provides the commissioner with

(a) a full explanation of the programming of any data storage or communications systems in use; and

(b) information from any books, records, electronic data processing systems, computers or any other information storage system in the form requested by the commissioner.

39 Change from "Bank Commissioner" to "Commissioner." Amend the following RSA provisions by replacing "bank commissioner" with "commissioner": 398-a:1-f; 398-A:6-a, 1; 398-A:11; and 398-A:12.

40 Repeal. The following are repealed:

I. RSA 397-A:4, VIII, relative to exemptions from the licensing of nondepository first mortgage bankers and brokers.

II. RSA 398-A:10, VIII, relative to exemptions from the regulation of second mortgage home loans.

41 Effective Date. This act shall take effect 30 days after its passage.

HB 827, establishing a committee to study the costs and benefits to the state of a state-level community reinvestment act for credit unions and non-bank mortgage lenders doing business in this state. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: This bill would create a committee to study the costs and benefits to the state of a statewide level community reimbursement act for credit union non-bank

mortgage lenders. So far as credit unions are concerned, they can only lend to their individual depositors and as such being non-profit financial organizations would now be subject to the Credit Reporting Act. Non-bank mortgage lenders do not take deposits so that they too would be exempt from this bill. As both financial institutions identified in the bill would be exempt, the committee felt that legislation to create a study committee was not appropriate. Vote 13-0.

HB 837-FN, relative to the release of real estate liens. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: This bill would have reduced the time for real estate lien holders to record in the registry of deeds the discharge of a lien from 60 to 30 days. The New Hampshire Department of Employment Security (among others) appeared in opposition to the bill, as the section of the law intended to be amended would directly affect them. It became quite apparent that the amendment was not the correct section to be changed. As a result of the hearing and subsequent work session, the committee was satisfied that there are too many different reasons for needing the 60 days, and therefor the recommendation was to report the bill as ITL. The committee is very sensitive to this issue, but this legislation creates more problems than the problem it attempts to solve. Vote 13-0.

HCR 4, urging adoption and implementation of a national do-not-call list for telemarketers. **INEXPEDIENT TO LEGISLATE**

Rep. Leo W. Fraser, Jr. for Commerce: This proposed resolution would have been an effort to raise the level of awareness on the Federal Trade Commission (FTC) in adopting a national do-not-call list. Since the HCR was introduced, the FTC has promulgated legislation and, in fact, fully funded the program. This proposed resolution is no longer necessary. Vote 18-1.

HB 205, relative to the use of criminal records and reports. **OUGHT TO PASS WITH AMENDMENT**

Rep. Donald C. Smith for Criminal Justice and Public Safety: This legislation adds the National Crime Prevention and Privacy Compacts to RSA 106-B:14 implementing the national exchange of criminal history records for non-criminal purposes. Currently only NH convictions are available. The Deputy Commissioner of Safety advised, "there can be no changes to the wording of the Compact." Presently 16 states belong and that number is expected to be 45 in the near future. New Hampshire is somewhat of a safe haven for pedophiles, embezzlers, etc. because information is not shared. No one spoke in opposition to this bill. Vote 12-0.

Amendment (0791h)

Amend RSA 106-B:14, III as inserted by section 2 of the bill by replacing it with the following:

III.(a) The general court hereby approves and ratifies the National Crime Prevention and Privacy Compact, 42 U.S.C. sections 14611-14616, as it existed on January 1, 2002, and the compact shall remain in effect until legislation is enacted renouncing or rescinding the compact.

(b) Criminal history information shall be made available according to the provisions of the National Crime Prevention and Privacy Compact.

(c) The commissioner of the department of safety shall execute, administer, and implement the compact on behalf of the state, and may adopt rules, pursuant to RSA 541-A, as necessary for the national exchange of criminal history records for noncriminal justice purposes.

(d) Nothing in this paragraph shall alter the duties and responsibilities of the commissioner of the department of safety regarding the dissemination of criminal history records within the state of New Hampshire.

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

HB 208, relative to name changes for inmates and parolees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Lori A. Movsesian for Criminal Justice and Public Safety: This bill was filed at the request of the Department of Correction. The DOC's concern was that a burdensome and frivolous number of requests for name changes were being received. The DOC also recognized that there are circumstances when an inmate, parolee, or registered sexual offender has a compelling reason to request a name change. The bill, as amended, requires the probate court to issue a copy of any order on a petition for a name change made by an individual who is on probation or parole, or for a person who is required to register as a sexual offender against children, to the DOC or to the Department of Safety. This bill makes the petition a final procedure and provides for a record of each petition and should reduce frivolous petitions. Vote 15-0.

Amendment (0555h)

Amend the bill by replacing all after the enacting clause with the following:

1 Change of Name. Amend RSA 547:3-i, II to read as follows:

II. Before the probate court may grant a change of name for a person who is incarcerated, or on probation or parole, or for a person who is required, pursuant to RSA 651-B, to register as a sexual offender or an offender against children and who is no longer subject to supervision by the department of corrections, the petitioner shall make a compelling showing that a name change is necessary. For a person who is incarcerated, or on probation or parole, the petitioner shall serve a copy of the petition, *pursuant to RSA 547:29*, on the department of corrections. For a person who is required to register as a sexual offender or an offender against children and who is no longer subject to supervision by the department of corrections, the petitioner shall serve a copy of the petition, *pursuant to RSA 547:29*, on the department of safety. *Upon ruling on the petition, the probate court shall issue a copy of its order to the department of corrections or, if the petitioner is no longer subject to the supervision of the department of corrections, to the department of safety.*

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires the probate court to issue a copy of any order on a petition for a name change made by an individual who is on probation or parole, or for a person who is required to register as a sexual offender or as an offender against children, to the department of corrections or to the department of safety.

HB 283-FN, establishing the penalty for endangering the welfare of a child or incompetent resulting in death or serious bodily harm. **INEXPEDIENT TO LEGISLATE**

Rep. William V. Knowles for Criminal Justice and Public Safety: this bill would have raised the penalty of endangering the welfare of a child or incompetent which results in death or serious bodily injury from a misdemeanor to a class A felony. The committee felt that this issue was adequately addressed in HB 718 which raises this penalty to a class B felony. Vote 15-1.

HB 389, relative to victim impact statements. **OUGHT TO PASS WITH AMENDMENT**

Rep. Constance A. Jones for Criminal Justice and Public Safety: Without this bill, there could be an attempt made to keep information from the court. This bill makes it very clear that the victim shall have the opportunity to be heard, without restriction, before the judge accepts a plea or before imposing a sentence, even if he or she cannot speak for themselves. The wording is such that it leaves no doubt that a victim of a crime, or attempted crime, may designate a representative to assist the victim in making an impact statement to the court and that the impact statement may include injuries, harm, or damages that were not fully determined or discovered at the time the information indictment was filed. The bill also deletes a portion of a 1993 session law prohibiting the funding of certain positions in the office of victim/witness assistance with funds from the victims' assistance fund. Vote 17-0.

Amendment (0258h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to victim impact statements and deleting the prohibition on funding certain positions in the office of victim/witness assistance with funds from the victims' assistance fund.

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 Office of Victim/Witness Assistance; Prohibition on Funding Deleted. Amend 1993, 358:88 to read as follows:

358:88 Office of Victim/Witness Assistance; Funding of Positions. Notwithstanding any other provision of law to the contrary, salary and benefits moneys from any existing vacancy in the department of justice may be used to fund the positions in PAU 02. 04, 02, 07, class lines 10, 14 and 60. ~~[These positions shall not be funded with moneys from the victims' assistance fund.]~~

AMENDED ANALYSIS

The bill provides that a victim of a crime or attempted crime may designate a representative to assist the victim in making an impact statement to the court and that the victim impact statement

may include injuries, harm, or damages that were not fully determined or discovered at the time the information or indictment was filed. The bill also deletes a portion of a 1993 session law prohibiting the funding of certain positions in the office of victim/witness assistance with funds from the victims' assistance fund.

HB 410, relative to disclosure of information for purposes of background investigations by criminal justice agencies of applicants for police, corrections, and security employment. **OUGHT TO PASS WITH AMENDMENT**

Rep. George D. Winchell for Criminal Justice and Public Safety: This bill establishes requirements for disclosure of information by current or former employers for purposes of background investigations conducted by criminal justice agencies of applicants for police, corrections, and security employment. The bill grants limited immunity to employers, the director of the police standards and training council, and criminal justice agencies for disclosure of employment or criminal history information. This bill was requested by the police standards and training council. The amendment corrects typographical errors. Vote 17-0.

Amendment (0451h)

Amend the bill by replacing section 1 with the following:

1 Purpose. The purpose of this act is to provide sufficient protection to employers to allow a free exchange of information to ensure the suitability of persons hired by criminal justices agencies for sensitive police or corrections employment.

Amend RSA 188-F:32-d, I(a) as inserted by section 2 of the bill by replacing it with the following:

(a) "Criminal justice agency" means a police department, sheriff's office, the police standards and training council, the department of safety, the fish and game department, the liquor commission, or any other state law enforcement agency, or the administrative office of the courts.

Amend RSA 188-F:32-d, V as inserted by section 2 of the bill by replacing it with the following:

V. The immunity provided in paragraph IV shall also apply to any criminal justice agency or its authorized agents who reject an applicant as not morally or temperamentally fit for police employment on the basis of a background investigation, criminal history or military discharge information, polygraph or psychological testing, and shares that information with another prospective criminal justice employer.

HB 418, relative to annulment of arrest records for defendants whose cases result in acquittal, dismissal, or failure to prosecute. **OUGHT TO PASS WITH AMENDMENT**

Rep. William V. Knowles for Criminal Justice and Public Safety: This legislation allows a defendant whose case was dismissed, not prosecuted, or such person was found not guilty, to file a petition for annulment of record immediately upon such determination. The court shall inquire of the state if it has no objection. If it does not, the court may immediately act upon the petition for annulment of the record of arrest immediately granting the same if the court deem it appropriate to do so. Vote 17-0.

Amendment (0542h)

Amend RSA 651:5, II as inserted by section 1 of the bill by replacing it with the following:

II. Any person whose arrest has resulted in a finding of not guilty, or whose case was dismissed or not prosecuted, may petition for annulment of the arrest record at any time in accordance with the provisions of this section. *Immediately upon court order issuing upon a finding of not guilty or when the case is dismissed or not prosecuted, the defendant may immediately file a petition for annulment of record. If this petition is filed immediately following an acquittal in court, the court shall inquire of the state if it has no objection. If it does not, the court may immediately act upon the petition for annulment of the record of arrest, immediately granting the same if the court deems it appropriate to do so.*

HB 483, relative to expungement of records of protective orders. **INEXPEDIENT TO LEGISLATE**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill was found to be lacking support from most of those who spoke on the bill. It became obvious after careful investigation that the State Police and the Federal Data Base (NCIC) already expunge these records once the protective order expires. The courts, however, retain them. The committee is of the opinion that these records should be kept for accountability of prior history particularly as they pertain to criminal

cases. The bill as presented had no standards on how this might be accomplished. In conclusion, the fiscal note on this bill advised it would add to the overall cost of the courts to enact it. Vote 18-0.

HB 495, relative to unauthorized access to a wireless computer network. **OUGHT TO PASS**
Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill came about innocently enough when a gentleman who is well versed in wireless computers and wireless technologies in general was walking near a company while he was using his wireless computer and inadvertently opened the company's computers up onto his hand-held screen while he was using his wireless computer. He went to the company and advised them that their system was not encrypted and told them what could have happened if he was an unscrupulous individual. To make a long story short, the bill simply puts the responsibility of encryption on the owner of the data where it belongs to avoid accidental access to a company's computer system and its files. Vote 15-0.

HB 580-FN-A, establishing a task force for the promotion of firearm safety and environmental awareness. **INEXPEDIENT TO LEGISLATE**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill has some laudable ideas but the committee felt that these would be better served in a joint resolution of the House & Senate rather than in its present form. Most of the goals/programs are already to some degree or other in place. The committee strongly endorses a resolution to encourage our school districts to take part in firearm safety just as they do for poison and other accidents. Vote 15-0.

HB 615-FN, relative to the requirements for registration of sexual offenders. **OUGHT TO PASS WITH AMENDMENT**

Rep. Karl I. Gilbert for Criminal Justice and Public Safety: This bill requires the registration of sexual offenders whose victims are under the age of 16. Current law states the age as 13. This bill also requires the name, address, physical description and photograph to be registered in the sexual offender data base. This bill will eliminate the present requirement of the Department of Safety maintaining a list of those requesting information from the offenders registry list. Vote 13-0.

Amendment (0818h)

Amend the bill by replacing all after the enacting clause with the following:

1 Registration of Criminal Offenders; Duty to Report. Amend RSA 651-B:4, I to read as follows:

I.(a)(1) Any person required to be registered under this chapter shall ~~[be required to]~~ report such person's current mailing address, place of residence or temporary domicile, and place of employment or schooling to the local law enforcement agency within 30 days after the person's release from custody following conviction, or within 30 days after the person's date of establishment of residence in New Hampshire if convicted elsewhere. Such report shall also be made annually within 30 days after each anniversary of the person's date of birth[;] and additionally within 30 days after any change of address or place of residence.

(2) Such person shall also be required to submit to a photograph taken by the law enforcement agency each time the person is required to report to the law enforcement agency under this section.

(b) Any nonresident sexual offender or offender against children who enters this state for the purpose of employment, with or without compensation, or to attend any public or private educational institution for a period exceeding 14 consecutive days or for an aggregate period of time exceeding 30 days during any calendar year ~~[is required to]~~ shall report to the local law enforcement agency having jurisdiction over the place of employment or school within 10 days of the nonresident offender entering the state for employment or schooling, and additionally within 10 days after any change of place of employment or schooling. In the event a nonresident offender required to register under this paragraph does not have a principal place of employment, the offender shall register with the department in Concord. Upon the nonresident offender's initial registration, the local law enforcement agency or the department shall notify the offender of the offender's duty to report under this chapter. The offender shall report the address of the offender's place of employment or schooling while in the state, the address where the offender resides out of state, and other information required by department rules adopted in accordance with RSA 651-B:8. Such report shall also be made annually within 30 days after each anniversary of the person's date of birth, and additionally within 10 days after any change of address or place of employment or schooling.

2 Registration of Criminal Offenders; Record of Information Disclosure. Amend RSA 651-B:7 IV(a) as follows:

IV.(a) The division shall provide a copy of the list described in this section to each local law enforcement agency at periodic intervals, through written, electronic, computerized, or other accessible means, but in no event less frequently than once each month. The list shall be made available to interested members of the public upon request to a local law enforcement agency. The department of safety may make the list available to interested members of the public through the use of the department's official public Internet access site. The department shall adopt rules, pursuant to RSA 541-A, establishing procedures for the collection of information described in this section, the transmission of the information from the division to the local law enforcement agencies, and the conditions under which the list shall be made available to the public. These rules shall enable the public to request information about a named individual or about all listed individuals residing or confined in the state. The rules ~~shall~~ *may* also include provisions for ~~[identifying and maintaining a record of the parties to whom information from the list has been disclosed, and may also provide for]~~ the imposition of a reasonable fee to defray the administrative costs of collecting the information and making the information available to the public.

3 Registration of Criminal Offenders; Availability of Information. RSA 651-B:7, II is repealed and reenacted to read as follows:

II.(a) The division shall maintain a separate list of all individuals registered pursuant to this chapter who have been convicted of any violation or attempted violation of one of the following offenses, or of any law of another state or the federal government reasonably equivalent to one of the following offenses:

- (1) RSA 632-A:2, I(I).
- (2) RSA 632-A:2, II.
- (3) RSA 632-A:3, II-III.
- (4) RSA 645:1, II.
- (5) RSA 645:1, III.

(6) Any offense described in RSA 651-B:1, V.

(b) The list described in subparagraph (a) shall include:

- (1) The name and address of the registered individual;
- (2) A photograph of the registered individual, if available;
- (3) A physical description of the registered individual, if available;
- (4) The offense for which the registered individual was convicted;
- (5) The date and court of the conviction for which the individual is registered and the date and court of the registered individual's other convictions, if any;
- (6) Information on the victim or victims of the registered individual's offense or offenses; and
- (7) The method of approach to the victim utilized by the registered individual.

(c) In no event shall the list include the identity of any victim.

4 Applicability. The provisions of this act shall apply to any person required to be registered pursuant to RSA 651-B:2 as of the effective date of this act.

5 Effective Date. This act shall take effect 60 days after its passage.

HB 630-FN, relative to penalties for assault on law enforcement officers, firefighters, emergency medical care providers, and national guard members. **OUGHT TO PASS WITH AMENDMENT** Rep. Stephen H. Nedeau for Criminal Justice and Public Safety: This bill permits extended terms of imprisonment for persons who commit assaults, against a person who is acting in the line of duty. The new bill would raise it to a Class B felony from the present misdemeanor. The amendment adds firefighters, emergency medical care providers and National Guard members to the present statute. Vote 17-1.

Amendment (0764h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to enhanced penalties for assault on law enforcement officers, firefighters, emergency medical care providers, and national guard members.

Amend the bill by replacing all after the enacting clause with the following:

1 Extended Term of Imprisonment. Amend RSA 651:6, I(h) to read as follows:

(h) He has knowingly committed or attempted to commit any of the crimes defined in RSA 631 where he knows the victim was, at the time of the commission of the crime, a law enforcement officer, *firefighter, emergency medical care provider or national guard member* acting in the line of duty; or

2 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill permits extended terms of imprisonment for persons who commit assault on on-duty law enforcement officers, firefighters, emergency medical care providers, and national guard members.

HB 637-FN, relative to damages against a defendant based upon the defendant's conviction of a felony offense. **INEXPEDIENT TO LEGISLATE**

Rep. William V. Knowles for Criminal Justice and Public Safety: This bill would lengthen the statute of limitations for civil actions for damages against a criminal defendant convicted of a felony. It would allow a victim to commence an action for damages against a defendant within ten years of the date on which the defendant completed the terms of sentence. This proposal would be a substantial increase in the general statute of limitations which is three years. A great many felony offenders do not have assets to satisfy a judgment. Where assets do exist, civil actions will likely continue to be brought within the current statute of limitations. Vote 11-1.

HB 654-FN, relative to criminal liability for the destruction or disconnection of a smoke detector by a tenant in a rental dwelling. **OUGHT TO PASS WITH AMENDMENT**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill brought out some very strong concerns. Most at the public hearing came forward for the same reason: tenants and/or guests of the tenants were rendering useless a fire protection device that could in most cases save lives. They were either destroying or disconnecting or in some other way making inoperable smoke detectors in the rental properties. This bill addresses that and it makes it a misdemeanor and holds the tenant or his guest criminally liable for such an act. Those from rental management companies to the individual renter and the state's Fire Marshal all concurred the need for this bill. Vote 12-0.

Amendment (0654h)

Amend RSA 634:2, IX as inserted by section 1 of the bill by replacing it with the following:

IX. Any person who is found guilty of criminal mischief under this section because such person is a tenant, or a guest of such tenant, in a rental dwelling who has destroyed, disconnected, or otherwise rendered inoperable any smoke detector in the rental dwelling, or who has attempted the same in a rental dwelling, shall be guilty of a misdemeanor.

AMENDED ANALYSIS

This bill makes a tenant or a guest of such tenant criminally liable for destroying, disconnecting, or rendering inoperable a smoke detector in a rental dwelling and provides that the tenant or guest of such tenant shall be guilty of a misdemeanor.

HB 659-FN, relative to penalties for failure to obey a subpoena or summons. **OUGHT TO PASS WITH AMENDMENT**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill would have increased the current penalty for a non-party witness who either refused or who otherwise had no reasonable excuse not to testify or appear as summoned from a violation to a class B misdemeanor and added a feature that would have made a second or subsequent offense rise to a class A misdemeanor. The amendment makes the bill "gender neutral". The amendment also keeps the penalty for the witness as a violation, but adds that "such person may be ordered to pay costs". Vote 15-0.

Amendment (0655h)

Amend the bill by replacing section 1 with the following:

1 Attendance of Witnesses; Penalty. Amend RSA 516:7 to read as follows:

516:7 Penalty. Every court, justice, and notary, before whom a person has been summoned to appear and testify or to give a deposition, may bring the person neglecting or refusing to appear or to testify or to give ~~his~~ a deposition, by attachment, before them, and if, on examination, ~~he~~ *such person* has no reasonable excuse, ~~[may find him]~~ *such person shall be* guilty of a violation, and may ~~[order him]~~ *be ordered* to pay costs.

AMENDED ANALYSIS

This bill provides that a person who fails to obey a subpoena or summons shall be guilty of a violation and may be ordered to pay costs.

HB 690-FN, relative to agricultural crop damage. **OUGHT TO PASS WITH AMENDMENT**
Rep. Laura C. Pantelakos for Criminal Justice and Public Safety: The committee felt the farmers deserve the same protection as other businesses when a person intentionally damages their crops. This bill provides civil and criminal penalties. Vote 16-2.

Amendment (0759h)

Amend RSA 539:9, I as inserted by section 1 of the bill by replacing it with the following:

I. Whoever shall knowingly cut, fell, destroy, injure, contaminate, carry away, tamper with, or vandalize any legal crop or legal crop bearing tree or plant, cropland, pasture, or pasture land, or aid in such action without permission of the owner, shall forfeit to the person injured no less than 3 times and no more than 10 times the market value or repair cost.

AMENDED ANALYSIS

This bill provides civil and criminal penalties for intentionally damaging legal crops.

HB 718-FN, relative to endangering the welfare of a minor and amending the statute of limitations for sexual assault of a child. **OUGHT TO PASS WITH AMENDMENT**

Rep. William V. Knowles for Criminal Justice and Public Safety: This bill as introduced, consisted of four parts. The first section removed the statute of limitations for sexual assault and incest where the victim was under 18 years of age when the alleged offense occurred. The amendment removed this section of the bill and retained the current statute which allows prosecution to commence within 22 years of the victim's eighteenth birthday. Section four of the bill was moved to section one. This section allows prosecution of an adult who is accused of committing a serious crime, so outlined in RSA 628:1, II, when such crime was committed when the person was 13 years of age or older, but was never charged. Prosecution may commence without first certifying the accused as an adult, if such person has attained adulthood. Section two of the bill allows for prosecution of any offense where destruction or falsification of evidence, witness tampering, or other unlawful conduct delayed discovery of the offense, within one year of the discovery of the offense. Section three deals with Endangering Welfare of Child or Incompetent. A person is guilty of a class B felony if the endangerment of the child or incompetent involves the death, serious bodily injury or sexual assault of the child, or incompetent. This penalty may result in a 3-1/2 to 7 year sentence. The current penalty is a misdemeanor which can result in a sentence of not more than one year. Vote 16-0.

Amendment (0867h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to endangering the welfare of a minor and relative to criminal responsibility for the commission of certain acts.

Amend the bill by replacing section 1 with the following:

I Criminal Responsibility; Immaturity. Amend the introductory paragraph of RSA 628:1, II to read as follows:

II. A person 13 years of age or older may be held criminally responsible for the following offenses [~~if the person's case is transferred to the superior court under the provisions of RSA 169-B:24~~]:

AMENDED ANALYSIS

This bill:

I. Deletes the juvenile transfer requirement and provides that a person 13 years of age or older may be held criminally responsible for certain offenses.

II. Adds a one-year, discovery rule, statute of limitations for the prosecution of any offense which is delayed as a result of destruction or falsification of evidence or witness tampering.

II. Provides that endangering the welfare of a child or incompetent which results in the death, serious bodily injury, or sexual assault of the child or incompetent shall be a class B felony.

HB 731-FN, relative to penalties for intoxication and under the influence of drug offenses. **INEXPEDIENT TO LEGISLATE**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill was poorly written. It would attempt to bring the weight of the federal Ricco law into our driving after revocation offenses by creating a forfeiture of the vehicles used in some of these offenses. It would amend parts of the DWI penalties by eliminating the impaired driver intervention programs as well as the other multiple DWI offender detention center programs and some drug-related intervention program require-

ments of persons convicted of these offenses. New Hampshire now has some of the best and strongest DWI laws in the nation. To amend or tinker with them at this time, and in this way, would be draconian. From the Department of Health and Human Services and our courts to corrections, all point to increased cost, delays, trials and collections, not to mention that the programs of detention and intervention that are working would be lost. Vote 17-0.

HB 749, relative to the statute of limitations in criminal cases where a defendant is identified by a DNA profile. **OUGHT TO PASS WITH AMENDMENT**

Rep. Stanley E. Stevens for Criminal Justice and Public Safety: Initially this bill was introduced to add a new paragraph to RSA 625:8 which would allow the state to commence prosecution against a defendant within one year after discovery of a match between the defendant's DNA sample and a DNA record contained in the DNA database defined in RSA 651-C, notwithstanding the statute of limitations. The committee felt that the sponsors' intent would be better achieved by amending RSA 597-A:7 which allows the commencement of a criminal proceeding begun by complaint which sets forth the name or description of the party accused. The current bill as amended, says, "The description of the accused may include an identifiable ridge skin impression or a DNA profile." In plain language "an identifiable skin impression" is a fingerprint. In adding this sentence to RSA 592-A:7, the state may obtain a so-called "John Doe warrant" when it is able to identify a defendant by fingerprint or DNA evidence. Vote 13-0.

Amendment (0659h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the description in a criminal complaint of the party accused.

Amend the bill by replacing all after the enacting clause with the following:

1 Jurisdiction and Procedure; Complaints. Amend RSA 592-A:7 to read as follows:

592-A:7 Complaints. Criminal proceedings before a district or municipal court shall be begun by complaint, signed and under oath, addressed to such court, briefly setting forth, by name or description, the party accused and the offense ~~[with which he is]~~ charged. *The description of the accused may include an identifiable ridge skin impression or a DNA profile.*

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides that a description of the accused in a criminal complaint may include an identifiable ridge skin impression or a DNA profile.

HB 825, establishing a committee to study methods of safely reducing the prison population in the state. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard E. Kennedy for Criminal Justice and Public Safety: This bill, establishing a committee to study methods of safely reducing the prison population, is amended to study any issues concerning prison population. In light of the proposed closing of the Goffstown Prison for Women, and the shifting of male prisoners from the Lakes Region Facility to Berlin and Concord, all our prison facilities will be stressed. It makes sense to monitor this situation. Vote 18-0.

Amendment (0600h)

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall study methods of safely reducing the prison population in the state and any other issues involving the prison population.

Amend the bill by replacing section 5 with the following:

5 Report. The committee shall issue an interim report of its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2003, and shall issue a final report on or before November 1, 2004.

HB 124, relative to the membership on the regional community-technical college board of trustees. **INEXPEDIENT TO LEGISLATE**

Rep. Bruce Dearborn for Education: This bill added one Representative and one Senator to the New Hampshire Technical Colleges board of trustees. House Bill 258 which adds one Representative and one Senator to the New Hampshire Technical Colleges has been passed by the Executive Departments and Administration Committee. Therefore, this bill is not necessary. Vote 15-0.

HB 267, relative to the collection of data on the status of air quality in public schools. **INEXPEDIENT TO LEGISLATE**

Rep. Sharon M. Carson for Education: The Committee felt that this issue, while a very important one to our schools, is already being addressed by other State agencies and legislation at this time is not appropriate. Vote 19-0.

HB 362-L, relative to approval of certain capital and operating costs in the Fall Mountain regional school district. **INEXPEDIENT TO LEGISLATE**

Rep. Mark S. Carter for Education: The Committee felt this was a local issue. According to testimony from the Department of Education, the language of the bill would place the Fall Mountain district in a unique position relative to all other school districts. Further court action is pending on the issues in question. Vote 17-2.

HB 542, establishing a committee to study replacing the New Hampshire statewide improvement and assessment test with testing which complies with the requirements of the federal No Child Left Behind Act of 2001. **INEXPEDIENT TO LEGISLATE**

Rep. J. D. Colcord for Education: The committee believed that the Legislative Oversight Committee established under the Statewide Education Improvement and Assessment Program could accomplish the actions as required by the No Child Left Behind Act. Because of this, the committee and the sponsor agreed that a new study committee was not required. Vote 19-0.

HB 568-L, relative to legal residency for the purpose of public school education. **OUGHT TO PASS WITH AMENDMENT**

Rep. Clair A. Snyder for Education: This bill brings us into compliance with the Federal McKinney-Vento Act and creates a method of final determination in case of dispute by relevant districts. Vote 18-0.

Amendment 0444(h)

Amend the bill by replacing all after the enacting clause with the following:

1 Pupils; Legal Residence of Homeless Children. RSA 193:12, IV is repealed and reenacted to read as follows:

IV. The term "homeless children and youths" means individuals who lack a fixed, regular, and adequate nighttime residence, and shall include the following:

(a) Children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals; or are awaiting foster care placement.

(b) Children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings.

(c) Children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.

(d) Migratory children, as defined in 20 U.S.C. 6399 who qualify as homeless because such children are living in circumstances as described in subparagraphs (a)-(c).

2 Pupils; Legal Residence of Homeless Children. Amend RSA 193:12, VI to read as follows:

VI. The ~~superintendent~~ *commissioner of the department of education, or designee* shall decide residency issues under this section. If more than one school district is involved in a residency dispute or the parents who live apart cannot agree on the residence of a minor child, the respective superintendents shall jointly make such decision. In those instances when an agreement cannot be reached in a timely manner, the commissioner of *the department of education, or designee* shall make a determination and such determination shall be final. *In any case, a written explanation shall be provided to the parties of record and a copy of such explanation shall be kept on file by the department of education.* No school district shall deny a pupil attendance or implementation of an existing individual education plan. A pupil shall remain in attendance in the pupil's school of origin during the pendency of a determination of residency and shall be counted in the average daily membership in residence in the district of residence. In this paragraph, "school of origin" means the school the child attended when permanently housed or the school in which the child was last enrolled. Notwithstanding the provisions of RSA 21-N:11, III any person aggrieved by a determination of the commissioner may appeal such determination to a court of competent jurisdiction.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the definition of legal residency for homeless children and youths and provides that disputes regarding residency shall be resolved by the commissioner of the department of education, or a designee.

HB 662-FN, establishing the New Hampshire volunteer elementary teachers and students program. **INEXPEDIENT TO LEGISLATE**

Rep. Tim Dunn for Education: The majority of the committee was of the opinion that much of what this bill calls for is already being done. It is handled at the local level through parent associations and other school volunteer organizations. The testimony for legislation was not compelling. Vote 18-1.

HB 785-FN, requiring the commissioner of the department of education to establish a public school choice initiative. **OUGHT TO PASS**

Rep. John R.M. Alger for Education: This bill was the result of a study bill. The study done last year recommended the Department of Education encourage public school districts to contract together for choices of public school in order to enhance the quality of education within the participating schools. We learned that Maine has such a program and the unanimous vote of the committee would encourage this initiative to address the need of rural school districts by providing school choice. Vote 19-0.

Referred to Finance.

HB 332-FN, relative to the use of prerecorded telephone messages by candidates and political committees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Howard C. Dickinson for Election Law: This bill, as amended, requires that all pre-recorded political messages shall include the names of the organization that the person is calling on behalf of, and the name of the person or organization paying for the call and the fiscal agent, if applicable. Furthermore, no one shall be called whose name is on a "do not call" list. Violators shall be subject to an administrative fine of \$250 per incident, up to a total of \$50,000. Vote 16-2.

Amendment (0547h)

Amend the bill by replacing all after the enacting clause with the following:

I New Section; Political Advertising; Prerecorded Political Messages. Amend RSA 664 by inserting after section 14 the following new section:

664:14-a Prerecorded Political Messages.

I. In this section, "prerecorded political message" means a prerecorded audio message delivered by telephone by:

(a) A candidate or political committee; or

(b) Any person when the content of the message expressly or implicitly advocates the success or defeat of any party, measure, or person at any election, or contains information about any candidate or party.

II. No person shall deliver a prerecorded political message unless the message contains, or a live operator provides immediately after telephone contact, the following information:

(a) The name of any organization or organizations the person is calling on behalf of.

(b) The name of the person or organization paying for the delivery of the message and the name of the fiscal agent, if applicable.

III. No person shall deliver a prerecorded political message to any telephone number on the person's do not call list, or on any state or federal do not call list, or to any telephone number which has otherwise been the subject of a request that no further prerecorded political messages be delivered by the person to the telephone number.

IV. Violators of this section shall not be subject to penalties under RSA 664:21, V, but shall be subject to an administrative fine of \$250 per incident up to a total of \$50,000.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill requires that certain identifying information accompany prerecorded political telephone messages.

HB 364-FN, relative to the use of automatic telephone dialing systems for political advocacy. OUGHT TO PASS WITH AMENDMENT

Rep. Harriet E. Cady for Election Law: This bill was to prevent negative telephone solicitation of votes but was amended to allow the candidate in their own voice to answer any last minute negative calls. Vote 18-0.

Amendment (0792h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Political Expenditures and Contributions; Political Advertising; Use of Automatic Telephone Dialing Systems. Amend RSA 664 by inserting after section 16-a the following new section:

664:16-b Use of Automatic Telephone Dialing Systems.

I. In this section:

(a) "Automatic telephone dialing system" means any automatic terminal equipment which stores or produces numbers to be called randomly or sequentially and which delivers a prerecorded message to the number called without assistance of a live operator.

(b) "Caller identification information" means:

(1) The telephone listing number and/or name of the customer from whose telephone instrument a telephone number is dialed; or

(2) Other information that may be used to identify the specific originating number or originating location of a wire or electronic communication transmitted by a telephone instrument.

(c) "Per-call blocking" means a telecommunications service that prevents the transmission of caller identification information to a called party on an individual call if the calling party acts affirmatively to prevent the transmission of the caller identification information.

(d) "Per-line blocking" means a telecommunications service that prevents the transmission of caller identification information to a called party on every call unless the calling party acts affirmatively to release the caller identification information.

(e) "Solicitation" means the unrequested initiation of a telephone call to a residential telephone subscriber for the purposes of political advertising; or to gain a pledge, promise, or contribution in circumstances where there is no pre-existing relationship between the caller and the person called; or to obtain information, data, or opinions relating to a party, measure, or candidate.

II.(a) Any person, except a candidate using his or her own voice, intending to use an automatic telephone dialing system for solicitation in this state shall, at least 5 business days prior to using the system, register with the department of state the information required by paragraph III. At the time of filing, the registrant shall also pay to the department a fee established by the secretary of state.

(b) The registrant shall be responsible for providing timely identification and automatic disconnect in accordance with paragraphs IV and V.

(c) All transmissions shall be randomly generated in unequal intervals, and shall not infiltrate any emergency lines, such as police, fire, or ambulance lines, which are either 911 circuits or 7-digit telephone numbers designated as emergency lines.

III. Each registration pursuant to subparagraph II(a) shall contain the following information:

(a) The name and address of the registrant, including the name under which the registrant is doing or intends to do business and the name under which the registrant is registered pursuant to RSA 664:3.

(b) The complete street addresses of all locations from which the registrant will be conducting its activities.

IV. Any automatic telephone dialing system used in this state shall be operated so that the system will automatically disconnect or release within 10 seconds after the called party hangs up.

V. Any solicitation message made through the use of an automatic telephone dialing system shall disclose immediately after telephone contact:

(a) The name of the person, company, and/or organization making the call.

(b) The purpose of the call and the party, measure, or candidate whose success or defeat the caller is advocating, if any.

(c) The name of the person or organization paying for the delivery of the message, and the name of the fiscal agent, if applicable.

VI. No person using an automated telephone dialing system or any other method for solicitation in this state shall use any method, including per-call blocking or per-line blocking, that pre-

vents caller identification information for the telephone solicitor's lines used to make telephone calls to a residential telephone subscriber from being shown by a device capable of displaying caller identification information. The caller identification information displayed shall contain a telephone number at which the telephone solicitor may receive telephone calls if the telephone solicitor leaves a message on a telephone answering device or uses an automatic telephone dialing system that plays a recorded message when a connection is completed to a telephone number.

VII. Violators of this section shall not be subject to penalties under RSA 664:21, V, but shall be subject to an administrative fine of \$250 per incident up to a total of \$50,000.

2 Effective Date. This act shall take effect upon its passage.

HB 605-FN, relative to prohibited election day activity. **OUGHT TO PASS WITH AMENDMENT**
Rep. Howard C. Dickinson for Election Law: HB 605, as amended received the unanimous support of this committee because its passage will assure that the blocking of certain phone numbers which took place in the last election will never happen again. Vote 19-0.

Amendment (0732h)

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Election Procedure; Prohibited Acts; Interference With Communications. Amend RSA 659 by inserting after section 40 the following new section:

659:40-a Interference With Communications. Any person who, on the day of any election, knowingly blocks, or solicits another person to block, the access of any candidate or committee to communications equipment or services with the intent of interfering with campaign activity shall be guilty of a class A misdemeanor.

2 Effective Date. This act shall take effect upon its passage.

HB 779, relative to appeals from recounts of legislative elections. **INEXPEDIENT TO LEGISLATE**
Rep. Harriet E. Cady for Election Law: There already exists authority to do a recount of representative and senate races and another bill addresses the sponsors concerns. The committee does not believe we need duplication of laws. Vote 19-0.

HB 829, relative to ward boundaries in Manchester and Nashua to be used in state elections. **OUGHT TO PASS WITH AMENDMENT**

Rep. Jane A. Clemons for Election Law: This is a technical change for boundaries in both cities brought forward by the city clerks. It changes ward boundaries for senate and representative districts in Manchester and representative districts in Nashua as established by their city charters. Vote 19-0.

Amendment (0423h)

Amend the bill by replacing section 1 with the following:

1 Manchester and Nashua; Ward Boundaries. For purposes of elections for state senator and state representative conducted after the effective date of this act in districts established by the supreme court in Below v. Gardner, No. 2002-0243 (June 24, 2002) and Burling v. Chandler, No. 2002-0210 (July 26, 2002), ward boundaries for senate and representative districts in Manchester and representative districts in Nashua shall be the ward boundaries established by those cities in their respective charters.

AMENDED ANALYSIS

This bill requires that state senate and representative elections in Manchester and representative districts in Nashua be conducted in accordance with the ward lines established in their city charters

HB 529, relative to the New Hampshire seed law. **OUGHT TO PASS**

Rep. Derek Owen for Environment and Agriculture: This bill makes the New Hampshire seed law more consistent and uniform with the National Model Seed Bill. This bill is supported by the industry. Vote 13-0.

HB 83, establishing a committee to study penalties for executive department employees for non-compliance with department rules or state statutes. **INEXPEDIENT TO LEGISLATE**

Rep. Albert W. Hamel for Executive Departments and Administration: The committee listened to the testimony, studied the proposal and concluded there was adequate existing legislation at the disposal of the executive branch to handle these situations. Vote 17-0.

HB 222, specifying the term for physicians and dentists at the department of corrections and relative to the special school district within the department of corrections. **OUGHT TO PASS WITH AMENDMENT**

Rep. Albert W. Hamel for Executive Departments and Administration: This bill realigns medical and dental lines of communication and lines of authority/command within the department of corrections. The amendment establishes the effective date of July 31, 2003. Vote 16-0.

Amendment (0761h)

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect July 31, 2003.

HB 258, relative to the community-technical college system. **OUGHT TO PASS WITH AMENDMENT**

Rep. Michael O'Neil for Executive Departments and Administration: This bill, as amended, will improve the coordination and reduce the redundancy in governing the New Hampshire Community-Technical College System. The governor's appointed board of trustees will have the responsibility for the appointment of the commissioner, deputy commissioner, director of finance and the college presidents and have full authority over these specific positions. This bill also adds a member of the house and senate to the board of trustees for the community-technical college system. Vote 17-0.

Amendment (0287h)

Amend RSA 188-F:5, II-a as inserted by section 4 of the bill by replacing it with the following:

II-a. The commissioner shall nominate ~~[for appointment by]~~ *with the approval and confirmation of* the board of trustees, an unclassified director of financial management. The director shall serve at the pleasure of the board of trustees. The director shall be qualified to hold that position by reason of education and experience *and shall report to the commissioner*. The director shall be responsible for *leadership and supervision of* the following functions:

(a) ~~[Human resources, employee relations, and payroll:~~

~~(b)]~~ Accounts payable, including purchasing.

~~(c)]~~ (b) Accounts receivable, including tuition and student fees.

~~(d)]~~ (c) Financial analyses and financial control, including budget development and expenditure management.

~~(e)]~~ (d) Financial management of grants and development funds.

~~(f)]~~ (e) Computer support services for financial and student management.

Amend RSA 188-F:5, I as inserted by section 4 of the bill by replacing it with the following:

I. The ~~[governor and council]~~ *board of trustees* shall appoint a commissioner of regional community-technical colleges, who shall be the chief executive officer of the department. The commissioner shall be qualified by education and experience and shall have a 4-year term. ~~[The salary of the commissioner shall be that established in RSA 94.]~~

Amend RSA 188-F:3-a, I (1) as inserted by section 7 of the bill by replacing it with the following:

(1) One member from the house of representatives, appointed by the speaker of the house.

AMENDED ANALYSIS

This bill authorizes the board of trustees to appoint and fix the compensation of the commissioner, deputy commissioner, director of financial management, and presidents of the community-technical college system and amends the duties of the board of trustees of the community-technical college system. The bill also adds a member of the house of representatives and a member of the senate to the board of trustees for the regional community-technical colleges.

HB 377, relative to discipline of state employees or officers making willful false statements. **IN-EXPEDIENT TO LEGISLATE**

Rep. John DeJoie for Executive Departments and Administration: This bill would make it a terminable offense for state employees to make certain false statements. The committee believes that supervision of any necessary discipline of employees is a subject of collective bargaining. Further, the committee determined that the process to discipline state employees currently exists within the collective bargaining agreement and should be utilized as needed. Vote 16-0.

HB 383, limiting the disclosure of personal information on government Internet sites and amending the information practices act. **INEXPEDIENT TO LEGISLATE**

Rep. Peter F. Bergin for Executive Departments and Administration: The committee felt that the sponsors were well intended on the matters of privacy. However, in hearing testimony, a number of local cities and towns now use the Internet to post property appraisals. Such postings have saved localities a substantial amount of money. In addition, it has provided additional services to the citizens. If a citizen objects, they can register a complaint with the local municipality. In many cases, their name and information was eliminated. In the new age of the Internet, the committee realizes there are many advantages and disadvantages. However, the Internet reaches out beyond the bounds of New Hampshire. Vote 14-2.

HB 392-L, requiring a study by the office of state planning of ways to improve the delivery of information and training to planning board and zoning board members. **INEXPEDIENT TO LEGISLATE**

Rep. Paul G. LaFlamme for Executive Departments and Administration: The bill would create a study to improve the delivery of background information and training to members of municipal planning and zoning boards from the office of state planning. The office of state planning stated that the authority to conduct such a study was already in their jurisdiction and they plan to look at this issue with or without this bill. The committee was also fearful of discouraging potential candidates serving on local boards. Vote 15-1.

HB 417, encouraging all state departments to improve efficiencies with the goal of a 25 percent budget reduction, adjusted for inflation, by 2007, and establishing a state government reorganization task force. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice E. Goulet for Executive Departments and Administration: This bill provides two noble goals. However, the committee decided that these issues were more than adequately covered by HB 171, which as of this writing, has passed both the House and Senate. Vote 16-0.

HB 505, relative to the membership of the liquor commission when conducting hearings. **INEXPEDIENT TO LEGISLATE**

Rep. Nelson S. Allan for Executive Departments and Administration: This bill expands the liquor commission's hearing board from three to six members appointed by the governor and council. Committee members felt the existing three-member board is working well. Vote 16-0.

HB 513, relative to background checks of law enforcement agency employees. **INEXPEDIENT TO LEGISLATE**

Rep. Anne Marie Irwin for Executive Departments and Administration: This bill would require background checks for law enforcement agency employees before being offered permanent employment. The committee determined, as a result of testimony from the Director of Police Standards and Training, that present regulations are more stringent than the proposed regulations. Vote 16-0.

HB 525-FN, relative to use of certain out-of-state creditable service for eligibility for payment of medical benefits cost. **INEXPEDIENT TO LEGISLATE**

Rep. Charles Q. Hall for Executive Departments and Administration: This bill would allow an individual to purchase up to eight years of out of state service to be applied towards creditable service for retirement purposes and used for eligibility toward the medical subsidy. The committee felt that the cost of this benefit coming from the medical trust in the special account would not be reimbursed under this proposal. Therefore, it is deemed unreasonable and could effect other retirees in the long run. In addition, the bill is in direct conflict with RSA 100-A:4. Vote 15-0.

HB 526, requiring the governor to provide the legislature with a biennial strategic economic development plan. **INEXPEDIENT TO LEGISLATE**

Rep. John DeJoie for Executive Departments and Administration: This bill would require the governor to provide an economic development plan to the legislature every two years. The office of state planning testified that HB 712 (2002) changed the reporting requirement for economic development plans from two to four years. Since the reporting period was recently changed, the committee determined that it was too soon to assess the effectiveness of these reports. Vote 16-0.

HB 543, relative to alternate members of the board of accountancy and appeals of board decisions. **OUGHT TO PASS WITH AMENDMENT**

Rep. Peter F. Bergin for Executive Departments and Administration: The current board of accountancy has five members. It is comprised of three certified public accountants, one public account-

tant and one public member. The bill, as amended, would increase the board to seven members. The new board would consist of four certified public accountants, one public accountant and two public members. In addition, the appeal process was clarified to fall under RSA 541. Vote 17-0.

Amendment (0848h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to increasing the membership of the board of accountancy and relative to appeals of board decisions.

Amend the bill by replacing all after the enacting clause with the following:

1 Board of Accountancy; Two Members Added. Amend RSA 309-B:4, I(a) to read as follows:

I.(a) There is hereby created the New Hampshire board of accountancy, which shall have responsibility for the administration and enforcement of this chapter. The board shall consist of [5] 7 members, all of whom shall be residents of this state appointed by the governor with the approval of council. [~~Three~~] **Four** members shall be holders of certificates under RSA 309-B:5 or corresponding provisions of prior law; one member shall be a public accountant who is a holder of a currently valid registration, and [~~one member~~] **2 members** shall be [a] public [~~member~~] **members**, who [~~is~~] **are** not, and never [~~was, a member~~] **were, members** of the accounting profession, or the [~~spouse~~] **spouses** of such [~~a person~~] **persons**, but who [~~has~~] **have**, or [~~has~~] **have** had, professional or practical experience in the use of accounting services and financial statements so as to be qualified to make judgments about the qualifications and conduct of persons and firms subject to regulation under this chapter. The one position to be occupied by a public accountant shall instead be occupied by a public member after the number of public accountants holding currently valid public accountant registrations drops below 25.

2 Board of Accountancy; Appeals. Amend RSA 309-B:12, X to read as follows:

X. Any person or firm adversely affected by any order of the board entered after a hearing under this section may appeal such order by filing a written petition with the superior court in the county in which the respondent resides or, if not a resident of this state, in the county in which the respondent has a place of business or resident agent. The petition shall be filed within 30 days after the entry of the order. The respondent shall exhaust all applicable administrative procedures before periodical review may commence. The procedures for review and the scope of the review shall be [~~as specified in RSA 541-A, the New Hampshire Administrative Procedure Act~~] **pursuant to RSA 541.**

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides for the appointment of 2 new members to the board of accountancy. The bill also clarifies the appeal procedure for decisions of the board.

HB 594-FN-L, relative to the return of employer contributions for retirement system members who terminate employment prior to vesting. **INEXPEDIENT TO LEGISLATE**

Rep. Carl G. Robertson for Executive Departments and Administration: This bill would require the retirement system to return the employer contributions made on behalf of employees who terminate employment system membership prior to vesting. The committee felt that, if the contributions were returned, the actuary's projection needed to keep the system operating smoothly would require an increase of all employers' contributions creating a 28-A issue. The system assumes there are 2156 employees of political subdivisions who will terminate employment with an average of seven years service and an average compensation of \$27,712. This bill would increase the normal contribution rate for political subdivision employers by .25%, which would require an additional contribution of approximately \$830,000. It would also cost the retirement system between \$75,000-\$100,000 to change the mainframe to deal with these refunds. Based on this information and the fact that the actuary's figures have been terminally funded allowing for reduced rates, the committee felt this bill should be inexpedient to legislate. Vote 16-0.

HB 617-FN, relative to the licensure of dentists and regulation by the board of dental examiners. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maurice E. Goulet for Executive Departments and Administration: The amendment clarifies the eligibility of the board of dental examiners to license an individual by endorsement under statutory conditions. It establishes the opportunity for the board to elect a vice-president, which brings this board to parity with other state boards. These issues were brought by the board and are house-keeping in nature. Vote 18-0.

Amendment (0839h)

Amend the introductory paragraph of RSA 317-A:7-a as inserted by section 4 of the bill by replacing it with the following:

317-A:7-a License by Endorsement. Licensure by endorsement may be considered by the board for each applicant who holds a current, unrestricted license and registration certificate to practice dentistry or dental hygiene and who submits to the board the required credentials if, for the 3 years immediately preceding the application, the applicant:

HB 635-FN-A-L, creating a legislative committee to review rules and propose legislation for the repeal of RSA 541-A, and instituting a moratorium on the filing of rules by state agencies. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice E. Goulet for Executive Departments and Administration: The committee listened with interest to the sponsor; however, it became clear that establishing a moratorium on rulemaking would create more problems than it could ever prevent. One standing house committee has established an ad hoc committee to review issues regarding administrative rules, which will be an appropriate venue to discuss some of these issues. Vote 16-0.

HB 657-FN, relative to creditable service in the retirement system for the time that teachers were required to take pregnancy and maternity leave. **INEXPEDIENT TO LEGISLATE**

Rep. Charles Q. Hall for Executive Departments and Administration: This bill would allow teachers in the retirement system, who were required to leave teaching for a period of pregnancy and maternity leave, to purchase that time as creditable service for eligibility for retirement benefits and medical benefits. While the committee was very sympathetic to one individual who had missed the required time to reach eligibility for the benefits, it was felt that the unknown issue of how many others in the past who did not qualify and that we may be opening a flood gate of applications that the system could not afford. Vote 11-3.

HB 665-FN-L, relative to municipal and county audits. **INEXPEDIENT TO LEGISLATE**

Rep. Maurice L. Pilotte for Executive Departments and Administration: This bill called for the Municipal Services Division at the Department of Revenue Administration to assume responsibility for conducting county and municipal audits. The DRA has not conducted such audits for more than twenty years. Counties and municipalities currently contract independent auditors for that purpose. Vote 17-0.

HB 670-FN, establishing a procedure for release by a state agency of statistical information for research purposes. **OUGHT TO PASS WITH AMENDMENT**

Rep. Margie Maybeck for Executive Departments and Administration: This bill establishes the process of collecting data for research purposes and preserves the confidentiality of individual information of public information. The amendment covers three areas. First it establishes the cell range in statistical tables when the size is more than 0 and less than five. Two, it provides the agency head the ability to name a designee to respond to the request of a written application for agency data. And three, it gives the agency head the opportunity to write rules under RSA 541-A, to establish a basis and fees for obtaining copies of limited data sets or statistical tables. This bill is important as we enter a new era of data collection and making research information available for study purposes of numerous areas, including education, health care, and numerous other areas of importance. Vote 17-0.

Amendment (0870h)

Amend the bill by replacing all after section 1 with the following:

2 New Subdivision; Procedure for Release of Personal Information for Research Purposes. Amend RSA 91-A by inserting after section 9 the following new subdivision:

Procedure for Release of Personal Information for Research Purposes

91-A:10 Release of Statistical Tables and Limited Data Sets for Research.

I. In this subdivision:

(a) "Agency" means each state board, commission, department, institution, officer or other state official or group.

(b) "Agency head" means the head of any governmental agency which is responsible for the collection and use of any data on persons or summary data.

(c) "Cell size" means the count of individuals that share a set of characteristics contained in a statistical table.

(d) "Data set" means a collection of personal information on one or more individuals, whether in electronic or manual files.

(e) "Direct identifiers" means:

- (1) Names.
- (2) Postal address information other than town or city, state, and zip code.
- (3) Telephone and fax numbers.
- (4) Electronic mail addresses.
- (5) Social security numbers.
- (6) Certificate and license numbers.
- (7) Vehicle identifiers and serial numbers, including license plate numbers.
- (8) Personal Internet IP addresses and URLs.
- (9) Biometric identifiers, including finger and voice prints.
- (10) Personal photographic images.

(f) "Individual" means a human being, alive or dead, who is the subject of personal information and includes the individual's legal or other authorized representative.

(g) "Limited data set" means a data set from which all direct identifiers have been removed or blanked.

(h) "Personal information" means information relating to an individual that is reported to the state or is derived from any interaction between the state and an individual and which:

- (1) Contains direct identifiers.
- (2) Is under the control of the state.

(i) "Provided by law" means use and disclosure as permitted or required by New Hampshire state law governing programs or activities undertaken by the state or its agencies, or required by federal law.

(j) "Public record" means records available to any person without restriction.

(k) "State" means the state of New Hampshire, its agencies or instrumentalities.

(l) "Statistical table" means single or multi-variate counts based on the personal information contained in a data set and which does not include any direct identifiers.

II. Except as otherwise provided by law, upon request an agency shall release limited data sets and statistical tables of data contained in agency files to requestors for the purposes of research under the following conditions:

(a) The requestor submits a written application that contains:

- (1) The following information about the principal investigator in charge of the research:
 - (A) name, address, and phone number;
 - (B) organizational affiliation;
 - (C) professional qualification; and
 - (D) name and phone number of principal investigator's contact person, if any.

(2) The names and qualifications of additional research staff, if any, who will have access to the data.

(3) A research protocol which shall contain:

- (A) a summary of background, purposes, and origin of the research;
- (B) a statement of the general problem or issue to be addressed by the research;
- (C) the research design and methodology including either the topics of exploratory research or the specific research hypotheses to be tested;
- (D) the procedures that will be followed to maintain the confidentiality of any data or copies of records provided to the investigator; and
- (E) the intended research completion date.

(4) The following information about the data or statistical tables being requested:

- (A) general types of information;
- (B) time period of the data or statistical tables;
- (C) specific data items or fields of information required, if applicable;
- (D) medium in which the data or statistical tables are to be supplied; and
- (E) any special format or layout of data requested by the principal investigator.

(b) The requestor signs a "Data Use Agreement" signed by the principal investigator that contains the following:

(1) Agreement not to use or further disclose the information to any person or organization other than as described in the application and as permitted by the Data Use Agreement without the written consent of the agency.

(2) Agreement not to use or further disclose the information as otherwise required by law.

(3) Agreement not to seek to ascertain the identity of individuals revealed in the limited data set and/or statistical tables.

(4) Agreement not to publish or make public the content of cells in statistical tables in which the cell size is more than 0 and less than 5 unless:

(A) otherwise provided by law; or

(B) the information is a public record.

(5) Agreement to report to the agency any use or disclosure of the information contrary to the agreement of which the principal investigator becomes aware.

(6) A date on which the data set and/or statistical tables will be returned to the agency and/or all copies in the possession of the requestor will be destroyed.

III. The agency head shall release limited data sets and statistical tables and sign the Data Use Agreement on behalf of the state when:

(a) The application submitted is complete.

(b) Adequate measures to ensure the confidentiality of any person are documented.

(c) The investigator and research staff are qualified as indicated by:

(1) Documentation of training and previous research, including prior publications, and

(2) Affiliation with a university, private research organization, medical center, state agency, or other institution which will provide sufficient research resources.

(d) There is no other state law, federal law, or federal regulation prohibiting release of the requested information.

IV. Within 10 days of a receipt of written application, the agency head, or designee, shall respond to the request. Whenever the agency head denies release of requested information, the agency head shall send the requestor a letter identifying the specific criteria which are the basis of the denial. Should release be denied due to other law, the letter shall identify the specific state law, federal law, or federal regulation prohibiting the release. Otherwise the agency head shall provide the requested data or set a date on which the data shall be provided.

V. Any person violating any provision of a signed data use agreement shall be guilty of a violation.

VI. Nothing in this section shall exempt any requestor from paying fees otherwise established by law for obtaining copies of limited data sets or statistical tables. Such fees shall be based on the cost of providing the copy in the format requested. The agency head shall provide the requestor with a written description of the basis for the fee; provided, that the fee and the basis for the fee shall be adopted by rule, pursuant to RSA 541-A.

3 Effective Date. This act shall take effect upon its passage.

HB 696-FN, establishing licensure to forensic counselors. **INEXPEDIENT TO LEGISLATE**
Rep. Peter F. Bergin for Executive Departments and Administration: The sponsors of this bill initially wanted to license forensic counselors to the professions regulated by the board of mental health practices. Their rationale was that only forensic counselors were really qualified to work with prisoners. However, the committee didn't hear any testimony to indicate this. Also, the committee didn't hear any testimony that the correctional system had any problem with prisoner counselors. Forensic counselors will still be able to practice the profession without this bill in the State of New Hampshire. Vote 16-0.

HB 735-FN, relative to prescription drugs and medicaid best practices. **OUGHT TO PASS WITH AMENDMENT**

Rep. Anne Marie Irwin for Executive Departments and Administration: This bill was sent to the Executive Departments and Administration Committee as the second committee. The committee found the commissioner did not need rules to implement the medicaid Rx Senior Eligibility Expansion Program or the Medicaid Best Practices or the Chronic Disease Case Management Program. Therefore, the committee amended the bill to remove the administrative rules section of the bill. Vote 15-0.

Amendment (0815h)

Amend the bill by replacing sections 1 and 2 with the following:

1 New Chapter; Access to Prescription Drugs. Amend RSA by inserting after chapter 161-J the following new chapter:

CHAPTER 161-K
ACCESS TO PRESCRIPTION DRUGS

161-K:1 Definitions: In this chapter:

- I. "Commissioner" means the commissioner of the department of health and human services.
- II. "Department" means the department of health and human services.
- III. "Division" means the division of elderly and adult services, department of health and human services.
- IV. "Qualified medicare beneficiaries" means medicare beneficiaries with incomes equal to or below 100 percent of the federal poverty level who are eligible for medicaid assistance for the part A and part B medicare premiums and for medicare deductibles and co-insurance requirements as set forth in section 1905(p)(1) of Title XIX of the Social Security Act.

V. "Specified low-income medicare beneficiaries" means medicare beneficiaries who have incomes greater than 100 percent of the federal poverty level and less than and equal to 120 percent of the federal poverty level and meet the requirements set forth in section 1902(a)(10)(E)(iii) of Title 19 of the Social Security Act.

161-K:2 Medicaid Rx Senior Eligibility Expansion Program Established.

I. There is hereby established the medicaid Rx senior eligibility expansion program. To be eligible for the program, an individual shall:

- (a) Be a U.S. citizen or a lawfully admitted alien;
- (b) Be a state resident;
- (c) Be at least 65 years of age or an individual between the ages of 19 and 64 who is otherwise eligible for benefits under Title II of the Social Security Act (Federal Old Age, Survivors, and Disability Insurance);
- (d) Meet the definition of a qualified medicare beneficiary or a specified low-income medicare beneficiary as set forth in subparagraph (c); and
- (e) Be ineligible for and/or not receiving a prescription drug benefit through a medicare supplemental policy or any other third party payer prescription benefit.

II. Individuals eligible for the medicaid Rx senior eligibility expansion program shall be entitled to the medicaid prescription drug coverage as provided to medicaid recipients as set forth in Title XIX of the Social Security Act.

III. Individuals eligible for the program established under this subdivision shall be provided a benefit of not more than \$2,000 per year and shall be subject to a \$5 copayment per prescription.

161-K:3 Administration.

I. The medicaid Rx senior eligibility expansion program shall be administered by the division. The department shall apply for a federal medicare 1115 demonstration waiver from the Secretary of Health and Human Services to expand medicaid eligibility for the purposes of prescription drug coverage to qualified medicare beneficiaries and specified low-income medicare beneficiaries under the medicaid Rx senior eligibility expansion program.

II. The commissioner shall make an annual report beginning one year after the effective date of this chapter to the general court relative to the effectiveness of the medicaid Rx senior disability eligibility program.

2 New Subdivision; Medicaid Best Practices. Amend RSA 167 by inserting after section 97 the following new subdivision:

Medicaid Best Practices

167:98 Medicaid Best Practices.

I. The department of health and human services shall identify medicaid patients who require ongoing and expensive care and develop interventions to improve their health, functional status and independence in an effort to promote adherence to best medical practices. The department shall encourage health plans and health care systems participating in the medicaid program to:

- (a) Conduct patient needs assessments upon enrollment.
- (b) Develop individual, patient-centered plans.
- (c) Use case management incorporating evidence-based practice guidelines.

II. The department shall make an annual report beginning one year after the effective date of this section to the oversight committee established in RSA 126-A:13, relative to the effectiveness of this subdivision.

AMENDED ANALYSIS

This bill requires the department of health and human services to establish certain programs to increase access to prescription drugs for seniors.

This bill requires the department of health and human services to encourage health plans and health care systems participating in the medicaid program to use case management incorporating evidence-based practice guidelines.

The bill also establishes a 3-year task force to study increasing access to prescription drug medicines. Referred to Finance.

HB 823-FN-L, relative to eligibility of retired teachers for payment of medical benefits. **INEXPEDIENT TO LEGISLATE**

Rep. William R. Zolla for Executive Departments and Administration: The original bill would allow retired teachers with out of state service to use said service for purposes of eligibility for payment of medical benefits. The intention of the bill was to encourage teachers to come to New Hampshire. The bill represented a major policy change with respect to the retirement system in violation of RSA 100-4:C,III. It was the feeling of the committee that the retirement system should continue as a reward for service rather than an incentive to serve. Vote 13-5.

CACR 4, relating to use of revenues for educational purposes. Providing that all moneys from the education trust fund be used exclusively for state aid to education. **INEXPEDIENT TO LEGISLATE**

Rep. Marjorie K. Smith for Finance: The committee, sympathetic to the sponsor's concerns, nonetheless concluded that this CACR does not address or accomplish what some consider to be a desirable goal – requiring all funds to be raised for a particular purpose to be spent for that purpose. CACR 4 says that money in the education trust fund should be used for education. It does not dedicate a source of revenue to go into the education trust fund nor require the legislature to put any funds into the education trust fund. In addition, since the bonding agencies look at unrestricted general fund revenue in order to determine the state's ability to issue bonds at a favorable rate, one unintended consequence of CACR 4 might be to inappropriately limit our ability to protect our infrastructure. Vote 22-0.

HB 286, establishing a committee to study certain proposals to fund education in New Hampshire. **INEXPEDIENT TO LEGISLATE**

Rep. Robert L. Wheeler for Finance: The variety of proposals that were submitted to fund education in the previous three legislative sessions is broad and the number large. The committee felt that although the objective of the bill is worthy the task would be daunting and progress on this subject must happen sooner than this study would allow. Vote 22-0.

HB 380, requiring legislative approval of any settlement of certain lawsuits against the state. **INEXPEDIENT TO LEGISLATE**

Rep. Robert G. Holbrook for Finance: The committee heard detailed and extensive comments on the question of settlements of suits against the state of New Hampshire and appreciated the possible future growth of the number and size of settlements. The issue is so complicated that a constitutional restriction on the amount of settlements through legislative approval or financial limits was not practical at this time. Vote 22-0.

HB 647-FN-L, relative to payment of autopsy expenses. **INEXPEDIENT TO LEGISLATE**

Rep. Robert L. Wheeler for Finance: The committee heard compelling testimony regarding the history and relationship with the counties over autopsies. It is clear that the ones who request the autopsy pay for it. However, procedurally this should be dealt with in the budget and therefore this bill is not needed. Vote 22-0.

HB 60, changing the name of the advisory committee on shore fisheries. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert J. L'Heureux for Fish and Game: This bill changes the name of the Advisory Committee on Shore Fisheries to the Advisory Committee on Marine Fisheries. The name change better reflects the responsibilities of the committee. The amendment clarifies the definition of certain shellfish and denotes Fish and Game rulemaking authority for marine species regulated under ASMFC, the Atlantic State Marine Fisheries Compact. Vote 14-0.

Amendment (0696h)

Amend the title of the bill by replacing it with the following:

AN ACT changing the name of the advisory committee on shore fisheries and relative to the definition of shellfish and a rulemaking exemption for certain rules relating to marine species.

Amend the bill by replacing all after section 4 with the following:

5 Sanitary Production And Distribution Of Food; Definition of Shellfish. RSA 143:20 is repealed and reenacted to read as follows:

143:20 Definition. In this subdivision, "shellfish" means:

I. Oysters, clams, or mussels, whether:

- (a) Shucked or in the shell;
- (b) Fresh or frozen; or
- (c) Whole or in part; and

II. Scallops in any form, except when the final product form is the adductor muscle only.

6 Authority for Regulating Taking, Inspection and Processing of Marine Species; Rulemaking Exception. Amend RSA 211:62, V to read as follows:

V. Rules pertaining to marine species managed under the Atlantic States Marine Fisheries Compact under RSA 213 *shall comply with RSA 541-A except where, at the discretion of the executive director and in order to conform with an Atlantic States Marine Fisheries Compact, the adoption of a rule must be met sooner than the time periods allowed under RSA 541-A for a rule adopted under the procedures listed in RSA 541-A:3. Such rules* shall be exempt from the rulemaking requirements of RSA 541-A. The executive director may adopt such *exempt* rules after notice and hearing as determined by the executive director to be practicable. Rules adopted [~~under this paragraph~~] *by this procedure* shall be filed with the director of legislative services and with the joint legislative committee on administrative rules.

7 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the name of the advisory committee on shore fisheries to the advisory committee on marine fisheries.

The bill modifies the definition of shellfish and clarifies the fish and game department's rulemaking exemption for rules relating to marine species under the Atlantic States Marine Fisheries Compact.

HB 112-FN, establishing a point system for the annual moose permit lottery. OUGHT TO PASS WITH AMENDMENT

Rep. Robert J. L'Heureux for Fish and Game: This bill authorizes the Fish and Game Department to establish a point system, similar to the system used in Maine, for the participants in the New Hampshire moose lottery. Vote 14-0.

Amendment (0558h)

Amend RSA 208:1-a, II-a as inserted by section 2 of the bill by replacing it with the following:

II-a. Any permit lottery established under paragraph II shall include a bonus point system as a weighing factor to benefit applicants not drawn in the annual moose permit lottery. Beginning with the 2003 lottery, the moose permit lottery shall allow a person to accumulate one point for each consecutive year that person legally purchases an application for a permit but is not selected to receive a permit. Each point entitles that applicant to one chance in the lottery. A person's accumulated points shall be non-transferable and shall be forfeited if, in any year, that person is selected to receive a permit or that person fails to purchase a new chance.

HB 372, relative to exceptions for unauthorized use of firearms and firecrackers in cities and towns. INEXPEDIENT TO LEGISLATE

Rep. Thomas A. Varrell for Fish and Game: This bill as written is unnecessary at this time. The subject matter is not specifically related to hunting or wildlife activities, but deals with the discharge of firearms. This area is dealt with quite adequately in our criminal code and can be revisited. In addition, the reference to firecrackers is misleading since firecrackers as opposed to fireworks are currently banned by federal statute. Vote 14-0.

HB 808, relative to proof of residency and resident tax payment for receiving resident fish and game licenses. OUGHT TO PASS

Rep. Dennis Reed for Fish and Game: This bill repeals the need for a person to exhibit a resident tax receipt from the tax collector for proof of residency as most communities have discontinued this tax practice. Now a valid New Hampshire Drivers License or New Hampshire non-drivers picture identification card will serve as proof of residency for Fish and Game Licenses. Vote 15-0.

HB 134-FN, relative to recommendations, appointments, and qualifications of marital masters and procedures for cases heard by marital masters. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert H. Rowe for Judiciary: This bill changes the procedure for the appointment of marital masters and the qualifications the master must possess. Marital masters are currently appointed by the chief justice of the superior court for a five-year renewable term. This bill changes the authority from the superior court to the governor and council. The bill requires the same selection and approval process as now exists for judges. The authority is granted to the supreme court to recommend candidates to the governor and council. The bill further establishes the qualifications that a candidate must possess in order to be appointed. Vote 13-2.

Amendment (0477h)

Amend RSA 491:20-c as inserted by section 2 of the bill by replacing it with the following:

491:20-c Proceedings. In proceedings heard by marital masters:

I. No party shall pay a fee additional to court filing fees.

II. The marital master shall give notice to the parties at the beginning of the proceeding that he or she is a marital master and not a judge.

HB 184, relative to distribution upon intestacy. **OUGHT TO PASS WITH AMENDMENT**

Rep. John M. Pratt for Judiciary: This bill updates allocations of the assets of an estate to heirs whenever a person dies without a will. In order to account for inflation over the years, it increases the base amount which the surviving spouse receives from the estate and it also makes alterations in the percentages which heirs other than the surviving spouse will receive from the remainder of the estate. Vote 14-0.

Amendment (0498h)

Amend the bill by replacing all after the enacting clause with the following:

I Descent, Distribution, and Advancements; Distribution Upon Intestacy. RSA 561:1 is repealed and reenacted to read as follows:

561:1 Distribution Upon Intestacy. The real estate and personal estate of every person deceased, not devised or bequeathed, subject to any homestead right, and liable to be sold by license from the court of probate in cases provided by law, and personally remaining in the hands of the administrator on settlement of his or her account, shall descend or be distributed by decree of the probate court:

I. If the deceased is survived by a spouse, the spouse shall receive:

(a) If there is no surviving issue or parent of the decedent, the entire intestate estate;

(b) If there are surviving issue of the decedent all of whom are issue of the surviving spouse also, and there are no other issue of the surviving spouse who survive the decedent, the first \$250,000, plus $\frac{1}{2}$ of the balance;

(c) If there are no surviving issue of the decedent but the decedent is survived by a parent or parents, the first \$250,000, plus $\frac{3}{4}$ of the balance of the intestate estate;

(d) If there are surviving issue of the decedent all of whom are issue of the surviving spouse also, and the surviving spouse has one or more surviving issue who are not the issue of the decedent, the first \$150,000, plus $\frac{1}{2}$ of the balance of the intestate estate;

(e) If there are surviving issue of the decedent one or more of whom are not issue of the surviving spouse, the first \$100,000, plus $\frac{1}{2}$ of the intestate estate.

II. The part of the intestate estate not passing to the surviving spouse under paragraph I, or the entire intestate estate if there is no surviving spouse, passes as follows:

(a) To the issue of the decedent equally if they are all of the same degree of kinship to the decedent, but if of unequal degree, then those of more remote degree take by representation.

(b) If there are no surviving issue, to the decedent's parent or parents equally.

(c) If there are no surviving issue or parent, to the brothers and sisters and the issue of each deceased brother or sister by representation; if there is no surviving brother or sister, the issue of brothers and sisters take equally if they are all of the same degree of kinship to the decedent, but if of unequal degree then those of more remote degree take by representation.

(d) If there are no surviving issue, parent or issue of a parent but the decedent is survived by one or more grandparents, one half of the estate passes to the paternal grandparents if both survive or to the surviving paternal grandparent if one paternal grandparent is deceased and the other half passes to the maternal grandparents in the same manner; or if only one grandparent survives, such grandparent shall receive the entire estate.

(e) If there are no surviving issue, parent, issue of a parent, or grandparent but there are issue of the decedent's grandparent who survive, one half of the estate passes to the issue of the paternal grandparent who are not beyond the fourth degree of kinship to the decedent and said issue shall take equally if they are all of the same degree of kinship to the decedent, but if of unequal degree those of more remote degree take by representation, and the other half passes to the issue of the maternal grandparent who are not beyond the fourth degree of kinship and said issue shall take equally if they are all of the same degree of kinship to the decedent, but if of unequal degree those of more remote degree take by representation; provided, however, that if there are no issue of the decedent's grandparent within the fourth degree of kinship to the decedent on either the paternal or maternal side, the entire estate passes to the issue on the other side who are not beyond the fourth degree of kinship to the decedent and said issue shall take equally if they are all of the same degree of kinship to the decedent, but if of unequal degree those of more remote degree take by representation.

(f) No portion of a decedent's intestate estate shall pass to any person who is of the fifth or greater degree of kinship to the decedent.

(g) If there is no taker under the provisions of this section, the intestate estate passes to the state of New Hampshire.

III. All determinations of survivorship shall be made in accordance with the provisions of RSA 563.

2 Repeal. RSA 561:3, relative to representation, is repealed.

3 Applicability. This act shall apply to persons dying on or after January 1, 2004.

4 Effective Date. This act shall take effect January 1, 2004.

HB 185, relative to pretermitted heirs. OUGHT TO PASS WITH AMENDMENT

Rep. John M. Pratt for Judiciary: This bill reverses existing law so that a child born or adopted after a will has been drawn up will receive his or her fair share of the estate, as if that child had been named in the will, unless a probate court finds that the omission was intentional and not the result of an accident or a mistake. Vote 14-0.

Amendment (0521h)

Amend RSA 551:10 as inserted by section 1 of the bill by replacing it with the following:

551:10 Child Not Named. If any person shall die testate leaving a child born or adopted after the date of the will, or, if there are codicils, the date of the most recent codicil thereto, and if such child is not provided for or referred to therein, that child shall take the portion of the testator's estate to which he or she would have been entitled if the testator had died intestate unless it appears to the probate court that the omission was intentional and not occasioned by accident or mistake; provided, however, that if the will provides for another child or children, the pretermitted child shall take no more than the largest bequest or devise to a child named in such will.

HB 218, relative to the definition of beneficially interested person. OUGHT TO PASS

Rep. John M. Pratt for Judiciary: This bill adds the trustee of a trust which is a beneficiary of an estate to the list of persons who must be notified when the fiduciary (executor) of the estate files papers with the probate court. Vote 13-0.

HB 287, establishing a professional malpractice claims study commission. OUGHT TO PASS WITH AMENDMENT

Rep. James E. Wheeler for Judiciary: This bill would establish a study commission to look at malpractice claims under RSA 519-A, the medical malpractice review panel. The amendment changes the membership of the commission by appointment of two lawyers from the Trial Lawyers Association and adds two members of the New Hampshire Hospital Association appointed by that organization. The committee believes an efficient medical malpractice review panel may be a significant step in addressing the escalating malpractice insurance rates. The committee felt that this is an area that needs significant study. Vote 13-0.

Amendment (0515h)

Amend paragraph I of section 2 of the bill by replacing it with the following:

I. The members of the commission shall be as follows:

- (a) Three members of the house of representatives, appointed by the speaker of the house.
- (b) Three members of the senate, appointed by the president of the senate.
- (c) Two dentists, appointed by the New Hampshire Dental Society.

(d) Two physicians, appointed by the New Hampshire Medical Society.

(e) Two attorneys, appointed by the New Hampshire Trial Lawyers Association.

(f) Two members of the public, appointed by the governor.

(g) One representative of the Medical Liability Insurance Carriers, appointed by the insurance commissioner.

(h) One representative of the Joint Underwriters Association, appointed by the insurance commissioner.

(i) Two representatives of the New Hampshire Hospital Association, appointed by such association.

HB 296, relative to settlement agreements in medical malpractice suits. **OUGHT TO PASS**

Rep. Gregory M. Sorg for Judiciary: This bill would prohibit enforcement of any portion of a settlement agreement in a medical injury action that would prevent disclosure of relevant information to the appropriate state medical licensing board. The committee noted that the civil justice system exists to serve two purposes: to compensate the injured party and to deter future negligence or wrongful conduct. Under current law, where settlement agreements in medical malpractice cases can, and routinely do, forbid disclosure to anyone of the underlying facts, medical licensing boards are denied the information they might need to perform their oversight functions, thereby frustrating the deterrence goal. This legislation would make this feature of such an agreement void and unenforceable. This will enable the Medical Licensing Board to know how many malpractice suits are filed and against whom, and will explain the circumstances of the suit so that poorly performing physicians may be recognized and dealt with. Vote 14-0.

HB 390, relative to liability of nonprofit organizations. **INEXPEDIENT TO LEGISLATE**

Rep. Tony F. Soltani for Judiciary:

This bill is very well intentioned and aimed to promote volunteerism. The committee is very sensitive to this issue and would like to work toward a broader bill with more direct impact on volunteerism. This proposal, as presented, had some severe unintended consequences involving compensable injuries to persons. Vote 13-1.

HB 478, establishing a committee to study methods of evaluating judges. **INEXPEDIENT TO LEGISLATE**

Rep. Peter E. Franklin for Judiciary: The committee points out that there is already a system of evaluating judges in place and it appears to be working successfully. There is no need to establish a committee for this purpose at the present. Vote 14-1.

HB 672-FN, relative to the notice of appointment of an administrator or executor of an estate in probate court proceedings. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Wheeler for Judiciary: The committee felt that this bill was twenty years ahead of its time. There are a significant number of people who don't know how to use a computer let alone the Internet and to remove the newspaper notification of the appointment of the executor of an estate would do a disservice to the people of New Hampshire. If the courts would like to place a notice on the Webster web-site as well as in the newspaper they are free to do that and the committee felt that that might be an admirable idea. We therefore believe this bill is unnecessary at this time. Vote 14-0.

HB 776, relative to emergency medical care for pregnant women. **OUGHT TO PASS WITH AMENDMENT**

Rep. Bette R. Lasky for Judiciary: This bill was introduced as a result of the work of last summer's ad hoc study committee on the rising costs of medical malpractice insurance. Specifically this bill helps obstetricians in the North Country and throughout the state reduce these costs, allowing a more favorable climate to stay in practice in the state. The bill, as amended, protects physicians who are certified to provide obstetrical care in emergency situations and who does so in an emergency licensed facility from liability for any damages or injuries caused to the patient by conduct prior to the rendering of such emergency obstetrical care. This would make the attending physician liable only for actions at the time of the emergency care and releases the physician from liability for the patient's care or lack of care previously. Vote 17-0.

Amendment (0763h)

Amend RSA 329:26-a as inserted by section 1 of the bill by replacing it with the following:

329:26-a Emergency Obstetrical Care; Immunity From Civil Liability. A physician credentialed to provide obstetrical care who renders emergency obstetrical care in a licensed health care facility to a female in active labor where the female has not previously been cared for in connection with the pregnancy by such physician, person in the group practice, a midwife, physician assistant or advanced registered nurse practitioner with whom the physician has an agreement to attend the labor and delivery, shall not be liable for any damages or injuries caused by conduct prior to the rendering of the emergency-obstetrical care. The immunity granted under this section shall apply only to the emergency medical care provided.

HR 8, urging the governor and executive council to consider appointing a non-lawyer to the Supreme Court. **INEXPEDIENT TO LEGISLATE**

Rep. Gregory M. Sorg for Judiciary: This resolution would urge the governor and the executive council to consider appointing a non-lawyer to the Supreme Court, once a vacancy occurs. The committee was of the opinion that it would be presumptuous for the House to give advice on this constitutional prerogative of the executive branch, and that the resolution was an unnecessary and unjustified attack on the Court and on lawyers generally. Furthermore, there is nothing preventing the governor and council from making such a nomination at this time. The committee also believed that a non-lawyer on the court might quickly find him or herself without sufficient training or background for the rigors of the position. Vote 13-1.

HB 468, relative to enforcement of the labor protection statutes. **OUGHT TO PASS**

Rep. Russell T. Ober III, for Labor, Industrial and Rehabilitative Services: This bill would give the Department of Labor authority to group claims involving many employees of the same employer into one hearing and allow the issue to be resolved efficiently. It also extends the recovery period from 18 to 36 months. Vote 18-0.

HB 97, relative to eligibility requirements for property tax credits for disabled veterans and veterans' surviving spouses. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas J. Gillick for Municipal and County Government: The committee heard testimony from veterans groups and others and had both sympathy and empathy for the concerns expressed. However, the committee felt that the administration of this bill on the local level would be extremely difficult, arbitrary and subject to confusion with the constantly changing veteran disability situations. Vote 16-0.

HB 211, relative to town clerk fee deposit requirements. **OUGHT TO PASS WITH AMENDMENT**

Rep. James E. Twombly for Municipal and County Government: Town clerks shall deposit all fees received with the town treasurer or in a municipal account controlled by the town treasurer at least monthly or as directed by the selectmen, for the use of the town. In the event that any portion of the town clerk's compensation consists of statutory fees, the clerk shall submit a request to the selectmen for reimbursement of those fees. In the past, town clerks were not required to deposit fees. This bill would provide better financial documentation. Vote 17-0.

Amendment (0164h)

Amend the bill by replacing all after the enacting clause with the following:

I Town Clerk Total Fund Deposit Requirement; Fees. RSA 41:25 is repealed and reenacted to read as follows:

41:25 Fees.

I. Town clerks shall be entitled to a minimum fee of \$2 for recording a bill of conditional sale, a personal property mortgage or for a copy of any public records in his or her custody except copies of vital statistics, for recording writs of attachment, discharging a mortgage on the margin of a record or for recording an assignment thereof, provided, however, that each town, at the annual town meeting, may determine the rate and amount of compensation, in lieu of statutory fees, in combination with a portion of statutory fees or just statutory fees, to be allowed to the town clerk for his services.

II. Town clerks shall deposit all fees received with the town treasurer or in a municipal account controlled by the town treasurer at least monthly, or as directed by the selectmen, for the use of the town. In the event that any portion of the town clerk's compensation consists of statutory fees, the clerk shall submit an invoice for the amount of those fees to the treasurer, who shall pay out that amount to the clerk, notwithstanding RSA 32.

2 Duties of the Treasurer. Amend RSA 41:29, I to read as follows:

I. The town treasurer shall have custody of all moneys belonging to the town, and shall pay out the same only upon orders of the selectmen, or, in the case of a conservation fund established pursuant to RSA 36-A:5, upon the order of the conservation commission, or in the case of a heritage commission fund established pursuant to RSA 674:44-a upon the order of the heritage commission, or in the case of fees held pursuant to RSA 673:16, II, upon the order of the local land use board or its designated agent, or in the case of a recreation revolving fund established pursuant to RSA 35-B:2, upon the order of the recreation or park commission, *or in the case of fees deposited by the town clerk pursuant to RSA 41:25, upon the invoice of the town clerk*, or other board or body designated by the town to expend such a fund.

3 Effective Date. This act shall take effect 60 days after its passage.

HB 273, requiring town and city clerks to distribute a list of crisis pregnancy centers to persons issued a marriage certificate. **INEXPEDIENT TO LEGISLATE**

Rep. Peter B. Schmidt for Municipal and County Government: The application process for a marriage license is outlined in RSA 457:23. Pursuant thereto, couples applying for a marriage license must be provided by town clerks with brochures about family planning agencies, fetal alcohol syndrome (FAS) and human immunodeficiency virus (HIV); and couples must affirm that they have received and discussed them. This bill would have added a brochure about crisis pregnancy centers to the above listed information. Crisis pregnancy centers are not regulated by the State. The committee recognized potential problems in referring couples to unlicensed entities, and it also felt that the distribution of the above referenced information, however useful it might be, is intrusive and excessive and should not be done by town clerks. The committee believed such material is readily available from other sources and that town clerks are not the proper means of distributing them. Vote 17-1.

HB 365, relative to governmental land uses. **INEXPEDIENT TO LEGISLATE**

Rep. Laurie J. Boyce for Municipal and County Government: This bill addresses governmental and non-governmental uses of land and the process those proposed uses have to go through at the local level. The committee has five bills that deal with zoning issues and has decided to retain this subject matter and will discuss it in HB 713. Vote 15-0.

HB 371, relative to warrant article recommendations in towns which have adopted the official ballot referendum form of meeting. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: The committee received several bills pertaining to warrant articles and the official ballot form of town meeting. The subject matter of this bill will be retained and discussed in HB 285. Vote 12-1.

HB 407, allowing municipalities the option of appraising property based on assigned values reflecting the current use of property, and requiring the current use board to adopt criteria for such appraisal. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: This bill would create a number of variable conditions for evaluating properties and complicate an already complex system. The sponsor would like to have an additional way of appraising property based on the current use of the property that would be residential, commercial, industrial or utility. Within each class of property, subject to the criteria adopted by the current use board under RSA 79-A, there would be further designated types. The process of appraising properties would be enabling which could lead to having different towns within the same school district having a tax rate set on different criteria. The committee felt that assessors would still be needed and that this type of appraisal system would lead to more confusion and higher cost. Vote 13-0.

HB 413-L, relative to awarding attorneys' fees and costs in abatement and certain appeals proceedings when the taxpayer prevails. **OUGHT TO PASS WITH AMENDMENT**

Rep. James E. Twombly for Municipal and County Government: The amended bill allows the board of tax and land appeals, and the superior court to award reasonable cost and attorneys' fees when the taxpayer prevails in abatement proceedings. This bill allows reasonable costs and fees to be assessed against the state when a taxpayer prevails in an appeal for payment by the department of revenue administration, provided the taxpayer shows substantially unjustified action. Vote 15-0.

Amendment (0828h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to certain appeals proceedings when the taxpayer prevails.

Amend the bill by replacing all after the enacting clause with the following:

1 Department of Revenue Administration; Appeals for Redetermination or Reconsideration.
Amend RSA 21-J:28-b, VI to read as follows:

VI. The board or court may grant such relief as may be just and equitable and may order the state treasurer to pay the taxpayer the amount of relief granted with interest at the rate established under RSA 21-J:28. ~~[Upon all appeals which are denied, costs and attorney's fees may be taxed against the taxpayer at the discretion of the board or court; but the board or court may not tax costs against the state.]~~ *The board or court may award reasonable costs and attorney's fees to the prevailing party, provided the prevailing party shows substantially unjustified action.*

2 Board of Tax and Land Appeals; Attorney's Fees. Amend RSA 71-B:9 to read as follows:
71-B:9 Administration of Oaths, Subpoenas, etc.; Fees. The board shall have authority to administer oaths and to compel the attendance of witnesses to proceedings before it. The board shall have the power to subpoena and subpoena duces tecum. Witnesses compelled to appear shall be paid the same fee and mileage that are paid to witnesses in the superior court of the state. A subpoena or subpoena duces tecum of the board may be served by any person designated in the subpoena or subpoena duces tecum to serve it. Any testimony given by a person duly sworn shall be subject to the pains and penalties of perjury. All applications or petitions to the board for which no filing fee has been otherwise specified by statute shall be accompanied by a \$65 filing fee. Costs *and attorney's fees* may be taxed as in the superior court.

3 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill allows reasonable costs and attorney's fees to be assessed against the state when a taxpayer prevails in an appeal for redetermination or reconsideration of an assessment or demand for payment by the department of revenue administration, provided the taxpayer shows substantially unjustified action.

HB 424, relative to a net asset qualification and age qualifications for the elderly property tax exemption, and clarifying certain references in property tax exemptions. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric G. Stohl for Municipal and County Government: This bill clarifies existing statutes dealing with the exemptions for the elderly and disabled, which are basically housekeeping in nature. It also allows municipalities to adopt married persons' net asset qualification for the purposes of the elderly exemption. The sponsors of this bill wanted the three qualifying age groups reduced by five (5) years each. The committee feels that with people living longer now than ever before, the present qualifying age groups are adequate. Vote 11-0.

Amendment (0826h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to a net asset qualification for the elderly property tax exemption, and clarifying certain references in property tax exemptions.

Amend the bill by replacing section 4 with the following:

4 Property Taxation; Adoption or Modification of Elderly Exemption; Net Assets for Married Persons. Amend RSA 72:39-b, I(c) to read as follows:

(c) The wording of the question shall be: "Shall we modify the elderly exemptions from property tax in the town (city) of _____, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, (here insert dollar amount); for a person 75 years of age up to 80 years, (here insert dollar amount); for a person 80 years of age or older (here insert dollar amount). To qualify, the person must have been a New Hampshire resident for at least 5 *consecutive* years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married *to each other* for at least 5 *consecutive* years. In addition, the taxpayer must have a net income of not more than (here insert a dollar amount not less than \$13,400) or, if married, a combined net income of less than (here insert a dollar amount not less than \$20,400); and own net assets not in excess of (here insert a

dollar amount not less than \$35,000 excluding the value of the person's residence) *or, if married, combined net assets not in excess of (here insert a dollar amount of \$35,000 or greater) excluding the value of the residence.*" Under no circumstances shall the amounts of the exemption for any age category be less than \$5,000. *The combined net asset amount for married persons shall apply to a surviving spouse until the sale or transfer of the property by the surviving spouse or until the remarriage of the surviving spouse.*

AMENDED ANALYSIS

This bill:

I. Allows for the adoption by municipalities of a married persons' net asset qualification for purposes of the elderly exemption. Such combined net asset qualification shall apply to a surviving spouse until the sale or transfer of the property, or until the remarriage of the surviving spouse.

II. Clarifies references to consecutive years of residence and married persons in certain property tax exemption statutes.

HB 446, relative to building permits. OUGHT TO PASS WITH AMENDMENT

Rep. Robert L. Theberge for Municipal and County Government: This bill would have eliminated the requirement that building inspectors withhold a building permit application if the application was filed after the first legal notice of a proposed change in the building code or zoning ordinance. Currently a petitioned article to amend a zoning ordinance has to be submitted within 120 days of an annual meeting. If the amendment proposed might negate a building permit, the building inspector has the authority to withhold the permit. The committee approved an amendment that puts Planning Board proposed amendments on the same time table. Vote 11-0.

Amendment (0585h)

Amend the bill by replacing section I with the following:

1 Building Permits. RSA 676:12 is repealed and reenacted to read as follows:

676:12 Building Permits to be Withheld in Certain Cases.

I. The building inspector shall not issue any building permit within the 120 days prior to the annual or special town or village district meeting if:

(a) Application for such permit is made after the first legal notice of proposed changes in the building code or zoning ordinance has been posted pursuant to the provisions of RSA 675:7; and

(b) The proposed changes in the building code or the zoning ordinance would, if adopted, justify refusal of such permit.

II. After final action has been taken on the proposed changes in the building code or zoning ordinance, the building inspector shall issue or refuse to issue a permit which has been held in abeyance under this section pursuant to a final action under this section.

III. The provisions of paragraph I shall not be applicable in a city or in a county in which there are located unincorporated towns or unorganized places unless the governing body of the city or the county votes by majority vote to be subject to the provisions of such paragraph.

IV. The building inspector may be authorized by the local legislative body to issue a temporary occupancy permit not to exceed 30 days, which may be extended at the discretion of the building inspector.

V. No building permit shall be denied on the grounds of uncompleted streets or utilities when the construction of such streets or utilities has been secured to the municipality by a bond or other security approved by the planning board pursuant to RSA 674:36, III or RSA 674:44, IV; provided, however, that on land which is part of a subdivision plat or site plan, no building shall be used or occupied prior to the completion of required streets and utilities, except upon such terms as the planning board may have authorized as part of its decision approving the plat or site plan.

VI. The provisions of paragraph I shall not apply to any plat or application which has been formally accepted by the planning board pursuant to RSA 676:4, I(b) prior to the first legal notice of a proposed change in a building code or zoning ordinance or any amendment thereto. No proposed subdivision or site plan review or zoning ordinance or amendment thereto shall affect a plat or application formally accepted by the planning board pursuant to RSA 676:4, I(b) so long as said plat or application was accepted prior to the first legal notice of said change or amendment.

AMENDED ANALYSIS

This bill limits the requirement that the building inspector withhold a building permit application to the first legal notice of proposed changes in the building code or zoning ordinance or 120 days, whichever is shorter.

HB 452, relative to political advertising on public property. **INEXPEDIENT TO LEGISLATE**
Rep. Laurie J. Boyce for Municipal and County Government: The placement and location of political advertising has caused concern about sign pollution and the advertising causes annoyance to some citizens. The sponsor of the bill told the committee that the bill as written was not the correct intent, rather that political signs that were not in an allowed location should be able to be removed easily. Since any candidate now needs the consent of the property owner and political signs are not allowed on public property, the committee does not feel that the statute needs changing. Vote 15-0.

HB 455, relative to residency requirements for disabled persons applying for a tax deferral of property taxes. **OUGHT TO PASS**

Rep. James E. Twombly for Municipal and County Government: This bill lowers the residency requirement for a disabled person applying for a deferral of property taxes from five (5) years to one (1) year. If the person qualifies as a disabled applicant has owned the homestead for at least one year, they would now qualify for the deferral. This property tax deferral is pursuant to the tax deferral program for the elderly and disabled. Vote 14-0.

HB 466, relative to the adoption procedure for property tax exemptions and credits. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric G. Stohl for Municipal and County Government: This bill is basically a housekeeping measure to clarify the procedure for adopting or modifying property tax exemption or credits in RSA 72, and repeals eight (8) statutes that are repetitive or obsolete. Vote 16-0.

Amendment (0737h)

Amend RSA 72:27-a, I(a) and (b) as inserted by section 1 of the bill by replacing them with the following:

(a) In a town, other than a town that has adopted a charter pursuant to RSA 49-D, the question shall be placed on the warrant of a special or annual town meeting, by the governing body or by petition pursuant to RSA 39:3.

(b) In a city or town that has adopted a charter pursuant to RSA 49-C or RSA 49-D, the legislative body may consider and act upon the question in accordance with its normal procedures for passage of resolutions, ordinances, and other legislation. In the alternative, the legislative body of such municipality may vote to place the question on the official ballot for any regular municipal election.

HB 467, allowing towns or cities to increase the property tax credit for service-connected total disability, and to adopt an optional date for filing exemptions. **OUGHT TO PASS WITH AMENDMENT**
Rep. Betsey L. Patten for Municipal and County Government: This bill as amended increases the optional tax credit for service-connected total disability veterans to \$701 - \$2000, up from \$700 or \$1400. The procedural language in Section 1 mirrors the language of HB 108 that deals with the standard and optional credit for the veteran's tax credit. The new language simplifies and uniformly changes the adoption process. Section 3 changes the date for all exemptions and credits to April 15 preceding the setting of the tax rate. The committee noted that deferrals need to have their own timeline and application procedure and those changes are reflected in Section 5. The current law that deals with an optional elderly exemption date is being repealed, and the effective date of April 1, 2005, gives the municipalities time to notify all eligible applicants. Vote 17-0.

Amendment (0902h)

Amend the title of the bill by replacing it with the following:

AN ACT allowing towns or cities to increase the property tax credit for service-connected total disability, and relative to the date for filing for exemptions and tax credits.

Amend the bill by replacing all after the enacting clause with the following:

1 Tax Credit for Service-Connected Disability; Optional Amount Increased. Amend RSA 72:35 to read as follows:

72:35 Tax Credit for Service-Connected Total Disability.

I. Any person who has been honorably discharged or an officer honorably separated from the military service of the United States and who has total and permanent service-connected disability, or who is a double amputee or paraplegic because of service-connected injury, or the surviving spouse of such a person, shall receive a *standard* yearly tax credit in the amount of \$700 of property taxes on the person's residential property.

I-a. The optional tax credit for service-connected total disability, upon adoption by a city or town pursuant to RSA 72:35-a, shall be an amount from \$701 up to \$2,000. The optional tax credit for service-connected total disability shall replace the standard tax credit in its entirety and shall not be in addition thereto.

I-b. Either the standard tax credit for service-connected total disability or the optional tax credit for service-connected total disability shall be subtracted each year from the property tax on the person's residential property. However, the surviving spouse of a resident receiving the tax credit for service-connected disability may have the amount subtracted from the property tax on any real property in the same municipality where the surviving spouse is a resident.

II. The *standard or optional* tax credit [~~in paragraph I~~] under this section may be applied only to property which is occupied as the principal place of abode by the disabled person or the surviving spouse. The tax credit may be applied to any land or buildings appurtenant to the residence or to manufactured housing if that is the principal place of abode.

III.(a) Any person applying for the *standard or optional* tax credit [~~granted in paragraph I~~] under this section shall furnish to the assessors or selectmen certification from the United States Department of Veterans' Affairs that the applicant is rated totally and permanently disabled from service connection. The assessors or selectmen shall accept such certification as conclusive on the question of disability unless they have specific contrary evidence and the applicant, or the applicant's representative, has had a reasonable opportunity to review and rebut that evidence. The applicant shall also be afforded a reasonable opportunity to submit additional evidence on the question of disability.

(b) Any decision to deny an application shall identify the evidence upon which the decision relied and shall be made within the time period provided by law.

(c) Any tax credit shall be divided evenly among the number of tax payments required annually by the town or city so that a portion of the tax credit shall apply to each tax payment to be made.

[IV.(a) Upon its adoption by a city or town as provided in RSA 72:35-a, any person who has been honorably discharged or an officer honorably separated from the military service of the United States and who has total and permanent service-connected disability, or who is a double amputee or paraplegic because of service-connected injury, or the surviving spouse of such a person, shall receive a yearly tax credit in the amount of \$1,400 of property taxes on the person's residential property:

(b) The tax credit in subparagraph (a) may be applied only to property which is occupied as the principal place of abode by the disabled person or the surviving spouse. The tax credit may be applied to the taxes due on any land or buildings appurtenant to the residence or to manufactured housing, if that is the principal place of abode:

(c) Applications for this credit shall be made in the manner prescribed by paragraph III. Any tax credit shall be divided evenly among the number of tax payments required annually by the town or city so that a portion of the tax credit shall apply to each tax payment to be made.]

2 Optional Tax Credit for Service Connected Disability; Procedure for Adoption. RSA 72:35-a is repealed and reenacted to read as follows:

72:35-a Procedure for Adoption; Optional Tax Credit for Service Connected Disability.

I. Any town or city may adopt the provisions of RSA 72:35, I-a for an optional tax credit for service-connected total disability in an amount from \$701 up to \$2,000 in the following manner:

(a) In a town, other than a town that has adopted a charter pursuant to RSA 49-D, the question shall be placed on the warrant of a special or annual town meeting, by the governing body or by petition pursuant to RSA 39:3.

(b) In a city or town that has adopted a charter pursuant to RSA 49-C or RSA 49-D, the legislative body may consider and act upon the question in accordance with its normal procedures for passage of resolutions, ordinances, and other legislation. In the alternative, the legislative body of such municipality may vote to place the question on the official ballot for any regular municipal election.

II. The vote shall specify the provisions of the optional tax credit for service-connected total disability provided in RSA 72:35 and the amount of the optional credit to be granted. The credit shall take effect in the tax year beginning April 1 following its adoption.

III. A municipality may change or rescind the optional credit provided by RSA 72:35 in the manner described in paragraph I.

3 Application for Exemptions or Tax Credits; Filing Date Changed in 2005. Amend RSA 72:33 to read as follows:

72:33 Application for Exemption or Tax Credit.

I. ~~[Except as provided in RSA 72:33-b;]~~ No person shall be entitled to the exemptions~~[-deferrals;]~~ or tax credits provided by RSA 72:28, 29-a, 30, 31, 32, 35, 36-a, 37, 37-a, 37-b, ~~[38-a;]~~ 39-b, 62, 66, and 70 unless the person has filed with the selectmen or assessors, by ~~[March 1 following the date of notice of tax under RSA 72:1-d]~~ **April 15 preceding the setting of the tax rate**, a permanent application therefor, signed under penalty of perjury, on a form approved and provided by the commissioner of revenue administration, showing that the applicant is the true and lawful owner of the property on which the exemption~~[-deferral;]~~ or tax credit is claimed and that the applicant was duly qualified upon April 1 of the year in which the exemption~~[-deferral;]~~ or tax credit is first claimed, or, in the case of financial qualifications, that the applicant is duly qualified at the time of application. The form shall include the following and such other information deemed necessary by the commissioner:

(a) Instructions on completing and filing the form, including an explanation of the grounds for requesting tax exemptions, ~~[deferrals;]~~ and credits pursuant to RSA 72.

(b) Sections for information concerning the applicant, the property for which the relief is sought, and other properties owned by the person applying.

(c) A section explaining the appeal procedure and stating the appeal deadline in the event the municipality denies the tax relief request in whole or in part.

(d) A place for the applicant's signature with a certification by the person applying that the application has a good faith basis and the facts in the application are true.

I-a. If any person, otherwise qualified to receive an exemption or credit, shall satisfy the selectmen or assessors that he or she was prevented by accident, mistake or misfortune from filing a permanent application or amended permanent application on or before April 15 of the year in which he or she desires the exemption to begin, said officials may receive the application at a later date and grant an exemption or credit for that year; but no such application shall be received or exemption or credit granted after the local tax rate has been approved for that year.

II. Any person who changes residence after filing such a permanent application shall file an amended permanent application on or before December 1 immediately following the change of residence. The filing of the permanent application shall be sufficient for said persons to receive these exemptions or tax credits on an annual basis so long as the applicant does not change residence~~[-provided, however, that towns and cities may require an annual application for the tax deferral authorized for the elderly and disabled by RSA 72:38-a].~~

III. If the selectmen or assessors are satisfied that the applicant has willfully made any false statement in the application to obtain an exemption or tax credit, they may refuse to grant the exemption or tax credit.

IV. ~~[Repealed.]~~

V. In addition to the above requirements, applicants for exemption who claim ownership pursuant to RSA 72:29, V shall file with their application an additional statement signed under penalty of perjury, on a form approved and provided by the commissioner of revenue administration, showing they meet the requirements of RSA 72:29, V.

VI. The assessing officials may require applicants for any exemption or tax credit to file the information listed in RSA 72:34, or the statement required by RSA 72:33, V periodically but no more frequently than annually. Failure to file such periodic statements may, at the discretion of the assessing officials, result in a loss of the exemption or tax credit for that year.

4 Investigation of Application. Amend the introductory paragraph of RSA 72:34, I to read as follows:

I. On receipt of an application provided for in RSA 72:33 **or RSA 72:38-a**, the selectmen or assessors shall examine it as to the right to the tax exemption, tax deferral or tax credit, the ownership of the property listed, and, if necessary, the encumbrances reported.

5 New Paragraph; Tax Deferral for the Elderly or Disabled. Amend RSA 72:38-a by inserting after paragraph II the following new paragraph:

II-a. No person shall be entitled to the deferral under this section unless the person has filed with the selectmen or assessors, by March 1 following the date of notice of tax under RSA 72:1-d a permanent application therefor, signed under penalty of perjury, on a form approved and provided by

the commissioner of revenue administration, showing that the applicant is the true and lawful owner of the property on which the deferral is claimed and that the applicant is duly qualified at the time of application. Any person who changes residence after filing such a permanent application shall file an amended permanent application on or before December 1 immediately following the change of residence. The filing of the permanent application shall be sufficient for said persons to receive a deferral on an annual basis so long as the applicant does not change residence; provided, however, that towns and cities may require an annual application for the tax deferral authorized for the elderly and disabled by this section. The form shall include the following and such other information deemed necessary by the commissioner:

(a) Instructions on completing and filing the form, including an explanation of the grounds for requesting a deferral.

(b) Sections for information concerning the applicant, the property for which the relief is sought, and other properties owned by the person applying.

(c) A section explaining the appeal procedure and stating the appeal deadline in the event the municipality denies the tax relief request in whole or in part.

(d) A place for the applicant's signature with a certification by the person applying that the application has a good faith basis and the facts in the application are true.

6 Repeal; 2005. RSA 72:33-b, relative to the optional date for filing for elderly exemptions, is repealed.

7 Effective Date.

I. Sections 1 and 2 of this act shall take effect April 1, 2003.

II. The remainder of this act shall take effect April 1, 2005.

AMENDED ANALYSIS

This bill allows towns and cities to adopt an optional property tax credit for service-connected total disability in an amount from \$701 up to \$2,000.

This bill also, effective April 1, 2005, changes the filing date for applications for all exemptions or tax credits, and repeals the additional optional filing date for the elderly exemption.

HB 476, relative to incompatibility of municipal offices. **INEXPEDIENT TO LEGISLATE**

Rep. Eric G. Stohl for Municipal and County Government: The intent of this bill is to expand the incompatibility of municipal offices to include part-time police chiefs and contractors for the town highway department. The committee feels that many small towns have a difficult enough time filling unpaid or under-paid municipal positions without taking others out of consideration. An example of this restriction if this bill passes is a part-time police chief could not be a moderator or a trustee of trust funds. The local municipality also has the authority in RSA 31:39 to create conflict of interest ordinances. Vote 11-0.

HB 489, relative to innovative land use controls. **INEXPEDIENT TO LEGISLATE**

Rep. Peter B. Schmidt for Municipal and County Government: The subject matter of this bill deals with innovative land use controls and is very similar to the subject in HB 761, which also deals with innovative land use controls, master plans and how to review preliminary subdivisions. The committee decided to consider the issues jointly under that bill. Vote 14-0.

HB 494-L, allowing the amendment of default budgets by municipal legislative bodies. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: The subject matter found in this bill will be retained with HB 85 since both deal with default budgets. The sponsor of this bill was concerned about the "padding" of default budgets and because the committee did not have ample time to thoroughly review all aspects of this subject. This subject will be studied with HB 85. Vote 13-0.

HB 514, relative to business and industrial development authorities. **INEXPEDIENT TO LEGISLATE**

Rep. Roland L. Dupuis for Municipal and County Government: The subject matter "relative to business and industrial development authorities" will be retained in HB 803 that deals with establishing a downtown development program. Since there were three bills dealing with economic development and since the committee did not have the proper time to consider all aspects of the bill, the concept will be considered with HB 803. Vote 13-0.

HB 527, relative to the transfer of appropriations for certain expenditures under the municipal budget law. **INEXPEDIENT TO LEGISLATE**

Rep. Thomas J. Gillick for Municipal and County Government: The subject matter in This bill relative to appropriations under the municipal budget law is very similar to HB 493 dealing with the municipal budget act. Since the RSA involved is in the same chapter, the committee voted to retain the subject matter. Vote 15-0.

HB 538, relative to the establishment of municipal economic development and revitalization districts by certain municipalities. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: The committee felt that this bill should be combined with HB 803, a very comprehensive bill establishing the New Hampshire downtown development program. Vote 13-0.

HB 588-L, relative to nonconforming residential uses. **INEXPEDIENT TO LEGISLATE**

Rep. Peter B. Schmidt for Municipal and County Government: This bill deals with what rights residential land owners have when they live in non-residential areas. HB 713 also deals with zoning issues and non-compatible zoning uses. The subject matter will be studied with HB 713. Vote 15-0.

HB 625-FN-L, relative to the interest rate on delinquent property taxes in property redemptions. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: This bill would lower the interest rate on property tax liens from 18 percent to the annual rate equal to the federal prime rate plus 3 percent. Testimony was received that the tax on a lien would be smaller than the tax on late payments. Eighteen percent is not out of line for the tax lien penalty, since it barely covers the cost for processing the collection of the delinquent taxes. Delinquent taxes increase the cost to the other taxpayers who pay on time. The committee agreed with these concerns. Vote 11-0.

HB 639-FN-L, relative to receiving voter approval through warrant articles before a municipality may continue a program initiated under a grant. **OUGHT TO PASS WITH AMENDMENT**

Rep. Eric G. Stohl for Municipal and County Government: This bill provides that if the governing body of a municipality chooses to continue a grant-funded program or position after the grant has expired or is reduced, and it is not renewed at the level of financial support as when the program or position was initiated, then the appropriation for continuing the program or position shall be made only by a warrant article that is approved by the legislative body of that municipality. Vote 10-1.

Amendment (0635h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to receiving legislative body approval though warrant articles before a municipality may continue a program initiated under a grant.

Amend the bill by replacing section 1 with the following:

1 New Section; Continuation of Grant Funded Programs. Amend RSA 32 by inserting after section 6 the following new section:

32:6-a Continuation of Grant Funded Programs. If the governing body of a municipality chooses to continue a grant-funded program or position, after such grant has expired or is reduced, and it is not renewed at the level of financial support under which the program or position was initiated, then the appropriation for the continuance of the program or position shall be made only by warrant article approved by the legislative body.

AMENDED ANALYSIS

This bill requires legislative body approval though warrant articles before a municipality may continue a program initiated under a grant.

HB 668-FN-A-L, permitting municipalities to adopt a local addition to the real estate transfer tax dedicated to conservation purposes. **INEXPEDIENT TO LEGISLATE**

Rep. Mary R. Cooney for Municipal and County Government: The committee felt that municipalities are doing a very good job of voting funds for conservation purposes without the need for additional funds. We as legislators, have voted to increase this tax several times in the past and the original intent was to sunset it. It would place a hardship on first time homebuyers. Additionally, New Hampshire already has the second highest transfer tax in the country. Vote 13-2.

HB 673-FN-L, relative to municipal water system connection fees. **INEXPEDIENT TO LEGISLATE**
Rep. David L. Buhlman for Municipal and County Government: The committee realizes that the Copple Crown Village District, a water precinct in the town of New Durham, faces a problem with paying for upgrades to water lines and that their \$12,000 hook-up fee is quite high, but is concerned that any remedy that might be proposed to address this particular situation could have unintended implications for other water supply systems. However, there was concern that this bill is too broad and could have unintended consequences for other water districts. Vote 16-0.

HB 688-FN-L, relative to taxation of property within village districts by municipalities. **INEXPEDIENT TO LEGISLATE**

Rep. Nancy K. Johnson for Municipal and County Government: This bill would change a municipal tax base and thereby restrict a town's ability to do long range planning. A minority of those who may not agree with the majority could opt out of the municipality by forming a village district. The village district could then pick and choose or duplicate services. Vote 14-1.

HB 691-FN-L, creating a credit against property tax liability for a portion of the cost of home-educated pupils and pupils attending nonpublic schools. **INEXPEDIENT TO LEGISLATE**

Rep. Robert L. Theberge for Municipal and County Government: The subject of this bill, to allow a credit for home education and non-public schools, is closely related to HB 756, which proposes an abatement for home education and non-public schools. The committee has voted to retain the subject matter in HB 756. The Ways and Means Committee also has proposed a study committee in HB 773 that will study the benefits of establishing a tuition tax credit program for non-public school. If the study committee bill is passed, the Municipal & County Government sub-committee will ask that the subject matter of both bills be incorporated into the study. If the study bill is not passed, the same subcommittee will study the subject matter of both bills. Vote 12-0.

HB 722-FN, relative to land use changes. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: This bill allows 50 registered voters to protest a land use change before the planning board. The committee has five bills that deal with planning and zoning issues. The committee did not have the proper time to consider a thoughtful resolution, so they voted to study the subject matter of this bill with HB 713. Vote 15-0.

HB 723-FN-L, relative to the definition of residences in an industrial or commercial zone. **INEXPEDIENT TO LEGISLATE**

Rep. James E. Twombly for Municipal and County Government: The committee felt that the subject matter of this bill should be studied by rolling it into HB 713. HB 713, relative to the penalty for violating a zoning ordinance, will be retained. Vote 13-0.

HB 740-FN-L, relative to the process for adopting a default budget in official ballot towns, and applying the default budget provisions in school districts having adopted the official ballot method. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: The committee received several bills pertaining to the default budget in an official ballot form of government (SB 2). The subject matter of this bill will be discussed in a retained bill. (HB 285). Vote 13-0.

HB 782, establishing a committee to study voting membership of municipal boards and commissions. **INEXPEDIENT TO LEGISLATE**

Rep. Eric G. Stohl for Municipal and County Government: The intent of this bill is to study the benefits and consequences of disallowing ex officio members of municipal boards and commissions from voting if he or she is an employee or staff member of a municipality. We heard testimony that there are municipalities that have members on their boards and commissions that are not residents. The committee feels that the municipalities can better address this issue through their own channels. Vote 15-1.

HB 806, enabling municipalities to adopt a property tax exemption for deaf or severely hearing impaired persons. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert W. Brundige for Municipal and County Government: This bill enables municipalities to adopt a minimum property tax exemption of \$15,000 for any deaf person who owns and occupies his/her residential property. To be eligible, the deaf person must have a 71 Db hearing average loss or greater in the better ear, as determined by a licensed audiologist, and also must meet net asset requirements. The committee agreed this is a bill long overdue. Vote 16-0.

Amendment (0805h)

Amend RSA 72:38-b, VI(a) and (b) as inserted by section 3 of the bill by replacing them with the following:

(a) In a town, other than a town that has adopted a charter pursuant to RSA 49-D, the question shall be placed on the warrant of a special or annual town meeting, by the governing body or by petition pursuant to RSA 39:3.

(b) In a city or town that has adopted a charter pursuant to RSA 49-C or RSA 49-D, the legislative body may consider and act upon the question in accordance with its normal procedures for passage of resolutions, ordinances, and other legislation. In the alternative, the legislative body of such municipality may vote to place the question on the official ballot for any regular municipal election.

HB 661-FN-L, relative to Westport Village Road in the town of Swanzy. **OUGHT TO PASS**
Rep. William E. Leber for Public Works and Highways: This bill reclassifies Westport Village Road between Homestead Avenue and New Hampshire Route 10 after the NH Department of Transportation make repairs that have been agreed to by the town of Swanzy. After the repairs the road will be a town road and the town of Swanzy responsible for maintenance. Vote 14-0.

HB 339, establishing a committee to study the use of certain state-owned property along the Baker River. **INEXPEDIENT TO LEGISLATE**

Rep. D. L. Chris Christensen for Resources, Recreation and Development: State owned land adjacent to the Baker River was originally purchased for a seventh dam in a series of flood control projects. Some years ago, it was determined that this last dam would not be built, leaving the purpose of the land in limbo. A legislative study committee was proposed to make recommendations for revised use or disposition of the land. The large number of water related study bills introduced would have severely tested available assets. With the agreement of the sponsors some of these bills were combined to improve efficiency and quality of product. The issues raised in HB 339 were incorporated into HB 768. Vote 15-0.

HB 352, establishing a committee to study the feasibility of a desalinization plant in the New Hampshire seacoast region. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill provides a study committee to see if desalinization is a viable source of drinking water for the seacoast area, which suffers a chronic shortage of drinking water, especially in the summer months. There is hope that this improving technology will solve this problem. The committee agrees that this study is needed, but plans to address this issue in one of the comprehensive water study bills being worked on by the committee. Therefore, this bill is not necessary. Vote 10-5.

HB 420, relative to state-owned trails and parking lots in the town of Windham. **OUGHT TO PASS WITH AMENDMENT**

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill, as amended, prohibits operation of OHRV's on a portion of the Rockingham Recreation Trail when not snow covered. This portion is about 5 miles of the 19-mile trail, and lies in a historical residential zone where operation of OHRV's is not appropriate during the warm months. It frees up this section of the trail for non-motorized use, including bicycling, walking, jogging, and just pushing a baby carriage. This also increases the quality of life of the neighbors of the trail. The bill also restricts parking in the Windham Depot parking lot to daylight hours and requires sanitary facilities to be provided. Vote 17-0.

Amendment (0913h)

Amend the bill by replacing all after the enacting clause with the following:

I New Section: ATV and Trail Bike Operation on State Lands; Rockingham Recreational Trail.
Amend RSA 215-A by inserting after section 43 the following new section:

215-A:44 Rockingham Recreational Trail.

I. No person shall operate an OHRV on any portion of the Rockingham recreational trail west of Route 28 when it is not snow-covered.

II. No person shall use the parking lot at the Windham depot along the Rockingham recreational trail during the period from ½ hour after sunset to ½ hour before sunrise.

III. The department of resources and economic development shall provide sanitary facilities at the parking area in Windham along the Rockingham recreational trail when the trail is snow-covered.

2 Effective Date. This act shall take effect 90 days after its passage.

AMENDED ANALYSIS

This bill:

I. Prohibits operation of an OHRV on the Rockingham recreational trail west of Route 28 when it is snow-covered.

II. Prohibits using the parking lot at the Windham depot along the Rockingham recreational trail during the period from ½ hour after sunset to ½ hour before sunrise.

III. Requires the department of resources and economic development to provide sanitary facilities at the parking area in Windham along the Rockingham recreational trail when the trail is snow-covered.

HB 540, establishing a committee to study a fee on withdrawals of water for commercial purposes. **INEXPEDIENT TO LEGISLATE**

Rep. Richard T. Cooney for Resources, Recreation and Development: This bill is one of several study bills involving groundwater before the Resources Committee. The issue addressed by this bill deserves study and the committee plans to address this issue, along with other issues, in a comprehensive study commission as proposed by another bill, which is now before the Resources Committee. Therefore, this bill is not needed. Vote 10-1.

HB 676-FN, relative to lake level investigations. **OUGHT TO PASS WITH AMENDMENT**

Rep. David M. Lawton for Resources, Recreation and Development: This bill will establish timelines for the Department of Environmental Services to process lake level investigations on inland public lakes and ponds, requires additional hearing notifications for the public and broadens the ability of the public to petition for such investigations. Further, this bill also adds one member to the water council representing the Department of Agriculture, Markets and Food. The committee amendment allows the Department of Environmental Services to extend their investigation as long as the public is provided with a clear timeline for the investigations to be conducted as well as to identify the time when a final decision will be reached. Vote 15-0.

Amendment (0798h)

Amend RSA 482:79-b, V as inserted by section 2 of the bill by replacing it with the following:

V. The department shall reach a decision by September 30, following the public hearing, on whether or not it will change the current management practice or whether further evaluation is required before a final decision can be reached. If the department decides that further evaluation is required, then the department shall provide the basis for its decision and shall specify the scope of the evaluation to be performed, establish the time at which the final decision will be issued, and specify how the lake level is to be managed in the interim period

HB 742, establishing a committee to study the relationship between groundwater withdrawals and the ownership of watershed land. **INEXPEDIENT TO LEGISLATE**

Rep. Pierre W. Bruno for Resources, Recreation and Development: This bill would have created a study committee having a limited scope of a broad subject. The intent of the committee is that these concerns will be best addressed by more comprehensive legislation pending in committee. Vote 11-0.

HB 768, establishing a committee to study the flow in the Connecticut River and the impact of the flow on water levels in Lake Francis and the Connecticut Lakes. **OUGHT TO PASS WITH AMENDMENT**

Rep. D. L. Chris Christensen for Resources, Recreation and Development: Lake levels in Lake Francis and the First and Second Connecticut Lakes are controlled by a group of contracts between various New Hampshire, Vermont, United States and non-government organizations. These were negotiated with consideration for the needs of a downstream hydroelectric plant. The purpose of the bill is to establish a study committee to review these contracts with an eye to improving undesirably low lake levels at certain times of the year. Because the large number of water related study bills this year would severely test abilities to conduct several study committees, sponsors agreed to incorporating issues from related bills. The amendment incorporates issues raised by HB 339, relative to the Baker River and adjacent state owned land. Vote 13-0.

Amendment (0891h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the flow in the Connecticut River and the effect of the flow on water levels in Lake Francis and the Connecticut Lakes, and to study the use of certain state-owned property along the Baker River.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established. There is established a committee to study the flow in the Connecticut River and the effect of the flow on water levels in Lake Francis and the Connecticut Lakes, and to study the use of certain state-owned property along the Baker River.

2 Membership and Compensation.

I. The members of the committee shall be as follows:

(a) Four members of the house of representatives, appointed by the speaker of the house of representatives.

(b) Three members of the senate, appointed by the president of the senate.

II. Members of the committee shall receive mileage at the legislative rate when attending to the duties of the committee.

3 Duties. The committee shall study the flow in the Connecticut River, its effect on Lake Francis and the Connecticut Lakes, and its effect on the dams that generate power from the flow in the river. The committee shall develop a recommendation for the minimum water level to be maintained at the Murphy Dam on Lake Francis to balance the competing needs of conservation, recreation, agriculture, and power production. The committee shall also study the need for a flood control and recreation dam and lake, known as the "Baker River Watershed Multiple Use Project Site 7" on the South Branch of the Baker River in Wentworth and shall examine the options for management of certain state-owned property along the Baker River that has been acquired for the project.

4 Chairperson; Quorum. The members of the study committee shall elect a chairperson from among the members. The first meeting of the committee shall be called by the first-named house member. The first meeting of the committee shall be held within 45 days of the effective date of this section. Four members of the committee shall constitute a quorum.

5 Report. The committee shall report its findings and any recommendations for proposed legislation to the speaker of the house of representatives, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before November 1, 2003.

6 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the flow in the Connecticut River and the effect of the flow on water levels in Lake Francis and the Connecticut Lakes, and to study the use of certain state-owned property along the Baker River.

HB 797, establishing a committee to study methods for the legislature to protect New Hampshire groundwater aquifers. **INEXPEDIENT TO LEGISLATE**

Rep. Dennis H. Fields for Resources, Recreation and Development: The bill would establish a study committee to examine ways to conserve New Hampshire groundwater aquifers. The committee believes that this issue is better addressed with a study commission proposed by another bill in the committee's possession. Vote 9-2.

HB 547, establishing a committee to study public access television. **OUGHT TO PASS WITH AMENDMENT**

Rep. Roy D. Maxfield for Science, Technology and Energy: Sponsors of the bill were concerned with establishing uniformity in the state for public access television use. Their proposed study committee would review franchise fees, channel location and other access issues associated with public access television. The sponsors concurred with the committee recommendation to include these items in an existing telecommunication oversight committee. Vote 11-0.

Amendment (0698h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the duties of the oversight committee on telecommunications and relative to the membership of the Mount Washington Commission.

Amend the bill by replacing all after the enacting clause with the following:

1 Mount Washington Commission Members. Amend RSA 227-B:3, I-II to read as follows:

I. [Five] Six members shall be appointed by the governor with the consent of the council, one of whom shall be a member of the house of representatives and one *of whom shall be* a member of the senate.

II. One member from each of the following groups shall be appointed through the concurrence of their boards of directors: the Mount Washington Auto Road; the Mount Washington Observatory; ~~[Mount Washington TV, Inc.];~~ and the Mount Washington Cog Railway.

2 Duties of the Oversight Committee on Telecommunications; Cable Television. RSA 374:22-j, XIV is repealed and reenacted to read as follows:

XIV. Monitoring all aspects of the cable television industry, including, but not limited to, a-la-carte programming, television violence, tiering issues, Federal Communications Commission regulations and changes, compliance, public access television, access, and build-out.

3 Duties of the Oversight Committee on Telecommunications; Telephone Surcharges. Amend RSA 374:22-j, XVI to read as follows:

XVI. Examining the assessment of surcharges on ~~[pay]~~ *all* telephone use.

4 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill modifies the duties of the oversight committee on telecommunications and requires the governor to appoint an additional member to the Mount Washington Commission.

HB 562, establishing a committee to study air quality monitoring by the department of environmental services. **OUGHT TO PASS WITH AMENDMENT**

Rep. Paul R. Hatch for Science, Technology and Energy: The committee feels it is unnecessary to establish a new committee to study air quality monitoring. The intent of the sponsors can be effectively accomplished by adding the duties of monitoring air quality to the Air Pollution Advisory Committee. Vote 11-0.

Amendment (0679h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to an additional duty of the air pollution advisory committee.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Air Quality. Amend RSA 125-J:11, III by inserting after subparagraph (b) the following new subparagraph:

(c) The effectiveness of department initiatives to assist communities in monitoring and improving their air quality.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill adds an additional duty to the air pollution advisory committee.

HB 675-FN, relative to enhanced 911 reimbursements to commercial mobile radio service providers. **INEXPEDIENT TO LEGISLATE**

Rep. Edward R. Leach for Science, Technology and Energy: This bill would eliminate New Hampshire's existing obligation, which is in current statute, to allow recovery of any reasonable costs to wireless telephone carriers of their expenses incurred in responding to a Federal/State mandate to deploy E911 service. The committee felt that the current RSA, in effect since 1997, allows for reasonable recovery of costs. These costs have to be approved by the 911 Commission and the committee felt there was sufficient protection for the state against unnecessary expenses as well as protection for customers against unnecessary charges. The committee also felt it was not prudent to change the state policy just as the carriers are in the process of deploying E911. As a public safety matter, we want to encourage deployment of E911, not inhibit it. According to a FCC order "mechanisms that cover carrier costs are an effective way of expediting wireless E911 for the citizens, especially in rural areas." The current law in New Hampshire is working; therefore, the committee did not see any need to change the law. Vote 15-0.

HCR 15, relative to relaxing air quality standards by the United States Environmental Protection Agency. **OUGHT TO PASS**

Rep. J. Edward Kerns for State-Federal Relations and Veterans Affairs: The committee reconsidered its recommendation on HCR 15 after further information was presented. The majority feels that sufficient evidence exists to prompt our federal government to oppose the relaxation of air quality standards by the EPA and to hold standards at the level that provides the best protection for New Hampshire's citizens. Vote 12-4.

HB 228, relative to conduct after an accident. OUGHT TO PASS WITH AMENDMENT

Rep. Robert J. Letourneau for Transportation: This bill is an update to the conduct after an accident statute and would require the driver of a vehicle that has been involved in a crash to provide driver and vehicle information to the police. This bill would also establish penalties for failure to report an Off Highway Recreational Vehicle accident where the operator of an OHRV is involved in an accident resulting in death or injury to a person or damage to property in excess of \$500.00. Vote 17-0.

Amendment (0606h)

Amend RSA 264:25, 1 as inserted by section 1 of the bill by replacing it with the following:

1. The driver of a vehicle who knows or should have known that he or she has just been involved in any accident which resulted in death[;] *or* personal injury ~~[or damages]~~ *shall immediately stop such vehicle at the scene of the accident and shall give to any responding police officer arriving at the scene of the accident, or immediately to a police officer at the nearest police station, the driver's name and address, driver's license number, the registration number of the vehicle, and the name and address of each occupant. The driver of a vehicle who knows or should have known that he or she has just been involved in any accident which resulted in damage to* property, shall immediately stop such vehicle at the scene of the accident and give to the driver or owner of any other vehicle involved in said accident, ~~[and to any person injured;]~~ and to the owner of any property damaged, the driver's name and address, driver's license number, the registration number of the vehicle, and the name and address of each occupant. ~~[If by reason of injury, absence or removal from the place of the accident, or other cause, such injured person, or driver of such other vehicle, or owner of the property damaged, or any of them, is unable to understand or receive the information required in this section, such information shall be given to any uniformed police officer arriving at the scene of the accident or immediately to a police officer at the nearest police station;]~~ Any person driving a vehicle which is in any manner involved in an accident or any person who owns a vehicle which was illegally parked when it was involved in an accident shall within 15 days after such accident report in writing to the division the facts required hereunder together with a statement of the circumstances if any person is injured or killed, or if damage to property is in excess of \$1,000, unless the accident is investigated by a police officer, in which case a report filed by such officer shall satisfy the requirements of this section; provided, however, that any person not otherwise required by this paragraph to file a report, who owns a vehicle which was involved in an accident, may file a report as provided by this paragraph. Voluntary intoxication shall not constitute a defense in the matter of knowledge under the provisions of this section. All reports, filed as required in this paragraph, shall be in the form prescribed by the director and shall contain information to enable the division to determine whether the requirements for the deposit of security under RSA 264:3 are inapplicable by reason of the existence of insurance or other exceptions specified in that chapter. If such driver is physically or mentally incapable of making such report, the owner of the vehicle involved in such accident or the owner's representative shall, after learning of the accident, forthwith make such report. The driver or the owner shall furnish such additional relevant information as the division shall require. The provisions of this section shall be of general application and shall not be restricted to a way as defined in RSA 259. *Nothing in this section is intended to prohibit a driver from leaving the scene of an accident involving death or personal injury for the purpose of obtaining immediate medical assistance or emergency services in behalf of any person involved in the accident, provided that the driver complies with the requirements of this section immediately after obtaining the necessary medical assistance or emergency services.*

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 4:

2 Off Highway Recreational Vehicles; Financial Responsibility and Conduct After an Accident. Amend RSA 215-A:28, 1 to read as follows:

1.(a) All provisions, including the penalties, suspensions, and prohibitions of the New Hampshire financial responsibility law, and the provisions of statutes relative to the operation of a motor vehicle, shall apply to an OHRV being operated upon a public highway.

(b) The operator of an OHRV involved in an accident resulting in death or injury to a person or damage to property in excess of \$500, *or* the owner of the OHRV having knowledge of the accident, should the operator be incapacitated, shall report the accident immediately to the nearest

police officer or nearest police station and shall file a report of the accident with the department of fish and game and the department of safety within 5 days on forms prescribed by the department of fish and game.

3 New Paragraph; Off Highway Recreational Vehicles; Penalty for Conduct After an Accident. Amend RSA 215-A:28 by inserting after paragraph IV the following new paragraph:

V. Any operator or owner who fails to comply the requirements of RSA 215-A:28, I(b) or RSA 215-A:28, III following an accident involving damage to property shall be guilty of a misdemeanor. Any operator or owner who fails to comply the requirements of RSA 215-A:28, I(b), RSA 215-A:28, III, or RSA 215-A:28, IV following an accident involving death or personal injury shall be guilty of a class B felony. Any operator or owner who provides information required by RSA 215-A:28, I(b), RSA 215-A:28, III, or RSA 215-A:28, IV following an accident, knowing or having reason to know such information is false, shall be guilty of a class B felony.

AMENDED ANALYSIS

This bill requires the driver of a vehicle that has been involved in an accident which resulted in death or personal injury to provide driver and vehicle information to the police. This bill also establishes penalties for failure to report an OHRV accident.

HB 402, relative to child passenger restraints. OUGHT TO PASS WITH AMENDMENT

Rep. Brenda L. Ferland for Transportation: Current law on child passenger restraint requires anyone less than four years of age to be properly fastened and secure. The committee has had bills in the past that would have increased the age up to eight years and added a weight and height requirement. After much testimony in favor of increasing the child restraint law, the committee amended the bill so that the restraint law increases the age to less than six years or a height less than 55 inches. The New Hampshire Traffic Safety Committee and law enforcement will be working with other organizations to educate the public on the importance of child passenger restraints and their proper installation. Vote 17-0.

Amendment (0823h)

Amend the bill by replacing section I with the following:

1 Child Passenger Restraints Required. Amend RSA 265:107-a, I to read as follows:

I. No person shall drive a motor vehicle on any way while carrying as a passenger a person less than 18 years of age unless such person is wearing a seat or safety belt which is properly adjusted and fastened or, if the person is less than [4] 6 years of age *or is less than 55 inches in height*, unless such person is properly fastened and secured by a child passenger restraint which is in accordance with the safety standards approved by the United States Department of Transportation in 49 C.F.R. section 571.213. *Except as provided in paragraph II*, no person shall drive a motor vehicle on any way while carrying as a passenger a person less than 18 years of age unless the motor vehicle was designed for and equipped with the passenger restraints specified above.

AMENDED ANALYSIS

This bill makes the child passenger restraint requirement apply to a person less than 6 years of age or less than 55 inches in height. The requirement currently applies to persons less than 4 years of age.

HB 509, relative to access to motor vehicle records. OUGHT TO PASS WITH AMENDMENT

Rep. Robert J. Letourneau for Transportation: This bill would give personal excess liability (umbrella policies) insurance companies the same access to motor vehicle records that is given to automobile insurance companies. This is done on a case-by-case basis with the knowledge of the individual who is applying for the insurance coverage. Vote 17-0.

Amendment (0777h)

Amend the bill by replacing all after the enacting clause with the following:

1 Motor Vehicle Records; Access by Insurance Companies. Amend RSA 260:14, IV(a)(2) to read as follows:

(2) Insurance companies authorized to write automobile *and personal excess liability* insurance policies in this state, or by self-insured entities, or their authorized agents, for use in connection with claims investigation activities, anti-fraud activities, rating, or underwriting.

2 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill gives personal excess liability insurance companies the same access to motor vehicle records that is given to automobile insurance companies.

HB 534, relative to properties with 2 or more unregistered motor vehicles. **INEXPEDIENT TO LEGISLATE**

Rep. Sherman A. Packard for Transportation: The sponsor of this bill was attempting to help clarify the statute already on the books concerning unregistered cars on private property. During discussions the majority of the committee members felt that this bill would cause more confusion than clarity. Vote 17-0.

HB 582-FN, increasing the penalty for abandoning a motor vehicle. **INEXPEDIENT TO LEGISLATE**

Rep. Sherman A. Packard for Transportation: There were three bills concerning abandoned vehicles. The three bills were combined into House Bill 699-FN. Vote 16-0.

HB 655-FN, relative to motor vehicle dealer license applications. **INEXPEDIENT TO LEGISLATE**

Rep. Sherman A. Packard for Transportation: Another bill which is now in the committee is a much more comprehensive bill concerning the subject matter discussed in this bill. It is the committee's intention to look into incorporating language from this bill into the other bill. Vote 16-0.

HB 699-FN, relative to abandoned vehicles. **OUGHT TO PASS WITH AMENDMENT**

Rep. Sherman A. Packard for Transportation: For years the Transportation committee has been hearing about the problem of abandoned vehicles. These cars are not only being left on private property but more and more are being abandoned on roadsides. It is estimated that 10,000 vehicles a year in New Hampshire could fall into this category. This not only is becoming a real financial burden to many small business owners, but also could become a real environmental problem if these junk cars are not properly disposed. With the help of the NH Towing Association and the NH Auto Dealers Association we feel that the changes we have made will help towing companies locate the owners of these abandoned vehicles. This will help to facilitate the proper disposal of these vehicles. Vote 15-0.

Amendment (0557h)

Amend the bill by replacing sections 1-2 with the following:

1 New Paragraph; Review of Fees for Removal and Impoundment; Items in Vehicle. Amend RSA 262:35-a by inserting after paragraph II the following new paragraph:

III. Any time that a person is storing a vehicle pursuant to the provisions of this subdivision, the person may remove any items from within the vehicle that are not a part of or accessories to the vehicle. The person may hold any such items, other than wallets, purses, legal documents, car seats, eyeglasses, medicine, or medical equipment, pending payment of any fees due under this subdivision. If fees remain unpaid after 60 days, the person may dispose of the items.

2 Abandoning a Vehicle; Penalty. Amend RSA 262:40-c to read as follows:

262:40-c Abandoning a Vehicle; Penalty. No person shall abandon a motor vehicle, registered or unregistered, on any way or on any property other than his *or her* own without the permission of the owner or lessee of said property or, in the case of public property, of the police department having jurisdiction over the property. For the purposes of this section, a vehicle shall be considered abandoned if it has been left for more than 24 hours without the appropriate permission being given. The last owner of record of a motor vehicle found abandoned, as shown by the files of the department, shall be deemed prima facie to have been the owner of such motor vehicle at the time it was abandoned and to have been the person who abandoned the motor vehicle or caused or procured its abandonment. Any person who violates the provisions of this section shall be guilty of a violation *and shall be subject to a fine of not less than \$100 and not more than \$500*, and may be subject to the loss of driver's license and registration as provided in RSA 263:56 and RSA 261:179. The court may assess costs of abandoning a vehicle, including but not limited to, towing and storage costs, against any person convicted of abandoning a vehicle in violation of this section, and the director [may] *shall* suspend the driver's license of any person who has not paid such costs.

3 Effective Date. This act shall take effect January 1, 2004.

HB 822, relative to abandoned vehicles. **INEXPEDIENT TO LEGISLATE**

Rep. Sherman A. Packard for Transportation: There were three bills concerning abandoned vehicles. The three bills were combined into HB 699-FN. Vote 16-0.

HB 107, relative to bingo. OUGHT TO PASS WITH AMENDMENT

Rep. Susan W. Almy for Ways and Means: This is one of 4 bills, including HB 261, HB 262, and HB 558, which seek to simplify and modernize the statutes on social bingo and Lucky 7, which are almost always played in conjunction. The sponsors of HB 107 wished to make it possible for some social clubs not considered to fit the current list of clubs eligible to run bingo games to do so. They also wanted to require some sort of reporting by bingo operators of how they are using their bingo proceeds to benefit the community. The amendment cleans up the language, reduces the burden of reporting to what is appropriate for these clubs, and adds the proceeds from their Lucky 7 sales. Vote 16-1.

Amendment (0830h)

Amend the bill by replacing all after the enacting clause with the following:

1 Charitable Organization; Definition. Amend the introductory paragraph of RSA 287-E:1, V to read as follows:

V. "Charitable organization" means any ~~[bona fide religious, charitable, civic, veterans, or fraternal]~~ *non-profit* organization which shall have been registered with the secretary of state for at least 2 years and in existence and organized under the laws of this state for at least 2 years in a town or city in this state, and which possesses a tax exempt status under Internal Revenue Code 501(c)(3), 501(c)(4), 501(c)(7), 501(c)(8), 501(c)(10), or 501(c)(19) or is covered under a group ruling issued by the Internal Revenue Service under authority of those sections. To be eligible for licensure under this chapter, a charitable organization shall do all of the following:

2 New Paragraph; Community Benefit Report. Amend RSA 287-E:9 by inserting after paragraph VII the following new paragraph:

VIII. Each calendar year, every non-profit organization shall report to the attorney general on how the proceeds from the bingo operations and the sale of lucky 7 tickets are benefiting the community, including the amount and destination of net proceeds.

3 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill changes the definition of charitable organization to include any non-profit organization registered with the state. This bill also requires that non-profit organizations licensed to conduct bingo games report to the attorney general each calendar year concerning how gaming is benefiting the community.

HB 262, relative to operators of bingo and games of chance. OUGHT TO PASS WITH AMENDMENT

Rep. Tom F. McCormick for Ways and Means: The sponsors wished to make the laws on bingo and games played at Monte Carlo nights, coherent by ending the prohibition on those convicted of misdemeanors from acts of volunteers and paid operators of these games. In the public hearing it was pointed out that misdemeanors included substantial property theft crimes. An amendment was offered by the sponsors to make the prohibition 10 years after a felony or misdemeanor A, and 5 years for misdemeanor B. The committee also amended the bill to include Lucky 7 ticket sales. Vote 16-1.

Amendment (0831h)

Amend the bill by replacing all after the enacting clause with the following:

1 Operation of Games of Chance. RSA 287-D:2-b, VI is amended to read as follows:

VI. No person who has been convicted of ~~[any criminal offense]~~ *a felony or class A misdemeanor within the previous 10 years which has not been annulled by a court, or a class B misdemeanor within the past 5 years which has not been annulled by a court*, or who has violated any of the statutes or rules governing charitable gambling in the past in this or any other state shall operate a game of chance licensed under this chapter, or rent, lease, sublease, or otherwise provide any hall or game of chance paraphernalia for the conduct of games of chance licensed under this chapter.

2 License Applications. Amend RSA 287-E:5, V (c) to read as follows:

(c) That neither the applicant nor any member of the charitable organization who will be participating in the operation of the bingo games *and sale of lucky 7 tickets* has been convicted of ~~[any crime]~~ *a felony or class A misdemeanor within the previous 10 years which has not been annulled by a court, or a class B misdemeanor within the past 5 years which has not been annulled by a court*, or has violated the statutes or rules governing charitable gambling.

3 Operation of Bingo Games and Sale of Lucky 7. Amend RSA 287-E:7, VI to read as follows:

VI. No person who has been convicted of ~~[any criminal offense]~~ *a felony or class A misdemeanor within the previous 10 years which has not been annulled by a court, or a class B misdemeanor within the past 5 years which has not been annulled by a court*, or who has violated any of the statutes or rules governing charitable gambling in the past in this or any other state shall operate a bingo game *or participate in the sale of lucky 7 tickets* licensed under this chapter, or rent, lease, sublease, or otherwise provide any hall or bingo paraphernalia for the conduct of bingo licensed under this chapter.

4 Effective Date. This act shall take effect January 1, 2004.

HB 280-FN, relative to the poison information center. **OUGHT TO PASS WITH AMENDMENT**
Rep. Peyton B. Hinkle for Ways and Means: The committee agreed with the Science, Technology and Energy Committee that it is important to continue the statewide program for poison information and treatment, and that this program should meet the certification standards set by the American Association of Poison Control Centers. However, the Ways and Means Committee felt that a more appropriate funding mechanism would be a surcharge applied to each licensed medical insurer in the state, and assessed in proportion to the number of its covered lives. Of the 17,000 calls received by the Poison Control Center last year 76% of the cases were managed at home by the center, thus saving the cost of unnecessary ambulance calls and emergency room visits. This results in a savings of \$7.00 in medical care for every \$1.00 spent on a poison control center. The committee felt their form of funding made a logical link to an insurance assessment. Vote 18-0.

Amendment (0900h)

Amend the bill by replacing all after the enacting clause with the following:

I Purpose. The purpose of this act is to provide a sustainable and fiscally responsible funding mechanism to support the continuation of a statewide program for poison information that meets certification standards developed by the American Association of Poison Control Centers. The general court recognizes that the poison information center is an important emergency medical telephone service which complements and enhances the purposes of other emergency public health and safety efforts in New Hampshire.

2 Health and Human Services; Poison Information and Control. RSA 126-A:49 is repealed and reenacted to read as follows:

126-A:49 Poison Information and Treatment.

I. The commissioner shall develop or designate a statewide poison information center which meets certification standards developed by the American Association of Poison Control Centers. The poison information center so established and designated by the commissioner shall provide New Hampshire residents with information and emergency medical consultation on a daily, 24-hour basis. Funding for this program may be included in the budget for the department of health and human services, and shall be from the assessment authorized by paragraph II. The commissioner shall file an annual report with the health and human services oversight committee established pursuant to RSA 126-A:13 as to whether the designated poison information center provides services in such manner as to ensure continued accreditation by the American Association of Poison Control Centers and on the department's efforts to identify and accept additional funds. The commissioner shall attempt to obtain and shall accept in the name of the state any and all donations, grants, or fees, both real and personal, from any governmental unit or public agency, or third-party payors, or from any institution, person, firm, or corporation given specifically for the purpose of funding this program and the commissioner shall receive, utilize, and dispose of all such donations and grants consistent with the purpose or conditions of the donation or grant. The health and human services oversight committee shall, no later than July 1, 2007, review the accreditation standards of the American Association of Poison Control Centers to determine whether it is appropriate to continue to require the poison information center to meet such standards.

II. The commissioner shall determine the annual cost for the poison information center under paragraph I; such cost to be decreased by the amount of funding raised by grants, fees, donations and other sources enumerated under paragraph I. Each licensed insurer shall be assessed in proportion to the number of its covered lives by the insurance commissioner. The amount to be raised shall then be determined by multiplying the ratio of the number of covered lives to the cost of the funding for the poison information center. For the purposes of this paragraph:

(a) "Covered lives" shall have the same meaning as defined in RSA 404-G:2, V.

(b) "Health insurance" shall have the same meaning as defined in RSA 404-G:2, VII.

(c) "Licensed insurer" means any entity licensed pursuant to RSA 402, RSA 420-A, or RSA 420-B. "Licensed insurer" shall not include the New Hampshire Individual Health Plan Benefit Association.

III. The insurance commissioner shall remit the assessments charged pursuant to paragraph II on a monthly basis to the department of health and human services, which shall be forwarded to the state treasurer for deposit in the poison information center fund. Such fund shall be continually appropriated to the department of health and human services and shall not lapse. The moneys in the account shall not be used for any purpose other than the poison information center developed or designated pursuant to RSA 126-A:49.

3 New Subparagraph; State Treasurer; Poison Information Center Fund. Amend RSA 6:12, 1 by inserting after subparagraph (IIIIIIII) the following new subparagraph:

(mmmmmmmm) Moneys received under RSA 126-A:49, II, which shall be credited to the poison information center fund established in RSA 126-A:49, III.

4 Health and Human Services; Poison Information and Control. Amend RSA 125:9, IX to read as follows:

IX. Develop or designate a statewide ~~[program for]~~ poison information ~~[and treatment]~~ center under RSA 126-A:49 *by soliciting proposals and selecting a vendor.*

5 Initial Budget for Poison Information Center. For the purposes of initiating the budget for the poison information center, the commissioner of health and human services shall submit an initial budget to the legislative fiscal committee for final approval.

6 Health and Human Services; Poison Information and Control; References to Surcharge and Accreditation Review Eliminated. RSA 126-A:49 is repealed and reenacted to read as follows:

126-A:49 Poison Information and Treatment. The commissioner shall develop or designate a statewide poison information center which meets certification standards developed by the American Association of Poison Control Centers. The poison information center so established and designated by the commissioner shall provide New Hampshire residents with information and emergency medical consultation on a daily, 24-hour basis. Funding for this program may be included in the budget for the department of health and human services. The commissioner shall file an annual report with the health and human services oversight committee established pursuant to RSA 126-A:13 as to whether the designated poison information center provides services in such manner as to ensure continued accreditation by the American Association of Poison Control Centers and on the department's efforts to identify and accept additional funds. The commissioner shall attempt to obtain and shall accept in the name of the state any and all donations, grants, or fees, both real and personal, from any governmental unit or public agency, or third-party payors, or from any institution, person, firm, or corporation given specifically for the purpose of funding this program and the commissioner shall receive, utilize, and dispose of all such donations and grants consistent with the purpose or conditions of the donation or grant.

7 Repeal. RSA 6:12, I(mmmmmmmmm), relative to the poison information center fund, is repealed.

8 Effective Date.

I. Sections 6 and 7 of this act shall take effect July 1, 2007.

II. The remainder of this act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill establishes the poison information center assessment on covered lives as a funding mechanism to continue the statewide program for poison information and treatment which meets certification standards developed by the American Association of Poison Control Centers.

The assessment is repealed in 2007.

Referred to Finance.

HB 558, relative to financial reports on bingo and lucky 7 operations. OUGHT TO PASS WITH AMENDMENT

Rep. Tom F. McCormick for Ways and Means: The committee agreed with the sponsor that consultant information should be included in the financial reports of Bingo and Lucky 7 operators. The bill calls for the financial reports to include name, address, business entity of anyone providing consulting, accounting, management or similar services to an organization operating Bingo and Lucky 7. Vote 17-0.

Amendment (0884h)

Amend the bill by replacing section 1 with the following:

1 New Subparagraph; Bingo; Financial Reports; Consultant Information. Amend RSA 287-E:9, III by inserting after subparagraph (e) the following new subparagraph:

(f) The name and address of any person, or business entity, who provided consulting, accounting, management, or other similar services to the organization for the operation of bingo.

HB 638-FN, increasing the oil import license fee, changing the rate of interest assessed on overdue oil import fees, and repealing underground storage facility permit fees. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kurt J. Roessner for Ways and Means: The increase in fees were required to adequately fund the Department of Environmental Services' various duties relative to underground storage facilities, vapor recovery inspections, and state and federal core program functions. These changes will increase state restricted revenues by \$263,000 per year and increase unrestricted general fund revenues by \$5,000 per year. The bill was supported by the Department of Environmental Services as well as representatives from two oil companies and an oil industry trade association. There were no witnesses in opposition to this bill. Vote 17-0.

Amendment (0691h)

Amend the bill by replacing section 1 with the following:

1 Oil Import Fee. Amend RSA 146-A:11-b, II to read as follows:

II. Any person who imports or causes to be imported oil into the state, except those using oil pipelines, railroads, and highways to transport oil products between states other than New Hampshire or for international transport of oil products, shall be licensed by the department of safety under this chapter. The annual fee for the license shall be ~~[\$.00+]~~ **\$.00125** per gallon of oil imported into this state. The fee shall be paid monthly by such person to the department of safety. ~~[and then deposited by]~~ **The department of safety shall deposit the first \$100,000 of fees paid in each fiscal year into the general fund. The remainder shall be deposited** into the oil pollution control fund administered by the department of environmental services. Imposition of the fee shall be based on the records of the person and certified as accurate to the department of safety.

AMENDED ANALYSIS

This bill increases the oil import license fee, changes the rate of interest assessed on overdue oil import fees, and repeals underground storage facility permit fees.

This bill also allocates the first \$100,000 of each fiscal year to the general fund.
Referred to Finance.

HB 705, establishing a committee to study eliminating the application of the communications services tax to the provision of Internet services. **OUGHT TO PASS WITH AMENDMENT**

Rep. Kurt J. Roessner for Ways and Means: This proposed legislation, as amended, will establish a study committee to examine the existing application of the communications services tax to the provision of internet services across distribution channels such as standard telephone, cable, digital subscriber lines (DSL) and satellite. This legislation also extends the current communication services tax at seven percent for the period beginning July 1, 2003 and ending June 30, 2005, and extends the repeal date for exemption of wooden poles and conduits under RSA 72:8-b from July 1, 2003 to July 1, 2005. Vote 18-0.

Amendment (0892h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a committee to study the application of the communications services tax to the provision of Internet services and relative to the rate of the communications services tax and the property tax exemption for wooden poles and conduits.

Amend the bill by replacing section 1 with the following:

1 Committee Established. There is established a committee to study the application of the communications services tax to the provision of Internet services.

Amend the bill by replacing section 3 with the following:

3 Duties. The committee shall study the application of the communications services tax to the provision of Internet services.

Amend the bill by replacing all after section 5 with the following:

6 Rate of Tax for Biennium Ending June 30, 2005; Intrastate and Interstate Communications Services Tax. Notwithstanding RSA 82-A:3 and RSA 82-A:4, for the period beginning July 1, 2003 and ending June 30, 2005, the rate of tax shall be 7 percent on the gross charge for communications services purchased at retail from a retailer.

7 Prospective Repeal Date Extended for Exemption of Wooden Poles and Conduits Under RSA 72:8-b. Amend 1998, 304:6, I as amended by 1999, 163:7 and 2001, 158:2 to read as follows:

1. Section 5 of this act shall take effect July 1, [2003] **2005**.

8 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill establishes a committee to study the application of the communications services tax to the provision of Internet services.

The bill also establishes the rate of the communications services tax for the biennium ending June 30, 2005 and extends a property tax exemption for certain wooden poles and conduits until July 1, 2005. Referred to Finance.

HB 810-FN-A, relative to processing excavating and dredging and terrain alteration permits, changing the fees for permits, establishing 2 new positions, and making an appropriation therefor. **OUGHT TO PASS**

Rep. Kevin L. Camm for Ways and Means: This bill significantly raises fees on dredge and fill and terrain alteration applications. It also established timeframes for the Department of Environmental Services to act on dredge & fill applications. This increase will fully staff the wetlands bureau to their desired levels and add two positions to the terrain alteration staff. The committee still has some concerns regarding assumptions made by the department to warrant this very high increase in fees. The chairman has appointed an ad-hoc committee to substantiate the methodology used by the department. The results of which can be forwarded to the Finance Committee should adjustments need to be made. Vote 20-0.

Referred to Finance.

REGULAR CALENDAR

HB 123, relative to notice given to putative fathers in adoption proceedings. **OUGHT TO PASS WITH AMENDMENT**

Rep. Karen K. McRae for Children and Family Law: The amendment replaces the bill. It provides a housekeeping measure which expands and clarifies the responsibility of the court to notify birth fathers in adoption proceedings. This notice will include the State of NH, the state where the child was born and the state where the mother resides. Vote 14-0.

Amendment (0629h)

Amend the bill by replacing all after the enacting clause with the following:

1 Adoption; Notice to Person Claiming Paternity and Hearing to Determine Right to Consent. Amend RSA 170-B:5-a, I to read as follows:

I. The following persons shall be given notice by the court and shall have the right to request a hearing to prove paternity:

(a) A person named by the natural mother in an affidavit *given in conjunction with her relinquishment or consent to adoption* or filed with the court, prior to the mother voluntarily relinquishing her rights pursuant to RSA 170-B:8, the mother consenting to an adoption pursuant to RSA 170-B:9, or the mother's parental rights being involuntarily terminated.

(b) The natural or legal father, if his identity is known by the court, the adoption agency which is legal guardian of the child, or the proposed adoptive parents or their attorney, prior to the mother voluntarily relinquishing her rights pursuant to RSA 170-B:8, the mother consenting to an adoption pursuant to RSA 170-B:9, or the mother's parental rights being involuntarily terminated.

(c) A person who claims to be the father and *who is named in a petition for paternity or legitimization filed in the immediate jurisdiction in which the child was born, or* who has filed notice of his claim of paternity with the office of child support enforcement *in New Hampshire or in the state where the child was born or where the mother resides*, and upon the forms supplied thereby. The notice form shall indicate the claimant's willingness and intent to support the child to the best of his ability. The notice form may be filed prior to the birth of the child but must be filed prior to the mother's rights being voluntarily relinquished pursuant to RSA 170-B:8, the mother consenting to an adoption pursuant to RSA 170-B:9, or involuntarily terminated. Failure to file the

notice prior to this time shall bar the alleged father from thereafter bringing an action to establish his paternity of the child, and shall constitute an abandonment of said child and a waiver of any right to a notice of hearing in any adoption proceeding concerning the child.

(d) A person who is openly living with the child or the child's mother ~~and~~ *or* providing financial support to the mother or child at the time any action under this chapter is initiated and who is holding himself out to be the child's father prior to the mother voluntarily relinquishing her rights pursuant to RSA 170-B:8, the mother consenting to an adoption pursuant to RSA 170-B:9, or the mother's parental rights being involuntarily terminated.

2 Adoption; Withdrawal of Consent. Amend RSA 170-B:10 to read as follows:

170-B:10 Withdrawal of Consent.

I. A consent to adoption by a parent, including a minor parent, or by a legal guardian executed and acknowledged in accordance with the provisions of RSA 170-B:9, ~~[cannot]~~ *may not* be withdrawn after the entry of the interlocutory decree of adoption unless ~~[it shall have been]~~ *the consent was obtained by fraud or duress.*

II. A consent to adoption may not be withdrawn prior to the entry of an interlocutory decree of adoption unless the court finds, after notice and opportunity to be heard is afforded separately to the petitioner, the person seeking the withdrawal, and the agency placing a minor for adoption, provided that the agency shall be present at all hearings, that the withdrawal is in the best interest of the person to be adopted and the court orders the withdrawal.

III. A consent to adoption by a parent, including a minor parent, or by a legal guardian shall be irrevocable after the entry of the final decree of adoption.

IV. A parent wishing to withdraw ~~[such]~~ consent to an adoption *as provided in paragraphs I and II* shall notify the court in writing where the consent was taken. *An order granting the withdrawal of consent shall vacate the other parent's consent and shall reinstitute that parent's right to notice of further proceedings concerning the child.*

3 Effective Date. This act shall take effect January 1, 2004.

Adopted.

Report adopted and ordered to third reading.

HB 177, excluding stepchildren from the definition of "child" in the context of support orders. OUGHT TO PASS

Rep. David A. Bickford for Children and Family Law: This bill removes "stepchild" from the definition of "dependent child." It also amends RSA 546-A:1, Uniform Civil Liability for Support, that leaves stepchildren liable to support stepparents. Vote 11-4.

Adopted and ordered to third reading.

HB 298, relative to the award of joint physical custody of children. OUGHT TO PASS WITH AMENDMENT

Rep. Karen K. McRae for Children and Family Law: The amendment replaces the original bill. The amendment states the legislative findings that it is in the public interest to encourage parents undergoing dissolution of the marriage to continue to share the rights and responsibilities of child rearing and that the court shall make findings relative to an award of physical custody. Vote 13-2.

Amendment (0609h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to physical child custody decisions.

Amend the bill by replacing all after the enacting clause with the following:

1 Findings. The legislature finds and declares that it is the public policy of this state that frequent and continuing contact between minor children and both parents after the parents have separated or dissolved their marriage is ordinarily beneficial to the children. The legislature also finds that it is in the public interest to encourage parents to share the rights and responsibilities of child rearing in order to effect this policy.

2 Domestic Relations; Support and Custody of Children; Joint Physical Custody Awards. Amend RSA 458:17, III to read as follows:

III. For the purposes of RSA 458:17, II "joint legal custody" shall include all parental rights with the exception of physical custody which shall be awarded as the court deems most conducive to the benefit of the children. *Upon the request of either party, the court shall make findings relative to the basis for an award of physical custody.*

3 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill provides that, upon the request of either party, the court shall make findings relative to the basis for a physical child custody decision.

Adopted.

Report adopted and ordered to third reading.

HB 553, relative to same-sex civil unions contracted outside of the state of New Hampshire. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. David A. Bickford for the Majority of Children and Family Law: New Hampshire law only recognizes marriages between a man and a woman. The Federal Defense of Marriage Act ensures that no state shall be required to recognize same-sex marriages. NH law defines marriage as a legal union of a man and woman. The wording of the proposed bill could also create unintended problems. Vote 11-3.

Rep. Daniel C. Itse for the Minority of Children and Family Law: The minority felt that this bill ought to pass with amendment. If amended, this bill would clarify New Hampshire's marriage reciprocity law, RSA 457:3.

Majority report adopted.

HB 572-FN, relative to criminal non-support. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. David A. Bickford for the Majority of Children and Family Law: The committee decided that the commission created to study child support issues through HB 310 would be a better forum for assessing and recommending changes in thresholds for criminalizing non-support. Vote 14-1.

Rep. David M. Bouchard for the Minority of Children and Family Law: The minority felt that our children are going without child support for much too long. Currently Class B felony charges can only be filed after one year of failure to pay, or if \$10,000 of arrearages have accrued.

Majority report adopted.

HB 317, relative to medical insurance for dependent children. **INEXPEDIENT TO LEGISLATE**

Rep. Matthew J. Quandt for Commerce: The committee struggled over defining a dependent full time student given the wide variety of credit hours of some out-of-state institutions. Currently insurance companies are covering all dependent full time students attending institutions of higher learning in New Hampshire. The unintended consequences may lead to some dependent student losing their health insurance by the legislature attempting to define what is a dependent full time student. Vote 12-7.

Adopted.

HB 384, relative to financial affidavits in domestic relations cases, and establishing a private right of action under the right to privacy act. **OUGHT TO PASS WITH AMENDMENT**

Rep. Randolph N. Holden for Commerce: Financial affidavits used during divorce, separation, annulments are statements of a personal nature and should not be made public since it accomplishes no public purpose. Most states do not include financial affidavits in the court file, but are kept by the clerk of courts and available to all. Vote 17-2.

Amendment (0599h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to financial affidavits in domestic relations cases.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Annulment, Divorce, and Separation; Procedure; Financial Affidavits. Amend RSA 458 by inserting after section 15-a the following new section:

458:15-b Financial Affidavits. All financial affidavits filed under this chapter shall be confidential and accessible only to the parties, their attorneys, the guardian ad litem, department of health and human services employees responsible for child support administration, and state and federal officials for the purpose of carrying out their official functions. A person who receives or obtains a financial affidavit may not disclose it to anyone other than those persons authorized in this section.

2 Applicability. Section 1 of this act, relative to financial affidavits, shall apply to all proceedings under RSA 458 filed or brought forward on or after October 1, 2003.

3 Effective Date. This act shall take effect October 1, 2003.

AMENDED ANALYSIS

This bill provides that financial affidavits in domestic relations cases are confidential and accessible only to the parties, their attorneys, the guardian ad litem, and state and federal officials.
Adopted.

Report adopted and ordered to third reading.

HB 398, establishing a committee to study the establishment of a healthy adults corporation. **IN-EXPEDIENT TO LEGISLATE**

Rep. Kathleen N. Taylor for Commerce: The committee feels that the purpose of this legislation is worthy. However, the Healthy Kids Corporation has already been given the task of studying the formation of a Healthy Adults Corporation as they already have expertise in this area. They have been working on this for the last three years and issue annual reports. Vote 18-1.

Adopted.

HB 431, eliminating application of the rule against perpetuities to instruments that contain safeguards relative to the continued alienability of property. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Leo W. Fraser, Jr. for the Majority of Commerce: New Hampshire has no law regarding how many generations a trust can last, therefore the courts rely on an old English tradition dating back to when the king wanted to reclaim estates of former members of his court, and then give them to new members of his court. The Commerce Committee feels that it should be the right of anyone to leave their assets to anyone they want for as long as they want. The committee feels that this issue should not be left up to the courts relying on ancient legal tradition but rather should be in statute that it is the right of any individual if he/she chooses to leave money to future generations. Vote 11-4.

Rep. Dennis P. Vachon for the Minority of Commerce: The Rule Against Perpetuities originates from the English common law and applies to the interest of a beneficiary under a trust. Under the rule, unless the interest of the beneficiary must vest, if at all, within twenty-one years after some life in being at the creation of the trust, that beneficiary's interest is void. House Bill 431 seeks to eliminate that rule in order to allow for the creation of so-called "dynasty trusts" in the State of New Hampshire, thereby allowing a few extremely wealthy individuals and their bankers to extend control of their assets indefinitely into the future. The minority believes that the rule against perpetuities strikes an acceptable public policy balance between the desires of the super rich and the needs of the remainder of the society by ensuring the availability of those assets to meet the needs of the trustor's current generations.

Majority Amendment (0880h)

Amend the bill by inserting after section 1 the following and renumbering the original section 2 to read as 3:

2 New Section; Trustees of Estates; Exemption from Rule Against Perpetuities. Amend RSA 564 by inserting after section 23 the following new section:

564:24 Exemption from Rule Against Perpetuities.

I. The common law rule against perpetuities shall not apply to any disposition of property or interest therein, created after the effective date of this section, if:

(a) The instrument making the disposition or creating the interest contains a provision which expressly exempts the instrument from the application of the rule against perpetuities; and

(b) The trustee, or other person to whom the power is properly granted or delegated, has the power under the governing instrument, applicable statute, or common law, to sell, mortgage, or lease property for any period of time beyond the period that is required for an interest created under the governing instrument to vest in order to be valid under the rule against perpetuities.

II. This section shall also apply to a trust or a trustee of a trust as defined in RSA 564-A:1.

Majority amendment adopted.

Rep. Vachon spoke against.

Rep. Hunt spoke in favor.

On a division vote, 239 members having voted in the affirmative and 104 in the negative, the Majority report was adopted.

Ordered to third reading.

HB 451, relative to terminating rights to business names when transferring ownership of historic buildings. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT**

Rep. Paul D. Spiess for the Majority of Commerce: The intent of this bill is to assure that a trade name, associated with a historic property, is transferable with the title of the property, upon the dissolution of a business. The committee believes that a trade name is an intangible asset that may or may not have value separate and distinct from the real estate, and as such may or may not be negotiated as part of the sale of the real estate. It would be inappropriate for the state to attach special status for a trade name associated with a historic property. An amendment was proposed in committee but was voted down. The committee recommends inexpedient to legislate. Vote 17-1.

Rep. Dennis P. Vachon for the Minority of Commerce: Under current law, the Secretary of State is prevented from allowing the purchaser of an historic property from using the name historically associated with the property for a period of two years and four months without the written consent of any individual, corporation or other business entity which had previously obtained the exclusive right to use that name and fails to renew or file their annual report. House Bill 451 would have allowed the purchase of an historic property to immediately assume the use of a trade name associated with the historic property. The minority supports this right as necessary to preserve the economic viability of projects to preserve our historic buildings. The minority's amendment goes one step further to clarify the right of any such individual, corporation or other business entity which purchases an historic property to utilize the name historically associated with the property in its ownership of the property and in the operation of any business activities at the property.

Reps. Barbara Richardson and Vachon spoke against.

Rep. Spiess spoke in favor.

On a division vote, 266 members having voted in the affirmative and 82 in the negative, the majority report was adopted.

HB 535, relative to the definition of billiards/pool hall for purposes of liquor licenses. **INEXPEDIENT TO LEGISLATE**

Rep. Stella Scamman for Commerce: This proposed legislation was introduced at the request of the owner of a billiards/pool hall to reduce the number of tables required to qualify for a full liquor license. Current law allows the owner to sell beer, wine and mixed drinks with alcohol content less than 23 %. The Liquor Commission does not support this legislation. The committee believes we should not make a change in the law to accommodate a single proprietor. Vote 15-3.

Adopted.

HB 744, relative to motor vehicle accidents involving uninsured motorists. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. Paul D. Spiess for the Majority of Commerce: The intent of this bill is to prohibit insurance companies from threatening uninsured motorists with a loss of license or legal action if they fail to settle an accident claim. New Hampshire is one of the few states that allow its residents to drive uninsured vehicles. However, if an uninsured motorist is in an accident and a claim is filed with the insurer of the other vehicle, under the right of subrogation, the insurer can pursue a claim directly against the individual. Further, state law requires that if an uninsured motorist is in an accident that results in a claim, the State may revoke the license of the uninsured motorist or require that they post a bond. It is the opinion of the majority of the committee that an uninsured motorist is financially liable for his or her actions, that an insurer possesses the right to seek financial settlement, that failure to reach settlement can be grounds for legal action, and that state law does provide for potential loss of license. It therefore seems reasonable for an insurer to point these facts out when seeking settlement of a claim. Vote 12-2.

Rep. Dennis P. Vachon for the Minority of Commerce: New Hampshire does not have mandatory automobile insurance. We have chosen to deal with the problem of uninsured motorists by requiring proof of financial responsibility in order for someone to keep their driving privileges if they have caused damage to another through an accident. The minority believes that this policy has provided insurance companies an unfair advantage in dealing with motorists who are unable to afford automobile insurance coverage when making claims on behalf of their insured. We further believe that this advantage has resulted in abuse by some carriers who threaten civil actions and loss of licensure in order to compel uninsured motorists to pay claims for which they may not be legally responsible. HB 744 would have made threatening an uninsured motorist with loss of licensure an unfair claims practice. The minority is proposing an amendment which would require insurance carriers to either have a favorable court judgment or a determination from the Department of Safety through the financial responsibility hearing process that they have a reasonable possibility of obtaining such a judgment before pursuing collection actions against uninsured motorists.

Reps. Gorman and Vachon spoke against.

Rep. Spiess spoke in favor.

On a division vote 252 members having voted in the affirmative and 96 in the negative, the majority report was adopted.

HB 415, raising the age of the speedy trial requirement from 13 years of age to 16 years of age in sexual assault cases involving minors. **OUGHT TO PASS WITH AMENDMENT**

Rep. Elbert I. Bicknell for Criminal Justice and Public Safety: This bill was recommended OTP at our executive session on March 3, 2003. On March 14, 2003 the Criminal Justice and Public Safety Committee held another public hearing to consider a non-germane amendment to attach to the original HB 415. The amendment speaks to the implied consent that is in our Constitution and RSA's. I refer the reader to #109 NH 324, 251, 251 A 2d 332 (1969) and 87 NH 64, #174 A 193 (1934). These decisions speak to the fact that we in New Hampshire are not a home rule state, but rather we are an enabling state. This means "the towns have only as much power as is delegated to them by the legislature" see (Jackson v Town Country Motor Inn). In an attempt to explain this further we all know we have 3 levels of government, federal, state and local. As in the federal constitution and our NH Constitution, federal law supersedes state law and state law supersedes local ordinances. In fact, our court decisions have stated, "the fact that an ordinance may be of some public benefit is not enough under the state constitution to give validity. In addition, it must not impair or destroy private rights guaranteed by the Constitution (Woollf v Fuller, 87 NH 66, 174 A 193 (1934). This amendment is not about taking away "local control". It is simply that the towns do not have the authority to regulate firearms and never did, because the state legislature never granted them the power to do so. This amendment is about prohibiting restrictive, complex patchwork-type ordinances which will continue to spring up and confuse all who travel through our state. Vote 12-1.

Amendment (0570h)

Amend the title of the bill by replacing it with the following:

AN ACT raising the age of the speedy trial requirement from 13 years of age to 16 years of age in sexual assault cases involving minors and relative to the exclusive authority of the state over the regulation of firearms, ammunition, and components thereof.

Amend the bill by replacing all after section 1 with the following:

2 New Subdivision; State Jurisdiction; State Authority Over Firearms and Ammunition. Amend RSA 159 by inserting after section 25 the following new subdivision:

State Jurisdiction

159:26 Firearms and Ammunition; Authority of the State.

I. To the extent consistent with federal law, the state of New Hampshire shall have authority and jurisdiction over the sale, purchase, ownership, use, possession, transportation, licensing, permitting, taxation, or other matter pertaining to firearms, firearms components, ammunition, or firearms supplies in the state. Except as otherwise specifically provided by statute, no ordinance or regulation of a political subdivision may regulate the sale, purchase, ownership, use, possession, transportation, licensing, permitting, taxation, or other matter pertaining to firearms, firearms components, ammunition, or firearms supplies in the state. Nothing in this section shall be construed as affecting a political subdivision's right to adopt zoning ordinances for the purpose of regulating firearms businesses in the same manner as other businesses.

II. Upon the effective date of this section, all municipal ordinances and regulations relative to the sale, purchase, ownership, use, possession, transportation, licensing, permitting, taxation, or other matter pertaining to firearms, firearm components, ammunition, or firearms supplies shall be null and void.

3 Effective Date.

I. Section 1 of this act shall take effect January 1, 2004.

II. The remainder of this act shall take effect upon its passage.

AMENDED ANALYSIS

This bill raises the age requirement for speedy trial in sexual assault cases involving minors from 13 years of age to 16 years of age and establishes the exclusive authority of the state over the regulation of firearms, ammunition, and components thereof.

Rep. Robertson spoke against.

Rep. Bicknell spoke in favor and yielded to questions.

Rep. James Wheeler requested a roll call; sufficiently seconded.

The question being adoption of the committee amendment.

and the committee amendment was adopted.

Report adopted and ordered to third reading.

HB 464-FN, establishing a criminal penalty for facilitating a drug or underage alcohol house party. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Elbert I. Bicknell for the Majority of Criminal Justice and Public Safety: This bill came before the committee via the students of St. Thomas Aquinas school of Dover. The students concern was not only that underage students are consuming drugs and/or alcoholic beverages, but that 60% of the students did so at home, some with parents' consent, some without. All who testified except one spoke in favor of the bill's concept at the public hearing. The bill creates a new section under RSA 644 (Breach of Peace & Related Offenses) and makes it a misdemeanor if the owner of a dwelling or property facilitates a drug or underage alcohol party. Elements of the offense are varied but include 5 or more underage participants of which 1 or more has either drugs or alcohol in their possession. However, the bill does allow for an affirmative defense when the owner either gives a notice to law enforcement of the occurrence of such a party or engages in conduct designed to prevent and curtail such party while exercising due care to ensure the safety of the party's participants. The bill does not apply to the use of alcoholic beverages at religious observances, nor does it apply to drugs given under a physician's care and control. Vote 14-1.

Rep. Timothy N. Robertson for the Minority of Criminal Justice and Public Safety: It is important to learn how to use alcohol in a responsible manner, just as it is important to learn the rules of polite behavior, the rules of the road, and the rules by which we run our towns, our state, and our country. Our offspring leave home in their late teens. At the age of 18 they are legally old enough to vote, old enough to die for their country, old enough to marry and have children. Yet we as parents or other responsible adults cannot teach them to drink in a typical social or home situation. Therefore, young adults are taught by their peers when in college, or on the "QT", after work or play. Is this a responsible way to provide the rules of social behavior? This proposed bill will create an entire new category of crime. Don't create new crimes – educate.

Majority Amendment (0833h)

Amend the bill by replacing section 1 with the following:

1 New Section; Breach of Peace; Drug or Underage Alcohol House Party. Amend RSA 644 by inserting after section 17 the following new section:

644:18 Facilitating a Drug or Underage Alcohol House Party.

I. A person shall be guilty of a misdemeanor for facilitating a drug or underage alcohol house party if such person owns or has control of the occupied structure, dwelling, or curtilage, where a drug or underage alcohol house party is held and such person knowingly permits the occurrence of the party.

II. A person shall be guilty of a misdemeanor for facilitating a drug or underage alcohol house party if such person, with a purpose that a drug or underage alcohol house party occur, agrees with one or more persons to host such party at any occupied structure, dwelling, or curtilage, and an overt act in furtherance of the agreement is committed by any party to the agreement.

III. It is an affirmative defense to prosecution under this section if a person gives timely notice to a law enforcement official of the occurrence of the drug or underage alcohol house party or engages in other conduct designed to prevent the occurrence of such party, or takes action to terminate such party once underway, provided in so doing, that person exercises due care to ensure the safety of the party's participants.

IV. In this section, "drug or underage alcohol house party" means a gathering of 5 or more people under the age of 21 at any occupied structure, dwelling, or curtilage, where at least one person under the age of 21 unlawfully possesses or consumes an alcoholic beverage or controlled drug. "Occupied structure" has the same meaning as in RSA 635:1, and "dwelling" and "curtilage" have the same meaning as in RSA 627:9.

V. The provisions of this section shall not apply to the use of alcoholic beverages at legally protected religious observances or activities, or to those persons using a controlled drug under a physician's care where the use of the drug is consistent with the directions of a physician.

Majority amendment adopted.

Majority report adopted and ordered to third reading.

HB 139, establishing a committee to study the collection and reporting of school drop-out, suspension, and expulsion data. **OUGHT TO PASS WITH AMENDMENT**

Rep. Debra A. Naro for Education: This bill, as amended, ensures the uniformity and reliability of the State's student and school performance data system and clarifies the Department of Education's compliance enforcement authority with regard to this accountability issue. It further aligns the state system with federal reporting requirements. The committee believes accurate, complete, and reliable data on school drop out, suspension and expulsion is essential to school improvement initiatives and the objective evaluation of current educational practices, programming and policies. Vote 16-3.

Amendment (0849h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the collection and reporting of school drop-out, suspension, and expulsion data and relative to the deadlines for submitting certain reports to the department of education.

Amend the bill by replacing all after the enacting clause with the following:

1 Delivery of an Adequate Education; Reporting of Certain Data. Amend RSA 193-E:3 to read as follows:

193-E:3 Delivery of an Adequate Education.

I. By April 1, 2000, each school district shall report to the department of education its data for the previous 12 months on its school and district performance indicators *in a uniform manner*. The requirements for data keeping and the form of the report shall be established in accordance with rules adopted by the state board of education. *The state board of education or the commissioner of the department of education shall ensure the accuracy and completeness of such data and shall take enforcement or other actions when necessary, including verification checks, for the purpose of enforcing the provisions of this section.*

(a) Performance indicators shall include the following areas:

(1) Attendance and *annual drop-out rates and cumulative drop-out rates of eighth graders who do not graduate from high school*.

(2) School environment indicators, such as safe-schools data.

(3) Proportion of graduating students going on to post-secondary education, military service, and the workplace.

(4) Performance on state tests administered pursuant to RSA 193-C and other standardized tests administered at local option.

(5) *Beginning December 1, 2004, and every year thereafter, expulsion and suspension rates, including in-house suspensions and partial day suspensions, which shall be reported for each school year.*

(b) In addition, local districts shall report on locally developed performance indicators and assessment measures.

II. No later than December 1 *of each year*, the department of education shall issue a report on the condition of education statewide and on a district-by-district and school-by-school basis *for all students for the previous school year, and beginning December 1, 2005, and every year thereafter, such data shall be disaggregated by the student subgroups specified in the No Child Left Behind Act of 2001*. This report shall include demographic and student performance data including, but not limited to, school and district performance on state tests administered pursuant to RSA 193-C, other standardized tests administered at local option by at least 25 percent of school districts, data provided under paragraph I, as well as other relevant statistics. Comparisons with state averages and with the condition of each district and school in comparison with previous years shall be provided, including, but not limited to, statewide rankings of each district and school on the state tests administered pursuant to RSA 193-C and on other standardized tests administered at local option by at least 25 percent of school districts. The report shall be organized and presented in a manner that is easily understood by the public and that assists each school district with the identification of trends, strengths, and weaknesses and the development of its local education improvement and assessment plan.

2 Statistical Reports. RSA 189:28 is repealed and reenacted to read as follows:

189:28 Statistical Reports; Failure to File Report.

I. School boards of every school district or city, and the board of trustees of approved public academies, shall, on or before September 1 in each year, submit to the department of education those statistical reports necessary to compute the average daily membership of pupils attending each school district, and the average daily membership of pupils resident in each school district. Information relating to the fall enrollment, drop-outs, teacher and administrator census, and average teacher salary, as of October 1 of each school year, shall be submitted to the department of education on or before October 15.

II. The information needed to determine compliance with performance or accountability measures of the school district or city under RSA 193-E:3, or the No Child Left Behind Act of 2001, shall be submitted to the department of education in a timely manner as determined by the department of education. If the department of education requests verification of information submitted, the school district or city shall provide corrected information or verification within 10 business days of such request. A school district or city shall maintain files of all records, data, and other information submitted pursuant to this section for not less than 5 years from the date of submission. The state board of education shall have access to such records, data, and information for the purpose of verifying the accuracy of reported information.

III. Each statistical report submitted under this section shall include a certification, signed by the superintendent of the school district, that states: "I certify, under the pains and penalties of perjury, that all of the information contained in this document is true, accurate, and complete." The statistical report shall also include a certification, signed by the chairperson of the school district's governing body or the chairperson of the board of trustees of approved public academies, that states: "I certify, that, to the best of my knowledge, all of the information contained in this document is true, accurate, and complete."

IV. The commissioner of the department of education may grant a school district or city up to a 30-day extension of the reporting deadline set forth in paragraph I. The commissioner of the department of education shall notify the governing body of the school district or city that all state aid to education and all federal aid, if the report is required by federal law, shall be withheld until such time as complete and accurate information is submitted.

3 Submission of Data. Amend RSA 198:45 is repealed and reenacted to read as follows:

198:45 Submission of Data. School boards of every school district or city, and the board of trustees of approved public academies shall submit all records, data, or other information required under this subdivision in accordance with the provisions of RSA 189:28.

4 Penalty for Failure to File Report. RSA 198:4-f is repealed and reenacted to read as follows:

198:4-f Penalty for Failure to File Report. A school district or city shall file the report due under RSA 198:4-d, III no later than September 1 of each year. For just cause, the commissioner of the department of education may grant a school district or city up to a 30-day extension to this reporting deadline. The commissioner may further extend the deadline when unusual or unforeseen circumstances prevent a school district or a city from submitting the required report before the expiration of the extension provided in this section. The commissioner shall notify the governing body of the school district or city that all state aid to education shall be withheld until complete and accurate information is submitted.

5 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill provides for the collection and reporting of certain school drop-out, suspension, and expulsion data and makes certain changes to the deadlines for school districts and cities to submit certain reports to the department of education.

Adopted.

Report adopted and ordered to third reading.

HB 603-FN-L, requiring school districts to reimburse a portion of per pupil costs directly to parents or legal guardians of pupils who do not attend a public school. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Claire D. Clarke for the Majority of Education: The majority of the committee felt that this bill was less about choice and more about funding. We believe it would not have had the accountability the sponsor intended. There was a question of the bill's constitutionality and lastly, the committee retained a similar bill for further study. Vote 12-7.

Rep. Paul Ingbreton for the Minority of Education: The minority felt this bill offered a legitimate, effective solution to the education crisis in New Hampshire, both in the quality and cost of education. It will create accountability in public education and promote competition by giving parents or guardians some fiscal power over public schools. It also relieves the enormous pressure and costs involved in building new schools. It provides incentives for all schools to improve. It creates a market for entrepreneurs to open new schools. It overcomes constitutional issues. It puts parents back in control of their children's education and should be done now and not studied to death.

Reps. Scott and Campbell spoke against and yielded to questions.

Rep. Stephen L'Heureux spoke in favor.

Rep. Bickford requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

HB 801, establishing a committee to study the implementation of effective student assistance programs in all schools. **INEXPEDIENT TO LEGISLATE**

Rep. John Alger for Education: After extensive discussion, on a third vote, the committee decided the work of the study committee would essentially be funding services of financial support beyond local school districts for the work of drug and alcohol counseling, which work seemed well defined in testimony. Therefore, the sponsors could move forward on a new bill for next session defining the work, sources of funding and plan of implementation without further committee study. Legislative research could surely be helpful in locating charitable and federal programs interested to help in this effort. Vote 12-7.

Adopted.

HB 804, establishing a committee to study the certification of New Hampshire public schools in accordance with International Organization of Standards 9001 guidelines. **INEXPEDIENT TO LEGISLATE**

Rep. Barbara J. Hagan for Education: Although the implementation of ISO seemed very interesting, and the sponsor presented detailed information on the process, the majority of the committee agreed that a study could fall under the existing charter of the Education Oversight Committee and did not need an independent committee study. Vote 14-5.

Adopted.

HB 257, relative to nomination of political candidates. **INEXPEDIENT TO LEGISLATE**

Rep. Mary Lou Flayhan for Election Law: The committee believes that the voter's right of choice would be impinged at the primary level and freedom to choose your candidate no matter the party is an important voter's rights. Vote 10-8.

Rep. Clemons requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the report was adopted.

HB 306, relative to the procedure for determining the order of names on the general election ballot. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Mark S. Derby for the Majority of Election Law: This legislation would change the manner in which candidates are listed on the general election ballot. The only evidence presented by the sponsors in favor of this legislation was a study by a Professor Krosnick suggesting that ballot placement confers an automatic advantage upon candidates. The Krosnick study was deeply flawed both in its statistical conclusions and assumptions about voter behavior. Professor Krosnick seems to suggest that ballot placement is more important to voters than things such as candidate qualifications, a candidate's stand on the issues, party affiliation and so forth. This is not so. In addition, the great weight of authority cited in the Krosnick study suggests that a challenge to RSA 656:5 as it now reads would be unsuccessful. The majority also believes that RSA 656:5, as it now stands, is a great convenience to the voter, to the extent that it allows a voter who wants to split his or her ticket in one or more races, but then identify and select candidates of his or her party on the rest of the ballot in the other races. The committee has retained HB 176, which would bring back the "Indiana" style ballot in which candidates are listed in columns according to party, rather than office by office. If the committee is satisfied that Help America Vote Act (HAVA) funds are available to make sure that appropriate ballot scanners are available, HB 306 would be moot. Vote 12-6.

Rep. Charles F. Weed for the Minority of Election Law: The minority believes that elections should be free and fair and that democracy requires a level playing field. Careful juried research has found that in 170 two-candidate races, the advantage goes to the first listed by 1.4 to 6.3%. In races with more than two candidates, an advantage of 1.36% accrues to the first listed. In the California presidential contest, where half of the ballots listed George Bush first and half listed Al Gore first, up to 9.4% points advantage went to the first listed. Random selection of the letter of the alphabet that begins the ballot list would remove this distorting structural advantage.

Rep. Clemons requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

and the majority report was adopted.

HB 627-FN, relative to domicile for voting purposes and penalties for voter fraud. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.** Rep. Richard B. Drisko for the Majority of Election Law: This bill was a result of a study committee's work to clarify the meaning of the word "domicile" for voting purposes. At subcommittee sessions the secretary of state's office and the attorney general's office recommended that penalties be increased and that this legislation was an opportunity to clarify other sections of the election laws. The amendment brings the original bill into compliance with the requirements of the Help America Vote Act (HAVA). Vote 13-6.

Rep. Raymond Buckley for the Minority of Election Law: This bill, as amended, is nothing more than the Voter Intimidation Act of 2003. The minority believes that discouraging eligible Americans from exercising their right to vote is wrong, especially during this time of war.

Majority Amendment (0694h)

Amend the bill by replacing section 1 with the following:

1 County Attorneys; Election, Vacancies. Amend RSA 7:33 to read as follows:

7:33 Election; Vacancies. There shall be a county attorney for each county, who shall be a member of the New Hampshire bar, elected biennially by the [inhabitants] voters of the county. If the county attorney is absent at any term of court or unable to discharge the duties of the office, the superior court, acting as a body, shall appoint a county attorney, who shall be a member of the New Hampshire bar, for the time being and allow said appointee such compensation for his *or her* services as they think reasonable.

Amend the bill by replacing section 3 with the following:

3 Powers and Duties of Towns; Emergency Borrowing; Method. Amend RSA 31:11 to read as follows:

31:11 Method. The power may be exercised in cities by a 2/3 vote of the city councils. It may be exercised by the selectmen of towns and the governing boards of districts without vote of the [inhabitants] voters in town or district meeting. Provided, that no sum in excess of \$100,000 shall be so borrowed without vote of the city, town, or district.

Amend the bill by replacing sections 6 and 7 with the following:

6 Cities and Wards; General Elections. Amend RSA 44:7 to read as follows:

44:7 General Elections. All meetings of the [inhabitants] voters for the election of county, state, or United States officers, who are voted for by the people, shall be held in their respective wards at the time legally appointed for those elections respectively.

7 Cities and Wards; Local Elections; Times. Amend RSA 44:11 to read as follows:

44:11 Times. The meeting of the [inhabitants] voters of each ward for the election of city and ward officers shall be held on such day as may be fixed by law or by ordinance of the city council but in no event shall it be held in conjunction with a biennial election; and all ward and city officers who are chosen by the people shall hold their respective offices for the term and from the day fixed by law or ordinance, and until others are appointed in their stead. The prohibitions in this section shall not apply to a special election held to fill a vacancy for the office of a city or a ward officer.

Amend RSA 52:4, I as inserted by section 16 of the bill by replacing it with the following:

I. No village district shall raise or appropriate money, or reduce or rescind any appropriation of money previously authorized, at any special meeting of the [inhabitants] voters thereof except by vote by ballot, nor unless the ballots cast at such meeting shall be equal in number to at least 1/2 of the number of legal voters of such district at the regular meeting next preceding such special meeting; and if a checklist was used at the last preceding regular meeting the same shall be used to ascertain the number of legal voters in the district; and such checklist, corrected according to law, shall be used at such special meeting upon request of 10 legal voters. In case of an emergency arising in a district for which immediate expenditure of money is necessary, the district through its commissioners may appeal to the superior court for permission to hold a special district meeting which, if granted, shall give said meeting the same authority as the annual district meeting.

Amend the bill by replacing section 22 with the following:

22 Elected for 2-Year Term; County Commissioners. Amend RSA 653:1, VI, (d)-(i) to read as follows:

(d) Cheshire county—one county commissioner by the voters in each county commissioner district; provided that, at the 1980 state general election, no commissioner from district 1 shall be elected, the commissioner from district 2 shall be elected to a 4-year term and the commissioner from district 3 shall be elected to a 2-year term. At each subsequent state general election, 2 commissioners shall be chosen in the county by the [inhabitants] voters of the districts in which a commissioner's term is expiring; and, of the commissioners so chosen, one shall serve a 4-year term and one shall serve a 2-year term and both shall hold their offices until their successors are chosen and qualified. Following the 1980 state general election, the 4-year term shall be rotated in sequence starting with district 3.

(e) Sullivan county—one county commissioner from each county commissioner district by all the voters of the county; provided that, at the 1990 state general election, the commissioner from district 1 shall be elected to a 4-year term and the commissioners from districts 2 and 3 shall each be elected to a 2-year term. At each subsequent state general election, 2 commissioners whose terms are expiring shall be elected by all the voters of the county; and, of the commissioners so chosen, one shall serve a 4-year term and one shall serve a 2-year term and both shall hold their offices until their successors are chosen and qualified. Following the 1990 state general election, the 4-year term shall be rotated in sequence starting with district 2.

(f) Belknap county—one county commissioner by the voters in each county commissioner district; provided that, at the 1992 state general election, no commissioner from district 1 shall be elected, the commissioner from district 2 shall be elected to a 4-year term, and the commissioner from district 3 shall be elected to a 2-year term. At each subsequent state general election, 2 commissioners shall be chosen in the county by the [inhabitants] voters of the districts in which a commissioner's term is expiring; and, of the commissioners so chosen, one shall serve a 4-year term and one shall serve a 2-year term and both shall hold their offices until their successors are chosen and qualified. Following the 1992 state general election, the 4-year term shall be rotated in sequence starting with district 3.

(g) Rockingham county—one county commissioner by the voters in each county commissioner district; provided that, at the 1992 state general election, the commissioner from district 1 shall be elected to a 4-year term and the commissioners from districts 2 and 3 shall be elected to 2-year terms. At each subsequent state general election, 2 commissioners shall be chosen in the county by the ~~[inhabitants]~~ voters of the districts in which a commissioner's term is expiring; and, of the commissioners so chosen, one shall serve a 4-year term and one shall serve a 2-year term and both shall hold their offices until their successors are chosen and qualified. Following the 1992 state general election, the 4-year term shall be rotated in sequence starting with district 2.

(h) Merrimack county—one county commissioner by the voters in each county commissioner district in the county; provided that, at the 1996 state general election, the commissioner from district 1 shall be elected to a 4-year term and the commissioners from districts 2 and 3 shall be elected to 2-year terms. At each subsequent state general election, 2 commissioners shall be chosen in the county by the ~~[inhabitants]~~ voters of the districts in the county in which a commissioner's term is expiring; and, of the commissioners so chosen, one shall serve a 4-year term and one shall serve a 2-year term and both shall hold their offices until their successors are chosen and qualified. Following the 1996 state general election, the 4-year term shall be rotated in sequence starting with district 2.

(i) Coos county—one county commissioner by the voters in each county commissioner district; provided that, at the 1996 state general election, the commissioner from district 3 shall be elected to a 4-year term and the commissioners from districts 1 and 2 shall be elected to 2-year terms. At each subsequent state general election, 2 commissioners shall be chosen in the county by the ~~[inhabitants]~~ voters of the districts in the county in which a commissioner's term is expiring; and, of the commissioners so chosen, one shall serve a 4-year term and one shall serve a 2-year term and both shall hold their offices until their successors are chosen and qualified. Following the 1996 state general election, the 4-year term shall be rotated in sequence starting with district 1. Amend the bill by replacing sections 25 and 26 with the following:

25 Voter Registration Form. Amend RSA 654:7 to read as follows:

654:7 Voter Registration Form. A standard registration application form shall be used throughout the state. The registration form shall be [4] **no larger than** inches by [6] **11** inches ~~[and shall be made in triplicate]~~. The secretary of state shall ~~[provide for the preparation]~~ **prescribe the form** of the voter registration **[form] card**, which shall be in substantially the following form:

Date _____

 8. Party Affiliation (if any) _____
 [I hereby swear, under penalty of perjury, that my permanent established domicile is at the above address, that I am a United States citizen, that I will be 18 years of age or older on election day, and that the information above is true and correct to the best of my knowledge and belief.

 (Signature of Applicant)}

9. Driver's License Number _____ State _____
 If you do not have a valid driver's license, provide the last four digits of your social security number _____
 My name is _____. I am today registering to vote in the city/town of _____, New Hampshire.

I understand that to vote in this city/town, I must be 18 years of age, I must be a United States citizen, and I must be domiciled in this city/town.

I understand that a person can claim only one state and one city/town as his or her domicile at a time. A domicile is that place, to which upon temporary absence, a person has the intention of returning. By voting today, I am acknowledging that I am not domiciled in any other state or any other city/town. I understand that if I am domiciled in another state or city/town, I may be entitled to vote in elections held within that state or city/town by absentee ballot.

In declaring New Hampshire as my domicile, I am subject to the laws of the State of New Hampshire which apply to all residents, including laws requiring me to register my motor vehicles and apply for a New Hampshire driver's license within 60 days of becoming a resident.

In declaring New Hampshire as my domicile, I realize that I may be forfeiting benefits or rights, including the right to vote in another state.

If I have any questions as to whether I am entitled to vote in this city/town, I am aware that a supervisor of the checklist is available to address my questions or concerns.

I acknowledge that I have read and understand the above qualifications for voting and do hereby swear, under the penalties for voting fraud set forth below, that I am qualified to vote in the above-stated city/town on this day, and, if registering on election day, that I have not voted and will not vote at any other polling place this election."

 Date

 Signature

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

26 Registering at the Polling Place; Election Day Registration. Amend RSA 654:7-a, II to read as follows:

II. Any person whose name is not on the checklist but who is otherwise a qualified voter shall be entitled to vote by requesting to be registered to vote at the polling place on election day. The voter may then vote at that election. The applicant may be required to produce appropriate proof of qualifications as provided in RSA 654:12. ~~[The applicant shall complete an election day affidavit which shall be prescribed by the secretary of state, and which shall contain the following written oath or affirmation:~~

~~"I do hereby certify under penalty of perjury that to the best of my knowledge, I am a qualified voter, and that I am not disqualified on any ground from voting, and I have not voted and will not vote at any other polling place this election."~~

 (Signature of Applicant)}

Amend the bill by replacing sections 29-31 with the following:

29 Determining Qualifications of Applicant. Amend RSA 654:12 to read as follows:

654:12 Determining Qualifications of Applicant.

I. When determining the qualifications of an applicant, the supervisors of the checklist, or the town or city clerk, may require the applicant to present proof of citizenship, age, and domicile, as provided in the following categories:

(a) CITIZENSHIP. The supervisors of the checklist, or the town or city clerk, shall accept from the applicant any one of the following as proof of citizenship: the applicant's birth certificate,

passport, naturalization papers if the applicant is a naturalized citizen, a citizenship affidavit, or any other reasonable documentation which indicates the applicant is a United States citizen. The citizenship affidavit shall be in the following form:

Date: _____

CITIZENSHIP AFFIDAVIT

Name: _____

Name at birth if different: _____

Place of birth: _____

Date of birth: _____

Date and Place of Naturalization: _____

[I swear and affirm that I am a United States citizen:

I further swear or affirm, under penalty of perjury, that the information above is true and correct to the best of my knowledge and belief.]

I hereby swear and affirm, under the penalties for voting fraud set forth below, that I am a United States citizen and that to the best of my knowledge and belief the information above is true and correct.

(Signature of applicant)

[The penalty for perjury is a class B felony with a maximum sentence of imprisonment not to exceed 7 years and/or a fine not to exceed \$4,000.]

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

On the date shown above, before me, _____ (print name of notary public, justice of the peace, election officer), appeared _____ (print name of person whose signature is being notarized), (known to me or satisfactorily proven (circle one)) to be the person whose name appears above, and he or she subscribed his or her name to the foregoing affidavit and swore that the facts contained in this affidavit are true to the best of his or her knowledge and belief.

Notary Public/Justice of the
Peace/Official Authorized by RSA 659:30

(b) AGE. Any reasonable documentation indicating the applicant is 18 years of age or older.

(c) DOMICILE. Any reasonable documentation which indicates that the applicant has a domicile and intends to maintain a domicile, [for an indefinite period] as defined in this chapter, in the town, city or ward in which he or she desires to vote, or, if the applicant does not have reasonable documentation in his or her possession at the place and time of voter registration, an affidavit [declaring that the applicant has a domicile and intends to maintain a domicile for an indefinite period in the town, city or ward in which he desires to vote:] in the following form:

DOMICILE AFFIDAVIT

Date: _____

Name: _____

Current Domicile Address: _____

Street Ward Number

Town or City

Zip Code

Date when current domicile was established: Month: _____ Year: _____

Place and date of birth: _____

Address of last previous domicile: _____

Street Ward Number

Town or City

Zip Code

I hereby swear and affirm, under the penalties for voting fraud set forth below, that my established domicile is at the current domicile address I have entered above and that to the best of my knowledge and belief the information above is true and correct.

(Signature of applicant)

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

On the date shown above, before me, _____ (print name of notary public, justice of the peace, election officer), appeared _____ (print name of person whose signature is being notarized), (known to me or satisfactorily proven (circle one)) to be the person whose name appears above, and he or she subscribed his or her name to the foregoing affidavit and swore that the facts contained in this affidavit are true to the best of his or her knowledge and belief.

*Notary Public/Justice of the
Peace/Official Authorized by RSA 659:30*

II. The supervisors may refuse to add the name of an applicant to the checklist if he or she fails to present the evidence or an affidavit as required by this section. *Without limiting the acceptance of other forms of proof of domicile or identity deemed reasonable by the supervisors:*

(a) Any one of the following documents is presumptive evidence that the individual seeking to vote meets the domicile requirement, provided the document is currently valid, was issued to or in the name of the applicant, and shows the address the applicant claims as a domicile:

(1) New Hampshire driver's license.

(2) New Hampshire vehicle registration.

(3) Armed services identification, or other photo identification issued by the United States government.

(b) Any one of the following is presumptive evidence of the identity of an applicant sufficient to satisfy the identity requirement for an official authorized by RSA 659:30 to take the oath of an applicant swearing to a citizenship, domicile, or election day affidavit:

(1) Photo driver's license issued by any state or the federal government.

(2) United States passport, armed services identification, or other photo identification issued by the United States government.

(3) Photo identification issued by local or state government, hospital, educational institution, or similar institution.

The address shown on the document need not match the address the applicant is claiming as a domicile. If the identification document is not currently valid, it must have sufficient characteristics of validity to establish that it is more likely than not that the applicant is the person he or she is claiming to be.

(c) The presumptions established in this paragraph may be defeated by evidence establishing that it is more likely than not that the applicant is not qualified as a voter.

30 Absentee Registration Affidavit. Amend RSA 654:17 to read as follows:

654:17 Absentee Registration Affidavit.

I. The absentee registration affidavit shall be prepared by the secretary of state and shall be in substantially the following form:

Affidavit (Absence from town)

I, _____ do hereby swear or affirm, under [penalty of perjury] the penalties for voting fraud set forth below, the following:

1)[(a)] That my legal domicile is in the town of _____, New Hampshire, I will be of the age of 18 years or over on election day and am entitled to vote in the election to be held in said town on _____, [(+9)] _____ (date), except for the fact that my name does not appear on the checklist to be used in said town at such election;

[(b)] That if I were personally to appear before the supervisors of the checklist of said town in their regular session for the correction of the checklist for said election, I would present the following as proof of domicile _____ (including but not limited to a drivers license, electric bill, passport, or cancelled check);

2) That I do not intend to be present within said town at such time prior to said election as shall enable me personally to appear before the supervisors of the checklist of said town in their regular sessions for the correction of the checklist for said election;

3) That I am temporarily residing in _____ (city and state or city, province, and country);

4) That I hereby enclose one of the following as proof of identity and domicile:

(a) A copy of a current and valid photo identification; or

(b) **A copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter;**

5) That I acknowledge that if I do not provide a copy of proof of identity and domicile as required by section 4) above, this application may not be approved; and

[4)] 6) That I hereby make application for the addition of my name to the checklist of said town to be used at said election.

Signature of Applicant

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

Affidavit (Physical Disability)

I, _____ do hereby swear or affirm, under [~~penalty of perjury~~] **the penalties for voting fraud set forth below**, the following:

1)[~~(a)~~] That my legal domicile is in the town of _____, New Hampshire, I will be of the age of 18 years or over on election day, and am entitled to vote in the election to be held in said town on _____, [+9] _____ (date), except for the fact that my name does not appear on the checklist to be used in said town at such election;

[~~(b) That if I were personally to appear before the supervisors of the checklist of said town in their regular session for the correction of the checklist for said election, I would present the following as proof of domicile _____ (including but not limited to a drivers license, electric bill, passport, or cancelled check);~~]

2) That I am unable by reason of physical disability personally to appear before the supervisors of the checklist of said town in their regular sessions for the correction of the checklist for said election;

3) That I hereby enclose one of the following as proof of identity and domicile:

(a) A copy of a current and valid photo identification; or

(b) **A copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter;**

4) That I acknowledge that if I do not provide a copy of proof of identity and domicile as required by section 4) above, this application may not be approved; and

[3)] 5) That I hereby make application for the addition of my name to the checklist of said town to be used at said election.

Signature of Applicant

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

II. There shall be printed below each of the foregoing affidavits the following affirmation:
Affirmation

I, _____, the undersigned witness, do hereby swear or affirm, under [~~penalty of perjury~~] **the penalties for voting fraud set forth below**, that on the _____ day of _____, [+9]____ (date), the above named, _____, having satisfied me as to his or her identity, signed the foregoing affidavit in my presence, and did before me swear to (or affirm) the truth of the statements therein contained.

Signature of Witness

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

31 Overseas Citizens Voting; Affidavit. Amend RSA 654:20 to read as follows:

654:20 Affidavit. Any person qualified to vote as an overseas voter in a city or town as provided in RSA 654:3, because he *or she* is domiciled [~~in Canada or Mexico or in any other country~~] outside the [~~continental~~] United States, may apply to the city or town clerk or to the secretary of state for an overseas citizens federal election absentee registration affidavit. Such affidavit shall be prepared by the secretary of state and shall be in substantially the following form:

Affidavit

I, _____, do hereby swear or affirm, under [~~penalty of perjury~~] *the penalties for voting fraud set forth below*, the following:

1) That I am a United States citizen;

2) That I have been domiciled in Canada or Mexico or any other country outside the continental United States since _____;
(month) (year)

3) That I hold a valid passport or card of identity with Registration No. _____ issued by the United States Secretary of State;

4) That, immediately prior to my departure from the United States, I was legally domiciled in the state of New Hampshire at the following address:

Street and Number or Rural Route, etc.

City or Town

5) That I will be of the age of 18 years or older on election day, have complied with all applicable qualifications and requirements of the state of New Hampshire, and am entitled to vote in the next subsequent federal election to be held in said state;

6) That I do NOT maintain a domicile, am NOT registered to vote and am NOT voting in any other state, territory, or possession of the United States, or election district thereof;

7) That my party affiliation (if any) is _____

8) That my permanent address outside the continental United States is:

Street or Route Number

City, Province, County

9) That I hereby make application for the addition of my name to the checklist of _____, New Hampshire, as an overseas citizen living outside the continental United States entitled to vote in any federal election held therein.

Signature of Applicant

Amend the bill by replacing section 34 with the following:

34 Nomination by Primary; Form. Amend RSA 655:21 to read as follows:

655:21 Form. Primary petitions shall be made in the following form:

State of New Hampshire

County of _____ ss.

City (Town) of _____

I do hereby join in a petition for the printing on the primary ballot of the name of _____ whose domicile is in the city (town) of _____ (ward, street, and number, if in a city), in the county of _____, for the office of _____ to be voted for on Tuesday, the _____ day of September, [19]_____ (year), and certify that

I am qualified to vote for a candidate for said office, that I am a registered member of the _____ party, and am not at this time a signer of any other similar petition for any other candidate for the above office; that my domicile is in the city (town) of _____ (ward, street, and number, if in a city), in the county of _____. I certify that to my knowledge the above-named candidate is not a candidate for incompatible offices as defined in RSA 655:10, and that he or she is not a federal employee which makes him or her ineligible to file as a candidate for this office. I further certify that I believe the above-named person is especially qualified to fill said office.

I hereby swear, under ~~[penalty of perjury]~~ *the penalties for voting fraud set forth below*, that the information above is true and correct to the best of my knowledge and belief.

Print Voter's name

Voter's Signature

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

Amend the bill by replacing sections 37-39 with the following:

37 Absence, Religious Observance, and Disability. Amend RSA 657:7, II to read as follows:

II. Affidavit envelopes of sufficient size to contain the ballots on which shall be printed the following:

(a) Absence from City or Town. A person voting by absentee ballot because of absence from the city or town in which he *or she* is entitled to vote shall fill out and sign the following certificate:

I do hereby certify under the penalties ~~[of perjury]~~ *for voting fraud set forth below* that I am a duly qualified voter in the city or town of _____, New Hampshire, in ward _____; that I will be absent on election day from said city or town and will be unable to vote in person; that I have carefully read (or had read to me because I am blind) the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the ballot within and sealed it in this envelope (or had assistance in marking the ballot and sealing it in this envelope because I am blind).

(Signature) _____

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

(b) Absence Because of Religious Observance or Physical Disability. A person voting by absentee ballot because of religious observance or physical disability shall fill out and sign the following certificate:

I do hereby certify under the penalties ~~[of perjury]~~ *for voting fraud set forth below* that I am a duly qualified voter in the city or town of _____, New Hampshire, in ward _____; that I will be observing a religious commitment which prevents me from voting in person or that on account of physical disability I am unable to vote in person; that I have carefully read (or had read to me because I am blind) the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the ballot within and sealed it in this envelope (or had assistance in marking the ballot and sealing it in this envelope because I am blind).

(Signature) _____

Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

38 Overseas Voting. Amend RSA 657:8 to read as follows:

657:8 Overseas Voting. Prior to any federal election, the secretary of state shall prepare the following forms in such quantity as he *or she* deems necessary:

I. Overseas citizens federal election absentee ballots as provided in RSA 656:34 for citizens who are domiciled ~~[in Canada or Mexico or in any country]~~ outside the ~~[continental]~~ United States.

II. Affidavit envelopes of sufficient size to contain the ballots on which shall be printed the following:

(a) For Voters Who Are Registered.

Overseas Citizen. A person desiring to vote by overseas citizens federal election absentee ballot who is a registered voter in the town or city in which he *or she* desires to vote shall fill out and sign the following certificate:

I do hereby certify under the penalties ~~[of perjury]~~ *for voting fraud set forth below* that I am a duly qualified overseas citizen voter registered as such in the city or town of _____, New Hampshire; that I have carefully read (or had read to me because I am blind) the instructions forwarded to me with the overseas citizens federal election ballot herein enclosed, and that I personally marked the ballot within and sealed it in this envelope (or had assistance in marking the ballot and sealing it in this envelope because I am blind).

(Signature) _____

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

(b) For Voters Not Registered. A person desiring to vote by overseas citizens federal election absentee ballot who is not registered as such in the town or city in which he *or she* desires to vote shall fill out and sign the following certificate:

I do hereby certify under ~~[penalty of perjury]~~ *the penalties for voting fraud set forth below* that I am a qualified federal overseas voter, that I am at least 18 years of age and a citizen of the United States; and that my last domicile within the United States was in New Hampshire at the following address:

street and number _____

city or town _____

I am not registered to vote in any state and am not voting in any other manner in this election.

Signature of Voter

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

III. Other forms as provided for in RSA 657:7, III, IV and V.

39 Armed Services Voting. Amend RSA 657:9, II to read as follows:

II. Affidavit envelopes of sufficient size to contain the ballots on which shall be printed the following:

(a) For Voters Who Are Registered. A person voting by armed services absentee ballot who is a registered voter in the town or city in which he *or she* desires to vote shall fill out and sign the following certificate:

I do hereby certify under the penalties ~~[of perjury]~~ *for voting fraud set forth below* that I am a duly qualified voter in the city or town of _____, New Hampshire, in ward _____; that I will be absent on election day from said city or town and will be unable to vote in person; that I have carefully read (or had read to me because I am blind) the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the ballot within and sealed it in this envelope (or had assistance in marking the ballot and sealing it in this envelope because I am blind).

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

(b) For Voters Not Registered. A person voting by armed services absentee ballot who is not registered in the town or city in which he *or she* desires to vote shall fill out and sign the following certificate:

I do hereby certify under ~~[penalty of perjury]~~ *the penalties for voting fraud set forth below* that I am a qualified armed services voter under the laws of the state of New Hampshire, that I am at least 18 years of age and a citizen of the United States; and that, immediately prior to my service, my domicile was in New Hampshire at the following address:

street and number _____
 city or town _____

I am not registered to vote in any state and am not voting in any other manner in this election.

 Signature of Voter

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

Amend the bill by replacing section 44 with the following:

44 Constitutional Conventions; Declaration of Candidacy. Amend RSA 667:10 to read as follows:

667:10 Declaration of Candidacy. On or before the closing date for filing declarations of candidacy with the town or city clerk as provided by RSA 667:8, any candidate for delegate shall file with the town or city clerk a declaration of candidacy in substantially the following form, which shall be prepared and furnished by the secretary of state:

I, _____, candidate for office of delegate to the constitutional convention from District No. _____ of _____ county hereby certify that I am at least 18 years of age; that I am domiciled in ward _____ of the city of _____ (or town or unincorporated place of _____) county of _____ state of New Hampshire; that I am a qualified voter [~~therein and at the present time am an inhabitant of~~] in District No. _____ of _____ county.

Amend the bill by replacing all after section 47 with the following:

48 Town Elections; Absentee Ballot Forms. Amend RSA 669:27, III to read as follows:

III. Envelopes of sufficient size to contain the ballots specified in paragraph I, on which shall be printed the following affidavit:

Absence. A person voting by absentee ballot because of absence from the place in which he *or she* is entitled to vote shall fill out and sign the following certificate:

I do hereby certify, under the penalties [~~of perjury~~] *for voting fraud set forth below*, that I am a duly qualified voter in the town (city, village district, school district) of _____, New Hampshire, that I will be absent on election day from said town (city, village district, school district) and will be unable to vote in person; that I have carefully read the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the within ballot and enclosed and sealed it in this envelope.

(Signature) _____

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

Absence Because of Religious Observance or Physical Disability. A person voting by absentee ballot because of religious observance or physical disability shall fill out and sign the following certificate:

I do hereby certify, under the penalties [~~of perjury~~] *for voting fraud set forth below*, that I am a duly qualified voter in the town (city, village district, school district) of _____, New Hampshire, that I will be observing a religious commitment which prevents me from voting in person, or that on account of physical disability I am unable to vote in person; that I have carefully read the instructions forwarded to me with the ballot herein enclosed, and that I personally marked the within ballot and sealed it in this envelope.

(Signature) _____

In accordance with RSA 659:34, the penalty for knowingly or purposefully providing false information when registering to vote or voting is a class A misdemeanor with a maximum sentence of imprisonment not to exceed one year and a fine not to exceed \$2,000. Fraudulently registering to vote or voting is subject to a civil penalty not to exceed \$5,000.

49 Election Officer. Amend RSA 652:14 to read as follows:

652:14 Election Officer. "Election officer" shall mean any moderator, *deputy moderator, assistant moderator*, town clerk, *deputy town clerk, city clerk, deputy city clerk*, selectman, supervisor of the checklist, *registrar, deputy registrar*, or inspector of election.

50 Voting Rights of Overseas Citizens. Amend RSA 654:3 to read as follows:

654:3 Voting Rights of Overseas Citizens. Notwithstanding any other provision of law to the contrary, any United States citizen being at least 18 years of age as provided in Article 11 of Part First of the Constitution of New Hampshire, who is domiciled [~~in Canada or Mexico or in any other country~~] outside the [~~continental~~] United States, shall have the right to register absentee to vote in any federal election in the town or city in New Hampshire in which he *or she* had his *or her* domicile immediately prior to his *or her* departure from the United States, even though he *or she* no longer maintains domicile in said town or city and even though his *or her* intent to return thereto is uncertain, provided:

I. He *or she* complies with all other applicable requirements and qualifications of the state of New Hampshire; and

II. He *or she* is not domiciled and is not registered to vote in any other state or election district of a state or in any territory or possession of the United States; and

III. He *or she* has a valid passport or card of identity issued under the authority of the Secretary of State of the United States.

51 General Voter Registration; Forms to be Forwarded. Amend RSA 654:9 to read as follows:

654:9 Forms to be Forwarded. The provisions of this section shall apply in all cities and in all towns. The town or city clerk shall present to the next meeting of the supervisors of the checklist the [~~triplicate~~] voter registration forms of all persons making application to [~~him~~] *the clerk* since the previous meeting of said supervisors.

52 General Voter Registration; Action by Supervisors. Amend RSA 654:13, I to read as follows:

I. If the supervisors decide to add the name of the applicant to the checklist, then they shall retain the original of the [~~triplicate~~] registration form for their own file, forward one copy to the supervisors of the checklist of the city or town of the applicant's last voting address if said address is in the state of New Hampshire, Vermont, Maine, Massachusetts, Connecticut, or Rhode Island, and send another copy to the clerk of their town or city.

53 Overseas Citizens Voting; Effect. Amend RSA 654:23 to read as follows:

654:23 Effect. Unless the supervisors of the checklist shall be of the opinion that the applicant does not qualify as an overseas voter in the city or town as provided in RSA 654:3, domiciled [~~in Canada or Mexico or in any other country~~] outside the [~~continental~~] United States, they shall, at their next session for the correction of the checklist subsequent to their receipt of such affidavit properly executed, cause his *or her* name to be added to the checklist together with a mark or sign clearly indicating that the application has been entered on the checklist for the purpose of voting in federal elections only. Thereafter, such person shall be entitled to vote by overseas citizens absentee ballot at both federal primary and general elections. If the supervisors decide not to add the name of the applicant to the checklist, they shall send notification to the applicant in writing within 7 days stating the reason for that denial.

54 New Section; Right to Know Exemption. Amend RSA 654 by inserting after section 31 the following new section:

654:31-A Right to Know Exemption. The information contained on the checklist of a town or city, specifically, the name, street address, town or city, and party affiliation, if any, of registered voters, except as otherwise provided by statute, is public information subject to RSA 91-A. All other information on the voter registration card, absentee registration affidavit, and application for absentee ballot shall be treated as confidential information and the records containing this information shall be exempt from the public disclosure provisions of RSA 91-A, except as provided by statutes other than RSA 91-A. Election officials and law enforcement personnel in furtherance of their official duties may access and may disclose information from the voter registration card, absentee registration affidavits, and applications for absentee ballots, if necessary to resolve a challenge to an individual registering to vote or voting, or if necessary to investigate or prosecute election law violations or any crime. Law enforcement access and use of such records for the investigation or prosecution of crimes unrelated to election law violations shall be limited to the records of the specific individuals who are the subject of the investigation or prosecution.

55 Absentee Voting; Refusal to Certify, Procedure. Amend RSA 657:16 to read as follows:

657:16 Refusal to Certify; Procedure. If he *or she* refuses to certify the application, the town or city clerk shall notify the applicant in writing within 7 days to that effect. *The town or city clerk shall provide the applicant with an absentee ballot and a notice that the ballot will not be counted unless the applicant submits the documents necessary to complete an absentee registration. The*

applicant shall be advised in writing what documents, if any, have been received in proper form and which the applicant must submit in the return envelope that contains the absentee ballot affidavit envelope. The town or city clerk shall mark the exterior of the absentee ballot affidavit envelope with the words "Not Registered." If the applicant returns the required documents in proper form with the absentee ballot and if the applicant is found to be qualified, he or she shall be registered and his or her absentee ballot shall be processed in the same manner as the absentee ballot of a previously registered voter. If the ballot is returned without the required documents in proper form, the ballot shall be marked and preserved in the manner set forth by law for successfully challenged absentee ballots. The clerk shall preserve the application of any applicant who is not registered as a voter until the time [is] set by law for the destruction of the ballots after the election at which time the application shall be destroyed. Any justice of the superior court has jurisdiction in equity upon such notice as he or she may order to require that the name of the person making application for an absentee ballot be placed upon the checklist or registered as a member of any party and be sent an absentee ballot.

56 Procedure for Armed Services and Federal Overseas Citizen Voting; Sending Ballots. Amend RSA 657:19 to read as follows:

657:19 Sending Ballots. Upon receipt of a properly executed application for an official armed services absentee ballot or an overseas citizens federal election absentee ballot, whether the form supplied by the secretary of state, the federal post card application, or a written statement containing the information required by RSA 657:4, a town or city clerk shall send the materials provided for in RSA 657:8 or 657:9, as applicable, regardless of whether the applicant appears on the checklist, *and if the applicant requests that the application be considered an application for an absentee ballot for each subsequent election for federal office through the next 2 regularly scheduled general elections, including primaries, for federal office, the town or city clerk shall provide an absentee ballot to the applicant for each such subsequent election.* Whenever an armed services voter or overseas citizen federal voter requests a state general election ballot prior to October 1 to be mailed to an address [~~in Canada or Mexico or in any other country~~] outside of the [~~continental~~] United States, he or she shall be sent the same ballot as provided in RSA 656:34. *No town or city clerk shall refuse to accept or process an otherwise valid voter registration application or absentee ballot application submitted by an absent armed services voter or federal overseas citizen voter on the grounds that the application was submitted before the first date on which the state otherwise accepts or processes such applications for that election submitted by absentee voters. A town or city clerk who does not certify a voter registration application or absentee ballot application shall provide the absent armed services voter or federal overseas citizen voter the reason for not certifying a voter registration application or an absentee ballot application.*

57 Federal Post Card Application. Amend RSA 657:19-a to read as follows:

657:19-a Federal Post Card Application. An armed services voter or federal overseas citizen voter who is domiciled [~~in Canada or Mexico or in any other country~~] outside the [~~continental~~] United States qualified to vote in New Hampshire may request an absentee ballot by completing a federal post card application form provided by the United States government, and sending it to the town or city clerk of his or her last domicile. The applicant may request an absentee ballot for all elections in which he or she is qualified to cast a ballot during the calendar year.

58 New Section; Voting Procedure; Hours of Polling Extended by Order. Amend RSA 659 by inserting after section 26 the following new section:

659:26-a Hours of Polling Extended by Order. In any federal election where hours of polling are extended by a federal or state court order or other order, the moderator or his or her designee shall mark all ballots cast during the extended hours of polling "EH." These extended hours ballots shall be counted in the usual manner, but shall be separated and held apart from other ballots when stored.

59 Election Procedure; Challenges; Affidavit. Amend RSA 659:30 to read as follows:

659:30 [~~False~~] Affidavit. The affidavit of a challenged voter, *a voter citizenship affidavit, a voter domicile affidavit, or any other affidavit required by the election statutes* may be sworn before any person authorized by law to administer oaths or before [~~the moderator, town clerk or any one of the selectmen or supervisors of the checklist. Any person who shall swear falsely in making such affidavit shall be deemed guilty of perjury and shall be punished accordingly~~] *any election officer.*

60 Preservation of Absentee Voting Materials, Citizenship Affidavits, and Domicile Affidavits. Amend RSA 659:101 to read as follows:

659:101 Preservation of Absentee Voting Materials, *Election Day Affidavits, and Domicile Affidavits*. The affidavit envelopes and application forms processed by the moderator as provided in RSA 659:50, *and the citizenship affidavits and domicile affidavits as provided in RSA 654:12 and any other documentary proof of qualifications retained by the town or city clerk, the supervisors of the checklist, or other election official* [shall] *may* be preserved in the same manner [as provided in RSA 659:95-100 for the preservation of official state election] *that ballots are preserved and may be destroyed one year after the first state general election at which the individual may vote.*

61 Effective Date. This act shall take effect September 1, 2003.

Majority amendment adopted.

Rep. Stritch offered a floor amendment (0946h).

Floor Amendment (0946h)

Amend the bill by replacing section 26 with the following:

26 Registering at the Polling Place; Election Day Registration. Amend RSA 654:7-a, II to read as follows:

II. Any person whose name is not on the checklist but who is otherwise a qualified voter shall be entitled to vote by requesting to be registered to vote at the polling place on election day. The voter may then vote at that election. The applicant [may] *shall* be required to produce appropriate proof of qualifications as provided in RSA 654:12. [The applicant shall complete an election day affidavit which shall be prescribed by the secretary of state, and which shall contain the following written oath or affirmation:

"I do hereby certify under penalty of perjury that to the best of my knowledge, I am a qualified voter, and that I am not disqualified on any ground from voting, and I have not voted and will not vote at any other polling place this election."

(Signature of Applicant)

Amend the introductory paragraph of RSA 654:12, I as inserted by section 29 of the bill by replacing it with the following:

I. When determining the qualifications of an applicant, the supervisors of the checklist, or the town or city clerk, [may] *shall* require the applicant to present proof of citizenship, age, and domicile, as provided in the following categories:

Amend the bill by inserting after section 60 the following and renumbering the original section 61 to read as 62:

61 Voter Registration in Cities; Proof of Identification and Residence. Amend RSA 654:8-a, I to read as follows:

I. Any qualified voter in a city whose name does not appear on the checklist where registration is required because the voter's voting residence has changed from one ward in the city to another ward in the same city, and who is otherwise registered to vote in the election, may change voter registration at the office of the city clerk. A change in voter registration under this section shall be made no later than the final date set for correcting the checklist in the city. The city clerk [may] *shall* require the voter to provide acceptable proof of identification and acceptable proof of residence.

Floor amendment (0946h) adopted.

The question being adoption of the amended majority report.

Reps. Weed and Clemons spoke against.

Rep. Drisko spoke in favor and yielded to questions.

Rep. Stritch spoke in favor.

Rep. Clemons requested a roll call; sufficiently seconded.

The question being adoption of the amended majority report.

Ordered to third reading.

HB 162, relative to remedies and penalties for injuries to domestic animals caused by dogs. **OUGHT TO PASS WITH AMENDMENT**

Rep. David N. Scott for Environment and Agriculture: This bill defines "protected domestic animals" and allows any person to kill an aggressive or vicious dog under certain circumstances. Vote 17-0.

Amendment (0816h)

Amend the bill by replacing all after the enacting clause with the following:

1 Remedy and Penalties for Injuries Done by Dogs; Killing Dogs Legalized. Amend RSA 466:28 to read as follows:

466:28 Killing Dogs Legalized. Any person may kill a dog that suddenly assaults [the] a person while such person is peaceably walking or riding without the enclosure of its owner or keeper; and any person may kill a dog that is found out of the enclosure or immediate care of its owner or keeper worrying, wounding, or killing sheep, lambs, fowl, or other domestic animals, *provided that such sheep, lambs, fowl, or other domestic animals are on the property of their owner.*

2 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill provides for the legalized killing of dogs who wound or kill certain domestic animals provided such domestic animals are on the property of their owner.

Adopted.

Report adopted and ordered to third reading.

HB 367, relative to cats and dogs. **INEXPEDIENT TO LEGISLATE**

Rep. Derek Owen for Environment and Agriculture: This bill would put an undue burden on non-profit animal shelters. Applications for current health certificates are difficult to enforce for certain domestic animals. The bill offers no advantage to the current system. Vote 15-2.

Adopted.

HB 593-FN-L, relative to solid waste facilities in small towns. **OUGHT TO PASS WITH AMENDMENT**

Rep. Omer C. Ahern, Jr. for Environment and Agriculture: The proposed legislation, as amended, will exempt towns with a population of 5000 or fewer people from cleaning up a closed public solid waste facility as long as the closed public solid waste facility is properly monitored, the monitoring shows no damage, pollution, or other adverse impact on the surrounding environment, and a "closure plan" is filed with the New Hampshire Department of Environmental Services. A town which complies with these requirements shall not lose its grant funding under RSA 149-M, dealing with solid waste management. Vote 18-0.

Amendment (0653h)

Amend RSA 149-M:9, XIII as inserted by section 1 of the bill by replacing it with the following:

XIII.(a) No permit issued by the department to a town with a population of 5000 persons or fewer shall require the town to clean up a closed public facility if the town:

(1) Monitors the closed facility in accordance with requirements established in RSA 485-C and RSA 149-M and rules adopted by the department.

(2) Continues to show, through monitoring devices, that the closed facility is having no adverse impact on the environment.

(3) Has filed a closure plan with the department by June 30 of the calendar year in which the facility is scheduled to close.

(b) A town which complies with the requirements of subparagraph (a) shall not lose its grant funding under this chapter.

AMENDED ANALYSIS

This bill exempts towns with a population of 5,000 or fewer from cleaning up a closed public solid waste facility as long as it is monitored, the monitoring shows that it has no adverse impact on the environment, a closure plan is filed with the department. A town which complies with these requirements shall not lose its grant funding under RSA 149-M.

Adopted.

Report adopted and ordered to third reading.

HB 599-FN-L, relative to hazardous waste liability. **INEXPEDIENT TO LEGISLATE**

Rep. Peter H. Allen for Environment and Agriculture: With this bill no municipality, solid waste district, or regional planning commission would have any liability for release or threat of release of hazardous waste. The committee found that there have been no problems in recent years and believe that limited liability increases careful handling. Vote 13-2.

Adopted.

The House recessed at 12:20 p.m.

RECESS

(Speaker Chandler in the Chair)

The House reconvened at 1:15 p.m.

ENROLLED BILL REPORT

The Committee on Enrolled Bills has examined and found correctly enrolled House Bill numbered 517.

Rep. Currier, Sen. D'Allesandro for the Committee

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 154, 166, 212, and 215 shall be by this resolution read a first and second time by the therein listed titles, and referred to the therein designated committees.

Adopted.

INTRODUCTION OF SENATE BILLS

First, second reading and referral

SB 154, relative to landlord access to rental properties. (Judiciary)

SB 166, establishing a committee to study methods for the state to create incentives for school districts to provide mentoring for beginning teachers. (Education)

SB 212, requiring fiscal impact statements for interim administrative rules and prohibiting agencies from requiring by rule the submission of social security numbers. (Executive Departments and Administration)

SB 215-FN, relative to the use of prerecorded telephone messages for political advocacy. (Election Law)

REGULAR CALENDAR (CONT'D)

HB 302-FN, relative to disability retirement benefits for group II members injured in the performance of duty. **OUGHT TO PASS WITH AMENDMENT**

Rep. William R. Zolla for Executive Departments and Administration: The original bill would have amended RSA 100-A to grant a portion of the employees on disability certain benefits not available to all disabled employees in the system. The committee considered this to be unfair. In addi-

tion, the bill would be quite expensive if it considered all disabled employees. The committee amended the bill to provide safeguards for all employees in the retirement system covered by RSA 100-A in the following manner. As of July 1, 2003, the special accounts, which are now divided into the four retirement system classifications, shall henceforth be further subdivided proportionally between employees of the state and employees of the political subdivisions of the state. The balance of the special account attributed to each component as of June 30, 2003 shall be subdivided between state and political subdivision classifications based upon the actuarial liabilities of the members and the retiree groups. In addition, attention is called to the 3 year 5% COLA reserve to insure COLA's to our retirees. This reserve is an agreement between the parties and their lobbies to insure COLA money is available when it's authorized. Finally with respect to the additional benefits provided from time to time by the special accounts, the amendment authorizes these benefits only with the specific approval of the appropriate policy committee of the house and final approval by the general court. Vote 16-0.

Amendment (0736h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to the funding and use of the retirement system special account.

Amend the bill by replacing all after the enacting clause with the following:

1 Retirement System; Special Account. Amend RSA 100-A:16, II(h) to read as follows:

(h) There shall be a special account for additional benefits held by the board of trustees. *Beginning July 1, 2003, the special account shall be subdivided into [4] components representing the 4 retirement system member classifications, as defined in RSA 100-A:1, with each component subdivided proportionally between employees of the state and employees of the political subdivisions of the state. The balance of the special account attributed to each component as of June 30, 2003 shall be subdivided between state and political subdivision classifications based upon the actuarial liabilities of the member and retiree groups.* Beginning with the fiscal year ending June 30, 1990, the amount credited annually to the special account shall be determined as follows:

(1) Each component of the special account shall first be credited with all the earnings of that component for the fiscal year.

(2) All of the earnings of the remaining assets of the retirement system which are in excess of the assumed rate of return plus 1/2 of one percent added to such rate shall be allocated to the 4 member classifications. The assumed rate of return shall be determined by the board of trustees.

(3) Any funds held in special reserve as of June 30, 1996, shall be transferred to the respective component of the special account according to the following schedule:

(i) One-half of the funds held in special reserve as of June 30, 1996.

(ii) One-half of the remaining funds as of June 30, 1997, plus earnings from July 1, 1996 to June 30, 1997.

(iii) All remaining funds as of June 30, 1998, plus earnings from July 1, 1997, to June 30, 1998.

(4) [Repealed.]

(5) None of the assets held in the special account shall be used in the actuarial determination of the rate percent of normal contribution as set forth in subparagraphs (b), (c) and (d).

(6) [Repealed.]

(7) The actuarial cost of all legislation enacted during each fiscal year and calling for funding from the special account shall be withdrawn from the respective components of the special account, as of June 30 of each year, after funds are credited to the special account as provided in this subparagraph.

The special account shall be used only to fund or partially fund additional benefits as follows: first, to provide supplemental allowances, or COLAs, pursuant to RSA 100-A:41-a *within a 3-year, 5 percent COLA reserve* and, second, to the extent that funds may be available in the special account *in excess of the 3-year 5 percent COLA reserve*, to provide additional benefits to retired members and beneficiaries of the retirement system *with the specific approval of the appropriate policy committees and approval of the general court.*

2 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill provides for the subdivision of the retirement system special account components into a state employee portion and a political subdivision employee portion.

This bill also adds requirements for the approval and use of retirement system funds in the special account for supplemental benefits.

Adopted.

Report adopted and ordered to third reading.

HB 554, relative to the procedure for assignment of juvenile probation and parole officers. **INEXPEDIENT TO LEGISLATE**

Rep. William R. Zolla for Executive Departments and Administration: This bill would have provided that juvenile probation and parole officers shall be assigned to judicial districts based on the workload formula established by the department of health and human services in consultation with the presiding judge thus removing the specific and ultimate approval authority of the presiding justice from the process. The bill gives the authority to the commissioner to make rules pursuant to RSA 541-A to possibly undermine the judge's authority in his own court. The committee disagreed with this approach considering that the ultimate responsibility for a court's action is the responsibility of the presiding justice and to diminish this role would result in the clouding of responsibility to the detriment of the client. Vote 13-4.

Adopted.

HB 671-FN-A, establishing a contributory defined benefit judicial retirement plan. **OUGHT TO PASS WITH AMENDMENT**

Rep. Maurice L. Pilotte for Executive Departments and Administration: This bill is the result of a study committee and reflects input and consensus from the legislative and judicial branches of government. The bill establishes a contributory defined benefit judicial retirement plan. The future cost savings to the state become significant because regular contributions of both, members (full time judges) and employer (State of New Hampshire), will provide adequate funding of the actuarial demands of the fund. The bill provides for a one-time adjustment to judicial salaries equal to the contribution required by the plan. The bill recognizes the need to continue funding the retirement plan of currently retired judges and in no way alters the provisions of their current retirement plan. Vote 15-2.

Amendment (0718h)

Amend the bill by replacing all after the enacting clause with the following:

I New Chapter; Judicial Retirement Plan. Amend RSA by inserting after chapter 100-B the following new chapter:

**CHAPTER 100-C
JUDICIAL RETIREMENT PLAN**

100-C:1 Definitions. The following words and phrases as used in this chapter, unless a different meaning is plainly required by the context, shall have the following meanings:

I. "Accumulated contributions" means the sum of all the amounts deducted from the compensation of a member.

II. "Actuarial equivalent" means a benefit of equal value when computed at regular interest upon the basis of the mortality tables last adopted by the board of trustees.

III. "Actuary" means:

(a) A member of the American Academy of Actuaries; or

(b) An individual who has demonstrated to the satisfaction of the board of trustees that such individual has the educational background necessary for the practice of actuarial science and has had at least 7 years of actuarial experience.

IV. "Beneficiary" means any person receiving a retirement allowance or other benefit as provided in this chapter.

V. "Board of trustees" or "board" means the board provided for in RSA 100-C:11.

VI. "Creditable service" means prior service plus membership service, as provided in RSA 100-C:4.

VII. "Earnable compensation" means a member's annual salary.

VIII. "Judicial retirement plan" or "plan" means the New Hampshire judicial retirement plan as defined in RSA 100-C:2.

IX. "Member" means any full-time supreme court, superior court, district court, or probate court judge.

X. "Member annuity" means annual payments for life derived from the accumulated contributions of the member.

XI. "Memberships service" means service rendered while a member of the judicial retirement plan.

XII. "Predecessor system" means any state retirement plans or systems for judges in effect prior to the date of implementation of the judicial retirement plan by this chapter.

XIII. "Regular interest" means interest at such rate or rates compounded annually as may be set from time to time by the board of trustees.

XIV. "Retirement" means withdrawal from active service with a retirement allowance granted under the provisions of this chapter.

XV. "Retirement allowance" means the sum of the member annuity and the state annuity. All retirement allowances shall be payable in equal monthly installments which shall cease with the last monthly payment prior to death, unless otherwise specifically provided for in this chapter; provided, however, that if the retirement allowance is less than \$10 per month, it may be paid, at the discretion of the board of trustees, in quarterly or semiannual installments due at the midpoint of such period, or in a lump sum of equivalent actuarial value.

XVI. "Retirement system" means the New Hampshire retirement system as defined in RSA 100-A:2.

XVII. "Service" means service as a supreme court, superior court, full-time district court, or full-time probate court justice.

XVIII. "State" means the state of New Hampshire.

XIX. "State annuity" means annual payments for life derived from contributions by the state.

XX. "Terminal funding" shall mean providing the full present value of the total liability for benefit improvement. Unless otherwise specified, the source of terminal funding shall be the special account established under RSA 100-A:13, III(g).

100-C:2 Establishment of Judicial Retirement Plan.

I. The judicial retirement plan is hereby established. It shall be known as the New Hampshire judicial retirement plan, and by such name all of its business shall be transacted, all of its funds invested, and all of its cash, securities and other property held in trust for the purpose for which received. It is intended for all time to meet the requirements of a qualified pension trust within the meaning of section 401(a), and to qualify as a governmental plan within the meaning of section 414(d) of the United States Internal Revenue Code of 1986, as amended. It is a defined benefit plan providing disability, death, and retirement protection to members and their families.

II. The board of trustees shall have the exclusive authority and full power to invest and manage those assets of the judicial retirement plan and may cause any stock or other securities to be registered and held in the name of a nominee without mention of the judicial retirement plan's ownership, provided that no nominee shall have possession of or access to the stock or other securities unless the nominee shall be an officer of a corporate custodian of such stock or other securities, in which case the custodian shall maintain on its books accurate and current records of the New Hampshire judicial retirement plan's interest in such stock or other securities and the custodian shall be strictly liable for all acts or omissions of the nominee in connection with such stock or other securities and the nominee shall be bonded by the custodian.

100-C:3 Membership. Membership in the judicial retirement plan shall be mandatory for any full-time supreme court, superior court, district court, or probate court judge.

100-C:4 Creditable Service.

I. Creditable service at retirement on which the retirement allowance of a member shall be based shall consist only of that membership service since such judge became a member of the judicial retirement plan plus that service credited a member for retirement allowance, if any, under the provisions of former RSA 490:2; RSA 491:2; RSA 502-A:6-a, or RSA 547:2-a in effect on the date of implementation of this chapter.

II. The board shall fix and determine by appropriate rules how much service in any year is equivalent to one year of service, but in no case shall it allow credit for a period of absence without pay of more than a month's duration, nor shall more than one year of service be creditable for all service in a calendar year. Service rendered for the full normal working time in any year shall be equivalent to one year's service.

100-C:5 Service Retirement Benefits.

I. Any member who has at least 10 years of creditable service and is at least 55 years of age, or who has at least 7 years of creditable service and is 70 years of age may retire on a service retirement allowance or a reduced service retirement allowance, upon written application to the board setting forth on what date, not less than 30 days nor more than 90 days subsequent to the filing of the application, the member desires to be retired. During such period of notification, the member may have separated from service.

II. A member who is at least 65 years of age with 10 years of creditable service may retire on a service retirement allowance equal to 75 percent of the member's final year's salary.

III. A member who is 70 years of age with 7 years of creditable service may retire on a service retirement allowance equal to 45 percent of the member's final year's salary. A member who is 70 years of age shall be granted an additional 10 percent over the 45 percent level for each year of creditable service the member has over 7 years.

IV. A member who is at least 55 years of age with at least 10 years of service may retire on a service retirement allowance equal to 20 percent of the member's final year's salary. A member who is at least 56 years of age with at least 11 years of service may retire on a service retirement allowance equal to 30 percent of the member's final year's salary. A member who is at least 57 years of age with at least 12 years of service may retire on a service retirement allowance equal to 40 percent of the member's final year's salary. A member who is at least 58 years of age with at least 13 years of service may retire on a service retirement allowance equal to 50 percent of the member's final year's salary. A member who is at least 59 years of age with at least 14 years of service may retire on a service retirement allowance equal to 60 percent of the member's final year's salary. A member who is at least 60 years of age with at least 15 years of service may retire on a service retirement allowance equal to 70 percent of the member's final year's salary.

V. Under no circumstance shall any service retirement allowance pursuant to this section exceed 75 percent of the member's final year's salary.

VI. Any member attaining eligibility for 75 percent of the member's final year's salary shall not be required to make employee contributions to the plan pursuant to RSA 100-C:14.

100-C:6 Disability Retirement Benefits. Regardless of a member's length of service, any member who becomes permanently and totally disabled may apply to the board of trustees to retire on a disability retirement allowance not less than 30 nor more than 90 days subsequent to the filing of such application. Such application shall be granted provided that a physician or physicians designated by the board of trustees, after a medical examination of such member, certifies that the member is mentally or physically incapacitated for further performance of duty, that such incapacity is likely to be permanent, and that such person should be retired. A member's disability retirement allowance shall be equal to 70 percent of the member's final year's salary.

100-C:7 Death Benefits.

I. If a member dies in office, his or her surviving spouse, as long as he or she remains unmarried, or, if the member leaves no spouse, or at the surviving spouse's death or remarriage, then the member's child or children under the age of 18 years and until they respectively reach their eighteenth birthday, shall annually be entitled to 1/2 of the member's final year's salary. In case there is more than one child, the compensation shall be divided equally among them.

II. If such member dies having terminated service as such and having become entitled to benefits pursuant to RSA 100-C:5 or RSA 100-C:6, his or her surviving spouse, as long as he or she remains unmarried, or, if the member leaves no spouse, or at the surviving spouse's death or remarriage, then the member's child or children under the age of 18 years and until they respectively reach their eighteenth birthday, shall annually be entitled to 1/2 the member's final year's salary. In case there is more than one child, the compensation shall be divided equally among them.

100-C:8 Return of Members' Contributions.

I. If a member ceases to be a judge for reasons other than retirement or death, the amount of such member's accumulated contributions shall be paid to such member within 3 months after such member's written request therefor, provided that the member may not file a written request for such payment until at least 30 days from the date the member ceases to be a judge. Upon the refund of such contributions all rights of the member, any beneficiary, and any survivor of the member under this chapter shall terminate.

II. Upon the death of a member in service who does not have a surviving spouse or dependent children, the amount of the member's accumulated contributions shall be paid to any beneficiary or beneficiaries nominated by the member, if living, or otherwise to the member's estate.

III. Upon the death of a member, who does not have a surviving spouse or dependent children, after retirement allowance payments have commenced, any excess amount of the member's accumulated contributions at retirement over the sum of the retirement allowance payments received shall be paid in one sum to the beneficiary or beneficiaries nominated by the member, if living, otherwise to the member's estate.

IV. The return of a member's contributions shall include accrued interest at such rates as the board of trustees may from time to time determine in its discretion.

100-C:9 Designation of Beneficiaries; Effect. When more than one person is designated by the member as beneficiary under this chapter, the member may provide the portion of the whole sum which each designee shall receive and may also provide that on the death of one of multiple designees the share of that designee shall automatically be added to the share of another or other designees or be payable to the estate of the member.

100-C:10 Maximum Benefit Limitations. Notwithstanding any other provisions of this chapter, the maximum benefit payable to any retired member or beneficiary of the New Hampshire judicial retirement plan shall be limited to such extent as may be necessary to conform to the requirements of sections 401(a)(9) and 415 of the United States Internal Revenue Code of 1986 for a qualified retirement plan.

100-C:11 Administration and Delegation.

I. The judicial retirement plan shall be administered by a board of trustees, which shall be separate from the board of trustees of the New Hampshire retirement system. The board of the judicial retirement plan shall have the exclusive authority and full power to administer and to invest and manage those assets of the judicial retirement plan.

II. The board of trustees of the judicial retirement plan shall consist of 7 members. The governor and council shall appoint 2 trustees, one of whom the governor shall designate to serve as chairman of the board of trustees, and who shall be qualified persons with business experience and not members of the judicial retirement plan, and who shall serve for a term of 3 years and until such trustee's successor is appointed and qualified, except that the original appointment of one of the trustees shall be for a term of one year. The chief justice of the state supreme court, with the advice and consent of the chief justice of the superior court and the administrative justices of the district and probate courts, shall appoint 3 trustees, who shall be active members of the judicial retirement plan, and who shall serve for a term of 3 years and until such trustee's successor is appointed and qualified, except that the original appointment of one of the trustees shall be for a term of one year, and the original appointment of another of the trustees shall be for a term of 2 years. One member of the state senate shall be appointed biennially by the senate president as a trustee of the board, and one member of the house of representatives shall be appointed biennially by the speaker of the house as a trustee of the board.

III.(a) In addition to those other powers conferred herein, the board of trustees shall have exclusive authority and full power, consistent with the board's duties under this chapter, to:

(1) Establish an administrative budget sufficient to exercise the board's powers and to perform the board's duties and, as appropriate and reasonable, draw upon assets of the plan to fund the budget;

(2) Obtain by employment or contract the services necessary to exercise the board's powers and perform the board's duties, including actuarial, auditing, custodial, investment, and legal services; and

(3) Procure and dispose of goods and property necessary to exercise the board's powers and perform the board's duties.

(b) In exercising its authority under this section, the board shall be subject to the fiduciary duties of this chapter, but not to civil service, personnel, procurement, or similar general laws relating to the subjects of subparagraph III(a).

IV. The members of the board of trustees shall serve without compensation but shall be reimbursed for actual and necessary traveling and other expenses and disbursements incurred or made by them in the discharge of their official duties.

V. Each trustee shall be entitled to one vote in the board of trustees. Five trustees shall constitute a quorum for the transaction of any business. Four trustees voting shall be necessary for any resolution or action by the board at any meeting.

VI.(a) The board may engage such administrative services as may be required to transact the business of the judicial retirement plan. The compensation for such services, and all other necessary expenses of the board shall be paid at such rates and in such amounts as the board shall approve. The New Hampshire retirement system may be engaged to provide such administrative services to the judicial retirement plan on such terms as the board of trustees of each plan may both agree.

(b) The board may delegate functions, including the administration of the plan, that a prudent trustee acting in a like capacity and familiar with such matters could properly delegate under the circumstances.

(c) The board shall exercise reasonable care, skill, and caution in:

(1) Selecting an agent, including administrator of the judicial retirement plan;

(2) Establishing the scope and terms of the delegation, consistent with the purposes and terms of this chapter; and

(3) Periodically reviewing the agent's performance and compliance with the terms of the delegation.

(d) In performing a delegated function, an agent owes a duty to the judicial retirement plan and to its members and beneficiaries to comply with the terms of the delegation and, if a fiduciary, to comply with the duties imposed by this chapter.

(e) A trustee of the board who complies with subparagraphs (b) and (c) shall not be liable to the plan or to its members or beneficiaries for the decisions or actions of the agent to whom the function was properly delegated.

(f) By accepting the delegation of a function from the board, an agent submits to the jurisdiction of the courts of this state.

(g) The board may limit the authority of an agent to further delegate functions under this section.

VII. The board shall keep a record of all of its proceedings. In furtherance of public disclosure:

(a) The board by the plan administrator shall prepare and disseminate:

(1) A summary plan description of the judicial retirement plan;

(2) A summary description of any material modification in the terms of the plan and any material change in the information required to be contained in the summary plan description, to the extent the modification or change has not been integrated into an updated summary plan description;

(3) An annual disclosure of the plan's financial and actuarial status; and

(4) An annual report.

(b) The board shall make available for public examination in the principal administrative offices of the plan or in such other places as the board may designate:

(1) The governing law of the judicial retirement plan;

(2) The most recent summary plan description;

(3) Summary descriptions of modifications or changes described in subparagraph (a)(2) that have been provided to members and beneficiaries but have not yet been integrated into the summary plan description;

(4) The most recent annual disclosure of financial and actuarial status; and

(5) The most recent annual report.

(c) Upon written request by a plan member, beneficiary, or member of the public, the board by its administrator shall provide a copy of any publication described in subparagraph (b). Except as otherwise provided herein, the board may charge a reasonable fee to cover the cost of providing copies. The board by its administrator shall provide the copies within 30 days after the request or, if a fee is charged, within 30 days after receiving payment.

VIII. The board of trustees shall direct the administrator of the plan to make the following disclosure to members and beneficiaries of the judicial retirement plan:

(a) The administrator shall furnish to each member and to each beneficiary who is receiving benefits under the plan:

(1) A copy of the most recent summary plan description, along with any summary descriptions of modifications or changes described in paragraph VII(a)(2); within 30 days after a person becomes a member or, in the case of a beneficiary, within 30 days after a person first receives benefits;

(2) The summary description of any modifications or changes described in paragraph VII(a)(2), within 7 months after the end of the fiscal year of the plan in which a modification or change has been made;

(3) A copy of an updated summary plan description that integrates all modifications and changes at intervals not exceeding 5 years; and

(4) The annual report within 7 months after the end of each fiscal year of the plan.

(b) The board by its administrator shall provide to a member or beneficiary a statement containing information that would permit the member or beneficiary to reasonably estimate projected benefits

to the extent the information is regularly maintained by the plan. The information may be provided periodically with the annual report or upon written request of the member or beneficiary. The information need not be provided to a member or beneficiary who is currently receiving benefits.

(c) A member who is not currently receiving benefits is entitled without charge to one statement under subparagraph (b) during any fiscal year of the plan. The administrator may charge a reasonable fee to cover the cost of providing additional statements. The administrator shall provide the statements within 30 days of receipt of the member or beneficiary's written request or, if a fee is charged, within 30 days after receiving payment.

(d) A summary plan description and summary description of modifications or changes provided herein must be written in a manner calculated to be understood by the average member and be accurate and sufficiently comprehensive reasonably to inform the members and beneficiaries of their rights and obligations under the plan and shall contain:

- (1) The name of the plan and type of administration;
- (2) The name and business address of the administrator appointed by the board;
- (3) The name and business address of each agent for service of process;
- (4) Citations to the governing law of the judicial retirement plan;
- (5) A description of the plan's requirements concerning eligibility for participation and benefits;

(6) A description of the plan's provisions providing for nonforfeitable benefits;

(7) A description of circumstances that may result in disqualification, ineligibility, or denial or loss of benefits;

(8) A description of the benefits provided by the plan, including the manner of calculating benefits and any benefits provided for spouses and survivors;

(9) The source of financing of the program;

(10) The identity of any organization through which benefits are provided;

(11) The date the fiscal year of the plan ends;

(12) The procedures to claim benefits under the program and the administrative procedures available under the program for the redress of claims that are denied in whole or in part; and

(13) Notice of the availability of additional information provided herein.

(e) The board of trustees shall file with the secretary of state a copy of:

(1) The summary plan and of updated summary plan descriptions at the same time such are first furnished to plan members or beneficiaries pursuant to subparagraph (a)(3);

(2) Any summary description of modifications or changes within 7 months after the end of the fiscal year in which a modification or change has been made; and

(3) Disclosures of the plan's financial and actuarial status and its annual report within 7 months after the end of each fiscal year of the plan.

IX. The board shall make disclosures of the financial and actuarial status of the judicial retirement plan as provided herein.

(a) As used in this paragraph, "qualified public accountant" means:

(1) An auditing agency of this state which has no direct relationship with the functions or activities of the judicial retirement plan or its fiduciaries other than:

(A) Functions relating to this chapter, or

(B) A person who is an independent public accountant, certified or licensed by a regulatory authority of a state.

(b) As used in this paragraph, "related person" of an individual means:

(1) The individual's spouse or a parent or sibling of the spouse;

(2) The individual's descendant, sibling, or parent, or the spouse of the individual's descendant, sibling, or parent;

(3) Another individual residing in the same household as the individual;

(4) A trust or estate in which an individual described in above subparagraphs (1), (2), or (3) has a substantial interest;

(5) A trust or estate for which the individual has fiduciary responsibilities; or

(6) An incompetent, ward, or minor for whom the individual has fiduciary responsibilities.

(c) The annual disclosure of the financial and actuarial status of the plan shall contain:

(1) The name of the plan;

(2) The name and principal business office of the administrator appointed by the board of trustees;

- (3) The name and business address of each member of the board of trustees and a brief description of how the trustee was selected;
- (4) The name and business address of the plan's agent for service of process;
- (5) The name and business address of each fiduciary;
- (6) The current statement of investment objectives and policies of the plan;
- (7) Financial statements and notes to the financial statements in conformity with generally accepted accounting principles;
- (8) An opinion on the financial statements by a qualified public accountant in conformity with generally accepted auditing standards;
- (9) Actuarial schedules and notes to the actuarial schedules in conformity with generally accepted actuarial principles and practices for measuring pension obligations;
- (10) An opinion by the actuary that the actuarial schedules are complete and accurate to the best of the actuary's knowledge, that each assumption and method used in preparing the schedules is reasonable, that the assumptions and methods in the aggregate are reasonable, and that the assumptions and methods in combination offer the actuary's best estimate of anticipated experience;
- (11) A description of any material interest held by any trustee, administrator, or employee who is a fiduciary with respect to the investment and management of assets of the plan, and, if the fiduciary is an individual, by a related person of the beneficiary, in any material transaction with the plan within the last 3 years or proposed to be effected;
- (12) A schedule of the rates of return, net of total investment expense, on assets of the plan overall and on assets aggregated by category over the most recent one-year, 3-year, 5-year, and 10-year periods, to the extent available, and the rates of return stated against appropriate benchmarks for assets of the system overall and for each category over each period; and
- (13) A schedule of the sum of total investment expense and total general administrative expense paid by the plan for the fiscal year expressed as a percentage of the fair value of assets of the system on the last day of the fiscal year, and an equivalent percentage for the preceding 5 fiscal years.

X. The annual report for the plan shall contain:

- (a) The name and business address of each member of the board of trustees;
- (b) The financial statements, but not the notes, required by paragraph IX(c)(7);
- (c) The actuarial schedules, but not the notes, required by paragraph IX(c)(9);
- (d) The schedules described in paragraphs IX(c)(12) and (13);
- (e) A brief description of the above statements and schedules;
- (f) Other material to summarize fairly and accurately the annual disclosure of the plan's financial and actuarial status; and
- (g) A general notice of the availability of the public, member and beneficiary information provided herein.

100-C:12 Fiduciary Duties of Board of Trustee in Investing and Managing Assets of Judicial Retirement Plan.

I. The members of the board of trustees shall be the trustees of all funds of the judicial retirement plan created under this chapter and shall have full power to invest, and reinvest such funds, subject to all the terms, conditions, limitations, and restrictions herein. Each member of the board of trustees or other fiduciary shall discharge duties with respect to the plan:

- (a) Solely in the interest of its members and beneficiaries;
- (b) For the exclusive purpose of providing benefits to members and beneficiaries and paying reasonable expenses of administering the plan;
- (c) With the care, skill, and caution under the circumstances then prevailing which a prudent person acting in a like capacity and familiar with those matters would use in the conduct of an activity of like character and purpose;
- (d) Impartially, taking into account any differing interests of members and beneficiaries;
- (e) Incurring only costs that are appropriate and reasonable; and
- (f) In accordance with a good-faith interpretation of the law governing the judicial retirement plan.

II. In investing and managing assets of the judicial retirement plan, the board of trustees:

- (a) Shall consider among other circumstances:
 - (1) General economic conditions;
 - (2) The possible effect of inflation or deflation;
 - (3) The expected total return from income and the appreciation of capital;

(4) Needs for liquidity, regularity of income, and preservation or appreciation of capital; and

(5) The adequacy of funding for the plan based on reasonable actuarial factors;

(b) Shall diversify the investments of the plan unless the board reasonably determines that, because of special circumstances, it is clearly prudent not to do so;

(c) Shall make a reasonable effort to verify facts relevant to the investment and management of assets of the plan; and

(d) May invest in any kind of property or type of investment consistent with the fiduciary provisions of this chapter.

III. The board may return a member or state contribution, or make alternative arrangements for reimbursement, if the board determines the contribution was made because of a mistake of fact or law.

IV. In evaluating the performance of a trustee or other fiduciary of the plan, compliance by the trustee or other fiduciary with those duties and liabilities under this chapter shall be determined in light of the facts and circumstances existing at the time of the trustee or fiduciary's decision or action and not by hindsight; and the board's investment and management decisions shall be evaluated not in isolation but in the context of the trust portfolio as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the plan.

V. The board of trustees may insure against liability or losses occurring because of a breach of duty hereunder if the insurance is purchased or provided either by the trustee or fiduciary personally or, on the trustee or fiduciary's behalf, by the state, the plan, the employer whose members participate in the plan, or the trustee or fiduciary's employer.

100-C:13 Method of Financing.

I. All of the assets of the judicial retirement plan shall be credited, according to the purpose for which they are held, between 2 funds, namely, the member annuity savings fund and the state annuity accumulation fund. In making the determinations required under this section for financing the judicial retirement plan, the board shall determine and use an appropriate actuarial funding methodology. The board shall direct the plan's actuary to prepare biennial valuations of the system's assets and liabilities commencing with a valuation prepared as of the date of implementation of this chapter. Such biennial valuation shall be the sole basis for determining the annual contribution requirements of the judicial retirement plan until the next following biennial valuation.

II. Member Annuity Savings Fund.

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities. The board of trustees shall certify to the proper authority responsible for making up the payroll of the judicial branch, and such authority shall cause to be deducted from the compensation of each member, on each and every payroll for each and every payroll period, the percentage of earnable compensation applicable to such member. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board. Each of such amounts, when deducted, shall be paid to the judicial retirement plan at such times as may be designated by the board and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

(b) Every member shall be deemed to consent and agree to the deductions provided in this section as a condition of membership.

(c) The accumulated contributions of a member withdrawn by such member, or paid to such member's estate or to such member's designated beneficiary in event of the member's death in service, shall be paid from the member annuity savings fund. Upon the retirement of a member, such member's accumulated contributions shall be transferred from the member annuity savings fund to the state annuity accumulation fund.

III. State Annuity Accumulation Fund.

(a) The state annuity accumulation fund shall be the fund in which shall be accumulated all reserves for the payment of all state annuities payable from contributions made by the state, any amounts transferred to the fund from a similar fund under one or more of the predecessor systems,

and amounts transferred from the member annuity savings fund and from which shall be paid all benefits payable under the plan other than those payable from the member annuity savings fund.

(b) The contributions of the state for benefits under the judicial retirement plan shall consist of a percentage of the earnable compensation of its members to be known as the "normal contribution," and an additional amount to be known as the "accrued liability contribution." The rate percent of such normal contribution in each instance shall be fixed on the basis of the liabilities of the plan with respect to its members.

(c) Commencing with the valuation as required in paragraph I, the actuary in determining the percentage normal contribution rate may include a projection of the membership, earnable compensation, and assets of the judicial retirement plan from the valuation date to the beginning of the year to which such percentage normal contribution rate is applicable; or the actuary may base such determination on the anticipated level of contribution as is necessary to maintain such reasonable actuarial funded ratio as may be directed by the board of trustees, and for purposes of this determination the actuarial funded ratio shall be the ratio of the fair market value of the judicial retirement plan's assets to the present value of accumulated benefits under the judicial retirement plan for all members, but without regard to any future compensation increase.

(d) Immediately following the actuarial valuation prepared under paragraph I, the board shall have an actuary determine the amount of the unfunded accrued liability as the amount of the total liabilities of the state annuity accumulation fund which is not dischargeable by the total of the funds in hand to the credit of the state annuity accumulation fund, and the normal contributions to be made on account of the members during the remainder of their active service. The amount so determined shall be known as the "unfunded accrued liability". On the basis of the unfunded accrued liability, the board shall have an actuary determine the level annual contribution required to discharge such amount over a period of 20 years from the date of implementation of this chapter.

(e) The total amount payable to the state annuity accumulation fund in each year shall not be less than the normal contribution rate multiplied by the total compensation earnable by all members for such year, plus the amount of the accrued liability contribution necessary to liquidate the unfunded accrued liability as determined by the actuary under subparagraph (d) above.

(f) All interest and dividends earned on the funds of the judicial retirement plan shall be credited to the state annuity accumulation fund. The board shall allow interest at such rate or rates as it shall determine from time to time on the individual accounts of members in the member annuity savings fund and shall annually transfer such interest amount from the state annuity accumulation fund. Such interest shall be compounded monthly or more frequently as the board of trustees may determine and shall be allowed to the date of processing upon termination of active service for any reason including withdrawal, retirement, or death.

(g) There shall be a special account for additional benefits held by the board of trustees. Beginning with the first state fiscal year ending after the date of implementation of the judicial retirement plan, all of the earnings of the judicial retirement plan which are in excess of 9.5 percent shall be allocated to the special account. None of the assets held in the special account shall be used in the actuarial determination of the rate percent of normal contribution as set forth in subparagraphs (b) and (c). The actuarial cost of all legislation enacted during each fiscal year and calling for funding from the special account shall be withdrawn from the special account, as of June 30 of each year, after funds are credited to the special account as provided in this subparagraph. The special account shall be used only to fund or partially fund additional benefits as follows: first, to provide supplemental allowances, or COLAs, pursuant to RSA 100-C:17, and, second, to the extent that funds may be available in the special account, to provide additional benefits to retired members and beneficiaries of the judicial retirement plan.

IV. State Contributions. On or before the first day of October preceding each regular session of the state legislature, the board of trustees shall certify to the commissioner of administrative services the amounts which will become due and payable by the state during the biennium next following to the judicial retirement plan and it shall be the duty of the commissioner of administrative services in preparing the executive budget for each ensuing biennium to include in the budget the amounts so certified which amounts shall be appropriated by the legislature. The amounts so certified under this paragraph shall include the unfunded accrued liability of the judicial retirement plan.

100-C:14 Member Contributions. All member contributions to the judicial retirement plan shall be payable only with respect to membership service, and picked up by the state by means of payroll deduction and shall be treated as employer contributions for purposes of Section 414(h) of the

Internal Revenue Code of 1986, as amended. The member contribution rate shall be fixed biennially by the board of trustees and shall be calculated so that the rate percent of earnable compensation deducted is one-half of the annual contribution requirements of the judicial retirement plan as determined in RSA 100-C:13, I. In no year shall the member contribution rate exceed 10 percent of a member's earnable compensation. Once a member attains eligibility for a service retirement allowance equal to 75 percent of the member's final year's salary pursuant to RSA 100-C:5, said member shall not be required to have deductions made from earnable compensation for purposes of this section provided that the state contributions for such member under RSA 100-C:13, IV shall continue until the member's retirement.

100-C:15 Exemption From Taxation and Execution.

I. The right of a person to any benefit or to any other right accrued or accruing to any person under the provisions of this chapter, and the moneys in the funds created by this chapter, shall be exempted from any state, county, or municipal tax in the state; shall not be subject to execution, trustee process, attachment or any other process whatsoever, legal or equitable; and shall be unassignable except as provided in paragraph II.

II. Notwithstanding any provision of law to the contrary, the right of a person to any benefit or to any other right accrued or accruing to any person under the provisions of this chapter, and the moneys in the funds created by this chapter shall be subject to assignment, attachment, and execution to the same extent as such rights under private retirement systems.

100-C:16 Protection Against Fraud. Any person who knowingly makes any false statement or falsifies or permits to be falsified any record or records of the judicial retirement plan in any attempt to defraud the system as a result of such act, shall be guilty of a class B felony if a natural person, or guilty of a felony if any other person. Should any change or error in the records result in any member or beneficiary receiving from the plan more or less than such person would have been entitled to receive had the records been correct, the board of trustees shall have the power to correct such error, and to adjust as far as practicable the payments in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid.

100-C:17 Supplemental Allowances.

I. On February 1 of each year, the fiscal committee of the general court may approve COLA's upon certification from the board of the amount of the COLA which may be granted based on the funds available in the special account. The board shall direct an actuary to certify to the fiscal committee the funds available, and any other information required by the committee, including but not limited to any change in the Consumer Price Index-Urban for the year prior to the year in which the allowance is granted. Any such supplemental allowance when granted by the fiscal committee of the general court shall become a permanent addition to the beneficiary's base retirement allowance, and shall be included in the monthly annuity paid to the retired member, or to the member's beneficiary if the member is deceased and the beneficiary is receiving an allowance.

II.(a) The granting of any such supplemental allowance, or of any increase in supplemental allowances, shall be contingent on terminal funding of the total actuarial cost thereof at the time of granting. Such terminal funding shall be from the special account established under RSA 100-C:13, III(g).

(b) No supplemental allowance shall be granted or increased if such grant or increase would reduce the funds in the special account to an amount less than zero.

2 Probate Court Judges; Retirement Benefits Reference Removed. Amend RSA 547:2-a to read as follows:

547:2-a Full-Time Judges. A probate judge designated to be full-time pursuant to RSA 491-A:4, IV shall not be permitted to engage in the practice of law to any degree. Full-time probate judges shall receive the salary specified in RSA 491-A:1 ~~[and shall be entitled to the same disability and retirement benefits as full-time justices of the district court]~~. Full-time judges designated pursuant to RSA 491-A:4, IV shall assist the probate courts in the other counties whenever a probate judge in such other county is disqualified, disabled, or otherwise unable to sit.

3 Judicial Salaries Increased. Amend RSA 491-A:1 to read as follows:

491-A:1 Salaries Established.

The salaries for the positions set forth below shall be as follows:

Chief justice, supreme court
Associate justices, supreme court
Chief justice, superior court

[\$116,807] 128,488
[\$113,266] 124,593
[\$113,266] 124,593

Associate justices, superior court	\$[106,187] 116,806
District court justices prohibited from practice pursuant to RSA 502-A:21	\$[106,187] 116,806
Probate judges prohibited from practice pursuant to RSA 547:2-a	\$[106,187] 116,806

4 Retired Judges and Beneficiaries; Application of Salary Increase. Any judge, or the spouse or beneficiary of any such judge, who retired prior to the effective date of the repeals of RSA 490:2, RSA 491:2, RSA 493-A:2, and RSA 502-A:6-a by section 6 of this act or the amendment to RSA 547:2-a by section 2 of this act, shall continue to receive the disability and retirement benefits to which the person is entitled, provided however that the amount of the salary increase for current judges provided in section 3 of this act, which amends RSA 491-A:1, shall not be included in the currently effective salary used for the calculation of the retired judge's disability or retirement benefit. Any other judicial salary increases shall be used for such calculation.

5 Appropriation. The sum of \$250,000 is hereby appropriated for the fiscal year ending June 30, 2004 to the board of trustees of the judicial retirement system as established in this act. Such sum shall be nonlapsing and shall be used for legal, administrative, and other start-up costs of this act. The governor is authorized to draw a warrant for said sum out of any money in the treasury not otherwise appropriated.

6 Repeal. The following are repealed:

I. RSA 490:2, relative to disability and retirement compensation for supreme court judges.

II. RSA 491:2, relative to disability and retirement compensation for superior court judges.

III. RSA 493-A:2, relative to compensation of judicial referees.

IV. RSA 502-A:6-a, relative to relative to disability and retirement compensation for district court judges.

7 Contingent Implementation of Judicial Retirement Plan. The provisions of section 1 of this act establishing RSA 100-C relating to contributions by members, retirement benefits, and operation of the judicial retirement plan and sections 2, 3, 4, and 6 of this act shall be implemented and made applicable beginning on the latter of July 1, 2004 or 180 days after the date that the board of trustees established in RSA 100-C certifies to the joint legislative fiscal committee of the judicial retirement plan's receipt of a favorable determination letter from the Internal Revenue Service as to the tax qualified status of the plan under section 401(a) of the Internal Revenue Code of 1986 as amended. Such date shall be the date of implementation of the judicial retirement plan. The provisions of RSA 100-C:11 for the appointment of the board and the administration of the duties and responsibilities of the board may begin on the effective date of this act.

8 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill establishes a contributory defined benefit judicial retirement plan and repeals statutory provisions currently determining retirement salaries and benefits of supreme court, superior court, district court, and probate court judges.

The bill also increases the salaries of judges upon the effective date of the contributory judicial retirement plan.

On a division vote, 266 members having voted in the affirmative and 83 in the negative, the amendment was adopted.

Report adopted.

Referred to Finance.

HB 753, establishing the fourth Monday in April as General John Stark Day. **MAJORITY: OUGHT TO PASS. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

Rep. James M. Fitzgerald for the Majority of Executive Departments and Administration: This bill would establish a day of recognition to honor a true New Hampshire hero, General John Stark. General Stark, whose statue stands in front of the Capitol and whose famous words "Live Free or Die" are found on our license plates, was a great military hero of the Revolutionary War. This bill would require the governor to proclaim the fourth Monday in April "General John Stark Day". This would not be a legal holiday. At the public hearing, the sponsor and members of the "Sons of the American Revolution" spoke in favor of the bill. No members of the public spoke in opposition. After a spirited discussion in committee, it was voted to pass the bill. Vote 12-7.

Rep. Anne Marie Irwin for the Minority of Executive Departments and Administration: The purpose of this bill is to recognize the accomplishments of General John Stark. It is a commendable

idea. The minority suggests that it is also right and just to include Molly Stark in this honor. Molly Stark took an active part in the tumultuous times of New Hampshire's early years. Known for her fierce devotion to her husband, Molly Stark fought alongside her husband and son at Bunker Hill. Molly Stark also "bore the weight of the war and met danger in every quarter." Molly and John displayed devotion to each other, family and state. We should remember and celebrate this intrepid partnership.

Rep. Irwin spoke against.

Reps. Lawton and Rowe spoke in favor.

Majority report adopted and ordered to third reading.

HB 210-FN-A, making an appropriation for the purpose of hiring a recreational ride and lift inspector. **OUGHT TO PASS WITH AMENDMENT**

Rep. Robert L. Wheeler for Finance: The amendment provides funding for this bill from revenues derived from fees proportional to the work of the inspector on recreational rides and ski lifts. Vote 22-0.

Amendment (0702h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to passenger tramway registration fees and relative to carnival or amusement ride fees.

Amend the bill by replacing all after the enacting clause with the following:

1 Passenger Tramway Registration Fees. Amend RSA 225-A:16 to read as follows:

225-A:16 Fees. The application for registration shall be accompanied by the applicable annual fees [~~; provided, however, that when an operator operates either a chair lift, skimobile, gondola, or aerial tramway during both a summer and winter season, the annual fee shall be 1 1/2 times the annual fee for the respective lift~~] *to cover the costs of administering this chapter*. The fees for registration shall be set by the board, *with the approval of the commissioner of safety*, by rule adopted pursuant to RSA 541-A.

2 Carnival-Amusement Operators; Decal Required. Amend RSA 321-A:4 to read as follows:

321-A:4 Decal Required. No person shall operate a carnival or amusement ride without a decal issued by the commissioner. The commissioner [~~may~~] *shall* by rule, adopted pursuant to RSA 541-A, establish a reasonable fee for decals to cover the costs of administering this chapter. An operator shall apply for a decal to the commissioner on a form furnished by [~~him~~] *the commissioner* and containing such information as [~~he~~] *the commissioner* may require. No such decals shall be issued by the commissioner until proof of adequate insurance on each such ride, as provided in RSA 321-A:5, III, is certified by the owner or operator to the commissioner and the applicable fee has been paid.

3 Passenger Tramway Registration Fees; Expiration and Adoption of Rule. Notwithstanding any other provision of law, the passenger tramway safety board rule adopted pursuant to RSA 225-A:16 setting passenger tramway registration fees shall expire June 30, 2003. The passenger tramway safety board, with the approval of the commissioner of safety, shall set new passenger tramway registration fees pursuant to RSA 225-A:16, as amended by this act. In developing the fees required by RSA 225-A:16, the passenger tramway safety board and the commissioner of safety shall act jointly to assure that the fees cover the costs of administering RSA 225-A.

4 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill:

I. Provides that passenger tramway registration fees shall cover the costs of administering the passenger tramway safety laws.

II. Requires that the commissioner of safety approve the passenger tramway registration fees set by the passenger tramway safety board.

III. Requires that the commissioner of safety to establish fees for carnival or amusement ride decals. Adopted.

Report adopted and ordered to third reading.

HB 360-FN-A-L, relative to a New Hampshire Legal Assistance office in Nashua and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**

Rep. MaryAnn N. Blanchard for Finance: The amendment replaces the entire bill. It establishes a New Hampshire Legal Assistance office in Nashua and also includes a pilot project serving near-

poor in the Nashua/Hillsborough County area. For purpose of the pilot project, the office will raise its net income eligibility ceiling from 125% to 187.5% of the federal poverty guidelines. New Hampshire Legal Assistance shall report on this project on December 1, 2004 to the Judicial Council, House and Senate Finance Committees, as well as others. To fund this Nashua office, the bill establishes a \$6.00 surcharge on entry fees collected in the Supreme, Superior, District, Family, and Probate Courts which will generate \$368,640. The committee was particularly supportive of this Nashua office and pilot project based on the benefits to state and local government from legal assistance cases in large part documented by the North Country office, including significantly increased social security benefits, Medicare coverage and child support. Vote 19-3.

Amendment (0612h)

Amend the title of the bill by replacing it with the following:

AN ACT establishing a civil legal services fund consisting of court filing fee surcharges for the purpose of establishing and operating a New Hampshire Legal Assistance office in Nashua and relative to a New Hampshire Legal Assistance pilot project on serving the near-poor.

Amend the bill by replacing all after the enacting clause with the following:

1 Civil Legal Services Fund; Filing Fee Surcharge; New Hampshire Legal Assistance. There is established in the office of the state treasurer a separate fund to be known as the civil legal services fund. The sum of \$6 shall be added to each entry fee collected in the supreme, superior, district, family and probate courts, but not in small claims cases filed pursuant to RSA 503, and these sums shall be deposited in the fund. The amounts collected in this fund shall be distributed to New Hampshire Legal Assistance for the costs of establishing and operating an office in the city of Nashua to provide civil legal services to low-income persons in the city of Nashua and the surrounding area. These civil legal services include services related to such issues as housing, social security and other government benefits, health care, domestic violence, and consumer issues. New Hampshire Legal Assistance shall report to the judicial council as to its use of these funds in accordance with RSA 525-A:1.

2 Pilot Project on Serving the Near-Poor; New Hampshire Legal Assistance. For the 2004-2005 biennium, New Hampshire Legal Assistance shall conduct a pilot project in Hillsborough county under which it will raise its net income eligibility ceiling from 125 percent to 187.5 percent of the federal poverty guidelines, for the purpose of providing legal services to a segment of New Hampshire residents who have heretofore been ineligible for services, but in many cases cannot afford to hire a lawyer. New Hampshire Legal Assistance shall report to the judicial council, the chairpersons of the house and senate judiciary and finance committees, the speaker of the house, the senate president, the house clerk, the senate clerk, the governor, and the state library on or before December 1, 2004 as to the results of this project as of that date.

3 Repeal. Sections 1 and 2 of this act, relative to the civil legal services fund and the pilot project on serving the near-poor, are repealed.

4 Effective Date.

I. Section 3 of this act shall take effect July 1, 2005.

II.. The remainder of this act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill establishes a civil legal services fund consisting of court filing fee surcharges for a 2-year period for the purpose of establishing and operating a New Hampshire Legal Assistance office in Nashua. The bill also requires New Hampshire Legal Assistance to conduct a pilot project on serving the near-poor and to report on the results of that project to the judicial council, the legislature, and the governor.

Adopted.

Report adopted and ordered to third reading.

HB 566-FN-A, making an appropriation for Welfare-to-Work state matching grants. **INEXPEDIENT TO LEGISLATE**

Rep. Fran Wendelboe for Finance: This bill as originally proposed would have appropriated \$250,000 per year for Welfare-to-Work programs through Southern NH Services. An amendment was brought forward, due to application eligibility requirements, to change the source from South-

ern NH Services to the Postsecondary Education Commission. It became apparent that the original application/request to the Department of Labor was flawed and the department indicated that the future funding of the request was in doubt. While the intent of the bill is laudable, the committee was not confident the funding would become available. Vote 22-0.

Adopted.

HB 515, exempting a landowner's written permission for the setting of traps from the right to know law. **OUGHT TO PASS WITH AMENDMENT**

Rep. Betsy McKinney for Fish and Game: This bill as amended exempts agreements between landowners and trappers from the Right to Know Law. This bill was filed in response to landowners who were receiving harassing phone calls from animal rights activists who had obtained lists of trapping activities on their land. Since the 1930's landowner permission with trappers has been provided to the local Conservation Officer for the purpose of information. The landowners feel this information should remain private as it is an agreement between two non public parties and the information is given to the Fish and Game Department to help with the department's enforcement duties. This bill was supported by landowners, Trappers Association, New Hampshire Wildlife Federation, and Fish & Game Department. Vote 11-4.

Amendment (0318h)

Amend the title of the bill by replacing it with the following:

AN ACT excluding certain agreements between fish and game licensees and landowners from the right-to-know law.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Fish and Game Licenses; Licensee Agreements with Private Landowners; Exclusion from Right-to Know. Amend RSA 214 by inserting after section 12 the following new section:

214:12-a Licensee Agreements with Private Landowners; Exclusion from Right-to Know. Any agreement or record between a private landowner and a person issued a fish and game license under this title, which is provided to, or held by, the department or its staff, shall be maintained confidentially and shall not be considered a public record for purposes of RSA 91-A.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill requires that an agreement or record between a private landowner and a fish and game license holder, which is provided to, or held by, the fish and game department, shall be maintained confidentially and shall not be considered a public record under the right-to-know law.

Adopted.

Report adopted and ordered to third reading.

HB 709-FN, relative to nursing homes in receivership. **OUGHT TO PASS WITH AMENDMENT**

Rep. Fran Wendelboe for Health, Human Services and Elderly Affairs: This bill as amended establishes a procedure for the orderly receivership temporary of a licensed nursing home or residential care facility found to be in an emergency status. Emergency, as referenced in the bill, means a situation or condition, which presents imminent danger or death or serious physical harm to patients including imminent or actual abandonment of an occupied facility. The State would have up to a 90 day period, with review of the court, to put in place appropriate management to get the facility back on its feet or to facilitate the orderly transfer of the patients to other facilities. While the committee hopes this receivership procedure will never be necessary, it is prudent and responsible to have in place protections for our most vulnerable citizens. Vote 14-0.

Amendment (0788h)

Amend RSA 151-F:2 as inserted by section 1 of the bill by replacing it with the following:

151-F:2 Appointment of Receiver. The probate court, upon petition of the department, as hereinafter provided, shall appoint a receiver for any facility; provided, that the court finds that an emergency exists or that the facility is operating without a license, or the department has denied, revoked, or refused to renew a license, or has initiated license denial, revocation, or nonrenewal procedures and the lives, health, safety or welfare of the residents cannot be adequately assured pending the full hearing and decision on the matter.

Amend RSA 151-F:3, I as inserted by section 1 of the bill by replacing it with the following:

I. The department may bring an action in the probate court, after notification to the charitable trust division, department of justice, requesting the appointment of a receiver to operate a facility. Before the department brings such an action, the administrator of a facility designated by the commissioner shall be informed that the department intends to bring such an action and shall be informed of the reasons for the decision to bring such an action. The administrator shall have at least 5 years experience as a nursing home or other residential care facility administrator. The administrator may submit his or her recommendations concerning the facility proposed for receivership within 2 business days after receiving the above information. After the 2-day period, the department, in its sole discretion may bring an action in the probate court. Prior to any hearing for the appointment of a receiver, the department shall file, and the court shall consider, an affidavit made under oath describing the results of any investigation conducted by the department, including a statement of any findings with respect to the resident's petition and the reasons for not filing an action pursuant to this section, and shall append thereto the 2 most recent reports of deficiencies in that facility. Nothing in this chapter shall be construed as abrogating or superseding any common law or statutory right of any person to bring an action requesting appointment of a receiver to operate a facility.

Amend RSA 151-F:4, II as inserted by section 1 of the bill by replacing it with the following:

II. The receiver shall apply the current revenues of the facility to current operating expenses and, subject to the following provisions, to debts incurred by the licensee prior to the appointment of the receiver. The receiver shall ask the court for direction in the treatment of debts incurred prior to this appointment where such debts appear extraordinary, of questionable validity, or unrelated to the normal and expected maintenance and operation of the facility, or where payment of such debts will interfere with the purposes of the receivership. Priority shall be given by the receiver to expenditures for current, direct resident care, including nursing care, medications, social services, dietary services, and housekeeping.

Amend RSA 151-F:4, VI as inserted by section 1 of the bill by replacing it with the following:

VI. In the event that a receiver appointed under RSA 151-F:3 does not have sufficient capital to advance for major repairs or improvements, the receiver may petition the court for permission to apply to the department for a loan. Notice shall be given to the owner of the real estate, the licensee, the department, and to any mortgagee and other secured parties and lienholders of record. The court shall after hearing, authorize the receiver to apply for such assistance if it determines that the facility should not be closed, and the commissioner certifies that the repair or improvement is necessary to prevent or remove jeopardy to patients or to minimally qualify the facility for participation in the medicaid or Medicare program; or it determines that the facility should be closed and the commissioner certifies that the repair or improvement is necessary to prevent jeopardy to residents for the limited period of time that they are awaiting transfer. The purposes of this paragraph shall be to protect residents and to prevent the closure of facilities which, given proper management, are likely to be viable operations. This section shall not be construed as a method of financing major repairs or capital improvements to facilities which have been abandoned because the licensee has been unable to secure financing by conventional means. Upon court approval, application for financial assistance shall be made to the department, which shall administer such funds as the legislature may appropriate for this purpose. The court may set a reasonable rate of interest to be paid by the receiver to the department. In no case shall funds advanced by the department under this paragraph exceed funds available in the department's civil monetary penalty fund.

Amend RSA 151-F:7, V as inserted by section 1 of the bill by replacing it with the following:

V. The receivership shall be reviewed after 30, 60, and 90 days by the probate court. If the receivership has not been terminated within 90 days of the appointment of the receiver, the court shall, after hearing, order either that the facility shall be closed, after an orderly transfer of the residents to appropriate alternative placements; or the facility shall be sold, under reasonable terms approved by the court, to a new owner approved for licensure by the department. The receivership period may be extended only with the agreement of all of the parties involved or as necessary to protect the health and safety of the residents.

Adopted.

Report adopted and ordered to third reading.

HB 758-FN, relative to the criteria for medicaid eligibility. **OUGHT TO PASS WITH AMENDMENT**
Rep. Janeen Dalrymple for Health, Human Services and Elderly Affairs: This bill prohibits the use of certain monetary devices as a method of sheltering wealth for the purpose of Medicaid eligibil-

ity. The sub-committee studied various methods of sheltering funds used on occasion by some individuals (or personal estates). Annuities was one of the identified shelters. This bill reveals and describes this type of annuity and provides for the State of New Hampshire as a secondary or contingent beneficiary insuring payment of the amount of the Medicaid expenditure. Also, this bill intends to assure that otherwise ineligible individuals are prevented from artificially impoverishing themselves to receive benefits from the State, for which they are not entitled. Several identified loopholes are closed with this bill. Vote 13-0.

Amendment (0341h)

Amend the bill by replacing all after the enacting clause with the following:

I New Paragraph; Eligibility for Assistance. Amend RSA 167:4 by inserting after paragraph III the following new paragraph:

IV.(a) It is hereby found and determined by the general court that the medicaid eligibility laws of this state are in need of amendment to assure that otherwise ineligible individuals are prevented from artificially impoverishing themselves to receive benefits to which they are not otherwise entitled and to facilitate recovery of improperly obtained benefits and to assure the fiscal integrity of the funds appropriated for medicaid.

(b) Notwithstanding any provision of law to the contrary, for purposes of medicaid eligibility, investment in annuities shall be limited to those annuities that:

(1) Are actuarially sound as measured against the Social Security Administration Life Expectancy tables as amended;

(2) Provide equal or nearly equal payments for the duration of the device and which exclude "balloon" style final payments; and

(3) Provide state of New Hampshire secondary or contingent beneficiary status ensuring payment if the individual predeceases the duration of the annuity, an amount equal to the medicaid expenditure made by the state of New Hampshire on the individual's behalf.

(c) The commissioner of the department of health and human services shall adopt rules, pursuant to RSA 541-A, relative to the proper administration of this paragraph.

2 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted and ordered to third reading.

CACR 11, relating to legislative acts as expressions of the sovereign will of the people. Providing that every act of the legislature enacted in accordance with the procedures of the constitution shall be conclusively presumed to be constitutional as the expressed will of the people. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Peter E. Franklin for the Majority of Judiciary: This constitutional amendment would make the laws passed by the legislature equal to the constitution. The balance between the three constitutional branches of government would be lost. Vote 13-2.

Rep. Gregory M. Sorg for the Minority of Judiciary: Judicial review, the supposed power of the judicial branch of the government to interpret the constitution with bending effect on all three branches of the government, had no precedent in English jurisprudence and was not practiced in England or in any of the United States at the time of adoption of the New Hampshire Constitution in 1784. It was a post ratification invention of the courts themselves, first used in defense against very clear legislative encroachments on the judicial process, but gradually extended, case by case, precedent by precedent, to the point where today, supreme courts routinely seize upon alleged ambiguities in constitutional language to frustrate the basic constitutional principle of majority rule and to usurp the core policy-making function of the legislative branch, thereby to trivialize elections and enervate representative government. It is the sworn duty of the members of this legislature to defend its constitutional turf, and they will not be doing so until they overcome their awe of the supreme court, face the fact and source of usurpation of their authority, and stop allowing the political process to be emasculated on the basis of a fairy tale.

Majority report adopted.

CACR 12, relating to citizen review retention elections for judges. Providing that a judge shall be subject to a citizen review retention election at the biennial election next occurring after he or she has served for 2 years and subsequently at regular intervals which depend on the court in which the judge serves. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Terri C. Dudley for the Majority of Judiciary: The sponsor of this CACR presented a comprehensive explanation and history on the subject of "retention election" of judges and left the committee well versed on the subject. The proposition was that such elections by the people would be held during the first biennial election next occurring after a judicial officer had been appointed for three years, then every eight years thereafter for supreme court justices, every ten years for district court judges and every eight years thereafter for all other judges. The committee seriously questioned the ability of voters in one area of the state to "judge" the effectiveness of a justice in a distant area of the state. Furthermore, the committee and the legislature have made it clear on many occasions that the election of judges was never a viable option in any judicial reform proposal. The cost of these elections was considered as a further detriment to any serious consideration of this proposal. Vote 15-1.

Rep. Gregory M. Sorg for the Minority of Judiciary: This CACR was one of two before the Judiciary Committee dealing with post-appointment control of judges. The other, CACR 9, which would have provided that, "All judges appointed on or after January 1, 2005 shall be duly commissioned and sworn to 7-year terms and shall hold their offices during good behavior...A judge appointed after January 1, 2005 may be re-appointed, commissioned and sworn to subsequent 7-year terms" and which was sponsored by a member of the Judiciary Committee, was voted to be retained the day before the committee voted to kill this one. The sponsor documented the successful use of retention elections in many other states and members received extensive documentation submitted by the sponsor. It is the minority's view that CACR 12 should have been retained for further study. Rep. Crane spoke against and yielded to questions.

Rep. Mock spoke in favor.

On a division vote, 311 members having voted in the affirmative and 49 in the negative, the majority report was adopted.

HB 122, relative to an informed jury. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

Rep. Tony F. Soltani for the Majority of Judiciary: Under common law, the juries have had the right to refuse to return a guilty verdict where doing so would offend their good conscience. This right was used by jurors in refusing to convict patriots during the revolutionary period. The juries, relying on this power, refused to convict those who aided and housed runaway slaves. The independent tradition of juries continued during the civil rights movement. This right currently exists in all fifty states including NH. Presently, however, the juries are not consistently informed of this right- nor are any rules or guidelines regulating the circumstances under which this information may or may not be passed on to the jury. This arbitrary practice has created different practices in different regions. The majority of the committee favors equal treatment of all jurors, and defendants throughout the state. Vote 9-7.

Rep. James W. Craig for the Minority of Judiciary: The minority agreed with the Attorney General's office and the Grafton County Attorney's office that this bill will cause irreparable harm to the NH criminal system. The jury now has the right to nullify- however, this bill would further grant the accused the ability to always request it and deny the judge from ever refusing that request. Currently, each trial judge has the discretion to give any jury instruction. This bill would mandate only one instruction- jury nullification no matter how heinous the crime. The minority feels that an occasional abuse of discretion by a judge would cause less harm than this one mandatory jury instruction. The abuse of discretion can be cured on appeal.

Majority Amendment (0175h)

Amend the bill by replacing section 2 with the following:

2 New Sections; Right of Accused; Jury Instruction. Amend RSA 519 by inserting after section 23 the following new sections:

519:23-a Right of Accused. In all criminal proceedings where the defendant has made a timely request, the court shall explicitly instruct the jury in accordance with RSA 519:23-b of its inherent right to disregard the law as well as the facts and to nullify.

519:23-b Text of Jury Instruction. The court instruction provided for in RSA 519:23-a shall be substantially as follows:

"The test you must use is this: If you have a reasonable doubt as to whether the state has proved any one or more of the elements of the crime charged, you must find the defendant not guilty.

However, if you find that the state has proved all of the elements of the offense charged beyond a reasonable doubt, you should find the defendant guilty. Ladies and gentlemen of the jury, the words for these instructions are chosen carefully. I emphasize the word "should" because you as jurors have the absolute right to decline to enter a verdict which could do violence to your conscience, even if you find that the state has proven its case beyond a reasonable doubt. On the contrary, if you find that the state has failed to prove any element of the crime beyond a reasonable doubt, you must find the defendant not guilty."

AMENDED ANALYSIS

The bill states that a criminal defendant has a right that the court instruct the jury of its inherent right to disregard the law and the facts in controversy and to nullify.

Majority amendment adopted.

Rep. Craig spoke against and yielded to questions.

Rep. Mock spoke in favor.

Rep. Soltani requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

Ordered to third reading.

HB 175, relative to the admission to practice law and to bar association membership for attorneys.
MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS
Rep. John M. Pratt for the Majority of Judiciary: This bill is the same bill which passed both houses of the legislature last session but did not survive the governor's veto. It requires the New Hampshire Bar Association to hold a plebiscite once every five years on the question of whether the Bar should remain a unified Bar (i.e., membership in the Bar Association being mandatory for every attorney practicing in New Hampshire) or whether it should become a voluntary Bar Association. A majority of the votes cast by members of the Bar would be required for the Bar to continue as a unified bar. Vote 14-2.
Rep. Gregory M. Sorg for the Minority of Judiciary: The amended bill empowers a majority of the New Hampshire bar to require the entire bar to be members of the New Hampshire Bar Associa-

tion. Although this is preferable to the present situation, whereby the supreme court by rule requires such membership without regard to the wishes of any bar member, the minority believes that the original bill, which would have ended compulsory membership on any basis, would have been better. The state has a legitimate interest in seeing to the regulation of admission to the practice of law and to the discipline of attorneys, but these functions can be handled by the supreme court outside the structure of the bar association. In every other respect, the New Hampshire Bar Association is a club, or fraternal or benevolent organization not unlike the Elks, Rotary or VFW, and there is no more justification for any element of compulsion in the joining of the Bar Association than there is in any other organization.

Majority Amendment (0548h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to membership of attorneys in the New Hampshire Bar Association and lobbying by the Bar Association.

Amend the bill by replacing all after the enacting clause with the following:

I New Subdivision; State Bar Association. Amend RSA 311 by inserting after section 7-f the following new subdivision:

State Bar Association

311:7-g State Bar Association Membership; Vote Required.

I. The supreme court, pursuant to its power to regulate the practice of law under this chapter and its continuing supervisory authority over attorneys practicing before courts of this state, may assess fees for the purpose of regulating the practice of law and for maintaining a professional conduct committee.

II. The supreme court may require all persons engaged in the practice of law in this state to be members of the New Hampshire Bar Association; provided that the members of the Bar Association have approved the requirement pursuant to paragraph III.

III. The board of governors of the New Hampshire Bar Association shall place on the ballot with the election of officers of the Association, the following question: "Shall membership in the New Hampshire Bar Association be required for all attorneys licensed to practice in this state?" An affirmative vote of a majority of those voting on the question, shall allow for the requirement by the supreme court under paragraph II. Approval by the membership under this paragraph shall be valid for a 5-year period beginning on the date of the affirmative vote.

311:7-h Bar Association Legislative Activities.

I. The New Hampshire Bar Association, if membership is mandatory for attorneys under RSA 311:7-g, shall be prohibited from using any part of dues paid by its members for the purpose of lobbying or influencing the general court on any matter, except as provided in paragraph III.

II. If membership in the New Hampshire Bar Association is mandatory for attorneys under RSA 311:7-g, no person shall be permitted to engage in legislative activities on behalf of the New Hampshire Bar Association for the purpose of lobbying or influencing the general court on any matter, except as provided in paragraph III.

III. The Bar Association may use a part of dues paid by its members, and may engage a person to lobby or influence the legislature on its behalf provided the Association:

(a) Limits its activities before the general court to those matters which are directly related to the regulation of the legal profession and improving the quality of legal services available to the people of the state. The scope of such permissible activities shall be narrowly defined; and

(b) Has determined that substantial unanimity exists within the bar as a whole in agreement with the position taken on a matter.

IV. Nothing in the section shall prevent officers and members of the Bar Association from appearing before the general court to express their views as individuals, as members of voluntary associations, or as representatives of clients.

V. Any member of the New Hampshire Bar Association, if membership is mandatory for attorneys under RSA 311:7-g, may refuse to pay that portion of the Bar Association dues that are used for lobbying or influencing the legislature or other political matters.

311:7-i Severability. If any provision of this subdivision or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications hereof which can be given effect without the invalid provisions or application, and to this end the provisions of this subdivision are severable.

2 Effective Date. This act shall take effect July 1, 2003.

AMENDED ANALYSIS

This bill requires a vote at least every 5 years by licensed attorneys to authorize the supreme court to continue the requirement for mandatory membership in the New Hampshire Bar Association. The bill also defines when the New Hampshire Bar Association may lobby the general court. Majority amendment adopted.

Majority report adopted and ordered to third reading

Rep. Peter Sullivan declared a conflict of interest and did not participate.

HB 491, relative to unlawful discriminatory practices in public accommodations. **INEXPEDIENT TO LEGISLATE**

Rep. James W. Craig for Judiciary: This bill sought to amend the statute regarding the state commission for human rights which makes it unlawful to discriminate against people on the basis of age, sex, race, color, marital status, physical or mental disability, creed, national origin or sexual orientation. This bill would have included in that list the right to keep and bear arms as enumerated in Part 1, article 2-a of the New Hampshire Constitution. The majority believes that one has to balance the rights of the owners of public accommodations against the rights of their establishments. Nine members of the Judiciary Committee felt that these owners should not be forced to accept people bearing arms into their places of business. Finally, in these times of heightened prevention against terrorist activity, it is not good policy to mandate the right to have arms in places of public accommodations, which include restaurants, barber shops, theaters, golf courses, sports arenas, music halls and other public places. Vote 9-6.

Adopted.

Rep. Coughlin declared a conflict of interest and did not participate.

HB 707-FN, relative to the statute of limitations in sexual assault cases. **INEXPEDIENT TO LEGISLATE**

Rep. Terri C. Dudley for Judiciary: This bill would have extended the statute of limitations for civil suits for sexual assault cases under RSA 632-A and 639:2 from the present three years to 22 years following the victim's 18th birthday (to the age of 40); the same as in the criminal process. The committee felt that the purpose of a statute of limitations is to bring a case to a reasonable closure and to allow persons to get on with their lives. To allow possible civil suits to hang over our citizenry's heads for such a long period of time when evidence becomes stale, evidence is lost, and memories fade while jeopardizing the reputations and financial resources of respondents is unjust. It would further open the doors for fraudulent accusations late in life with monetary considerations the primary impetus for the suit. Vote 13-3.

Adopted.

HB 763-FN, requiring parental notification before abortions may be performed on unemancipated minors. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

Rep. Phyllis L. Woods for the Majority of Judiciary: The majority of the committee believes it's time to return parental rights to parents. Abortion is the only constitutionally protected medical procedure. That is why, in the absence of parental involvement law, abortion providers may perform secret abortions on minors without notifying the parent. This is, therefore, one of those circumstances where the state must be proactive in order to insure parental rights for our families and protection for our daughters. If we are to hold parents to the responsibilities and duties of parenthood, then it follows that we must not withhold information and knowledge about, and input into, decisions that affect their minor children's health care. This bill, with this language, has been upheld by the US Supreme Court which stated, "The medical, emotional, and psychological consequences of an abortion are serious and can be lasting; this is particularly so when the patient is immature. An adequate medical and psychological case history is important to the physician. Parents can provide medical and psychological data..." A girl, age seventeen or younger, who finds herself in a crisis pregnancy, may not possess the emotional stability, knowledge of crucial family medical information, and the ability to comprehend long-term consequences of her actions. She is too young to make important life altering decisions on her own behalf without the benefit of a parent or guardian's counsel. While we recognize that some girls will talk to their parents in times of crisis, this bill is for the more typical girl who has a fairly good

relationship with her parents but is anxious and afraid because she is pregnant. For those girls who are determined not to involve their parents the bill provides for an exception, which is required by the Supreme Court, for a judicial bypass. Vote 10-9.

Rep. Nancy M. Ford for the Minority of Judiciary: The minority believes that a young woman who confronts an unplanned pregnancy will seek guidance and counsel from those adults who care for her most and know her best, including her parents. We also recognize that most young women (almost 2/3) do turn to their parents- whether or not mandatory notification laws have been enacted. However, we are compelled to protect the health and safety of teenage girls who live in family situations that are troubled and abusive and not open to healthy communication at the time of a crisis pregnancy. There is no magic formula for healthy parent-teen communication and we, as legislators, do not believe that enacting this law will improve these relationships at the time of a crisis pregnancy. Nor do we believe that a young woman should be subject to the intimidation and complexity of navigating the court process and placing her future in the hands of a judge. Current law recognizes that mature minors have the capacity to make important health decisions, including consent to prenatal care, to cesarean section and to other pregnancy services. Today in New Hampshire, young women faced with an unplanned pregnancy are provided with thorough, unbiased counseling and information by health care providers about their options. They are encouraged to involve their parents and other supportive adults in decision-making and medical treatment. When abusive situations are presented to health care providers and counselors, they are reported to child protection officials, as current law requires.

Majority Amendment (0703h)

Amend RSA 132:27 through 132:30 as inserted by section 2 of the bill by replacing them with the following:

132:27 Waiver of Notice.

I. No notice shall be required under RSA 132:26 if:

(a) The attending abortion provider certifies in the pregnant minor's medical record that the abortion is necessary to prevent the minor's death and there is insufficient time to provide the required notice; or

(b) The person or persons who are entitled to notice certify in writing that they have been notified.

II. If such a pregnant minor elects not to allow the notification of her parent or guardian or conservator, any judge of a court of competent jurisdiction shall, upon petition, or motion, and after an appropriate hearing, authorize an abortion provider to perform the abortion if said judge determines that the pregnant minor is mature and capable of giving informed consent to the proposed abortion. If said judge determines that the pregnant minor is not mature, or if the pregnant minor does not claim to be mature, the judge shall determine whether the performance of an abortion upon her without notification of her parent, guardian, or conservator would be in her best interests and shall authorize an abortion provider to perform the abortion without such notification if said judge concludes that the pregnant minor's best interests would be served thereby.

(a) Such a pregnant minor may participate in proceedings in the court on her own behalf, and the court may appoint a guardian ad litem for her. The court shall, however, advise her that she has a right to court-appointed counsel, and shall, upon her request, provide her with such counsel.

(b) Proceedings in the court under this section shall be confidential and shall be given such precedence over other pending matters so that the court may reach a decision promptly and without delay so as to serve the best interest of the pregnant minor. In no case shall the court fail to rule within 7 calendar days from the time the petition is filed. A judge of the court who conducts proceedings under this section shall make in writing specific factual findings and legal conclusions supporting the decision and shall order a record of the evidence to be maintained including the judge's own findings and conclusions.

(c) An expedited confidential appeal shall be available to any such pregnant minor for whom the court denies an order authorizing an abortion without notification. The court shall make a ruling within 7 calendar days from the time of the docketing of the appeal. An order authorizing an abortion without notification shall not be subject to appeal. No filing fees shall be required of any such pregnant minor at either the trial or the appellate level. Access to the trial court for the purposes of such a petition or motion, and access to the appellate courts for purposes of making an appeal from denial of the same, shall be afforded such a pregnant minor 24 hours a day, 7 days a week.

132:28 Penalty. Performance of an abortion in violation of this subdivision shall be a misdemeanor and shall be grounds for a civil action by a person wrongfully denied notification. A person shall not be held liable under this section if the person establishes by written evidence that the person relied upon evidence sufficient to convince a careful and prudent person that the representations of the pregnant minor regarding information necessary to comply with this section are bone fide and true, or if the person has attempted with reasonable diligence to deliver notice, but has been unable to do so.

132:29 Severability. If any provision of this subdivision or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect the provisions or applications of this subdivision which can be given effect without the invalid provisions or applications, and to this end, the provisions of this subdivision are severable.

AMENDED ANALYSIS

This bill prohibits any abortion provider from performing an abortion on certain minors or incompetent females without giving 48 hours' written notice, in person or by certified mail, to a parent or guardian. The bill provides a procedure for alternate notice in certain circumstances.

This bill also establishes a procedure for waiver of the notice in certain circumstances.
Majority amendment adopted.

MOTION TO LIMIT DEBATE

Rep. McKinney moved that the debate on *HB 763-FN*, requiring parental notification before abortions may be performed on unemancipated minors, be limited to 15 minutes for each side, including questions.

Adopted.

The question being adoption of the majority report.
Reps. Lasky, Graham, Jacobson and Hager spoke against.
Reps. Mooney, Woods, Vaillancourt and Lefebvre spoke in favor.
Rep. Phyllis Woods requested a roll call; sufficiently seconded.
The question being adoption of the majority report.

REGULAR CALENDAR (CONT'D.)

HB 811, relative to the exclusive authority of the state over the regulation of firearms, ammunition, and components thereof, and relative to limiting the liability of manufacturers, distributors, dealers, or importers of firearms or ammunition for damages resulting from misuse. **OUGHT TO PASS WITH AMENDMENT**

Rep. James E. Wheeler for Judiciary: This bill will protect firearm manufacturers and dealers from suit over the criminal use of the manufacturers' non-defective product. There have been suits in other states that have put dealers out of business with the legal fees even though they may prevail. While there have been no direct cases here, the committee believes that it is only a matter of time before a suit will be brought in this state. Already the suits in other states have affected New Hampshire manufacturers. The president of one New Hampshire company testified that it has cost his company almost a half a million dollars to defend just two claims against his company, both of which have been dismissed. The committee believes that this bill must pass to protect the firearms industry in New Hampshire. Vote 9-6.

Amendment (0756h)

Amend the title of the bill by replacing it with the following:

AN ACT relative to limiting the liability of manufacturers, distributors, dealers, or importers of firearms or ammunition for damages resulting from misuse.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The purpose of this act is to:

I. Prohibit civil liability causes of action against manufacturers, distributors, dealers, and importers of firearms or ammunition for the harm caused by the criminal or unlawful use of their products by others.

II. Preserve a citizen's access to a supply of firearms and ammunition for all lawful purposes, including hunting, self-defense, collecting, and competitive or recreational shooting.

2 New Section; Liability Limitation for Manufacturers, Distributors, Dealers, or Importers of Firearms or Ammunition. Amend RSA 508 by inserting after section 20 the following new section:

508:21 Liability Limited; Manufacturers, Distributors, Dealers, or Importers of Firearms or Ammunition.

I. In this section:

(a) "Manufacturer" means:

(1) A person who is engaged in a business to import, make, produce, create, or assemble a qualified product, and who designs or formulates, or has engaged another person to design or formulate, a qualified product.

(2) A seller of a qualified product, but only with respect to an aspect of the product that is made or affected when the seller makes, produces, creates, or assembles and designs or formulates an aspect of the product made by another person.

(3) Any seller of a qualified product who represents to a user of a qualified product that the seller is a manufacturer of the qualified product.

(b) "Person" means any individual, corporation, company, association, firm, partnership, society, joint stock company, or any other entity, including any governmental entity.

(c) "Qualified product" means a firearm or ammunition or a component part of a firearm or ammunition, manufactured in compliance with federal and state law, that has been shipped or transported in intrastate, interstate, or foreign commerce.

(d) "Qualified civil liability action" means a civil action, in law or in equity, brought by any person against a manufacturer or seller or a trade association of a qualified product, for damages resulting from the criminal or unlawful use of a qualified product by the person or a third party, but shall not include an action brought against a manufacturer, seller, or trade organization convicted of a felony under state or federal law, by a party directly harmed by the felonious conduct.

(e) "Seller" means, with respect to a qualified product, a person who:

(1) In the course of a business conducted for that purpose sells, distributes, rents, leases, prepares, blends, packages, labels, or otherwise is involved in placing a qualified product in the stream of commerce.

(2) Installs, repairs, refurbishes, reconditions, or maintains an aspect of a qualified product that is alleged to have resulted in damages.

(f) "Trade association" means a federal, state, or local trade association which has one or more members which are manufacturers or sellers of a qualified product.

II. A qualified civil liability action shall not be brought in any state court.

3 Effective Date. This act shall take effect January 1, 2004.

AMENDED ANALYSIS

This bill limits the liability of manufacturers, distributors, dealers, or importers of firearms or ammunition for damages resulting from misuse.

Adopted.

Rep. James Wheeler requested a roll call; sufficiently seconded.

The question being adoption of the committee report.

and the committee report was adopted.

Donovan, Thomas

Franklin, Peter

Ordered to third reading.

Rep. Wall voted Nay and intended to vote Yea.

HB 821, establishing a right to work act which provides for freedom of choice on whether to join a labor union. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.** Rep. Corey E. Corbin for the Majority of Labor, Industrial and Rehabilitative Services: This bill basically would prevent the assessment of agency fees upon non-members of a labor union. The non-members, however, have an obligation to pay their fair share of the costs associated with contract negotiations and collective bargaining, as they enjoy all the wages and benefits as full dues-paying members, negotiated for them by the unions. This bill was comparable to a citizen stating they should not have to pay the education property tax because they have no kids, despite the benefit we all receive from well-educated kids. As a result, and the overwhelming show of opposition to this bill (nearly 10-1 in testimony) the bill was reported ITL. Vote 13-6.

Rep. Jarvis M. Adams for the Minority of Labor, Industrial and Rehabilitative Services: There is a fundamental first amendment right of free association that is violated when government regulates the private lives of workers by forcing them to financially subsidize unions against their wishes. In addition, This bill, if passed, would improve the health of unions and our economy by making unions more user-friendly.

MOTION TO LAY ON THE TABLE

Rep. Hunt moved that **HB 821**, establishing a right to work act which provides for freedom of choice on whether to join a labor union, be laid on the table.

Rep. Buckley requested a roll call; sufficiently seconded.

The question being adoption of the motion to lay the bill on the table.

HB 282, relative to granting solid waste management facility permits. INEXPEDIENT TO LEGISLATE

Rep. Robert W. Brundige for Municipal and County Government: The legislation proposed by this bill seeks to restore a provision in state law that was removed by Chapter 251 Laws of 1996 because it placed the Department of Environmental Services in the position of making determinations about local land use matters and disputes. The process of issuing a standard facility permit by the Department under the provisions of RSA 149-M:9 and Part Env-Wm 314 of the New Hampshire Solid Waste Rules is a time consuming process designed to protect our groundwater and environment. At the current time, the Waste Management Division determines the terms and conditions of the permit based on representations made in the application. Every Solid Waste Management Facility Standard Permit issued contains a statement that the permit "shall not eliminate the permittee's obligation to obtain all requisite federal, state or local permits, license and approvals, or to comply with all other applicable federal, state, district and local permits, ordinances, laws, approvals or conditions relating to the facility". Currently North Country Environmental Services Inc. operates a double lined landfill for disposal of certain types of waste as listed in their permit. The sponsor of this bill would like to change RSA 149-M:9 to require that a "permit for a private facility shall not be effective unless and until the applicant submits evidence that the facility has received all applicable local approvals". In essence, this would put the waste management division back in the business of determining what local ordinances or approvals are required and satisfied. The director told the committee that the waste management division does not have the expertise or authority to make those determinations. The towns in the Pemi-Baker Waste District all voiced their opposition to this change in the process. Some citizens of the Town of Bethlehem would like to have an avenue to close the landfill, have their issues be heard and find someplace else to locate the landfill. At the moment the avenue is in the courts and the committee believes that this is the best place to leave it and voted the bill Inexpedient to Legislate. Vote 10-5.

Adopted.

HB 301, relative to the property tax exemption for certain pollution control facilities. INEXPEDIENT TO LEGISLATE

Rep. Ronald L. Dupuis for Municipal and County Government: This bill is one of two bills introduced this session on behalf of the Town of Bethlehem. Since 1971, the state has sought to encour-

age the construction of pollution control facilities by exempting such facilities from real property taxes pursuant to RSA 72:12-a. This bill would modify RSA 72:12-a to eliminate this incentive for owners of landfills and solid waste incinerators. However, it was the majority opinion of the committee that this legislation targeted a particular industry in a particular area and passage would have state-wide impact and would be detrimental to the important objective of RSA 72:12-a. The committee also concluded that the Department of Environmental Services has the expertise to continue to investigate and determine the percentage of exemptions allowed for any business that invests in any devices or appliances installed wholly or in part for the purpose of reducing, controlling, or eliminating any sources of air or water pollution as currently stated in RSA 72:12-a. The section of the bill that allows local municipalities to vote on an annual basis to continue any exemptions would unfairly penalize businesses that have made long range investments in such pollution control devices in reliance on the statute. The committee does not recommend the bill because (1) it is not the legislature's role to intervene in disputes between municipalities and property owners and (2) it is important to maintain across-the-board incentives to control pollution for the well-being of the state as a whole. Vote 10-5.

Adopted.

HB 311, repealing the distribution of family planning service lists by the town clerk. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: OUGHT TO PASS.

Rep. Kenneth H. Gould for the Majority of Municipal and County Government: Town clerks have been required to supply certain brochures to marriage license applicants. This has been an encumbrance for town clerks. The committee has amended the bill so town clerks will not be required to hand out any brochures with marriage licenses. Three brochures are affected: 1) family planning; 2) fetal alcohol syndrome; and 3) human immunodeficiency virus. Since the information is readily available from many community health centers, and the committee heard testimony that very few referrals have come from the town clerk's distribution, this bill was amended to remove that distribution. Vote 10-1.

Rep. Jessie L. Osborne for the Minority of Municipal and County Government: In the belief that the distribution of information on fetal alcohol syndrome and auto immune deficiency disease through the town clerk upon issuance of a marriage license should not be removed from RSA 457:28-a, the minority feels that this amended bill will strip the people of New Hampshire of a primary valuable source of health information. This information may help to prevent the spread of AIDS and the health and education problems found in infants and children. This bill should be passed as introduced.

Majority Amendment (0809h)

Amend the title of the bill by replacing it with the following:

AN ACT repealing the obligation to provide persons applying for a marriage license with a list of family planning services and with brochures on fetal alcohol syndrome and the human immunodeficiency virus.

Amend the bill by replacing all after the enacting clause with the following:

1 Repeal. The following are repealed:

I. RSA 132:2, XI, relative to the brochure on fetal alcohol syndrome, prepared by the department of health and human services, for persons applying for a marriage license.

II. RSA 141-F:3, XIII, relative to the informational brochure concerning the human immunodeficiency virus, prepared by the department of health and human services, for persons applying for a marriage license.

III. RSA 457:23, II and III, relative to the requirement that a person applying for a marriage license receive a brochure concerning fetal alcohol syndrome and the human immunodeficiency virus.

IV. RSA 457:28-a, relative to the list of family planning services provided by the town clerk to persons applying for a marriage license.

2 Effective Date. This act shall take effect 60 days after its passage.

AMENDED ANALYSIS

This bill repeals the requirement that the town clerk distribute family planning service lists and brochures on fetal alcohol syndrome and human immunodeficiency virus to marriage license recipients.

The bill also repeals the requirement that the department of health and human services prepare pamphlets relative to fetal alcohol syndrome and human immunodeficiency virus for distribution to persons applying for a marriage license.

Majority amendment adopted.

On a division vote, 273 members having voted in the affirmative and 65 in the negative, the majority report was adopted.

Ordered to third reading.

HB 315, establishing a committee to study methods for accelerating appeals of denials of residential development permits. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Kenneth H. Gould for the Majority of Municipal and County Government: Some folks are concerned about a housing shortage. Some folks are concerned about too many children to educate. Some folks want to study methods of accelerating the appeal process for denials of residential development. Some folks want to free marketplace to be allowed to work. The committee was split and after three failed motions, finally recommended against this study committee. Vote 8-6.

Rep. Nancy K. Johnson for the Minority of Municipal and County Government: The minority felt that establishing a committee to study methods for accelerating appeals of denials has merit. Currently, civil cases to Superior Court, due to denials of residential development at the local level, come last on the docket. This causes delays that cost applicants additional money. The lack of housing development, especially affordable housing in the state, impacts businesses and our ability to stimulate economic development.

Majority report adopted.

HB 335, relative to the regulation of the operation of OHRVs. **INEXPEDIENT TO LEGISLATE**

Rep. Eric G. Stohl for Municipal and County Government: The intent of this bill is to address the operation of any OHRV that "unreasonably" disturbs "the quiet enjoyment of persons in a residential area." The bill also provided a penalty section and permitted the local legislative body of a city, town or county in which there are located unincorporated towns or unorganized places to adopt a zoning ordinance to regulate or control off highway recreational vehicle use. Most of the committee feels that RSA 644:2,III,(a) already provides more than sufficient statutory authority to prevent the unreasonable disturbance and any other health risk that may be associated with the operation of OHRVs. RSA 644:2,III,(a) states a person is guilty of disorderly conduct if he purposely causes a breach of the peace, public inconvenience, annoyance or alarm, or recklessly creates a risk thereof, by making loud or unreasonable noises in a private place which can be heard in a public place or other private places, which noises would disturb a person of average sensibilities. Vote 10-5.

Adopted.

HB 399, establishing the town of East Derry. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Priscilla P. Lockwood for the Majority of Municipal and County Government: This bill as introduced would have enabled the residents of East Derry to vote on establishing a separate Town of East Derry apart from the town of Derry. The solutions proposed in this bill mirrored a Weirs Beach secession attempt in 1991. The Municipal and County Government Committee at that time re-referred the issue, spent time listening to input from the local level, and put forth possible specific solutions. In the end, the Senate killed the bill. The current Derry delegation overwhelmingly opposes this bill (10-1), even with the possibility of having the whole town of Derry vote, and the town councilors from East Derry are also opposed. The problems brought forth were ones the committee felt could be handled within the town itself through its charter, making legislation necessary. Vote 10-6.

Rep. David L. Buhlman for the Minority of Municipal and County Government: The minority of the committee feels that the voters in Derry deserve to make the choice about their municipal boundaries at the voting booth in Derry. A significant effort was made by those who favor secession, and such an effort should be honored in Concord by allowing the vote to take place in Derry on this local issue. Clearly such a serious effort, that involved so much hard work on the part of many citizens, was not undertaken lightly. Let the local voters have their say.

Rep. Dupuis requested a roll call; sufficiently seconded.

The question being adoption of the majority report.

SUSPENSION OF RULES

Reps. Hess and Nordgren move that House Rules be so far suspended as to allow the Finance Committee to report House Bill 1 and House Bill 2 by Thursday, April 10, 2003 and to allow final action by the House on House Bills 1 and 2 by Thursday, April 17, 2003.

Adopted by the necessary two-thirds.

RESOLUTION

Rep. Hess offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 26, 2003 at 10:00 a.m.

Adopted.

LATE SESSION**Third reading and final passage**

HB 245, relative to child custody decisions.

HB 357-FN, relative to child support insurance settlement intercept.

HB 447, limiting retroactive child support awards under the uniform act on paternity.

HB 486, relative to access to child support enforcement records.

HB 620-FN, providing a right to counsel for indigent parents and other protections in cases involving the guardianship of minors.

HB 674-FN, relative to legal representation for indigent parties and notification requirements under the Child Protection Act.

HB 259, relative to the regulation of gift certificates under the consumer protection act.

HB 316-FN, relative to insurance coverage for anesthesia for child dental care.

HB 404, relative to common trust funds.

HB 423, relative to safe deposit boxes.

HB 460-FN, relative to property and casualty insurance.

HB 470, relative to health insurance providers.

HB 481, establishing a committee to study the pricing of milk products.

HB 506, relative to health club membership initiation fees and renewal practices.

HB 507, relative to certain statutes that set minimum requirements for employee benefit plan procedures pertaining to the filing of benefit claims, notification of benefit determinations, and appeal of adverse benefit determinations.

HB 546, relative to uniform prescription drug information cards.

HB 596-FN, relative to health plan loss information.

HB 601, relative to the long-term care insurance act.

HB 646-FN, relative to liquor licenses and fees.

HB 684-FN, relative to the insurance rating law.

HB 694-FN, relative to tobacco product manufacturers not entering master settlement agreements.

HB 711-FN, relative to the regulation of retail installment sales of motor vehicles.

HB 725, relative to fraternal benefit societies.

HB 796-FN-L, relative to the taxation of manufactured housing.

HB 798, relative to gifts by fiduciaries.

HB 807-FN, increasing the filing fees for a fund raising counsel and a paid solicitor of a charitable trust.

HB 816, making technical corrections to the securities laws.

HB 817, relative to the regulation of first and second mortgage brokers and mortgage servicers.

HB 205, relative to the use of criminal records and reports.

HB 208, relative to name changes for inmates and parolees.

HB 389, relative to victim impact statements and deleting the prohibition on funding certain positions in the office of victim/witness assistance with funds from the victims' assistance fund.

HB 410, relative to disclosure of information for purposes of background investigations by criminal justice agencies of applicants for police, corrections, and security employment.

HB 418, relative to annulment of arrest records for defendants whose cases result in acquittal, dismissal, or failure to prosecute.

HB 495, relative to unauthorized access to a wireless computer network.

HB 615-FN, relative to the requirements for registration of sexual offenders.

HB 630-FN, relative to enhanced penalties for assault on law enforcement officers, firefighters, emergency medical care providers, and national guard members.

HB 654-FN, relative to criminal liability for the destruction or disconnection of a smoke detector by a tenant in a rental dwelling.

HB 659-FN, relative to penalties for failure to obey a subpoena or summons.

HB 690-FN, relative to agricultural crop damage.

HB 718-FN, relative to endangering the welfare of a minor and relative to criminal responsibility for the commission of certain acts.

HB 749, relative to the description in a criminal complaint of the party accused.

HB 825, establishing a committee to study methods of safely reducing the prison population in the state.

HB 568-L, relative to legal residency for the purpose of public school education.

HB 332-FN, relative to the use of prerecorded telephone messages by candidates and political committees.

HB 364-FN, relative to the use of automatic telephone dialing systems for political advocacy.

HB 605-FN, relative to prohibited election day activity.

HB 829, relative to ward boundaries in Manchester and Nashua to be used in state elections.

HB 529, relative to the New Hampshire seed law.

HB 222, specifying the term for physicians and dentists at the department of corrections and relative to the special school district within the department of corrections.

HB 258, relative to the community-technical college system.

HB 543, relative to increasing the membership of the board of accountancy and relative to appeals of board decisions.

HB 617-FN, relative to the licensure of dentists and regulation by the board of dental examiners.

HB 670-FN, establishing a procedure for release by a state agency of statistical information for research purposes.

HB 60, changing the name of the advisory committee on shore fisheries and relative to the definition of shellfish and a rulemaking exemption for certain rules relating to marine species.

HB 112-FN, establishing a point system for the annual moose permit lottery.

HB 808, relative to proof of residency and resident tax payment for receiving resident fish and game licenses.

HB 134-FN, relative to recommendations, appointments, and qualifications of marital masters and procedures for cases heard by marital masters.

HB 184, relative to distribution upon intestacy.

HB 185, relative to pretermitted heirs.

HB 218, relative to the definition of beneficially interested person.

HB 287, establishing a professional malpractice claims study commission.

HB 296, relative to settlement agreements in medical malpractice suits.

HB 776, relative to emergency medical care for pregnant women.

HB 468, relative to enforcement of the labor protection statutes.

HB 211, relative to town clerk fee deposit requirements.

HB 413-L, relative to certain appeals proceedings when the taxpayer prevails.

HB 424, relative to a net asset qualification for the elderly property tax exemption, and clarifying certain references in property tax exemptions.

HB 446, relative to building permits.

HB 455, relative to residency requirements for disabled persons applying for a tax deferral of property taxes.

HB 466, relative to the adoption procedure for property tax exemptions and credits.

HB 467, allowing towns or cities to increase the property tax credit for service-connected total disability, and relative to the date for filing for exemptions and tax credits.

HB 639, relative to receiving legislative body approval though warrant articles before a municipality may continue a program initiated under a grant.

HB 806, enabling municipalities to adopt a property tax exemption for deaf or severely hearing impaired persons.

HB 661-FN-L, relative to Westport Village Road in the town of Swanzey.

HB 420, relative to state-owned trails and parking lots in the town of Windham.

HB 676-FN, relative to lake level investigations.

HB 768, establishing a committee to study the flow in the Connecticut River and the effect of the flow on water levels in Lake Francis and the Connecticut Lakes, and to study the use of certain state-owned property along the Baker River.

HB 547, relative to the duties of the oversight committee on telecommunications and relative to the membership of the Mount Washington Commission.

HB 562, relative to an additional duty of the air pollution advisory committee.

HCR 15, relative to relaxing air quality standards by the United States Environmental Protection Agency.

HB 228, relative to conduct after an accident.

HB 402, relative to child passenger restraints.

HB 509, relative to access to motor vehicle records.

HB 699-FN, relative to abandoned vehicles.

HB 107, relative to bingo.

HB 262, relative to operators of bingo and games of chance.

HB 558, relative to financial reports on bingo and lucky 7 operations.

HB 123, relative to notice given to putative fathers in adoption proceedings.

HB 177, excluding stepchildren from the definition of "child" in the context of support orders.

HB 298, relative to physical child custody decisions.

HB 384, relative to financial affidavits in domestic relations cases.

HB 431, eliminating application of the rule against perpetuities to instruments that contain safeguards relative to the continued alienability of property.

HB 415, raising the age of the speedy trial requirement from 13 years of age to 16 years of age in sexual assault cases involving minors and relative to the exclusive authority of the state over the regulation of firearms, ammunition, and components thereof.

HB 464-FN, establishing a criminal penalty for facilitating a drug or underage alcohol house party.

HB 139, relative to the collection and reporting of school drop-out, suspension, and expulsion data and relative to the deadlines for submitting certain reports to the department of education.

HB 627-FN, relative to domicile for voting purposes and penalties for voter fraud.

HB 162, relative to remedies and penalties for injuries to domestic animals caused by dogs.

HB 593-FN-L, relative to solid waste facilities in small towns.

HB 302-FN, relative to the funding and use of the retirement system special account.

HB 753, establishing the fourth Monday in April as General John Stark Day.

HB 210-FN-A, relative to passenger tramway registration fees and relative to carnival or amusement ride fees.

HB 360-FN-A-L, establishing a civil legal services fund consisting of court filing fee surcharges for the purpose of establishing and operating a New Hampshire Legal Assistance office in Nashua and relative to a New Hampshire Legal Assistance pilot project on serving the near-poor.

HB 515, excluding certain agreements between fish and game licensees and landowners from the right-to-know law.

HB 709-FN, relative to nursing homes in receivership.

HB 758-FN, relative to the criteria for medicaid eligibility.

HB 122, relative to an informed jury.

HB 175, relative to membership of attorneys in the New Hampshire Bar Association and lobbying by the Bar Association.

HB 763-FN, requiring parental notification before abortions may be performed on unemancipated minors.

HB 811, relative to limiting the liability of manufacturers, distributors, dealers, or importers of firearms or ammunition for damages resulting from misuse.

HB 311, repealing the obligation to provide persons applying for a marriage license with a list of family planning services and with brochures on fetal alcohol syndrome and the human immunodeficiency virus.

RECESS MOTION

Rep. Hess moved that the House stand in recess for the purpose of introduction of bills, enrolled bill amendments, enrolled bill reports and receiving Senate messages only.

Adopted.

The House recessed at 4:20 p.m.

RECESS

(Speaker Chandler in the Chair)

Rep. Hess moved that the House adjourn.

Adopted.

HOUSE JOURNAL No. 13

Wednesday, March 26, 2003

The House assembled at 10:00, the hour to which it stood adjourned, and was called to order by the Speaker.

Prayer was offered by House Chaplain, The Reverend Hays M. Junkin, Rector of Saint Andrew's Episcopal Church in Hopkinton.

Ever Compassionate Creator, we stand today in thanksgiving for the blessings we have inherited to share the authority of democratic government, to worship freely, to voice differing opinions, to assemble and to speak openly in a free press among our many other freedoms. We are mindful that these freedoms were won and are now protected by the bravery of men and women serving in our armed forces at home and in distant lands, and by our police and fire services who serve in our communities. May our gratitude for their many sacrifices never wane. May the work of this honorable House reflect the gratitude we share as free citizens of our beloved New Hampshire.

We especially lift up to You those who have been wounded, killed or captured in the cause of bringing freedom to the people of Iraq.

Bring peace quickly, O Lord. Amen.

Rep. Stanley Stevens led the Pledge of Allegiance.

The National Anthem was sung by Katie Kramer and Julie Wagner, students at Concord High School.

LEAVES OF ABSENCE

Reps. Janet Allen, Cady, Flanagan, Guay, Rice, Seldin, Slack and Weare, the day, illness.

Reps. Nelson Allan, Balcom, Burling, Corbin, Dewhirst, Donovan, Stephanie Eaton, Hager, Kaen, Moran, Oliver, Ross, Paul Smith, Jeffrey Sullivan and Tilton, the day, important business.

Rep. Casey, the day, illness in the family.

INTRODUCTION OF GUESTS

Christine O'Brien, student at ConVal High School and Baron Eddings, student at Conant High School, Pages for the Day. Margaret Goldberge, daughter of Rep. Diamond. Rich and Pam Wagner, parents of Julia Wagner, and Christina Provencher, guests of the Speaker. The 4th grade class from Seabrook Elementary School, guests of the Seabrook delegation.

SPECIAL GUESTS

The Pembroke Academy Robotics Team, the 2003 Champions of the Chesapeake Regional First Robotics Competition held at the United States Naval Academy, guests of the Pembroke delegation.

REGULAR CALENDAR

COMMITTEE REPORTS

HB 411, allowing municipalities to adopt a property tax exemption for owners who permit snowmobile use. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. Roland L. Dupuis for the Majority of Municipal and County Government: It was the majority opinion that the bill was flawed in that there were no restrictions as to the size of land, no definition of "use and reasonable access," and a great discrepancy in the amount of exemptions proportional to the size of land in question. This reduction of property assessment would also be in addition to any other exemption or credit the landowner is entitled to, such as current use. RSA 79-A:4 already allows a 20% reduction in current use value if a landowner's property is open to the public 12 months a year for recreation. This type of additional exemption for winter recreational use could be extended to horseback riding, snowshoeing, hiking, dirt biking or any other type of recreational use and in the end, the cost of the exemption is shifted to other members of the community. The committee feels that the existing program of current use, and availability of an additional 20% reduction for recreational use is adequate compensation for the use of one's land. Vote 14-1.

Rep. Laurie J. Boyce for the Minority of Municipal and County Government: This bill enables a town or city to give an extra exemption/credit for a small percentage (10%) of the property taxes on residential real estate which is used as the principle place of abode, and which would allow snowmobiling activity on the property for a five year period, renewable every five years.

Majority report adopted.

HB 439, allowing municipalities the option to tax land values at a different rate than buildings and improvements. **INEXPEDIENT TO LEGISLATE**

Rep. Robert W. Brundige for Municipal and County Government: Testimony was received that this concept has some merit. However, implementation of this concept could cause a serious reduction of vacant land throughout the state due to the higher tax rate on non productive vacant land, causing the owners to sell prematurely and may contribute to an expansion of "sprawl" that this legislature is trying to shift to "smart growth." The committee agreed this bill is unworkable at this time. Vote 12-3.

Rep. Noyes spoke against.

Rep. Brundige spoke in favor.

Adopted.

HB 552, establishing a committee to study the Hillsborough County Nursing Home employment practices. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

Rep. David L. Buhlman for the Majority of Municipal and County Government: The committee was impressed with the testimony from several employees from Hillsborough County. However, this is an issue that is more appropriately handled outside the legislature through established procedures. A performance audit by the county delegation could be worth considering. Vote 10-4.

Rep. Peter B. Schmidt for the Minority of Municipal and County Government: The minority feels that serious questions have been raised regarding employment practices at the Hillsborough County Nursing Home. Efforts to address these issues at the county level have not resolved the matter. While the minority agrees with the majority that Hillsborough County should deal with this question, the minority strongly feels that the New Hampshire House should maintain oversight, so that it can be sure that justice ultimately prevails.

On a division vote, 236 members having voted in the affirmative and 109 in the negative, the majority report was adopted.

HB 774-L, enabling municipalities to expend funds to plow private roads. **INEXPEDIENT TO LEGISLATE**

Rep. Kenneth H. Gould for Municipal and County Government: The case of "Clapp vs. Jaffrey" would suggest that a town cannot spend tax monies on private property. It appears to be a constitutional issue. Towns would be exposed to unnecessary liability. However, present statutes allow plowing of "emergency ways." Vote 9-7.

Adopted.

HB 778-L, relative to the city of Manchester school district. **OUGHT TO PASS WITH AMENDMENT**

Rep. Marc P. Pappas for Municipal and County Government: This bill is simply enabling legislation that would allow the City of Manchester to put a referendum question on the ballot allowing the citizens of Manchester to decide whether or not to return the school district to a city department. The referendum question would need to be passed by a two-thirds super majority, which will clearly state the will of the people of Manchester. In a previous referendum on this issue, 61% of the citizens of Manchester voted to return the school district to a department of city government. However, because the city did not first obtain permission from the legislature, the initiative was deemed invalid. This bill is not unlike similar legislation that was passed three years ago, in which the City of Nashua sought to return control of its school district to a city department. It should be noted that in addition to the majority of Manchester's legislative delegation, twelve of the fourteen city aldermen whole-heartedly support the goal of this legislation. Vote 11-3.

Amendment (0752h)

Amend the bill by replacing all after the enacting clause with the following:

1 Manchester School Department. The city of Manchester, New Hampshire may incorporate the school district as a department of the city and the mayor shall have control over the form and procedures for preparation and adoption of the school department budget, subject to a referendum provided for in section 2.

2 Referendum. The provisions of section 1 of this act shall take effect upon ratification by a 2/3 vote of the voters present and voting by ballot at the regular annual election in the city of Manchester, and the mayor shall certify within 10 days to the secretary of state the results of said referendum.

3 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill enables the city of Manchester to incorporate the Manchester School District as a department of the city, subject to voter approval.

Rep. Patten spoke against.

Committee amendment failed.

Rep. Patten offered floor amendment (0969h).

Floor Amendment (0969h)

Amend the bill by replacing all after the enacting clause with the following:

1 Manchester School Department. The city of Manchester, New Hampshire may incorporate the school district as a department of the city and the mayor shall have control over the form and procedures for preparation and adoption of the school department budget.

2 Effective Date. This act shall take effect upon its passage.

AMENDED ANALYSIS

This bill enables the city of Manchester to incorporate the Manchester School District as a department of the city, subject to voter

Rep. Patten spoke in favor and yielded to questions.

Floor amendment (0969h) adopted.

Report adopted and ordered to third reading.

HB 25-FN-A, making appropriations for capital improvements. **WITHOUT RECOMMENDATION**

Rep. Edwin Smith moved Ought to Pass with Amendment and offered floor amendment (0961h).

Floor Amendment (0961h)

Amend the bill by replacing all after the enacting clause with the following:

1 Capital Appropriations. The sums hereinafter detailed are hereby appropriated for the projects specified to the departments, agencies, and branches named:

I. Adjutant General.

A. Armory Renovations	\$ 300,000
B. STARC Armory - Concord	9,033,100
Less Federal	-6,774,825

Net state appropriation subparagraph B	2,258,275
--	-----------

C. Armory Kitchen Expansions	975,000
Less Federal	-731,250

Net state appropriation subparagraph C	243,750
--	---------

3. Antrim Rest Area Replacement - Design and Right-of-Way	<u>100,000</u>
Total state appropriation paragraph II	<u>\$ 4,732,000</u>
Total state appropriation section 4	<u>\$ 8,839,090</u>

5 Expenditures; General. The appropriation made for the purpose mentioned in sections 1, 3, and 4 and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228.

6 Expenditures; University System of New Hampshire.

1. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system of New Hampshire. All

contracts for the construction of all or any part of said buildings or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each of 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees, in its discretion, may wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

V. Notwithstanding paragraphs I, III, and IV, the sums appropriated by section 2 may be expended and awarded by the trustees of the university system; provided that all contracts for all or any part of the building or facilities shall follow construction management procurement procedures and guidelines. If the trustees select construction management pursuant to this paragraph, paragraphs I, III, and IV shall not apply and the trustees shall retain the right to reject or negotiate following accepted construction management practices.

7 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3 and 4 of this act, if any, as may be acquired under the appropriation except such land if any as may be acquired for the water resources board, shall be purchased by the commissioner of the department of transportation with the approval of governor and council.

8 Bond Authorized.

I. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, and 4 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$93,018,693 and for said purposes may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

II. To provide funds for the appropriation made in section 13 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$17,700,000 and for said purposes may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A; provided the cumulative bonds or notes shall not be issued in excess of:

(a) \$7,700,000 in the biennium ending June 30, 2005, as included in paragraph I.

(b) \$17,700,000 through the biennium ending June 30, 2007.

9 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds in the state.

II. The payment of principal and interest on bonds issued for the projects in:

(a) Section 3 of this act shall be made from the fish and game fund.

(b) Section 4 of this act shall be made from the highway fund.

10 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, and 4 beyond the estimated amounts. The net appropriation of state funds for any

project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 8 shall be reduced by the same amount.

11 Transfers. The individual project appropriations provided in sections 1, 3, and 4 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project is completed and accepted, said balance or any part thereof may be transferred by governor and council, to any other individual project or projects within the same section and from the same funding source, provided that prior approval of the capital budget overview committee is obtained.

12 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3, and 4 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such projects and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 8 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

13 Appropriation; Department of Health and Human Services; New Architecturally Secure Facility for Committed and Detained Juveniles.

I. Pursuant to the final report of the commission to study the need for and the location of architecturally secure facilities and community shelter care facilities to serve juveniles established by 2001, 97, and in order to address health and safety concerns for staff and residents, operating inefficiencies in the campus model of the youth development center campus in Manchester and the inability of the current facilities to support state-of-the-art rehabilitative programming, the sum of \$17,700,000 is hereby committed to the design and construction of a new architecturally secure facility for committed and detained juveniles on the grounds of the youth development center.

II. The total project cost of approximately \$33,000,000 shall be funded using:

(a) \$13,400,000 in federal funds from the Violent Offender Incarceration/ Truth-in-Sentencing grant program;

(b) \$1,900,000 in previous state capital appropriations designated for new facility construction in youth development services;

(c) \$7,700,00 in a state capital appropriation for the biennium ending June 30, 2005 as made in section 1, paragraph VI, A of this act; and

(d) \$10,000,000 in a state capital appropriation for the biennium ending June 30, 2007 hereby appropriated upon approval of the capital budget overview committee and in a manner consistent with the project schedule.

III. The department shall submit the programs and design development drawings which include cost estimates, design criteria, and square footage requirements for the project to the capital budget overview committee as soon as possible upon passage of this act.
